The Wheeler Fire Dept. and Muscular Dystrophy Assoc. would like to thank ALL the organizations and local citizens who worked together to make last Saturday a huge success for MDA and a fun day for all. A big thanks to Charles Carter who was the Co-Ed tourn. director. All things moved along well without a hitch, both Friday night and Sat., thanks to well planning by Charles and the softball assoc. board. A special thanks to Brenda Childress who donated all her time scorekeeping and running the P.A. and to the local A.S.A. scorekeeping who donated their time and efforts.

A local team, "The Rejects" managed by Thana Riley and Mike Williams won the 1st Place Team Trophy and each team member won a T-shirt donated by the Muscular Dystrophy Assoc. The 2nd Place team was "The Mixed Nuts" managed by

Three other local teams participated in the Co-Ed tourn. they were "Endangered Species" managed by Charles Carter, "Woodies" managed by Steve Zybach and "Base Burners" managed by Janet McClellan. We would like to thank all the managers, players and coaches for their participation; we couldn't have done it without you. Our winner in the Men's Home Run Derby was Myron Jolly of Wheeler. He hit 3 home runs over the fence and took home a batting bag for his prize. Laurie Cannon from Durham, OK was our Women's Home Run Derby winner, she also hit 3 home runs over the fence, (standing at second base) and received a batting bag for her prize.

Care Center Gazebo Near Completion

The gazebo at Wheeler Care Center is nearing completion. We are grateful to the people of the community and the various organizations for making this possible.

Many of the residents are enjoying it even before it is finished. Most of the bills were paid as we went by donations, with about \$200.00 in material and some paid labor being provided by the Care Center. A few more shake shingles and the ridge for the roof is all we like in way of material. There is a little over \$400.00 in unpaid bills and the fund has about \$100.00.

A "Gazebo Sale" is planned for September 12 and 13, to raise the additional funds. We would like to have any saleable item you would like to donate for our sale. The Activity Director will coordinate the sale and the residents will assist with preparations and sale itself. Following is a breakdown of expenditures which were either purchased or donated by the provider. The overall cost to date of material is \$2,783.18.

Concrete (most of which was donated)—\$452.57; Red Wood—1,368.02; Plywood Decking—113.88; Shingles—157.42; Stain (bought but not yet applied)—62.76; Railing and supports—464.00; Form Lumber, nails, felt, etc.—164.53.

Here & There
BY LAURA GUTHRIE
Did you miss Fannie Callaway from Thriftway's Deli last week? She has been to Idaho for a visit. I'm just wondering if she brought back a few bags of "Idaho's Best."
Jane Thomas was away from Thomas's Insurance one day last week. She went to Memphis for some dental work and to visit with her mother.
The Jimmy Adams family used a few days last week for a vacation.

They went to New Mexico and I believe made Carlsbad the center of their attraction.
Ed and Patricia Forrester made a business trip to Amarillo Saturday.
Mrs. O. L. Forrester was in Amarillo one day last week for a medical check-up.
The Ed Riley pew at the church is just in front of me. I missed them Sunday. Ed has been in hospital several days suffering from a heart attack.
Vida Brown was hostess on the weekend to her family. Visiting her was her daughter, Billie McClellan of Bertram, Texas; (Hope you read about Billie in last week's paper) Vida brother Dr. Donald E. Savage, of the University of California, Berkeley, CA. and Mr. and Mrs. Winston Savage of Logo, Vista, Texas; and a step-sister Marian Hill, Borger, Texas. Another guest was Carl Swisher, a graduate student of the University of California. Vida's son and wife, Richard and Anita were guests, and also entertain the visitors in their home.
I'm sure most of you read that account of the Rose—Widmer Re-

union in last week's paper. But I have been informed in a Human Interest Story, on that occasion, that I think should be added. There happens to be an unusual bit of interest in this gathering.
The Rose family grew up in the upper Panhandle. There were 10 children, 8 girls and 2 boys. Twenty years ago this family had a reunion on July 7, 1965 all 10 children were present, along with their mother. On August 10-11, 1985 there was another reunion with all 10 children present, all mature people. This was a two-day affair. On Saturday the family and guests gathered at the ranch home of Donald and Faye (Rose) Sell, near Perryton. The next day being Sunday the family held services at the home of E. G. and Willa (Rose) Fillingim near Briscoe. One of the brothers is a minister and the other a lay-preacher, so they could well handle the service.
On Saturday the noon meal was catered for 75 or 80 people. Just before the Invocation two of the relatives, Glynda Sell and Jay Hungisto called for the 10 original Roses to step forward (The Mother's

loving reference to them was "My ten little Rosebuds") Then each of them were given a rosebud corsage.
In the afternoon they enjoyed "collections" of many kinds, antiques, machinery, cars, dolls, butterflies, trunks and other luggage. Of course, there was never a dull minute, what with pictures, singing, and visiting.
Another outstanding entertainment was a lecture and slides on the Orient. A special guest was Christopher (Chris) Friday who was reared in Ariel, Washington, quite separated from most of the relatives, at present he and his wife, Katie, live in Los Angeles, doing advanced college work. But the Friday's spent 18 months in China, teaching English in a college as well as doing a study of China.
Besides scores of friends and relatives the focal guests were: Elmo (Rose) Rives, Parkdale, Oregon; and grandson Chris Friday, Los Angeles; Veal (Rose) and Leon Fillingim, Wheeler and daughters Ruth and Dick Irvine, Briscoe; Estelle McAdams, Lacy Allen and Ken Michael, Plains, Texas; Mozelle, Andrea Lynn and Micah Lee Thomas, Caddo Mills, TX; Virgil and Esther Rose, Midwest City, Okla.; and all immediate family, Alexandra Miller, Connie, Mark and Amy, Warner, Okla.; Dr. Virgil Rose, Jr., Joliet, Ill.; Ardene Rose, Rosemont, Ill.; and John Rose, Okla. City; Faye (Rose) and Donald Sell, Garland and Sharon, Amarillo and Glynda of Perryton; Willa (Rose) and E. G. Fillingim, Briscoe, TX. and family, Gayle and Helen Singleton, Marilee, Andy and Randy, Fritch, TX; LaJo and Charles Crownover, Boyce Micheal, Jody, Landa and Terry, Briscoe; Laurel Lee (Singleton) Hershman and Sareth, (Willa's granddaughter) Kirklan, Indiana; Joyce (Rose) and Rex Hardage, Claremore; Houston and Gladys Rose, Pierre, S. D.; Elton (Rose) and

William Fillingim, Prescott, Arizona; Joy and George Hungisto, Karenda and Jeremy of Chino Valley, Arizona; and a granddaughter Cherene Fillingim, Berkeley, CA.; Gay (Rose) Andler and 7 daughters (first time together for 7 years) Connie and Sam Cutsen, Corpus Christi, Texas; Janice and Scott, Montgomery, Ala.; Donna and Tom Merrill and Heather, Arnada, Colo.; Sandy and Greg Jewell Branch, LA.; Bonnie Andler, Lebanon, MO.; Eda (Rose) and Donald Bynam, St. Charles, MO.

Ain't It the Truth
BY AB GUNTER
A couple of years ago my Mother sent me down to the Mill to have some corn ground into cornmeal. Well normally I didn't mind little chores that Mother sent me on cause it would always take most of the day for me to get back to the house but on this day I wasn't too happy 'bout going 'to the Mill. A man we called Jew Faust had the mill and I liked him fine and his wife but he had two daughters that I sort of ran back from. Now there ain't nothing wrong with girls, that is if they will mind their business but them two girls wanted to cut out paper dolls and that sort of stuff and I was more of a Hoot Gibson or Tim McCoy type of feller but anyhow I went down to the Mill as Mother asked me to do and figured that I could get out of visiting with them durn girls somehow. I got there and Mr. Foust took the corn and laid it there in a pile with some other corn and I could see I wasn't going to be first to have my corn ground and tried as I might I couldn't figer out any way to keep from playing with them and sure enough here they came and were so glad to see me and all that junk and their Mama brought out some cookies and skimmed milk and I couldn't turn down such an offer.
Well I tried to make Oatmeal cookies last as long as I could but the girls were gettin em faster than I could so I started grabbin and eatin just to keep up and durned if we didn't get through with all of them before Mr. Foust got to grindin on our corn.
Mrs. Foust had to go up to McIlhany's er something and there I was left with the girls to play paperdolls. They had me cuttin them out of the Monkey Wards catalogue and they were fiddling around puttin names on them and all that kind of girl stuff and I was gettin more anxious to get back home and some tree climbin er maybe heading down to Stanley Creek.
All of a sudden one of the girls reached over and kissed me right on the mouth, it scarred the fool out of me and I jumped and headed out of their house fast as I could go. Well here come Miss Edna as we called Mrs. Faust and as I went flying by her she called and said "Albert you forgot your cornmeal". I hollered back at her and said, Miss Edna, Mamas got about a dozen more things I got to do today and I never missed a step gettin back home to get high in them trees, out of sight of the durn girls. I never did know if Mama or Miss Oma went down and got that durn cornmeal but you can bet I didn't.....

LETTER TO THE EDITOR
You know I don't believe in evolution, your Darwin theory. While working on an old piano action under the shade tree, 6 or 7 children came by and wanted to know what I was doing. I explained this mechanism had some 3000 parts. They caught on real quick as I let them help me. We were talking about people taking things that didn't belong to them. One young fellow said we all do something wrong some time or another. He said we talk about Jesus at our house and mentioned that Jesus is watching over us. One of the other boys said God is watching too. We talked about how no one can hide when we do wrong.
They talked with more knowledge about decency and principles than we older folks with tired minds. They even know better than to blow smoke out into hallways into the lungs of sick people, some dying. Even a child can help turn this heathen world around.
Mr. Editor, you failed to mention cyanide, methane, nicotine, 2 naphthylamine, benzoa, pyrene, and ammonia in your little "fire out of control" illustration. All of these things are in cigarette smoke. Not one statement from the Surgeon General or from the Office of the Secretary of

Health and Human Services or M.D. Anderson Hospital indicates that smoking is good for sick and dying people in our hospital as you have indicated. We are violating the right of these sick people. These people go to our hospital for the best care man can give.
I want you to know these sick people are not rats, as you have indicated in your little fire story. Mr. Mayor, Council Members, Board of Directors, Administrator, Doctors, Nurses, Employees, and others, I have talked to many of you that wanted this filthy smoking out of our hospital. The addicted Gestapos keep you from speaking out. Thank God for children. They are not blind. I was blind for 9 years, but now I see. To the Editor
The Wheeler Times

Dear Editor,

Since people of Wheeler County identify me with the Republican Party, and rightly so, I have no apology for that but at the same time I want them to know the I did not have any part in the "Letter to the Editor" that was written in the Shamrock Texan and The Wheeler Times a couple of weeks ago pertaining to the budget of Wheeler County. In fact I was in Europe at the time the article was written.

Sorry to hear that Mike Johnson, new fourth grade teacher, had to have an emergency appendectomy Thursday at Amarillo. Hope he will soon be O.K. The Johnsons live in the house east of Salmon's. Mike is home from the hospital and is doing o.k.

Well! Well! Most of the convicted murderers got another stay of execution. After all they just killed from 2 to a dozen innocent people. Can't be too hard on them. Give them a new trial every few months and let them watch TV at the taxpayers expense. What if they left little children orphans and families devastated. We know they are good old boys at heart, and will kill again if they have a chance.

A group gathered recently at the French home to bid farewell to Cecil and Gladys Lewis. Those present were Lola French, Grace Roberts, Mr. and Mrs. Royce Roberts, Ava French of LA. Jim and Lola Bell Elliot of Clayton, N.M. and the honorees Cecil and Gladys.

Pauline and Royce have made a sashay down to eastern Oklahoma. Came back by OKC where Royce got a good checkup from his doctor.

The home folks are really getting around. Oklahoma Today had a piece about chicken fried steak and featured Cal's as one of Oklahoma's best. There was a portfolio of pictures by Larry Brown who was raised at Delhi, now lives at Woodward. Roger Miller has a new commercial, and we can see Sheb Woolley and Rawhide each morning.

Mr. and Mrs. Dean Carlson, Mandy, Monty, and Matt have been to the Prather reunion at Boise City. Spent a week in Colorado looking over Royal Gorge, Colorado Springs, and such.
