Wheeler scored the first two of the season as he rambled for times they had the ball and looked like they would blow the Tigers out of the park but The occassional bursts by started going to the air on the wet night and that proved to

Baker broke at left tackle for 62 yards on the Mustangs second play and was hauled down on the Tiger 17. Ty Henderson scored from one yard out, four plays later and when McLean blocked Russell

PLAN YOUR FALL WARDROBE

Temperatures outside may still say "summer," but now's the time to plan your fall wardrobe.

First try on last year's fall and winter clothes. Check each item for wear, fit and fashion.

Discard or give away garments that cannot be altered to fit or the e you didn't wear last year--you won't wear them this year, either.

Pin notes to clothes needing attention. List the repairs or alterations to be made. Be specific so you won't need to

try each garment on again before working on it. Next, look for new garment

combinations that will extend your wardrobe. Often you can team jackets

with several dresses, skirts, and pants.

Make a list of new items needed to complete wardrobe ensembles. These items might be accessories such as belts, blouses

or scarves. Take your list each time you shop. Start sewing tonight, altering hems and sewing on buttons. When cool weather arrives,

you'll be ready. Big news for fall '80 is in the "Preppy Look," bringing back penny loafers, classic sweaters, oxford shirts, tweed jack-

Skirts are taking shape with a flare and with pleats of all kinds. Pleated skirts are in rich colored plaids--tartan kilties, too.

The blazer is an absolute fashion staple; short-cut and fitted over fuller skirts.

Pants are classic in pleated trouser looks that are clean, tailored and straight-legged. Bermuda shorts make a fall showing in corduroy, wools, and velvets!

Patterned sweaters combine with lace-collared blouses; oxford shirtings with paisley neckties; jabots.

Look for the return of the reefer coat! (Double breasted, fitted, large lapels, and a flared skirt.)

Be up-to-the-minute in the "Swing Suit"-with the top that's short, tailored, fitted; with a skirt that is wide swinging and fluid.

Basic preppy fabrics include shetland wools in windowpane tartan and ombred plaids; solid flannels; twill shetlands; tweeds. Slants on checks and plaids are the diamond check and new argyle patterns. Stripes and plaids are newest when they look like they're make with ribbons. Corduroy lookalikes have new surface Newest colors include deep teal, browns, taupe, lavender, black, rust, gray, maroom, curry, magenta, blue, fresh greens, and crisp white. ALSO WATCH FOR: Quilted jackets and coats; circular "puritan" and funnel colars; soft knit dresses and suits; dresses with lowered torsos; sweatshirt influences; the "tent" coat; unique jewelry-more focus on "genuines"; exotic fabrics and prints. Educational programs conducted by the Texas Agricultural Extension serve people of all ages regardless of socioeconomic level, race, color, sex, religion or national origin.

"We put the heat pump in our home based on the recommendation from a builder. He said, 'by having a heat pump, you will save money over a long period of time on heating and cooling costs.' And, he was right! We are saving money with a heat pump. The heat pump really does do an

efficient job of heating and cooling the home. If we were doing it all over, we would put a heat pump in again based on the results we've seen with lower electric bills. We are extremely pleased with the way the heat pump has performed.'

Palmer Sivage Requests Letters

Palmer Sivage, former County Treasurer, now a resident of the Phillip Nursing home reports that he is doing real good and would like to hear from his many friends and relatives here. His address is "Palmer Sivage, Phillip Rest Home, Phillip South Dakota"

On Thursday of last week Lisa Sivage, a neice of Harold and Palmer Sivage and grand daughter of Mrs. Laura Clark came to the Nursing home and did some mighty fine dancing. Lisa did a ballet, a tap number, and a bit of interpretive dancing, and in costume too. Between numbers Jodie and Jana Hickman twin grandaughters of Mrs. Laura Clark recited some poems, "The Grasshopper" and "The Porcupine". Mrs. Von Sivage provided some angel food cake with whipped topping sprinkled with red sugar. Little Jamie Sivage son of Ray Sivage was an honored guest and made quite a hit with the residents at the home. Another of the party was Todd

Schutzle.

Mary Wofford read the minutes of the last meeting. Of note was that we had three new members: Paula Britt, Dorothy McIlhany, and Bernice Hall. With the help of these seasoned Club workers we see the future as much brighter.

Dorothy McIlhany had a verbal portrait of the president of the Texas Federation of Women's Clubs.

Vida Brown read a poem "Federation Heritage". Paula Britt led us in the song "Unity

in Diversity", the theme of the General Fedaration, and brochures of this theme were passed to the members. Mary Mitchell passed out the new Yearbooks and gave a briefing of the same. Since this week marked Mrs. McIlhany's birthday the Club gave her a cheering hand and

sang "Happy Birthday". With the repitition of the Club Collect the meeting adjourned

Those present, in addition to those mentioned above were: Mesdames Opal Davidson, Laura Guthrie, Golda Mcllhany, Mae Nash, Grace Pettit, George Weems, Elva Wood, and complimentary members Mrs. Glenn Williams and Mrs. Jerry Hogan.
