MEETING ADJOURNED

## CAR-TRUCK WRECK

Tammy Wilkerson, 21, of Wheeler received facial cuts, a broken leg and a broken foot Thursday evening as a result of a car-truck accident which totaled both vehicles. James Cunningham, 21, the other

occupant of the car, received a cut on the arm. The collision occurred 16 miles east of Wheeler around 8:15. The driver of the 18-wheeler was not injured. Cunningham and Wilkerson live at the Harris Trailer Park east of Wheeler.

## \$3800 Is Needed For Scout Building

Work began Monday, April 12th on the north wing of the Nicholson Memorial Building. This building, when remodeled, will be used by the Girl Scout and Boy Scout troops of Wheeler. It will provide meeting rooms for the troops and much needed storage for camping equipment and troop supplies.

This project needs only \$3800 more to be paid in full. It is hoped this amount can be

raised in the next month so that money will not have to be borrowed to finish paying for the renovation.

The First National Bank in Wheeler has a special account, Wheeler Girl-Boy Scout Building Fund, in which you may deposit any contributions. You may also give contributions to Anita Brown or Bob Wills. Won't you please help these groups complete this worthwhile project.

## Mobeetie Receives USDA Loan For Water System

Farmers Home Administration has approved the loan of \$152,000 and a grant of \$48,000 for the City of Mobeetie and the funds will be used to construct a new water system to provide adequate service to the residence of

Mobeetie. The new system will consist of a well, distribution lines, meters, storage tank and a pump station.

The loan will be for 40 years at 11.375%. From the office of Senator Hightower.

## Here And There

By Laura Guthrie

What a lovely day! Warm, balmy, not even a wind. I tried to do outdoor work, but everything went wrong. My equipment is just like me—old and worn out. I can do very little about improving me or my equipment. So we are in a rut.

Easter was a beautiful day also. There was a lot of coming and going.

Lucille Burgess went to Shamrock after morning church and visited with her daughter, Patsy Carlton and family.

Darrell Blevins and his family visited with his parents, Mr. and Mrs. Cecil Blevins.

Guests of Helen and Eli Sabee were their son, Joey and family, a niece, Sharon Immel and daughters of Prague, Oklahoma and Sharon's sister Tillie and daughters of Guymon, Oklahoma.

Tina Herd of San Angelo visited with her grandparents, Mr. and Mrs. Fred Waters.

Mrs. Annie Martin enjoyed her granddaughter, Angela Morris of Dallas and also her great-granddaughter who was with her mother Angela.

Alicia Stas of Bartlesville, Oklahoma visited with her Uncle, Louis Stas and family last week. Alicia is trained in Ambulance service and is also a Registered Nurse. She made 3 ambulance runs with Louis. Other guests of the Stas family were Mr. and Mrs. Raymond Stas, Louis' brother from

Bartlesville and his mother Mrs. Eugene Stas of Calumet, Oklahoma. They returned home Saturday morning.

The Stas family used Saturday and Sunday to visit with Barbara's mother, Mrs. Porter, at Hinton, Oklahoma.

I have a new neighbor. Sybyl Nelson has moved across the street into the house vacated by Ella Clemens. We are missing Ella, but hope we can be a neighbor to Sybil.

Haven't had a report from Ella but I presume she is getting all settled in, in Pampa. Mr. and Mrs. Lester Hathaway of Mobeetie attended church here on Tuesday morning. They were here to hear their grand-nephew, Rodney Weatherly, preach at the Baptist church where he is holding a Revival.

Erma Riley and her daughter, Mary Mitchell of White Deer, went to Texico, N.M. to be with Erma's sister, Ruth Reed, who had lost a son in a car accident near Albuquerque. On Thursday, Ed Riley and his son Bob of Stillwater, Oklahoma, went to Texico to attend the funeral. They all returned that evening.

On Sunday Ed and Erma Riley had all of their family with them except one daughter, Nelda Brewer, who lives in California. Their guests were Bob Riley and family of Stillwater, Oklahoma, the Joe Mitchell family of White Deer and the James Henderson family of Wheeler.

If anyone wishes to call Allison grocery store, I understand their number is 2518. And 22 degrees in Perryton Tuesday morning 6 of April. So guess our apricots are gone. Hope not. 24 degrees they said in Allison.

Briscoe Community was saddened by the death of Sam Dougherty. He passed away Wednesday 7 in Pampa hospital. They took him there Friday night from resthome. He seemed to be doing better, pneumonia set up, seemed his lungs just closed in no time. After he had coughed most of the night. His funeral is Fri. 2 p.m. in Pampa funeral home. M.B. Smith will be preacher, grandsons pallbearers. He will be buried in McLean Cemetery by his wife Ada Lee. They had 4 children, Sammie Atherton, Gene Daugherty, Alvie Daugherty, Jimmy Don Dougherty. They have nine grandchildren. Don't know how many great grand. Our sympathy goes out to the kids and grandkids and greatgrand kids. All are hoping Alvie will get to come home. He did not get to attend his mothers funeral.

Colie and I visited in Pampa Wednesday with the Gene Daughertys.

Monita (Parker) Hammer was took to St. Anthonys hospital Tuesday afternoon. She has been in Wheeler hospital a week. We wish for her a speedy recovery.

Nona Parker is still in intensive care. She has skin graft on her leg today, Thurs. 8th.

Claude Parker visited us Thursday afternoon. Lester and Mary Hudsons grandson, Ray Hudson, visited them. Correction, instead of son Ray.

I will say Happy Birthday to Verna Fillingim April 25, on my mother's birthday. Happy Birthday to Gene Daugherty 27 April. Mrs. Lawrence Aderholts is 14 April.

Our visitors Thursday night were George and Avis Parker of Allison. They said their daughter Bonita Parker of Wheeler got to come home

from Amarillo St. Anthony hospital today. We was glad to hear this. We hope she continues improving.

Word is the gas well that got out of control south east of Allison is still blowing in the air. It started out of control blowing gas, water, mud, mayber oil one said, 4th of October. Its seems such a waste. And word is those Key girls has not received one

Saturday morning still pretty cool. Was to be 30 degrees in Amarillo last night.

We received word last night just after coming home from Sam Daugherty's funeral that Wanda Parker's mother passed away yesterday afternoon (Friday).

Mrs. Earl Hammon (Mable) has been in the Mangum resthome. Also Earl for several years. The funeral will be Monday at Reydon. Our sympathy goes out to all of the Hammon children and Earl. Mon. 2:30 p.m. is the funeral.

Some from Briscoe at Sam Dougherty's funeral Fri. were Tom and Alice Bell Helton. They went by picked Ada Lee McNeal up took her to the funeral. Pearl Williams, Eunace Edwards were there from Wheeler. Probable others. Henry and Mildred Davis, Bernice and Evan Davis from Borger.

Jean and Terry Brown from Ft. Worth is visiting Claude and Irene Zybach during the Easter holidays.

Saturday night other visitors there were R.L. and Rozena Zybach, Mike and Melody Goad and children, Mac and Gaye Purcell and children, Jim Goding.

### 54 STUDY CLUB MET IN MITCHELL HOME

The '54 Study Club met April 12, 1982 in the home of Mrs. W.D. Mitchell. President Violet Burch presided over the meeting. The minutes were read and approved and the financial report was given.

"Divine Fire" by Spencer was the devotional given by Violet Burch.

The program was a film and a club member discussion on "Fires" given by Fire Chief Daryl Snelgrooves and the club members.

Club closed by repeating the club collect.  
 Delicious refreshments were served to 2 guests Frances Sellers of Alamogordo, New Mexico and Daryl Snelgrooves, and the following members were present: Ann Gibbens, Mrs. Bobby Underwood, Alta Jean Davis, Opal Davidson, Violet Burch, Elva Wood and hostess Mrs. W.D. Mitchell.

### CARD OF THANKS

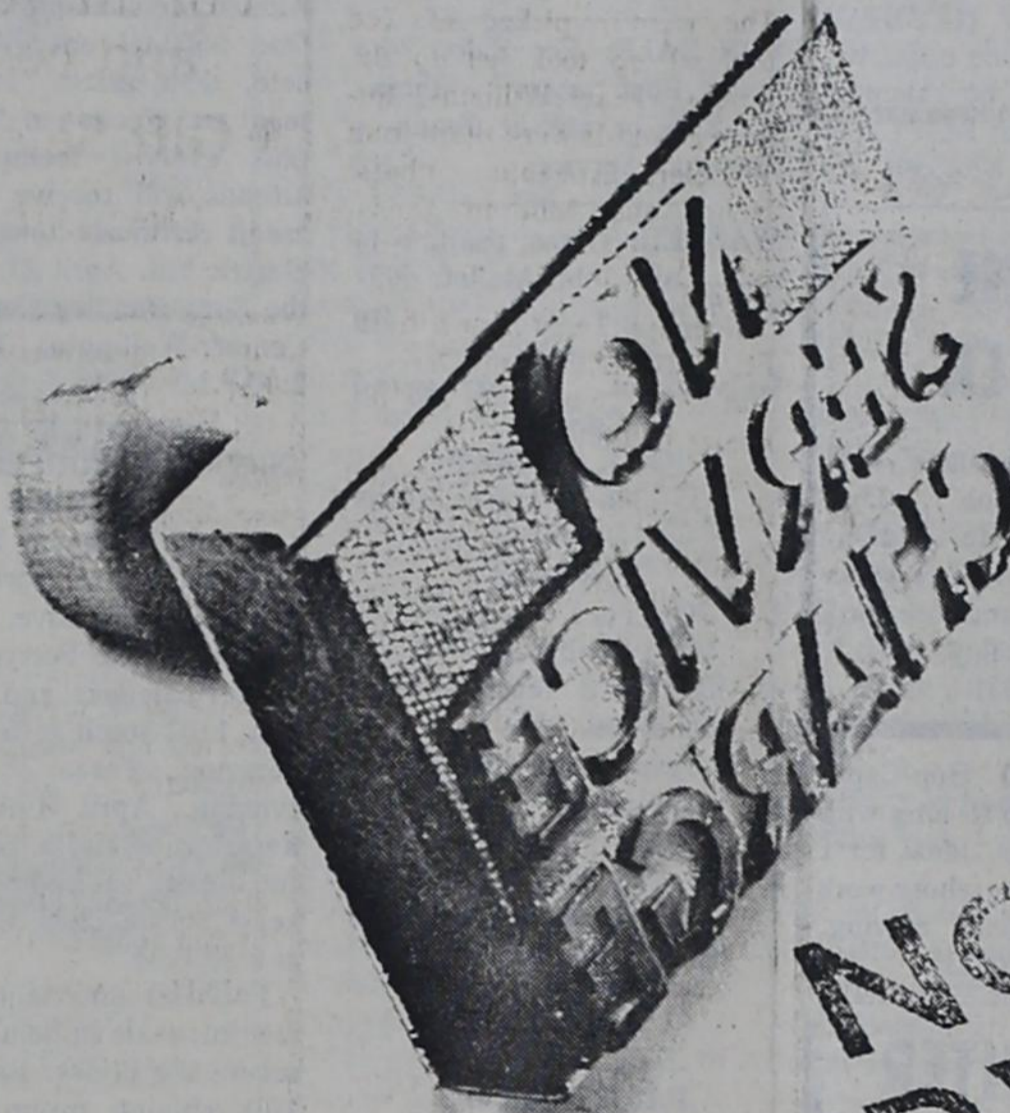

The Jay Thompson family is so grateful for the friends of our beloved husband and father. We know his untimely death was a shock to you as well as us. We covet your continued prayers and we want to express a special thank you to Mary K., David Cross, Lee Hibler and Louis Stas for their prompt response. Dr. Barbour and his staff have our sincere gratitude for their devotion of service and concern. Betty and Marshall, "Thanks".

We wish to extend our thanks also for all the expression of sympathy.

### THE BIBLE SPEAKS

For God so loved the world, that he gave his only begotten Son, that whosoever believeth on him should not perish, but have eternal life. (Jn. 3:16)  
 Last week we noticed that love of God as it relates to this passage of scripture; that is, the love of the Father in giving his Son for the sins of mankind. Now, let's notice the love of the Son, Christ. Of course, one might say that the love of the Father and the Son are one and the same since the Father is in the son and the Son in the Father. And in essence, they are. Still, it is necessary to speak of the love of Christ, for were not his and the Father's love essentially the same, there would never have been forgiveness for any of us. You see, the Father's love is shown in his willingness to send his Son to be the sacrifice for our sins. Christ's love was manifested in his willingness to be that sacrifice.  
 Jesus himself defined his love in his words to the apostles on the night he was betrayed by Juda:  
 This is my commandment, that ye love one

another even as I have loved you. Greater love hath no man than this, that a man lay down his life for his friends. Ye are my friends, if ye do the things which I command you. Jn. 15:12-14  
 The apostle, Paul, used Christ's love as an example to the church at Philippi of how they ought to love and serve each other:  
 Have this mind in you which was also in Christ Jesus: who, existing in the form of God, counted not the being on an equality with God a thing to be grasped, but emptied himself, taking the form of a servant, being made in the likeness of men; and being found in fashion as a man, he humbled himself, becoming obedient even unto death, yea, the death of the cross. (Phil. 2:5-8)  
 If the giving of his Son demonstrates the love of God, then surely, the giving of himself must also demonstrate the love of Christ for us.

# Three ways to stamp out your service charge.

With Security Checking from Security Federal Savings, you get more than one way to avoid a service charge. You get three ways. Maintain \$200 or more in your Security Checking account: no service charge. Senior Citizens, age 65 and

older: no service charge. Keep \$5,000 or more in a high-interest savings or certificate plan: no service charge. Security Checking offers you interest on every dollar ... and three ways to stamp out service charges!

A whole new concept in Family Financial Services!

Crossbreeding Advantages

A gene complex that will  
"pair off" well in crossbreed-  
ing is an increasingly impor-  
tant "plus factor" for the  
Texas Longhorn in today's  
beef industry. Crossbreeding  
is the mating system that is  
most profitable for commercial  
beef production under almost  
all circumstances. Crossbreed-  
ing allows the rancher to take  
advantage of complimentary  
desirable traits from two or  
more breeds while taking ad-  
vantage of the extra boost in  
production that results from  
hybrid vigor.

No one beef breed is best for  
all conditions. This applies to  
the Texas Longhorn, the same  
as any other breed. Therefore,  
we are actually talking about  
crossbreeding with the Texas  
Longhorn to combine its  
desirable nature-fixed traits—  
such as high fertility, calving  
ease, genetic resistance to  
certain diseases and parasites,  
hardiness, high brose utiliza-  
tion, and longevity—with  
such man improved traits as  
rate of gain and carcass quality  
which have been highly  
selected for in our standard  
and exotic beef breeds.

ADVANCED TILLAGE CONCEPTS

# slashes production costs up to 50%!

To the modern farmer, "dollar conservation" is as vital as soil conservation. The Flex-King Air Seeder can help in both cases, because it is able to plant in heavy residue that would stop conventional equipment. That protects your soil. And it turns a normal tillage tool into a three-in-one conservation machine: able to plant, fertilize, and till in one operation. That saves you money. Use the Air Seeder with either an XL Series Blade Plow or a Flex-King Chisel. You can put in a wheat crop with only two 5-6 mph field passes — one to fertilize, one to plant. The reduction in field trips will save time, fuel, and machinery wear, with the potential to cut your costs by as much as 50%. That's conservation where it counts — with the Flex-King Air Seeder's Advanced Tillage Concepts.

# did you know?

Unlike most other businesses, electric utilities like SPS require large investments in plants and equipment. For example, for each \$1 in annual revenues, the Company has more than \$2 invested in plants, equipment and other assets necessary for providing electric service. This investment plus a fair return (profit) is recovered through revenues received from customers over the useful life of the property.

Kurt Shaughnessy, Accounting Coordinator, Amarillo.

In regions with relatively mild winters, an investment in six inches of ceiling insulation will pay for itself in fuel savings in only one year. In the heating season, adequate insulation in the ceiling can save up to 20% on your fuel bill. During summer months, this insulation will help retain the cool air generated by your home's air conditioning system.

Bob Spradling, Consumer Services Representative, Roswell.

Our customers' electric bills are lower because SPS sells the byproducts created by the burning of coal. Flyash, the powder-like substance given off during combustion, is sold as a construction material. The ash is sold under contract directly from the plant, with transportation costs paid by the buyer. Profit from the sale of the ash is applied to the Company's fuel costs. This saves our customers money, since fuel costs are passed to customers in the form of adjustments to their monthly bills.

Ronnie Blythe, Envirochemical Coordinator, Harrington Station, Amarillo.

Knowing what electricity is worth is worth knowing. For answers to your questions, call or write your SPS manager.

# 1982 Pampa Business Review

## A&W FAMILY RESTAURANT

Throughout the country A & W Drive-ins have made a hit with the young and old alike for their fine food, friendly, fast service, and absolutely famous delicious root beer.

Such is the case of this A&W Family Restaurant located at 1216 Alcock in Pampa, phone 665-3050.

The people of this locale have come to realize that

whenever they stop in, whether for a full meal, or just a cold drink, they will receive quality food, fair prices, and the best in friendly service that is always so quick.

The management of this drive-in and the A & W people have spent much time in developing their complete menu of unique hamburgers and sandwiches, and one can-

not exclude their widely acclaimed delicious root beer.

The authors of this 1982 Pampa review whole-heartedly recommend this A & W Drive-in to our readers, and praise the management for their efforts to serve the people of this area with fine food for the entire family at realistic prices, and always with friendly fast service.

## WILLIAM'S WELDING & PUMP SERVICE

Men in the oil producing business know that their biggest enemy is equipment down time. When a piece of needed gear breaks down, it costs the driller time and money. In this area, oil men have come to know the name William's Welding and Pump Service at 1315 Wilks in Pampa, phone 669-6780, as being the finest,

fastest oil field welding specialist anywhere!

This reliable welder possesses all of the necessary equipment to get your well back into production...fast! Their portable unit is a frequent visitor to the drilling sites throughout the region. They serve as consultants to several of the leading companies. Contact them when-

ever you're in the need of an oil field welding specialist.

The editors of this 1982 Pampa Review salute the men of the oil fields and the men like Williams Welding & Pump Service who help to keep our nation's energy sources producing. Without them our valuable resources would be wasted.

## CAMERON IRON WORKS

The production of oil goes on throughout the world. In this area it's a little easier due to the quality wellhead equipment and supplies that Cameron Iron Works has to offer.

This reliable used car specialist features the kind of quality autos that keeps smart

consumers coming back and telling all their friends. It's this person-to-person recommendation that has earned Doug Boyd Motor Co. their position as one of the local community leaders.

We, the editing staff of this 1982 Pampa review highly recommend this reputable used car expert to all our readers for the BEST deal in town!

## MARCUM MOTOR COMPANY

With so many of the new models being similar in features and price, how does the prospective new car buyer know which automobile is best for him? Well, as the saying goes, "If you don't know cars...know the man you buy from". In Pampa, consumers are very fortunate in having a dealer like Marcum Motor Company. Located at 833 West Foster, phone 669-2571, this

well known firm is authorized representative for famous Pontiac, Buick, Toyota and GMC cars and trucks. Besides offering a full line of quality products, this community-minded dealership bases its success on a simple fact of good business: Keep the customer satisfied!

The business of customer satisfaction begins in the

showroom and continues right on through their complete service department where skilled technicians and the latest diagnostic test equipment assure you that your new car or truck will "keep you satisfied" for many years to come.

The writers of this 1982 Pampa review suggest you stop by Marcum Motor Company's showroom very soon.

## Pampa Diesel & Equipment Service, Inc.
