### **A SURFACE** WATER SUPPLY FOR WHEELER CO

Frank Medanich, Financial Advisor

First Southwest Company of Dallas Since 1965 the cities and citizens of Wheeler County have been dependent upon limited and declining ground water resources for municipal and industrial water supply needs. The cities of Shamrock and Wheeler are experiencing severe problems with the existing ground water supplies and studies by competent consultants have concluded that the construction and development of a surface water supply provides the most realistic and ultimate solution to the problem. It is proposed, therefore, that in order to stimulate economic growth and provide recreational facilities for Wheeler County and the surrounding area, that a dam and reservoir project be constructed on Sweetwater Creek approximately 1.1 miles upstream from the intersection of Sweetwater Creek and State Highway 592. The project will also involve construction of water transmission lines from the treatment plant to communities to be served by the facility. It is calculated

### **Rites In Dumas For Michael Ray Johnson**

Services for Michael Ray Johnson, part that Sallie Harris made sure to 31, were held at 10:00 a.m. at close the museum to see all of it, was Morrison Funeral Chapel in Dumas the dancers who did the ole Time July, 31, Rev. Bud Kidwell of Central Clogging for an hour that was really Baptist Church of Borger, officiated. outstanding like the dancers on T.V. Graveside services were held at 2 now and then at Nashville, p.m. July 31 in Wheeler Cemetery.

He was born in Pampa, had lived in The Mobeetie Fire Department Wheeler most of his life, graduated headed by Melvin May and included from Wheeler High School. He moved the great majority of Mobeetie people to Dumas five years ago from Amaable to work, had plenty of excellent rillo. He was employed by Diamond hamburgers and home-made ice Shamrock.

Survivors include his wife, Ginger, his father, Ray Cole Johnson of Those who helped Sallie Harris Amarillo; his mother, Betty Kreyling keep the museum open awhile each of Wheeler; sister, Kathy Hunt of morning and again each afternoon Amarillo; a half-sister, Tonda Bryant missed a lot of good music and of Brownwood; and grandparents, programs but it was a great pleasure Mr. and Mrs. Curtis Kidwell of to have them help many see and enjoy Wheeler and Velma Johnson of the improved museum. Jap Bailey, Pampa.

### Turnbow and Linda Bently are to be Mobeetie Schools Classes Begin Aug. 14

The 1984-1985 School Year will pecially want to thank the, "Blue begin at the Mobeetie School at 8:30 Grass Music Festival" for the great A.M. on Tuesday, August 14th. The asset they play in helping to keep regular bus routes will be run that morning and again in the afternoon at 3:40. Breakfast will be served in the Cafeteria beginning at 8:05 A.M. and lunch will be served using the schedule followed last year.

Parents of students in grades Kindergarten through the Sixth Grade are encouraged to pre-enroll their students on Monday, August 13th, at the following times: Kindergarten 1:00-1:30, First and Second 1:30-2:00, Third & Fourth 2:00-2:30, and Fifth & Sixth 2:30-3:00. If you can not be here on Monday, please come with your boys and girls to enroll them on Tuesday, August 14th.

Students in Grades 7-12 will begin enrollment in assigned rooms at 8:30 A.M.. A full shortened period schedule will follow enrollment and school will be dismissed at 3:40 P.M..

Kindergarten students will attend 1/2 day sessions in the mornings for the full school year and will be dismissed at 11:40 — if they do not eat in the Cafeteria.

Free and reduced priced breakfasts and lunches are available again this school year. Application forms will be sent home with each student and you are encouraged to apply as soon as possible, if your boys and girls

qualify.

# THE WHEELER TIMES

THURSDAY, AUGUST 2, 1984

# By Louis C. Stas

The fate of Sweetwater Creek Dam will be decided by the voters of Wheeler County on Saturday, August 11. The decision will affect the future of the county.

The subject of the dam has become a heated issue between those for and those against the dam. This is apparent from the number of "Letters to the Editor" which appear in this issue of the paper.

I personally am for the construction of the dam. I feel the supply of water available in the ground is being depleted and we need a renewable source of water-a reservoir. I have been attending meetings concerning the construction of this project for the past 20 years, so the subject is not new, nor the opinion a "snap" one.

The same questions keeping cropping up at these meetings:

- 1. How much underground water is contract." available?
- 2. What is the cost of the project?
- 3. What is the tax rate going to be? 4. Who will own and/or control the

Here is my opinion, for what it is

There are lots of figures on the amount of underground water available. I feel these figures can be omitted and adjusted to favor either side. We are on the edge of the Ogalala Aquifer; this formation supplies water to an unknown number of cities, towns, irrigation systems and individual homes. If all this water is available merely by drilling a hole, why are Amarillo, Pampa, Canyon and Lubbock piping water from Lake Meredith; and why is Lubbock looking for an additional source of supply.

The cost and the total cost of the project also make for interesting discussions. The estimated cost is \$27,300,000; these are the best for construction are taken. If at the time the bids are taken the cost is out of reason, the Wheeler County Water Supply District has the right to reject the bids, as is the case when any

taxing entity take bids for a project. Remember, the appointed men, life-long residents of Wheeler county with considerable investments and pay taxes just like you and me. How would they benefit by placing too heavy a debt on the shoulders of their

He said that he had obtained his figures from the Texas Water Commission and that these figures, which were published in newspapers last week, were accurate. This removed the need for the lake, he said.

After Puryear's statement, project booster Greg Smith of Wheeler, produced a computer printout which also reportedly came from the Texas Water Commission. "This is a printout of the water levels in the wells that you cited in your letters to the editor last week," Smith said. "It was released by the commission in lived in Mobeetie all his life. He figures available until the actual bids June of this year, and is based on figures that show that the water levels

### **Red River Gives Contract Approval**

The Red River Water Authority who are setting on this board are met in special session Wednesday, July 25 at Wichita Falls, for the purpose of voting on the ratification of a contract with Wheeler County Water Supply District. Following a morning committee meeting the authority ratifamilies and their fellow countains. fied the contract, involving the proposed construction of a Reservior on Sweetwater Creek.

The signing of the contract clears City Councils and two by the County the way for the election set for Saturday, August 11. At this election The tax rate can only be estimated the voters of Wheeler County will vote until the actual cost of the project and for or against the contract and authorthe interest rate at the time the bonds izing the levying of the necessary ad

### PUBLIC NOTICE

AT&T Communications has filed with the Public Utility Commission (PUC) of Texas to introduce a new intrastate, optional long distance service to begin August 1, 1984, the same date "Reach Out® America" plan will be available for interstate calls.\*

A new service designed to give customers the opportunity to reduce the cost of long distance in Texas has been filed with the state PUC by AT&T Communications of the Southwest, Inc.

"Reach Out® Texas" is an optional calling plan which v 'I provide additional discounts on long distance rates for Texas custome who frequently place calls in the evening, weekend, and night time calling periods. The new "Reach Out® Texas" plan for the first time ext inds the benefits

of competition to many Texas consumers who previously have not had any discounted long distance service available to them. AT&T Communications customers who choose this ne / optional service will pay a monthly charge of \$14 which entitles them to one hour of intrastate

"Direct Dialed" (1 + ) calling during the weekend and night rate period. An additional customer savings for those participating in the plan will be that any Direct Dialed calls placed during the weekend and night rate

period that exceeds the one hour period will be charged at an hourly rate of \$12. or \$ .20 per minute. Customers selecting this option also receive an additional 15 percent discount for intrastate Direct Dialed calls during the evening discount rate

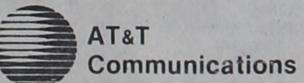

period for a total savings of approximately 38 percent. A one-time charge of \$6 is billed when a customer orders the "Reach Out® Texas" plan. The \$6 is collected by AT&T Communications and paid to the local telephone company to establish the service. This charge will be

waived during the first 90 days that the offering is available. AT&T Communications is proud to offer this optional service for its Texas long distance customers and will in the future continue to introduce cost cutting programs to help Texans reduce their long distance bills. A complete copy of the "Reach Out" Texas" tariff and rate schedule is on

file with the Texas Public Utility Commission at Austin, Texas.

AT&T Communications estimates that the revenue impact of this new service would be significantly less than 2.5 percent of annual gross revenues. Persons who wish to intervene or otherwise participate in these proceedings should notify the Commission as soon as possible. A request to intervene or participate or for further information should be mailed to the Public Utility Commission of Texas, 7800 Shoal Creek Boulevard, Suite 400N, Austin, Texas 78757. Further information also may be obtained by calling the Public Utility Commission Consumer Affairs Division at (512) 458-0223 or (512) 458-0227, or (512) 458-0221, teletypewriter for the deaf.

\*Customer billing for the optional calling plan will be provided for AT&T Communications through billing contracts with the local telephone companies. Therefore, the introduction of these rate plans into a specific area is contingent upon local company billing capabilities. Southwestern Bell Telephone Company has agreed to handle the billing in its service areas effective August 1, 1984.

Our church — Primitive Baptist at Erick - hosted a fifth Sunday Esther Dickey celebrated her birth- meeting with visitors from as far away day with double measure. Bess, Imo, as Dallas and Tulsa. > Parkers brought her home on Thursday. We have the very Best Wishes for the little one.

On Monday night last week a dozen Golden Agers had the pleasure of going to Palo Duro and seeing (again for most of us) the production "Texas" The van from the Baptist church, plus Ed Riley and his car took us there. We had dinner in Amarillo, saw the show and drove back that night. You know, I didn't see any heads nodding on the way home. We arrived here at 2:00 a.m.

Gordon and Bennie Mae Whitener were here last week. They came to get their camper, to make a trip to the "Fishing Hole" with their son William and his family.

Paula Dryden and daughter Jennifer are visiting her mother Anna Green this week. The Drydens live at Midland.

Mr. and Mrs. Billy Stewart are on vacation. Last week they gathered up some relatives in Memphis and joined other family members at Bridgeport, Tex. for a family reunion. Later in the week Billy and Nema took his mother who lives in Amarillo and spent a few days at Red River. This week they are at home. They have some things there that they need to catch up on.

Jennifer Brewer of California is visiting with her grandparents, the Ed Rileys. She will also visit her brother who is with the Air Force, stationed at Altus, Oklahoma.

Hestell Killingsworth had guests Saturday night. Some cousins, on their way to Colorado stopped over. They traveled on their way on Sunday morning.

By Laura Guthrie omments

The residents have been busy shelling peas. Monday afternoon Bonnie Davidson brought about a bushel and a half to the Care Center. But the shelling was short work. All of these people helped: Lucy Neal, Nora Patterson, Fay Jackson, Mable Gitchell, Rena Weatherly, Doris Rusk, Allene Holt, Jessica Jackson, Lola Lantz, Nora Hiltbrunner, Topsy Gossett, Pat Poling, Icyl Littrell, Stella Fields, Alvin Sellars and Mildred Hamilton. Now don't you know they had fun!

Last Tuesday Virginia Stahl and her children, Nick and Emily, and Mr. and Mrs. Pete Thornsberry visited with Mable Gitchell.

Pat McWhorter was at the Center on Tuesday to councel with The Activities Director, Aliene Palmer.

Icyl Littrell went to Amarillo this week to consult her doctor about more eye surgery.

Vena Hopkins of Pampa, who has been here recouperating from a fall has gone home. Vena is not a stranger to Wheeler, having been here on business and pleasure, a number of times, really likes our town. She remarked on how clean and neat it is.

Pauline Reeves lost a son last week. She was able to attend the Memorial services in Shamrock. Sympathy and condolence goes to her.

On Tuesday Susan and Mary Jane Gierhart came to visit at the Care Center. They brought several House coats for the residents. The management would like to express their appreciation for this.

Bob Underwood brought squash for the Care Center table. Everyone enjoyed it.

On Tuesday Reverend Ernie Mc-Gaughy gave the devotional, in the absence of Mr. and Mrs. Hyatt.

Lightning may strike just anywhere. During our shower early Tuesday morning the lightning came in on Ida Farmer's TV set. She had the good luck to get it promptly repaired.

On one day Cherey Johnson and Donna Green shelled peas that Bonnie Davidson brought in. They were mighty good at lunch time.

FREE

### **Blood Pressure Clinic**

There will be a Free Blood Pressure Clinic for all Wheeler County residents regardless of age, Thursday, August 2nd. It will take place in the south end of the Senior Citizens Center on Canadian Street from 9:00-12:00 a.m.

This clinic is conducted by the North Wheeler County Ambulance Service and sponsored by the Wheeler Senior Citizens and the Texas Agriculture Extension Service.

Educational programs conducted by the Texas Agricultural Extension Service serve people of all ages regardless of socio-economic level, race, color, sex, religion or national origin.

settled down on the H. Purvis forty Antonio spent a couple of days with line. They'd played five years with for Myrtle Mae Abernathy. She was a in the garden. The other day, I went sister of Ola Dodd. Had several nieces out and found a big watermelon vine

A close look showed it and the Joe won't let me plant squash in the gourds were covered with squash Freda Coffey of Tulsa was out to see garden because the bugs get on bugs. A disgusted Joe hoed up my Mr. and Mrs. Elec Atchley and attend everything. So my three vines are off beautiful gourds and carried them off. Everything got a good dose of Sevin. in a corner of the yard. I never thought Services were at Elk Church of God and planted some ornamental gourds Well, they say insects will rule the world!

Had some excitement in the community when a weed fire got away at the Bethel Davis farm. Started out across the wheat stubble. Good neighbors soon had it under control

For the readers of Westview-the article about the Mennonite Church at Corn and their lye soap project was written by our bookmobile librarian Jane Jansen. Mr. and Mrs. Horn are her parents.

Alfred and Florence Woolridge of Elk, Mr. and Mr.s Clyde Dodd, and Mr. and Mrs. Elec Atchley dropped in Sunday to see Bertha Coffey. She's been on the puny list.

Dorothy Johnson has been seriously ill at Altus hospital.

Mildred Allen is feeling better. Donnis and Lanell Hays of Enid spent the weekend with her. Leroy Allen Jr. and Gene Carlson were Sunday guests.

Mr. and Mrs. James Keathley entertained with a birthday dinner for Beulah Atchley. Other guests were Lori Keathley and Elec.

Julie and Chris Schmidt have been visiting their grandparents Ike and Jane while the Ted Burckhalters are trucking to Louisiana. Mr. and Mrs. Alfred Woolridge visited them Sun-

The SW Baptist Church visited the Erick Nursing home Sunday afternoon. They had a fifth Sunday singing that night.

riscoe By Vetola Parker

Our leaves on our trees are falling and fast now, Tuesday morning. Tuesday 1 p.m. showering down

sure need it. Hoyle Helton said they got 1 inch of rain. Colie says we got 1/10, Doc Wilhelm got 8/10 inch was sure nice.

Tuesday nite, just heard on channel 7 — 30,000 acres of cotton around Friona or near Friona has been ruined by 24D spray, that was sprayed on weeds on wheat fields, cotton in 2 counties, 67 families. Millions of dollars damage because seems it affects ground for 5 years, there is a lot of mad farmers over there, I really know how they must feel. That 24D will drift bad, the old sage in a draw east of our house in Bob Markham pasture by our place is dead as a hammer. Probably drifted the farmers are hollowing band 24D, they don't know the action they are going to take.

Colie visited Doc Wilhelm Tuesday night. Mrs. Terry (Freddie) Daugherty

had surgery in Pampa Tuesday. She was doing just fine Wednesday.

Daphne and Barry called down Wednesday, our 2nd cousin Madonna Price passed away, will be buried in Pampa tomorrow Thursday. She has been in the Bevins Nursing home for several years. She was 92 years old, Rad and Madonna use to live in Mobeetie years ago in 1920s maybe 1930, they were in Borger for years. He worked at Chevrolet garage, he passed away few years ago.

Bob Markham visited us Wednesday afternoon. He is going to the Markham reunion today, several are already down there at Altus Lake, where they met last year.

Travis and Rosalee Keelin had Joey and Risa children Wednesday, visiting them.

For what is a man profit if he gains the whole world and loses his own soul? Or what will a man give in exhange for his soul, Matthew 16: 26.

Harmon and Daphne Barry visited in Borger last week. They visited Mr. and Mrs. Lawrence Aderholt with, Mrs Aderholt in rest home, he was visiting her so they got to see him.

Alene Hall has 2 nurses comes to her house, I was there Monday, one Tuesday, one Wednesday, one one Thursday, one bathes her the other gives her theropy, now that is nice, sure helps her out.

I have found out for sure where Andy Davis Birthday is it is 25th July, had it down wrong on my list.

Live and learn, there is a patch they stick on your neck, think behind your ears, will help you from getting car sick if you ride in back seat etc.

Friday 27 nice an cool and little cloudy at 9 a.m., hope some rain soon. Talked to Mary Hudson Friday she was reading and resting, her leg is still little sore. Mary ate with Oden and Lois Hudson Tuesday. Oden ate with Mary Thursday. Lois has gone back to Truth or Consequence, N. M. after her car. They came home in their mobile home. She stopped at Albur querque at Vadas. Vada will take her

her some peaches. Mary went with Mable Parker to beauty shop at Mobeetie Thursday. Heard of a different exercise, Mary said Oden had one you lay down on, it goes up and down side ways etc. Now that sounds good, these tread mills are wonderful. I think my trampoline execiser is good, but you've got to use them. Claude Parker has a bycycle

on. Mary took Mrs. Welch some

squash Wednesday, Mrs. Welch gave

exerciser. Roy and Willene Waters came home Friday she was making zucchini pickles, Saturday they went to Gerald and Cheryl Water and children for a fish fry supper and all the trimmings. They had 7 cakes 5 freezers of ice

were there.

Weldon and Diana Parker and Allen. Marianda and Michelle came Friday Sunday nite.

refreshments, Fern Young was the relatives.

Zybach, Mark and Annetta Meek and past week. On the way back they Ross M Phillips, dec, 6-14-84 Kaleb ate supper with the Frank stopped by Peg and Don Norths place C/C PROBATE—Gertrude Morgan, JULY 24, 1984 Youngs family.

Noah and Phoebe at Burrough's cafe, took her to Amarillo for a check-up 7-16-84 ate and visited and celebrated Gena's with the doctor.

Friday Steve Zybach and his visitors Bruce Brooks of Ardmore, Jack Ray from Lawton ate dinner with Bob and Gena.

Bob and Gena visited their uncle Carl and aunt Ople Zybach at Slaton they came back by Amarillo, shopped and spent the night.

Friday afternoon Bob and Gena took her mother to Pampa to Dr. for a medical check-up, then they met others at the Western Sizzlin cafe. Ones there were Bob and Gena, Zelma Reid of Wheeler, J.D. and Mary Byerly of Fritch, Don & Sallie Dillman, Cody and Mary Gilleland, Cecil, Dale, Cindy, Kyle and Jessie Frances of Pampa they met to celebrate Gena, Mary and Cindy birthdays, after eating they went to the ball games Steve Zybach and Dale Frances played.

Saturday cloudy and does it look like rain hope so.

Colie and I visited Claude and Mable Parker Friday afternoon and they said they got 2 inches of rain Tuesday nite when we got 1/10.

Eric and Pauline Zybach and children went to Vernon to visit her brother Bill and Gail Massie and children, Heath and Chanda, they had a little family get together.

Saturday night of last week Mark and Annette Meek, Eric and Pauline Zybach went to Canadian ate at Randys cafe, then attended a church

Diana and girls went to Amarillo Saturday to shop for school.

Sunday morning we received a nice

little shower of rain.

Monday morning, cloudy and thundering, hoping for rain.

There is a drilling tower went up east of Briscoe about 4 miles on Doc Wilhelm land, just across road from the old O.C. Evans house little southeast where Mr. and Mrs. Ellie Wood house stood, hope its a good one. Seems they struck oil on Puryear girls land north old Durham house, all sound good, I don't know which is best gas or oil, either kind, beats none

Sprinkling some at 8 a.m., Monday morning, 30th.

Sunday afternoon visitors at Fat and Wanda Childress were Bob and Zodell Swift, Robert and Sharon Cantwell new baby boy. They all ate suppr with Melvin and Cathy Hunt and children.

Cathy and Melvin's boy Shawn were helping Fat, cracked his foot had to take him to doctor. We hope his foot

family, Dean and family Duane Mea-

Ruby Zybach said they got 4/10 inch rain. Ruby said it had rained on

Essie Finsterwald went to Amarillo burn a spot off her face. Now that is who I need to go to. Sunday afternoon

Parkers Sunday were Bill and Neta Ault, Dorothy and Cliff Ogle, James

cream, some relatives out of state and Bea Ogle and Girls, Larry and Judy Parker and boys, Joyn and

Judy is cousin to the Larry Johnson night spent the night went home that got killed in car wreck near Reydon, Saturday. Jody Robinson of Last Monday Rozena Zybach had 22 Allison was in other car but he was not Wheeler at her home for fellowship. Hathaway, they have 2 little girls, how

### C.W.E. From Page 1

We traveled again over the weekend. Barbara, Jennifer and I flew to visit Cathi and Greg in Houston. We were the guests of Astro-World Saturday evening, despite the shower which temporarily shut the rides down shortly after we walked through the gate. Jennifer's first choice of a ride was Thundering Rapids which is the equivilent of Roaring Rapids at Six Flags at Arlington. Signs warn those in line to be prepared to get wet: not ives for their expression of kindness all the people getting off the ride were and love during her ling illness and soaked. We waited with the attitude our time of loss. A special thanks to "It won't happen to us". You prob. Dr. Barbour and the nurses and staff ably can guess; it did. Barbara was of Parkview Hospital and Wheeler soaked from head to toe, Cathi was Care Center for the special care of our wringing the water from her skirt and loved one. May God Bless each of I stopped to wring the water from my you! socks before continuing around the park-there wasn't much of a way to wring the water out of my slacks

### Mobeetie From Page 1

Their officers are: Wayne Tolbert, Pres.; Edie Kirkland, Vice-Pres.; Sharon Williams, Secretary and Tex McKnight Treasurer. Dave LaCaze is the program manager and sees that all is proper and peaceful on the grounds, besides his bands' performance.

Every year the music gets better and more bands request to play so next year the session may have to be 4 days instead of 3 to include all bands and the dancers.

Oh! the other attraction this year was the landing of an army helicopter on the grounds, from Fort Sill, on Sat. They flew to Amarillo Saturday afternoon in time to drive back by

car for the program. Again! Thanks to everyone for coming and be sure to return next year and bring a friend.

> RESULTS FROM FIRST WEEK COMPETITION WESTERN DRIVE TOURNAMENT

In the first week of competition first place went to Charlie Brown with a score of 12 points, second place went to Thurman Rives with 7 points, and third place went to Roy Don Chick with 6 points.

The second tournament in a series of four will start Monday, Aug. 6th at 7:00 p.m. After the series of four matches, the high point winner will be Locke, etal-Suit for Injunction awarded a new gon dag.

We will try to

00 E. Oklahoma St.

Pack 272 has had a great summer. babysit leaders small children so they Brothers and sisters of cubs helped to award for the Day Camp. Pampa was second with 26 boys attending. Pack 272 is going and growing.

As many of you may have heard there was a lot extra fire works this year in Wheeler. The sales of firecrackers were low but the displays were high. The Cub Scouts sponsored a fireworks stand and had a successful and enjoyable fund raising event. Pack 272 would like to thank the Wheeler Lumber Company and Colorado Interstate Gas Company for donating materials to build a fine fireworks stand and to Ware Chevrolet for letting us us their new asphalt parking for our stand. We would like to thank all the moms and dads who helped during the week to make the sale a success.

If you want your son to be in Cub Scouting there will be a rally the first or second week after school starts. Parents we need 1 or 2 adult den leaders for new dens forming. Come and help with your childrens future.

### LEGAL NOTICE

NOTICE OF ELECTION THE STATE OF TEXAS COUNTY OF WHEELER WHEELER COUNTY

WATER SUPPLY DISTRICT TO THE RESIDENT, QUALIFIED ELECTORS OF SAID DISTRICT:

TAKE NOTICE THAT AN ELECTON WILL BE HELD IN SAID DISTRICT AS PROVIDED IN THE RESOLUTION CALLING AN ELECTION WITHIN SAID DISTRICT DULY ADOPTED BY THE BOARD DIRECTORS OF WHEELER COUNTY WATER SUPPLY DIS-TRICT, WHICH RESOLU-TION IS SUBSTANTIALLY AS FOLLOWS:

RESOLUTION CALLING AN ELECTION THE STATE OF TEXAS: COUNTY OF WHEELER:

WHEELER COUNTY

WATER SUPPLY DISTRICT WHEREAS, Wheeler County Water Supply District (the "District") is a conservation and reclamation district duly created pursuant to Article XVI, Section 59 of the Texas Constitution and Chapter 45, Acts of the 68th Legislature, Regular Session, 1983

(the "Act"); and WHEREAS, the Board of Directors of the District (the "Board") finds it necessary and advisable to enter into a contract with the Red River said Authority would agree able property within the

to acquire and construct a water project known as the operating plants, works, Sweetwater Creek Reservoir facilities, improvements, Project, and the District appliances, and equipment would receive the benefits of the District, and for derived from said Project. would acquire said Project vices, engineering and legal from the Authority and fees, and organization and would agree to make payments to said Authority for and

said Project; and WHEREAS, said contract requires the District to make such payments from ad purpose of levying and colvalorem taxes and other lecting a maintenance tax; income of the District: and

WHEREAS, the Act reenters a contract which profrom ad valorem taxes, the contract must first be approved by a majority of the qualified voters of the District; and

WHEREAS, the Board is of the opinion that an elecvaluation of taxable

Mrs. Gregory Eugene Lang

# Hartman-Lang Vows

Cheryl Gwen Hartman and Gregory wood, Colorado. The guests were town, Texas. Father Herlindon of- girl was Laurie Romine, Englewood,

and Rita Hartman of Wheeler, Texas, Daniel, Lufkin, Texas and Sheryl High School this fall. Hauglum of Victoria, Texas. The Greg attended Northwest Missouri groom's best man was Jeff Katt of State University in Marysville, Mo. Austin, and Groomsmen were Randy for two years. He has been employed Hartman, and Paul Hartman, both of at IBM in Austin since 1974.

Wedding vows were pledged by Wheeler, and Tom Romine of Engle-Eugene Lang on July 28, 6:00 p.m. in seated by Dave Pleasants and Charlie St. Helens Catholic Church in George- Bright, both of Austin, Texas. Flower Colorado, Ringbearer was Matthew The bride is the daughter of Albert Rosier of White Deer, Texas.

The bride is a 1983 graduate of the and the groom is the son of Eugine University of Texas with a B. S. in and Marily Lang of Treynor, Iowa. Education. She was a member of the The Matron of Honor was the sister of Texas Lady Longhorn basketball team the bride, Celeste Rosier of White from 1978 through 1983. Cheryl will Deer, Texas. Bridal attendants were teach mathematics and coach girls Marlo Hartman, of Wheeler, Lesa Varsity Basketball at Round Rock

Marsue and Dean Housh of Amarillo came to Allison recently to take her grandmother, Mrs. Christine Gilmer out for a birthday dinner. They ate at the new Maxey's Restaurant.

It's vacation time and several families from Allison are either gone or have just returned. School will begin in a few short weeks.

· The Eddy Walker family spent last week in the Colorado mountains. The six of us had a great time of sightseeing, mountain climbing and visiting relatives in Buena Vista, Colorado. Highlights of the trip were an old gold mining town, called Cripple Creek, which is still thriving, seeing many mines as we rode an old railroad train and going 1,000 feet into a gold mine that is about to be in production again, seeing Santa's Workshop, where there are rides for the whole family as well as many gift shops, and traveling to the top of Pike's Peak near Colorado Springs. The steep 20 mile drive was almost to much for me. My family bought me a sticker that said "Pike's Peak Chicken". I'm sure I deserved it.

Gary and Linda Hall, Lee and Sharon Hall and boys and Tammy and Bobby Jones all vacationed in Red

Vern and Susie Lohberger, Alton, Ariel and Alicia spent 2 days in Red

Susie's brother and wife, Mr. and Mrs. Ray Sims of Chinco, Calif. spent last week with the Vern Lohbergers. Also visiting there were Anna Lee Sims of Mobeetie and nephew Gilbert Sims of Lubbock.

Clifton, Louise and Kim Boydston and Lisa Craig spent a week in Colorado. They were with friends and relatives of Dumas in Creed, Colo. and later in Buena Vista. They had a very enjoyable time even though Louise got sick and had to be admitted in the Shamrock hospital on the way

Mike and LaQuinta Hulse and children of Mithcelville, Maryland drove to Allison. They arrived Friday evening and plan to be here and in Amarillo for a couple of weeks.

Terry and Darlene Grayson are the proud parents of another baby girl. She weighed 6 lbs. 2 oz. and they named her Joni Rae. She has two sisters.

Rusty and Cathy White of Houston visited his grandparents, the Ed Walkers, Saturday night and traveled on to New Mexico Sunday morning. Sandra and James Whtie of Rich-

mond, arrived in time for Sunday dinner at the Ed Walkers. Also visiting during the day were the Steve Walkers of Wheeler, the Terry Walk-A birthday dinner was given Satur-

ers of Pampa and the Eddy Walkers. day to honor Louise Boydston at the Eddy Walker's.

### BLEEKER VOWS ARE EXCHANGED IN AMARILLO

Everett Louis Bleeker, Jr. were united o'clock in the afternoon in a formal double ring ceremony. The ceremony was performed at Bolton Street Bap-Charles Strickland officiating.

and Mrs. Aaron Lancaster, 1037 Stuart Drive, Amarillo. She is the granddaughter of Mr. and Mrs. Curtis Lancaster and Mr. and Mrs. Ariza Corcoran, all of Mobeetie. The bridegroom is the son of Mr. Everett Louis Bleeker, Sr. of Waterloo, Iowa.

**GIVEN IN MARRIAGE** 

The bride, who was given in marriage by her parents, entered the sanctuary on the arm of herfather who escorted her to the alter. For her wedding, she chose a cathedral sweep gown by Michele Piccione. The gown featured white silk taffeta with an overlay of slik chiffon. The fitted bodice, appliqued' with beaded French thread lace was embellished with seed pearls and iridescences, featured a Queen Anne collar and a wide key-hole neckline. The silk chiffon Victorian sleeves featured a cape effect created with flounce lace edging. Falling from the empire waistline the gown featured appliques of French thread lace and front ruffles of allover lace. The cathedral sweep train featured a flou of ruffles that began at the waistline. She wore a derby styled hat covered with illusion and French thread lace accented with seed pearls. Her Russian blusher veil was attached to the hat with delicate tatting made by Mrs. Estelle Orr of Mobeetie. The fingertip veil of bridal tulle had a pearl covered applique of French thread lace in the center back. The bride designed and helped make her hat and veils. She wore an antique Cameo necklace that she had received as a child from a lifelong friend, Mrs. Madonna Metz of Taos, N.M. The bride wore and English sixpence in her left shoe. While Miss Lancaster lived in Juiz de Fora, Brazil, as an exchange student she was given a handmade lace handkerchief by her Braizillian grandmother with instruction to carry it on her wedding day for "Good Luck". This was carried carefully tucked under her blue garter. She carried a summer basket bouquet of lavender and white daisy poms orchid and pink carnations, stephanotis and springeri fern. These were carried in a handmade rib basket which had been a gift from her father. As the bride and groom left the alter, the bride presented her mother with a gold pendant attached to a single flower of each type represented in the bouquet.

**Bridal Attendants** 

Cynthia Ray attended the bride as maid of honor. Sherrie Evers Giffith and Leah Chism Fort served as matrons of honor. Mrs. Fort also sang at the wedding. She was escorted by her husband Mike Fort. The bridal attendants wore identical tea length dresses of orchid silk broadcloth with overblouses made from orchid, pink and white floral chiffon. The over blouses featured three quarter length sleeves and were tied at the waist with orchid satin ribbon belts. To compliment the ensembles, the attendents carried baskets of silk pink geranwhite daisys and orchid mums. Each attendant wore matching pearl jewelry, gifts from the bride and orchid straw picture hats. Guests were registered by Shelly Higginbotham. She wore a lovely lavender sheer

The bride is the daughter of Mr. briadal train attendants and flower orchida and pink ribbon hair pieces

Carlenia Marie Lancaster and dress. The wedding book was set on a Mr. and Mrs. George Bachenau flower girls each carried a natural er and a personal shower. A bridal in the painted and decorated car as pink skirted table, accented by an served as a flower girl. The flower cane basket filled with flower heads

represented in the bridal bouquet. Jori Bachenau, son of Mr. and Mrs. George Bachenau, was the ring

bearer. He wore a tuxedo that matched the groomsmen. He carried the rings on a pillow-tray made by the bride. The pillow featured the couples names and the wedding date cross stitched into a brocade floral ring and edged with wide ruffled Galloon lace on a woven wood tray. The attached matching wedding rings were designed by the bride and groom.

The candlelight ceremony was performed in front of the lighted baptistry decorated with Ficus bengamina trees and Boston Ferns, all set in woven wood planters. Three gold candelabras with white tapers, adorned with greenry and bows graced the alter. The handmade unity candle contained embedded silk flowers from the bridal shower bouquets. The church pews were marked with natureal cane fans with white baby's breath and orchid bows. Audrea Foster, daughter of Mr. and Mrs. Elbert Foster, and Darrel Corcoran, son of Mr. and Mrs. Ray Corcoran, Sugarland, cousin of the bride served as candlelighters. Miss Foster wore a dress matching the bridal attendants and a swirl of bridal flowers in her hair. Mr. Corcoran wore a matching tuxedo.

**Grooms Attendants** 

Earnest Aaron Lancaster, brother of the bride, served as bestman. Groomsmen was Terry Kennedy. The men wore classic single-breasted black tuxedos with matching vests and whtie wing collar shirts, featuring orchid edged front ruffles, black ties and boutonnieres of white daisys.

Guests were greeted in the foyer of the church by the brides father and were seated by the ushers, Ray Corcoran uncle of the bride, and Darrel Corcoran both of Sugarland.

The groom wore a classic single breasted white tuxedo with all white accessories.

Steven Corcoran, cousin of the bride served as page for the bridal party. He wore a matching tuxedo.

**Wedding Music** 

Traditional wedding music was provided by Lee Deeds, Director of Music for Bolton Street Baptist Church during the seating of the guests. He sang "Whither Thou Goest" as the brides mother was seated by the groom. This special memory song had been sung at the brides parents wedding. Songs and music played during the ceremony were "Thats the Way", "Lost Inside of Your Love", "Evergreen", "What Difference You Made", "The Wedding Song", Traditional Wedding March and "Whither Thou Goest". Singers and musicians were Leah Fort, Mike Fort, Lee Deeds, and Loyd Lanning playing the piano, guitars and organ.

For her daughters wedding the brides mother wore a lavender crepe afternoon dress featuring a ruffle collar and long sleeves. She choose white accessories. Her shoulder corsage was a swirl of bridal flowers.

Reception Immediately following the wedding, guests were invited to a reception on the pation board walk at the Hilton Hotel. Hors d'oeuvres were served as the guests arrived. Geusts were seated at round patio tables covered with white cloths. Each table was centered with flowers from Bridal Showers and parites. Baskets of mints in the brides chosen colors. Also accented each table as the twinkling white lights danced in the pation

Songs and piano music were provided by Charlie Clinton during the wedding reception.

Shelly Higginbotham and Audrea Foster presided at the wedding gift table.

The flower girls presided at the grooms table. A traditional English grooms fruit cake, which was baked by the Brides grandmother, was served in white boxes monogramed with the couples names and wedding date. They also gave the guests chocheted orchid, white and pink baskets filled with bird seed.

The brides table featured a towering white wedding cake. The two tiers were separated by tall Grecian columns. Inside the columns was the anniversary cake topped with a lovely pearled archway covering an angelic cupid statue. This was accented with a field of orchid and pink silk flowers. The cake was topped with a lighted fountain that created a fall of orchid colored water.

The entire cake creation was set on a mirror base surrounded with white baskets filled with fresh flowers. Displayed beside the wedding cake was the Honeymoon cake in a fresh flower wreath. The wedding cake was served by Carol Lester of Mobeetie.

Blackberry wedding Punch was served from a silver punch bowl by Mary Helen Corcoran of Sugarland aunt of the bride.

Members of the house party were Hermadene Fletcher, Wilma Higgenbotham, Phyllis Foster, Retha Kennedy, Linda Hubbart, and Billy Jo

Trimmer. Pre-nuptial courtesies included two miscellaneous showers, a linen show-

party luncheon was held on July 14th at Laganippe Tea Room for the Bridal attendants and house party members. A going-away party was hostessed by 1929 model T Ford owned by Amarillo friends at Cheer's on July 15th.

The bride and groom left the iams. reception in their formal wedding

prepared by the groomsmen but instead suprised their friends by leaving in the rumble seat of a classic Antique car enthusiast Sonny Will-

Carlenia and Everett will make their clothes under a rain of bird seed, not home in Colorado Springs, Colorado.

### Letters To The Editor:

A check of the static level on Bonds to be issued for US to PAY! Tuesday, July 24, 2984, of the two water wells used by the City of Wheeler has shown the following

North Well-Master: July 24, 1984: 42 feet to water

South Well-Masters:

July 24, 1984: 52 feet to water DROP IN WATER LEVEL: 23 feet In 1976 and 1977 when the above Letter To The Editor: wells were drilled. Wheeler had four producing wells. When these wells were completed, all of the original wells, but one, were completely dry. Before the Masters wells, 17 test holes were drilled around the city, and Sunday supper guests at Dick Irvine no adequate water supply was found, except the field presently being used. Because of these figures, the City Engineers have stated that it will be necessary to drill another well within the near future. Also, the water rights held by the City of Wheeler under this tract of land expire June 1, 2003.

Please join me in voting to provide an alternative source of water for Wheeler and the surrounding area.

Bill Owen, Public Relations

### Letter To The Editor:

I read the letter in the Wheeler Times which was written by Doug Rives. I did what he urged us all to do; I drove out and looked at the proposed site of the Sweetwater Creek Dam. I found, on Saturday, July 28, a DRY CREEK BED! The farmers and ranchers in that area have even had to find other sources of water for their cattle! And we, the Taxpayers, are suppose to okay over 87 million WHEELER COUNTY TAX dollars for a proposed dam that has NO FLOWING WATER!? In view of what I have seen, I urge you to join me in voting "NO" for both propositions on August 11,

### Letter To The Editor:

I have read the legal notice of the Resolution calling the election of August 11, 1984 and both of the propositions which were printed in the local paper. Proposition No. 1 talks of a contract. Before the election shouldn't the voters have a copy of the contract to study? It could be printed in the Wheeler and Shamrock newspapers then, we, the taxpayers would know what we were voting for. What does the contract say? How much money are we talking about? What tax rate are we talking about? Where is the contract that Proposition 1 talks about?

Does the contract mentioned in Proposition 1 & 2 limit this election to an 18,000,000 dollar bond Issue?

It seems there should be a dollar limit mentioned in the propositions; other wise we the taxpayers would be signing a BLANK CHECK for the Red River Authority and the Wheeler County Water Supply District! We have heard talk about a 28 million dollar project-why isn't that figure mentioned in either proposition? If we, the taxpayers, vote "yes" to either of these propositions we will be authorizing an UNLIMITED amount of

the need ever arise.

I feel it is grossly unfair and unjust for the Wheeler County Water Supply district to ask the voters to vote on two propositions which gives them a BLANK CHECK and the authority to January 12, 1977: 28 feet to water spend as much money as they want with us, the taxpayer, burdened with DROP IN WATER LEVEL: 14 feet their debts! Please join me and vote "NO" to their UNCONTROLLED & January 13, 1977: 29 feet to water UNLIMITED SPENDING on Saturday, August 11, 1984.

T. G. Puryear

Letter to the Editor and Wheeler County Water Supply District. After reading the Notice of Election in the paper concerning the Proposed Sweetwater Creek Project, I was APPAUL-

ED! The resolution asked the voters

and taxpayers of Wheeler County to

vote yes to this statement:

"ad valorem taxes, levied and collected on all taxable property within the District sufficient, WITHOUT LIMIT as to RATE or AMOUNT to make payments"

This means that if we the taxpayer, approve this election, we can be TAXED at any RATE - for ANY AMOUNT — for as long as needed, to pay the Red River Authority for a Proposed Project that we do not even own! Before I agree to spend my hard earned tax dollars, I want to know these things.

1. How much will the Proposed **Project Cost?** 

2. At what Rate am I going to be

3. Why don't we own the Proposed Project, if built, we are going to pay

4. How many years am I going to be

5. Will my Tax rate change in the Future if the Proposed Project is built? I CANNOT VOTE "yes" to a Tax that has NO LIMITS to RATE or amount! I ject. Several landowners have exstrongly urge all Taxpayers, to join pressed their willingness to sacrifice me, and vote "no" to these unreasonable Resoultions on Saturday, August 11, 1984.

Louis W. Grayson

### Letters To The Editor:

### Dear Editor:

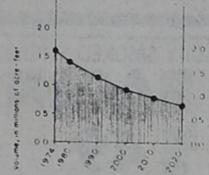

As concerned citizens we went to the library to research facts as suggested by Tommy Puryear and Doug Rives. ALAS, there are no reports in the Wheeler Library and never have been.

Here are some other "concrete" facts obtained by careful research of the documents and agencies referred to by Tommy. The Texas Department of Water Resources, a "tax-supported agency" provides a computer printout dated June 12, 1984, showing the following:

Well No. 05-31-201 which Tommy says increased 2.92 feet actually declined by 0.03 feet when last measured in 1981. This well only pumped 2 gallons per minute in 1953.

Well No. 05-38-902 which Tommy says increased 2.45 feet-NO REPORT because well was abandoned by the City of Shamrock.

Well No. 05-39-201 which Tommy says increased by 2.03 feet declined 1.17 feet. This well pumped 160 gallons per minute in 1956.

The above facts are documented by Texas Department of Water Rescources, and when confronted, Tommy admitted these were indeed the truth. Doug Rives also made the statement that the "majority of tax burden falls on farmers and ranchers who will benefit least". FACT: Farmers and ranchers will pay only 2% of the tax burden.

The State of Texas has researched

Well No. 05-39-301 which Tommy says increased by 5.30 feet actually declined 0.20 feet. No reported gallons per minute.

Well No. 2B-05-39-701 which Tommy says increased by 3.45 feet-NO REPORT because well was abandoned by City of Shamrock after being drilled in 1928.

Well No. 05-39-704 which Tommy says declined 1.04 feet really did, since the City of Shamrock abandoned

Well No. 05-53-503 which Tommy 2 min. 45 sec. says increased by 60.9 feet-NO REPORT-drilled in 1957. Well was only 37 feet deep so water must be standing above ground.

The water storage volume quoted by Tommy shows an increase from 8.12 million acre feet of storage to 8.31 million acre feet of storage. Tommy must be including all the counties in the state in HIS aquifer because Wheeler County only had 1.61 million acre feet in 1974, and the following Surface graph shows what Tommy's source predicts for our future: a drop of 0.68 million acre feet in the year 2020.

rear	- Acre - Feet
1974	1,610,000
1980	1,410,000
1990	1,140,000
2000	940,000
2010	790,000
5050	680,000

the ground water in Wheeler County and has concluded in 1982 that 11/2 times more water is being taken from the underground supply than is being replaced.

We CAN show you the facts published by state and city support of the Red River Authority of

### Is There A Shortage Of Water?

The Wheeler Chamber of Com- the remaining ground-water resources merce has been accused of using Wheeler County water users should "scare tactics" when making the implement all possible conservation statement that Wheeler County has a measures so that the remaining shortage of water. The Chamber ground-water supply is used in the believes that promotion of the Sweet- most prudent manner possible and water Creek Reservoir Project is the with the least amount of waste." same principle as insuring a car against damages, taking chemo- has concluded that it is not a question therapy when cancer is diagnosed, or of "if" but "when" we will run out of any other preventive measure which is water. taken to safeguard against possible future problems.

Opposition to the Sweetwater Creek Reservoir has been quoting the Texas Department of Water Resources. Apparently, they are picking and choosing facts out of context.

Report #266 issued in February, 1982, from Texas Department of Water Resources says as a CON-CLUSION:

"The Ogallala aquifer in Wheeler County contained approximately 1.6 million acre-feet of water in 1974. Historical pumpage has exceeded 20,000 acre-feet, which is approximately 1-1/2 times the rate of natural recharge to the aquifer in the county. This overdraft is expected to continue, ultimatley resulting in reduced well yields, reduced irrigated, and reduced agriculture production.

There is a very uneven distribution of ground water in the county. Some areas have ample ground-water resources to support current usage through the year 2020; whereas, in other areas of the county, ground water is currently in short supply.

To obtain maximum benefits from

### To The Editor:

Thank God we live in a country that allows each of us our individual opinion and the freedom of voting as our opinions lead us. There are many opinions that may influence your vote in the upcoming bond election for the proposed dam and water project. If you find all the opinions as confusing as I do, with little are no solid, positive facts being presented, your vote for or

against may as yet not be decided. There is one true fact in this proposal that should influence all voters. Your taxes will increase! No one knows how much, but it is for sure. No one can say if Wheeler County will need this water forty of fifty years in the future, but rest assured, whether your children or 35'30 their children have water or not, if this bond issue passes, they will certainly

have to pay the tab. With no more factual evidence as to the County's actual needs for large quanties of water in the future, nor any alternative or less expensive methods of aquiring water for the future being presented, the tax fact is all that prevails. Playing roulette with millions of tax dollars has progressed from Federal to State levels like a contagious disease. Lets not let this happen on a County level. I urge you to vote against this bond issue.

### WHEELER TRACK CLUB HEADS FOR STATE

The Wheeler Track Club will be: with a throw of 14'8". traveling to Brownwood, Texas, to compete in the State TAAF Track a throw of 23'7"; 2nd in the discus Meet to held on August 3 and 4.

In order to qualify for this meet, contestants had to win first or second place in an event at the Regional Oualifiers Meet held in Lubbock.

as follows:

Tera Henderson: 1st place in the discus with a throw of 56'; 3rd place in the 1500 meter run with a time of 5 min. 49 sec.; 2nd in the 800 meter run,

Mindy Hardcastle: 3rd in the 100 meter hurdles with a time of 17.8 sec; 2nd in the long jump with a distance of 13'7"; 4th in the shot put with a distance of 26'2".

Marcus Hardcastle: 3rd in the shot put with a throw of 13'10"; 6th in the long jump with a distance of 9'43/8"; 6th in the 200 meter run.

Heath Sabbe: 2nd in the shot put at a distance of 19'6".

From Page 1 that the dam would impound a reservoir having a capacity of approximately 65,7000 acre-feet with an estimated dependable safe yield of 9,600 acre-feet per year, after 50 years of siltation, or approximately 8.5 MGD (Million Gallons Per Day) and a surface area of approximately 3,900 acres at maximum water level. The projected year 2000 average day requirments for Shamrock, Wheeler, Mobeetie, Briscoe, Allison and Kelton is 1.44 MGD with a peak day requirement of 3.12 MGD. Water not required for municipal and industrial purposes could be utilized for other financially prudent and benifical pur-

With the assistance and active Texas the Wheeler County Water Ruth Smith Supply District was created by a special Act of the 68th Legislature of the state of Texas in 1983. The District wss confirmed by the qualified electors of Wheeler County by a vote of 886 for and 343 against on August 13, 1983. The purpose and objective of creating the District was to provide a local governmental entity that would foster and provide guidance and direction in the development of an adequate and dependable water From diligent research the Chamber supply in Wheeler County for present needs, and to assure future growth and development of the area. The District and Red River Authority each Wheeler Chamber of Commerce have unique powers, capabilites and Donald E. Rives. President attributes necessary and desirable to construct, maintain and operate the proposed project in an efficient and expeditious manner, and in the best interests of the citizens of Wheeler County. The Board of Directors of the Distirct has, therefore, called on election to submit the following propositions to all qualified voters of the District:

1. Authorizing the District to enter into a contract with the Red River Authority of Texas to purchase the proposed Sweetwater Creek Reservoir from the Authority pursuant to terms of an Installment Sale Contract, with annual payments to be made from (i) ad valorem taxes levied and collected on all taxable property within the District and (ii) the income and revenues of the District to be derived from the ownership and operation of the District's waterworks and sewer system, all as provided in the contract and the orders or resolutions authoriing the execution of the contract. (Note: Copies of the contract are available for inspecion at the office of the County Clerk, Wheeler County Courthouse, the City Hall in the City of Shamrock and the City Hall in the the reservoir?

Kelli Sabbe: 5th in the shot put with with a throw of 62'4".

Jana Velasquez: 4th in the shot put with a throw of 15'.

Tommy Velasquez: 3rd in the discus with a throw of 73'8"; 3rd in the shot The results of the Lubbock Meet are with a throw of 26'9"; 3rd in the 80 meter hurdles with a time of 16.12

> Richard Smith: 3rd in the high jump; 2nd in the discus.

Bubba Smith: 1st in the high jump at 5'11"; 1st in the 80 meter hurdles with a time of 13.1; 1st in the discus with a throw of 123'111/2".

Trey Smith: 1st in the 50 meter hurdles with a time of 9.57; 3rd in the shot with a throw of 23'2"; 1st in the high jump.

Matt Johnson: 2nd in the 80 meter hurdles; 1st in the 1500 meter run. Dicky Salyer: 4th in the long jump

City of Wheeler.)

2. The authorization to levy and collect a maintenance tax of not to exceed four and one-half cents on each one hundred dollar valuation of all property within the District to provide funds for maintenance purposes, including funds for planning, maintaining, repairing and operating plants, works, facilities, and other miscellaneous organization and administrative expenses.

Q When will the election be held? A. On Saturday, August 11, 1984. Polls will be open from 7:00 a.m. until 7:00 p.m.

Q. Who may vote in the Election? A. Any resident of the District (which includes all of Wheeler County) who has lived in the state of Texas and the County for 30 days prior to the election and has a valid voter registration certificate.

Q. Where will the polling places be located? A. At the regular voting precincts

in Wheeler County. O. Where will absentee voting be

A. At the office of the County Clerk at the County Courthouse in

Wheeler. Q. How will the proposed project appear on the ballot?

A. There will be two porpositions on the ballot:

1. The authorization of the Sweetwater Creek Reservoir Project Installment Sale Agreement, the levy of Ad Valorem Taxes sufficient to Provide for Payment under the Contract and the Pledge of Income and Revenues to such Payments.

2. The Levy of a Maintenance Tax.

O. Who will finance and construct the Project?

A. Initially, the Red River Authority, on behalf of the District, will acquire and construct the Initial Facilities through the issuance of its Bonds, but no Bonds shall be issued by the Authority except at the request of the District and until a substantial copy of the Authority's Bond Resolution has been approved by Resolution of the District.

Q. Who will manage the Construction and Operation of the Pro-

A. Construction and Operation of the Project will be directed by the Management Committee composed of two primary representatives and one alternate of each the Authority and the District. The Management Committee shall have such duties and exercise such powers as agreed upon

by both the District and the Authority. Q Who will be entitled to water in

Commencement

A. Subject only to the limitations on the amount of firm yield available to the State of Texas as the result of the sale of storage capacity to the Texas Water Development Board, the District shall be entitled to receive the total yield of the Project allowed by the permit to be issued by the Texas Water Commission.

Q. How will the Project be financ-

A. Total estimated Project cost is \$27,323,000. Of this amount, it is proposed that Red River Authority will issue \$17,323,000 of Bonds, and \$10,000,000 will be provided by the Texas Water Development Board through its purchase of approximately 37% of the total reservoir capacity. It is anticipated that repayment of the \$10,000,000 Water Development Board Bonds, plus accrued interest, would be deferred for approximately 10 years, or when the capacity is needed by the District, whichever time first occurs.

Q. What is the source of payment for the Bonds and the Operation and Maintenance expense of the Project?

A. All payments required to be made to the Authority by the District under the proposed contract shall be made from revenues of the District's utility system and/or ad valorem taxes to be levied and collected against all taxable porperty in the District. Initially, it is projected that revenues from the system will be adequate to pay operation and maintenance expenses, and debt service on the Bonds will be paid from ad valorem taxes.

Q. What is the estimated tax rate

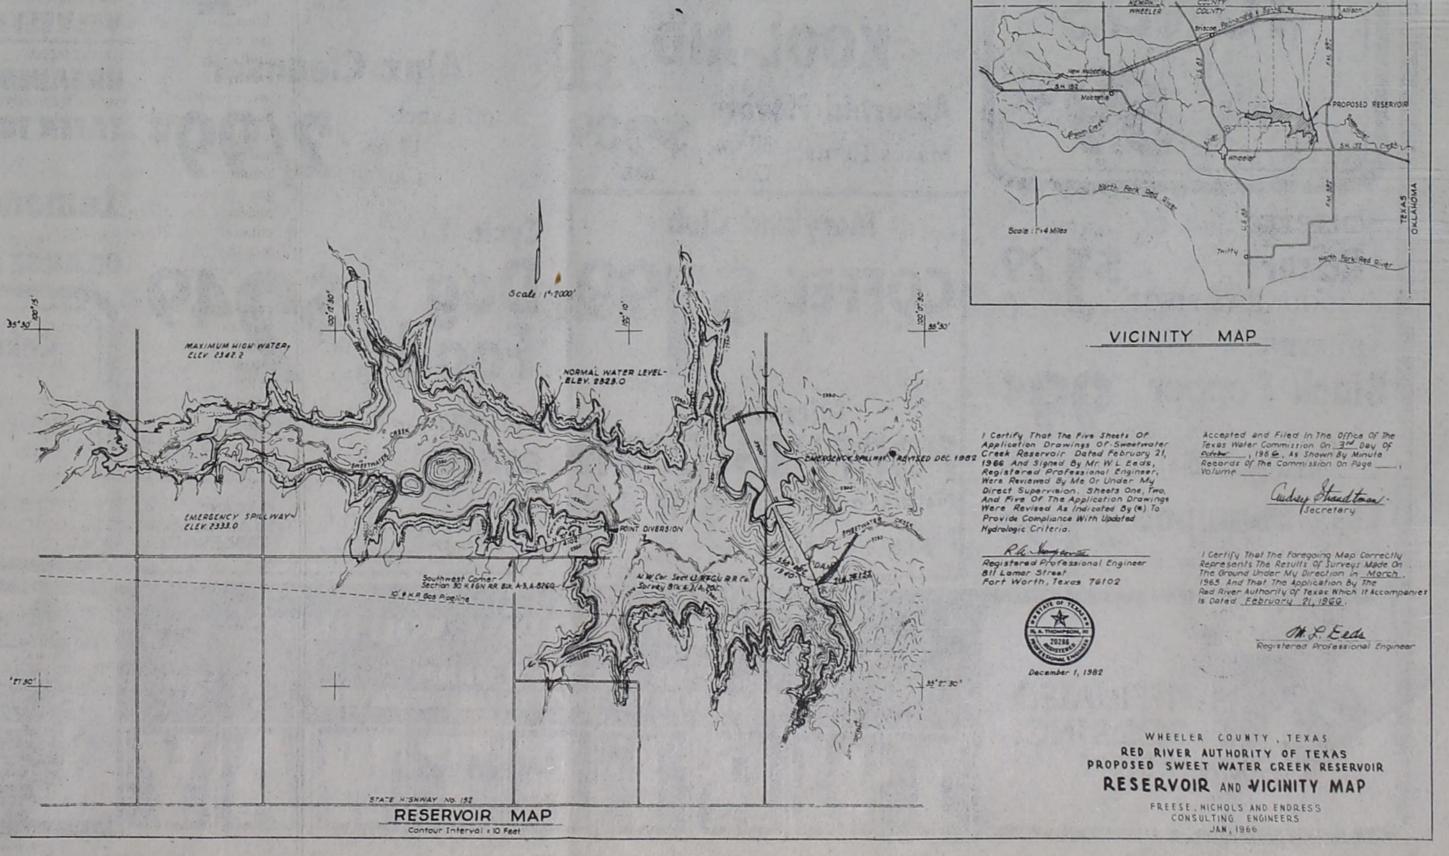

to pay debt service on the Bonds? A. Taxable values in Wheeler County for the tax year 1983/84 amount to \$1,193,000,000. On this basis, and under current market conditions, it is calculated that the Bonds could possibly be structured to mature in such manner that a tax rate of approximately \$0.09 per \$100 of

Teacher Work Day Assessed Valuation would be required during the years 1985 through 1989; \$0.25 from 1990 through 1994; \$0.35 from 1995 through 1999 and \$0.16 from the year 2000 through 2014. An alternate plan could require tax rates of approximately \$0.20 for 1985 through 1995; \$0.325 from 1996 through 2000 and \$0.23 from 2001 through 2010. In either case, an average tax rate of approximately \$0.25 per \$100 Assessed Valuation is probable over the life of the Bonds based on the assumption that taxable values remain at current levels. Estimated tax rates would, of course, increase or decline in proportion to fluctations of Taxable Values in Wheeler County.

Q. What is the Term of Contract with Red River Authority?

A. The contract shall continue in force until such time as all Bonds have been paid or provision for payment has been made. Following termination of the contract absolute title to the Project will pass to the District, but by mutual agreement of the parties, ahte Authority may continue to operate the Project under terms and conditions as the District and Authority might agree.
