

Hogs Go High Society in Exclusive 'Club' Here

They Never Had it so Good; It's Truly Hog Heaven!

Hogs -- those stubborn, mud-wallowing, greedy animals that lived in the social gutter -- to speak and apparently didn't mind the stench and their low social level -- well, they've moved out of their old neighborhood.

They've taken a bath and climbed into the parlor where they are not respectable citizens of the animal world -- and without B. O., too! It seems that it now develops

that hogs never did particularly care for that gutter life of theirs, but what can a person do about his status is the only language he knows is "oink!"

And once you get a reputation, it hangs with you. That's the way it has been with the hog. He was reputedly dirt-loving, so he lived in the social and literal cesspool of society. Well, all that has changed. He's discovered Life-Bouv.

Dial or whatever brand it is that you prefer. His toenails are clean and his fur (?) is shiny.

Because the old trite expression about people being in "hog heaven" has been reversed -- at least on the Earnest Ramm farm near West Camp where hogs live in "people" comfort.

These particular, photocratic hogs, have electric heat for winter, lights to keep them from

bumping their shins in the nighttime, and hot and cold running water.

They've got total climate control, heating, cooling, ventilation, circulation and humidity, and that's considerably more than can be said for most people.

(Of course, it might be pointed out, the hogs still have to depend on people to set the

Chamber Broadens Program

Muleshoe Chamber of Commerce, smack in the middle of an intensive drive for members and for increased dues for present members, had an accounting breakfast Friday and discovered 23 new members or firms had been added to the rosters the past week, and seven firms or individuals had doubled their dues as part of the campaign to put \$5000 of "new" money into the tills of the Chamber.

The campaign is being headed by Eddie Faust, business manager of West Plains Hospital. He reported the following new members:

MBG Motors, Inc.; Billy's Superette, Ralph Stevenson, G.

A. Beddingfield, Buford Bates, Jack Obenhaus, Guarantee Abstract, Ted's Quick Stop, F. B. Ruthart, Dallas Kinard, Elbert Hamilton, Garth Sheet Metal, E. L. Magby used cars, Dale Newsom Gin, A & B Plumbing; Also Richard Hills Texaco, Auto Phone Dispatch (James Wallace), George Sultemeier, S. P. Stockard Construction, Muleshoe Machine Welding, Boyd Magby Ditching Service, Walter Enice and Educational Testing and Research (Elma Pruitt).

Firms which have doubled their dues include Johnson-Pool Furniture, Jake Die Dirt & Paving, West Plains Hospital, Muleshoe Motor Co., Muleshoe Drilling Co., The Fashion Shop, and Henry Insurance Co.

At the Friday breakfast it also was reported that Herb Ramage had signed up the greatest number of new members for the period -- seven.

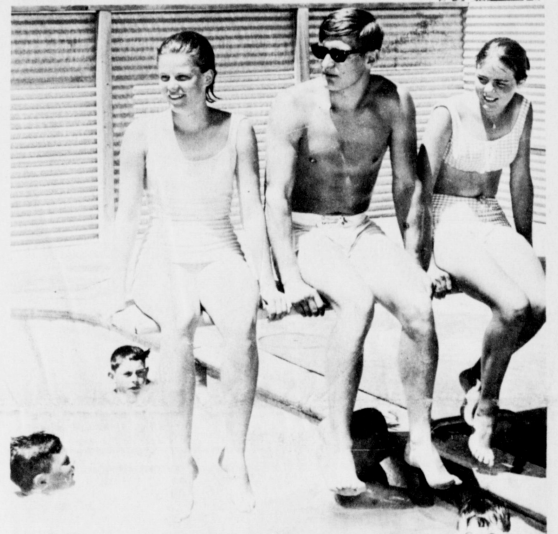

Dr. Charles Lewis, president of the chamber here, said Friday that "three men are being considered now for the chamber manager's job," and he added that a successor for Roy Davis is expected by early July. (Roy Davis resigned last month to accept the manager's job at Kermit.)

Many events are being planned for the summer, fall and winter months, including a sidewalk sales event to be held from 1 until 8 p.m. Friday, July 1. The Big Fourth of July Talent Show also is being speeded along under direction of Kenneth Henry, and the monthly Saturday Jamboree show is far into the planning stage.

Even events as far away as next Christmas are being discussed.

And the annual teachers' appreciation luncheon has tentatively been set for Friday night.

Lifeguard & Friends (he has Many)

Around any swimming pool, the life guard is always a pretty popular guy, such is the case at Muleshoe Country Club where Scott Oliver is surrounded by Teona Bryant and Brenda McKinny as some of the smaller fry (including one deep-sea diver?) swim nearby. (Journal Photo)

2.05-Inch Rain Pelts Muleshoe

Rains that fell on parching soils bolstered crops in the Muleshoe area Friday afternoon and night, downfalls ranging from a half-inch to almost three inches, a check Saturday morning revealed.

Muleshoe got an official fall of 2.05, Weatherman R. J. Klump said.

The rains were accompanied by only a small amount of hail which did little or no damage here.

Winds, too, were mild, but a second rain Friday night had fireworks explosions of lightning.

Lazbodie, for example, got 2.5 inches, Needmore had 2 inches, and

50 Clubs to Send Officers Here for District Confab

Rotary clubs from throughout sprawling district 573 will be in Muleshoe, Tuesday, June 21 for an officers' assembly, according to Robert Alford, president of the local club. Area stretches all the way from the high Panhandle to Big Spring.

Basically, the meeting, which will be an all-day affair, will be for incoming president, secretaries, Rotary information chairmen, classification chairmen and balletin editors, Alford explained.

"The purpose of the meeting," he said, "is to let incoming officers know what their job

will be. The new Rotary year begins July 1. In Muleshoe, Alford will be succeeded by John Crow.

Two of the top officials who are to be here will be Jimmy Whitson, Floydada, outgoing governor of district 573, and Earl L. Wilbur, Dalhart, the incoming district governor.

Aiding here will be Olan Burrows, local publicity chairman; Douglas Haynes, who will be in charge of registration and treasurer; John Crow, head of transportation; Harvey Bass, head greeter; and Vic Benedict,

First Methodist Church here will begin its Bible school June 20 which will continue through the following Friday. Classes will be held from 8 to 11 a.m.

Mr. and Mrs. Gene Chisholm and children are visiting Mrs. Chisholm's parents, the Whit Barbers, here this week. The Chisholms are from Mountainair, N. M. Mrs. Barber was presented a new living room suite by her guests.

Jerry Carpenter from Leveland has been visiting his parents, the Alton Carpenters.

Mr. and Mrs. Alvin Dalton and children from Fort Worth are visiting the B. A. Daltons and the W. B. Bowers here.

Judy Carpenter and Donna White from Temple are visiting the Alton Carpenters here. Judy is a niece of Mrs. Carpenter's.

Mr. and Mrs. Roy Dyer and Rene and Mr. and Mrs. Spud Thomas and family are leaving today for Cambrus Pass in northern New Mexico, for trout fishing.

Texas Tech's coaches have accepted invitations to visit fans in 15 towns this summer, according to Leete Jackson, Red Raider club executive vice-president. They will be in Muleshoe on Wednesday, July 13. The coaches will meet with civic clubs at noon and will play golf during the afternoon. A barbecue is being planned for that evening.

Journals Salute Both Merchants, Customers

This week the merchants of Muleshoe will salute the customers of this trade territory with an assortment of the greatest values ever seen in any shopping center. See the Salute of Values page of this edition of the Journal for details.

Sales receipts and bank deposits show that Muleshoe is soaring ahead as a regional shopping center. Muleshoe has all these assets.

Muleshoe is an industrious community. Our civic leaders are always looking for new industries that will bring gainful employment and additional revenue to our people. Our educators, spiritual leaders, members of the medical and legal professions and progressive farmers have all made outstanding contributions to our community.

Peery is Returned To Pastorate Here

The Rev. J. Frank Peery has been re-assigned to the pastorate of the First Methodist Church, and today will start his sixth year as head of the local church.

Mr. Peery was among Texas Methodist ministers who received assignments at the close of the Northwest Texas Annual Conference in Dallas this past week. All Texas conferences of Methodism held a historic joint conference in Dallas this past week.

A new district superintendent for the Plainview district, which includes Muleshoe, was named. He is the Rev. W. A. Appling, formerly pastor of St. Luke's Methodist Church in Midland, and before going to Midland, he was pastor of Forrest Heights church in Lubbock.

Mr. Appling succeeds the Rev. J. E. Shewbert who goes to Dumas as pastor of First Methodist Church there.

The Rev. A. Neely Motes goes to YL church, succeeding the Rev. T. G. Craft who is retired. Hereford has a new minister, the Rev. Clifford Trotter succeeding the Rev. Herbert Thurston who goes to Floydada First Church.

Plainview district appointments included: Superintendent, W. A. Appling, Bovina, J. B. Fowler, Jr., Cotton Center, Carl P. McMaster; Dimmitt, H. Weldon McCormick; Earth, Albert F. Lindley; Floydada, Herschel L. Thurston; Assoc., Ralph Buenger Dickson; Hale Center, Rex L. Mauldin; Highway, J. (Continued to Page 6)

DIED--Carl Neely, 63, chief of police here for five years, died in Green Memorial Hospital at 9:15 Saturday morning after an illness of several months. He had returned to the hospital Friday night. Survivors include his widow, Mildred Neely, and several brothers and sisters. Funeral arrangements will be announced by Singleton Funeral Home.

next morning. "All reported a most enjoyable time," the school reporter wrote.

There were five first division medals given to students. Seven got second division ratings, three third divisions and two fourth divisions.

Highest award was taken by Ellen English who won first in flute and received a medalion, the first ever awarded a Muleshoe student.

To participate, contestants had to have at least a first division in district UIL contest held earlier in Lubbock. Those participants, it was explained, "are the cream of the crop and are judged accordingly," according to Marsha Blackman, reporter for the organization.

The group left at 6 a. m. Sunday, June 5 and arrived in Austin at 6 p. m. after a lunch stop in San Angelo. They returned June 7, arriving here at 6 a. m. the

Kathy Moore, Leasel Richardson Exchange Vows

Miss Kathy Venita Moore, daughter of Mr. and Mrs. C. Ed Moore, Muleshoe, became the bride of Leasel Allen Richardson, son of Mr. and Mrs. S. Frank Richardson, San Angelo, in double-ring ceremonies in the First Methodist Church at 7:30 p.m. Saturday.

The bride, given in marriage by her father, was attired in a formal peau de soie princess A-line with a chapel length train and featured a fitted bodice of chantilly lace accented with pearls. A queen's crown of pearls and crystals held a tiered veil of silk illusion. The bride carried a cascade of stephanotis centered with two blue phalaenopsis orchids in front of a Spanish lace fan carried on a white Bible belonging to Mrs. Lela Breckenridge.

Val and Lana Moore, sisters of the bride, were maids of honor. They wore formal princess A-line gowns of blue crystalline peau de soie, with trumpet sleeves of sheer printed silk. They carried white lace fans adorned with flowers and ribbon streamers.

Bridesmaids were Susan Birdsong, Linda Wells and Mrs. Lela Breckenridge, sister of the groom, all from Muleshoe and James Glenn from Amarillo. They wore formal A-line gowns of blue crystalline peau de soie with trumpet sleeves of sheer silk. They carried white lace fans with flowers and ribbon streamers.

Flower girl was Becky Ballard, cousin of the groom from San Angelo. She was escorted by Dickie Hanks, cousin of the bride, from Muleshoe. She wore a formal A-line gown of blue eyelet embroidery.

Daveilyn McGill, cousin of the groom from Alpine served as candlelighter.

Ringbearers were Billy Lynn Ballard, cousin of the groom from San Angelo, and Bret Hanks, cousin of the bride, from Muleshoe. Don Richardson, brother of the groom from Colorado City, served as best man. Groomsman were Bob Breckenridge, brother-in-

law of the groom from Muleshoe; Jerry Sanders, from Austin; Tommy Atkins, Bartlesville, Okla. and Bill Bradley, Big Springs.

Ushers were Gary Edwards and Terry Hutton from Muleshoe and Jerry Harris, Austin and Henry Janel from Pecos.

Preceding the ceremony, wedding selections were played by the organ by Charles Lawrie, professor in the Music Department at Texas Tech at Lubbock. The wedding processional and the recessional were presented by a trumpet choir composed of Gerald Grant, Gary Laramore, Richard Bales, Canyon; Gene O'Rear, Amarillo; Dennis Burrows and Tommy Jones from Muleshoe. The solo "How Do I Love Thee" was rendered by Dwayne Hood, choral instructor of Littlefield High School. Hood also directed the choir in the singing of "Almighty God of Our Fathers."

A reception followed the ceremony in the Fellowship Hall of the First Methodist Church.

In the houseparty were Carol Jo Owens, Friona; Judy Green, Graham; Mrs. Sandra Blackwood, Lubbock; Beverly Blaine, Plainview; Harriet McCall, Borger; Mickie Morris, Fort Worth; and Joyce Adams, Mrs. Sue Bessire and Gary Hanks from Muleshoe.

Following a wedding trip to Corpus Christi, the couple will be at home at 305 W. 20th.

For traveling, the bride chose a blue two-piece linen suit with white accessories.

The bride is a 1964 graduate of Muleshoe High School and is now a junior at West Texas State University. The groom is a graduate of San Angelo Central High School. He received his applied arts degree from San Angelo Junior College and his B.M. degree from Texas Technological College in 1964. He is presently teaching his third year in Muleshoe High School as choir director. He is also the director of music and youth work at the First Methodist Church here.

R. J. Klump
... honored for 50 years in Eastern Star

Mr. and Mrs. R. J. Klump Honored for Service in OES

Judge R. J. Klump was presented with a fifty-year pin and certificate Tuesday evening in the Masonic Hall here by the Worthy Patron of Muleshoe Order of the Eastern Star, Tom Smith, Mrs. Klump, who was unable to attend, was also honored.

Klump was initiated into the Eastern Star in 1914 and became Muleshoe's first Worthy Patron in 1926. He has been Worthy Patron of Muleshoe Chapter 20 different times. Mrs. Klump was Worthy Matron in 1933 in Muleshoe Chapter. A brief program was given in honor of Mr. and Mrs. Klump preceding the presentation. Also a certificate was presented from the Grand Chap-

ter of Texas OES by Muleshoe's secretary, Hazel Nowell.

Mr. and Mrs. Klump moved to Muleshoe in 1920 from the West Camp community and became County Judge in Muleshoe where he served for four years. He became the official weather man in Muleshoe in 1922.

His cheerful voice is heard by the Journal's editor each press day as he relays the high and low temperatures for the week over the telephone. Mr. and Mrs. Klump live at 512 W. 1st where they have made their home for several years.

TEXACO points out: Wages and purchases generated by the average Texas service station provides a cash flow of about \$35,000 a year into the station's community economy.

O. D. Bridges of Dallas, chairman of the association highway policy committee, said Texas has about 15,000 service stations. The average station pays out some \$15,000 a year in wages and spends approximately \$20,000 annually for materials and services purchased locally, he added.

Local communities also benefit because of the substantial investments stations represent, Bridges said. Cost of buildings and opening a modern station ranges generally from \$40,000 to \$150,000, he added.

 who will be in charge of decorations.
 Registration will begin at 9:30 with the incoming president's message opening the session at 9:45. He will speak on "Our Purpose Today." He will be followed at 10 o'clock by talks by three club presidents: Jack Rodgers, Odessa, who talks on "Work With Your Club Board of Directors;" Floyd Honey, president of the Lubbock club, "How to Motivate Club Committees;" and Marvin Brakebill, president of the Falls club

on the subject, "Making Best Use of the Club Assembly."
 Jerry Ratliff, past district governor, will speak on "How to Help in Club Growth;" R. G. Mills, district governor elect, "Needed Rotary Information;" and Jack Sherrod, past president of the Levelland club, on the subject "Ways to a Better Club Bulletin."
 At the luncheon, incoming governor, Earl Wilbur, will speak on the subject, "Putting the Rotary International President's Program to Work."
 Afternoon will be largely a sectionalized period when various groups will hold round

table discussions. At president's group meeting, for instance, leaders will be Morris Higley, Childress, past district governor, Rigdon Edwards, past district governor, Sweetwater, and Burnet Roberts, past district governor, Levelland. Each will have a different topic.
 Speakers at the secretaries' buzz session will be Rex Webster, past district governor, Lubbock; and for Classification, leaders will be Floyd Golden, past district governor, Amarillo, and Jerry Ratliff, R. G. Mills, district governor nominee, Amarillo, will

head the group on Rotary information, and Jack Sherrod, past president of the Lubbock club, will head the club bulletin editors' division.
 A 3 o'clock coffee break is slated, and the meeting will conclude at 4 p.m. after a general discussion of facts brought out at the roundtable discussions, Alford said.

(They were scheduled for Wednesday, Aug. 24 in the high school cafeteria. This event has been co-ordinated by the Muleshoe Chamber of Commerce with the three men's service organizations - Rotary, Lions and Jaycees -- who pick up the tab for the luncheon. The three organizations again this year have been requested to support the event which has become a tradition for the last several years.
 This year's teachers' appreciation program, however, will be enlarged under the chamber's program to include three other area school staffs -- Larzbeddie, Bula and Straff Way.

So far, only one of the three dates has been set; Bula's event has been slated for Tuesday, Aug. 30 at 7:30 p.m. in the Bula cafeteria.
 Olan Burrows, chairman of the Saturday night jamborees, said the shows for the next three months will be held in the senior high cafeteria since that room is air conditioned while the high school auditorium is not.
 He said a splendid program is being lined up by Doyle Trapp, chairman of that division of the Saturday night programs, and the next event will be held at 8 p.m. Saturday, June 18. Chairs will be provided instead of tables for the event and admission will continue at \$1 for adults and 50 cents for students.
 Harvey Bass is general chairman of the merchants' committee, and the Saturday jamborees are a part of his committee's "Go-Go" activities.

Never so Good...

(Continued from Page 1)

(thermostats.) Willie Wirehand, the rural electric servant, takes over from there, turning fans on and off, opening and closing shutters and starting the water fogging system when required. And (get this) automatic dispensing of deodorants is a part of the new living world of Mr. and Mrs. Hog when desired!
 Feeding also is taken care of by the electric servant - watering and clean-up chores, too. Through a system of time clocks, limit switches and other automatic control devices, grain moved from flat storage to overhead bins, gravitates down on the mill and the mixer - just as that!

The complete ration is then augered to a hopper in the housing where it is distributed to the individual pens by a revolving augur system that drives itself along a rail around the perimeter of the building. (Right off can you think of any genus homos who have it so good?)
 Slatted metal floor over a water filled concrete pit provides maximum sanitation for Mr. and Mrs. Hog and even the little hogs.
 This also provides another source of highly valuable liquid fertilizer when it is agitated and drained into a spreader for application to the land.
 Forty-six double-deck pens will accommodate 46 sows with litters. And that runs to 460 feeder shoats to market weight the hog families living within the confines of this 48-foot circular community.
 Ramm is beginning his operation with three-way crossbred sows. For those who would like to know the bloodline mixtures, they are half-Yorkshires, one-fourth Hampshires and one-fourth Duroc, bred for S.P.F. Pig Productions.
 With two farrowings a year, he has a potential of producing 900 head of "tops" annually and that is a lot of bacon - not production sausage, ham and porkchops!
 He says electric automation is the key to the entire operation. Offsetting the cost and almost eliminating all the labor allows Ramm to add this project to his farming operation without hiring any extra help. However, he does have the expert assistance of his 5-year-old son, Clayton, and Clayton's son, John.

Chamber Offers 17-Acre Tract

Muleshoe Chamber of Commerce is offering 17.4 acres of land for sale, a tract which was bought several years ago for possible future development.
 The board voted recently to advertise the land available "for a reasonable length of time after which the plot will be sold to the highest bidder."
 The tract has an eight-inch natural gas main running across the property and both primary and secondary electric distribution lines along one side. Two county roads merge at the site which is just across the railroad tracks from Highway 84.
 Persons interested were asked to contact the chamber or to call Jimmy Crawford, chamber treasurer, and bids will be accepted. Crawford can be contacted at P. O. Box 525 or Phone 272-4571.

Mrs. Damron's Services Held

Funeral services were conducted in the Avenue Baptist Church in Hereford Friday for Mrs. Claude Damron, 47, who died in the Deaf Smith Hospital at 2 p.m. Wednesday.

Survivors in the area are a sister, Mrs. E. B. Wilson of Circleback and a sister-in-law, Mrs. Richard Thompson of Muleshoe. Other survivors include her husband, three daughters; a mother, six sisters and 2 brothers.

Services were under the direction of Gilliland Funeral Home in Hereford.

Sanders Home From Vietnam

Navy Lieutenant (junior grade) Robert L. Sanders, son of Mr. and Mrs. Robert P. Sanders of 515 W. Fifth St., Muleshoe has returned from Vietnam waters to San Diego, Calif., aboard the attack aircraft carrier USS Ticonderoga, ending seven months of combat operations as a unit of the seventh fleet in the South China Sea.

While on station off the coast of Vietnam, attack aircraft from his ship flew over 10000 combat missions in 115 days. The 22-year-old 42000-ton carrier emerged from yard overhaul in San Francisco prior to deploying to the Western Pacific to support American and South Vietnamese ground forces, and launch strike sorties against selected targets in North Vietnam.

Patterson Bean Seed Available

HALFWAY-A number of calls have been received at the High Plains Research Foundation inquiring about the availability of Foundation seed of the new PATTERSON soybean. When asked about the supply of seed, Al Schrandt, Business Manager, said, "The Foundation seed are still available at the Foundation's research farm at Halfway. Many farmers are raising the PATTERSON soybean for registration and certification in 1966." Foundation seed were released for the first time this year.

Dr. Earl Collister, Executive Vice-President of the Foundation, said in response to inquiry, "The new short season PATTERSON soybean matures in about 105 days under normal growing conditions. It was developed especially for the farmer who might have the misfortune to lose a cotton crop through adverse weather conditions when too late to replant. The new PATTERSON soybean is also being planted this year following wheat. The PATTERSON variety can be harvested in time to permit the planting of winter wheat this fall. Many farmers are planning to use this system of double cropping this year."

More information about the PATTERSON soybean variety can be obtained from the High Plains Research Foundation, P. O. Drawer 1870, Plainview, Texas.

Two Muleshoe Students at LCC

Two Muleshoe students have enrolled for the first session of summer school at Lubbock Christian College. Cieta Cornelison, daughter of Mr. and Mrs. Elmer Cornelison, 1521 W. Avenue B is a 1966 graduate of Muleshoe High School. There she participated in Future Homemakers of America, Library Club and Spirit Club. She is a secretarial science major.

Grady Cassy, son of Mr. and Mrs. J. W. Casey, Route 1,

is a pre-dental major. He is a 1965 Muleshoe graduate, where he was sophomore favorite and played football and basketball.

LCC was founded in 1957. It offers degrees in 12 different fields leading to a bachelor's degree. In addition, it has special terminal courses in technical-vocational and secretarial science.

A record of 224 students enrolled for this session, breaking the old mark of 190 set last year. Final exams are slated for July 8.

4-H News

The 4-H groups, the Busy B I's and the Busy Beavers toured each of the members bedrooms to see what improvements had been made through Unit 1 in bedroom improvement. Most of the members had several improvements, such as bookshelves, drawer dividers, and wastebaskets. They also re-arranged their closets and had made pillows from washcloths.

The bedrooms that were toured are Barbara Wilhite, Tani Murrach, Sandra Mardis, Andrea

Hicks, Kathy Pena, Marilyn Black, Nancy, Alta and Ruth Ramm. The tour was concluded at the Clarence Mason home where refreshments of punch and cookies were served to all. Those attending the tour were Mrs. Benny Pena and Kathy, Mrs. Ernest Ramm, Ruth, Alta and Nancy, Mrs. Cecil Mardis, Rhonda and Sandra, Mrs. Clarence Mason and Linda, Mrs. Eugene Black and Marilyn, Mrs. Gordon Murrach, Mrs. Jack Hicks and Andrea, Mrs. J. E. Wilhite and Barbara, Jean Martin Home Demonstration Agent and a visitor, Mrs. Irvin Bever from Canyon.

Mr. and Mrs. T. W. Berry owners of Berry Electric Co., "Tom and Ona" as most people know them, and son Robert Allen are the three who greet you at Berry Electric each day. They started business in Sept. 1944 -- and have been at the present address, 104 East Ave. B., since Jan. 1, 1945.

Allen has worked for the firm for about four years. They do electrical contracting, house wiring and repairs, irrigation motor repairs. Also small mo-

tor repairs. All small appliance repairs such as irons, toasters, coffee pots, fry pans, roasters; also refrigerator and freezer repair. Day time call 272-3375, night call residence, 272-3035.

They handle electrical wiring - material for sale, lighting fixtures for the home, light bulbs of all kinds. If you need a special bulb you can nearly always find it at Berry Electric.

Mrs. Berry is "Handy Man" around the place and does the

bookkeeping, sales woman and also a lot of the small appliance repairs while the men are out on the outside work. Most of the people in the Muleshoe and Bailey Co. area know Tom as he was the first linesman for R. E. A. in 1939 through July 1942.

Allen and his wife Barbara, have two sons, Bob and Jimmie. Another of the Berry's sons, Glen, lives with his wife, Pat, and son Larry, in Dallas.

Sheep Sheared, Sent to Lambing Grounds

ELKO, Nev. (AP) - Spring is harvest time for Nevada wool growers, as shearing crews clip the heavy winter coats from the sheep and bundle the wool off to market.

The market is expected to be strong this year, with increased demand for textiles because of the war in Viet Nam. Elko area ranchers expect to receive about 57 cents a pound for a good quality fleece of about 16 pounds. Recently a crew of 24 shearers, clipped the fleeces of an estimated 12,000 sheep on the ranch of John Carpenter, near

Elko. The job took four days. Back in the days of hand clippers, a shearer could trim, at best, about 30 sheep a day. Nowadays, an experienced shearer, using automatic clippers, can handle as many as 150 sheep a day.

The wool is stamped into 300-pound bags and loaded onto trucks for the trip to the nearest railroad shipping point. Buyers visit the shearing camps to check the wool for fineness, length of fibers and weight of the fleeces.

After the sheep are clipped,

they receive a painted brand - on Carpenter's ranch, it is the Diamond Three - or an ear clip for identification, and then are sent on to the lambing grounds. After the lambs are born, the sheep are herded into the summer ranges, often on high elevation forest service land.

Ranchers pay \$5 to 65 cents per sheep to have the shearing done. Of this, the shearer earns about 30 cents. Each shearer has his own clipper, with a handy supply of fresh cutting blades to prevent any interruption in work.

3 Adult Courses To Start June 20 At Clovis High

Three adult education (non-credit) courses are scheduled to begin the week starting Monday, June 20. The courses are modeling, sewing, and typing.

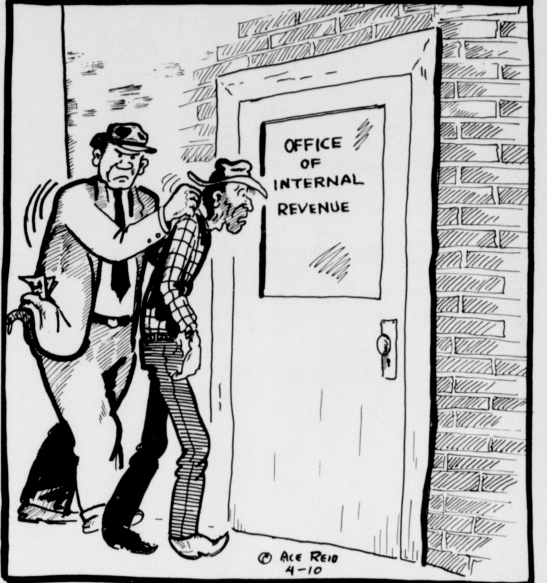

The modeling course will meet Monday through Friday from 8:30 to 10:30 a. m. in the Clovis High School Economics Building. This course, which will be taught by Mrs. Arvilla Haberler, will stress grooming, social graces, poise, skin care, hair styling, and make-up. It is open to girls and women of all ages and the course fee will be \$25.

Mrs. Susan Wright of the CHS faculty will instruct the sewing course, which will meet from 7-9 p. m., Tuesday and Thursday evenings for six weeks. This will be a basic clothing construction course with attention given on principles of design, color, line, selection, pattern, and care of equipment. The fee will be approximately \$15.

The typing course also will meet on Tuesdays and Thursdays (7-9 p. m.), with an approximate fee of \$15. This course is scheduled for six weeks. Further information on any of these courses may be obtained by contacting Charlie Speice at the Clovis Community College office.

COTTON TALKS

FROM PLAIN'S COTTON GROWERS, INC.

A meeting on the Cotton Research and Promotion Act, H.R. 12322, was held in Lubbock, Thursday at the KoKo Palace, beginning at 12 noon. Lunch was served, courtesy of the National Cotton Council and all cotton producers and interested businessmen in the area were invited.

H. R. 12322 is the act now being considered in Congress which would provide for a referendum of producers to produce a uniform collection of \$1 per bale on all U. S. cotton. Producers not wishing to participate would retain the right to request and receive a refund of the assessment.

Funds would be used to mount a greatly expanded research and promotion program for cotton in an attempt to reverse the trend of cotton's declining sales in the fiber market.

Disposition of the funds collected would be in the hands of a Cotton Board appointed by the Secretary of Agriculture from a list of nominees submitted by approved state and regional cotton producer organizations across the belt.

The actual projects undertaken in the program decided on and contracted for by a beltwide cotton producer organization governed by producer delegates chosen in much the same manner as CPI trustees are selected.

The program for the meeting will be presented by Clifton Kirkpatrick, director of field service for the NCC, Memphis, and Earl Younts, NCC district field man, Lubbock. Also attending from the Memphis NCC office will be Emmett Robinson, assistant director of public relations.

Instrumental in calling the Lubbock meeting were Ray Forkner, Lubbock, chairman of the Cotton Producers Institute Steering committee on the High Plains, and Howard Alford, also of Lubbock, member of the CPI board of trustees.

According to the letter of invitation sent to cotton leaders throughout the High Plains area the theme of the program will revolve around four questions:

- 1. Does cotton need additional research and promotion and if so, how much?
- 2. Does research and promotion pay dividends for cotton?
- 3. Can farmers themselves operate and administer the Research and Promotion act effectively?
- 4. What is the next step?

is down about 2 million bales this season, about 10 percent under average production for the past five years. And the FAS report predicts "reduced exports of raw cotton for Brazil over the next several years, as the nation's growing textile industry steps up consumption of this fiber and Brazilian farmers switch over to more lucrative crops."

Since Brazilian cotton competes with U. S. cotton in nearly all foreign markets-principally West Germany, the Netherlands, Japan and Hong Kong-this is good news.

The report states that while other factors are also influencing, reduced cotton prices in world markets have definitely influenced the outlook for lower production in Brazil.

And the same is true of Columbia, where farmers are expressing considerable pessimism about the outlook for any expansion of cotton production. Here the cotton crop has been smaller than the preceding season for the past three consecutive years.

This decline in production is expected to increase the necessity for cotton imports in Columbia to supply its growing textile industry.

SUNDAY 'SABOTAGE' - THE VALLEY FORGE, Pa. (AP) - According to a report received from Moscow by the American Baptist headquarters here, two Russian Baptist women, Maria Braun and Jelena Tschernozka, have been sentenced to five-year imprisonment for operating a Sunday school in which young people were "mentally corrupted."
