Congratulations to the award winners at the annual Band Banquet. Mr. Wills did his usual excellent job as master of ceremonies. The food, prepared by Mr. Banbecue, was excellent; Wheeler is fortunate to have such an excellent caterer.

Ab Gunter, where are you. Ab, writer of "Ain't It the Truth", must be 'off his feed', we have missed his column-this is the second week. I was not terribly concerned when we missed last week, but two weeks in a row.

We were fortunate in receiving some moisture since the last writing. The clouds rolled in Friday evening and we received 0.33 inches of moisture. Over the weekend we received an additional 0.32 inches. Goldie Gorden reported 1.25 inches from the two

I have been a resident of Wheeler Co. for 36 years and I am married to Bob Hink. We have three children, Janice who is employed at the First National Bank in Wheeler, Janette and Jason who attend Kelton Schools. We live on a farm East of Wheeler in the Kelton community. I have worked the last seven years as part time bookkeeper at Taylor Petroleum in Wheeler, and the last eight months as week-end dispatcher for the Wheeler Co. Sheriffs office. I am presently enrolled in a Jailer Certification Course through the office of Texas Commission on Law Enforcement. Through this course and working at the Wheeler Co. Sheriffs office I am familiar with

documents used by the Justice of the Peace office. I am capable of fulfilling all the duties of this office, and I am aware some of these duties are not pleasant. If the voters of Wheeler Co. TOMMY PURYEAR

Candidate for County Commissioner, Precinct 2

"I have lived in Wheeler County all of my life except for 7 years. During that seven years I attended Amarillo Junior College for two years, and worked for Firestone Tire & Rubber Co. for five years. In 1976 Karen and I moved back to Wheeler County and have made this community our home.

I attended Kelton Schools for eleven years and graduated from Wheeler High School in 1968. I have been a member of the Wheeler Volunteer Fire Department and served with the Wheeler Ambulance Service for the past 6 years."

If elected to the office of County Commissioner. I would like you, the voters, to know that I will execute the business of Precinct #2 in all county matters in a fair, honest and impartial manner. I will make myself available to the voters and will welcome your questions and comments on all county

business. I want you to understand that I will conserve your county tax dollars. I will vote for expenditures only after careful consideration of need "VS" cost of each proposal. Your county roads will be worked and repaired in a timely manner. School Bus routes, will be worked and maintained as often as necessary to insure safe and timely travel for our children..

Through sound business judgement and good management we can hold the line on taxes and compensate our county employees with a fair and suitable salary.

It is my sincere pledge that, if elected, I will serve in a fair and impartial manner.

"I, Tommy Puryear, would appreciate your consideration and your vote on Saturday, May 3rd, in the Democratic Primary Election."

YOUR VOTE and SUPPORT would be appreciated May 3

Friday we had a bad cloud go west

The less you talk, the more you are of us, with a lot of thunder, it went big shower of rain like we did Friday, south and east. The J.O. Helton's got ever little bit helps, sure was nice. Wednesday afternoon we received hail and a lot of water running all one of the best showers we had in a around. Christine Atherton called out day afternoon.

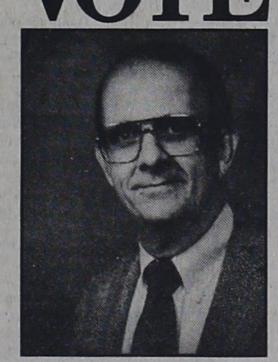

said they got over an inch. Saturday, 26, Mac Purcell just got a Marianda and Michelle came Friday

and Truman Sunday afternoon. Jim Walker's daughter Jody and Mike Watkins and Kensey from Anna Ill. are here visiting went Thursday Dorothy and Jody went to Pampa end Bill and Neta, Kevin and June visited Murel Hunter. They ate out at Furr's. They visited Charles and

Nancy Davis while up there. Dorothy and Cliff have 5 red headed grandkids and 2 great great grand- you to all our friends for the flowers. kids. How wonderful!

ones above, Jim's family, James and hospital. Cindy Walker, Alton and Ellie Wilkinson, Sam Watson.

Cliff and Dorothy got 6/10 inches rain Saturday night. I have got to get me a rain gage up. We had only showers till Saturday nite. More fell than just a shower.

Dan and Lou Trimble and children went to Spearman to the Tri-State-Rodeo. Larry won 5th in calf roping. Larry and Randy Martin won 5th in team roping.

Sunday they attended Texas High School qualifying state team roping contest. Larry got team roping and calf roping, probably got this down

Last week-end Addie Swift went with Fat and Wanda Childress, Kay and Scott Luttrell, Brandi and Susie to San Angelo Friday afternoon on to Eastland. Visited Roy and Janie Swift and Glenn and Kathy Swift, a granddaughter Gayle and Lyn Williamson. They came home Monday. They saw a lot of country and scene they had not visited before.

They ate supper in that Sweetwater town one night. The next morning they heard a toronado had hit it. Now that was a narrow escape.

Hoyle Helton visited us Sunday afternoon. As she went to her car we had a light on. But out south her car was dark. The kids had 2 tires with a board across, jumping on. Hoyle fell over into a tire. Don't know how bad she was hurt she called up after she got home, said she had just killed

herself. Now after you get older, it sure hurts to fall. Just talked to her rain Sat. nite.

Sammie Atherton visited us Thurs- this morn she was up and going. Bud Waters visited his parents Weldon and Diana Parker, Sunday morning on his way to Dodge City. Pat Railsback called her mother, that helps like a big shot of energy Diana, Michell and Miranda visited stuff. How well do I know just to hear

Patsy mother-in-law, Mrs. Florene Castleberry has a lot done Railsback broke the big bone in her on her new house. I know she'll be leg just below her knee. We wish for her a speedy recovery.

Maudie Wheeler is doing o.k. now.

That is good news. Sharon Grandstaff was doing pretty good, Mary said, since surgery. Oden ate dinner Monday, Wednesday, and Thursday with his mother Mary, while Clarence and Irene visited Bettie Lois was with Sharon during her surgery in Borger.

Saturday eve Mary and Mae Welch

went to Wheeler, shopped. At Claude and Mable's over weekwas there a week. Left last Thursday.

To the Voters of Wheeler County

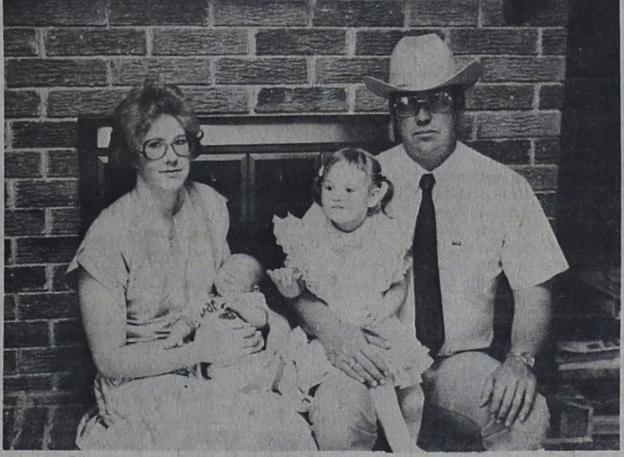

I would like to take this means of contacting you if I have not previously done so, and express my desire to have your vote and support in the May 3rd Primary Election.

Your vote will be greatly appreciated.

Thank you,

Margaret Dorman Candidate for Wheeler County Clerk

(Pol. Adv. paid for by Margaret Dorman, Rt. 1, Box 3-K, Wheeler, TX 79096)

Boyd Hiltbrunner

Soon it will be time for the voters of Precinct 4 to elect a new commissioner.

Before going to the polls, let's hope you seriously consider who would be best qualified for the office by answering the following questions:

Do you feel a person is qualified to be a commissioner because he has driven over county roads?

Were you to build a house would you hire a person because he has lived in a house all of his life or would you hire a carpenter with several years of experience?

Who do you think would do the best, job, the one who feels he has an obligation and would give more of his time and effort to you, the taxpayer, since his primary income would come from this office or one who would hold the office for a supplementary income? To sum it up, wouldn't you really want a full time working commissioner, fully experienced in all phases of the office he seeks, rather than one who says he feels he is qualified with no concrete evidence to hold him up.

In these economically hard pressed times we cannot afford for a man to learn the ropes of running a County Precinct at the expense of the tax

This county is made up of working people and needs a working Commissioner.

Bill Atherton Seeks RE-ELECTION County Commissioner, Precinct No. 2

I have served as your Commissioner for the past 9 years, and am asking you for the opportunity to continue to serve. I feel I have done the job in an honest and trustworthy manner. I am an experienced heavy equipment operator and mechanic and am qualified to do the job. I work alongside my men to keep the roads, bridges and equipment in top condition.

The crisis in the oil industry is creating problems all over the State, and Wheeler County

is no exception. This is the time that experience is needed in County Government. A lot of problems will have to be met and solved in maintaining roads and equipment, and in making sound business decisions to conserve our tax dollar.

It has been a privilege to serve you for the past 9 years. I would appreciate your vote and support on May 3.

This daylight saving time is just almost too fast for slow geared people like me, and about the time I get adjusted to it, it will be time to change back to central time. It would be all right with me if they would just leave it one way or the other, but they didn't ask me. Keeps one confused, or at least it does me.

Ruby Craig and Wilma Gilmer were in Wheeler Wednesday evening to help their grandson, Tanner McHorter, celebrate his first birthday. His mother made his cake which was real cute with a teddy bear on it. There was a lot of aunts, uncles and cousins there. One great grandfather and two great-grandmothers and his two grandmothers and his baby sitter were there also. He got a lot of gifts and enjoyed it all even to squeezing his piece of birthday cake with both hands. There were a lot of cute pictures taken.

Jake and Maybell Childress' Saturday afternoon visitors were John and Angie Huff and children. Jake and Mabell went back to the ranch Sunday and had Sunday dinner with their son, Shot, and Shot's three sons and their wives were also there. Barbara Rogers was there from Pampa.

Shorty and Helen Crawford's two sons and families, George and Linda and Erick and Johnny, Patty, Mondy and Matt all from Canadian were weekend guests the 20th of April to help Shorty, their Dad, celebrate his birthday. Don't know how old Shorty is, but he still gets around pretty

> To the Editor The Wheeler Times

Dear Mr. Stas,

The primary election on May 3rd, is especially important to the Wheeler County Republican Party. This will be the hotly contested governor's race.

Our party is growing and in need of party workers. Anyone wanting to work in elections to take an acive part in party politics is welcome. The grass roots part of the political process starts at the parcinct convention. Citizens wanting to affect the direction of the Republican Party should come. They may express their opinions on the direction of the party, educational reforms, moral issues, or any subject important to them. Their ideas may become resolutions which will be sent on to the county convention and from there to the state and national conventions. Delegates are elected at the precinct conventions to go to the county convention which chooses delegates to the state convention. Each precinct convention convenes at 7:30 p.m.

If you want to help select the next Governor of Texas, come vote in the Republican Primary. If you wish to have an effort on the future of your state and country, come to the Republican Party Precinct Conven-

HONESTY

HARD WORK

INTEGRITY

Wheeler County is facing a financial dilemma due to the decline in our tax evaluation. It has never been more important to have informed and conservative people making the decisions. Bill Atherton has proven himself to be fair and honest in setting the policies which effect the lives of the entire population of the county. His experience and common sense approach to our problems is extremely important to us at this time. Your support will be appreciated.

Lets elect the man most qualified for the job . . .

I attended a news conference in Amarillo Thursday morning. As I have said before, you never know who from Wheeler you will 'run into'.

I was not too surprised to see Jim McCormick of KVII; I knew he was from Wheeler. Jim left Wheeler in

Just before the activities got underway, Bill Green came over and introduced himself. In 1962 when Bill graduated, I was 'just a kid' and had only been in Wheeler two years. I don't remember Bill, but I remember his picture hanging in the cleaners-his dad, the late Roe Green, ran the local cleaners. Bill is living in Amarillo and I believe he is with First Financial.

To the Editor The Wheeler Times

Dear Editor.

I saw a statement somewhere that said that "every man's work is always a portrait of himself." I certainly believe that to be true since it is a Biblical principle. The Word of God says, "Ye shall know them by their fruits." (Matthew 7:16) If a man is a kind man, it will manifest in his work. If he is an honest man, it will show. If day. a person is deceitful, it too will be demonstrated in his work. If a person is vindictive, that also will be obvious.

There is another Scriptural principle that we should remember. That is, whatever a man sows, he will also reap. If a man sows strife and bitterness and rudeness, it will all come back to him eventually. The harvest is always greater than the seed too. What we are today and the condition we find ourselves in today are results of the seeds we sowed in days gone by. Each person has the power of choice in life. We all determine our own harvest by the seeds we are sowing today. If our life ends up loaded with misery and bitterness and grudges, it is because we sowed for it. If our life ends up with health and victory and peace and prosperity and lots of friends, it is because of the seeds we sowed that lead to that kind of harvest.

been a citizen of Wheeler for 10 years. Thursday, April 10, during the 1986 I remember the first time I talked with you. I recall numerous times in these years when you have shown kindness and concern. You have demonstrated that I like you, Mr. Stas, and I think you have some good harvests coming

Denise Barnes was babysitting T.J. and Kileah Trimble and Allison and Amanda Johnson in addition to her son, Heath, Monday morning.

Had a nice visit with Mae Welch Monday morning. She had enjoyed having Barbara Williams and Denise for Sunday dinner and then had gone by herself to a birthday party at Sweetwater for Bertie Whipkey who was 94 years young and still lives alone and takes care of herself. Isn't that nice! Mae saw lots of old friends that she had not seen in maybe 25 years. Mae Welch is a delightful person. Always cheerful and peppy

We have a guest writer this week. The fifth grade class recently made a field trip to the Square House Museum in Panhandle. Newspaper writing had been a subject of Mrs. Ellisor's class recently and each student in the class was given the opportunity to write the story of the trip. With a great deal of effort, the article written by Wade Hampton was selected to run.

An early morning trip to Wheeler Care Center Wednesday morning reminded me of a "Thank You" needed to extend. Commissioners Bill Atherton and Elmer Ray Harrison and their employees did an excellent job at the Care Center. Kiowa Street runs in front of the nursing home; the street had been graded, but nothing else. This is one of the many streets they have helped the city with. Thanks for remembering your city taxpayers.

Participa-

ation in Soil and Water Stewardship Week activities offers an opportunity to reflect on the nation's natural renewable resource problems and consider actions to resolve them or reduce their impact.

The Wheeler Co. SWCD was organized in 1948 for the purpose of offering farmers, ranchers, and the local community a voluntary conservation technical assistance program through which individuals could seek and request conservation assistance to meet their individual land's capabilities and needs.

"Basically it is the district's responsibility to provide technical assistance when requested relative to proper soil use and treatment, erosion control practices, solve drainage problems and assist farmers and ranchers with crop, range and pastureland management," said Zybach.

The National Association of Conservation Districts has sponsored Soil and Water Stewardship Week in the United States since 1955, in cooperation with the nation's nearly 3,000 soil and water conservation districts. Informative material on the Soil and

Water Stewardship Week theme each year is distributed through local The Wheeler County Soil and Water conservation districts to clergymen, lay leaders, civic and educational they will join in the national obser- organizations and to individuals interested in participating in the celebra-

Brown Outstanding Young Woman

The Board of Advisors for the Outstanding Young Women of America awards program announced today that the women named on the attached list have been selected for inclusion in the 1985 edition of OUTSTANDING YOUNG WOMEN OF AMERICA.

Now in its 21st year, the Outstanding Young Women of America program is designed to honor and encourage exceptional young women between the ages of 21 and 36 who have distinguished themselves in their homes, their professions, and their communities. Accomplishments such as these are the result of dedication, service and leadership-qualities which deserve to be

recognized and remembered. This is the goal of the many leading women's organizations, college alumni associates, and public officials who nominate deserving young women to participate in the program. Serving as chairman of the program's Advisory Board is Mrs. Margaret Long Arnold, honorary president of the General Federation of Women's

Clubs.

The women listed, along with approximately 26,000 fellow Outfrom across the United States, will be presented in the prestigious annual state awards presented to those women who have made the most noteworthy contributions in their individual states. From these fifty-one state winners, the Ten Outstanding young Women of America were chosen, and these ten national winners were then honored at the annual awards luncheon held this past

January in Washington, DC. Our Board of Advisors and our Editors salute all those honored as Outstanding Young Women of America. We take greeat pride in bringing their accomplishments to the attention of the American public.

Conservation Reserve Bidding To Reopen

The bidding process for the Conservation Reserve Program that was initiated at the first of the year will be reopened for the period of May 5-23. At the same time, the initial bidding process for the 1987 program will

This will allow producers whose were not previously accepted, to revise them or to submit new bids for this year and also to submit bids for 1987, points out Don King, County Agent with the Texas Agricultural Extension Service, The Texas A&M University System.

bids for either of the program years should contact their County ASCS and SCS offices to initiate the sign-up procedure, says King.

The 1986 sign-up, held in March, fell far short of the acreage expected to be accepted into the program, notes King. Nationally, about 838,000 acres of highly erodible cropland on 10,307 farms were entered into the CRP, with accepted bids ranging from \$5 to \$90 per acre. Texas did not fare as well as the rest of the country, with only 29,052 acres on 151 farms accepted into the CRP.

The USDA had hoped to put some 5 million acres into the program in 1986, with about 825,000 of those in Texas. Over five years, the USDA has targeted some 45 million acres for the program with 11.5 million of those in Texas.

Landowners considering the upcoming sign-up period will need to remember that the CRP calls for a 10-year contract and establishment of permanent cover (grass or trees) to protect land from wind and water erosion, explains King. Costs involved in establishing this cover will be shared 50-50 with the government.

Bids on the cropland to be taken out of production should be based on what that land would produce if it remained under cultivation, says King. A special worksheet is available at the county Extension office to help a producer determine a bid price.

King reminds producers that annual rental payments on the land will be limited to \$50,000 per farmer and will be in addition to annual commodity program payments.
