1977 MEANT PROGRESS FOR WHEELER

WENDELL MORGAN SEEKS SECOND TERM AS JUDGE

I am very grateful for the cooperation given to me by the citizens of Wheeler County these past three years. It has been a privilege to serve as your County Judge.

I have strived to execute the duties of the office of County Judge to the best of my ability. I am very thankful to have had a part in guiding county government with a host of good help from each of you.

I find each day new ways to help people and this is very rewarding to me.

I firmly believe that the government that is the closest to the people is the best government. I want to continue to work with you in making our county the best county in which to live and work.

It is my sincere pledge that if

WENDELL MORGAN

re-elected I will continue to serve in a fair and impartial manner. Your vote and continued support will be appreciated.

R. D. MASON WILL BE COMM. Pct. 2 CANDIDATE

To the people of Precinct 2 in Wheeler County, I wish to announce that I am a candidate for the office of county commissioner of your precinct. I feel that I am qualified and capable of handling this job as I am familiar with the

duties of this office. Having had some past experience will be very helpful to me in making you a better commissioner. Your vote and influence will be gratefully appreciated.

LICENSE PLATE RENEWAL NOTICES

AUSTIN—License plate renewal notices for almost 11 million motor vehicles are in U.S. post offices throughout Texas for delivery to owners beginning the day after Christmas.

R. W. Townsley, director of the Motor Vehicle Division, State Department of Highways and Public Transportation, said the renewal notices were stuffed into envelopes, pre-sorted by zip code, boxed and delivered to post offices to expedite delivery. Work to get the renewal notices ready for delivery started in early October.

"The plate renewals for passenger cars and light trucks (such as pickups) will be different from last year. A new law requires that renewal dates be spread as equally as possible over 12 months, rather than have all expire at one time (April 1) each year," Townsley said.

Since the Motor Vehicle Division does not maintain records by owner's name or birth date, the license number of the vehicle has been used to determine the month of registration renewal in the future.

Renewal notices have been issued to reflect the number of the months and the prorated fee to be paid to register each vehicle

Wheeler Blood Pressure Clinic

There will be a free Blood Pressure Clinic for all Wheeler County residents regardless of age, Thursday, January 5th. It will take place in the south end of the old Nicholson Memorial Hospital on Canadian Street from 9:30-12:00 A.M.

This clinic is sponsored by the Retired Senior Volunteer Program and the Texas Agriculture Extension Service.

Those needing a ride can call Inez Wright at 826-3239.

New Businesses and Homes

The year 1977 has been a year of improvement in the appearance of the downtown area. We have also seen the addition of several homes, both new and old, in the residential area. Some projects under way will be completed after the first of the year.

As we look at the downtown area, we see complete renovation of two businesses. Rogue Theatre was reopened for business and completely remodeled both inside and out. Earlier, Wheeler County Farm Bureau purchased the building which they have occupied for a number of years.

The Farm Bureau took in the other half of the building which had housed a beauty shop; they remodeled both the inside and outside.

Lancaster Department Store and Loyd's and Street's, Inc. Ben Franklin put a new front on the upper part of their buildings and replaced the old awning. Hyland's Pharmacy also received a new interior.

Times Fashions came into being the first of the year, after the interior of the Wheeler Times building was remodeled. Southwestern Public Service also received a new interior.

Two new businesses opened their doors this year. T. G. Reams occupies the old post office building and operates Smith Tool. The Bar-B Conoco was opened in just the past few months at the corner of Texas and Alan L. Bean Blvd. Claudine's Beauty Shop was opened by Claudine Finsterwald on Reynolds St.

Name changes also took place with a change in ownership and management of two downtown businesses. Leon Anglin of Mobeetie purchased The Boutique

lights that from a distance it looked like a technicolored canopy above the horizon. May some of the rest of us should use such ingenuity. Also I missed some that I've always counted on. The Joe Weatherly's play was completely unlit. Maybe they were away from home. But missed most of all I'm sure not only by me was the lit tree at Lillian Lee's. That has been lighted as long as I can remember. What happened Lillian?

Reba had guests during the Holidays. Mildren Isaacs of Amarillo came early in the week. Her brother Deward and Wife Mildren came later. Reba must have been happy to have someone around.

Mae and Harold Nash left early in the pre-Christmas week to visit their children, Maryland and Garth Nash in Phoenix. On their arrival there word was waiting that Mae's sister had been killed in an accident down state Texas. Her plane ticket was reserved and she broke into the gait of Christmas with a sad cry. So Sorry, Mae.

Mr. and Mrs. Frank Hyatt were fortunate to be able to spend Christmas in Oklahoma City with their daughter, Wanda Nation, their grandchildren and Mrs. O. Nation who is in a nursing home there.

Linda Wheeler and her children Tony and Lisa of Raton, New Mexico came here to spend Christmas with her mother, Doris Schroeter and her grandmother Lela Wilson. Mrs. Wilson has returned to the nursing home in Pampa and Doris will be returning to El Paso soon.

Bessie Robertson has taken up residence in a nursing home in Vernon. Her address is Wood Conscience Home, Rm. E-1, Vernon, Texas 76384.

The Sr. Citizens might need to be reminded that we have our first dinner of the New Year, next Monday night, Jan. 2, 1978. We are all young enough to have a lot of fun.

and located on private lots were those belonging to David Hamilton, T. J. Horton and Bennie Brogden.

Dr. and Mrs. Bob Galutia and Yancy also moved to Wheeler this year. Dr. Galutia is practicing at Parkview Clinic and they are presently living in a trailer located in the 100 block of West Eleventh.

In the homes to be completed in the near future, we have the home of Dr. and Mrs. Louis L. Mendiola at 108 S. Canadian and the future home of Mr. and Mrs. Jimmy Hill at 1305 S. Sweetwater St. The Lowell Lasleys have a home under construction at 400 East Eleventh.

The Wheeler County Jail was also remodeled to house the dispatch system, Sheriff's office and Justice of the Peace office.

Wheeler Health Center opened this spring in the 300 block of S. Main.

As you can see, Wheeler continues to grow and prosper. We hope we haven't failed to mention anyone; if we have, let us know.

WINNERS ARE NAMED IN FINAL MERCHANTS CASH DRAWING SAT.

Joe Smith was the winner of \$100 script from the Wheeler Merchants Saturday, December 24. Joe's name was the last ticket drawn from the hopper and she was the last to receive cash in the \$1,000 Christmas Drawing.

At the final drawing, a total of \$400 was handed out to seventeen people from the largest crowd of the three drawings.

\$600 had been given away prior to Saturday. \$300 was divided and sixteen winning tick-

ets were drawn in each of the drawings December 10 and 17.

The cash drawing is an annual event for Wheeler. The businessmen feel there is no better way to say "Thank You" to their customers than by handing out money. This is the third year the merchants have given script, which can be spent as cash with any participating merchant.

Receiving \$50 for standing and waiting Saturday afternoon for their names to be drawn were Bonnie Anderson and Christine Atherton.

Four persons were on hand to receive their \$25 portions of the \$1,000. Perry Elliot, Robert Jones, Billy Westmoreland and Fern Reed were handed envelopes containing \$25.

Ten People claimed their envelopes after their names were drawn from the hopper. Winning \$10 were David Wright, Ona Mae Weaver, L. V. Sivage, Don Rose, Violet Knight, Nancy Warren, Bea Smotherman, Misty Knight, Fred Gallagher and Violet Meadows.

The name, Tina Collins was the first name drawn from the hopper Saturday. Tina was presented a \$10 Beef Certificate by the local group of Top of Texas Cowbells. The ladies presented a \$10 Beef Certificate at each of the three merchants drawings.

Immediately following the giving away of the \$100 envelope, four more names were drawn. These lucky Wheeler shoppers each received a free pass to the Rogue Theatre, compliments of the theatre management. Names drawn were Harold Hill, Cathy Umsted, Violet Knight and Kim Good.

Thanks are extended to Shelby Pettit, Jerry Hefley and Donald Ford for their help with the drawings.

Merchants sponsoring the drawings were: Albert's Shamrock, Baker Automotive, Loyd's Ben Franklin, Pete Burton Ford, Cross Car Center, Frankenberg Texaco, Harper's Phillips 66, Hyland's Pharmacy, J & J Shamrock, Koshare Shop, Lancaster Dept. Store, L & F Repair, Lee Hardware & Furniture, McIlhany Dry Goods, Thriftway, Roark's Fine Foods, Anglin's Boutique, Trading Post, Ware Chevrolet, Wheeler Co Op, Wheeler Lumber Co., The Dot Shop, Wil-Mart, Times Fashions, Raymond's Drive Inn, Rogue Theatre, Rives Insurance, Southwestern Public Service, Sparlin's Restaurant, Wheeler Flower Shop,

Litterers Beware! Warning Issued

AUSTIN—Littering Texans, take heed! The State Department of Highways and Public Transportation has just released a new motion picture that zeros in on your dastardly deeds.

Titled "A Litter 'MESS'age," it's the most recent addition to the Department's free loan library of award-winning public service films and is designed to reinforce an on-going campaign against litterers.

Animation introduces live action as the film takes a sometimes humorous look at the thoughtless trash tossing of "litter bums" who are otherwise quite pleasant and friendly folks.

"A Litter MESSage" is 16mm sound and color, 13 minutes in length, and can be borrowed from your local district office, or by writing to FILMS, Travel and Information Division, Box 5064, Austin, Texas 78763.

The film is a timely reminder that litter is a nasty problem

Christmas over? I'm not so sure of that. On coming home from my short stay in Perryton I brought five kids home with me.

Soon there was another added (phones come off the hook before the door is shut). So for grandmother the fun is just beginning. Six or seven kids can eat a lot. But I make it easy on myself. Just let them nibble on candy, chips, cookies, etc. All day and night and then not much cooking has to be done. I'm not saying what that will do about future health problems. But right now it's the easy way out.

I took some friends, Doris Schroeter and her mother Lela Wilson, and viewed the town's decorative lighting on Friday night. Of course Canadian Street took top honors—it was very pretty. But we liked the view we had from Alan Bean Blvd, of the extremities to the east. The Andis family has used a plain old dry tree, but had so strung the

Soil Conservation Has New Phone

Weeping lovegrass requires an insulation blanket to protect its roots from winter-kill. The Soil Conservation Service recommends leaving at least 6 inches average height on lovegrass going into the winter, to provide this insulation. Grubbed out, over grazed lovegrass pasture is very susceptible to root-kill and wind erosion during the winter months.

As of January 3, 1978, the Soil Conservation Service in Wheeler will have a new phone number 826-5640.
