I started to write the story and do the cutlines for the 4-H banquet which was held Tuesday, September 30, and realized that I did not have the names to go with the pictures. I had agreed for the "Texan" to take the information, make a copy and return it to me for this week. I failed to make contact with them and they with me. So, my apologies to the 4-H members, l will get your pictures in the paper.

Congratulations to Drew Thomas in winning the All-Around Cowboy saddle at the Tri-State Rodeo over the weekend in Wheeler.

We had a meeting of the Wheeler Chamber of Commerce Tuesday

evening. Were you there. We need your membership, but if we are to serve you, we need your participation. Please mark the calendar and plan to be in attendance at the next regular meeting on Tuesday, Nov. 4, at 7:30 p.m. The meeting time is set and the place is set and announced. You have no excuse for not being there.

Remember the spaghetti supper being sponsored by the Key Club prior to the homecoming game Friday evening. There will be lots of good food and you have to eat somewhere.

When copy is brought in to us, we try to make corrections in wording and spelling; we fail to catch something from time to time and sometimes we make mistakes in typing. A sentence in Care Center Comments was just too good to 'let pass'. In reference to a party honoring Frankie Jackson, the article read: "A party was held in her

HOMEGROWN: Just another example that Wheeler county soil will grow anything and do a good job of it is this carrot produced by Mark Frankenbery. Mark pulled part of the crop at his home in the Vise addition of Wheeler and found this 10 oz vegetable. The carrot is 7 inches long and measures 2" across at the top. With the harvest of the rest of the crop, if a larger carrot is found, we will let you know.

The Wheeler Mustangs parlayed two big offensive plays, a pass that led to a three pointer and a TD pass, and too many big plays on defense to count to upset the AA Panhandle Panthers before a capacity crowd in Panhandle last Friday night by a 10-5

There aren't many high school football teams in the Panhandle that have more pride in their accomplishments than the Mustangs and Panthers and last week's hard hitting Black Machine of Wheeler was the team that wasn't going down to

Not many people gave the outmanned Mustangs a chance but all they had to do was point to the scoreboard as the final seconds ticked away and the Mustangs knew that they had their satisfying victory wrapped up.

Panhandle drove to the Wheeler 10 on their first possession but a five yard procedure penalty moved them back to the 15 and on fourth down at the 9, Kent Nix booted a 25 yard field goal and it looked like it was going to be a long night for the Mustangs.

Forcing the Mustangs to punt following their field goal, Panhandle's Kotara, returned the kick to the Wheeler 15 but ended up losing 60 yards on the play as they were flagged for clipping and settled in at their own 25. Four plays got 17 and Kotara went to the air for the first time and Grayson Benson, who was outstanding on defense, intercepted on the Wheeler 37.

Randy's arm and shoulders has gotten a lot of the numness out; he has about a foot of deadness or numbness above his thumb and up his arm, including the thumb. We were shocked and surprised to see them; they came by Louisiana, spent 2 nights with Bobby Parker in air force; they stopped, visited Ella Parvell after they left here on way to Dumas. Randy looked real good; think his head still bothers him; hope this will clear up.

#### **Attend Games**

By Laura Underwood

On Sunday, October 5, 19,647 fans attended the final baseball game of the 1986 season of the Texas Rangers in Arlington Stadium. Sunday was Fan Appreciation Day and the Rangers gave the fans something to appreciate. They lead the pennant winning California Angels all afternoon and ended the season with a 7-4

As part of the Fan Appreciation festivities, seat numbers were drawn to receive the warm-up jerseys of the Rangers players and coaches. The odds of having your seat number drawn were 1 in 700. Janet McClellan of Wheeler had her seat number drawn and received second baseman Curtis Wilkerson's jersey. The jerseys were presented to each recipient by the player or coach on the infield following the game. Each recipient's name was called and the player or coach came forward to present his jersey. As the jerseys were presented, the recipient and the player or coach were shown on the diamond vision

screen, high atop Arlington Stadium. Janet attended the game with her husband, Ray, and Bob and Laura Underwood. The group also attended Friday and Saturday night's games. Where were they sitting? They were behind the bullpen on row two in seats 5, 6, 7 and 8. Congratulation, you 'lucky dog'.
