In the bookmark competition, Mique Snelgrooves won 1st place; Will Snelgrooves took second prize and Todd Baize won third. Each received two books apiece.
Mique and Will's bookmarks will be given away at the Tri-state Fair in Amarillo and the Wheeler Public Library will also have bookmarks on hand to distribute to the public later this fall.
As a finale to the reading program, we will sponsor a swimming party and a weiner roast for all those that participated and helped on Wednesday night.
I would personally like to thank everyone that helped with the program this year.

GAGEBY CHURCH DEDICATION SERVICE, HOMECOMING

Dedication Service and Homecoming was held at the Gageby Church, July 11, 1982. Rev. Sanford Cole, Canadian, and Rev. L.V. Grace Pampa, brought messages in the morning worship service. Sanford Cole was pastor at the Gageby Baptist Church for twenty-seven years. L.V. Grace served as pastor of the Methodist Church for eight years.
A basket lunch was served at the church. The special Dedication Service was held at 2:00 p.m. with Gayle Singleton leading the singing. Gene Signs gave the welcome and introduced Claude Barker, who served as emcee for the program.

Rev. Allen Hale, pastor, brought the dedication message.
Special songs were sung by the children of the church, Trio (Tola Fay, Martha, and Evelyn Meek), Gayle Singleton, Claudy and Ina Mae Brotherton, Duet (Rita Fillingim and Evelyn Meek), and Bill and Bobby Hobdy. A poem was read by Willa Fillingim. Special guests were recognized and given opportunity to talk. The history of the church was given by Claude Barker.

In the summer of 1910 a Sunday School was organized in a school house known as Ayers Dist. No. 10. The one-roomed school house was located about one and one half miles from the present location. The name was changed to Gageby No. 10 in 1914.

On July 8, 1920, two acres of land was deeded to the district by the late C.G. Barker and the school house was moved to this location.

On March 8, 1932, the county board of trustees of Wheeler and Hemphill Counties deeded this to the trustees and their successors, of the three churches, namely, Pete Mayfield, Methodist, H.C. Fields, Baptist, and C.G. Barker, Presbyterian.

In 1912 the Gageby Methodist Church was organized. In 1925 the Gageby Baptist Church was organized.

The old school house was torn down in 1937 and a new church building was erected on the same location. The present remodeling of the Church began in the Fall of 1982.

Visitors attending were: Mr. and Mrs. Claude Barker, Amarillo; Karen Hays, Amarillo; Doris Morehead McCullough, Amarillo; Mr. and Mrs. Murry Vise, Tulsa; Mrs. Ruby Vise, Happy; Mrs. Agnes Meyer, Friona; L.T. Johnson, Muleshoe; Rev. and Mrs. L.V. Grace, Pampa; Sandra Meek, Canyon; Rev. and Mrs. Sanford Cole, Canadian; Mr. and Mrs. Lafoy Vise, Canadian; Mr. and Mrs. Sid McCraw, Canadian; Mr. and Mrs. Bill Hobdy, Canadian; Mr. and Mrs. Bryan Eckles, Canadian; Ruth Weatherford, Canadian; Mr. and Mrs. Gayle Singleton, Andy, Randy, Rodina, and Michele, Kelton; Mr. and Mrs. Horace Fillingim, Allison; Bonnie Maddox, Bridget and Bonnie Christine, Elk City; Mr. and Mrs. Grady Dodd, Mobeetie, Tex.; Mr. and Mrs. Jack Finsterwald and Randy, Mobeetie; Jona Stages, Samnorwood; Mr. and Mrs. Claudy Brotherton, Wheeler; Jewel Holloman, Wheeler; Frances Hefley, Wheeler; Fannie Mae Bradstreet, Wheeler; Mr. and Mrs. C.B. Brotherton, Wheeler; Florence George, Wheeler; Mr. and Mrs. Leon Fillingim, Wheeler; Sybil Nelson, Wheeler; Susan Hall and Sheri and Debi, McLean; Jean Holloman Pollack, Baltimore, Maryland; Ruth Irvine, Rich, Stephanie and Sharron, Canadian; Mrs. Linda Sides, Jim, Jamey, and Dale, Twitty; Low Dean Douthit, Briscoe; and Mark and Annette Meek and Kaleb

The Gageby Church would like to express thanks and appreciation to those helping with the remodeling and attending and taking part in the dedication service.
We would like to extend a welcome to anyone who does not have a church home to come worship with us.

Room Reservations

Those desiring additional information on Wheeler Care Center are asked to contact Charles Hix at Parkview Hospital.
A list for both nursing home and personal care patients is being made.

The Architects were hired Monday evening for the \$590,540 addition to Parkview Hospital. In their regular monthly meeting, the Board of Trustees hired BGR Architects Engineers of Lubbock.

Tentative plans call for the renovation of parts of the present building and an addition of a third wing, basement and an addition of x-ray facilities to the east wing of the present structure. An addition of 9,224 square feet will make the present 28 bed facility into a 38 bed facility. The new wing will be constructed at a 45 degree angle between the present wings—this will be built over a full basement which will house the kitchen facilities for the hospital. The x-ray department will be moved to the end of the east wing; it will consist of two x-ray rooms, a viewing room and a waiting area. The present x-ray department will be used for a lab. The present lab will be used for a chapel. A Physical Therapy area will be added in the present kitchen facilities. The nursery and nursery viewing will be moved across the hall to what is presently storage and intensive care.

The renovation and construction will be paid from cash reserves currently on hand and designated for the project.

At the time Parkview Hospital was completed in 1964 the 28-bed hospital offered 4 private rooms: These rooms are rarely available due to the number of patients presently served by Parkview. In 1981 the facility served 1,057 individuals (7,378 patient days, average daily census of 20.2 patients, average length of stay of 7.0 days, average occupancy level of 72 percent). The addition will provide 10 private rooms with full private baths.

The basement will provide patient protection in case of storm. At the present time patients can only be rolled into the halls if a storm alert is

issued. With the completion of the basement, elevator and ramp, it will be possible to move the patients to the basement to wait out the storm. The basement will also house the kitchen.

The south wing will be extended 40 feet for the addition of 4 semi private rooms with connecting baths and two general bathrooms.

Two general baths will be added at the end of the east

wing in addition to the x-ray rooms.

The Certificate of Need has not been obtained from the state for the Parkview project. The Panhandle Health Service Area gave their approval at a meeting Thursday, July 8. The final word from the state may be obtained as early as August 11.

Present plans set the starting date for construction in September with completion to be in June of '83.

"FIRECRACKER FASHIONS" IS THEME FOR 4-H DRESS REVUE

The theme for this year's revue was "Firecracker Fashions". The judging began at 1:00 p.m., July 9th in the District Courtroom. The judges were Janice Carter, Gray County Extension Homemakers, and Betty Cochran, Gray County Extension Homemakers.

There were 15 entries in four main categories. Amanda Clay of Shamrock 4-H Club, was the only entry in the Pre 4-H daytime non-tailored division. She received a blue ribbon, 1st place and Best Model in her division. The Junior I daytime non-tailored had 10 entries. They were Lynette Snider, Shamrock 4-H Club, Laurie Vinyard, Shamrock 4-H Club, Shannon Clay, Shamrock 4-H Club, Kristi Finsterwald, Wheeler 4-H Club, Shelly McCasland, Wheeler 4-H Club and Elissa McGaughey, Wheeler 4-H Club, Marcie Miles, Wheeler 4-H Club, Angela Atherton, Wheeler 4-H Club, Shelly McCasland, Wheeler 4-H Club and Elissa McGaughey as Best Model. All the entrants won blue ribbons. Kristi Finsterwald will go on to District competition in Amarillo.

Each of these girls worked hard and long on their clothing project for several weeks. They each should be commended for their work.

The leaders assisting and directing these girls are from Shamrock, Mrs. Sandra Morgan, Mrs. Donetta Werhan, Mrs. June Clay and from Wheeler Mrs. Judy Woollard, Mrs. Laura Underwood and Mrs. Debbie Finsterwald. The first place gifts were donated by the Wheeler County Extension Homemakers Council, Special Awards were donated by the Wheeler County Commissioners Court, the tea was by the Wheeler County Extension Homemakers Council and the decorations were by the Wheeler Extension Homemakers Club. A special thanks to Linda Daughtry and Lynette Gaines for their hard work in making this a great success.

CHEERLEADERS: Pictured are the Kelton, Texas High School cheerleaders who recently attended the cheerleading camp held at Southwestern State University in Weather-

ford. The World Cheerleading Council sponsored the four-day camp. Front Row (l-r): Kerri Clemens, Teresa Moore, and Denise Green. Back Row: Lacy Buckingham.

Here & There

This is fishing time of the year, and no doubt the fishing tales are doing rapid fire. But there is one that I found somewhere and think you might consider:
A fellow from Texas was in Northern California when he hooked something he couldn't budge. The fisherman's guide took off his clothes and dived in. He followed the line to where a car rested on the bottom. Inside was a mammoth sturgeon that had been hooked by the Texans tackle. Every time the guide tried to shoulder the sturgeon out, the fish would roll up the window. It also reported that the guide was mumbling something about the car radio being turned on.

Mrs. Laveta Burks, who lives near Sherman is visiting her sister, Patsy Smith and her family. Laveta, a number of years ago, was my neighbor. She called me on the phone yesterday and we had quite a visit. I got a report on the family who grew up here in Wheeler. Laveta herself is doing fine. She lives in the suburbs, and works part time. Her daughter, Joyce, lives in Louisiana, but still only about 200 miles distance from her mother. Linda lives near by. She is a grandmother, which gives Laveta the dignity of being great grandmother. Kenneth lives in Richardson, Texas, and has been working over seventeen years for Collier's Radio which has an International connection. Don, that I seem to remember best,

Sweetwater News

Mrs. Joe Flowers
Like the rest of the Americans, we did the Fourth up in red, white and blue. The Sweetwater-Meridian Homecoming was on Saturday night with some 150 from 10 states present.

The class of '32 was honored. Ten of the graduates were present. Foy Hill, Bury Jenkins Lewis, Doris Blevins Price, Burrell Coffey, Inez Henson Pegran, Juanita Garrett Godwin, Lila Miller Taylor, Floyd Webb, and Christina Morrow Hutchens.

Back in those days, Foy was already writing with a doctor's script. We kids always teased him and said the teachers gave him the benefit of the doubt on tests because they couldn't read his writing.

Foy says that wasn't the way it was. Mr. Curnutt called him in and said he didn't know if he should pass. Foy told him that was just fine. He like school and would be glad to stay another year. Mr. Curnutt took a deep breath and said, "You're passed, boy. Get out there and start marching with the seniors."

Joe and Johnny Reed presented a few numbers of fiddling. Johnny went to Mt. Zion in 1916 before it became a part of Meridian. Newt Goodwin said his dad bought the Mt. Zion schoolhouse and moved it to their farm. Mary Miller Fulton went to school at Meridian in 1922.

There were former teachers present, Alta Haag, Doris Price, Pauline Roberts, Eileen Logan, Mrs. Willie Etta McConkle, Mr. and Mrs. Cecil Lewis. Gladys Lewis received

a prize for teaching the longest and Doris Price for coming farthest.

Student who came the farthest was Louise Fizzano of Woodland, PA. Door prizes were drawn by Orville Matlock and Eleanor Mearns. Wayford Smith gave the invocation, Eileen Logan led the group in singing God Bless America. Clarence Blevins read the '81 minutes and financial report and recognized the classes by year.

Nominating committee appointed was Carl Hill and Wilbur Bryan. Decorating committee-Eileen Logan and Janie Bruner, refreshment Committee-Maxine Williams, Lucy Ward, and Lucille Hardy. Next meeting will be the Saturday before the 4th of July.

Those attending were Wanda Fouier and Barbara from McLean. Eleanor Mearns, Mr. and Mrs. Melvin Clancy, and Mr. and Mrs. Wayford Smith of Shamrock. Newt Goodwin, Carolyn Ross and son from Plainview, Juanita Godwin, Fullerton, CA. Jaunell Estes, Santa Marco, CA., Mr. and Mrs. Nelson Knox, Oakdale, CA. Mr. and Mrs. Hugh Curnutt Jr. Sacramento, CA. Frankie Posey, Leon Whipkey, and Janie Bruner from Erick. Velma Thompson, Stephenville, TX., Mr. and Mrs. James Farris, Leonard, Mr. and Mrs. Johnny Reed, Wheeler, Mr. and Mrs. Gilbert Hampton, Mr. and Mrs. Holbrook, Pampa, Mr. and Mrs. Gene Kirkendall, San Antonio, Evia Aderholt, Borger, Mr. and Mrs. Rex Miller, Allison, Mr. and Mrs. Fred Hutchens, Canyon, Mr. and Mrs. Dale Matlock, Laquents and Yvonne Meadows, Mr. and Mrs. Tom Matlock, Mr. and Mrs. Ed Lewis, Amarillo.

From Sayre, Lucille Hardy, Lucy Ward, Okemah Neal, Maxine Williams, Mr. and Mrs. Howard Fuchs, Dora Jean Woods, Imogene Burden, Mr. and Mrs. Al Hildebrand and Steven, Mr. and Mrs. Foy Hill, Ed Nation.

Rossie May Trent, Willie McConkley, Cieta Coffey, Annette Wingfield, Jan and Dawn from Elk. Mr. and Mrs. Lester Davis, Lila Taylor from Reydon, Orville Coffey, Blair, J.M. Gamble, Texola, Lola Fleming from Hinton.

Mr. and Mrs. John Frank Haag, Midwest City, Mr. and Mrs. Delton Maloy, Mr. and Mrs. Richard Constien, Arthur Mandrell, Inez Pegram, Mr. and Mrs. Floyd Webb, Darlet Thompson, all of OKC. Lavelle Davis of Cache.

Mr. and Mrs. Leroy White, Bentonville, Ark. Mr. and Mrs. John Fizzano, Woodland, PA, Billy Hayes, Sarasota, Fla. Tunis Morrow, Ft. Walton Beach, Fla. Mary Lester, Aurora, Colo., Mr. and Mrs. Cecil Fulton, Mrs. Alvin Forrest, Portales, NM, Mr. and Mrs. Layne Smith, Aztec, NM, Madge Austin, Carlsbad, NM, Florene Bowen, Mulvane, LA. Mr. and Mrs. Clarence Blevins, Shirley Anderson, Mr. and Mrs. Joe Flowers, Mr. and Mrs. Cecil Lewis, Mr. and Mrs. Orville Matlock, Mr. and Mrs. Sam Davis, Mr. and Mrs. Carl Hill, Mr. and Mrs. Wilbur Bryan, Mr. and Mrs. Gene Haag, Mr. and Mrs. Ed Logan, Mr. and Mrs. Royce Roberts, Greg, and Janet Henson and children.

Gregg was the hard working president who kept everything going with the able assistance of a number of other alumni. He appointed the '83 committees in the absence of next year's president, Cynthia Erickson.

The class of '42 had a celebration at the Big Sky in Sayre. Had a wonderful get together. Those attending were John and Louise Jenkins Fizzano of

CARD OF THANKS

We wish to take this opportunity to thank everyone for your cards, prayers and flowers during my recent illness.

Our special thanks to Dr. Mendeola and the nurses at Parkview Hospital, as well as the ambulance crew who made the run to Amarillo.

May God richly bless each of you.

Saw Norma Tipton and sister and kiddoes, Mr. and Mrs. Pat Anderson, and the Albert Hixes out looking for bargains.

Visiting the Gene Haags last weekend were Mr. and Mrs. Johnny Haag, Midwest City, Mary Lester, Aurora, Colo.,

Mr. and Mrs. Hugh Curnutt Jr. CA., Mr. and Mrs. Carl Haag, Carla and Jerry from Borger. Cousin Carl and family had just returned from a wonderful trip to Brazil on a church sponsored tour.

Mr. and Mrs. Charles Neelley from Vinita spent the weekend with Mr. and Mrs. C.R. Wells.

So many scary movies on TV and the theater. Guess we were just as foolish as people are now. Remember when the kids were small, we took them to see The Thing. When it was over - no kids. Came out and there they set on the sidewalk. Got too scary for them tho they always claimed it was too hot and they had to cool off.

I went out to see the eclipse at 2 a.m. didn't see a thing in the sky but some scattered stars. Decided the moon had already set but Joe said it was going good a 4. Guess I saw it, just didn't know it.

Mr. and Mrs. Edgar Brady of Midwest City attended the Erick Alumni celebration. Came out and visited with his sister and husband Hortense and Herbert Madden.

The Kitchen Band played an hour before the Erick parade. Both received a lot of compliments. Sure had a good parade for a small town, and the K band is always fine. Was a nice article about them in the Democrat. Dana left a zero tho. Said they knew about 70 tunes. Joe has 500 names of tunes in his little black book that he plays thru weekly besides all the hymns and little ditties. The band firmly assures him they can follow anything he can play.

Mr. and Mrs. Gene Kuykendall of San Antonio and Juanita Godwin of Fullerton, CA have been visiting Blanche and Gertrude. Garrett, Gene and Wanda also visited her mother Jewel Jarnagin at Erick.

Band members Connie Galloway and Alma Griffin are still in the Sayre hospital.

Grace Roberts' granddaughters Ruth and Esther Roberts from Africa have been on the honor roll at OBU.

The Chinaberries and Mimosas are in full bloom. Guess they are the last of the flowering trees to blossom. I'm watching beautiful flower

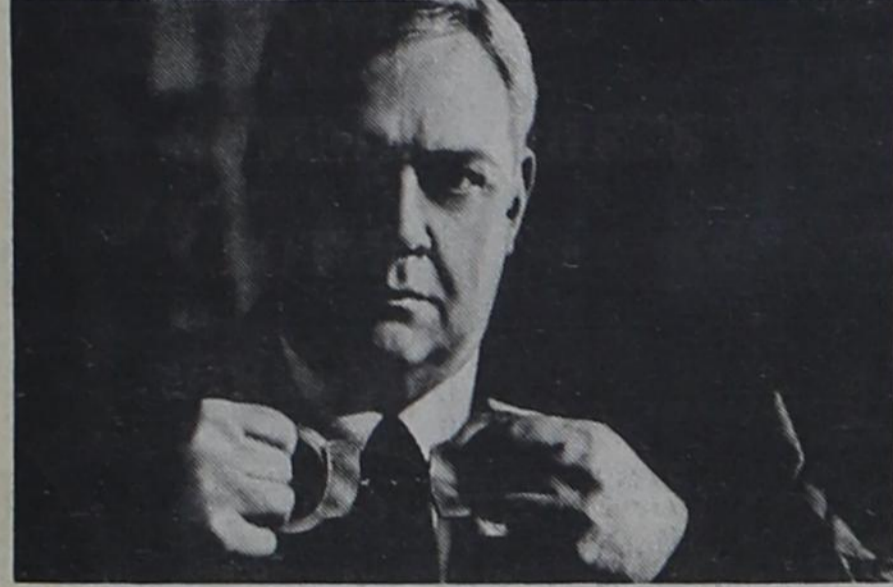

gardens so I'll know where to go begging for starts next Spring.

I was suppose to put this in last week, but lost it. Darv and Sammie Athertons new address is Wheeler, Texas. I think Rt. 1. I know Box 137.

Now Clyde Vinson is a very good story worder I think. Only thing, my cat was gone 1 year and I was glad she got home.

Corrections—The cousins spent a few days with Bob and Gena, not 4.

At the Waters reunion some brought pictures made in the past.

Two more things different in my ma ma cat and Clydes and Minnie Bells, mine never came here. Next day after our son was buried in Aug. 1977, a bunch of grand kids went up to the cemetery, this little cat was up there. They brought her here. Another thing, she never had a kitten. I would take Clydes cat or some of the kittens, but mine eats like a horse. I can barely keep her fed, and I think my son Garrys kids are ones that took her off home with them in 1979 to Dumas. They wanted her and they have never denied it. Dumas is 120 miles from here. A year is a long time getting back home. Clyde might try a

HOBBY ANNOUNCES

\$130 Million In Highway Funds

The state Department of Highways and Public Transportation will receive an estimated \$130 million in additional funding for highway construction and maintenance through 1983. Lt. Gov. Bill Hobby announced Friday.

The Highway Cost Committee provided the additional funds by updating its method of calculating the effects of inflation on the costs of highway construction and maintenance. The committee, comprised of Gov. Bill Clements, Hobby and State Comptroller Bob Bullock, adjusted its calculations to include a change in the process by which contractors bid on highway jobs and to give more stress to highway maintenance.

During the committee meeting, Hobby pinpointed a flaw in the Highway Department's method of calculating the Highway Cost Index and suggested an alternative that will provide an additional \$12 million for 1982-83.

"I am pleased that the committee saw fit to make these changes," Hobby said. "For various reasons, the Highway Cost Index needed updating to provide a more accurate picture of the effects of inflation on highway programs."

Hobby said the additional \$130 million is severely needed to help upgrade the state's highway system.

"Several states have actually suspended bidding for highway construction due to a lack of funds," Hobby said. "That is not going to happen in Texas because we have made long range guarantees of funding for this essential public service."

CONVECTION OVENS HOW GOOD ARE THEY?

Convection ovens "a la counter-top" are the latest entry into the counter-top cooking field, and, like most all appliances, they have their "pros" and their "cons".

These new models are promoted as fast-working, energy efficient and easy-to-clean.

Some save both time and energy, while others do not save energy, and most will need a good scrubbing now and then.

FAN CIRCULATES HEAT
Convection cooking is not new and isn't complicated. Restaurant and bakery industries have used convection ovens for years. No matter what the style, all work on one simple principle: a fan continuously circulates heated air around food in the oven cavity.

TIME-SAVER COOKING
Fans are their "secret of success," too, when it comes to time-saver cooking.

Any food placed in any oven to bake starts out surrounded by an "insulative blanket" of "cool air." A convection-oven fan wipes away that cool blanket and subjects food to heat immediately—hence, less cooking time necessary.

In fact, convection ovens save one-fourth to one-half on cooking time.

SOME SAVE ENERGY® OTHERS DON'T

For energy savings, consider a gas convection oven—it saves time and energy.

Electric convection ovens save time, but they use more energy than conventional-type ovens.

Range-industry advertisers cannot make claims based on direct comparisons between portable and standard-size convection ovens, since the portable units are excluded from tests regulated by the Federal Trade Commission (FTC) and the Department of Energy.

From appearances, it would seem that electric convection ovens should save energy, since they do eliminate preheating, they require a lower temperature for cooking food and cooking time is shorter.

However, it's total kilowatt-hour (KWH) energy use that counts here. How long the heating element is "on" affects the KWH use.

In a non-insulated counter-top electric convection oven, the heating element may remain on throughout the cooking process to maintain the oven temperature.

Insulation does not affect baking time (because the heating element will "make up" any heat loss), but it does affect KWH consumption, since the heating element may have to stay on the entire cooking time to keep an accurate steady oven temperature.

EASY CLEANING?
Some manufacturers claim easy cleaning of their ovens, even those that already have a "continuous clean" feature (which sounds like "NO cleaning necessary").

However, a residue does build up on all of these and its removal requires hand scrubbing.

Convection ovens "a la counter top" need a cook's fine touch for placing food just right if there's lots of it cooking at once, but the result is a high-quality product—if you don't mind a bit of noise.

They're also great for thawing foods—just turn the temperature dial off—and for dehydrating rather small amounts of food.

However, be prepared for that bit of noise since their main feature is a fan. Of course, some are noisier than others.

PLACING FOOD
Because air circulation in today's convection ovens is not perfect, loaves of bread, pans of cookies or layers of cake loaded on more than one rack at a time do not bake evenly.

It helps to stagger the pans. Or when baking larger amounts, divide food into smaller pans.

Allow space for air circulation both around the oven walls and between the baking pans.

Food placed directly in front of the fan of a counter-top oven will brown before the food that is placed away from the fan.

This is most common in ovens with "back" fans or "side" fans. Ovens with "top" fans will brown food on the top layer of the oven first.

FOOD QUALITY HIGH
Convection ovens turn out high-quality food items.

Meats are especially successful. There is less shrinkage with roasted meats and poultry.

Breads are evenly browned, have a beautiful, tender crust and "excellent crumb", meaning they're moister and more evenly textured.

SELECTING A CONVECTION OVEN

Before making a decision to buy a counter-top convection oven, answer these questions:

- 1) Is convenient counter space available for its use?
- 2) If counter space is available, is adequate clearance available for both sides, back and top?
- 3) Is an electrical outlet on a 20-amp circuit (without high demand for other appliances) close to the counter space or cart where the oven will be used?
- 4) How much or how often will the oven be used? Will it be used often enough to make the original cost of \$100-\$300 worth it?
- 5) Is the oven cavity size large enough to cook the largest item that will be baked or roasted?

Remember, most appliances have "pros" and "cons". The wise consumer knows both.

Public Notice

Southwestern Bell, in accordance with the rules of the Public Utility Commission of Texas, hereby gives notice of the company's intent to implement a new schedule of telephone rates in Texas, effective July 27, 1982, unless otherwise determined by the Commission.

It is expected that the requested rate schedule will furnish a 13.4 percent increase in the company's intrastate revenues.

A complete copy of the new rate schedule is on file with the Public Utility Commission at Austin, Texas, and with each affected municipality served by Southwestern Bell, and is available for inspection in each of the company's public business offices in Texas. The Commission staff has contended in the past that all rates are subject to change as a result of Southwestern Bell's rate application.

Notice to El Paso Area Customers

Effective January 1, 1982, Southwestern Bell adopted the Mountain States tariffs in effect for El Paso County. Southwestern Bell proposes to merge the separate El Paso tariffs with its tariffs applicable to the rest of Texas. The resulting new rate schedule is on file with the PUC and the El Paso area municipalities served by Southwestern Bell, and is available for inspection at our El Paso business office.

Notice to Customers of Other Telephone Companies

The filing includes, but is not limited to, proposals to increase rates for interexchange private line and foreign exchange (FX) service. Changes in such rates would also affect customers of other telephone companies because such companies provide interexchange private line and foreign exchange service in accordance with rates specified in Southwestern Bell's tariffs. While Southwestern Bell has proposed no increase in long distance rates, any change in those rates would also affect customers of other telephone companies.

Aviso Público

Southwestern Bell, en conformidad a las reglas del Public Utility Commission (Comisión de Servicios Públicos) de Texas, por la presente hace saber su intención de establecer un nuevo arancel para servicio de teléfono en Texas con vigencia a partir del 27 de julio, 1982, a menos que la Comisión haga otra determinación.

Se espera que el nuevo arancel que se ha solicitado rendirá un aumento de 13.4 por ciento en los ingresos intraestatales de la compañía.

Una copia completa del nuevo arancel se ha archivado en las oficinas del Public Utility Commission en Austin, Texas, al igual que en cada municipalidad afectada y servida por Southwestern Bell, y cada una de las oficinas de la compañía para negocios con el público en Texas tiene una copia para lectura pública. En el pasado, la Comisión ha sostenido que toda tarifa está sujeta a cambios que resulten de la manera en la cual Southwestern Bell aplique sus tarifas.

Aviso a Clientes en la Región de El Paso

Con vigencia a partir del 1o de enero de 1982, Southwestern Bell ha adoptado las tarifas de Mountain States efectivas en el condado de El Paso. Southwestern Bell propone unir las tarifas de El Paso con sus otras tarifas que se aplican al resto de Texas. El nuevo arancel que resulta de esta unión se ha archivado en la Comisión de Servicios Públicos (Public Utility Commission), al igual que en las municipalidades de la región de El Paso servidas por Southwestern Bell, y está disponible para inspección pública en nuestras oficinas de El Paso.

Aviso a los Clientes de Otras Compañías de Teléfono

El registro incluye, pero no se limita a, propuestas para aumentar las tarifas para servicio de línea privada entre centrales telefónicas (interexchange private line) y servicio de central telefónica extranjera (foreign exchange FX). Cambios en dichas tarifas de servicio también afectarían a clientes de otras compañías de teléfono porque dichas compañías proveen los servicios ya mencionados en conformidad a tarifas especificadas por Southwestern Bell. Aunque Southwestern Bell no ha propuesto un aumento en las tarifas para larga distancia, cualquier cambio en las mismas también afectarían a los clientes de otras compañías de teléfono.

LIQUID SUPPLEMENT

AN ECONOMICAL CHOICE

Center Plains offers a 32% protein product designed to be fed to mother cows, stockers, and yearlings grazing dormant forages or grain crop residues. A 15% protein product is designed to be fed to the same classes of livestock grazing forages of higher quality during late Spring, Summer and early Fall. Both products are high in available phosphorus, have high net energy for maintenance and gain, and have high digestibility of nutrients; they are highly efficient supplements that maximize use of available roughage for maximum profit and return to the stockman.

Mobeetie News

By Goldie Gordon

I will not be writing the news for a few weeks as I am having surgery the 16, getting a new knee cap. Thanks to my many friends who have helped me so much. I'll start back soon as I can.

We received 3 tenths of rain last Friday and a good cotton shower on Sunday. We sure needed it, our feed was very dry.

Wade Hathaway, Mike Kelsey, and James Moore won a State Farmer's degree. They will go on a pleasure trip to Six Flags before coming home.

Eunice and Ransom Carter visited in the home of Johnny and Imogene Murrell in Pampa Saturday night. Later they attended the Top O Texas Rodeo.

Ab and Ella Trout took grandchildren, Candy and Cameron Watts from White Deer and Shelley Howard to the rodeo in Pampa. Candy and Cameron spent the week with them.

Mrs. Ethel Mason and Mrs. Lindy Mason from Amarillo attended the church services at the Baptist Church.

Our sympathy to Mr. and Mrs. Archie Simmons on the loss of her grandmother Velma Johnson of Pampa. She died on July 5th in Breckenridge, Texas.

We are very sorry to hear Mrs. R. St. John has pneumonia. She is staying with her daughter Mrs. Edith Cross at Abeline.

Corcoran are now home from the hospital.

Pauline Hooker is in Coronado Community Hospital for tests.

Charlotte Coward is in Parkview Hospital.

The Mobeetie Methodist Church now has a new Pastor, Mary French. Her father, Sam Thomas built the Methodist

Church long ago. Our time for services changed in June.

Morning Services-Worship 9:00 a.m. Sunday School-10:00 a.m. Evening-7:30 p.m.

We would invite everyone to come hear Mary preach.

The Corcoran Reunion was held on Sunday at the Community Center in Lefors with 98 in attendance. A covered dish luncheon was enjoyed by all who attended. All the brothers and sisters were present at the Reunion. The brothers and sisters were: Phil and Verna Corcoran. John and Edith Corcoran, and Bill and Leahtha Corcoran from Mobeetie. Mrs. Bessie Keaton of Pampa, Mrs. Maude Trusty of Lefors, Ariza and Anna Belle Corcoran of Mobeetie, Clara and Cotton Ridgeway, William and La Verne Corcoran of Pampa, Evelyn and Earl Riley from McLean. Others attending from Mobeetie were: Dale and Melba Corcoran and Scott, Carla and Kent Sims and girls, Bill and Virginia Ridgeway, and Kay and Todd Ridgeway.

catch the plane for Europe. Connie won a trip to Europe for a scholarship at Canadian School.

Charles Walser visited last week with his father Clifford Walser and helped him get his wheat harvested.

Jimmy Horton from Fort Wingate, New Mexico is here

visiting his mother, Mrs. Sallie Harris in Wheeler and will pick Madge up to go home.

They also visited Madge's parents Jess and Gazelle Patterson.

Janna and Brian Hogan from Pampa came on Thursday for a visit and ate dinner with their grandparents Jess

and Gazelle Patterson and Madge and Jimmy Horton from Fort Wingate, New Mexico.

Chuck and Louise Hogan, and Louise's mother Estelle Orr and Marie Goodnight from Pampa are on a vacation in Cimmaron New Mexico.

Mrs. Ruth Beck from Dumas

visited Monday with LaVerne Scribner.

Virginia Ridgeway visited last week in Pampa with her parents Mr. and Mrs. Lonzo Shaw and her sister Darlene and Heather and the new baby Jennifer. She also went to Amarillo and got caught in the Battle of Gunn Bro. Stamps.

HUMANISM vs. CHRISTIANITY

[Part 2]
Colossians 2:8, "Beware lest any man spoil you through philosophy and vain deceit, after the tradition of men, after the rudiments of the world, and not after Christ." We have no business learning things that are opposite of Christ. There are only 2 ways that life or anything pertaining to our existence can be taught or learned. Everything is either taught and learned from God's viewpoint or from man's viewpoint. World history is taught from one or the other viewpoints. It makes all the difference in the world on how you will think about history. Literature is a subject that will be totally different from God's point of view than it is from man's. Sex education is either sacred or nasty depending on which philosophy it is based on. One philosophy of life is called Biblical Theism. The other is called Humanism. It is irrefutable that humanism is the official philosophy of the public schools in America. Even if the prayer amendment

passes, the philosophy is the same. Certainly, I am in favor of prayer anywhere and everywhere. But there is a lot more wrong with the public school system in America than the prayer controversy. The word "spoil" in the Scripture used above means "to capture". People's minds are being captured by this humanistic philosophy. Humanists (who control most of the media and who write the textbooks for public schools) think they can solve the problems of humanity independent of God. They believe in evolution. They believe in situation ethics--whatever is right to you is your standard. In other words, they believe there are no absolute standards--sometimes it would be wrong not to lie or steal, etc. This type of stuff is taught in secular textbooks. Humanism is a dangerous thing, and it is no light matter to subject yourself or your children to its teachings because it is anti-God, anti-moral, anti-Christian, anti-self restraint, and anti-American.

A broken air conditioner can be the best thing that ever happened to your household budget.

Your air conditioner breaks down. You have several choices. Repair. Replace. Buy a whole new system. All major investments. Southwestern Public Service Company suggests that you consider a more efficient alternative.

Consider the electric add-on heat pump. The add-on heat pump is a very special air conditioner that works with your present furnace. Besides cooling your home in the summer, it helps heat your home in the winter.

You can save money. Because the heat pump is one of the most efficient ways to heat and cool, you can save money. Call us to see what your savings can be.

Together, we can save more than money. The add-on heat pump is one more example of how you can work with us as a partner to help manage electricity more effectively. Together, we can make a difference.

You and SPS, partners managing electricity, make the difference.

Lohbergers Are Honored

Verne and Susie Lohberger were honored with a housewarming July 1, 1982. A memorable time was enjoyed by all those attending.

A beautiful brass coffee service and tray were presents to the Lohbergers. In addition, other lovely gifts were received too.

Those attending and/or sending gifts included the following list: Mr. and Mrs. J.R. Coulter and Family, Mr. and Mrs. Bill Donaldson, Mr. and Mrs. Hiarm Begert and Bret, Mr. and Mrs. Les Seamster, Mr. and Mrs. Winston Rainey and Nathan, Mrs. Winnie Kiker, Mr. and Mrs. Bob Puryear, Mr. and Mrs. Vance Boydston and boys, Mr. and Mrs. John D Glison, Mr. and Mrs. Zeland Rainey, Mrs. Lucille Tipps, Mr. and Mrs. Charley Lopez, Mr. and Mrs. Jimmy Wallace, Mr. and Mrs. Roy Morse, Mr. and Mrs. Louis Grayson, Mrs. Debbie Markham and Family, Mr. and Mrs. Bruce Harrison, Mr. and Mrs. Johnny Grayson and family, Mrs. Myrtle Hunter, Mr. and Mrs. Eugene Blacketter, Suzanne Lohberger, Mr. and Mrs. Alton Lohberg-

is quite a globe trotter. Since I am not familiar with the type of work Don does, I'm sure he'll smile when he reads my effort to explain it. But Don gets around. He lives in Allen, Texas. He works at Satelite Communication and is trouble shooter anywhere in the world where he is needed. He hops to Italy, Australia, the Phillipines, and has spent two years in Japan. He worked at removing refugees from Vietnam at the close of the recent hostilities. He married a Vietnam girl (which Laveta admires very much) and they have a five year old girl. Well, that is all very interesting to me, for I knew the children back when-

Jean Pollock from Glen Arm, Maryland, is visiting with her mother Jewel Holloman.

Last Sunday a number of people of Wheeler attended the Dedication Service of the Community church at Gageby. Among those attending were Mesdames, Jewel Holloman, Fannie Mae Bradstreet and Florence George, Mr. and Mrs. Claude Brotherton, Mr. and Mrs. C.B. Brotherton, and Mr. and Mrs. Leon Fillingim. Mrs. Harry Fields is a charter member of that church, and was scheduled to be in attendance, but she had painfully bruised a foot and did not get to go.

Mona Guinn enjoyed her grandchildren last week. They are also the grand children of Mr. and Mrs. "Fat" Moore, and the children of Rev. and Mrs. Stanley Baker of Snyder, Oklahoma. Stanley is the Baptist pastor there. Mona took the children to Snyder Saturday afternoon and will remain there for a few days.

Mrs. Ruth Coates is a new citizen of Wheeler. She is the mother of Frank Coates and has been living in Shamrock. We are glad she is here and hope that she likes us.

Mrs. Ella Clemens, lately of Wheeler, but now of Pampa, visited with friends here last week.

My neighbor across the street, Sybil Nelson, returned a few days ago from a trip that kept her away for three weeks. She accompanied her sister, who lives in Mangum. Oklahoma to Little Rock, Arkansas, where she attended classes in instruction in machine embroidery. This will qualify the lady to instruct others. Then Sybil visited relatives in Lawton. She came back to Clarendon and visited with her daughter and brought a granddaughter home with her to spend a few days.

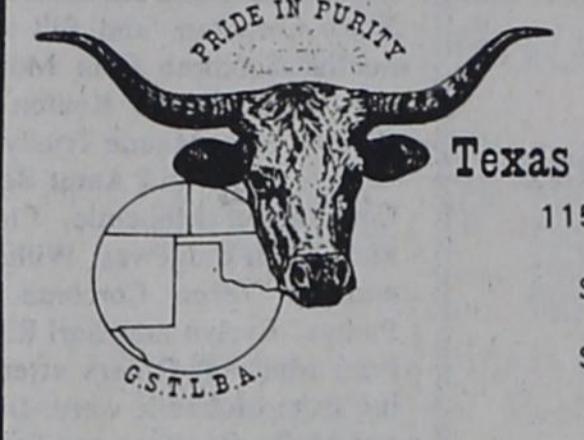

Lydia Guthrie with daughter, Melinda, went to Borger last week to visit with an aunt. Melinda remained in Borger while Lydia assisted with a Canadian friends wedding shower on Wednesday. She came home briefly and returned to Canadian on Sunday to attend the wedding and assist with the reception. Then she drove to Borger, picked up Melinda, and returned home Sunday night.

Rose Milburn and Traci, spent Monday night here with her mother, Lydia Guthrie, and other members of the family. Melinda went home with her to spend a few days in Canadian, and visit friends.

Mr. and Mrs. Elbert Zybach, Mr. and Mrs. Curtis Hall and Kent, Mr. and Mrs. Kyndal Murray, Mr. and Mrs. Bob Zybach and Steve, Mr. and Mrs. Bevard Dukes and girls, Mr. and Mrs. Leonard Powledge, Mr. and Mrs. Glen Elmore, Mr. and Mrs. Lee Hall and family, Mr. and Mrs. Richard Kiker and family, Mr. and Mrs. Ed Nall, Mr. and Mrs. Porter Rogers, Mrs. Effie Renfro, Mrs. Evelyn Meek, Mrs. Essie Finsterwald and Mr. and Mrs. Keith Boydston and Natalie, Mr. and Mrs. George Parker, Mr. and Mrs. Tom Helton, Mr. and Mrs. Horace Fillingim, Mr. Mrs. Horace Fillingim, Mr. and Mrs. L.J. Hudson, Mr. and Mrs. Oden Hudson, Mr. and Mrs. Clifton Boydston, Mr. and Mrs. Joe Dukes, Mr. and Mrs. Mike Dyer and family, Mr. and Mrs. David Zybach and family, Mattie Jackson, Dawn Donaldson and Darla, Mr. and Mrs. Stanley Swires, Mrs. Doris Newsom, Mr. and Mrs. J.R. Black, Mrs. Ona

Black, Mr. and Mrs. Wayne Zybach and Clay, Mrs. Debbie Boydston and Mrs. Eddy Walker.

The Lohberger family wishes to express their sincere appreciation to the hostesses for the delicious refreshments and to their wonderful friends, neighbors, and relatives for giving us a night to treasure and remember always.

June Drilling Report

Railroad Commission Chairman Jim Nugent announced that Texas operators reported 122 gas and 75 oil discoveries in June 1982.

One year ago, 110 gas and 53 oil discoveries were filed with the state's energy regulatory agency.

Gas discoveries in the sixth month of the year included 51 in deep South Texas, 21 in the Refugio area, 16 in Southeast Texas, 15 in West Central Texas, five in North Texas, four in the Panhandle, three each in East Texas and the San Antonio Area, two in the San Angelo area and one each in East Central Texas and the Midland area.

Oil discoveries included 19 in Southwest Texas, ten in West Central Texas, eight in North Texas, six each in East Texas and the Refugio, Midland and Lubbock area, four each in deep South Texas and the San Angelo area, and two each in East Central Texas, the Panhandle, and the San Antonio area.

Through the first six months of this year, there have been 730 gas and 317 oil discoveries throughout the state. For the same period last year, there were 588 gas and 332 oil discoveries.

In June, operators reported 382 exploratory and field tests wound up as dry holes. New applications for permits to drill oil and gas tests totaled 2,586 in June compared with 3,704 in the same period of 1981.

Applications to drill, deepen, plug back and for service wells in June amounted to 2,945 against 4,014 a year earlier.

Operators filed 891 amended application to drill. A year earlier they submitted 833 amended requests.

March Refining Summary

Railroad Commission Chairman Jim Nugent announced that 65 refineries in Texas processed 123,601,299 barrels of crude oil and hydrocarbon blends during March 1982. Through the first three months of 1982, Texas refineries ran 357,959,345 barrels.

This volume compares with 130,769,869 barrels in the previous March, the Commission's Oil and Gas Division reported in its monthly recapitulation of Texas refinery operations. Inputs of crude oil and blends totaled 110,955,831 Barrels in February 1982.

Texas refineries ran 94,349,195 barrels of crude oil in March compared to 105,153,796 barrels in March 1981 totaled 123,855,099 barrels.

Prohibition was not the answer to misuse of alcohol.
And banning handguns is not the answer to misuse of guns, either.
The answer in each case is laws with TEETH in them -- for the tough, swift, certain punishment of repeated DWI offenses, or crimes committed with a gun, especially if someone is hurt or killed.

WORLD WAR 3

LABANON, CHAOS

In Isaiah Chapter 33 verse 9, Lebanon is mentioned as being hewn down. The time, as this chapter clearly shows is in the very last days. We can see now that it is in the process of being hewn down. Lebanon is not the only nation that will be desolate and its cities laid waste when World War 3 ends, read Ezekiel Chapter 6. Notice verses 4,5, and 6. Most of the Children of Israel of our time are in America, England and the little nation of Israel. A big part of the church is in America and England and is made up of many people that are the descendants of the Twelve Tribes of Israel. Read also Isaiah chapter 11, verses 11 and 12. The Assyria mentioned in verse 11 is modern Germany. There are several prophecies in the Bible showing that many people of the House of Israel and the House of Judah as being in captivity in the land of their enemies and about ready to perish at the time of the second coming of Christ. The Babylon mentioned in the 17th and 18th chapters of Revelation is the daughter of ancient Babylon. You can read about it in Isaiah chapter 47. In verse 6, God says he was wrath with his people, and has polluted his inheritance and given them into the hands of this daughter Babylon. His inheritance is the church and the descendants of the 12 Tribes of Israel. This is confirmed in Daniel, chapter 7 verse 25 and Revelation chapter 13, verses 5, 6 and 7. In verse 10 we are told that he that leadeth into captivity shall go into captivity and he that killeth with the sword must be killed with the sword. Here is the patience and faith of the Saints. This verse of scripture seems to indicate very strongly that the Christian people should be armed and do their very best to defend themselves and defeat the enemy any where they can. Failure to do so would be just like leaving the doors open for the enemy to come in and take young women away to be used for prostitution and the men to do slave labor. Gold bricks and religious fanatics should not be tolerated in our area. We had a lot of those kind of people in America during World War 2. They are like balky horses that will not cooperate and pull with the other horses. If we had all been like they were during World War 2, we would now be living under the rule of Hitlers Germany.

THE BIBLE SPEAKS

And there arose a reasoning among them, which of them was the greatest.
(Luke 9:46)

To be great, to receive some kind of extra recognition for our accomplishments has always been a desire of men. And we have turned to a host of activities and endeavors, such as: science, technology, philosophy, politics and war, to name only a few; in order to attain our goals of greatness. It was an ambition know also to the disciples of Jesus. Upon several different occasions during Jesus earthly ministry we find them engaged in a discussion or disputing about which of them would be the greatest in the kingdom. Two of them, James and John, even went so far as to come to Jesus, along with their mother, and ask that he grant to them to sit, one on his right hand, and one on his left when he should come into his kingdom. It shows the degree to which even they misunderstood the nature of his kingdom before his resurrection and the day of pentecost, when they received power from on high. To them it was a political type kingdom where positions of favor and of power were to be sought in the usual worldly manner.

But Jesus never gave them reason to hope for such things. Instead, as on this occasion he tried to get them to see that true greatness in the kingdom was not based on worldly or human concepts, but there would be a completely different standard. He took a little child and sat him in the midst of them, and said to them,

whosoever shall receive this little child in my name receiveth me: and whosoever shall receive me receiveth him that sent me: for he that is least among you all, the same shall be great.
(Lk. 9:48)

In another place he told them that he who would be the greatest must be willing to become a servant.
(Matt. 20:26-28).

There are two kinds of greatness: 1. greatness as the world views it; and 2. the greatness that God see. Which would you rather have?
