MUSTANGS IN COUNTY BATTLE FRIDAY

BEST LABOR DAY EVER, 1200 ATTEND ACTIVITIES

Put to gather the lovely weather with just enough breeze to blow the flags and everyone must have got the same idea I had. Yes, I went early but someone else heard about the early bird catching the worm and everyone was already lined up. The Elk City Band played very lovely music until after 1:00 when people were still eating. Everyone said this was the largest Labor Day with over 1,200 attending.

The prayer given for those who had gone on in this last year was given by Lester Hathaway. While everyone ate they were entertained by master of ceremonies Chuck Hogan and "The Court House Quartet". I don't know how many times I've heard them but each time seems the best. If you want to see an old friend this is the place to come.

The award for the oldest lady was given to Mrs. Tommie Tyson, 95 years old of Mobeetie. The oldest gentleman was Emmett Lefors, 93 of Pampa. The Oldest Pioneer Resident, who incidentally, had lived here all his life, is Phil Corcoran, 78 years old.

The two ladies who had traveled the farthest had come 1600 miles from California.

Hope to see you all next "Labor Day".

BREATH OF LIFE CAMPAIGN TO BEGIN

What is the greatest non-monetary gift you can give to help in the fight against an incurable disease? YOUR TIME.

Hemphill County Fair To Open

The First Annual Hemphill County Fair will begin Friday, September 10, at the New County Exhibition Barn in Canadian. There will be exhibits in the following categories: arts and crafts, clothing and textiles, canned and cooked food products, and agriculture-related products. There will also be educational exhibits, horticulture exhibits, and a wide range of commercial and industrial exhibits.

The Friday, September 10th schedule includes, from 4:00 judging of the exhibits from 4-6, food service by the Lions Club from 4-11, exhibits open for public viewing 6-11, and live Blue Grass music from 6 to 7:30.

The Saturday schedule includes continued public viewing of exhibits from 9 in the morning until 2 in the afternoon. The Lions Club concession will again be open. A pet show is scheduled from 10 to 12 noon, a bicycle rodeo will be held from 9 to 11 that morning, and a library-sponsored puppet show is scheduled at noon. Winners in each category of the fair will be announced before the puppet show.

Additional activities scheduled for Saturday include the Chamber of Commerce Court House Lawn Party with live music from 2 to 6 by Shiloh Creek and Jack Bailey and Company. From 2 to 4:15 Amarillo's Country KIXZ radio and Jody Carter will do a live broadcast from the Court House lawn. Food booths will be operated by various local social and service clubs at the lawn party that afternoon. Saturday night a dance featuring Shiloh Creek will be held at the City Auditorium from 9 to 1:00.

Area Y.H.T. Convention Is Held

Four Members and the advisor of the Wheeler Chapter of Young Homemakers of Texas attended the Annual Convention of Area I Young Homemakers of Texas held at Amarillo Civic Center on Saturday, August 28. Those attending were Lynne Francis, Cathy Harrison, Pam Hibler, Dolores Simmons, and Mrs. Wiley.

Dolores Simmons and Pam Hibler, Area I Second Vice President and Parliamentarian, respectively, were involved throughout the day in helping direct the activities of the convention. Dolores gave the membership report in the Business Session. Pam conducted the election of officers. Pam was also a candidate for Area I President and ran a very creditable race. The two officers and Mrs. Wiley were guests at the Officers Luncheon given by Mrs. Tina Dora Haile, Consultant, on the Terrace at Holiday Inn.

The afternoon program featured a unique presentation on personal develop-

against Cystic Fibrosis.

The 1982 Breath of Life Campaign will be held during National Cystic Fibrosis Week, September 19-25, in the Wheeler area, and Chairman Mark Gill is asking volunteers to donate their time to fund raising activities.

According to Gill, "A gift of time is especially meaningful to the families who are living each day knowing that for a child with CF time is running out. Only 50 percent of the children born today with CF can be expected to live past their 9th birthday. By donating time, volunteers are actually helping to buy time for these kids."

In addition to raising desperately needed funds to support research, clinical care and education programs, the Breath of Life Campaign is aimed towards alerting the public to the signs and symptoms of Cystic Fibrosis.

Residents of Wheeler who can give time as volunteers to the breath of Life Campaign are urged to contact Mark Gill, 826-3348.

Forget that the Wheeler Mustangs and Shamrock Irish are no longer in the same district, it makes no difference when these two old rivals get together on the football field and this they will do Friday night at Nicholson Field.

Last year the Irish broke a six year stranglehold that the Mustangs had on them in a tight battle in Shamrock and the Mustangs are anxious to get the win back for the black and gold.

Only Mark Moore will be out

of this weeks game which promises to be a sellout and a game that you can throw out past records when trying to figure out the outcome.

The Irish fell in their season opener last week as the Phillips Blackhawks, co favorites with the Mustangs in district 1-A, whipped the Irish in Shamrock, 35-0.

"Just forget last week because everyone knows that Shamrock will play Wheeler harder than anybody on their schedule and we expect one of the toughest games of the year

this Friday", Coach Preston Smith said this week.

Shamrock uses a 4-3 defense similar to what the Mustangs use but have changed to a veer on offense this year. "They have some big folks up front and it will be hard to run on them," Smith added.

As in all non district games, kickoff is slated for 8 PM and fans are urged to get to the stadium early to avoid jams as the years biggest crowd comes to see these two old rivals hook it up.

summer the show had to be canceled because of too much rain and sloppy arena conditions.

All area youth are encouraged to attend the show which is sponsored by the Childress County 4-H Horse Club. Weather conditions should be ideal for a horse show if it does not rain it out.

Competition will be divided into three age groups: 14 thru 18 years of age, 9 thru 13 years of age and 8 years and under. The high point individual in the two older age groups will be presented belt buckle.

Tack will be presented to the first place winners and each class. In addition to these awards trophies will be presented through fifth place in each class.

Activities will begin at 10:00 a.m. in the Old Settlers Arena in Childress. Bill Smith of Vernon will serve as judge for the show. Judging of halter classes will be first. There will be one class each of registered mares, grade mares, registered geldings and grade geldings.

PROPERTY TAXES—GOOD INTENTIONS AREN'T ENOUGH

I want to talk this week about taxes and good intentions.

As I travel around Texas, I notice that what's known as the Peveto Bill is the subject of much talk and controversy. This bill, named after state representative Wayne Peveto, is a tax reform law; legislation of the best intention.

The law was designed to end confusion and unfairness in the way property taxes were assessed. Property was often on different tax rolls at different values. Older properties went years, sometimes decades, without being revalued or updated. New construction and newly sold property was on the rolls at more correct values and so people who owned it paid a higher share of taxes. Some property was simply left off the rolls entirely. The system was confusing and inequitable.

In an attempt to correct these problems, the Peveto Bill created property tax appraisal boards for each Texas county. These boards were charged with the responsibility of set-

ting all property at its full value—as residential or commercial property or as land used for agricultural purposes. Taxes could then be levied on this accurately assessed property according to the needs of the taxing entities.

It sounded good, but it hasn't worked. The biggest problem is that the people on the appraisal boards are appointed, not elected. They are not accountable to the taxpayers. So now we have a new, faceless bureaucracy to deal with. It amounts to taxation without representation.

My opponent has been on both sides of this issue, first supporting the bill in the legislature—then doing an about-face and calling it bad legislation after it was passed.

The Peveto Bill, though well-intentioned, has created problems which must be dealt with in the next legislature and as your next Lt. Governor, I will do just that. If you have any thoughts on this subject, please write me at 1213 W. 34th, Austin, 78705.

PROPOSITION NO. 1 ON THE BALLOT

House Joint Resolution 1 proposes a constitutional amendment that prohibits any state ad valorem tax. Receipts from previously authorized state ad valorem taxes that are collected after the effective date of the proposed amendment shall be deposited to the credit of the general fund of the county collecting the taxes and may be expended for county purposes. Taxes collected before that date shall be distributed by the legislature among educational institutions eligible to receive those funds under prior law. The proposed amendment also repeals a section of the Constitution levying an ad valorem tax for a construction fund for 17 state colleges and universities.

The proposed amendment will appear on the ballot as follows:
"The constitutional amendment repealing the state property tax."

PROPOSITION NO. 2 ON THE BALLOT

House Joint Resolution 62 as amended by Senate Joint Resolution 10 proposes a constitutional amendment that would eliminate the \$80,000,000 ceiling on state welfare aid during any fiscal year. The amendment would set the state welfare spending limit at \$160,000,000 for the 1982-1983 biennium. The amendment further provides that, for each subsequent biennium, the maximum amount spent for state welfare shall not exceed one percent of the state budget.

The proposed amendment will appear on the ballot as follows:
"The constitutional amendment to authorize the legislature to provide assistance through the appropriations process to needy persons and to place a ceiling on payments for needy dependent children at one percent of the state budget."

dry. Well, Vermont had three inches of snow and Phoenix was 114 degrees. Makes our weather seem much better.

No rain in August. The one and eight tenths we got back in July left in a hurry. We won't have a good rain till those hurricanes start swooping down across the Gulf.

We set a gallon plastic jug with a hole in the bottom down on each side of our tomato plants. Fill them several times a week. Sure have had a wonderful crop from our 12 vines. Robbie and Elmer Gardner were out Thursday from Erick and took home a care package. Brought us some strawberries and other goodies.

When I told about Santa coming last week, I failed to mention that cousins Maurice and Midge Kinnie of Sudan were here a while back and brought us some towel holders and keyboards that he had made in his shop since retiring. They were lovely and useful. Sure is nice to know talented folks who share their works.

Mr. and Mrs. Leo Stone have another great grandbaby. Little Cory Lynn Greer. She is welcomed by a sister Roxie and parents Rocky and Coleta Greer of Burns Flat.

I forgot this last week. Bret Begert of Allison won the National Junior Showmanship Award at the National Limou-

sin Heifer Show in Wichita, Kansas. He is the great grandson of our friend Clara Hill at Erick. His parents are Hiram and Darendra.

As everyone knows the roads have sort of gone to pot. There will be a meeting to discuss the Roger Mills County Highways (and I hope, country roads) Sept. 17 at 7 PM at The Cheyenne High School Auditorium. Might pay us all to go. There will be some big roadmen present as well as Rep. Reimer and Sen. Winn. Along with all the holes, we have blind corners to where you can hardly see to get on the highways.

The big shots have come up with the idea that toll roads may be the solution. I wonder sometimes why anyone comes to Oklahoma on account of the toll roads we already have. Costs us \$6 everytime we go see David. One time in Kansas City, the signs started saying slow down for toll. Got there and we had to pay a dime to cross a bridge. They couldn't possibly collect enough dimes to pay for the help.

Mr. and Mrs. Hansford Jenkins spent last week with his mother Stella Jenkins.

Norma Zellmer tells me she is going to move down from Stratford and make her home with her mother Ila Anderson.

Ida Carr, Clarence and Margarete Kinder have been to Delaware to see another of Ida's daughters, Mildred, and family. Attended the wedding of a grandson while there.

After someone so unkindly killed my snake, we have fought a running battle with the moles. Joe put out a gallon of poison grain. All we got was little patches of maize everywhere. Finally he decided to gas them. Put a hose on the tractor exhaust and ran it into a tunnel. Main results so far is, he melted my garden hose.

Don't forget all the little and big wildlife is thirsty. The quail come harking up to my kitchen drain off in the back. Good thing I just wash dishes twice a week or the Cascade might kill them. We keep pans of water on all sides of the house plus the stock tank.

Recent visitors of the Lawson Smiths were Agnes Flowers of San Bernadina, CA, and her aunt Jewell Hood of Wil-

low. Vicky Hockaday is here with her parents Earl and Viola Stewart. She works at the new radio station in Elk City.

Mr. and Mrs. Herbert Madden were business visitors in Wheeler this week. Seems they had a plumbing problem at a renthouse.

There is a workover rig on the Bertha Coffey well. The Ford well is still trying to whipstock or whatever they

call it when they offset under ground 3 miles or more away, at an angle? Not so bad, going straight down. You know China is down there somewhere. Derrick is down on the Benton well.

Bertha Coffey was a Sayre visitor Friday. Saw Helen Metcalf of Durham who told her about the trip to Worlds Fair in Knoxville that she and Howard had made.

Lee Stewart (he's the artist)

and Patricia Lazelle were married last Saturday at St. Luke's Methodist Chapel in OKC. He is the grandson of the Earl Stewarts. They will make their home at Weatherford.

Viola also tells me Don and Audie and moved to Arnett.

Mr. and Mrs. Royce Roberts, Blanche Kuykendall, and Gertrude Garrett have returned from a family reunion of the Ortes at St. George, Utah. Among those there were Irv and Juanita Godwin, Carl Garrett, Orville and Ruby Spencer, Ruby Orteg and Thelma Miller. Hosts were Ruby, Leonard and Betty Orteg.

The Sweetwater group went to Wyoming, Bryce and Zion Canyons, Yellowstone and Rushmore.

The Roger Mills County Harvest Festival will be Sept. 8, 9, and 10 at the Cheyenne

Ag Pavilion.

The Beckham County Fair will be Sept. 12, 13, and 14 at the Sayre Activity Center.

If you went to buy cantalopes and there weren't any, it was because they picked up the illegal aliens who had been gathering them down east.

The aliens don't have much to feast as long as we declare them legal every two years. At long last, they called from OKC, saying there was nothing toxic about our slush pit spill. We can rest in peace.

Received word that Harvey Smith of OKC has been very ill with double pneumonia. He is improving. Harvey is the brother-in-law of Dovie Wilson.

Andy Farmer of Sayre asks me about the Old Methodist Cemetery located somewhere in the Sayre vicinity. If anyone knows please tell us.

OLD MOBEETIE ASSOCIATION AUGUST MONTHLY MEETING

Thursday evening the 26th of August 1982 at 8:00 p.m., the regular monthly meeting was held in the Mobeetie Jail Museum, as a called meeting.

President, Sallie Harris presided with the following members present: Jay Bailey, Louise Hogan, Roy Lynn Stribling, A.B. and Mrs. Turnbow and Bob Galmor.

Minutes of July were read and approved as read. After a welcome to members a report was given by Louise Hogan, on the Blue Grass Music Festival, as the most successful ever with a much larger crowd and more musical groups performing on stage.

Reverend Richard Mitchell was welcomed to the meeting to get acquainted with the officers and members. He and wife Marcia, are living in the museum trailer home and caring for the museum and grounds. We invite everyone to come meet and make them welcome as Old Mobeetie neighbors. They have a baby daughter, Robin, six months old. We are very proud to have them and wish them to feel welcome in their new home.

A Nominating Committee was appointed by the president as: Melvin May, Chairman; Kay Hamilton and Bob Galmor to present a slate of officers to be voted on at the October meeting.

A program was submitted to Chuck Hogan, for the Labor Day Old Timers Picnic, Monday September 6th. Everyone is expected to come bring a basket lunch of cakes, pies, salads, and whatever, to supplement the barbecue to be served by the local men of Mobeetie. Roy Lynn Stribling is the President and wishes to welcome everyone who ever lived at Mobeetie or in Wheeler County as their old time fiddling, singing, guitar picking organ, piano and other musical instruments furnished by the Old Timers all around the area.

Chuck Hogan, the M.C., will be there to announce all events. A prize will be given the person traveling the farthest, and the eldest man and woman present.

Austin and Bernice Caldwell are greatly missed as they are enjoying the summer in a cabin at Lake City Colorado, fishing and cooling off. We will be glad to welcome them home to fill their important places in the community.

Sallie Harris reported, Ed Benz is working steady on the Fort Elliot Diorama now but it is not ready to be installed in the museum yet. Meeting adjourned at 9:30.

According to Commentators over the air waves the world is having problems. There are problems with the farmers, there are problems with labor, problems with education, problems with church and state, all sorts of problems. The conclusion of some is that in order to solve these problems we must have a Program. That means a lot of programs. Who is to make the Programs? Who is to administer the Programs? What a situation!
Another speaker said "As long as man works for a living, there will be problems. I'd say that will be forever, for didn't God say to man, after he had disobeyed, "In the sweat of thy face thou shalt eat bread."

ance classes for the two older age groups will include: showmanship, western pleasure, western horsemanship, western riding, pole bending, barrel race and stakes race.
Entry fees will be \$4.00 per class. The Texas 4-H Horse Show rules will be followed. Entries close 30 minutes before each class begins. All contestants ages will be determined as of Sept. 18, 1982. A contestant does not have to be a 4-H member to be eligible to compete.

One speaker says "No president can solve these problems." That may be right. Ever since our National began presidents have been faced with great problems. Sometimes it took wars to solve them. Congress is forever harrassed. Washington had the problem of forming a new Nation; Lincoln had the prob-

lem of slavery, Andrew Johnson was almost impeached because he had such a hard time being a president to the combined North and South; more modern presidents had problems with Cuba; Nixon had the problem of being honest so brought on Watergate, and Mr. Reagan has so many problems we wont begin

to enumerate them. Who wants to be the President of the United States?
And—What do you know? The teenagers in Amarillo are riding up and down Main Street (Polk). Hundreds of cars-back and forth. What for? Just to see what's going on; Just to be going somewhere; Just to see who is out and what

they are doing. It is just giving the Police fits! Well. Well. For forty years that has been going on in Wheeler. I've had a ring-side seat, and yet I can't see why they do it! Anybody want to solve that problem?
Better get to personalities. I don't know much about what is going on, but—
Mr. and Mrs. O.L. Forrester went to Bridgeport last week to visit with a son and family. Mrs. Forrester was having a birthday. Before she left home, Patricia and Ed a son served a birthday dinner. In Bridgeport there was a lot of feasting and visiting. Also they attended a show in Ft. Worth. A son in Dallas couldn't come over but he gave her a call on the telephone. Altogether it was a very Happy Birthday.
Celeste Wiley and Mrs. Mark Frankenbery have recently been to Austin to take a course in Teletyping. These women are our local police dispatchers and they are trying to improve their efficiency. They can be a lot of help to us at times. Thanks for serving in a worthy position.
Paula Dryden and her daughter, Jennifer, of Dalhart spent the weekend with her mother, Anna Green.
Ethel Herd is seriously ill. She was transferred to an Amarillo hospital on Monday.
Mr. and Mrs. Denver May, of Allison, attended Senior

WILEY FAMILY REUNION
The Wiley family held a reunion on July 28th in observance of the 100th birthday of their father. Mr. H.M. died in 1961, his wife Mary Peota Wiley in 1977. On Aug. 8, 1961 the House of Representatives of Texas adjourned the day in his honor. An official document was presented to his widow.
The family gathered at the Quality Motor Inn near the home of Mr. and Mrs. E.W. Woods. At the Woods home they were served continental breakfasts and late coffees while visiting during the three days there and at the Inn poolside.
Col. Paul M. Wiley compiled and presented copies of a family history drafted from the memories of his grandfather J.T. Wiley Sr. The presentation was made at the official dinner held at Sutphens Restaurant on July 25. The booklet told of the disembarkment at Jamestown Va. and the three centuries that followed of a Scotch-English family who sought to escape the yoke of English monarchs. They came

with the son of the Duke of Richmond in 1626 to consolidate royal land grants in the Virginia colonies. J.T. Wiley Sr. and family came from Alabama to Texas in 1889 where he became a pioneer educator. H.M. Wiley and his father, J.T. Sr. owned and operated a ranch near Mobeetie at the turn of the century, the son remained and made Wheeler his home.
The eight children of Mr. and Mrs. Wiley were present as follows: J. Max Wiley, Celeste Wiley, James and Melba Montgomery of Wheeler, Marilyn Wiley Saddy, New York City, Paul M. and Carolyn Wiley, Austin; Martha and Hervey S. Hutchins III, Fort Worth; Bill and Barbara Wiley, Miami; Patricia and E.W. Woods of Amarillo.
Grandchildren present were: Elizabeth Boring, Nancy Hampton, Thomas Wiley, Gale Saddy, John Wiley, Bill Wiley, Robert Wiley, Edward and Mariace Wiley, Stuart Hutchins, Pace and Greg Ortega, Gary and Susie Montgomery, Sam and Karen Montgomery, Donna and James Malouf, Martha and Doug Slaughter, Jody Woods and Jim Woods.
Great grandchildren present: Shane Boring, Iulie and Wade Hampton, De Pesley Hutchins, Christy Ortega, Pesley Michael and Mark Montgomery, Amanda and Jeremy Montgomery, James David, Mark, Anessa, Katherine, and Micheal Malouf and John Russell Staughler.
Others present were: Mr. K.A. Catto Sr. and K.A. Catto Jr., Duncan Okla.; Ann Strow, Austin; Julia Johnson, Amarillo. Those traveling furthest were Dr. and Mrs. James Malouf and family, Pogau, Utah; Marilyn Wiley Saddy and daughter Gale of New York City.

SPECIAL ANNOUNCEMENT

The Spirit of the Lord is upon me because He has anointed me to announce to this community that the poor can be wealthy. You that are brokenhearted and sick can be healed TODAY. You that are bound by any type of bondage (whether it is a bad habit, mental oppression, depression, financial bondage, or whatever) can have deliverance TODAY. If you are blind, you can see TODAY. If you are beat down and bruised by the troubles of life, you can have liberation from it TODAY. This is the day of miracles. Today is the day when God wants to do something supernatural for you.

Redemption has come. Jesus died and arose for your benefit. You have been reconciled to God if you believe and obey Him. There is total victory for you. There is total health for you. There is prosperity for you. God has the cure to any problem in your marriage TODAY. You don't have to be discouraged if you don't

have a job or if you need a better one. God has the perfect one for you and it is NOW available if you will start looking to Him instead of yourself to get it.
The Word of God works for those of us who believe it and act like it is true. As long as you read it for inspiration and not for marching orders, you won't be any different than anybody else in the world who doesn't have a covenant with God. But the supernatural realm of the miraculous is here for those who want it.
For more information, call me. God has given us a whole book of information on how to live abundantly. I know how a lot of it works. I would be very happy to share the principles of the kingdom of God with you that will produce success, happiness, victory, health, peace, and prosperity if you want to know more. God loves you, and so do I.

Effective Tax Rate

I, Jean DeArment tax assessor-collector for Wheeler County, in accordance with the provisions of Article 7244c, Sec. 1, VTCS, have calculated the tax rate which may

not be exceeded by more than three percent by the Commissioner's Court of Wheeler County without holding a public hearing as required by Art. 7244c, Sec. 2, VTCS. That rate is as follows:*

\$ 0476 per \$100 for farm to market/flood control tax rate;
\$ 09651 per \$100 for the general fund, permanent improvement fund, jury fund, and road and bridge fund tax rate;

\$ 00 per \$100 for public road maintenance tax rate; thus
\$ 00 per \$100 total county tax rate
