SATURDAY IS ELECTION DAY; VOTE

CWE CHAT WITH EDITOR
By Louis C. Stas

Once, Again, it is time to cast your ballot. County, city, school and hospital elections are being held over the county Saturday, April 6. You are the one who decides the outcome of these elections; if you vote.

A "Good Luck" wish is extended to the one-act play cast, crew and director in competition Friday afternoon.

Today is the day Shugart Studio will be at Ben Franklin in Wheeler. Their advertisement appeared last week with a "1" in front of the "4"; the date should have read Thursday, April 4. Here is an opportunity to have the little ones pictures made in their Ester finery.

The EMT students made their final trip to Northwest Hospital in Amarillo Saturday night. And they are in the final quarter of the course. Students and teachers, alike, will be happy when it is finished.

Jennifer had an early birthday "slumber party" Friday night and Aunt Melba was the hit of the party. My sister decorated Easter cookies for the fourth grade class and a cake for Jennifer's party; she worked until around 3 a.m. and then the kids ate cake. The kids now know how much work goes into these cookies and cakes which are so quickly devoured.

I did not stay up for the cake, I am too old for that foolishness; besides, I had to be up the next morning to work at the office with Ed on the remodeling project which is still underway. We put the brother-in-law and nephew-in-law, Gene and Toby, to work also.

Then I had to go to Amarillo and spend the night in the emergency room with the EMT students.

Once again, VOTE.

Mobeetie Baptist Easter Sunrise Service

The First Baptist Church of Mobeetie will again sponsor a Sunrise Service on Easter Morning at the lake at the M.K. Brown Scout Camp. The message will be brought by Gary Higgs, pastor of the Kelton Baptist Church and the Kelton church will also furnish special music.

All area residents are invited to attend. This service will start at 6:15 A.M. on Easter Sunday morning. Following the service, refreshments will be served by the Mobeetie church at the dining hall at the boy scout camp.

Easter Cantata

Allison United Methodist Church is presenting an Easter Cantata Friday, April 5 at 7:00 p.m.

The name is "Hosanna". Everyone is invited to come.

Kelton Rabies Clinic

The Wheeler Vet. Clinic is sponsoring a rabies clinic at the Kelton Ag. Building, from 5:30 p.m. to 6:30 p.m. Thursday April 4.

SOPHOMORE OF THE YEAR: Marlo Hartman was selected Sophomore of the year by the Amarillo Globe News. Marlo was also selected to the 2nd team All-Region Basketball team by the TABC.

Local Key Club To Have Lt. Governor

The Wheeler Key Club of Wheeler High School recently held elections for their new offices for next year. Elected to serve as President for the 1985-86 year was Stephen Meadows. Stephen, 16, will be a Junior in Wheeler High School and is the son of Mr. and Mrs. Brady Meadows.

The Wheeler Key Club is also happy to announce that Stephen will also serve as the Lt. Gov. of Division 6 of the Texas-Okla. District for next year. This division covers the Eastern Panhandle from Amarillo to the East. Stephen will be installed in this office at the Key Club District Convention in Ft. Worth, April 26-28.

Other than Key Club, Stephen also participates in athletics, is a member of the Band, a member of the One-Act Play Cast and participates in U.I.L. events.

The other officers in the Wheeler Key Club for next year will be Jamie Kreyling, Vice President, Randy Horton, Sec., Tom Cook, Treas., and Shane Whitely, Sgt. at Arms. They will be installed after the District Convention and will begin serving at that time.

Wheeler Council Awards Contract

Mayor Louis C. Stas opened the special meeting March 28, 1985 by declaring Four bids were received on seal coating a portion of the City's streets.

The bids were: Lipham Construction of Aspermont, \$24,120.00 with 90 days to complete; E.D. Baker Construction of Borger; \$26,280.00, with 60 days to complete; 3-Way Construction of Altus, Oklahoma, \$37,800.00, with 10 days to complete; Lewis Construction of Dumas, \$24,120.00, with 90 days to complete.

After discussing the bids, David Cross motion to accept the bid of Lewis Construction, Jimmy Hill second, motion carried.

With no other business, Bobby Vanpool motion the meeting adjourn, Jimmy Hill second, motion carried.

LAS VEGAS TRIP WINNER

Dennis Moore is the winner of the Las Vegas trip raffled by Alpha Mu Alpha. The trip includes airfare and motel accommodations for two and can be taken anytime before September 25. The raffle ticket was sold for one dollar. Proceeds from the drawing will help fund the youth baseball/softball program.

Saturday, April 6, is election day with county voters going to the polls to elect city, school and hospital officials and decide the fate of a .03 cent county tax for the study of underground water. The voters will, in some instances, have to make two or more stops to cast their ballots in the four elections. Absentee voting ended Tuesday with a good turnout in most cases.

WATER DISTRICT ELECTION

The county voters are being asked by the Wheeler County Water Supply to vote a .03 cent per hundred dollar evaluation for a study of the underground water supply in the county.

Maps show the north part of Wheeler county to be saturated with water from the Ogallala formation. The purpose of the study is to learn if and where there is an adequate supply of water for Wheeler and Shamrock.

A study will first be made of existing logs and records of the wells, which have been drilled in the county to find the most likely location for an adequate supply of water. If such a location is found, it then may be necessary to drill test wells to learn the amount of water, which can be pumped.

The cost of the water, cost of production and cost of transportation will also be a part of the study.

The estimated cost of the complete study will be \$210,000.

Voters will cast their ballots at their regular voting box locations for this election.

CITY OF WHEELER

The City of Wheeler has three places on the city council to be filled with incumbents Bobby Vanpool and Berniece Hall running unopposed. Place 5 has two candidates for election to the two year term; they are Walter Simmons and Mark Frankenbery.

Jim Hill did not seek a third term on the council.

WHEELER SCHOOL

Wheeler School will be filling two places on the board of trustees. The ballot shows only one contested race, position 4. The only incumbent in the election, Bobbie Hill is asking for a second term on the board in position 4; her opponent is Shari Porter.

Delbert Thomas is the only candidate listed on the ballot for the position 5. Gail Ledbetter began a write-in campaign two weeks ago for the seat vacated by Cecil Pierce.

CITY OF MOBEETIE

Mobeetie voters will select a mayor and two council members. Mayor Leona House and alderman Roy Stribling are seeking re-election.

Mayor House is unopposed in her bid for re-election with six names on the ballot for one of the places open on the council. Voters will place an "X" beside two of the following names: Margaret Trout, Roy Stribling, Dennis Hilburn, Sharon Arganbright, Marie Gudgel or Dennis Jones.

MOBEETIE SCHOOL BOARD

The four candidates on the ballot for election to the Board of Trustees for Mobeetie are unopposed. Three individuals are seeking three year terms and the fourth will be filling an unexpired 1-year term.

Seeking full terms on the board are Nadean Morris, and appointed incumbent; Mark Hefley and Randy McCurley, incumbent. Appointed incumbent Archie Summers, Sr. is asking for election to the chair he presently holds.

Absentee voting will be at the school between the hours of 8 a.m. and 4 p.m., beginning Monday, March 18, and continuing through Tuesday, April 2.

HOSPITAL BOARD

Three members of the North Wheeler County Hospital District Board of Directors are seeking re-election. Representing their respective communities and asking an additional term on the board are Louis Grayson of Allison, Dean Tipps of Briscoe, and Melvin May of Mobeetie.

ALLISON

Three places are to be filled on the Board of Trustees for the Allison School District. Four names appear on the ballot; incumbent Hiram Begert is listed with Vance Boydston, Bevard Dukes, and Dean Keyes.

Retiring from the school board are Junior Colter and Larry Elmoro.

BRISCOE SCHOOL BOARD

The election for Briscoe School Board is a contested race. Four names appear on the ballot for the three places to be filled. Names on the

ballot are Gene Ferguson, Bill Hefley, Larry Nelson and Ray Hudson.

Ferguson, Nelson, and Hefley are the incumbents seeking an additional three years on the board. Ray Hudson is asking the voters for a chance to serve the community.

Absentee voting will begin Monday, March 18, and continue through Tuesday, April 2. Those planning to be away from home on election day may cast their ballots at the school.

KELTON SCHOOL BOARD

Kelton Independent School District will have two new members on the Board of Trustees after the election Saturday, April 6. Three names appear on the ballot for Kelton.

Seeking one of the three-year terms on the board are Ralph Graves, George Harris and Billy Buckingham.

Absentee voting in this election will be handled through the office of the Superintendent at the Kelton school. Those wishing to vote absentee may cast their ballots during school hours between March 18 and April 2.

TEXAS HIGH SCHOOL ALL STAR GAME

Wade Bentley has been selected to play in the Texas High School All Star Game to be played at Texas Stadium in Dallas during the annual Texas High School Coaches Association coaching school to be held this summer. Bentley was chosen to the team as a linebacker and guard. He is the latest player from Wheeler to be selected for this outstanding honor. Others in past years have included Vic Bradford, Dell Ford, Marvin Grimes, Ronald Rives and Jim Porter.

Bentley was chosen earlier this year to the class A All State team and has signed to continue his education at Southwestern Oklahoma State University in Weatherford, Okla. His parents are Mack and Sue Bentley who live southwest of Wheeler.

The selection committee decided on Bentley because "He played hard on every down in the film that was submitted for us to look at."

Bentley at 6'2" and 190 pounds will be remembered by Wheeler fans for a long time because of his reckless play on covering Kick-offs and his being a vital force in the Mustang Black Death defense that shut out 9 opponents during the 1984 season.

"Journey For Sight" Wheeler Lions Club

Wheeler Lions Club will take "Journey For Sight" to aid blind and sight-impaired. On May 4, 1985, the Wheeler Lions Club will join thousands of Lions Clubs from throughout the world in a "Lions Journey for Sight" to aid the blind and sight-impaired.

Since its founding in 1917, Lions Clubs International has become widely known for its sight programs, and the "Lions Journey for Sight" is designed to provide much-needed funds to reach even greater numbers of the blind and those threatened by blindness.

On May 4, 1985, Lions Club members, their friends and families, will walk for a distance of 2 miles in the downtown area. In the weeks ahead, they will ask people in the community to support them by pledging a nominal amount of money for each mile they walk.

"We hope that the people of Wheeler will support our efforts to help the blind and sight-impaired through the 'Lions Journey for Sight,'" said Club President Marshall Andis.

Those wishing to help the Lions in their Journey—or wish to make a pledge—should call the Lions at (day) 826-5242 or at night 826-3164.

WCWSD ASKS SUPPORT

In last week's paper we explained what we had found out from the State Water Board concerning Wheeler County water. And, about the discussion of a One Year 5c per hundred dollar valuation tax or a 3c continuing tax. The reason the Board voted for the 3c continuing tax is the first phase of the hydrological study will cost \$15,000. If the second phase is needed, the total cost will be approximately \$210,000.

If only the first phase is done, the tax would be set at only enough to pay the cost of the first phase. If both phases of the study are needed, the 3c would be assessed to pay for that cost.

The reason the Board is asking for a continuing tax is that if this study fails; and this Board or any succeeding Board has to continue its search for water; it would have the funds with which to operate without the necessity of another maintenance tax election.

There is no reason that the maximum 3c tax would be spent every year. It is possible that some years there would be no need for any tax at all. The rate set each year would have the more than the actual expenses of the board in its search for water for

the County.

Phase One is a study by Ed. L Reed and Assoc. of existing wells in the area and a study of the State Water Board's logs of these wells.

Phase Two is the actual drilling and testing of sites found in Phase One.

The maintenance tax would be used only to finance Phase One and/or Phase Two or other expenses incurred by the Wheeler County Water Board in its study of underground water availability for Wheeler County.

We, the members of your local board, feel any funds used for this underground water study would be money well spent. And, that the study should be done now to prepare us for the future, rather than later when it could become a crisis situation.

The Board has done its best to give you, the Voter, the facts as we have found and judged them.

We ask you to support us with your vote FOR the Maintenance tax on April 6, 1985.

One-Act Play Competes In Area Friday at Amarillo

Wheeler's One-Act Play will be presented in area competition Friday afternoon at 2:00 in the auditorium at Amarillo College. The play, "Of Winners, Losers, and Games" will be

the first of six plays to be presented. The local students will be in competition with Darrouzett, Valley, Vega, Channing, and Hedley.

This will be the third performance in competition for Wheeler. The play was presented at Wheeler on March 16. Four plays from Wheeler, Mobeetie, Kelton and Briscoe were entered. Wheeler and Mobeetie were named the winners of the U.I.L. District 2-A South Zone competition. On March 22, the play was given at Miami in District 2-A competition; Darrouzett, Gruver, Mobeetie and Wheeler were entered. Wheeler and Darrouzett were selected to represent the District at Area.

Cast members are: Tammy Baker, Steven Meadows, Marlo Hartman, Joel Dodd, Darren Grimes, Jay Kinnard, Robert Meadows, Lyndol Loyd, Dana Huckert, Roger Cross, Mindy Hardcastle, Angela Presley, Lori Harrison and Tom Cook. Stage crew members are Randy Martin and Sonya Hill. The play is directed by Rhonda Blanchard.

The cast leaves at 6:30 Friday morning for Amarillo to give a practice performance at 9:00.

THSCA ALL-STAR BASKETBALL

Paul Hartman has been selected to play in the THSCA All-Star basketball game this summer in Dallas. This is a distinct honor in that only two players from each class and one player at large from each region are selected to play on this team. Paul was also recently selected to the 2nd-team All Region Basketball Team by the TABC.

What's Happening at W.H.S.?
 By Lyndol Loyd

Only six more weeks of school left in this year! Yeah! In some ways it seems like school just started a couple of days ago, yet in other ways it has been an eternity.

Since only six weeks of school do remain, it also means that six-weeks test were this past week. The testing schedule was as follows: Classes 1, 6, and 7 on Tuesday, classes 3, 5 on Wednesday, and class periods 2 and 4 on Thursday. Report cards are to be out the next week.

The Wheeler Mustang Boys Varsity track team traveled to San Angelo this past weekend to participate in the San Angelo Relays while the Tennis teams of W.H.S. took part in the Amarillo Relays tennis tournament on last Friday. Unfortunately, track meets were called off for the Varsity girls and the two junior high teams because of the bad spell of weather last Saturday.

The seniors were glad to finally have their senior panel come in last Wednesday. Those who have not seen it need to look at it for no other reason, but to see how the class colors look on the panel. The senior class was also glad to finally receive their graduation announcements and name cards as well as memory books and class keys. The only problem is finding time to address and mail all of the invitations.

W.H.S. participated once again this past weekend in the speaking portion of the U.I.L. literary events. The meet took place at Frank Phillips College in Borger. I hope to have a list of winners and contestants for next weeks edition for both high school and junior high.

The W.H.S. One-Act Play will be taking place in Area Contest at Amarillo College Friday. There will be six plays of which Wheeler will be the first to perform at two o'clock Friday afternoon. Other towns competing are as follows: Darrrouzett, Valley, Vega, Channing, and Hedley. The only problem with being first is that our rehearsal is first also and we have to be at Amarillo by nine o'clock which

means we must leave Wheeler by six-thirty. Oh well that's the price you pay for winning.
 The one-act play would also like to thank the school board and especially

Mrs. Brown for the note of congratulations.
 Just in case for those who are interested here are some dates to watch for in the future: high school

graduation, May 21 At 8:00 o'clock; baccalaurete, May 19, at 8 o'clock, and Easter Holiday April 8.

The W.H.S. band traveled to Panhandle last Wednesday and proud to say that they came home with two 2's. One 2 for concert and one 2 for sight reading contest. Congratulations to the band.
 Now, maybe you know more about What's Happening at W.H.S.!

Gageby News
 Verna Fillingim

Happy Birthday to Darryn Rodenberg April 7, Jody Powledge April 8, Alma Maddox April 9, Bobbye Horn, Jack Morgan, and Roberta Signs on April 10, Roberta Maddox Eudey April 12, Kathy Zybach, Lela Adock on April 13. Happy Anniversary to Ray and Verline Currie on April 12.

Sunday night April 7 will be singing night at Gageby Church. Everyone is invited. Winnie Gilmer is in charge.
 J.P. and Martha Meek and Shawn and Chuck and Phoebe Hartline and Aaron and Tamera spent Saturday night and Sunday with Cindy Meek in Amarillo. They celebrated Cindy's birthday and attended a special program she was in at the San Jacinto Baptist Church.

Friday night at Evelyn Meek's for supper were Sandra Meek, Mark and Annette Meek and Kaleb and Jocilyn, Gaye Hale and Elizabeth and David. Sandra spent the night.

Briscoe P.T.A. is sponsoring a Pile-on-Dinner at the cafeterium on Election Day, April 6 (Saturday) from 11:00 to 1:30. Come vote and eat!

We are sorry that Sarah Hale has been sick. We sure missed them all at church. Hope she is soon o.k.

Vickey Nelson and Danny, Jimmy and Keri attended the wedding of Steve Patterson nad Krysti Harlow at Oklahoma City Saturday. Others going were Shirley and Earl Jolly, Elmer and Cathy Harrison and boys and Mrs. Vera Moore.

Nice to have Tommy and Cindy Dooley of Mobeetie and Francis Hickman and Jill Brown and Dennis Thompson family visit us Sunday. Dooleys also visited Ronnie Watson family.

Jean Meadows spent a few days with Dale and Shonda Meadows and girls in Pampa.

Sorry to hear that Maurine Brotherton has been having some health problems. Pray for her! Hope she is soon much better.

Lee and Esther Brown and Jaclyn went to Vaughn, New Mexico Wednesday on business.

Saw Christine Atherton at the grocery store. Sorry her grandbaby has had problems and is still in an Amarillo hospital. Hope it will soon be o.k.

We enjoyed having supper with Dan and Caroline Cornett and Mark and Katie Friday night. So nice to see her father, George Muller of Florida again and to meet Francis Hall again. George surely got here in time for some real panhandle weather with snow and ice and wind. Afraid the peach and apricots bloomed out too soon.

Barbara Williams is new activities director for Wheeler Care Center. We will miss Aliene Palmer, but think Barbara will do a great job as she is a very efficient, caring person and the residents love her. She and husband, Bud, have been on the cleaning staff at the center for some time and are always cheerful and helpful.

Correction: Chris Fillingim helped Peggy Thompson and I fix hair at the Care Center last Friday and give permanents on Wednesday. We always enjoy working together and being with the residents. Lynda Sides and Irene Rogers also worked Friday.

Karen Hefley and Alicia visited Ray and Pat Hudson and family a few days. Her trip back to Buena Vista, Colorado was delayed a few days because of heavy snows there. Karen and Alicia visited Evelyn Thursday.

Good to see Marvin Longhofer doing well since his heart by-pass

surgery a few weeks ago. He and his dog walked down to our place, about a mile Thursday.

The Lee Brown family visited the Ronnie Watson family Sunday night after church.

Last Sunday dinner guests at the Roy Meadows home were Ray and Pat Hudson and Brady and Cheryl and Dennis and Peggy Thompson and Jeff and Kelley.

Sorry to hear that Margaret Francis has been ill in the hospital at Wheeler. Hope she will soon be o.k.

Our sympathy to the family of Ruth Coates at her death. Elsie Glazner Eula Kulman and Frank Coates are some of her children. Vickey Cornell is a grandchild.

Monday at Claudie and Ina Mae Brotherton's for dinner were: Jean Pollock of Baltimore, Maryland, Jewell Holloman, Fannie Mae Bradstreet and Evelyn Meek. They were joined in the afternoon by Earl and Louise Wallace of Amarillo and they enjoyed singing and visiting.

Weekend visitors to E.G. and Willa Fillingim were Gayle and Helen Singleton and Andy and Randy and Tim Holler of Fritch, and Charles and Lajo Crownover and children. Nice to have them all out to church.

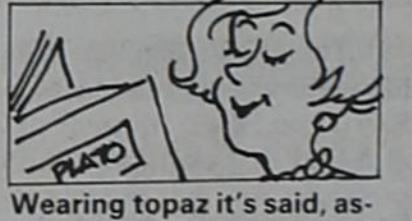

Sunday Evelyn Meek had her Sunday School Class at her home for dinner. Then they all attended the show, "The Prodigal" at Wheeler. Joe Woodward helped to sponsor the group which included Carren and Kristi Hefley, Billy Hardin, Brady Meadows, Tonya and Julie Gilmer, Mitch Reynolds, Lisa Hickman, Russell and Claude Laverty, Christina Rowley and Kevin Ratliff. Several others around went to the show.

There were around 60 attending the Youth Rally at Gageby Church Friday night from Allison, Mobeetie and Wheeler. Think they had a great time and enjoyed Mr. Birdsong's talk and Mr. Johnson's singing and testimony. Ladies of Gageby Church furnished refreshments.

Dan and Chris Fillingim invited us and Dennis and Peggy Thompson and Jeff and Kelley and Clifford and Pauline Hefley to Maxey's Saturday night to celebrate our anniversary and visit. Really enjoyed it all. Thank You!

Sunday Lou Dean Douthit, Kay Gatlin, Dean Tipps, Thomas Helton, David Zybach, Thurman Horn, Sammie Atherton and I met to work on plans and addresses for the Ex-Student reunion July 27, 1985. There will be registration starting about 1:00 p.m. with program about 4 p.m. and catered meal about 7:00 p.m. Ya'll come!

Playing 88 at Clifford and Pauline Hefleys Thursday night were Tom and Alice Bell Helton, Jack and Doris Hays and Leola and Earl Farris.

Wearing topaz it's said, assures long life, beauty and intelligence.

Mobeetie Meditations

By Goldie Gordon

There's never a teardrop That God doesn't see He knows when a sparrow falls from a tree

There's never a moment when God doesn't care Never a time when He won't hear our prayers.

Well I sure missed not being in the house of the Lord Sunday, but I'm praying I will be there Easter Sunday.

I had a very nice early Easter present Sunday. Anna Belle and Ariza Corcoran invited Ernest and I and Earl and Mable Tabor up for a lovely Easter dinner. Friends are wonderful.

Last week the daughters of Verna Corcoran visited with her. The daughters were Pauline Barnes from Wheeler, Francis Groves from Pampa, and Agnes Barnes, White Deer.

D.L. and Colleen Rector from Pampa visited on Saturday in the home of Jud and Lorene Rector. Sure hope this finds Jud feeling better.

Margaret Trout had eye surgery on March 19th in the Pampa hospital. Helen and Charles Mixon from Amhurst came to stay with her. Margaret I sure hope you are much better.

Visiting Margaret on Sunday were: Mary Margaret, Don and Kelley Quarles, Len and Glenda Mixon, Shonda and Cassie Hamilton and Donna Crawford from Pampa and Kenny and Connie Fisher and children from Sudan.

Jess and Gazelle Patterson visited Friday in Pampa with the LaWayne Hogan family.

Joe Kelley and Steve Corse spent several days last week at Angel Fire having fun in the snow.

Spending the weekend with Herk and Elnita Atkins was Loretta Atkins and Teresa Duncan and girls Melissa and Mindy from Eastland.

Sunday Alfred and Jolene Corcoran from Follett visited with Verna Corcoran.

Orville Greenhouse's sister's Jewel Holt and Pearl Morris from Borger visited over the weekend with her. Sunday they attended the Baptist

Church and went to Wheeler where Dorsie and Alvern Hutchinson, Orville Jewel, and Pearl spent an enjoyable afternoon eating dinner and visiting together.

Visiting the weekend with Ralph and Lanelle Riggs were their children Teresa Dean and Nathan Bailey and Delores and Joey Czesnoski from Pampa.

The "Pickers and Grinders" met Thursday of last week in the home of Sid and Kerry Harris. Everyone enjoyed having guests, Charles Mixon from Amhurst and Mr. and Mrs. True from McLean. Attending were: Mildred Mickey, Ada Lou Lester, Ethel and Marion Grimes, Sid and Kerry and Elizabeth Richardson.

**WHEELER COUNTY
Conservationists Attend February Meeting**

Three members of the Wheeler County Soil and Water Conservation District (SWCD) attended the semi-annual meeting of the Panhandle Association of SWCDs at Cnaadian on February 27. This was a regularly scheduled meeting of the association. However, of special interest during the meeting was through discussion of the Administration's proposed budget concerning conservation.

Directors present were told by Panhandle Association President Robert Jacobson of Adrian that the real result of the proposed budget is to severely curtail All conservation activities. All conservation cost—share programs are scheduled to be terminated. Approximately two-thirds of all SCS personnel would be laid off. This would result in one SCS employee per SWCD nationwide. He urged all present to contact members of the House Appropriations Committee on Agriculture and protest the proposed actions. A petition protesting the planned action was signed by all Directors present. Landowners and landusers of the Wheeler County SWCD are fortunate to have dedicated individuals to represent their interests at meetings such as this. Those attending were Clarence Zybach, Darville Atherton and John Vermillion. They were accompanied by Wheeler SCS District Conservationist Lavon Williams.

SHERIFF'S REPORT — Feb. and March

In Feb. we investigated 13 different offenses ranging from a burglary to family disturbances and cleared most of them to the satisfaction of the people involved.

In March we had a burglary at the Wheeler School. We lost some new tennis shoes, basketballs and some practice shirts, some black and some gold.

We also had burglaries in Shamrock. I put two extra deputies in Shamrock at night and the burglaries stopped. We are still working on the burglaries every day.

We are still working on the hit and run on Wall Street in Shamrock. The reward is \$1300.00. If anyone can help us we sure need any information you might have. This is in reference to the eight year old boy who was killed.

Summer is coming on and we always have a lot of kids on Main Street at night. We have been talking to them for three months about the drinking. It is against the law for a child under 19 years of age to possess or consume alcoholic beverages. The first offense fine is from \$25 to \$200 and the second offense fine is from \$100 to \$500 and we do not want to file charges for this. But we have talked for three months and it does not seem to be getting better. We will have to start filing on them. We have filed on 5 in the last two days, and will file on any more caught drinking while under age. Please talk to your child and try to help us. We do not want to get a child hurt. We are still working with the young people on the street while they are playing and having a good time. I enjoy watching them but when one gets too much to drink he puts the other kids in danger and I do not want any one hurt. The kids that come to town at night visit and have a good time and they have a right to do this. They are our kids so lets talk to them and try to stop the ones that drink and ruin the fun for the others. I have one of my own up there with them. We will try our best to keep anything from happening to them. Please help us with this problem. We have the best kids in the world so lets take care of them.

He married the former Jean Thompson, also of Dallas. They have four sons: Paul Shero is the minister of the Colorado and Jackson church in San Angelo, Texas. He is married and has two daughters. Mike Shero is the minister of the 2nd and Church Street congregation in Killeen, Texas. He is married and has one son and two daughters. David Shero is a building contractor, married and has one son. They live in Brownwood and worship with the Early Church of Christ, where he serves as a Deacon. Bo Shero is married and serves as minister of Personal Work and Evangelism for the Western Hills Church of Christ in Temple, Texas.

John began preaching in 1952. He preached for the Lilly's Chapel Church of Christ (located near Dangerfield, Texas) from June 1953 until June 1957.

He preached for the Russell Avenue Church of Christ in Abilene, Texas, from January 1958 and continued through August, 1964.

From September 1964 until June 1972 he preached for the Baker Heights congregation in Abilene.

From June 1, 1972, through May 15, 1982, he was minister of the Austin Avenue Church in Brownwood where he also served as director of the Austin Avenue School of Biblical Studies for six years. He was also coordinator for the Monterrey School of Preaching in Monterrey, Mexico.

On May 15, 1982, he began his work as minister for the Church of Christ Westhill in Corsicana, Texas.

For over 20 years he was connected with Cherokee Home For Children in various capacities: 18 years as a board member; eight of which he served as president of the Board; one year as Director of the home. Currently he works with Boles Home in the area of Public Relations and Development.

In 1978 and 1979 he helped host the Mediterranean Holy Land Lectureship Cruise.

He worked with the Campaign for Christ in Gothenburg, Sweden, in 1963.

As a Rotarian he is past Director of the Southwest Rotary Club of Abilene and has served as treasurer of the Brownwood Rotary Club of Abilene and has served as treasurer of the Brownwood Rotary Club.

He taught in the 1970 A.C.C. Bible Teacher's Workshop on the subject, "How To Hold A Mission V.B.S." and in the 1980 O.C.C. Lectureship on "Planning The Local Campaign" and spoke in the A.C.U. Elders Workshop in 1981. The 1984 L.C.C. Lectureship.

He conducts six Gospel Meetings each year.

He has preached in Texas, New Mexico, Arizona, California, Wyoming, Mississippi, Colorado, Kansas, Oklahoma, Illinois, and Arkansas. Also, in Mexico, Sweden, Denmark, Guatemala, and Turkey.

His articles have been published in Christian Bible Teacher, 20th Century Christian, Gospel Advocate, Firm Foundation, Christian Journal, and World Evangelist.

resigned Feb. 28, for personal reasons and I have hired Carl Knoll. He will live in Shamrock. Carl was a deputy under Bus Dorman and he went to work April 1.

The new jail is about one month from being completed and we are looking forward to having it finished. The construction has made things hectic for about a year but maybe it will be over soon.

I would like to say "a job well done" to the St. Patrick's Day committee. This was one of the best St. Patrick's Days we have ever had. We had very little problems at all. The parade was great and the day was well planned. We did not have a problem at the dance, every one was very nice.

The Shamrock Band won the Sweepstakes in their district and this in quite an honor. We are proud of them.

The Wheeler Band got a 2 in their band concert. This is very good and they have improved since last year. We are proud of them.

The Wheeler County Sheriff's office and constables of Wheeler County are still working together as one department. We are utilizing the man power we have. If we have a man that is good at one thing we are putting him to doing that. We are going to send some people to school in crime scene investigation, photography, and finger prints. We are using the men that are talented in this field. We feel that we have a good crew and with a little schooling we will be able to do a better job.

In the past we have had some problems trying to page the ambulance and fire departments. The old pager would only work about 1 time out of 5. Sometimes it would not work at all. We have a new one that was installed last week. When we have an emergency we tend to get very busy. In an emergency we have the fire department on one radio, the ambulance on another radio and the deputies on another radio. We have four telephone lines to the Sheriff's office and when they all go to ringing and you are answering 3 radios and 4 telephones and trying to make a pager system work and it does not you are busy. This is the situation the dispatcher gets into very often. The new system will help tremendously.

To the Editor
The Wheeler Times

In the Water Board Resolution in the 3-28-85 issue of your paper they stated that there were no water rights for sale. It is our understanding that several people have approached the Wheeler City Council in the last few years and offered to sell them either water or water rights.

The opposition as they are called offered to pay 1/2 of the hydrologist study—Board REJECTED their generous offer— Makes us wonder WHY?

A board member made the statement in the Pampa Newspaper "The water study is the only thing on our budget." When ask for a copy of the budget his reply was "What budget? We don't have a budget." When ask why the stipulations were not included in the resolution as were agreed upon at the Feb. meeting (1 year 3c underground water study) His reply was "EXCESS VERBAGE". Instead put it 3c Maintenance Tax—that the board can use as they see fit— They are not bound to use it for underground water study. The 3c can be raised by 3% a year not to exceed 8% without voter approval.

If they only need \$215,000 why do we need a tax every year for \$300,000 at current taxable property rates. WHY do they need this extra annual income?

On March 14, 1985 Red River Water Authority took the Sweetwater Creek Dam Project Permit Application OFF. There is no longer a Permit Application.

EIGHTIETH BIRTHDAY: Mary Bledsoe observed her 80th birthday Thursday, March 28. At this time she was presented with a bouquet of 80 roses by her 4 children. A celebration was held Sunday at her home in Wheeler with all of her children, five

grandchildren and three great grandchildren in attendance. A total of 15 shared the 4-tiered cake, decorated with fresh pink and white roses. The celebration was a complete surprise to Mrs. Bradshaw.

Here & There

By Laura Guthrie

Sallie Harris and I have shared Room #2 at Parkview Hospital for a week. We find each other quite compatible. We didn't spend all our time talking to each other. Without offense either of us could break off our conversation. Then we would dive into a book, or sometimes she would watch television—which didn't bother me at all. I would go right on with my book.

Sally has had quite a time with an injured foot. She had a skin graft recently in Amarillo, and was recuperating at Parkview. We are both home now. Hoping to stay well.

I saw Tootsie Jolly most every day while I was at the hospital. She was looking in on her dad, Levi Reed, who has been ill for some time. W.L., Tootsie's husband was here part of last week. They live in Elk City, Okla., and manage a motel. Tootsie says that their sons, Dean and Jim were here recently. Dean lives in Tyler, Texas and Jim lives in Arlington, Texas.

Olin Rankin visited us one day. He was looking after his sister, Florence George. I have neglected to mention that Mr. Rankin now lives in Wheeler. He came from Hereford, bought a house and is making this his home.

Recently Opal Hefley and Katie

Finsterwald drove to Albuquerque to visit with relatives. Opal visited her brother and Katie visited her sister-in-law Clara Finsterwald McCormac.

Vernie Crane of California recently visited her sister Grace Pettit. While here the women visited their brother in Ft. Worth.

Mr. and Mrs. Corky Holdeman of Spearman stopped by Wheeler last Sat. to visit with his brother, Bud, who is in the hospital. Nellie Horton was hostess to the guests while in Wheeler. The Holdemans went on to Dodson to visit, on Sunday, with a sister.

Jeff Herd was, on Saturday, transported by ambulance from the local hospital to one in Amarillo.

Punk and Wanda Childress and daughter, Kari, were in Wheeler on the weekend. They visited with their parents the T.J. Childress of Allison and the Adrian Risners. They are moving from Rock Springs, Wyoming to Oklahoma City. This is a job transfer. Their son Wade is with the Risner grandparents, this semester. He will graduate this spring.

Louis and Barbara Stas, were weekend hosts to his sister and her husband, Mr. and Mrs. Gene Arnold of Oklahoma City.

Ed and Patricia Forrester visited with their son, Curtis, in Dallas on the weekend.

I failed to mention the fact that my neighbor Sybil Nelson is now employed part time at Ben Franklin Store.

Last weekend Mrs. Annie Martin was delighted to entertain her granddaughter, Angela Morris and her great granddaughter, Shawna Morris, from Amarillo.

On Friday Bobby Guthrie, wife Beverly and Bobby Jr. stopped by the hospital for a short visit. They are now stationed with White Sands Air Force Base at Almqorgordo, N.M. They went on to visit his mother, Lydia, and his sister Melinda in Canadian. Steve accompanied them there.

Joe and Rhonda Guthrie now live in Canadian. He is employed by Best Way Grocery. They, along with Lydia and Melinda visited with me Sunday afternoon. Steve returned to Wheeler with them.

FREE BLOOD PRESSURE

There will be a Free Blood Pressure Clinic for all Wheeler County residents regardless of age, Thursday, April 4, 1985. It will take place in the south end of the Senior Citizens Center on Cnaadian Street from 9:00 -12:00 a.m.

This clinic is conducted by the North Wheeler County Ambulance Service and sponsored by the Wheeler Senior Citizens and the Texas Agricultural Extension Service.

Educational programs conducted by the Texas Agricultural Extension Service serve people of all ages regardless of socio-economic level, race, color, sex, religion or national origin.

Services Held For Jimmy Wayne Edward

Jimmy Wayne Edward, 40, Sweetwater, Ok. departed this life, Thurs. March 28th, in Pampa Tex.

Born Feb. 16, 1945 in Mt. Pleasant, Tex. to Mr. and Mrs. J. T. Edwards. He lived in Sulfur Spring Texas until 1974 when he moved to Sweetwater, Ok.

He was united in marriage August 15, 1974 in Wheeler, Texas to Bessie Duff Yarbough. Following his marriage he lived at Sweetwater and was a truck driver for Flint Construction Co.

Funeral Services were held Sunday March 31, 1985 at Sweetwater School with the Rev. Ross Anderson officiating.

Interment was in Mulberry Cemetery under the direction of Fatheree-Albert Funeral Home in Erick.

He is survived by his wife of the home, two daughters, Bonnie Brickey, Wheeler, Texas, Cheryl Edwards, Sulfur Springs, Texas; two sons, Tommy Claverly, Bruce Edwards both of Sweetwater, Ok.; three grandchildren; one sister, and 5 brothers. Parents, Mr. and Mrs. J. T. Edwards, Como, Texas.

Wheeler County Spelling Bee

The Wheeler County Spelling Bee was held on March 15, 1985 in the Wheeler County Court Room. There were nine entries in the Senior Division and ten entries in the Junior Division. The schools participating this year were: Allison, Briscoe, Lela, Shamrock, Kelton, and Wheeler.

The three top winners in the Senior Division were: Jonathan Ellisor, Wheeler; Lynette Snider, Shamrock; Melissa Walker, Allison. The winning word was (shacktown) and the losing word was (separate). There were 8 rounds during the Senior Division spelling bee.

In the Junior Division the winners were: Bryan Markham, Allison; Jason McWhorter, second place, Lela; Gabriel Ellisor, third place, Wheeler; The winning word was (chucklehead) and the losing word was (chorus). There were 41 rounds in the Junior Division spelling bee.

The students placing first and second from each school in the Senior Division were: Briscoe, Chad Morgan; Allison, Melissa Walker and Ronnie Holt; Lela, Kellie McWhorter and Leslie McWhorter; Shamrock, Deanna Sprinkles and Lynette Snider; Wheeler, Jonathan Ellisor and Shane Boring.

The Junior Division winners placing first and second from each school were: Allison, Bryan Markham; Briscoe, Matthew Taylor; Kelton, Julie MacMillan and Bobby Buckingham; Lela, Jason McWhorter and Mike Walden; Shamrock, Tina Thompson and Richard Edwards; Wheeler, Stacy Sims and Gabriel Ellisor.

The winner of the Senior Division will be representing Wheeler County in the 37th Regional Spelling Bee on April 27 at West Texas State University, Canyon. Jonathan Ellisor is the 12 year old son of Mr. and Mrs. Don Ellisor of Wheeler. Jonathan's school activities are: football, basketball, UIL, Literary Events. His hobbies are: snow skiing.

Jonathan has been Junior Champion in 1981 and 1984. He also has a brother, Rusty Ellisor that was Junior Champion in 1980.

I would like to express my appreciation to Becky Hardcastle, who pronounced the words for the spelling bee, and the judges, who were Mrs. Jewel Reed of Kelton and Mrs. Mae Nash of Wheeler. Also my sincere thanks to Betty Hennard who ran interference for me during my absence and Johnnie Martin and anyone else I may have neglected to mention.

Pol. Adv. paid for by Gail Ledbetter, Wheeler, Texas

TO THE VOTERS AND TAXPAYERS OF WHEELER COUNTY

The letter below was published by the Shamrock Texas to correct, its error in stating that I endorsed the upcoming water Tax. The proposition on the April 6 ballot is not the same proposition which I supported. My remarks in favor of a one time, one year, 3 to 5 cent assessment for the purpose of groundwater have been taken out of context by the boards news item in last weeks papers, and used to make it appear that I approve of the changed resolution which the board ultimately, adopted. As the correction below demonstrates I still support fiscally sound groundwater study and development.

CORRECTION

The Texan was in error when it reported in the March 14, 1985 edition that Sweetwater Creek Reservoir opponents are now supporting the April 6th tax bond election.

The Texas has refused to print a retraction/correction of the March 14 article, and therefore we feel it is necessary to set the record straight. Reservoir opponents, who have always favored groundwater because of lower cost and higher water quality, were in agreement with the Wheeler County Water Supply District's original proposal for a one time, one year, 3 to 5 cent tax for the purpose of studying groundwater. However, when the resolution for an election was finally made public on March 11, 1985, it did not contain any of the limitations on amount of tax, duration of tax, or purpose for which the money could be used.

The quotations and references reported by the Texas implied that Tom Puryear and the conservative opposition support the proposition as it will appear on the April 6th ballot. These statements were not and are not correct.

Our position with respect to the April 6th Election is as follows:

1. "We support the use and development of groundwater. Even though current data (State reports published in May 1984) indicate that present and future supplies are adequate, we are not opposed to a separate study."

2. "We offered to pay one-half (1/2) the cost of an initial study by a mutually agreeable hydrologist. The board rejected this offer."

3. "We endorsed the Board's original proposal for a one time, one year, 3 to 5 cent tax to be used for the limited purpose of a groundwater study."

4. "We cannot support the resolution and proposition the Board passed on March 11, 1985 because it contains none of the safeguards the Board told us would be included, and because it does not limit the purposes for which the tax dollars can be spent."

"The maintenance tax as proposed would yield about \$300,000. in the first year. By the second year, it would yield \$600,000. Under State law the tax could be raised on a yearly basis without voter approval."

5. "The absence of the promised limitations raises serious questions, for example:

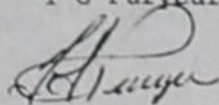

A. If the groundwater study will cost \$215,000 over two years (as reported by the Texas and the Times), the proposed tax could yield a surplus of \$385,000 in two years, what will the surplus money be used for?

B. Even if part of the tax dollars are actually used for ground water studies, questions have arisen regarding the cost. We understand that the City of Vernon recently faced a situation very similar to Shamrocks. Through the assistance of State and regional water officials, Vernon was able to obtain a water reconnaissance study at no cost. Field work was done through existing wells rather than through the costly process of new drilling. When the study was finished, the taxpayers voted in a bond issue sufficient to cover the development of new well fields and distribution systems. The people were taxed only at the time the money was needed, and then in an amount equivalent to the costs of the project. Why should we part with tax dollars before we explore cost free alternatives?"

6. "The reservoir opponents have always supported groundwater and we are ready to cooperate in cost-effective projects to insure stable water supply and efficient distribution. We cannot however, support wide-open maintenance taxes."

Anyone who implies that our support of the original proposal (for a one time, one year, 3 to 5 cent tax to be used for the limited purpose of a groundwater study) amounts to an endorsement of the current proposition is committing a very serious misrepresentation."

BY IDA FARMER

Barbara Williams will be our activity director in the Home. She is taking Aliene Mills place. Barbara has had experience in arts and crafts. We hope she will like her new work. She lives in Allison.

A going away shower was given to Aliene Mills Friday. She has been the Activity Director in the Home for two years. We will miss her. She is always so cheerful. We love to see everyone with a smile.

Cherrie Johnson who works in the office for Mr. B.A. Hyatt, our administrator, is leaving our Home. She lives in McLean and is also moving to (East Texas), Whiteright. We are certainly going to miss her. We always miss our help. We hope she will like that part of Texas.

Mr. and Mrs. Foy Satterfield of Pampa visited with Ida Farmer Thursday afternoon.

Mr. and Mrs. B.A. Hyatt visited their sons in Lubbock this past week. They only spent one night with them. Everyone at the Home misses them if they are gone "Just one Day".

Ima Crow is in the Wheeler Hospital. We hope she will soon be back with us.

Icyl Littrell visited her son Dewayne Bradford who is in the Wheeler Hospital. He is much better.

We want to Thank Everyone that worked in the Beauty Shop Friday. There were four workers and you would think it was an assembly line from the way they turned out of the Shop. So a big Thanks to all.

Verna Crane of Merced, Ca., and Grace Pettit visited with Ida Farmer. Vernice and Grace are sisters. Ida has been a close friend for over 50 years.

Ardie Martin visited with friends Friday afternoon. We were glad to see her. She was a patient here for three weeks. She came and lived with us after she had hip surgery while it was healing.

To the Editor
The Wheeler Times

Dear Editor,

I enjoy the "Wheeler Paper!" I left Wheeler in June 1941. I went to Canadian to take care of Grandma Killebrew. I stayed with her until Jan. 1942. I then went to Wayland College. Two (2) year school then. I did my two years in 18 months. Came to Twitty and taught school 1 year. I went to Ft. Worth, worked for American Airlines and married a good man, an American Airlines mechanic, 40 years, May 6.

A lot of people I knew then many I still read about, some have gone on or moved away. Many names I know in the Rest Home. I'd like to say "hello to all. And give Laura Guthrie a hug for me tell her I love her.

My Daddy was Will P. Killebrew. He passed away in Dec, 1918. My stepfather was Garland Fooshee. I have 3 people in your cemetery. Garland Fooshee, my mother, Sally Mae and my half brother, Garland Jr. Good Christain People.

We owned 240 acres of land south of Wheeler. We moved to Wheeler from Gageby to the "Stanley Ranch". The old house (a huge house) is gone, all the other buildings around the ranch are gone.

We moved to Wheeler in 1920 or 21, my stepfather passed away in June 1947.

I am 70 years old now, a retired (5 years ago) teacher.

I have another I love very much, Violet Knight. Tell her hello!

Large Crowd Attends Witnesses Gathering

An attendance of over 2,000 was recorded on Sunday, March 24 at the Circuit Assembly of Jehovah's Witnesses at the Civic Center in Amarillo, Texas.

Don Fronterhouse, local minister of Jehovah's Witnesses, said "The Assembly carried the theme 'our Position in an Unstable World,' and one highlight was when 26 were baptized in symbol of their dedication to God."

Robert L. Hartman, Assembly Overseer, delivered the principal address "Basis for Faith in an Unbelieving World." He pointed out that "persons' doubts and skepticism today often result from a materialistic outlook and scientists and clergymen who question the existence of God and criticize the Bible and its moral standards."

Hartman said that "due to the urgency of our times, all who love righteousness must act quickly to take their stand on God's side. Jehovah's Witnesses offer free home Bible studies to aid honest-hearted persons searching for a basis for faith in an unbelieving world."

In 1900, Jhann Huslinger walked from Vienna to Paris, 871 miles, on his hands. At 10 hours a day, the journey took Huslinger 55 days.

Foy Farmer from Mobeetie was a visitor Friday afternoon.

Alvern Hutchinson came by for a visit with Bessie Robertson. It was Bessie's Birthday. Alvern remembered her with a gift.

Mrs. Eula Orr of Kelton visited with Mary Bledsoe and others in the Home.

Roberta Adams made a trip to the Dentist in Wheeler. You know that was a pleasant trip "WOW"!

Celeste Wiley was a visitor Saturday afternoon.

Mr. Milton Geihart of Shamrock comes each Sunday morning to visit his mother Thelma Geihart. He always brings an Amarillo paper to her and an extra one for the Home to use. We appreciate it.

Bill Robertson and son Steve from Vernon came Sunday for a visit with his mother Bessie Robertson. It was Bessie's Birthday.

Alesa Green and daughter Amy visited Roberta Adams Sunday afternoon.

Greg and Marlyn Fowler and son Justin visited her grandmother Topsy Gossett.

Brother McGaughey brought the Service Sunday afternoon. The children's choir sang several numbers. Everyone enjoyed their singing.

Elva Wood visited and attended Church Services.

Vivian Mitchell of Shamrock visited Sunday afternoon with Icyl Littrell.

Esther Hill spent Sunday afternoon with her husband, Harold Hill whom is a patient in the Home.

Mr. and Mrs. Will Burke visited in the Home Sunday.

Rozena Zybach visited with friends Sunday afternoon.

Mrs. Edna Owen's company from Reydon, Okla. were: Sue Trout and Granddaughters, Susan and Crystal, her grandsons were Mike and Stephen and two children Kayla and John. Mrs. Owen is always glad to see her grandchildren. Mrs. Owen's home is Reydon, Okla. She has been in the home three months.

COLORS
Choose neutrals or neon brights in Monochromatic, bi- and tri-tones and tone-on-tones combinations. Most colors are being lightened, brightened, and whitened for a refreshing new look.

- * White is an important base color for prints or used alone.
- * Colorless pastels, grays, and beiges.
- * Navy and white combinations. Navy is replacing black as the summer dark.
- * Purples, lilacs, violets, lavenders.
- * Melons, tangerines, corals, peaches, apricots.
- * Citrus yellows, bananas, marigolds, mustards.
- * Powdered pinks, hot pinks, dusty rose, mauves, fushias.
- * Peacock blues, glacier blues, periwinkles, chambries, aquas.
- * Celeries, cool mints, limes, emeralds, seafoams.
- * True red, geraniums.

PATTERNS
Florals are the biggest news reminiscent of a "Garden stroll". A wide variety exists from blurred impressionistic and wallpaper motifs to wild tropics and Hawaiian prints. Popular favorites from—

- * Large (elephant) size plaids and stripes—awnings, madras, tartans.
 - * Bold geometrics, graffiti, written motifs, cartoons.
 - * Dots.
 - * Positive/negative abstracts.
- FIBERS/FABRICS**
The look is natural whether achieved through texture or linen, cotton, silk, and/or ramie or blends. Linen is paramount. Weights are varied from sweater knits to transparent. Featherweight wools are being designed for spring dresses and lightweight coats. Shirtings are better than ever, as is terry cloth. The laundered, crinkled, wrinkled fabrics will be strong.
- * Sporty lace inserts to elegant Chantilly.
 - * Voiles, organzas, tissue failles.
 - * Twills, Gabardines, poplins, canvases, chambray.
 - * Damask, embossed surfaces.
 - * Piques, waffle piques, dobbies.
 - * Ribbed sweater knits, ribbon knits.
 - * Evening sequins.
 - * Bleached and stone washed laundered looks.
 - * Novelty lenos.

March 25-31 Has Been Designated YHT Week

March 25-31 has been designated as YHT week. Young Homemakers of Texas over the state are putting special emphasis on this week to inform people of the organizations. Objectives for the organization are centered around the Home, Family and Church. Improvements in each area of each members life is the ultimate goal. Special projects for the local chapter are Teachers Appreciation Day, Advisor Appreciation, Husband's Appreciation, Parents Appreciation, News Release, Recognition of Special Members, and Carnations for the pastors of each member. An invitation to anyone interested in learning more about the organization is extended. Regular meetings are held on the first Monday of every month in the Homemaking Department at Wheeler High School.

- * Crinkles, seersucker.
 - * Homespun and honeycomb weaves, hopsacks.
 - * Challis, crepes, gauges, meshes.
 - * Terry cloth makes a comeback.
 - * Sateen, chintz, chino and polished fabrics.
- GARMENTS**
Proportion is the key for body focus whether the widely varied elongated or shorter "mini" lengths or fuller or slimmer feminine lines. Split personalities include—
- * Split skirts, coulottes.
 - * Jumpsuits.
 - * Bateau or bra tops under jackets.
 - * Boxer, baggy, bermuda shorts (often cuffed).
 - * Big oversized shirts.
 - * Camisoles.
 - * Slim line sheaths, chemises.
 - * Tunics.
 - * Sarong wrap dresses and skirts.
 - * Full, circular skirts, pleated skirts, gored skirts that hug the hipline and flare (trumpet shaped), trim and slim skirts.
 - * One-piece swimsuits, maillots; some one shoulder, front or back plunges.
 - * Cropped, ankle or mid-calf grazing pants as well as full lengths (often patterned).
 - * High length, longer jackets, cardigans; safari jackets; cropped lengths.
- Updated details are—

- * Short hem lengths—22-25" and longer hem lengths—32-36".
 - * Nauticals.
 - * Double breasted.
 - * Tuxedo tucking, pintucking, pleating.
 - * Draping, shirring.
 - * Bold hardware, i.e., industrial zippers, grommets.
 - * Halter and strapless necklines.
 - * Epaulettes.
 - * Large patch pockets.
 - * Drawstrings.
 - * Bows, ruffles.
 - * Puffed sleeves, deep armholes.
 - * Hip sashes, emphasis.
 - * Back details, peek-a-boo cutouts.
 - * Draped and yoked waistlines.
- ACCESSORIES**
Jewelry is native, geometric and sculptured in hammered metal, bold wood, ceramics, ivory or bone. Pins or brooches, become more popular. Rhinestones or crystal for evening. Belts are narrow or wide, cinching waists. Look for hair scarves, ribbons and hats. Shoes vary with hemlength from flats to moderate heels while bags are equally varied and soft structured. Handling Easter Eggs and Ham
Hard-cooked eggs—wrapped in familiar foods that get special treatment at Easter. It's this "special treatment" of decorating and hiding Easter eggs or serving a fresh ham for a large family gathering that raises questions about food safety, says Dr. Dymple Cooksey.

According to Cooksey, a specialist with the Texas A&M University Agricultural Extension Service, consumers commonly have the following questions about food safety for these Easter treats:

- Q: Is it safe to eat the hard-cooked eggs used in an Easter egg hunt?
A: Yes, but they must be handled properly. First, cool hard-cooked eggs in cold water immediately after cooking and then refrigerate until they cool all the way through. If any eggs crack while cooking, don't use them for the hunt since bacteria can easily get through the openings and contaminate the eggs.
- When you plan the hiding and hunting of Easter eggs, remember that they should not be out of the refrigerator for more than two hours.
- Q: How long will hard-cooked eggs keep in the refrigerator?
A: Hard-cooked eggs in the shell should be used within one week.
- Use eggs with cracked shells or those with the shell removed within one day.
- Q: Is there any danger of trichinosis from hams?
A: If you choose a fully cooked ham, there is no danger. They are specially processed according to USDA guidelines to kill trichinae organisms. These hams are ready to eat without further cooking.
- If you choose a fresh ham, take extra care in preparation. Cook the fresh ham until the center reaches a temperature of 170 degrees F. To make sure this temperature is reached, insert a meat thermometer in the thickest part of the cut, not touching the bone or fat.
- Q: How long can ham be safely refrigerated?
A: Uncured ham will keep in the refrigerator from 3 to 5 days. It will keep in the freezer from 4 to 8 months. Cured ham will keep in the refrigerator for one week. Leftover cooked

CATTLEMEN'S CLUB TO MEET
The Eastern Panhandle Cattleman's Club will meet Thursday, April 11 at 7:00 p.m. in Maxey's Steakhouse in Wheeler. The program will consist of video tapes of the live animals and carcasses from last year's Terminal Fed Heifer Program. There will also be a presentation on pasture fertilization including results of demonstrations conducted in Wheeler County over the past year.

Anyone wishing to join the Cattleman's Club can contact me at 826-5243 or Van Baize at 826-5566.

WHEAT RUST WATCH
Wheat producers should be watching their crops for the appearance of wheat rust. The development of the disease is possible when there are general rains, long periods of wetness and warm temperatures.

Dr. Bob Berry, Extension Plant Pathologist, expects to see a high degree of infection on the High Plains by April 1. The rust pustules will first be found on the lower leaves and then move to other foliage and may cause some yellow color in the field.

There are fungicides available that will control wheat rust. However, these fungicides are expensive and their use is considered economical only on fields with a high yield potential (40-60 bushels). The decision to treat should be based on the presence of the disease, fertility, moisture and yield potential.

The key is to prevent infection of the flag leaf. The other leaves are not so important to filling the kernels. The first treatment should be applied when the last leaf (flag leaf) is just visible.

FARM SEMINAR
The Texas Agricultural Extension Service is sponsoring a seminar for farmers and ranchers who are planning to expand their operation by taking in a son, daughter, or other partner. The seminar "Teaming Up In Agriculture" is scheduled for April 11-12, 1985 at Texas A&M University. Topics will include: Whats the Potential, Economic Planning for the Future, Organizing the Business for a Partner, Financing Expansion, Income Tax Planning, Estate Tax Planning, and Passing Along the Business. Contact me for more information.

Place the skins in a pan of water and simmer until the desired shade is obtained. Strain the liquid and add a teaspoon of vinegar and the dye is ready.

Lavender-blue eggs can be made with blueberries or grapes. Crush the berries or grapes by hand or in a blender. Add water and simmer for a few minutes. Strain the mixture and add a teaspoon of vinegar to complete the dye. Use a similar method to make robins-egg blue from cabbage.

Mint leave will make pale green Easter eggs. Pour boiling water and add a teaspoon of vinegar to complete the dye.

Any of the dye-stuffs can be wrapped around or folded against a raw egg and enclosed in cheesecloth and then boiled to obtain unusual patterns of color on the egg.

Educational programs of the Texas Agricultural Extension Service serve people of all ages regardless of socio-economic level, race, color, sex, religion, or national origin.

PESTICIDE APPLICATION CERTIFICATION
I have had several calls lately from people who did not have the Private Pesticide Applicator's Certificate which is needed to purchase "Restricted Use" pesticides. This includes many of the products used on the farm and ranch and by home owners.

The certification is done by the Texas Department of Agriculture. To become certified you must read the training material, complete the enclosed test and mail to the TDA, which will then issue a license. All of this takes time, so don't wait until you need it to apply. Contact me for the training material and further information.

FERTILIZE PASTURES FOR SPRING GROWTH
Pastures grazed short last season need to be fertilized early this spring for rapid recovery. Pasture fertilization this spring can help provide additional grass for harvesting hay. Spring rains generally provide 65 percent of the total seasonal growth during the first two months. If rainfall is adequate this spring, excess forage can be harvested as a hay crop.

Pasture fertilization is most efficient and effective when based on a soil test, and producers still have time to get soil tested before fertilization is needed. Although nitrogen is needed in large amounts, other nutrients such as phosphorus, potassium and secondary nutrients may be

needed to expedite regrowth and develop a good root system before summer dry weather sets in.

Most permanent pastures can use greater amounts of fertilizer than have been applied in recent years. Fertilization is important for pasture growth, drought tolerance and quality and should be combined with other management practices such as weed control and efficient use in a total forage production program.

Educational programs conducted by the Texas Agricultural Extension Service serve people of all ages regardless of socio-economic level, race, color, sex, religion, or national origin.

Business Seminar set for Horsemen
Horsemen interested in the business aspects of horse production will want to attend a special seminar April 25-26 in Irving. The Horsemen's Business Seminar will be at the Holiday Inn, 4440 W. Airport Freeway.

The seminar will feature experienced lawyers, accounts, lenders and horsemen who will discuss taxes, contracts, investments, syndication, business organization finance and related topics.

Purpose of the seminar is to provide horse owners with answers to numerous business-type questions. Many of these questions deal with tax rules, business organization, hobby losses, limited partnerships, insurance needs, consignment agreements, syndication rules, horse contracts and estate planning.

For more information contact the county Extension office at 826-5243.

Kyle and Kip Marr

EDITOR'S NOTE: THE FOLLOWING ARTICLE WAS TAKEN FROM MOORE OKLA. SCHOOL PAPER.

Many exceptional football players have paced the halls of Moore High School since the first graduating class of '67. Two brothers are Kyle and Kip Marr.

Mr. Marr, a teacher here at Brink, and his brother Kip proved their skill and ability as split ends on the offensive high school team. Each sees the other as a "great athlete" and they are looked up to and respected by many.

Both Mr. Marr and Kip played high school football for their sophomore, junior, and senior years, leaving their own unique mark in the record books, as well as in the minds of those who watched them play.

As a sophomore, Mr. Marr broke his collar bone and missed most of the season, but came back as a junior and helped the team achieve it's 8-4 record, which took them to the semi-finals. As a senior, Marr received the award of Moore Athlete of the Year and made all-state alternate. Coach Hood said that, "if we would have had a good season, he would have made state."

Mr. Marr, formerly number seven, was described by his previous coach, Don Hood, as "A dedicated worker with good hands". He was one of the best receivers I've ever coached. And, you know, with Kyle you could always expect the unexpected.

Another good friend and former teammate, in both high school and college, is Bobby Moore. Moore, a defensive halfback, described Mr. Marr, as "A good 'feller' and a good friend who was always around to listen. He is also an all around athlete and an all around guy."

Marr's view is that, "Sports has given me a lot of great memories."

Kip enjoyed their practices together and Mr. Marr thinks, "That's what made him great."

Kip Marr, a senior, spent his last high school season better than any other player has since 1958, the last year any team from Moore went to finals.

This year's team came back from a losing record of 2 and 4 to qualify for the state finals against the Booker T. Washington Hornets from Tulsa.

The finals score was 14 to 10 in favor of the Hornets. The only touchdown completion for Moore was made as Kip Marr caught the pass thrown by quarterback Jackie Stafford.

"No one expected us to go to state and it was a great honor for the team and players," was the comment of football coach Ray Goldsby about the final game.

Jackie Stafford, the quarterback, thinks that the team could have done better, but Rob Coffey, linebacker, on the other hand, feels that they "gave it their best shots," and he wishes

Kip, "the very best."

Kip's comments about the game were, "I wish we would have won, but it was great just to get to go. We had great leaders and a good season."

The current principal at Moore High School, Mr. Moore, felt that the team's influence gave, "a positive effect and increased school spirit and pride, even though a lot of interest was diverted from studies."

Mr. Marr's comment about Kip is that, "He started in basketball in the state semifinals and scored a touchdown in the state finals in football. Not many athletes can say that."

Another one of Kip's accomplishments is making the coach's all-star team in football. Only twenty-two were chosen in the whole state. "That's something to be proud of," said Mr. Marr.

Mr. Marr went on to East Central State College, after high school, on a four year football scholarship. There he continued to play split end. The team did very well winning the OIC Conference Championship for '79-'80.

Other college achievements included winning the game against Texas A&I. Texas, at one time, had won 42 games straight and Central State's victory made them the only Oklahoma team to beat them at that time.

A personal achievement was making All Conference All-State team in '82-'83.

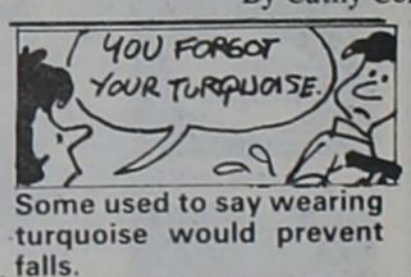

Marr graduated in 1984 with a major in physical education and a minor in social studies. This is his first year to teach.

He seems to be doing a great job and was described by his students as "cool", "never boring", and "always fair". The teachers see him as a "nice easygoing guy who's striving to be a good teacher".

Many have seen each brother's athletic talents, but the one who has known them the longest and the closes is their mother, Janice Marr. Her comments were "I'm really proud of both of them. They've been a great joy to me."

Kyle and Kip Marr are the sons of Darrell and Janice Jaco Marr and grandsons of Mr. and Mrs. Ollie Jaco of Wheeler.

Sweetwater News

Mrs. Joe Flowers

MRS. JOE FLOWERS

A wonderful Easter to all. March sort of took one last swat at us. Got down to the 20's and froze some pretty solid ice. Looks like some of the fruit survived tho we stuu nave at least two weeks to go before we're safe.

David's birthday is the 5th of April. We've been snowed several times then, besides that whingdinger that came in '38 and gave us all something to talk about these past 50 years.

And don't forget that April 1st is when the tornados start dancing down Tornado Alley. Was the 9th of April when we blew away in '47. Always think if we make it thru April, we'll have it made but it was in May when those two dipped down over Meridian and even blew the pavement and the cellars away. Can't depend on

anything.

Speaking of birthdays, I was 39 one more time last week. The Band honored me with the birthday song. Got a slew of letters and cards. Only got one kid younger than me now.

Ethel Cardin went to Paradise, Tx., with the Gerald McKays of Borger. Visited her brother, Marvin Thompson and family.

Mr. and Mrs. A.B. Witt spent the weekend at Gracemont with the Jack Covey family. Attended Diane's Junior play. They also took Ethel to OKC to see her sister Cleo Jones who

had cataract surgery.

Trissie Smith is Sweetwater's delegate to Girls State. She is the daughter of Richard and Linda Smith. Stephanie Kelley is 1st alternate. Her parents are Vic and Judy Kelley. They will go with the Erick girls. The girls are chosen for leadership, character, scholarship, and interest in government.

Our neighbor girl Tammy Tipton who attends Sayre HS was selected for a delegate there. Her parents are Gerald and Judy Tipton.

Mr. and Mrs. H.E. Smith honored

Pat Anderson with a dinner on his birthday. Attending were: Pat, Debby, and children, Mr. and Mrs. Donnie Smith and boys of Erick, Mr. and Mrs. Darrell Greene and girls of Elk. Judy also had a birthday but couldn't come.

My pet snake came home but the Dawg wouldn't tolerate strangers. Ended poor snake's promising career.

Cousin Johnny Reed called from Wheeler to tell me that the Wyla Sollers I mentioned from Tempe, Az. was his first cousin. Their mothers were sisters. I knew about the Harringtons and Tots Coffey but not this one. Small world.

Mr. and Mrs. Carl Dean Whipkey were out Saturday to see their Aunt Birdie Whipkey. Mr. and Mrs. C.R. Wells were out Sunday afternoon Birdie said she'd talk to Cecil in Ca. They'd had the worst winter ever. Was 20 then. He had fallen and broken three ribs earlier.

Nannie Pearl Tillman of Hollis spent last week with her sister Katie Whipkey and attended the revival at Erick. Katie went home with her for a few days.

Mr. and Mrs. Steve Schmidt of Crawford visited Thursday with Ike and Jane.

The Sam Garrett family held a reunion in San Antonio and visited the Gene Kuykendalls. Attending were Blanche Kuykendall, Gertrude Garrett, Mr. and Mrs. Royce Roberts, Carl Garrett of Utah, Nita and Ervin Godwin of Ca., Mr. and Mrs. John Fowler of Memphis, Tx.

Little five year old Joshua James of OKC was buried at Mayfield, Thursday with graveside rites. Funeral was at the Eisonhour Chapel in OKC. His parents are Terry and Betty James. Grandparents Leona and Woodrow Miller.

Services were Sunday at the Sweetwater Community Room at school for Jimmy Fatheree and Albert Funeral Home was in Charge.

Services were Monday at the Baptist Church in Sweetwater for Mary Mandrell. Burial at Buffalo. Her daughters are Clara Lou McGuire and Berniece Harrington.

Services were last Wednesday at Anadarko for Fred McCathern, age 91. He was Mama's cousin. His father and grandfather used to run a store in Benonine before it was destroyed by fire.

Had some excitement last week when our renters the McIntyres found an abandoned car in our grove while they were building fence. Seems it had been stolen in Clinton Feb. 4 and carefully stashed in the trees out of sight. Was completely stripped.

We went to OKC last week for my checkup. Stopped by Weatherford and visited Gene and Marvel Kaiser. Saw Wallace, Marie and Vada Maloney in Clinton.

Dear Ann or Abby one had a column about what happens when you try to straighten something out. Well, I get so vexed because TV Guide doesn't carry CH 4 Amarillo. We have to buy a second paper to know what's happen-

ing on it. I wrote and asked if they couldn't add the stations we get. I wrote back to please put me back in OK and didn't get any this week.

Our kids did quite well at the Beckham Co. Show. No swine shown because of the quarantine. Stacey Gordon was first and Michelle Thompson second in the Ewe Lead contest, Sr. Jimmy Davis won the Sr. Lamb Showmanship award, Group of three also went to Sweetwater.

Other winners were: Shawn Carlson Monte Carlson, Jimmy Davis, Clint Taylor, Mandy Carlson, Sandy Cooperider, Mark Davis, Pam Davis,

Harold Davis, Sheila Sites.

Cattle; Randy McEntire, Jody Johnston, Carl Johnston, Monte Tucker, Lisa Tucker, Robert Thompson, Michelle Thompson, Joel Welch.

And then there were Becky Gragert Melissa and Jerod Blevins, Dale and Darren Dunlap who have grandparents here tho they go to Sayre.

Saw Coleen Gordon and her mother Mrs. Holland in town.

Nineteen of the Kitchen Band showed up at Hensleys. Rosetta Gephart was on the front row, Troy and Velma were back too.
