President Carter has just delivered the long awaited speech on energy. That seems to be a problem that we have to face. But Mr. Carter said something else. He talked about the battle of Confidence, Loyalty and Patriotism. That is that! As a nation we seem to have no reserve stock in these qualitites. It was shocking to hear, a few days ago, a "man on the street" opinion, via TV broadcast, of Patriotism. There doesn't seem to be any patriotism any more. Daniel Webster, a patriot of early day America had a lot to say about patriotism. I quote, "Let our object be our country, our whole country, and nothing but our country. And by blessing of God, may that country itself become a vast land splendid monument, not of oppression and terror, but of wisdom, of peace, and liberty, upon which the world may gaze with admiration forever." How about reading that

Do we, today, have that sort of countanance? Another writer said that if we do not rise to such a level we are not likely to rise to any other level. Be serious. Listen to what the man-on-thestreet says. In my estimation we are running short.

a resolution concerning House Bill 1060, Articles I and II. It was the belief of the Board that any attempt for the 1979 tax year to value qualified land based on the productive capacity would result in confusion and delay detrimental to planning the 1979 school year. Hence, the AG-Use Value will be delayed until the 1980 school year.

The Board also went on record to grant automobile exemptions for the patrons of the Wheeler ISD. The \$5,000 homestead and \$10,000 exemptions for people 65 and over will be granted.

The Board approved the purchase of new auditorium curtains and lighting, employed Miss Pam Krisan as English teacher and Lynda Allen as secretary to the Pincipals.

Thriftway Boxed Beef Home Freezer Sale!

WE RESERVE THE RIGHT TO LIMIT.

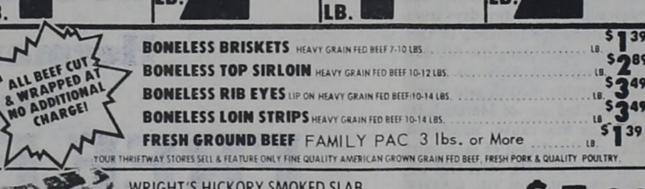

Boxed Beef is only the useable portions of the carcass skillfully trimmed and packaged through ultra-modern processing, then vacuum sealed and boxed for ease of handling. Cutting these portions to desired roasts and steaks does not require a trained butcher. In fact, many housewives across the country prepare the boneless cuts to their own requirements right in their kitchens. What a fine way to get just exactly the cuts you need and save dollars on quality beef at the same time. However, on any Boxed Beef purchase you make with us we gladly cut and wrap it to your own

- 1. Boxed Beef is naturally aged, thanks to its patented vacuum wrapping.
- 2. More sanitary-less bacteria. 3. You buy meat without the surplus waste fat
- 4. You save money in buying meat instead of
- bone, fat, and trimmings. 5. Quality controlled beef. Only the best beef is
- selected to go in the Boxed Beef program.
