

School Officials Get 3-Year Contracts

Blankenship, Three Aides Reelected

Trustee Election Called April 2; 3 Terms Expire

The Big Spring public school system will be under the same administrative guidance for another three years. Members of the board of trustees, in session Monday night, approved a new three-year contract for Superintendent Blankenship; and, on his recommendation, approved similar contracts for three other administrative officers.

Salaries Set Later

These are George Gentry, principal of the high school; Thomas E. Pierce, director of elementary education; and Edmund Notestine, business manager.

Salaries were not fixed, this matter being left until later when pay of all teachers will be set by the board.

Unanimous action on the contracts was one of the chief items of business at the board session, the other being the issuance of an order calling the annual trustee election for Saturday, April 2. Terms of three members of the board expire this year—President J. B. Collins, Dr. M. H. Bennett and H. S. Faw. These three expressed a desire to retire from their posts last night, but were urged by fellow members to stand for reelection to assist in completing school programs.

No definite announcements were made.

Tenth Year

Blankenship is rounding out his tenth year as head of the Big Spring schools. Coming here just as the town—and the school system—started on a period of tremendous growth, Blankenship has guided the system while enrollment climbed, in the ten years, from 1,443 to 3,288. All buildings of the present setup either have been constructed or doubled in capacity since Blankenship assumed the office. At the present a new ward building and an auditorium-gymnasium are being constructed.

Gentry has been here two years longer. Pierce, who came here from Abilene, is completing his second year as director of the elementary schools, and Notestine, assumed the post of tax officer and business manager last year.

Under the superintendent and principals, the Big Spring schools have made forward strides in curriculum improvement. The schools this year have been an "exploratory" system of the Southern Association in new teaching methods and next year will become a "laboratory" unit in the Association's advanced program. Only five other schools in Texas have been given such designation.

The board Monday night authorized employment of additional teachers at the Kate Morrison (Mexican) school, where classes have been exceptionally crowded. The new instructor will be G. C. Quill, coming here from Waco.

Parkers Face Indictment

Billed In Wendel Case For Trial In New York

NEW YORK, Mar. 8 (AP)—A federal grand jury today indicted Ellis H. Parker, Sr., Burlington county, N. J., chief of detectives, his son, Ellis, Jr., and three others as kidnapers under the Lindbergh law.

The indictment concerned the alleged kidnaping of Paul H. Wendel, former Trenton resident, from New York to the Parkers' home in Mt. Holly, N. J., Feb. 24, 1935.

At that time, the Parkers issued a "confession" signed by Wendel that he had kidnaped Charles A. Lindbergh, Jr., the crime for which Bruno Richard Hauptmann was then under the death sentence.

The faked confession allegedly

151 Votes On Beer Issue

That Many Absentee Ballots For Friday's Election

Absentee balloting on beer and wine to 14 per cent closed off Monday evening with 151 votes ready to be delivered to election judges for tabulation in voting totals on the issue in 14 boxes of Howard county Friday.

At the same time the county tax collector's staff completed poll lists, the totals of which indicated that the real battle on beer is to be in Big Spring. Four boxes voting within the corporate limits hold 5,244 votes or around 73 per cent of the county's total. The remaining 10 boxes of the county contain 1,877 votes with Coahoma and Foran holding little less than half the potential.

Wet and dry forces alike were making ready for the referendum. Drys revised their set-up Monday in a meeting and were prepared to get out the vote. Leaders of these forces were confident that the county would repeat, on a larger scale, its vote against liquors last December.

On the other hand, representatives of the anti-prohibition bloc sent out letters to voters, particularly business men, citing statistics on tax revenues and business returns. They were confident that increases in vote registration spelled advantage for the wets.

A tabulation of the voting strength (which does not include all voters in rural boxes) by voting precincts follows: No. 1, Big Spring, 512; No. 2, Big Spring, 1,260; No. 3, Big Spring, 2,485; No. 4, Big Spring, 1,007; No. 5, Vincent, 75; No. 6, Gay Hill, 121; No. 7, R-Bar, 89; No. 9, Coahoma, 265; No. 10, Foran, 309; No. 11, Center Point, 183; No. 12, Moore, 180; No. 13, Knott, 255; No. 14, Morris, 27; No. 15, Soash, 75; total 6,921.

KILLED BY TRAIN

SAN ANTONIO, Mar. 8 (AP)—Struck by a truck as he walked along the Frisco City road near his home, William Kampan, 68, retired farmer, was killed instantly last night.

LABOR LEADERS ARE CONVICTED

CLEVELAND, Mar. 8 (AP)—A common pleas court jury today convicted Donald A. Campbell and John E. McGee, labor leaders, of extorting \$1,500 from Vernon Stonfer, head of a restaurant chain.

Campbell and McGee had been on trial for three weeks before a jury of six men and six women. They were the first of four union leaders to go on trial on charges of extortion.

Campbell is president of the painters' district council and McGee is president of the laborers' district council. Both are subject to sentences of one to five years in Ohio penitentiary and fines of up to \$1,000.

William J. Corrigan, defense attorney, announced immediately he would file a motion for a new trial.

Just A Week To Figure Out Income Tax; They Say It's Very Simple

WASHINGTON, Mar. 8 (AP)—Have you made out your income tax return? There's only one week left.

Making out returns is a cinch, especially if you go to an internal revenue expert for help.

At least that's what one expert—a gentleman with white hair and gold-rimmed glasses—said today.

Briefly, as he put it, this is all you have to do:

First figure your "gross" income. "Gross" means total, except that the government stretches the meaning a bit in your favor. "Gross" doesn't include, for instance, things like the life insurance you get when your uncle dies.

Then the fun begins. You start deducting items to get what the government calls "net" income. You deduct the \$10 you gave last year to the community chest, the \$231 you paid the city on real estate taxes, the interest you paid on that note at the bank, the uninsured loss on your garage that blew down and the \$50 bad debt you gave up trying to collect.

If you are single, take off \$1,000 as your personal exemption. Married men get a break and can take off \$2,500. Every child or other dependent necessarily supported by you gets a \$1,000 deduction.

See INCOME TAX, Page 8, Col. 1

Publicity On Salaries Is Rejected

House Votes Down Provision In Tax Revision Bill

WASHINGTON, Mar. 8 (AP)—The house tentatively refused today to insert in the tax bill a provision for publicity for all corporation salaries in excess of \$15,000 a year. The standing vote was 84 to 48 and a teller vote was 118 to 60 against the provision.

Favored by FD

President Roosevelt recently told his press conference he was in favor of such salary publicity.

Previously the house turned down an amendment to the bill designed to give a tax deduction for money used by corporations to pay debts.

The standing vote was 120 to 50.

The amendment was offered by Representative Wadsworth (R-NY) who said its purpose was to "lift from the payment of debt the curse that is now placed upon it."

Applying only to corporations with incomes of more than \$25,000 which would pay a proposed 16 to 20 per cent tax under the bill, the proposal would let the firms reduce the rate by 4 per cent of amounts used or set aside irrevocably to pay debts incurred prior to June 22, 1935.

Fight On Surtax

Speaker Bankhead said he thought the house would approve a proposed surtax on closely held corporations although "it may be a close vote."

"It sounds like a fair and equitable proposition to me," he added at his press conference.

Predicting that the "biggest battle" over the bill would center around the levy, the speaker said he hoped to see some decisive action on the tax measure before the end of the day.

With it out of the way, the house will be ready to take up the administration's billion dollar naval expansion program. The latter bill was given legislative right-of-way this morning by the rules committee, which ordered debate—limited to 12 hours—to begin Thursday.

Search For Plane On Two Fronts

FRESNO, Calif., Mar. 8 (AP)—The hunt for a giant airliner and its nine occupants, missing a week in the snow-blanketed high Sierra country, was pushed today on two widely separated fronts where searchers reported sighting a storm-battered plane last Tuesday night.

Planes here awaited lifting of clouds to concentrate search activities in the Bass Lake region, 45 miles northeast, where two residents said they saw a large ship about 9:30 p. m. Tuesday and 30 other persons declared they heard it.

CHAMPION CALF OF ANGELO SHOW BRINGS 50 CTS. A POUND

SAN ANGELO, Mar. 8 (AP)—Waverly's senior milk fed champion calf, grand champion of the seventh annual San Angelo fat stock show, sold in the auction ring here this morning to the Western Reserve Life Insurance company at 50 cents a pound, \$487.50 for the 975-pound winner.

The reserve champion, shown by Popp Kidd of Menard, sold to the Naylor hotel for 22 cents.

The fat lambs set the pace in the bidding event which closes the fat stock show, however, with Gerald Nicks' grand champion, weighing 125 pounds, going at \$2 a pound, a total of \$250, to Vester Hughes, Merizon banker.

REPORT PLANE FALLS IN SEA

SAN DIEGO, Calif., Mar. 8 (AP)—A flaming airplane plunged into the sea 45 miles north of here today, reports received here said.

Possibility that it might have been a navy plane caused suspicion at the North Island naval air station to send several planes northward to search for wreckage.

LABOR LEADERS ARE CONVICTED

CLEVELAND, Mar. 8 (AP)—A common pleas court jury today convicted Donald A. Campbell and John E. McGee, labor leaders, of extorting \$1,500 from Vernon Stonfer, head of a restaurant chain.

Sen. Norris Enters TVA Squabble

Says Chairman Morgan Moved By 'Intense Jealousy'

WASHINGTON, Mar. 8 (AP)—Senator Norris told the senate today that TVA attorneys declined to let Chairman A. E. Morgan testify in a recent federal court suit against the power agency because they were "worried" that "he would throw the case."

"Beyond Reason"

Norris, who fathered TVA, said earlier that Morgan was "moved by intense jealousy" that "went beyond reason," in his feud with other TVA directors.

The court case in which Norris referred involved a plea by 18 private power companies for an injunction against the TVA. A three-judge federal court at Chattanooga recently ruled in favor of the power agency.

"They refused to let him testify," Mr. (James) Fly (TVA counsel) said that he might interfere with witnesses.

"There is nothing in that case to Dr. Morgan's credit," Norris added, referring to a recent statement by the TVA chairman that he had rendered TVA "assistance" in the case.

Taking the floor to comment on the controversy between Chairman Morgan and the other two TVA directors, Norris said he had been "shocked beyond expression" when he began to observe Morgan's growing jealousy of the other two TVA directors—H. A. Morgan and David E. Lilienthal.

Deal With Utilities

Other developments of the day concerning TVA included:

1. Lilienthal outlined for public utility companies a five-point basis on which he would negotiate for the purchase of properties in southeastern states.

Lilienthal said the TVA and private companies would have to take the following into consideration:

1. A study of operating records of the companies for the purpose of obtaining electric revenues, expenses and net earnings over a period of years.
2. A study of the fixed capital records relating to the cost of the electric generating, transmission and distribution properties involved.
3. A general field survey of the electric properties.
4. A study of the accrued depreciation of such electric properties.
5. A study of the financial history of the Tennessee Electric Power company.

NEW STORM PLAGUES LOS ANGELES AREA

LOS ANGELES, Mar. 8 (AP)—Hail and lightning ushered in a new storm today as rain-plagued Southern California struggled to bring order out of last week's flood chaos.

Rain was reported from Santa Barbara to Newport Beach.

The weather bureau's forecast of local showers indicated rain today would be of short duration, however, engineers said flood control dams were able to handle an average amount of precipitation without danger.

Estimates of damage done to private and public property by the disastrous floods of last week fluctuated around the \$65,000,000 mark. The casualty list read: 69 identified dead, 17 unidentified dead, 88 persons missing.

Confession In Moscow

One-Time Chief Of Secret Police Admits Murders

MOSCOW, Mar. 8 (AP)—Genrikh G. Yagoda, once the most dreaded man in Russia, tonight abjectly confessed the murder of his predecessor as chief of the Soviet secret police and of two other eminent Russians.

Yagoda's plea of guilty was a sudden reversal of his earlier avowal of innocence of the killing of Vyacheslav Menzhinsky in 1934. He already had admitted guilt in the deaths of Maxim Gorky, the writer, in 1935, and Valerian J. Jurbisheff, head of the first five year plan, in 1935.

One of 21 facing probable death in Moscow's greatest blood purge trial, Yagoda was a pitiful, shrunken, gray figure in the prisoners' box, to which he had sent so many on their way to death. But another defendant testified that not long ago he aspired to become Russia's Hitler.

One point of his pre-trial confession, however, Yagoda did not confirm, his part in the death, called murder, of Maxim Penchov, son of Gorky. When first on the stand he recanted his confession concerning Penchov, after he asked leave to discuss this murder charge in a secret session.

All four deaths previously had been ascribed to natural causes.

AWAITS WORD FOR RANSOM PAYMENT

NEW ROCHELLE, N. Y., Mar. 8 (AP)—Convinced he has been in contact with kidnapers of his 12-year-old son, Murray Levine waited hopefully today for instructions for the payment of \$30,000 ransom.

Levine, whose son, Peter, disappeared Feb. 24, declined to comment on conflicting reports that he had made a secret automobile trip yesterday.

Exchange Suspends Prominent Trader

DIGGING OUT HER BABY GRAND

Mrs. W. A. Krause is shown digging her piano from the mud that poured into her North Hollywood, Calif. home during the flood. That community was one of the hardest hit in the floods, which took a toll of life and property throughout Southern California.

NEW YORK, Mar. 8 (AP)—The New York Stock Exchange today suspended from membership Richard Whitney, prominent Wall Street leader who as its president piloted the exchange through one of its most crucial periods.

Shock To Traders

A brief announcement from the exchange merely explained that the committee on business conduct had presented "charges and specifications" against the firm of Richard Whitney & Co. to the governing committee yesterday, and that today the firm had advised the exchange it was unable to meet its obligations.

Wall Street veterans could not remember a similar action involving a former president of the exchange, and the announcement from the rostrum over the big trading floor came as a shock to the membership generally. Whitney is a brother of George Whitney, partner in J. P. Morgan & Co.

Trading in the exchange, however, showed no notable effect from the announcement. Dealings were slow, and while prices dipped a little at the start, they held steady until late morning.

Whitney declined immediate comment, but Sumner Ford, representing attorneys for the Whitney firm, issued a brief statement saying "those interested to reserve opinion until this firm has made its answer x x x."

Whitney was president of the exchange from 1930 to 1935.

Statement

A statement by the exchange said:

"In the course of an examination of the affairs of Richard Whitney & Co., the committee on business conduct discovered, on March 1, 1935, evidence of conduct apparently contrary to just and equitable principles of trade, and on Monday, March 7, at 1:30 p. m., presented to a special meeting of the governing committee charges and specifications.

"Hearing on the charges was set for March 17.

"This morning the firm of Richard Whitney & Co. advised the exchange that it was unable to meet its obligations.

Trade Treaty With Czechs Completed

Sweeping Barriers Removed By New Pact

WASHINGTON, Mar. 8 (AP)—Innovations in the newly-signed trade treaty with Czechoslovakia, state department officials said today, place it among the most important of the 17 which Secretary Hull has negotiated.

"Probably no other country," the state department announced, "has gone as far as x x x in attempting to open the way for an expansion of trade by the removal or relaxation of special controls of imports."

Under the treaty, signed last night by Hull and Czech Minister Vladimir Hurban, tariff benefits will be granted on 76.7 per cent of Czech imports from the United States and on 89 per cent of American imports from Czechoslovakia. Trade between the two countries last year totaled \$74,650,000.

Duties On Shoes

The controversial question of duties on cheap shoes was settled by fixing an upper limit on their introduction into the United States—a new feature in the treaty system.

Czechoslovakia's major concessions to the United States were in removing import quotas on all but a few items concerned in inter-Danubian trade, and in placing raw cotton, copper and certain other products on the duty free list.

Principal duty reductions were made on agricultural and fishery products, including fresh apples and pears, nuts, dried and canned fruits, canned vegetables and canned salmon.

Other items benefitted were lubricating oils, films, electric carbons, abrasives, resin, wood, sulphur, automobiles, office equipment and electrical refrigerators.

The United States granted appreciable reductions on cotton gloves, leather gloves, hops, glassware, flax manufactures, imitation beads, beaded handbags, linen napkins, linen table damask, cotton table damask, and buttons.

Death Calls R. F. Harris

Funeral For Pioneer Resident Is Set For Wednesday

Death called with stunning swiftness Tuesday morning at one of the city's pioneer homes to take R. F. Harris, widely known and highly esteemed resident of Big Spring for 30 years. Mr. Harris, 77, succumbed at his residence, 600 Lancaster, about 10 a. m.

Although he had been in failing health for some time, Mr. Harris' death was unexpected. In recent days his condition appeared to have improved, and he arose and dressed early Tuesday morning before being stricken. Death was attributed to cerebral hemorrhage.

The funeral service has been scheduled for 2 o'clock Wednesday afternoon at the Eberley chapel, with Dr. D. F. McConnell, pastor of the First Presbyterian church, of which Mr. Harris was a member, in charge. Burial will be in the Masonic cemetery, Mr. Harris having been a life member of the Masonic order.

Mr. Harris was born near Nashville, Tenn., September 25, 1858. He came to Texas many years ago and moved from Karnes county to Big Spring in 1908. He was associated with various business establishments here, was a deputy sheriff under Sheriff Baggett and served for a time as special officer at the Texas & Pacific shops. He was less active in recent years due to declining health.

News of his passing brought a wide outpouring of sympathy from Big Spring folk who knew the pioneer and members of his family, and many called at the residence during the day.

Mr. Harris is survived by his wife, two daughters, Mrs. L. A. Woods of Fort Worth and Mrs. J. Y. Robb of Big Spring; one son, R. F. Harris, Jr., of LaGrange, who was en route here during the day; and five grandchildren, including Janet and the Robb of Big Spring.

DEPUTIES CHARGED IN TRIPLE KILLING

RIO GRANDE CITY, Mar. 8 (AP)—Five special deputies were under charges of murder today in connection with the fatal shooting of three men on the old military highway near here Sunday.

District Attorney Frank Lloyd of Alice said the charges were filed by Starr county attorney J. P. Guerra, Jr., in Justice of the Peace Fred Zarate's court at Rio Grande City. He said that the five waived examining trial and were held in jail for the next grand jury session, about March 14.

Those charged were Amado Vera, Martin Solis, Elias Solis, Benito Saenz and Benigno Ramirez.

Anglo-Italian Parley Opens

Conversations Hold Key To Europe's Future Fate

ROME, Mar. 8 (AP)—The Anglo-Italian conversations which may hold the key to war or peace in Europe began today.

The Earl of Perth, Britain's ambassador, entered the Chigi palace late this afternoon to open with Foreign Minister Count Galeazzo Ciano the talks which even before they began caused a political crisis in Britain and the resignation of Foreign Secretary Anthony Eden.

LONDON, Mar. 8 (AP)—Prime Minister Chamberlain's "peace or war" declaration to the world brought a mixed response today from London's man in the street.

"To some it seemed all right.

"Sure, I'd fight again," grinned a bus conductor with gun powder-marked face.

Many didn't give much thought to the pennymentary appeal for support of Britain's "almost terrifying" armament program to keep up peace talks with dictators.

Others thought the armament program all wrong.

"A word that 'I myself would fight for the preservation of democracy,' Chamberlain last night was a vote of confidence from the houses of commons both the pouting peace talks with Germany and Italy, and, if they failed, for stepping up an already stepping up armament program.

THE SPORTS PARADE

BY HANK HART

Howard Co. Teacher May Play Tonight

E. J. Turner, ex-McMurry Indian sage regular, who played with Fort Crane's Magnolia Oilers of Forsan this season, may join the Lueders-Casars in that team's first round game in the Southwestern AAU tournament at Dallas tonight.

Turner played with the Lueders aggregation on the occasion that that Taylor county crew won over Nixon's Oilers, last season's Southwestern champions, two months ago.

According to E. V. Spence, city manager, the plan for changing the Munny park softball diamond into tennis courts will not be considered until next year.

By newspaper ballot the Midland West Texas-New Mexico league baseball club has been labeled "Cardinals," that name being chosen over "Cowboys" by a narrow margin.

That should leave the way open for Big Spring to adopt "Cowboys" once again, the handle that has stuck with numerous local teams throughout the past 15 years.

Only One WT-NM Loop Team Is Dependant

Unless present plans undergo a radical change, only one West Texas-New Mexico league team will have a direct working agreement with a club of higher classification. That city is Lubbock, whose franchise will be operated by Dallas and the Chicago White Sox.

The setup between Jim Payne and Neal Bane may finish Beaumont's operations in that city since Payne is strictly against connections with a Texas league club.

Forsan Girls To Cope With Best In Texas

When Forsan high school girls basketball team begins to function in the Greenville AAU tournament Wednesday, they will be up against some of the greatest fem cage crews this state has to offer.

Fickett Named No. One Netter At Baylor U.

Newton, Releasing '38 Schedule; 13 Matches On Tap

WACO, Mar. 5 (AP)—Harold Fickett of Grovesport, has been named as the No. 1 player of the Baylor university varsity tennis squad. Cal Newton, coach, announced here as he released his 1938 schedule today.

Milton (Crazy Legs) Evans of Brownwood, is the No. 2 player, with Buck Avery of Alamo, Tenn., and Lois Hiley of Waco, following. Others, listed in order named, are His Wiggins, John Baker, Floyd Cornelson, Frank Green, Joe Woodard, Ernest Stringfellow and Thad Hicks.

Tasker Haynes and Emmett Brown, both of Waco, Joe Cornelson of San Angelo, and Joe Harris of Molden, Mass., are the first four freshmen netters now. Newton said.

The varsity schedule is: March 15—T. C. U. at Fort Worth; March 18—Hardin-Simmons at Abilene; March 24—Edmond Teachers at Edmond, Okla.; March 31—Centenary college at Shreveport, La.; April 1—L. S. U. at Baton Rouge, La.; April 2—Loyola of the South at New Orleans, La.; April 4—Rice Institute at Houston; April 5—A. & M. at College Station; April 8—University of Oklahoma at Waco; April 9—University of Texas at Waco; April 12—S. M. U. at Dallas; April 13—East Texas State Teachers at Commerce; May 7—S. M. U. at Waco.

Spicy Features Seamy-Pure War Card In East

NEW YORK, Mar. 5 (AP)—Led by Bill Speary, crack 115-pounder, 20 other eastern Golden Glove champions are ready to meet the invasion of the Chicago champions on March 21 at Madison Square Garden.

Speary, who led the Philadelphia Inquirer team in last night's championship bouts at the Garden, was the only champion to retain his title in the carnival of youthful brawling. He stopped Steve Bone, willing New Yorker, in 2:25 of the first round.

The coveted heavyweight open title fell to Harry Williams, ex-Mississippi State college star, who now boxes in New York. Mullins won two decisive victories, one over Joe Ehrhel, of Birmingham in the semi-finals, and the other over Abner Powell, New York negro, in the finals, to gain the title.

BRITISH INSIST ON OLYMPIC SITE BEING CHANGED

Sampson Opposes Bey In AC's Benefit Go Wilson Comes Back With Tremaine

Proceeds Tonight Will Go To Injured Wrestler

Relucting Richard Sampson, who needs only to learn the art of wrestling to back up his own words that he is the "real McCoy," will do his part on the Blundy Springs benefit card at the Big Spring Athletic club tonight when he matches wits with Beyram Bey, the wild Turk, who has hit on all cylinders in both his starts here as a semi-finalist.

Richard, who might have been much more illustrious had he been named Bolestawski or Young London, nevertheless shapes up as quite a lad when considered from stem to stern. There's nothing small about Dickie and his give-and-take qualities are gigantic. He can make it look good, either when on the mat serving as a model contortionist or beating a bloke's brains into the resin.

Bey is a son of old Angola and sons of that settlement sometimes can be very unreliable but they seem to be "okum-dokum" this far. He uses the Japanese hold effectively. In fact that appears to be all he is capable of using but long as it works he will get along.

Probably the most interesting bout is the semi-go where Andy Tremaine is appearing. Tremaine trounced Sampson last week when evidently wasn't anything out of the ordinary. Sampson copped a fall and Tremaine may be suffering a 15-year penalty for giving up anything at all.

The Tucson Terror is opposing Benny Wilson. He is capable of stomping Wilson's head into the canvas in less time than it takes Beyram to complete his little pre-match message to Allah but whether he will be another matter. This one opens the show at 8 o'clock.

Bulldogs Get Cage Letters Neal, Little And Collins Will Be Back Next Season

COAHOMA, Mar. 5—Coach Lloyd Devan announced this morning that Coahoma high school had awarded "C" numerals to eight members of the 1938 basketball crew.

Receiving awards were Capt. Ralph Marshall, James Hunter, Sibley Neal, Weldon Engle, S. P. Nichols, Ever Little, Clyde Ellis, Dunn and Roy Collins.

Of that group, only Neal, Little and Collins will be eligible for competition next season.

MEDALIST MILEY IN MATCH PLAY

BELLELAIR, Fla., Mar. 5 (AP)—Medallist Marion Miley of Fort Pierce faced Miss Frances Hatfield of St. Petersburg here today in a first round match of the Belleair women's open golf tournament.

Firing a 78 in the qualifying round yesterday, Miss Miley clipped two strokes from women's par for the course.

Miss Hatfield shot a 81.

Patty Berg, winner of four tournaments this season, required 82 strokes and drew Mrs. Mark McGarry of St. Petersburg, who had a qualifying 85, as her first round opponent.

Mrs. J. A. Merritt, 1111 Settler avenue, is visiting Mrs. Roy Gamble of Lubbock several days this week.

Statement Of Jap Minister Reopens Case

Nippon Delegate Of Opinion That Foo Will Be Invited

LONDON, Mar. 5 (AP)—The meeting of the International Olympic committee at Cairo Thursday took on fresh importance today as European reaction to developments in Tokyo indicated that the question of transferring the games to another site could not be side-tracked.

British Olympic officials, who have gone on record against holding the games at Tokyo in 1940, prepared to lead the fight for a change of site on the basis of yesterday's indications that Japan might not be prepared to set as host nation.

War Minister General Gen Sugiyama gave the first sign that there may be a hitch in Japan's proceedings when he announced that soldiers on the active list would be forbidden to take part in the games.

He added that he believed the games should be cancelled unless the conflict in China ended.

Not To Exclude Anyone

Prof. Jigoro Kano, Japanese delegate to the international committee meeting, immediately protested that he knew no reason for anyone to speak of abandoning the games, adding:

"The Chinese war won't affect the games. You will not hear of Chinese troops landing in Japan or their planes bombing Tokyo. We will not exclude the Chinese from the games if they come, but will welcome them as sportsmen true to the Olympic spirit."

Abercrombie, British delegate to the I. O. C., commented:

"The fact that Japan herself is wondering whether she will be able to hold the games makes the I. O. C.'s position difficult. Just the same it is Japan's privilege to keep the games if she wants them."

Such influential nations as Germany and Italy as well as less powerful Portugal indicated their detestation would adopt a more or less neutral attitude toward the anti-Tokyo movement. All three went on record yesterday as believing that "it's up to Japan."

Cleveland Indians In Need Of 2nd Baseman

Leader Opines He Has Best Hurling Corp

By GAYLE TALBOT

NEW ORLEANS, Mar. 5 (AP)—The Cleveland club which Oscar Vitt is grooming under sultry skies for another shot at the Yankee stronghold, is not a bowl of cherries. It's more like a barrel of apples with a bad one in the middle, to get our metaphors and similes thoroughly mixed.

From a distance, the Indians who finished third in the American league last year, look very good indeed. They have a slick pitching staff, potentially the best in the game. What they don't have is a big league second baseman, and that is enough bad apple to spoil any barrel.

"Why should I try to fool anybody?" asks the disarming Mr. Vitt, who is taking over a sector of the team's management. "I haven't got a second baseman in sight. Unless I find one among the rookies who is fast enough to team up with my shortstop, Lynn Lary, on double plays, we can't hope to lick those Yankees."

Vitt is not a man to make extravagant talk about beating the Yankees, because he knows them. He managed their Newark farm last season and Colonel Jake Ruppert, he recalls, was disappointed because he won the International league by only 1-2 games when the Colonel had set his heart on a 20-game margin.

Sparkling Prospect

The brightest prospect Vitt has for that all-important infield berth appears to be one Kenneth Keltner, a big 21-year-old who hit a home run while playing the outfield and third base for Milwaukee last year. Keltner has looked good in camp and Vitt has hopes he can beat that wound at second base.

If he can't, then Vitt will look no alternative than to put Odell (Red News) Hale back at second, where he performed only passably last season, and he hopes for the best. Hal Trosky, though no great shakes as a fielder, is a fixture at first base.

Vitt thinks he has the best pitching staff in the game. Any way, he says he wouldn't trade Bob Feller, Johnny Allen and Mel Harder for the Yanks' trio of Lefty Gomez, Red Ruffing and Monte Pearson. Allen, it will be recalled, won 15 straight last year before dropping his final start, a tough one-run decision.

Julius Solters, Earl Averill and Bruce Campbell, from left to right, give the Indians an outfield that can manufacture a lot of runs but leaves considerable to be desired in fielding skill. Geoffrey Heath, a youngster who blasted a .367 batting average with Milwaukee, is giving Campbell some competition to worry about.

Vitt regards his most interesting experiment as Rolfe Hemsey, a veteran catcher recently obtained by trade from the St. Louis Browns. Oscar feels that he either is letting himself in for a lot of grief or is getting one of the best catchers in the game, one who could inspire much confidence in a kid like Bob Feller. Hemsey is a man who likes to forget training occasionally.

Leading Nags May Meet At Pimlico

War Admiral And Sea-biscuit Nominated For Dixie Handicap

BALTIMORE, Mar. 5 (AP)—Dopesters with the Dixie Handicap in the back of their minds dug into the records today and came up with the discovery that Sea-biscuit's best time for the Dixie distance last year was a full second faster than War Admiral's.

Both horses are in the field of 25 nominated for the secondary feature of Pimlico's spring meet on May 11.

The Dixie, Riggs handicap and Freshness are all a mile and three sixteenths on the Pimlico track. Sea-biscuit won the Riggs in 1:57 2-5 last year and War Admiral took the Freshness in 1:56 3-5.

E. K. Bryson's Calumet Dick won the Dixie last year with a time of 1:56 2-5, then bettered it by taking the Narragansett special, the same distance in 1:57 flat.

The weights imposed on the horses will not be announced until March 15. The impositions are likely to keep at least some of the nominees out of the race while the \$30,000 added money will keep some of them in.

White Picked On Mountain Cage Quintet

Great Whizzer Has Evidently Turned Down Pro Offer

By LOUDON KELLY

BOULDER, Colo., Mar. 5 (AP)—That Whizzer man's here again.

Another honor caught up today with Byron (Whizzer) White, Colorado's all-America football back and Rhodes scholar, and found him apparently more determined than ever not to play professional football, despite that \$15,000 offer from the Pittsburgh Pirates.

White clinched four years of play on the Colorado basketball team for the Mountain States big day on the Associated Press all-star team for the Mountain States big seven conference.

It pleased him, but it developed he has a problem on his mind.

Friends disclosed today that the Whizzer told them he "would like to find a job this summer—I don't care what it is, just as long as it pays \$100 a month, or a little more, so I can save up some money."

Will Need Funds

White was reluctant to talk much about it, but he explained he needs additional funds if he does go to Oxford in the fall. Friends said this convinced them he plans to use his Rhodes scholarship, even though the Pittsburgh management said it would give him "all the time he wants" to think about their offer.

"Can you imagine that?" said one university official. "Here he has a chance to get \$15,000 in one year by signing on the dotted line, yet he's looking around for a \$100-a-month job."

Asked once more what he intended doing about the proffered contract, the blond athlete said, "I'm really too busy now with basketball and other things to give much thought to it. I'll have to give it some study later on."

Conference coaches and sports writers who took part in the Associated Press poll to pick the all-star team said it was chiefly White's all-around play which gave Colorado a tie with Utah for the championship.

Eagles Score Over Iowans

NTSTC Victorious By 39-31 Count; Buffs To Play

KANSAS CITY, Mar. 5 (AP)—The process of separating the wheat from the chaff in the national intercollegiate basketball tournament will be resumed today, and by midnight the original field of 25 teams, representing eight states, will have been sliced to 18 first round survivors.

Today's program, calling for eight games and starting at 12:30 p. m., will see much highly-regarded quintets as Marshall college of Huntington, W. Va.; West Texas Teachers of Canyon, Tex.; and Central Teachers of Edmond, Okla., in action, some possibly for the last time.

No so-called upsets were recorded in the opening day's play yesterday, although two teams rated a better than average chance to cash through to the title—a lot of thinking before the first-barked to end their games.

The touted Warrensburg, Mo. Teachers, played to a standstill by the fast-break Dakotas, Wednesday quintet, was happy to take a 26 to 23 victory, and the North Texas Teachers were forced to show off their basketball to earn a 31 to 29 decision over Morningside college of Sioux City, Ia.

ENTERTAINERS FOR REVIEW

Dorothy Wasson (right below) and Joan Simmons (top) who will appear Tuesday evening in an original skit at the style revue and automobile show. Last year the two little ladies shared the show with their impromptu acting. Their humor in this year's event will be directed toward

Everything Is In Readiness For Spectacular Style Review And Automobile Show Tonight

Last minute details have been worked out and everything is in readiness for the most spectacular style revue and automobile show ever produced by members of the St. Mary's Episcopal church this evening at the city auditorium at 8 o'clock.

Our dealers have worked out some clever comedy stunts for the automobile display. One of the entries will be an International pickup by the Miller Oldham company and driven by Dudley Favor who will introduce the car to the audience by means of a humorous skit.

Other car dealers will follow the traditional custom of having the driver interview his pretty passenger. Glenn Queen is to drive the Packard for the Hanshaw-Queen company accompanied by Miss Frances Stamper. Oldsmobile from the Shroyer Motor company will be driven by Ira Shroyer. His sister, Miss Dora Shroyer, will ride with him.

R. H. McEwen will drive the Buick and G. D. Dawson the Pontiac entered by the Keisinger Motor company. Children modeling for Albert M. Fisher company will ride in the Pontiac. Mrs. J. Gordon Bristow is to accompany McEwen. Lone Star Chevrolet company will enter two cars, one of which will be used to bring onto the stage a group of juvenile models. The other car will be the means of a unique comedy stunt worked out by Cliff Wiley, Chevrolet dealer. Drivers for the autos will be Fowler Faubion and C. Y. Clinckala. Ford driver will be A. D. Webb accompanied by Mrs. H. C. Poindester. The Big Spring Motor company will also present to the public one of its new Lincoln Zephyrs with T. J. Wheeler at the wheel and accompanied by Miss Eloise Oldham. Colonial coiffures of the three women taking part in the Southern scene will be arranged by the Crawford Beauty shop. Hairdresses of models from the Hollywood shop will also be done by expert operators of the same beauty shop. Mrs. Ben Carter, Mrs. Albert Fisher and Mrs. A. E. Service will be the women wearing the colonial costumes. Showing of the new spring styles

Life Of Saint Is Sketched By Mrs. Middleton

Sunday School Class Entertained With Luncheon

Life of St. Patrick was sketched by Mrs. R. V. Middleton Monday when members of the McDowell Sunday school class of the First Presbyterian church were entertained with a 1 o'clock luncheon at the Settles hotel by Mrs. R. L. Carpenter, Mrs. Carl Strom and Mrs. Middleton.

Green and white theme was carried out in decorations and shawls were given as favors. Mrs. Omar Pittman and Mrs. Harry Hurt played two piano selections. Mrs. James Lamb, president announced that Mrs. Emory Duff, Mrs. E. C. Boatler and Mrs. D. A. Koons will be the next hostesses for a luncheon.

Guests were Mrs. S. A. McCombs, Mrs. Sam Baker, Mrs. Phil Smith, Mrs. A. A. Porter, Mrs. R. V. Tucker, Mrs. G. G. Sawtelle, Mrs. L. E. Morris, Mrs. J. E. Friend, Mrs. Horace Sessions, Mrs. Tom Donley, Mrs. J. T. Brooks, Mrs. Pigman, Mrs. Hurt, Mrs. Middleton, Mrs. Strom, Mrs. Koons, Mrs. Lamb, Mrs. Carpenter, Mrs. Gibson and Mrs. J. R. Cunningham.

Plans Are Made For B.T.U. Training Courses By Circle

Plans were made for the B. T. U. training course in progress this week and a date set for a tea and musical program when various circles of the First Baptist church met Monday afternoon.

Members of the Christine Coffee circle met with Mrs. W. J. Alexander and decided to have a tea and special program Monday, March 21. They planned to send an Easter box to Miss Goldie Jean Fielder, student at Baylor, who is the daughter of a returned missionary. Plans for the B. T. U. course were also discussed.

Those attending were Mrs. S. C. Bennett, who led the devotional, Mrs. C. E. Lancaster, Mrs. G. H. Hayward and Mrs. Alexander.

Second and third chapters of "Fruits of the Year," missionary books, were studied by the Mary Willis group when it met with Mrs. W. B. Buchanan, Mrs. Theo Andrews, Mrs. E. T. Sewell, Mrs. J. A. Boykin, Mrs. R. C. Hatch and Mrs. E. E. Bryant were the members present.

Florence Day circle met with Mrs. L. M. Gray for a brief study course. Members there were Mrs. L. C. Lane, Mrs. W. W. Grant, Mrs. T. A. Underhill, Mrs. J. P. Dodge, Mrs. Cantrell and Mrs. Gary.

Mrs. W. Scott Cook was hostess to the Lucille Reagan circle. Bible study was taught by Mrs. J. B. Younger, Mrs. Carl McDonald, Mrs. Younger and Mrs. Cook were those present.

Missionary Book Is Studied By Church Group, Monday

Lesson in the missionary book, "World Outlook," was conducted by Mrs. John Whitaker Monday afternoon when the Wesley Memorial W. M. U. met at the church.

Mrs. Jack King led the devotional and Mrs. Herbert Drake, Mrs. W. R. Wyatt and Mrs. W. D. Lovelace had parts on the program.

Mrs. Vera Bumgarner was a guest of the group. Others present were Mrs. John Wood, Mrs. Lloya Montgomery, Mrs. J. L. Low, Mrs. Homer Ward, Mrs. W. R. Perry, Mrs. Whitaker, Mrs. King, Mrs. Drake and Mrs. Wyatt.

for men and women and the display of new cars is to be interspersed with a number of songs and dances by talented young people of Big Spring.

Tickets will be on sale at the auditorium for those who have not already purchased them from the auxiliary.

BILLINGSLEY ROSE

The lacy daintiness of the jewel shape has a special appeal to the bride. Arabesque in style—the rose painted in center, gives it an English feeling. Combined with the rich, creamy color of the ware, the whole is a pattern of rare beauty.

Omar Piman JEWELER 117 East 2nd St. Phone 297

Delegates Elected To Attend District Missionary Meeting

Mrs. I. S. McIntosh, president of the First Methodist church circles, was elected as delegate and Mrs. Fox Stripling as alternate, to attend the annual district missionary conference to be held at Snyder in April at a joint business meeting of the group Monday at the church.

Mrs. McIntosh presided over the meeting and Mrs. Bernard Lamun, secretary, read the minutes of the last meeting.

Members there were Mrs. Will C. House, Mrs. Royce Battenwhite, Mrs. W. E. Plunkett, Mrs. Clyde Thomas, Mrs. C. M. Watson, Mrs. Carlton Watson, Mrs. Clem Hatfield, Mrs. Clyde Waits, Sr., Mrs. C. E. Shive, Mrs. J. M. Manuel, Mrs. V. H. Fiewellen, Mrs. W. A. Miller, Mrs. C. E. Talbot, Mrs. Hayes Stripling, Mrs. N. W. McCleskey, Mrs. E. D. McDowell, Mrs. Loren McDowell, Mrs. R. L. Warren, Mrs. Arthur Woodall, Mrs. J. L. Hudson, Mrs. C. R. McClenny, Mrs. J. D. O'Harr, Mrs. Lamun and Mrs. Stripling. Mrs. M. D. Stewart of DeLeon was a guest.

Visit Membership

Both circles of the East Fourth Baptist church spent Monday afternoon visiting the membership.

Mrs. M. D. Stewart of DeLeon is the guest of her sister-in-law, Mrs. E. D. McDowell.

Life Of Moses Is Viewed By Member Of Church Circle

"Moses and His Life as a Leader" was the topic chosen by Mrs. D. A. Koons for discussion Monday when members of the First Presbyterian auxiliary met at her home for a joint business session.

Those attending were Mrs. R. V. Tucker, Mrs. C. H. McDaniel, Mrs. H. W. Caylor, Mrs. R. L. Carpenter, Mrs. G. D. Lee, Mrs. J. E. Friend, Mrs. Sam Baker, Mrs. James Lamb, Mrs. L. E. Morris, Mrs. A. A. Porter, Mrs. R. C. Strath and Mrs. Koons.

Women's Council Have Missionary Meeting Monday

Monthly missionary meeting of the Women's Council of the First Christian church was held at the church Monday afternoon with Mrs. Bill Early as leader of the program. Hinduism and Buddhism were discussed by Mrs. Early and Mrs. Tom Rosson.

"The Abbot of the Temple of Virtue," was a topic discussed by Mrs. James Wilcox and "Hidden Jewels" was talked upon by Mrs. Clay Read. Mrs. H. E. Clay led the devotional.

Mrs. G. C. Schurman and Mrs. C. A. Murdock, hostesses, served refreshments to Mrs. I. D. Eddins, Mrs. F. C. Roberson, Mrs. William

Chattergrams

By Jeanne Suits

Anybody who has ever attended Tech knows what I mean when I say the idea of planting trees on the campus, as reported by Nancy Phillips in Tech Topics, is a fine bit of boy scout work. Students battling spring winds in an attempt to traverse the barren stretches from one building to the other will now have something to cling to if the going, or lack of going, gets too rough. Heretofore, they have had nothing on which to depend for support except faith in their own strength. And if the engineers continue to scatter the buildings, a high speed underground subway will be necessary to convey students from one class to the other.

Some tabulator at the college figured out how many miles a student would walk in the course of four years on the Tech campus and the figures were comparable to a hitch-hiker's mileage around the world without any "hitches"—which is a lot of "hot footin'" for one degree.

Husbands might just as well prepare themselves for the "letdown" their pocket books are going to get

Schmitz, Mrs. C. M. Shaw, Mrs. J. L. Milner, Mrs. Glass Glenn, Mrs. W. M. Taylor, Mrs. Harry Lees, Mrs. Read, Mrs. Clay, Mrs. Rosson, Mrs. Wilcox and Mrs. Earl Read.

CALENDAR

Of Tomorrow's Meetings

Wednesday PHILADELPHIA CLASS to have party at the First Methodist church at 2 o'clock. Each member to bring handwork.

MUSIC STUDY CLUB meets at the Settles at 3:30 o'clock for special program by the Melodious string ensemble. Each member permitted to bring a guest.

romantic moon ever hung, some couples seem to think the theatre a cozy place for courtship. Oh, yes, I almost forgot to mention that group which really goes to the theatre to see the show!

If we could attend any kind of sport and see it through the professional eye, experience it as the players do, feel it like the coach or manager does, pay for it like the newspaper guy and enjoy it like the knot hole gang—we'd really have something!

Get at the Cause of Constipation!

You know that constipation often gives you that dopey, sunken, bogged down feeling. Why not get at the cause and fix it? If you eat what most people do—things like bread, meat and potatoes—the chances are all that's the matter with you is you don't get enough "bulk." And "bulk" doesn't mean what you may think. It's a kind of food that isn't entirely digested, but leaves a soft, bulky mass in the intestines that aids elimination. If this is your trouble, what you need is a dish of crisp, crunchy Kellogg's All-Bran for breakfast every day. It contains the "bulk" you need, plus Nature's intestinal tonic Vitamin B, and iron. Eat All-Bran every day, drink plenty of water, and see if the old world doesn't look a lot brighter! All-Bran is made by Kellogg in Battle Creek, Sold by every grocer.

Questions And Answers On The Govt. Reorganization Measure

WASHINGTON, Mar. 8 (AP)—Here is a question-and-answer resume of the government reorganization bill, now pending in the senate.

Why is government reorganization proposed? Congressional library records show that the number of federal agencies has jumped from 11 to 123 in 25 years. Proponents of reorganization say that agencies have sprung up without regard to a unified, efficient plan, and that duplication, inefficiency and waste have resulted.

How has the number of federal employees increased? Government workers now total about \$2,000, compared with 444,000 a quarter-century ago.

Would the bill reduce the number of agencies and employees? Not directly. It would empower the president to reduce, merge, transfer and reorganize agencies, and this could result in some reduction in personnel. Some opponents say agencies and employees would be increased.

Is there any opposition to this provision? Some senators have contended that if the president could reshuffle federal agencies, he could thwart the will of congress by wiping out governmental functions fixed by the legislative branch.

Submitted to Congress Would there be any check on the president's power? The bill provides that executive orders for reorganization projects would be submitted to congress while in session. Congress could void these orders within 60 days.

Would the civil service system be affected? The present three-member civil service board would be replaced by a single administrator. The president could extend the civil service system to cover positions not now affected.

What objections have been raised to this? Opponents argue that it would destroy the merit system by setting up a single civil service director who would function under the direction of the president.

Dept. Of Welfare Would the bill create any new agencies? It would set up a department of welfare to take over various social programs now being administered by independent agencies.

Would there be any change in the present system of checking federal expenditures? Yes. The office of comptroller general, now an agent of congress, would be abolished. Its functions would be transferred to the budget bureau, under the control of the president, and to an auditor general who would be responsible to congress.

Opponents argue that the auditor general would be able to check expenditures only after they had been made. This, they say, would be less effective than the "pre-audit" work done by the comptroller general.

What else would the bill do? It would authorize the president to appoint six assistants at \$10,000 a year each. There has been little opposition to this provision.

Judging Underway At Amarillo Show

AMARILLO, Mar. 8 (AP)—Three hundred 4-H club calves, the largest number ever entered in the event, were being judged today at the annual Amarillo fat stock show.

Results of the competition, with about \$1,000 in prizes for the future ranchmen, will not be available until late in the day.

Nearly \$100,000 worth of purebred Herefords, fat calves, sheep and hogs have been entered in the show, which includes the 4-H show and sale, an auction of registered Hereford bulls and females and the carlot Herefords to be sold at private treaty.

The grand championship of the carlot division went to Pronger Brothers of Stratford. The reserve championship was won by F. M. Love of Dumas.

Grand championship of the boys' swine show was awarded a Chester White barrow shown by Roscoe Chitty of Custer City, Okla.

Tausig Brothers of Parahall, Colo., placed second in the calf division.

German Net Star Collapses After Berlin Arrest

BERLIN, Mar. 8 (AP)—Baron Gottfried Von Cramm, Germany's great tennis player, today was reported confined to a jail infirmary as the result of a nervous collapse following his arrest on a morals charge.

Authorities still withheld details of the case, but the ministry of propaganda promised to issue shortly a statement "going into the whole affair."

Von Cramm, the world's No. 2 tennis amateur, was arrested shortly after his return last week from a tennis tour to Australia.

FORMER MAYOR OF FORT WORTH DIES

EASTLAND, Mar. 8 (AP)—Thomas J. Powell, former Fort Worth mayor, died today after a lingering illness of several years.

The 82-year-old pioneer who served as Fort Worth's municipal head from 1900 to 1906, also served as city attorney, water commissioner and corporation counsel of that city.

Once he worked on the old Fort Worth Gazette.

Services for Powell, who was 82 Sunday, will be held tomorrow (4 p. m.) at Fort Worth, with burial in the Fort Worth cemetery.

He was survived by his daughter, Mrs. C. A. Hertzog of Eastland and Alexander K. Powell, a son of 23 Paso.

Enforcement Of Building Code Urged

State Engineer Comments On City's Problems

George C. Hawley, chief engineer of the state fire insurance commission, suggested rigid enforcement of building codes in Big Spring and increasing strength and equipment of the fire department as soon as feasible.

In a letter to the city, Hawley commented on the award of additional credit to Big Spring on the fire insurance rate and said that if rigid enforcement of building codes, particularly within the fire zone, is not maintained, the immediate loss in credits might amount to as much as \$1,250.

Hawley's comments were based by an inspecting engineer made here in February. He said that increase in population also made it advisable for the city to increase its full time fire fighting force as soon as possible. In this connection, he suggested certain additions of equipment.

City Manager E. V. Spence informed Hawley of the city's willingness to cooperate and said that many of the suggestions would be carried out in keeping with financial position of the city from time to time.

The city this year has the maximum 25 per cent credit on its fire

Would Speed Naval Bill

Advocates Want Right-Of-Way In Congress

WASHINGTON, Mar. 8 (AP)—Amid opposition charges of "power politics in Asia," advocates of the billion dollar naval expansion program appealed to the house rules committee today for legislative right-of-way.

Chairman Vinson (D-Ga.) of the house naval committee said he would ask that the house adopt procedure under which it would debate the controversial measure three days. There would be no limitation on amendments. He proposed that consideration follow disposition of the tax bill.

Representative Brewster (R-Mo), Church (R-Ill), Cole (R-NY) and Shannon (D-Mo) filed a minority committee report last night contending that the new armament was unnecessary.

"Everything indicates," they said, "that this billion dollar increase in the present four billion dollar program is not a naval program but a diplomatic program. x x x

"The circumstances indicate that it originated in the White House for the purpose of putting into the hands of the president the power to implement his foreign policies."

The president's policy in Asia, they said, leads to intervention in behalf of American citizens who continue "their operations in war zones contrary to international law."

Red River Dam Work Advanced

WASHINGTON, Mar. 8 (AP)—A federal project costing about \$50,000,000 to restrain the ordinarily "inch-deep" Red river from occasional disastrous overflow in Texas, Oklahoma and Louisiana appeared today nearer to realization.

Two developments quickened hopes of proponents of the Denison dam project on the stream that separates Texas and Oklahoma and winds on through Louisiana into the Mississippi. They were:

Announcement by army engineers that they were nearly ready to submit to congress a final report, with recommendations, based on an analysis of a preliminary study of the dam proposal made by field engineers from Vicksburg, Miss., last year.

The report, which first must go to the secretary of war and later to the president, was held up somewhat, the engineers said by the recent Red river rampages, altering the stream's course.

The second development came from the office of Representative Rayburn (D-Tex), the democratic majority leader in the house. An aide said Rayburn would insist that the Denison dam be included in any new flood control act drafted at this session of congress.

Pupils Come To Defense Of Cops Who Lose Jobs

BROWNSVILLE, Mar. 8 (AP)—Gloom after being notified their services would not be required after March 15 following a change in the city administration, traffic officers P. H. Bouls and C. H. Heartcastle got an unexpected lift Tuesday.

From some of their worst customers—grammar school children.

The children heard that Bouls and Heartcastle, who have directed school traffic for the past six years, were to be dismissed and the youngsters went into a huddle and came up with this petition:

"We think that Pete (Bouls) and Heartcastle should be kept on their job. We think the same about the rest. We think that the police we have now will be the best we will ever have. We will sign for it."

Fifty signatures followed and Jackie Lou Wentz, leader in the movement, said: "And we are going to get a lot more, too. We are planning a parade tomorrow."

PECOS RANCHMAN TAKEN BY DEATH

PECOS, Mar. 8 (AP)—W. B. Oates, 78, prominent rancher and property owner who came to this town in 1885, died today of a heart attack after a brief illness.

Survivors included his widow and a brother. Funeral services will be held tomorrow.

EVANGELIST

Evangelist J. A. McCall (above) of El Paso, is in the city to conduct a revival meeting at the Church of Christ.

He preached his initial sermon Monday evening, delivering an inspirational talk on "Personal Evangelism." Tonight Mr. McCall will preach on the subject, "Is the Bible True?" Services at the church are being conducted twice daily, at 10 a. m. and 7:45 p. m. The public is invited to attend.

Officers Learn First-Hand Just How Effective Tear Gas Can Be

Place of tear gas in modern crime fighting methods was demonstrated Sunday afternoon by E. B. Averill, representative of the Federal Laboratories, and veteran officers who have had their eyes filled before, stumbled away convinced anew that there's not much you can do about it once the gas is set off.

"This is a billy type gun," explained Averill. "It's particularly good in going up to a car to talk to strangers, for no one resents a billy and everybody resents a gun."

"Should somebody move for a gun, all you have to do is this—"

And he had 10 men groping helplessly. In a few minutes tears had stopped streaming from their eyes, but not before he would have had plenty of time to have effected an arrest.

Averill launched off a grenade, and up went a wall of tear gas. Again officers and spectators caught in the path of the smoky gas staggered off helplessly.

He also demonstrated a projectile type shell which may be fired into a barricade to go off by a time fuse. It's effective at 200 yards against the toughest customers. Blast type shells, with impregnated crystals were also demonstrated.

The gas, snowy white, has a faint odor like a tiny starch bomb. It produces a tinge about the face and irritates the eyes and tear glands until the victim is blinded by tears. Of course, when a man can't see, he's not hard to handle.

Also in Averill's demonstration were tracer bullets, which when fired from a gun light up the surrounding area and give a mark to shoot at. They are effective also in combatting criminals in brushy country or inside small quarters, for they will fire combustible materials.

Use of parachute flares and dioxaphones which can listen in on a telephone conversation without wire tapping and hear through a wall were shown.

RUTHERFORD WILL OCCUPY NEW BLDG.

Frank Rutherford, who has been in the realty and pressing business here for years, will move into the new building being raised on the H. Clay Road property just north of the post office. The building, made of native stone, will contain 1,200 square feet.

Income Tax (Continued from Page 1)

you counts for another \$400 exemption.

However, if Cousin John, who has been living off you while carefully avoiding work, is over 18 and in good health, Uncle Sam counts you a sucker and counts John nothing at all in the way of deductions.

There's one more deduction, which the experts say many salaried people fail to make. It's called an "earned income" credit. If your net income was under \$5,000, this credit is 10 per cent of the net. If your income was over \$5,000, deduct 10 per cent of either your salary or your net income—whichever is smaller—except that \$300 is the minimum credit.

To figure the tax, you take—rather, the government takes—four per cent of what's left. If your net income minus personal and family exemptions is more than \$4,000, there's also a "surtax," which is not a polite manner of speaking to the collector but means "extra tax."

Parkers (Continued from Page 1)

obtained by torture delayed Hauptmann's execution three days.

The three indicted with the Parkers were Murray Bleefeld, Harry Weiss, and Martin Schlossman, all of New York. They have been characterized by state and federal prosecutors in previous legal actions as the tools of the Parkers.

Both the Parkers have been under indictment in Brooklyn for the last 18 months in connection with the Wendel case but all efforts to extradite them from New Jersey have been futile.

Today's indictment, under federal law, opens the way to bringing the Parkers here for trial.

Funeral Wednesday For Aged Texan

Funeral services for Samuel Freeman Gladden, aged Texan who died Monday at the home of a daughter in Stanton, will be held at 2 o'clock Wednesday afternoon at Rogers church in the south Taylor county community where he long made his home.

Mr. Gladden, 83, was ill only a short time, being stricken last Saturday. Death was attributed to a heart attack. A resident of Taylor county for 25 years, Mr. Gladden moved with his wife to Stanton three years ago to make their home with the daughter, Mrs. W. J. White. Other survivors are a daughter, Mrs. J. T. Blankenship of Ovalo, and two sons, C. L. Gladden of Dallas and W. W. Gladden of Ovalo.

The body was to be taken overland to Rogers church from Stanton, the procession starting Wednesday morning. Arrangements are under direction of the Eberley Funeral home.

HOOVER AND HITLER HOLD A CONFAB

BERLIN, Mar. 8 (U. S. Dept. Agr.)—President Herbert Hoover and Reichsfuehrer Adolf Hitler talked today of world affairs but, apparently, with no meeting of their minds.

Mr. Hoover firmly declined to make any comment, insisting international courtesy forbade it. But he intimated he might make a statement at the end of his two-day stay in Germany.

The two men whose political philosophies are at opposite poles shook hands and spoke earnestly about the "entire international situation" for more than 40 minutes.

SEEKS DIVORCE, LOSES ALIMONY

OKLAHOMA CITY, Mar. 8 (U. S. Dept. Agr.)—A woman gives up her right to alimony when she divorces her husband, Judge Frank P. Douglass held today in an interpretation of Oklahoma alimony laws.

"When a wife elects to get a divorce and severs herself from her husband she elects to support herself," he said.

The opinion was delivered in granting the request of W. M. Turner to set aside an alimony award. Judge Douglass said the principle did not hold in cases involving child support.

152 Registered For BTU Work

With every department, save one, exceeding its goal Monday evening, the First Baptist church E. T. U. ed from a gun light up the surrounding area and give a mark to shoot at.

Those in charge had anticipated only about half of the 152 registered the opening night to be present for the start. There were 21 adults, 19 intermediates, 28 juniors, 17 primaries, 56 seniors and 10 women who attended to the kitchen details.

Bill Taggart, in charge of the week's work, said that there was to be a surprise feature each evening. Tuesday at 2:30 p. m. First Baptist enrollees were to take part in a county wide gathering at the E. 4th Baptist church with Rev. Pitts of Coahoma in charge.

A daily bulletin is being issued for the course with H. C. Burrus as editor and Henry Etta Bolling as his assistant. Friday evening, said Taggart, is to be the outstanding evening of the school.

Officers Relected By Livestock Assn.

AMARILLO, Mar. 8 (U. S. Dept. Agr.)—More than 250 members of the Panhandle Livestock association, meeting in convention here yesterday, re-elected C. E. Weymouth president of the association, and renamed M. T. Johnson vice president, and Grover C. Hill, secretary-treasurer.

The association voted to double their 25-cent-a-car advertising assessment to boost the fund handled by the National Livestock and Meat Board in Chicago for advertising purposes.

Hospital Notes

Big Spring Hospital

Mrs. E. M. Hovis of Colorado has been admitted to the hospital, for treatment.

G. W. Nuttall of Odessa is in the hospital for treatment.

B. Bronstein, 1501 West Third street, is in the hospital for treatment.

Mrs. J. S. Cochran of Coahoma has been admitted to the hospital.

Isadora Goitz, injured Sunday when he fell from a horse while riding on scenic Mountain, was improving Tuesday.

Trader (Continued from Page 1)

its obligations and suspension for insolvency was announced from the rostrum of the exchange shortly after 10 a. m.

Whitney, the most prominent member of the exchange to be suspended in many years.

Hearing March 17

The suspension came as a complete surprise to the financial district. Whitney was president of the exchange during the depression years and figured in the internal controversy in the exchange which resulted in the election of Charles R. Gay in place of Whitney two years ago.

Stock exchange officials declined to elaborate on its formal statement, pointing out it was following the usual procedure, but indicated something additional might be said after the hearing March 17.

The hearing will be conducted by the governing committee.

The Whitney firm, it was said, handled business mainly for institutions and large individual accounts, chiefly in the bond field, and had no general contacts with the investing and speculative public.

Navy Bill Up For Debate Thursday

WASHINGTON, Mar. 8 (U. S. Dept. Agr.)—The house rules committee cleared the way today for debate to begin Thursday on the administration's billion dollar naval expansion bill.

The committee recommended 12 hours general debate limited to the measure, which would authorize construction of 46 new fighting ships, 22 auxiliary vessels and 950 airplanes.

The bill was given special status after Chairman Vinson (D-Ga) of the house naval committee warned that failure to build the proposed ships would "imperil the security of this country."

BOND IS REDUCED

DALLAS, Mar. 8 (U. S. Dept. Agr.)—Bond for Sidney Miller, held here on a charge in connection with the disappearance of a bank shipment from a baggage car in West Texas, was reduced from \$15,000 to \$5,000 here yesterday after his attorney presented a writ of habeas corpus before Judge T. W. Davidson.

Illness (Continued from Page 1)

tendance was only one per cent for the month and high school 2.9 per cent. Reason for little change in these two was ascribed to the fact that the greater portion of the children who contract the measles, mumps, chicken pox, and whooping cough do so before they reach that age.

The same reasoning would indicate the widespread amount of the disease, since pre-school age children are usually attacked by them, particularly where another member of the family comes down with any of the three.

While the infection is at its highest point in some time, there is no cause for alarm, doctors believe. The peak appears to be past. Only two deaths have grown out of the wave of infection, and both of those by way of complications. Pneumonia was contracted following the measles.

GM SALES ABOVE THOSE LAST YEAR

NEW YORK, Mar. 8 (U. S. Dept. Agr.)—Sales of General Motors cars and trucks to consumers in the United States in February amounted to 62,831 units, compared with 63,069 in January and 51,900 in February, 1937.

Sales to dealers in the United States in February were 63,771 units compared with 56,958 in January and 49,674 in February, 1937.

Total sales to dealers in the United States and Canada plus overseas shipment were 94,449 units compared with 94,267 in January and 74,567 in February last year.

PERSHING IMPROVED

TUCSON, Ariz., Mar. 8 (U. S. Dept. Agr.)—Dr. Roland Davison, who last night expressed some apprehension over inadequate function of Gen. John J. Pershing's kidneys, reported there had been an improvement in that respect today.

"General Pershing was very tired last night," Dr. Davison said, "but had a very good sleep after he settled down. He is quite well this morning and had a good breakfast."

ISAVE YOU TIME BY COOKING YOUR BREAKFAST RIGHT AT THE TABLE...

Rushed For Time in the Morning? You Can Cook Breakfast Electrically Right at Your Elbow - Quickly and Cheaply!

• Many women have learned how to save time in the morning by preparing breakfast at the table. There is no running back and forth to the kitchen, for everything needed for a hot breakfast is within arm's reach. They simply plug in the percolator, the toaster or the electric grill and turn out all the elements of a kitchen-cooked breakfast without moving from their chairs.

If you already have one or more of these table cookery appliances, plan to use them each morning for a week and see how much easier it is to have breakfast on time, and how much less work you have to do. If you don't have all of these appliances, visit our store or any other store which sells electrical household appliances and see these simple and inexpensive aids to quicker breakfasts.
