### CWE CHAT WITH EDITOR

By Louis C. Stas

The Old Mobeetie Texas Music Festival was a success. The weather was perfect and the attendance was excellent.

The 0.29" rain received this month fell over the weekend, but did not fall during the performances. The .011" received Saturday night started 15 minutes after the performance was over.

We entertained the family bluegrassers, the Arnolds from Del City, plus the Fishers from Mustang and Erroy from Hlinton.

The Star Canyon Band members plus one wife and one son were also our guests for 'dinner' Saturday evening.

Barbara and I did manage to make the Sunday morning performance of the festival. Yes, we enjoyed it.

Barbara and I were the guest of the Wheeler Lions Club for a cookout at the park Tuesday evening. Two foreign exchange students were introduced to those in attendance; both are staying with the Kuntz family.

Alexandre Francois from France was sponsored by the Lions Clubs organization. He will be leaving Saturday. Sandra Van Bossuyt had stayed with the Kuntz family before and came this time to the U.S. on vacation from Belgium.

It was not my weekend for making ice cream. I had a hard time getting it to freeze after some difficulty in getting it mixed up. And, it did all go to waste; none of it went to waste.

Thriftway ought to pay us to stay home more often.

I must have 'card player' tattooed on my forehead. We went to the Crosses Sunday evening. I had no sooner gotten set down and Rachael, 6, came to me with a deck of cards and ask if I would play cards. We did.

Other than eating, cards were our main form of entertainment.

We were at the card table Monday evening for our regular three games. Bob and I won the first two games and Mike and Dwight won the third game.

Mr. Sims was born in Dalhart. He graduated from Wheeler High School and attended Texas Tech University and McMurry University. He moved to Lubbock in 1985 from Amarillo. He worked in administration at Cavazos Junior High School.

He was a member and past Sunday school teacher at Trinity Church.

Survivors include a daughter, Tracy Sims of San Antonio; a son, Steven Sims of Lubbock; his mother, Amelia Sims of Arlington; a brother, Kent Sims of Wheeler; two sisters, Joyce Haddox of Austin and Carolyn Jolly of Arlington; and a granddaughter.

The family suggests memorials be to the American Cancer Society; or a favorite charity.

### Highway 83 Is Topic Of Pre-Construction Meet

The Texas Department of Transportation hosted a pre-construction meeting on Wednesday, July 20, 2000, at the Wheeler County Maintenance Facility in Shamrock, TX. The purpose of the meeting was to discuss the roadway improvements scheduled for US 83 in Wheeler County. This project will start at the north city limits of Wheeler and extend north for a distance of 5.5 miles.

The \$1.8 million contract was awarded to Jordan Paving Corporation of Irving, TX. "Disruption of traffic will be minimized as much as possible through the project limits," said Darwin Lankford, Wellington Area Engineer.

Work will start in October by upgrading the existing drainage culverts to improve the safety aspects of the roadway. Work will then be suspended until the spring of 2001 when the mill and overlay operation will begin to coincide with the asphalt season.

Doug Daniel will be the Project Manager for TxDOT while Morris Daniels will be the Job Superintendent for Jordan Paving.

For more information: Call Darwin Lankford, TxDOT Wellington Area Engineer, 940-937-7186 or Barbara Seal, TxDOT Public Information Officer (940) 937-7145.

### Pre-Kindergarten To Be Offered At Wheeler I.S.D.

The Wheeler I.S.D. will offer a Pre-Kindergarten program for the 2000-2001 school year. Enrollment in pre-kindergarten is determined by qualifying conditions which have to be verified by the administration after a parent or guardian has completed an application form for their child.

To qualify for pre-kindergarten, a child must be four (4) years old on or before September 1 of the current school year. In addition one of the following conditions must be verified:

1. **Qualifying condition:** Economic disadvantage, based on the U.S. Department of Agriculture's guideline for free and reduced-price lunches. Parents will have to completely fill out, date, and sign a free and reduced-lunch form. If a child qualifies for free or reduced lunches he/she qualifies for pre-kindergarten.

### "Experiencing God Weekend"

Country Chapel will be hosting an "Experiencing God Weekend" August 4-6 at the Country Chapel building. The weekend will be led by an Experiencing God team coming in from around the state of Texas. The weekend will focus on the following Seven Realities of God as outlined in Henry Blackaby's "Experiencing God" Bible study and book.

1. God is always at work around you.
2. God pursues a continuing love relationship with you that is real and personal.
3. God invites you to become involved with Him in His work.
4. God speaks by the Holy Spirit through the Bible, prayer, circumstances, and the church to reveal Himself, His purposes and His ways.
5. God's invitation for you to work with Him always leads you to a crisis of belief that requires faith and action.
6. You must make major adjustments in your life to join God in what He is doing.
7. You come to God by experience as you obey Him and He accomplishes His work through you.

The "Experiencing God Weekend" will continue through Sunday night, but all seven realities will be covered during the teaching sessions on Friday night and Saturday. The weekend is an excellent beginning for a twelve week Bible study through the "Experiencing God" curriculum by

### Wheeler Kindergarten Packets Can Be Picked Up

Wheeler I.S.D. Kindergarten Registration Packets are available.

Any child, who will be 5 years old on or before Sept. 1, of this year is eligible to attend Kindergarten.

Registration packets for children, who will be attending Wheeler I.S.D. Kindergarten during this school year are available and may be picked up in the hall outside the superintendent's office on business days.

The required forms included in the packets are: 1. Registration Form; 2. Student Health information (A two page questionnaire); 3. Home Language Survey. The parent/guardian must provide all the requested information, including full legal names and the child's social security number, as well as, copies of the child's official birth certificate (state copy—not hospital copy) and immunization records (authorized by doctor or official clinic), before his/her child can be enrolled in school.

The estimated length of time needed to finish these documents is from 15 to 30 minutes; some of the information required (for example, the date of the last dental exam or the phone number of your preferred hospital) is generally kept with other personal records at home or may even require a call to your family doctor.

Because of these factors, coupled with the usual, unavoidable registration "traffic jam" of waiting in line to complete the enrollment process, school personnel believed some parents might prefer the option of completing these documents in the quiet and privacy of their own homes. Parents who prefer to wait until registration day are welcome to do so.

### Special Attention!!!

**Registration Day . . . For Kindergarten . . . will be Monday, Aug. 14, 8:30 A.M. in the cafeteria.** You will register your child then take your child home. This will count as his first day of school.

The first full day of class for kindergarten will be August 15, a Tuesday. Kindergarten attendance hours for the first 2 weeks are 8:30 - 1:30.

Woke up Friday morning to thunder and lightning. The Rain crew had hollered for two weeks to no avail. At last, he had finally got the job done. Sadly not too done. Only made it to .12 of an inch. We all know that the sun shines a little while on Friday and so it is right now.

Wonder why the schools are starting in August instead of September? Back in my day, we had to go in the summer because we had to pick cotton and head maize in October and November. Now the crops are harvested by machines.

Judy and Gerald Tipton are back from Lewisville, TX, where they visited their daughter, Tammy Fuchs, and family and Jan Woods. Jacob came home with them and will also visit his other grandparents at Sayre. "Shorty and Inez Abell of Whittenburg, Az., have been visiting Arnold and Bonnie Rice.

I fared well this week. Ann Reed and Eva Atkinson came over for a short visit and brought goodies from their gardens. Little Tracy Beavins was with Ann.

Our tax lady, Glenda Kirk, and friend came by this week. Nothing new here but good to see her.

I hear Heather and Derek Dunlap are going to move into the Bertha Coffey house.

Stella Jenkins had her trees sprayed for bagworms and it was amazing how many grasshoppers kicked the bucket too.

Ray and Doris Smith celebrated their 28th anniversary this week. Stevie and Brad Markham, Kade and Tori from Elk City were out to see them.

Randa Coffey tells me she and Clarence will be going to El Reno tomorrow to see Lindsay show at the Sheep Fair. She said Cade Sites would show too, so I imagine Mike and Sally will go.

Betty Anderson was over to drink coffee with Stella Jenkins yesterday.

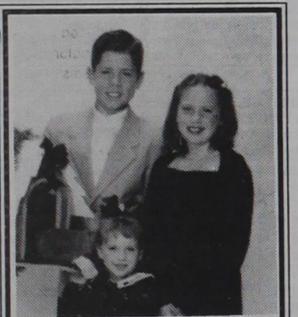

We really need rain. The ground is beginning to crack in spots. The 12 inches we got in June is probably what has kept everything looking so beautiful.

**2000 Property Tax Rates in WHEELER COUNTY**

This notice concerns 2000 property tax rates for WHEELER COUNTY. It presents information about three tax rates. Last year's tax rate is the actual rate the taxing unit used to determine property taxes last year. This year's effective tax rate would impose the same total taxes as last year if you compare properties taxed in both years. This year's rollback tax rate is the highest tax rate the taxing unit can set before taxpayers can start tax rollback procedures. In each case these rates are found by dividing the total amount of taxes by the tax base (the total value of taxable property) with adjustments as required by state law. The rates are given per \$100 of property value.

Last year's tax rate:	Farm to Market/ General Fund	Special Road/ Floor Control Fund	Bridge Fund
Last year's operating taxes	\$1,632,097	\$443,641	\$349,407
Last year's debt taxes	(\$120,895)	(\$32,861)	\$0
Last year's total taxes	\$1,511,202	\$410,780	\$349,407
Last year's tax base	\$398,217,090	\$788,036,910	\$398,216,382
Last year's total tax rate	0.379492/\$100	0.052127/\$100	0.087743/\$100
<b>This year's effective tax rate:</b>			
Last year's adjusted taxes (after subtracting taxes on lost property)	\$1,503,776	\$152,657	\$347,690
This year's adjusted tax base (after subtracting value of new property)	\$411,239,627	\$407,043,424	\$411,239,627
This year's effective tax rate for each fund	0.365669/\$100	0.037503/\$100	0.084546/\$100
Total effective tax rate	0.487718/\$100		
<b>This year's rollback tax rate:</b>			
Last year's adjusted operating taxes (after subtracting taxes on lost property and including taxes for state criminal justice mandate)	\$1,624,076	\$164,870	\$347,690
This year's adjusted tax base	\$411,239,627	\$407,043,424	\$411,239,627
This year's effective operating rate	0.394922/\$100	0.040504/\$100	0.084546/\$100
1.08=this year's maximum operating rate	0.426515/\$100	0.043744/\$100	0.091309/\$100
This year's debt rate	0.000000/\$100	0.000000/\$100	0.000000/\$100
This year's rollback rate for each fund	0.426515/\$100	0.043744/\$100	0.091309/\$100
This year's total rollback rate	0.561568/\$100		

**Statement of Increase/Decrease**

IF WHEELER COUNTY adopts a 2000 tax rate equal to the effective tax rate of \$0.487718 per \$100 of value, taxes would decrease compared to 1999 taxes by \$265,923.

Soloist Keith Meek sang "I Do" and also a special song written by himself especially for the bride and groom. Tim Money on piano played "There is Love" as the parents were seated. "Cannon in D" was played as the bridesmaids walked down the rock walkway; organist Tim Money played the "Wedding March" as the bride entered.

The bride wore an elegant Duchess satin strapless bodice formal white gown featuring a wide cuff at the top, trimmed with a graceful pattern of crystals, seed pearls, and bugle beads. The entire hemline of the Princess panel skirt and the chapel train was edged with a banding of the same trim, as was the matching stole. The back of the gown presented tiny bows that ran the length of the train. The headpiece of choice was a bun wrap accented with small pearls and bugle beads with a two layered tulle veil with edging; one layer flowed to her waist and the other to her elbows.

The bride carried out the tradition of wearing something old, new, borrowed and blue. The brides dress was new, her garter was trimmed in blue. The something old was a ring that her grandfather Lackey had given to her mother when she was a child and had been given to the bride on her 16<sup>th</sup> birthday. Her grandmother Lackey's wedding ring was borrowed for the ceremony, but this ring was then presented to her as a gift. The bride also wore a white gold necklace accented with small pearls which was a gift from the groom. The bride also carried two pennies with the year of her and husband's birth, 1976. The bridegroom wore a Milano

jacket with a white manerir shirt and black pleated pants tuxedo suit.

The bridal attendant's dresses were Papell Boutique made of satin and chiffon. Each had a satin bodice and chiffon skirt and a matching stole. All were made with an empire waist styling, all in the color of banana yellow. The groom's attendants wore black slacks and white dress shirts with matching navy ties.

The color theme of the wedding was banana yellow and navy. The bride chose a nosegay of fresh all yellow roses in different stages of openness with sheer navy wired ribbon deep in the center of the bouquet with accents of ivy. Bridal attendants carried a single long stem yellow rose accented with navy ribbon and ivy.

The wedding reception was held at Country Home Bed and Breakfast. The reception attendants were Christie Steffek of Hallettsville, cousin of the bride, Kristi Hefley of Lubbock, cousin of the bride, Stephanie Criswell of Waco and Andrea Criswell of Wilborn, KY, both sister-in-laws of the groom.

After the cake exchange and toasting of champagne, there was a dance at the Country Home Bed and Breakfast on the flower garden pergola under the bright stars and full moon hosted by the mother and step-father of the bride.

Following the ceremony there were fruit sculptures and finger foods hosted by the bride and groom. The meal included brisket marinated in wine, smoked sausages, shaved meats for gourmet sandwiches, assorted vegetables with dips, cheeses with assorted crackers, chocolate fondue dip with strawberries, chips and homemade salsa, a variety of fruits in season and iced tea.

The bride is a 1995 graduate of Briscoe High School. Her anticipated graduation is in December from West Texas A&M University with a Bachelor's of Science in Biology. She is employed by Panhandle Plains Student Loan Center as a default prevention specialist.

The groom is a 1996 graduate of Idalou High School and of Amarillo College with an Associates in Aviation Maintenance. He will be returning to West Texas A&M University in the fall to continue his education. He is employed by Bell Helicopter Textron as an Assembler.

The couple honeymooned on a Royal Caribbean cruise to the Caribbean Islands. Ken and Lindsey will reside in Canyon.

Prior to the marriage, the couple received wedding showers at Briscoe, Idalou and Slaton. There was also a lingerie shower given to Lindsey at her place of employment. The groom's mother and step father hosted a rehearsal dinner at Ruby Tequila's Mexican Restaurant on Friday evening. There was also a ladies luncheon on Saturday at the Olive Garden Restaurant after the bride's three-hour relaxation gift from her mother and step father at the Body Elegance Salon and Day Spa.

Wheeler, Allison, Kelton and Ft. Elliott School District/Charter School Letter to Households (Multi-Child) National School Lunch/Breakfast Program School Year 2000-2001

The Wheeler ISD, the Allison ISD, the Kelton ISD, and the Fort Elliott CISD today announced its policy for providing free and reduced-price meals for children served under the National School Lunch and School Breakfast Program. The central office of each school has a copy of the policy, which may be reviewed by any interested party.

The Wheeler school offers a choice of healthy meals each school day. Children may buy lunch for \$1.05 or \$1.25, breakfast for \$.60 or \$.75. Children who qualify under U.S. Department of Agriculture guidelines may get meals free or at a reduced-price of \$.40 for lunch, \$.20 for breakfast. All meals served must meet nutrition standards established by the U.S. Department of Agriculture. If a child has a disability, as determined by a doctor and the disability prevents the child from eating the regular school meal, the school will make substitutions prescribed by the doctor. If a substitution is needed, there will be no extra charge for the meal. Please note, however, that the school is not required to make a substitution for a food allergy, unless it meets the definition of disability. Please call the school for further information, telephone number 806/826-5241.

The household size and income criteria below will be used to determine eligibility for free and reduced-price benefits. Children from households whose income is at or below the levels shown are eligible for free or reduced-price meals. Foster children who are the legal responsibility of a welfare agency or court may also be eligible for benefits regardless of the income of the household with whom they reside. Eligibility for the foster child is based on the child's income.

Application forms are being distributed to all households with a letter informing households of the availability of free and reduced-price meals, households must fill out the application and return it to the school. Applications may be submitted anytime during the school year. The information households provide on the application will be used for the purpose of determining eligibility and verification of data. Applications may be verified by the school officials at any time during the school year.

For school officials to determine eligibility for free and reduced-price benefits, households receiving food stamps or TANF only have to list their child's name, food stamp or TANF case number, and an adult household member must sign the application. Households who do not list a food stamp or TANF case number must list the names of all household members, the amount and source of the income received by each household member, and the social security number of the adult household member who signs the application. If the adult who signs the application does not have a social security number, the household member must indicate that a social security number is not available by writing the word "NONE". The application must be signed by an adult household member.

Under the provisions of the free and reduced-price meal policy the school reviewing official will review the applications and determine eligibility. Parents or guardians dissatisfied with ruling of the official may wish to discuss the decision with the reviewing official on an informal basis. Parents wishing to make a formal appeal for a hearing on the decision may make a request either orally or in writing to the Superintendent of the school.

Households that list a food stamp or TANF case number must report when the household no longer receives these benefits. Other households approved for benefits based on income information must report increases in household income of over \$50 per month or \$600 per year and decreases in household size. Also, if a household member becomes unemployed or if the household size increases, the household should contact the school. Such changes may make the children of the household eligible for benefits if the household's income falls at or below the levels shown above.

In accordance with Federal law and U.S. Department of Agriculture policy, these institutions are prohibited from discriminating on the basis of race, color, sex, national origin, age or handicap.

To file a complaint of discrimination, write USDA, Director, Office of Civil Rights, Room 326-W, Whitten Building, 1420 Independence Avenue, SW, Washington, D.C. 20250-9410 or call 202/720-5964 (voice and TDD). USDA is an equal opportunity provider and employer.

Dean and Linda Lieb from Morse were weekend visitors to Linda's Mom, Edna May. Good to see them all out to Mobeetie to the Music Festival Saturday.

Pray for Verneal Prater. He has been having extremely high-blood pressure—over 200 on the bottom. Doctor said he was a walking dead man; to take more pills and quit work.

Dick and Ruth Irvine hosted a party Friday night for Briscoe Ex-Students. Adam and Casey Tipps prepared delicious snack trays and served the guests. Some there were Irene Snider (Helton), E. J. Meadows, Charlotte Eiland, Joe and Camella Hefley, Harper and Betty Muse, Charlie Finsterwald, C. G. and Rosemary Dodd and Dick and Ruth. They had a great time visiting and reminiscing.

Evelyn and Kathy Meek visited Willa Fillingim last Sunday and brought her a book to read. Tuesday, Dee Barr and Houston and Randi Lyn and a brother visited Willa and saw the animals and took a few chickens home with them.

Rick and Lucy Lucas and Russell from Westport, Kentucky, came July 19, to visit Lois Meadows. Lois went with them on vacation to the Pagosa Springs area of Colorado. Sorry Lucy got sick and they didn't get to do much. They came back to Lois' home on Wednesday. J. P. and Martha Meek and Eddie and Leta Meadows visited them Wednesday night. The Lucas family went on home Thursday.

Nice to have Willa Bible from Fritch meet us for lunch at Pampa Wednesday. Wilma has been losing much weight, unintentionally, so pray for this dear friend. She taught school at Briscoe eight years. We enjoyed her and children, Carla and Tom. They and sister Nancy all live at Fritch. Wilma plans to come to Briscoe School Reunion. (She did.)

Ray and Glenda Hudson hosted a party after the School Reunion Saturday for visiting and snacks. Some there were Ed and Laurel Hershman, Jimmy Keelin, Sharon Grandstaff and friend, David Strawbridge, Patsy and John Brogdon, Billie and Donald Stuckey, Lou Dean Douthit, Bud and Kay Waters and Ray and Glenda.

Patsy and John Brogdon spent Saturday and Sunday night with Lou Dean and Billie and Donald Stuckey.

There was a good crowd at Wheeler Methodist Church Sunday night for Fifth Sunday singing with singers and others from the Nazarene Church, Country Chapel and United Methodist. All very good. Methodist Pastor and wife are Wayne and Sherry Sheffield. From Country Chapel are Jerry and Becky Jewell. From Nazarene Church are Charles and Joy Ballard, pastors.

Recent visitors to David and Rita Pearson were Pat and Kristi Sheffek and children and Jerry and Marion Lackey, all from Hallettsville.

Saturday, Rita and David visited Ken and Lindsey at Canyon.

Sincere sympathy to family and friends of H. J. Johnson, 80, of Pampa in his death from a brain tumor. He was married to Evelyn Morehead. He was the father of Jay Johnson, dentist. Fine people. May God comfort your hearts.

Amber Maddox entered the First Annual Fishing tournament for kids at the Hemphill County Duck ponds. Prizes were awarded and a hamburger feast for all. Kids were entered from 1 to 15 years. Congratulations Amber for catching the largest fish in the 6-10 year old division: 26 3/4 inches, which was the largest fish caught.

Rich and Connie Irvine and Justin and Marie are moving this week to Watertown, Minnesota to live. Rich has been working for several months in an important computer job in Min-

neapolis. Connie will be working in schools in the special education field. Pray for this sweet family. God bless you everyone!

Recipe from Bev Fenwick—a family favorite.

I had a request for this recipe.

**Chocolate Coke Cake**  
1 cup coke  
1 stick margarine  
1/2 cup shortening  
1/4 cup cocoa  
Heat all together till boils.  
Add 1 1/2 cups mini marshmallows and stir

Add 2 cups sugar mixed with 2 cups flour. Beat till marshmallows melted and all blended.

Add 1 teaspoon vanilla  
1/2 cup buttermilk  
2 eggs  
1 teaspoon each soda and salt  
Mix well and bake 350 degrees in long sheet pan about 20 min. or springs back. Cool.

Frosting: 1 stick margarine, 1/3 cup Coke, 2 Tablespoons Cocoa, 1 teaspoon vanilla, 1/2 cup chopped nuts. Heat till boiling and add about 3 cups powdered sugar or spreadable.

Tuesday, July 25 (Gena's 68th birthday) Bob and Gena Zybach met Roy and Mae Powers from Fabins, N.Y., at Wheeler at Wares. They all went to Cordell for Bob to look at a tractor. Then they shopped and ate at Elk City and went by the Honey Farm. Roy's grandmother was a sister to Ern Zybach. It was also Roy's 68th birthday and Mae was 68 in June. Wares were doing some work on the Powers' car—air conditioner. Ray and Mae headed back to New York when they got back to Wheeler. They had been to an antique car show at Fort Worth.

Allison Methodist church had a potluck picnic at Suzanne Lohberger's home. Many enjoyed the swimming pool and the good food (3 pots of blackeyed peas and lots of fried okra and many other things.) Good cooks over there.

Laurel and Ed Hershman went to Amarillo Sunday and took some things to Brad and Sarita Dawson and visited.

Our preacher, Aaron Lavety was unable to come to church at Gageby Sunday because he can't sit much. Nice to have Richard and Karen Laverty and Trey, Shaleena and Brenee out to Gageby. Richard preaches at a Baptist church in Farwell, TX. They were on vacation. We appreciate Richard teaching our class and preaching. (He didn't lead the singing). Nice to have them eat lunch at Maxeys with us Sunday.

Another group were Jane Ann and Curtis Hall and Kent with Joe and Lucy Kent, Kyndal Murray and Derek and Krista. (Lucy Barnett and Jane Ann Zybach were best friends all during school at Briscoe and still are.)

Another group included Lottie Venable and R. L. and Rozena Zybach and Mac and Gay Purcell. Lottie came Friday and has been staying with R. L. and Rozena and going to Briscoe Reunion. She was eating lunch with Bob and Gena Zybach Monday and planned to spend Tuesday night with cousin, Freida Tucker at Clarendon.

We enjoyed going to the Mobeetie Music Festival Friday night. Lots of good music and food. People from many places go to all the Music Festivals, near and far. We missed Austin Caldwell there. Good to see Pierce Walker still able to be there and Doc Eckles of Canadian—a faithful fan—there with Sheriff Dean Butcher and wife. Visited some with a nice couple from north of Abilene and another couple from south of Oklahoma City. Mobeetie has a great place under the shade trees to listen to the music and many hook-ups for people to park their RV's and camp out in a fresh country atmosphere. We really enjoyed the different music groups. Thanks to all who made the Festival possible.

Correction: Bob Wills, C. G. and Rosemary Dodd did go to New Deal to a family reunion.

"God be with you till we meet again."
