## CWE CHAT WITH EDITOR

By Louis C. Stas

The report is you played a good game, Mustangs. Just some bad luck at the wrong time cost you the game. Keep improving.

**Congratulations, Caleb Finsterwald!** Caleb was recognized in the *Amarillo Daily News* for his play in the game against Dalhart. He ran 156 yards and had a rushing touchdown and a receiving touchdown.

I am also hearing good things about the band. I hears some mornings practicing when I go for the mail. Keep up the good work.

I received a call early Thursday morning, informing me that Wheeler was not going to observe Grandparents Day on September 29. We had received a fax and since I had requested a calendar of the week's activities from Wheeler School, I assumed it was from Wheeler.

The bad thing is, Barbara did the same thing. The fax was from Allison. Sorry!

The regular monthly chamber board meeting was held Tuesday. The next thing on the agenda for the chamber is the Christmas Open House on the Saturday after Christmas. Hard to believe that is only seven weeks away.

Filled out the monthly rain report for the National Weather Bureau and once again there was a big 0 for a total amount of rain. The last rain recorded was 0.29 inches on July 30.

This week begins a series of ads "Pampa Business Focus". Notice the line at the top—"When you can't find it at home!"

I made a cake for the card game Monday night. And, I may never be able to make it again. I used the "Southern Cream Cheese Pound Cake" recipe in the *Amarillo Daily News*, but, I did not have enough granulated sugar and had to substitute powdered sugar.

The recipe also called for sifted cake flour. I used regular cake flour and didn't sift. 2 tablespoons taken out of a cup of flour is equal to a cup of sifted flour.

The recipe is as follows:  
3 cups sugar  
3 sticks butter, softened—I used margarine.  
1 (8 oz.) pkg. cream cheese softened  
1 tbs. vanilla extract  
1 tbs. almond extract—I am not a fan of almond extract, so I left it out.  
6 eggs  
3 cups cake flour, sifted  
Cream sugar, butter and cream cheese and beat until light and fluffy. Add eggs, one at a time, and flouring. Sift cake flour and add to creamed mixture. Pour batter into greased and floured 10-inch Bundt cake pan. Bake at 350 degrees for 1 hour and 15 minutes or until wooden pick inserted near center comes out clean. Cool in pan 10 minutes; remove from pan and let cool completely on a wire rack. Makes 15 servings.

The cake made by Melva Smith of Amarillo won first at the Tri-State Fair.

We did play three games of cards. Jane came for only one game. Her team lost the first game and she stayed to help them win the next two. The winning team was Jane, Barbara and Mike. Bob, Dwight and I won the first game.

There was nothing special to report over the weekend. We were in OKC and Hinton. Cards were played both places.

It is that time again. Happy Birthday, Barbara—Friday!

### GO MUSTANGS!

## WOLVERINES WIN OVER MUSTANGS, 20-19

The Wheeler Mustangs hosted the Dalhart Wolves last Friday night at Nicholson Field. The Wolves would be the first of two 3A teams the Mustangs would tackle this year. Dalhart would enter the game winless at 0-3, while the Mustangs records is 1-2.

For the first three quarters, the Wheeler Mustangs would totally dominate the game, playing near perfect football. But a couple of misques would allow Dalhart to get back in the game in the 4th quarter and eventually win a close football game 20-19.

The Mustangs offense would reach paydirt first as Justin Chapman would keep around left end for a 4 yard TD. Joe Salas' kick would split the uprights and give the Mustangs a 7-0 lead with 18 seconds left in the 1st quarter the Mustangs would up their lead late in the 2nd quarter when Justin Chapman connects with Caleb Finsterwald for a 42 yd TD pass. The extra point was blocked and the Mustangs would lead 13-0 with 1:26 left in the 2nd quarter.

The Mustang defense played a great 1st half as they limited the Wolves to two first downs on 17 plays. Those 17 plays would garner the Wolves only 20 yards rushing on 12 plays, while going 0-5 in the passing department. The defense would also force 2 fumbles, one on the Wolves 29 yard line, which would lead to a Mustang touchdown.

The 2nd half would start the same way the 1st half ended as the Mustangs would take the kickoff and drive 80 yards for a touchdown as Finsterwald would bust loose over left side and ramble 56 yards to paydirt. The Mustangs try for two would come up short uping the lead to 19-0. The Mustang defense would continue to dominate, limiting the Wolves offense to only 1 first down in the third quarter.

The 4th quarter would prove costly to the Mustangs, as they would turn the ball over on their own 40 and 10 yardlines, which would lead to Dalhart's 2nd and 3rd touchdowns. After the 3rd TD, the Wolves would be successful on a two point conversion to take the lead 20-19. The Mustangs would stage a comeback, but would fall short.

The next game will be at Childress, with the game starting at 8:00.

No one complained to loudly.

The first race started at 9:30 with the Jr. High Girls division. 9 teams with a total of 65 runners were the first to test the rugged course. ## Pioneer Day in Cheyenne

By: Lorena G. Males

Pioneer Day in Cheyenne's city park promises to be a big day. Exhibits will take us back to the days of no washing machines, no microwaves, no T.V. Demonstrations will show children how to churn, tat and quilt. The curtain of time will roll back to make the old days come alive.

Grandma's Pioneer Story "Get quiet and I'll tell you children—all five of you—a pioneer story about when your great-great-grandmother was a little girl and came to the Cheyenne-Arapaho country in a covered wagon.

You are very close to the spot where the pioneers gathered to wait for the gun to go off that was a signal for them "to run". They had been there several days waiting for April 19, 1892.

"Why did they come early?" asked one wide-eyed little boy Bobby.

They wanted to race their horses and get them ready. They could put down a stake in the land they wanted and get one hundred sixty acres of free land. No wonder the people came flocking.

Some of them came for adventure; some were hiding from the law; some were college professors; some couldn't read nor write. The majority wanted to build a new home in this raw Cheyenne-Arapaho Country and give their children better opportunities.

I've read so many stories praising the courage and efforts of adult pioneers but never a word about what good things the pioneer children did. Children can do a lot when their hearts are in it.

### CARD OF THANKS

We wish to thank the Allison, Briscoe, Hemphill County, Kelton, Mobeetie, Shamrock and Wheeler fire departments for their assistance in fighting the fire that crossed our place. Without their prompt response and the county maintainer's help, we could have lost a great deal.

the same; the contest is open to students in public, private, parochial, charter and home schools. There must be at least 5 participants in a home school elimination. A student cannot be older than 16 by the date of the national finals (May 27, 2001).

The AGN-WTAMU bee offers two levels of competition. The junior bee is for students in grades five and below. The senior bee is for grades eight and below. Any director has the option of combining the two levels if he/she so chooses. However, each county can have only one representative in the regional bee, to be held on April 7 on the WTAMU campus. Each county is free to select a junior winner in addition to the senior champion, but the elementary grade student WILL NOT compete in regional unless he/she should win the senior county championship.

Both the county junior winner and the county senior winner will be guests of the Amarillo Globe-News at a luncheon preceding the regional competition on April 7.

The top award, given by the Amarillo Globe-News, will be an all-expense paid trip for two to Washington, D. C. where the 2001 area champion will represent the sponsors in the Scripps Howard National Spelling Bee, beginning May 27.

The 2001 issue of "Paideia" (study booklet) is a collection of over 3,500 words grouped in 29 categories at three difficulty levels -- beginning, intermediate and advanced. The price of the booklet is \$1.00 and is available from the Human Resources Department of the Amarillo Globe-News.

MATEO.5:1-12. Muchas personas creen que las cualidades de caracter presentadas en las bienaventuranzas no pueden ponerse en practica en nuestra sociedad actual.pero se nos llama a representar a CRISTO en un mundo ensombrecido por el pecado. Y cuando ponemos en practica los principios de las bienaventuranzas, quienes estan a nuestro alrededor veran la PAZ Y EL GOZO que tenemos gracias a la obra misericordiosa de DIOS en nosotros.podemos expresar y anunciar el glorioso Evangelio de CRISTO al mundo entero AMIGO SOLO CRISTO SALVA Iglesia CANAAN

**It's Tough To Lose A Mother**  
by: Lorena G. Males  
She's always there for you. She was your introduction to right and wrong. She kissed your knee when it got bumped. She applied a cold rag to your forehead when fever scorched. When you were able to eat, her potato soup was the best. She gave you help with your homework and her encouragement made it easier. With love, she cooked your favorite food and often had warm cinnamon rolls waiting after school. She set her schedule by your school schedule so she could go hear you sing in the school programs and watch your ball games. No matter how minor your role, to her you were the star performer. When you left for college it punched a great big hole in her life—she missed you so! When your wedding day came, she sadly handed you over to another woman. When your business failed, she made you believe you could try again. When she grew old and weak, she pretended to be strong so she wouldn't bother you. Never a fault finder, she patted you on the back as long as she had an ounce of strength. She made you believe you could be anything, do anything, as long as you'd work. She poured herself into her children, and now that she is gone, the children carry on. It's tough to lose a mother.

# Sweetwater News

By Lois Flowers

Beautiful weather but Oh, so dry! The Old Farmers Almanac says snow storm in January and only rain in April. We hope we get more than that. It is amazing how good things look. I guess it is from the twelve inches we got last June.

Ollie Anderson and Norma Zellmar are back from an eight day trip thru Texas, New Mexico and Arizona, where they visited Ollie's sister, Oma. Had a call from Richard Rankin in Sayre. He has been trying to locate his grandmother, Cora Mangum's grave, in the Mayfield Cemetery. Tony tells me that the Mayfield's and Buffalo Cemeteries are both listed on the Internet. Darla Hoffman did the paper work.

Everyone knows I am bird happy. Last week I was waiting at the light to

turn when a quail came prissyng across the street like it belonged there. I wondered how it got in mid town and if it made it out.

Peggy and Leroy Dunlap were out for a hamburger supper with Iva Thompson. Oh, yes, I hear they are going to blacktop the road from Iva's to the highway south.

The Erick Elementary basketball tournament is Monday. Our kids are playing in it. Boys are Marty Blake, Shane Boyd, Hayden Snodgrass, Bryan Greer, Dusty Jolly, Dalton Perry, Matthew Cox and Dustin Adams. Girls are Kara Cox, Olivia Locke, Ashley Smith, Rachel Miller. Coaches are Mr. Riley and Mr. Hinger.

Next week is also the Tulsa Livestock Show. Cade Sites, Lindsay Coffey, Trampis Fowler, Nathaniel

Quinn, Ricky and Jana Hanson and Nathan Reed will be showing their animals. Mr. Hutson is their sponsor.

The roads look so nice since the roadmen have mowed up to the fences. It is a pity so many throw their trash along the roads.

Our Roger Mills County, Cheyenne Marching Band won first at the state fair for the third year. We are very proud of them.

I visited Joe, Mary Bollen, Johnny Nidifer, and Katie Hester at the Nursing Home. Mr. and Mrs. Ross Bollen are here from Atlanta this week to see Mary.

I have noticed that the Record leaves a stack of papers each week for the residents. That is very nice of them.

Ed and Eva Atkinson attended Dad's Day at Stillwater on Saturday

and visited Brad and Brendon.

T. J. Pittman called to tell me of the death of our friend, Jack Hays, at Amarillo. Services were Saturday at Wheeler.

Services were at Hollis for Mrs. Lamarr Guthrie, 87, with burial in the Fairmont Cemetery. A lot of you old timers will remember when the Guthries had the Erick theater for some twenty years.

I had a letter from cousin Carolyn Dobbs, Long Beach, CA, telling me of the death of Ethel Lee Johnson, a classmate of mine in high school. She married Dawson Tharp. He died in 1966. In 1987, she married Darrell Gibson. He died in January and she in August. They are both buried in the rest Lawn Cemetery at Hereford. Ethel Lee and I graduated in 1933, a class of 17.

Carolyn also told me that our cousin, Myrtle Flowers, is in Rehab recovering from injuries suffered in a fall.

Long ago when Joe Dale was in high school, they took their livestock to the Tulsa Fair. The paper took their picture as they drove into town and it was all over the front page of the Tulsa Tribune. Really gave them a thrill.

The School calendar this week is Erick Show Monday, Tulsa Fair Tuesday and Wednesday. Thursday—Junior High Basketball Scrimmage here with Arnett at four-thirty.

Judy and Gerald Tipton spent the night at Watonga with Jan and Jeff Franks and children.

I have really enjoyed the Olympics. It is incredible what those gymnasts can do. The Parade of the nations was great.

Been a lot about the abortion pill. I guess I am old fashioned but I think people who don't want to have children should be sterilized. No unwanted babies to murder then.

Ezekiel 11: 19-20 And I will give them one heart and I will put a new spirit within you; and I will take the stoney heart out of their flesh and will give them an heart of flesh;

That they may walk in my statute and keep mine ordinances, and do them; and they shall be my people, and I will be their God.

It's a beautiful Monday morning here in Allison with very little wind and sunshine.

Darrel and Johnnie Harrison of Amarillo came last Saturday afternoon and visited and they also visited Pearl Harrison. My son, Jerry, also came Saturday afternoon and worked that afternoon and Sunday getting the woodwork on my house ready for a paint job. Hated for him to be working on Sunday, when he is usually always at church on Sunday, but he felt like he needed to redeem the time while he was here.

Opal and Juanita Boydston were in Pampa last Tuesday on business and did some shopping.

Roma and Billy Brown were in Pampa Tuesday shopping and ate dinner at Furr's Cafeteria. Then went to Canadian from there and did some shopping there. Grandson Merlyn Jr. Brown and little daughter, Jessica, from Clinton visited a little while Friday evening with Roma and Billy.

Sunday dinner guests with the Browns was Thuria Poindexter from Cheyenne.

Allison Grill and Grocery opened up for business this Monday morning, Oct. 2. Hours from 7 a.m. to 7 p.m.

Monday through Saturday.

Helen Crawford and son, George, spent the weekend at Enid, Okla., with Helen's brother, Olen Joslyn, and family.

Brad and Sue Chandler's Sunday dinner guests for a fish fry meal were Peggy Chandler, Pete Gilmer, Jimmy Dean Gilmer and Bridget Weatherly and daughter, Audra from Wheeler.

Christine Gilmer visited Pearl Harrison a while last Monday evening. Pearl visited with her brother, Hershel Sanford last Tuesday and spent the night there and Hershel and Pearl visited her sister and brother-in-law, Al and Eva Schoehals, of Shattuck and also their son, Jerry, was there.

Pearl's Sunday dinner guests were Rev. and Mrs. Joe Hall from Pampa, Hershel Sanford from Higgins and

Cheryl Dupont, Sabrina and Cody. Rev. Hall filled the U. P. church pulpit both services this past Sunday, good preaching and singing.

Sheryl Lane and daughter, Laurie Poindexter, from Sayre were in Pampa last Saturday and attended the quilt show. They were also in Wheeler shopping for Laurie's bridal shower registry.

Pete and Margaret Gilmer were in Shamrock and Cheyenne one day last week doing some shopping.

Allison Bray and Brownyn Dukes were at the stock show at Gruver, Texas, last week. Allison placed second in Reserve Champion Breed and Brownyn also placed second. Congratulations to both of these young ladies. They also visited Edna May in Spearman at the Rehab place in Spearman on their way home. Said she is doing well and was very happy to see them. Hurry and get well, Edna. We miss seeing you around.

## I-40 Is Part of Texas Highway Improvement

More than 200 miles of heavily traveled interstate highway in Texas are getting some much needed maintenance upgrades:

The Texas Transportation Commission approved an additional \$230 million for rehabilitation of 20 interstate segments statewide.

The funds will be targeted to portions of the interstate system that are in most need of a comprehensive makeover by completely removing the deteriorating pavement down to the roadbase and rebuilding it.

A statewide review of interstate

conditions by the Texas Department of Transportation (TxDOT) found the overall system in good condition. Of the 3,233 miles of interstate, approximately 222 miles were found to be in need of significant pavement improvements.

According to transportation officials, the high volume of traffic, especially heavy truck traffic, has contributed to the deteriorating conditions and the lower ride quality in these areas. In addition, overweight trucks also accelerate damage to the pavement.

Transportation officials say they are just holding the line on the conditions of the highway.

With our aging infrastructure and an increasing number of vehicles traveling on it, preserving and maintaining our system is one of our priorities," said John W. Johnson, Texas transportation commissioner. "We need to address these areas of our interstate system to provide a safe and smooth ride for motorists."

The targeted interstate segments are located on portions of I-40 in Carson, Deaf Smith, Potter, Oldham and Wheeler counties.

In 1999, the Texas Department of Transportation spent approximately \$854 million on maintenance activities.

Talmadge Fillingim is going to be leaving the hospital and going back home right away. Doctors think he is doing great since the stroke. We are thankful Talmadge is home now.

Nice to have Brad and Sue Chandler meet us for lunch at Maxeys Tuesday. So good to have Brad back and visit with them. They will be cleaning some chimneys and doing some fishing and just enjoying being home. Also good to see Eupha Mae Sorenson at Maxeys, looking perky.

If you've wondered about the time change, clocks will go back an hour last Sunday of October, Oct. 29.

Mobeetie XYZ will meet Friday Oct. 6 about 6:00 p.m. for blood pressure checks, devotional, delicious potluck meal and games of 42 and Chicken Foot. Everyone welcome.

Addie Swift went to Pampa one day with Fat and Wanda Childress and visited granddaughter, Kelly Swift, Lathan. Also coming over for awhile were Mary Swift and Kami Fitzer. Addie also went to volleyball Saturday with Lou Dean Douthit and to the football game. Cathy Hunt took her to Wheeler to the beauty shop one day.

Verneal and Juanita Prater went to Pampa Saturday and shopped and got groceries and ate at Furrys.

Vickey Nelson took training and passed her pharmacy tech test. She is doing medications at Wheeler hospital now. Larry Nelson is running the C & H Feed and Tire store at McLean now. A nice drive up there except he is always having to dodge deer in the road. Danny Nelson and Amy and Danielle were weekend visitors to Larry and Vickey Nelson. They all went to Wheeler Sunday afternoon and visited Earl and Shirley Jolly. Also there were Sheri and Shel Cox and Cathy and Frank Hooper.

Keri Nelson is taking business management courses at Clarendon College Pampa Center and is working in the office at Thriftway to get some practice with computers, etc.

Visiting Doris Finsterwald Saturday night for snacks and games of 80 were C.B. and Maurine Brotherton and Jo Redding.

"Living for Jesus a life that is true, Striving to please Him in all that I do,

Yielding allegiance, glad-hearted and free,  
 This is the pathway of blessing for me."

from a song. Phyllis Hefley is expecting her sister, Patsy, and Donald Stinnett to come in for the weekend and go to the Allison School Reunion with her Saturday.

Rosalie Keelin went to Childress Sunday with Gene and Norma Keelin and Tracy to a Keelin reunion hosted by Johnny and Karen Gillenwater,

who live at Childress. Jerry Keelin came to Rosalie's Friday night and went with all to the Reunion. Jerry also visited with Gene's family. They had a fun time at Childress: large crowd, good food and music at the nice big community building there. Some there Rosalie knew were Laveta Caskey from Pampa, her sister, Lois, and friend from South Texas, Louise Young from Amarillo, Gary and Darlene Gillenwater and Alvie Keelin. Lots of New Mexico relatives. Jerry Keelin is from Big Spring. Rosalie enjoyed the day, but missed the singing at Mobeetie.

Laurel Hershman and Willia Fillingim plan to go to Amarillo Friday and visit Sarita Dawson and family and bring Micaela to stay till Monday.

Willa has been busy finding homes for several unwanted puppies. She hates to see any animal destroyed. She put ads in the papers.

Jimmy and Tammy Maddox refereed the volleyball tournament all day Saturday. Looks tiring, Sunday they went to a pig sale at Tahoka. Monday, Jimmy was leaving to take some pigs to Dallas to the Fair. Some showing pigs are Tamara Hefley, Andrea Hathaway, Shantell and Tommy Meek and Amber Maddox. Most of the others were going Tuesday. Tammy Maddox, Georgia Tipps, Kevin and Jona Meek and the kids, Gayla Hathaway and Wanda Hefley were going Wednesday. Good luck at Dallas to you all.

Enjoying a delicious pot luck supper and games of 88 at Lois Meadows home Thursday night were Nova Powledge, Irene Keys, Virginia Puryear, Lou Dean Douthit, Doris Finsterwald, Evelyn Meek, J. P. and Martha Meek, Willis and Verna Fillingim and Lois. It was fun. Also Willa Fillingim.

Sincere sympathy to family and friends of Jack Hays, 87, in his death. Funeral was Saturday at Wheeler Baptist Church. Jack and wife, Doris (Aderholt) lived in the Briscoe community most of their lives, graduating from Briscoe school. All their children (Continued Page 7)

★★ **JOHN MORRISON SAYS . . .** ★★

Several months ago this Newspaper contained my announcement as the Republican candidate for Wheeler County Attorney. That announcement included my commitment that, if elected, I would not conduct a private law practice while serving as Wheeler County Attorney. That commitment was made because the duty owed by an attorney to a private practice client sometimes conflicts with the duty which that attorney owes to the public while serving as County Attorney. Such conflicts of interest can be prevented if the County Attorney is willing to forfeit the additional income which can be gained from conducting a private law practice while serving as County Attorney.

Over a period of time following the announcement of my candidacy, it became very clear that the performance of all of the duties of the County Attorney each week ordinarily required far less than forty (40) hours. Such situation made it essential that I decide the use which I would make of the extra time, if elected, and that I disclose to the public the use which I would make of such extra time. In view of the fact that the public is paying for such extra time, in the form of an adequate salary, conscience dictated that, if I was elected, such extra time should be used for the benefit of the public in some manner. My solution for the use of such extra time for the benefit of the public is set forth below.

I hereby commit that, if elected Wheeler County Attorney, I will:

1. Devote whatever time is required to a diligent performance of all of the duties of that office.
2. Devote the extra time to furnishing **FREE** legal services to any Wheeler County resident whose economic circumstances make the employment of an attorney a financial hardship. By "free" is meant that I will not accept any compensation of any kind or nature whatsoever, and will decline any offer of future compensation of any kind or nature whatsoever, for any legal service rendered to any such person.

Performing such free legal services, while serving as County Attorney, would not give rise to conflict of interest.

The announcement of my candidacy referred to above also included a statement to the effect that I was seeking the office of County Attorney for the purpose of doing good for the people of Wheeler County, as contrasted to doing well for myself. Every Wheeler County resident is invited to consider whether or not my commitment to render free legal services above set forth, (as contrasted to the present situation in which the extra time is being used for personal gain) supports my commitment to do good for other people.

I solicit the vote of every Wheeler County voter in the General Election on November 7, 2000. My election will permit me to be of service to others. I will sincerely appreciate each vote which I receive.

Any person who has any question, suggestion or comment is cordially invited to contact me in person at 1112 South Main, Wheeler, or to contact me by telephone at 826-3243.

Sincerely yours,

 dren, Jerry, Dwayne, Patricia Crossland, Ronnie and Tommy graduated from Briscoe. Good, hard working people. Jack farmed and had a dairy and did carpenter work and painting with Doris always working right with him. He was still a handsome mah-in the casket. He was a primitive Baptist preacher for many years. Good to see the family.  
 Sincere sympathy to family and friends in the death of Agnes Lott, 90. Sincere sympathy to Bro. Bob Meller, in the death of his dad, Rich-

ard Meller, 77, at Shattuck and to other family and friends.

Vises getting together for supper at Maxeys Monday, Sept. 25, night to visit before Jean Pollack left included Evelyn Meek, Mark and Annette Meek and Jocelyn, John C. Vise, James

Vise, Lefoy and Katherine Vise, C. B. and Maurine Brotherton, Jean Poljack, Doris Finsterwald, Bob and Mary Nell Finsterwald and Randy Finsterwald. Coming later after Brandon and Kelbys' ball game were Bill Finsterwald and Brandon and Kent

and Jo Lynn Vise and Kelby.

Big crowd out to the junior High Volleyball tournament at Briscoe Saturday. Lots of good playing. On Ft. Elliott team were Shantell Meek, Jessica Puryear, Tamara Hefley, Andrea Hathaway, Sarah Beth Zybach and Randi Lyn Barr.

"The world is like a mirror; frown at it and it frowns back at you. Smile and it smiles, too."

Nice to have Ed and Laurel Hershman meet us for supper at Wheeler Dairy Queen Friday night and a good visit. Also got to visit there with Glenn and Nona Elmore from Allison. Glenn recently celebrated his 85th birthday, but they are a friendly perky pair. Get around so well. The Hershman were going to the Wheeler-Dalhart football game later. At least 4 big school buses from Dalhart parked at the football field. There was also a family from Samnorwood at Dairy Queen. They were on their way to Miami to a football game. Wheeler 19, Dalhart 20. Miami defeated Samnorwood.

Glenn D. Hodges got hurt when the pickup tangled with wire and he tried to cut the barb wire loose. He got pretty bloody and then fell and "busted his head". He was taking blood thinner. He has been is BSA Hospital at Amarillo. Pray for Glenn D and Estelle.

Dallas Fillingim from Vernon was a weekend visitor to Dave and Rita Pearson. Willis and I enjoyed eating lunch at Maxeys Saturday with Dallas and Rita. Had a good visit. Seems like all going well for him at Vernon.

Thursday, Bob and Gena Zybach went to Spearman and visited Edna May in the rehab there. She looked real pretty and seemed content to be there. But said she planned to be home to Allison before Christmas. When asked if there was anything she wanted or needed, she said, "well water." She needs to drink lots of water, but it is hard when it doesn't taste good. Edna appreciates all the company, cards, letters, calls and prayers. Bob and Gena also went to Perryton and shopped some at Alcoa and Gibsons (pretty good place to shop) and watched Ft. Elliott girls volleyball teams play Perryton and Ulysses, Kan. Think Varsity defeated Ulysses but lost to Perryton. J. V. also played. Pray for Edna May.

Nice to see Laramie and Jan McEntire and two small foster boys at the Canadian Pizza Hut Tuesday night. The boys make 23 foster children they have given love and care to, besides raising four of their own. Laramie was head of the Soil Conservation there for several years. Dayla Cates was there with a big group that had played flag football there and parents, etc.

Dayla's husband, Lance, was also there.

Pray for Verne and Susie Lohberger, who are in extended care at Wheeler. Go by and say "Hello." Nice to see Joe Rucker, Danny and Cathy Miller and Jason all eating at Maxeys Saturday. They had been to see the Lohbergers as had Alton and Suzanne Lohberger. Susie has a broken hip.

Kaleb and Marti Meek were weekend visitors to Mark and Annette Meek and Jocelyn. Nice to see them all eating at Maxeys Sunday.

We enjoyed eating with Leonard and Bertha Hollis at Maxeys Sunday. We went over to Mobeetie Baptist Church Sunday to hear Terry Mick preach. Good job, Terry. Good crowd. Lots of youth.

Katie Shipp sang a beautiful special. Good to see Iona May and her brother, Buster Gaines, from Houston and Dean and Georgia Tipps and Amber and Jennifer Maddox at Maxeys.

Troy and Betsy Harrel were weekend visitors to Aaron and Claudetta Laverty. Nice to have them out to Gageby church Sunday morning and singing at Mobeetie Sunday night. They were enroute to south Texas to spend the winter months. Denver had 4 inches of snow. They expect to be back through about May first to go to Panfork Senior Day and on to Denver for the summer.

Betty Howard had surgery at BSA Friday for a blockage. Some of her intestines were removed to repair a hole and problems. Keep praying for this lovely lady. Lots of blood clots there.

Mary Ruth (Evans) Van Sant, Valoise (Evans) Massey and Carol Hardage, all from Lindale, Texas, and Sunny (Wilhelm) Keene from Rockville, Maryland, spent Tuesday and Wednesday night with Beth and Jim Alvey. Wednesday Beth hosted a "Girls Only Luncheon" at the home of Pauline (Evans) Hefley. All of the above plus Laverna (Evans) Fillingim and Phyllis (Giddens) Hefley enjoyed the food and fellowship, reminiscing and laughter for a great day together. So good to be together again. All except Polly and I went for a tour of

downtown Wheeler and McIlhany's Dry Goods. (We rested). We are all getting older (aren't you surprised?) Mary Ruth is 72, I am 78, Valoise is 80, and Polly will be 84 on Dec. 29. Our brothers, Eldred and Gene have been dead many years. So we cherish the times we have together. Thank you so very much, Beth, for being the perfect hostess and making it all possible. We never know what the future will bring.

I had a request for this delicious recipe.

Ethel's Milnot Cheesecake

1/3 cup margarine melted

Make crust of crumbs and margarine and press into 9x13 and chill, reserving 1/2 cup crumbs.

1 small lemon Jello

1 cup boiling water

Disolve Jello in water and add one cup crushed pineapple. Chill till slightly thickened.

8 oz. cream cheese

1/2 cup sugar

1 teaspoon vanilla.

Mix together till fluffy and add to jello mixture.

1 can Milnot milk

Beat stiff in large mixer bowl and add to Jello mixture. Mix and pour into chilled crust. Sprinkle reserved crumbs on top and chill several hours. May omit pineapple.

There was a real good singing at Mobeetie Baptist Church Sunday night. Good crowd, good program and good food. Some singing were Marion Grimes and Doris Finsterwald, Good News Club (Melba Corcoran, Amanda Mick, Tisha McLaughlin, Travis and Brittany Bryan, Andrea Martinez, Jayton Childress) Tony Griffin, Gageby Gals (Lois, Evelyn, Martha), Judi Cornell, Johnny Crawford. Singing to music (very impressive) were Patricia Kephart, Amanda Mick, Shelia and Terry Mick. Willis played the harmonica. Giving poems were Willa Fillingim, Mary Cornell, Kay Stiles and Aaron Laverty all inspirational and/or fun. Next time, November 5, at 6:00 p.m. singing will be at Allison Baptist Church. Visitors always welcome. Some other visitors to Mobeetie were Doretta Moore, Bill Stiles, Nona Jones, Nadine Reynolds, Shorty Crawford, Fat and Wanda Childress, Elizabeth Meers, Patty Crawford, J. P. Meek, Claudetta Laverty. Also singing was Terry Mick, leading for choruses and songs. He has a great voice and was in charge. Also there, Daniel Smyth from Germany.

A letter has been received from Tipton Home, expressing appreciation for the \$260.00 that this congregation recently gave to their grocery fund. This letter is posted on the bulletin board in the lobby.

The latest mission report from India is posted on the bulletin board in the lobby. This report was prepared by Ron Clayton, a former minister of this congregation.

Buck Jones, Mary Jones, and Joyce Perkins recently shared the joy of the birth of a great-grandson, Taylor Bryce Ford. He was born on Thursday, September 28th. His proud parents are Chris and Amber Ford and his proud grandparents are Dewayne and Debbie Ford.

Ed Forrester has been released from the Regional Medical Center in Pampa. He is now recovering at home from his recent surgery.

Clara Holmes remains in the local hospital. Her condition is serious.

**From The Minister's Desk:**  
 A recent issue of the bulletin of the Church of Christ in Lamesa, Texas contained a "sentence sermon" that some disciples of Jesus should read. This "sentence sermon" was: "Christians are not ruined by living in the world, but by the world living in them."  
 When I read this "sentence sermon", I was reminded of an admonition that Jesus included in a prayer that He prayed for His disciples in the hours before His death. This admonition was: "I have given them Thy word; and the world has hated them, because they are not of the world, even as I am not of the world. I do not ask Thee to take them out of the world, but to keep them from the evil one. They are not of the world, even as I am not of the world. Sanctify them in the truth; Thy word is truth." (John 17:14-17)  
 From my perspective, this admonition of Jesus is still relevant. Therefore, it should be faithfully observed by people who are disciples of Jesus.
