GOD'S WILL IS HEALING

It is God's will for you to be well. As a matter of fact, the Bible tells us that God desires that you be in health and prosper as your soul prospers. And it says that this is His desire ABOVE ALL THINGS.

God made the human body so that is fights against disease entering into it and has healing processes within itself which work to help keep us healthy. Also, God gave us a covenant of healing. He said in Exodus 15:26 that if His people would obey Him, He would heal for "I am the Lord that Healeth thee." In Deuteronomy 7:15 He said, "the Lord will take away from thee all sickness."

Then, Jesus came and died on the cross for us. And the Word of God says that with the wounds He suffered, we are healed (Isa 53:5). Another thing God did to bring healing was that He put "gifts of healings" in the church (I Cor 12:28). He also told us to call for the elders of the church if we were sick and that they would pray, anointing with oil in Jesus name, and we would be healed. (James 5:14).

Besides all of these things, God has also used medical science to help bring about healing to many people. With all these many channels of healing, surely it is an obvious thing to see that GOD'S WILL IS HEALING.
