FOURTH OF JULY CELEBRATION

THE WHEELER TIMES

VOLUME 67, NUMBER 28

THURSDAY, JUNE 22, 2000 "Wheeler, town of friendship and pride."

By Louis C. Stas

Once again we returned home to measure the amount of moisture received over the weekend. The gage showed 1.56 inches. An additional 0.33 was received early Monday. -cwe-

The larger portion of the 1.56 inches fell early Saturday morning, shutting down the County-wide Relay for Life at Shamrock. Over \$15,000 was raised through Luminaries and walkers; after bills are paid, the American Society should receive over \$10,000.

Around 20 teams of walkers participated in the walk following an opening ceremony. The walkers earned money through pledges for the distance walked.

This Relay for Life project was proposed by Shari Porter; she had participated in one in New Mexico and recruited a number of helpers. This group of individuals spent an undetermined number of hours to bring this project to past. -cwe-

Can you imagine how long it took to print names on 1500 paper bags for luminaries?

A list of the names on the luminaries and members of the survivor's march was not available at press

-cwe-All the help and contributions were appreciated.

-cwe-Congratulations, Margaret Dorman, on being named County Clerk of the year.

-cwe-

The annual 4th of July celebration is just around the corner. It will be on Tuesday, July 4. Once again the rumor went around that it was going to be on Saturday.

-cwe-Organizations needing to raise money are welcome to operate a booth at the July 4th event. Money can be made. In the past the booths were limited to non-profit organiza-

-cwe-A few of us managed to stay out of the water at the hamburger cookout and water rescue class Tuesday evening at the Christners. The number in the pool increased as the evening went on and some were fully clothed, including shoes.

-cwe-Mr. Barbecue can cook hamburgers too. Delicious Steve.

This has been such a crazy year, weatherwise, that there is no telling what may come. If you remember, we barely had winter and then a warm spring. It was snowing out west last

Joe Dale and Esther were here a few days from San Antonio. Did a lot of things for me. After visiting Joe one day, we had supper at the Rafter T. Nell Jane has really fixed it up nice.

Saw some of my readers there. For a treat, Joe Dale took us on a drive to Lugert. Went around the lake

and through the Granite Mountains. Sure a lot of folks out enjoying the scenery and nice weather. It looks like the style of farming has changed. I saw one field of row crops

between here and Lugert. Also there is one between here and Erick. I'm not sure if it was cotton or peanuts. Barely up. When we went over to the home

Friday to see Joe, it was the birthday of Bill Mills and Ruby Head. Bill nearly cried when he told me what a wonderful day he had with his kids and others there. Esther Pearl visited with Ruby, who is her distant cousin. Had some birthdays out this way

too. Leroy Dunlap was out to have lunch with Iva Thompson and help her celebrate. Debby Anderson and Millie Green took their mother, Helen Smith, to Elk City for a birthday dinner and shopping spree.

Some have asked about my Painted Bunting. It is about the size of a sparrow. Has a blue head, green back, red underneath, brown wings and tail. Really something to see. It's on the front of my bird book.

The Sweetwater-Meridian homecoming will be July 2 from 4 until 7:30 p.m. There will be a catered dinner at six. Faye Mong tells me that her class of 1950 will celebrate their 50th reunion at the dining area behind the concession stand then they will all eat at the dinner. There are four local of the class-Faye Mong, Gerald Tipton, Troy Sites, Sweetwater, and Hazel Miller of Allison.

L. G. and Anne Reed have been on the puny list this past week. Alma Richardson is home from the hospital. Lee Coffey has been ill.

The wild life seems to be doing well. Saw two snakes one day and a little lizard, a deer in the yard and turkeys along the road. Oh, I used to hate turkeys. By the time I was four, I had to help herd the turkeys and mark their nests. A raccoon gets in the window bird feeder. A possum was seen carrying off a watermelon rind.

See where my cousin, John Haag, of OKC was mentioned in the Okla homan. Something about him and his bicycle out on his 69th birthday this

Larry and Cindy LaCrosse, Levon and Tyler of Sturgeon Bay, Wisconsin, have been visiting her mother and grandmother, Mary Ann Harding and Mary Bollen at Erick this week. Mary Ann has been appointed to the Erick Council, Ward 1, to replace

THANK YOU

We would like to say "Thank You" to the Volunteer Firefighters, from Briscoe, Allison, Wheeler, Gem City and Canadian who responded to the fire that threatened our home on Tuesday, June 13th. Also thanks to the county employees that brought their equipment and assisted with the effort and to Levi and Dean for watering down the roof of our home. A very special "Thank You" to the Briscoe Firemen who returned to the fire after it broke out again only a short time after they had arrived home. These Firemen spent the rest of the night, putting out hot spots as the wind continued to change directions, causing small fires to start up again.

So many of us do not realize the swiftness and the danger of a fire that is in a CRP field. These firemen have spent many hours of training to prepare themselves so that they will be able to battle the flames before they do more damage to people's property. The Firemen all do this on a Volunteer basis and we owe them our heartfelt gratitude for their efforts. THANK YOU, FIREMEN!

TEXAS ONE CALL: 1-800-545-6005 CALL OKIE: 1-800-522-6543

Avoid the potential danger of an underground gas pipeline accident by digging safely. TEXAS ONE CALL or CALL OKIE will come to your site and clearly mark the underground lines where you should not dig, drill or bulldoze. So play it safe, call at least 48 hours before you dig.

> Be aware of these possible signs of a natural gas or natural gas liquids pipeline emergency and of danger.

A shrill, hissing sound

Unusual blowing dirt or dust or bubbles in water

Plants dying in the midst of living ones

Evidence of a fire, explosion, spill, or leak

If you detect any of these signs, avoid activity that could ignite the gas, like turning on electrical switches, operating equipment, even using the telephone. Evacuate the area immediately and from a safe location, call your local emergency authorities. And if in an area where our pipeline is located, call 24 hours a day, 1-600-522-8048.

YOU HAVE THE RIGHT TO KNOW THE "REAL" TRUTH

It is apparent that my opponent will say or do anything to purposefully deceive the public in his desperate attempt to win the District Attorney position.

My opponent knows full well that I have NO CRIMINAL RECORD. The Railroad Commission's very own records show there was no crime committed. He is also aware that a person with a criminal record cannot be licensed to practice law. I have been a licensed, practicing attorney for nearly 22 years with no reprimands or disciplinary actions.

You will recall that Senator Kay Bailey Hutchison was indicted in a political vendetta. Did this keep her from becoming a U.S. Senator?

I strongly urge all of the voters in the 31st District to consider these facts and not be deceived by misinformation and my opponent's desperate attempt to reclaim the DA position.

WHAT KIND OF DISTRICT ATTORNEY DO YOU WANT FOR THE 31ST DISTRICT?

- 1. One who is committed to the office on a full-time basis.
- 2. One who firmly believes in harsh, consistent prosecution.
- 3. One who will make himself available to law enforcement.
- 4. One who will make himself available to the public.
- 5. One who is concerned with the rights of victims.
- 6. One who is committed to our district only.

ONE WHO IS MERELY A PART-TIME D.A. AND GIVES PREFERENCE TO HIS CIVIL PRACTICE?

Please cast your vote on June 27th (early voting June 16-23) for RICHARD J. "Rick" ROACH for 31st District Attorney

Lou Dean Douthit, Irene Keys and Virginia Puryear visited Edna May Thursday and visited and played 42. Friday night they all went to Sham-rock to the Walk for Life to honor cancer survivors or in memory of deceased loved ones. Think they had about 1400 luminaires set up around the football field. They didn't get to walk all night because of the rain and lightning. Big crowd there. Hamburg-ers, etc. were available.

David and Rita Pearson met Dallas Fillingim from Vernon Saturday at Elk City. They shopped some at the new Wall Store where Wal-Mart used to me and ate at Simon's Catch. They also watched a movie to celebrate Father's Day. Sunday they met Lindsey Fillingim and Ken Criswell for lunch at Furrs in Pampa and a good visit. Nice to have Dallas come over and visit us awhile later. Dallas likes living and working in Vernon and has met lots of nice people. So David had

Howard's illness, just treating symptoms. Keep praying for this lovely lady.

Clouds Tuesday night and high winds brought lightning and thunder but very little rain. The Henry Leaches on Ratliff place got their transformer knocked out by lightning and were without electricity for a few hours. Lightning also started a fire in a big love grass field on Bill Hefleys just south of Dan and Kay Gatlins. Didn't really hurt the grass to be burned off, but hard to get the fire under control and pretty scary to the neighbors. Thanks to our faithful firemen and all who came to help.

Saturday morning Larry Taylor brought his sister, Phyllis Rexroat, and her daughter, Winter, and baby and friend to visit Aunt Rosalie Keelin. Rosalie really enjoyed their visit.
