4-H JUNIOR RODEO TO BE IN WHEELER AUGUST 12-13

The Wheeler County 4-H Junior Rodeo is scheduled for August 12-13 in the Wheeler Riding Club arena, northeast of Wheeler. The performances will begin at 8:00 P.M. each night.

There are events for everyone 19 years of age and younger. The contestant does not have to be a 4-H member.

Charlie Plummer will be sup-

plying the bulls and horses. Clois Hanner of Shamrock is serving as chairman of the rodeo committee and will be the arena director.

The following events are being offered:

Pre-school—Stick Horse Barrel Race, Boot Scramble, Goat Ribbon Race, and Sack Race.
School age-9—Barrel Race,

Calf Riding, Pole Bending, and Flag Race.

Boys 10-13—Steer Riding, Breakaway Roping, Pole Bending, Barrel Race, and Calf Daubing.

Girls 10-13—Flag Race, Calf Daubing, Walking Lead, Barrel Race, and Pole Bending.

Boys 14-19—Calf Roping, Ribbon Roping, Bull Riding, Bare Back Riding, and Calf Daubing.
Girls 14-19—Rescue Race, Calf Daubing, Flag Race, Barrel Race, Pole Bending.

Open to boys and girls—Steer Saddling

Buckles will be given for first place in each event and for all around.

A queen's contest is being held in conjunction with the rodeo. It is open to single girls 19 years of age and younger. Judging will be on the basis of 75% for horsemanship and 25% for appearance.

Tickets are now being sold by 4-H members. Advance ticket prices are \$1.00 for adults and \$.50 for children. They will be \$.25 higher at the gate.

For more information call the Wheeler County Extension Office at 806/826-5243 or write Don King, County Extension Agent, Box 448, Wheeler, Texas 79096.

19 YEARS SERVICE: Marie Faulks handed in her resignation as librarian for the Wheeler Public Library at the June meeting of the library board—the resignation became effective August 1, 1977. Marie has served as librarian for the past nineteen years; during this time

the library has been located at the corner of Texas and Alan L. Bean Blvd. Mr. and Mrs. Lloyd Hefley were hosts to a tea Sunday afternoon, July 31, to honor Miss Fulks; guests were members of the library board. Miss Fulks (right) is shown with a plaque presented her by Roberta Adams, president of the Wheeler Public Library Board.

House Votes For Price Increase

LUBBOCK, TEXAS—"Grain sorghum farmers will receive a substantial boost in price support levels if the proposal passed today by the U. S. House of Representatives becomes law," according to Elbert Harp, Executive Director of Grain Sorghum Producers Association. While considering the 1977 farm bill, the House voted on a proposal introduced by Congressman Poage to establish the grain sorghum target price levels in relation to its cost of production, which is a change from the present system of setting sorghum's target price in relation to 95% of corn's nutritional value. "This change would increase target levels for sorghum in the future program and the 1977 crop by at least 50 cents per hundred pounds," Harp reported.

Sorghum's loan rates will continue to be set in relation to the nutritional value of corn, so grain sorghum will sell in the market. Target prices are the levels that guarantee the average price received by farmers and are determined by the national weighted average price received during the period of October 1 through February 28. If the average market prices received by farmers drop below the target price level then deficiency payments will be paid to the farmer on all his qualified production.

Harp stated that the House and Senate Conference Committee will have to accept this provision by a favorable vote on the entire farm bill. The bill then must be signed into law by the President before the provisions go into effect.

"The change in computing grain sorghum target prices originated in the U. S. Department of Agriculture by Secretary Bergland and is endorsed by the House. We are hopeful that it will be adopted by the full Congress," Harp said.

Grain Sorghum Producers Association has worked throughout the last year to get the best possible farm bill for the farmers, and Harp has been in Washington, D. C. for the last two weeks working with Congress and the Administration on the new legislation. It is hoped that Congressional action on the bill will be completed before Congress adjourns for a summer vacation in early August.

Co. 4-H Girls In Dist. Dress Revue

Three Wheeler County girls participated in the 1977 District 1 4-H Dress Revue at the District 1 Research and Extension Center in Amarillo. Jana Corse, Mobeetie 4-H; received a blue ribbon in the Junior I Division; Donna Quarles, Mobeetie 4-H; received a red ribbon in the Junior II Division and Shannon Batton, Mobeetie 4-H; received a blue ribbon in the Senior Division.

Under the theme "Seasons of Fashions," five young ladies showed off their own creations and earned themselves a trip to the State 4-H Dress Revue in Abilene by winning top honors in district competition in Amarillo, Tuesday, July 26.

All 19 Senior contestants, who represented a 20 county area of the Panhandle High Plains, made and modeled their outfits.

In addition to Senior level competition, 40 juniors vied for honors. They do not compete beyond the district level. There are no 1-2-3 placings in the annual dress revue. Contestants are judged on their sewing and construction skills, overall appearance, modeling abilities and their 4-H record books.

Bill Sexton, well known Panhandle radio commentator acted as narrator for the revue.

Parents, 4-H leaders and special guests were treated to a tea sponsored by the Texas Home Demonstration Association after the revue.

Five exhibitors and donors of awards participated in the show. Among them were Hancock Fabrics, The Fabric Mart, The Cloth World, Bernina Sewing Studio and Pioneer Natural Gas Company.

Mrs. Donna Brauchi, County Extension Agent (home economics) in Hemphill County; served as chairman of the event and Mrs. Sue Farris, District Agent (home economics), served as coordinator with all other County Extension Agents serving on committees.

NOTICE Emergency Medical Training Class to begin in Sept. If interested please attend meeting September 6 or call 826-5294.

Chief Petty Officer James L. Jolly is presently serving 8 to 9 months in Spain.

County Sheriff's Monthly Report

Sheriff Doyle Ramsey reports 19 prisoners in the County Jail during the month of July. This brings the total for 1977 to 145.

Those held this month included three on public intoxication charges, three on theft under five dollars, five on Burglary charges, four on D.W.I. charges, and one each for disorderly conduct, assault, hendering arrest of a felon and traffic.

Other activities this month include the burglary of Pritchard's Grocery on July 4th. A purse snatching incident occurring on July 21st. A theft from a pickup left unattended East of Wheeler on Highway 152 occurred on July 26th. White's Auto Store in Shamrock was burglarized on July 8th.

Several prowler calls were received during the month of July according to Sheriff Ramsey.

Kris Richardson Is Miss Top O' Texas

An 18-year-old Pampa woman, Kris Richardson, was named Miss Top O' Texas in the first pageant affiliated with the Miss Texas and Miss America pageants.

Miss Richardson, a 1977 graduate of Pampa High School, was one of 15 contestants in the Saturday night, July 23, contest. She performed a modern ballet to "Song of Joy."

The 5-foot-8 winner received a \$250 scholarship and will compete in the 1978 Miss Texas Pageant at Fort Worth.

She enjoys sewing and jewelry design, fishing, snow and water-skiing, swimming, softball and track.

Presenting the crown at M.K. Brown Auditorium to Miss Richardson were former Miss Texas Franki Watt and Miss Texas Lori Ann Smith. Emcee for the event was the 1963 Miss America, Donna Axum.

Judges, who are also affiliated with the Miss Texas pageant, chose the winners for talent, swim suit, evening gown and poise competitions.

The event, in its 10th year, is sponsored by the Pampa Chamber of Commerce.

Miss Richardson, a former runner-up in Shamrock's Miss Irish Rose Contest, is the daughter of Mr. and Mrs. Kenneth Richardson of Pampa, granddaughter of Mr. and Mrs. Rip Neely of Shamrock and the granddaughter of Mr. and Mrs. George Richardson of Wheeler.

POSSIBILITY OF NEW GYM

The Wheeler School Board is studying the possibility of constructing a new gym for the Wheeler School system. The facility could be built without a raise in taxes—present added revenue from state and mineral sources would provide the finances for the building. The drawing here shows a 108' x 120' structure which would seat 1160 basketball fans in molded fiberglass seats.

Four dressing rooms would be located under the seats. A

basement (50' x 90') is included in the plan which would serve as a storm shelter and four additional classrooms if needed. The building program at the present time is just in a study planning stage. In this drawing, the structure is connected to the present building on the north at the center doors.

Kelton Ex-Student Reunion Planned

A group of ex-students met last week and decided to have the Kelton Ex-Student-Teacher Reunion on November 26th in the new additions to the school. We are trying to get all the addresses of ex-students or teachers of the Kelton Public School for as back as anyone knows.

Those on the committee are Mrs. Paula Britt, Route One, Wheeler Texas; Sue Hink Anderson, Sayre, Oklahoma; Carolyn Ledbetter Buckingham, Wanda Jean Anderson Vineyard of Shamrock, Leroy Wall of Shamrock, Bob Hink, Route One, Wheeler, Texas and Rena Johnson Sivage, Box 7, Wheeler, Texas 79096.

If you know of any addresses of former teachers or students please contact one of the above named members.

BLOOD PRESSURE CLINIC There will be a free Blood Pressure Clinic for all Wheeler County residents regardless of age, Thursday, August 4. It will take place in the south end of the old Nicholson Memorial Hospital on Canadian Street from 9:30-12:00 A.M.

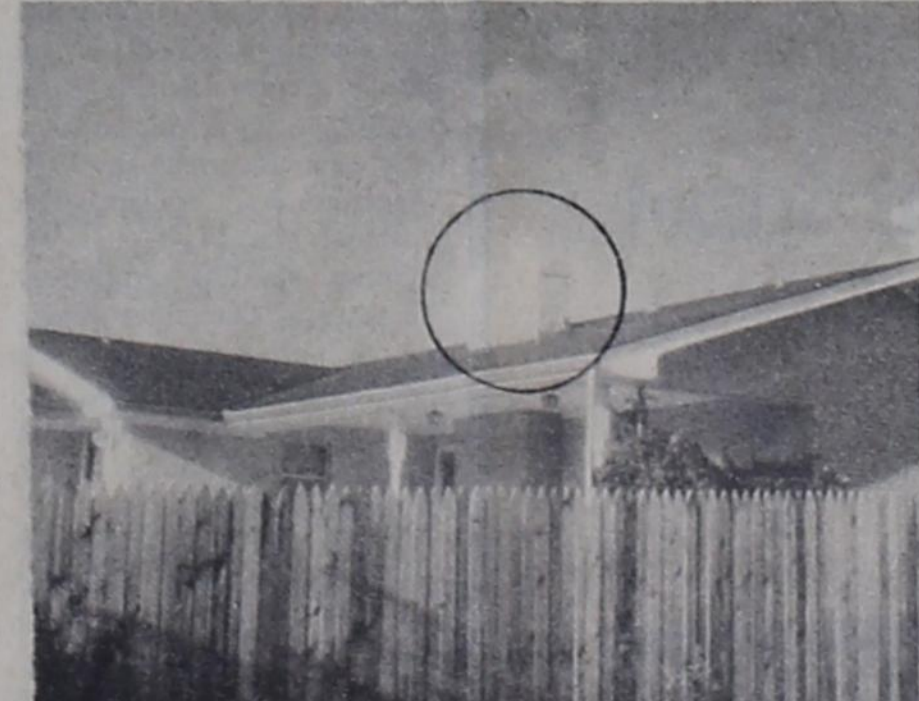

This clinic is sponsored by the Retired Senior Volunteer Program and the Texas Agriculture Extension Service. Those needing a ride can call Inez Wright at 826-3239.

BABE RUTH BASEBALL SEASON ENDS

The Babe Ruth Team from Wheeler ended their thirteen game season with a 9-4 record. The boys playing were Ty Henderson, Bobby Jones, Larry Jones, Arthur Zeppeda, Willie Valencia, Benny Watson, Sammy Sutton, P. D. Topper, Russell Gaines, Benny Baker, Troy Callaway, Boyd Waldo, John Harris and Jerry Spain. The coaches for

the season were Weldon Simmons and Rodney Weatherly, assistant with Phill Lago helping them start out the season.

The boys on the team making the all-star team were Sammy Sutton, Benny Baker, Ty Henderson, Troy Callaway, and John Harris on the fourteen and fifteen year old team; and Larry Jones on the thirteen year old team.

"This makes us even."—When Mr. and Mrs. Neil Rogers return home from vacation they will find an ornament on top of their chimney. A comode was placed

on the chimney by an "unknown" person or persons. The residence is located at 901 S. Alan L. Bean Blvd.

No. 57, FORMER WHEELER GRIDDER, IS STAR OF HALL OF FAME GAME SUNDAY

Don Rives, former Wheeler Mustang and Texas Tech football star and now playing middle linebacker for the Chicago Bears, was instrumental in leading the Bears to a 20-6 win over the New York Jets last Saturday in the NFL Hall of Fame game played in Canton, Ohio.

The Bears, picked by many to break the rein of the Minnesota Vikings in the NFL's Central Division, were in a 6-6 tie with

the Jets early in the second half when Rives intercepted a Jet pass on the New York 38 and returned it for a touchdown which gave the Bears a lead that they never lost.

For his interception and TD run and his outstanding play

from his linebacker post, Rives was presented the game ball.

Coach Jack Pardee of the Bears stated after the game that Rives interception was the turning point of the game that had been marred up until that time by costly mistakes by both clubs.

NEW ARRIVAL

Mr. and Mrs. Tim Blocker and Dusty announce the birth of a new baby boy, Daniel Keith. He was born in Shamrock General Hospital on July 31. He weighed 7 lbs. 6 oz. and is 20 inches long. Grandparents are Mr. and Mrs. J. T. Tidwell, Wheeler, Mrs. Jeannie McCann, Pampa, Mr. Clay Reames, Perryton, Mr. Roger Blocker, Altus, Oklahoma, great grandparents are Mrs. W. D. Haire, Miranda, California, Mr. and Mrs. W. W. Bowers, Pampa and great-great-grandparents, Mr. and Mrs. George Keeton, Pampa.

NEW ARRIVAL

Richard and Suzanne Steer of Wheeler are proud to announce the arrival of a brand new son, Christopher Lee, born July 18, 1977. Christopher weighed 8 lbs. and 7 oz. and was 17½ inches long.

The proud grandparents are George and Nena McLauren of Wheeler, and Mr. and Mrs. James Slaughter of Prescote, Arizona.

The Great-grandparents are Wyegma Russell of Apache Junction, Arizona and great-great-grandfather is Guy Hayes of Kennett, Mo.

TUCO, Inc. Holds Quarterly Meet

The board of directors of TUCO INC. at their quarterly meeting Monday, July 25, elected Dale T. Garner vice-president and principal operating officer. The announcement was made by Berl M. Springer, vice chairman of the board of directors of the Amarillo-based firm.

TUCO INC. is a wholly-owned subsidiary of Southwestern Public Service Company and provides a large portion of the electric company's fuel requirements, including natural gas, coal and fuel oil. TUCO INC. also produces other liquid hydrocarbon by-products for sale to non-related wholesalers.

Garner is a native of Manning, Kansas and is a graduate of Oklahoma University. He joined Southwestern Public Service Company on April 1, 1977 as an executive assistant in the finance department. Before coming to SPS, Garner served as a systems analyst for the Occidental Exploration and Production Company and as administrative manager for Esso Exploration, Inc. in Tokyo, Japan. His past experience also includes various financial and operational positions with the Creole Petroleum Corporation and the Carter Oil Company.

"The management of TUCO INC. carries with it the extremely important responsibility of providing fuel for Southwestern Public Service Company," Springer said. "Garner is a seasoned oil and gas executive and brings to TUCO INC. a wealth of world-wide experience."

LEATHERMAN FINISHES COURSE

Navy Machinist's Mate Fireman Wayne A. Leatherman, whose wife Glynda is the daughter of Mrs. Wilbure Beck of P. O. Box 63, Mobeetie, Texas has completed the Basic Machinist's Mate Course.

During the course at the Naval Training Center, Great Lakes, students received instruction on the use of hand tools and machine shop equipment. In addition, they studied the basic operation, maintenance and repair of ships' propulsion equipment, evaporators and generators. The students were also introduced to the types of duty watches that Machinist's Mates stand aboard ships.

He joined the Navy in March 1977.

4-H Record Book Winners Named

AMARILLO—Twenty-six 4-H record books were named the best in their division in district level competition as a result of record book judging Friday (July 29) in Amarillo. The winning books now will be forwarded to Texas A&M University for state judging.

Wheeler County Record Books entered at the District Contest were Shannon Batton, Senior Beef, White Ribbon; Shonda Quarles, Junior Beef, Blue Ribbon; Shelia Moffett, Junior Swine, Red Ribbon; and Jamee Batton, Junior Clothing, Blue Ribbon.

In District 1 record book judging, High Plains 4-H'ers place their records of achievement on the line. Records include project summaries, information detailing their activities, experiences and leadership development, a narrative about their 4-H experience, photos and other pertinent information.

The books now will be forwarded to Texas A&M University to compete at the state level against the best books from 13 other districts of the Texas Agricultural Extension Service. Senior 4-H'ers are competing for scholarships, plaques, government bonds, a trip to the national 4-H congress in November and other awards.

Record book competition is the critical measurement of achievement of these youths over the years, according to Paul Gross and Sue Farris, district agents for the Texas Agricultural Extension Service, who coordinated the event. Records reveal their consistency in achieving goals, their experience in 4-H projects and activities, their experiences in leadership development, and their growth and development in personal, community and civic responsibilities.

The 4-H program in Texas is administered by the Texas Agricultural Extension Service.

PCA Directors Attend Conference

Directors of Canadian Production Credit Association join PCA officials throughout Texas in Arlington August 5 for the annual Production Credit Association Directors Conference.

Director participants include Wallace N. Hamker, board chairman, Booker; James D.

MR. & MRS. HAL MADDOUX

HENNARD-MADDOUX VOWS ARE EXCHANGED

Susan Kathleen Hennard of Wheeler, Texas was married to Hal Wayne Maddoux of Spring, Texas in a double ring ceremony, July 30, at the First United Methodist Church in Wheeler. Presiding over the ceremony was Ernest McGaughey. The bride was given away by her father, Dr. Tommie Hennard, with the traditional "her mother and I".

The wedding party consisted of Craig Keplinger from Nacogdoches, best man and the bride's sister Holly Hennard as maid of honor. Serving as ushers were the bride's brother-in-law, Art Allison of Amarillo, and the bride's brother, Augie Hennard. Registering guests were the brides sister, Mique Allison, and the groom's sister Trisha Maddoux.

The organist, Amelia Sims, played a prelude of music as the guests were ushered in. The church was decorated with two springtime flower arrangements placed on the communion table. The traditional processional wedding March was played as the bride entered the sanctuary. Upon entering the sanctuary the bride presented her mother with a single long stemmed red rose, and upon leaving the sanctuary she also presented the groom's mother with a rose.

The bride wore a floor length, candlelight dress of Quiana Knit with a draped bodice and capped sleeves. The wedding dress was made by the bride's sister Mique Jo Allison of Amarillo. The bride wore pearl accessories and carried a bouquet of white, feathered carnations and baby's breath set in English ivy and placed on a white bible given to the bride by her Aunt, Mrs. Marie Mallory of California.

The bride's maid wore a polished cotton, floral print dress of blue and chocolate brown with touches of gold. The dress was also made by Mique Jo Allison. The bride's maid carried a bouquet of blue daisies mixed with baby's breath arranged in a natural straw basket.

After the wedding the reception was held in the Fellowship Hall. The three-tiered cake topped with satin bells and trimmed with multi-colored flowers was decorated by the groom's mother, Mrs. Maxine Maddoux of Houston. Friends of the bride, Toni Watson of Canadian, Terri Frank of Dallas, and Anne Vance of Teague, served the cake and punch.

The couple is taking a wedding trip to San Antonio. For the trip, the bride chose to wear a wrap-around, street length dress of rose print. She also wore a corsage taken from her bouquet.

EVANS-HELTON ARE MARRIED IN MIAMI CHURCH

In the First Baptist Church in Miami, Teresa Joy Evans became the bride of Clويد Douglas Helton of Briscoe on July 22 at 7:00 p.m.

Mr. and Mrs. Clint Evans are the parents of the bride and the groom is the son of Mrs. Jim Helton of Briscoe and the late Mr. Helton.

Jimmy Hall of Dalhart, accompanied by Mrs. Truitt White of Anton, sang "There is Love", "Charity", and "Lord listen to Your Children Praying".

Rev. Truitt White of Anton, formerly of Miami pronounced the couple man and wife. The couple wrote their own ceremony and pledged their vows unto each other.

The double-ring ceremony was under and archway of white daisies and greenery flanked by spiral candelabras entwined with greenery.

The bride, given in marriage by her father, wore a formal gown of poly organza and cluny lace over bridal taffeta designed with a high neckline, bishop sleeves, and semi A-line skirt with back fullness. Inserts of lace complimented with tiny seed pearls, enhanced the neckline, bodice, sleeves and skirt of the gown. Her veil of imported illusion fell from a lace coif. She carried a bouquet of white roses.

Maid of honor was Judy Evans sister of the bride. Bridesmaids were Claudia Bailey, and Angela Bean of Miami and Denise

Upon their return August 3, the couple will make their home at 160 Lou Lane in Spring, Texas.

Cummings of Dalhart. Flower girl was Jackie Rene Evans, niece of the bride, of Guymon, Okla. the brides attendants wore floor length yellow taffeta with yellow overlay trimmed with flocked daisies. They wore white picture hats trimmed with yellow ribbon. They carried nosegays of daisies.

Serving his brother as best man was Jimmy Helton of Wheeler. Groomsmen were Monte Chick of Gruver, Roy Zybach of Briscoe and John George of Houston. Tod Helton of Wheeler, nephew of the groom was ring bearer.

Ushers were Willie Atkinson of Wheeler, Henry Young of Canadian and Stanley Macias of Briscoe. The groom was attired in a white tuxedo while the male attendants were attired in brown tuxedos with yellow ruffled shirts.

Shanda Ammons of Gruver and Laura Helton of San Marcus were candle lighters. Mrs. Mike Smith of Canadian registered the guests.

The bride presented their mothers with a single yellow rose.

Fellowship hall of the church was the setting for the reception. The table was covered with white lace over yellow.

The three tiered wedding cake, atop a water fountain was decorated with cherubs and topped with a crown of fresh daisies. Mrs. Mark Meek of Briscoe, Mrs. Jack Evans of Guymon, Okla. and Miss Shelly Cook of Wilson presided at the table.

The bride is a graduate of

Miami High School and Attended W.T.S.U. in Canyon this past year.

The groom is a graduate of Briscoe High School and is a

Junior student at Hyles-Anderson College in Crown Point, Indiana, where the couple will attend college this fall.

WHITELEY-SMITH ARE UNITED FRIDAY, JULY 1

Vows exchanged at the Wheeler, Texas Church of Christ united Reba Whiteley and Dr. Jimmy E. Smith in faith and marriage on July 1 as the couple were joined at a double-ring ceremony. Arthur Smith officiated at the evening ceremony.

The bride is the daughter of Mr. and Mrs. Charley Whiteley of Wheeler, Tex. The bridegroom is the son of Mr. and Mrs. M.P. Smith of Spur, Tex.

Apricot-hued gladioli decorated the church. Selected wedding selections were presented by Taylor Stephenson and Bill Kirby of Clayton, N.M.

Given in marriage by her father, the bride wore a floor-length gown of beige and brown lace.

Mrs. Martha Whiteley of Hurst, Tex., sister-in-law of the bride, was bridal attendant. She was attired in a floor-length gown of beige accented with blue and apricot.

Ladd Smith son of the bridegroom, attended as best man. Ushers were M. P. Smith, Jr., brother of the bride-

groom; and Kenneth Whiteley, brother of the bride, both of Hurst, Texas.

Jonathan Whiteley of Hurst, Tex., nephew of the bride, served as ring bearer.

White doves topped the two-tiered wedding cake adorned with mint green accents which was served at the wedding reception held at the Church of Christ reception room. A centerpiece of summer flowers complemented the table.

Karen Whiteley of Lubbock, Tex., and Sharon Whiteley of Corpus Christi, Tex., both nieces of the bride, attended the guest book.

Following a honeymoon trip to the Cloudcroft Lodge the couple is at home in Alamogordo where the bridegroom will continue teaching at New Mexico State University-Alamogordo. Dr. Smith has been employed at NMSU-A as a math teacher for the past 11 years. Mrs. Smith is a former English and history teacher with Dalhart High School of Dalhart, Tex.

MRS. CLOID HELTON

Karen Jo Robbins Becomes Bride of K. D. Henderson

Miss Karen Jo Robbins, daughter of Mr. and Mrs. Kenneth W. Robbins of Dallas, Texas, became the bride of Kevin Dan Henderson, Lubbock, Texas, on July 23, 1977, at 8:00 P.M. at Park Cities Baptist Church, Dallas. The Rev. Dr. Herbert R. Howard officiated at the double-ring ceremony.

The bride, who was given in marriage by her parents, chose a formal gown of white silk organza. The gown featured a Portrait neckline with delicate cap sleeves. The entire bodice was enhanced with a floral pattern of Venise lace. From the slightly raised waistline fell a full skirt adorned with tiny bands of lace in a cascading motif that continued around to the chapel length train. She chose for her headpiece a caplet of matching lace from which a full length illusion veil

The attendants wore formal gowns of aqua quiana knit. The gowns had gathered bodices accented with soft sashes in the center t-straps. The bodice of the gown was covered with a flowing chiffon aqua cape.

The groom was attended by Robert Taylor, of Angleton, best man. The groomsmen were Ed Pitcock, of Lubbock; Joe D. Woolfolk, of Dallas; Randy Clemens, of Seminole; Randy Cooper, of Lubbock; and Dick Wilber, of Lubbock. Robert Kerley, of Corsicana, and Charles Stephen Kalinee, of Dallas, served as ushers.

The bride graduated from Thomas Jefferson High School, Dallas and Texas Tech University, where she was a member of Alpha Delta Pi.

The groom graduated from Victoria High School, Victoria and Texas Tech University, where he was a member of Pi Kappa Alpha and President of Inter-Fraternity Council.

After a wedding trip to the Gulf Coast, they will make their home in Lubbock.

The bridegroom is the son of Mrs. Modelle Overcast, of Garland, and the late Curtis Orvid Henderson, Sr.

LINDA HORTON - CEA

Watermelon Season

Watermelon rind is a favorite for pickles and preserves—and they're easy to prepare according to Frances Reasonover, foods and nutrition specialist with the Texas Agricultural Extension Service, The Texas A & M University System.

Watermelon Rind Preserves

1 pound watermelon rind
1 1/2 teaspoons pickling lime
2 cups sugar
2 quarts water
2 tablespoons ginger root
1/2 lemon, thinly sliced
Use only white part of rind. Cut into 1-inch pieces.
Soak 3 1/2 hours in lime water. Use 1 1/2 teaspoons pickling lime to 1 quart water. Drain and place in clear water for 1 hour. Then drain and boil for about 1 1/4 hours in fresh water. Drain.

Make a syrup of 2 cups sugar to 2 quarts water. Drop watermelon rind and ginger root into boiling syrup. Boil for about 1 hour. As syrup thickens, add lemon—and spices if desired.

When somewhat thick, pack in hot canning jars with fruit to 1/4 inch of top and add syrup to 1/2-inch of top of jar.

Remove air bubbles with a knife. Wipe top of jar with a clean, damp cloth. Close with jar lids.

Process in boiling water bath for 10 minutes.

Watermelon Pickles

Rind of 1 (20-pound) watermelon
1 gallon cold water
2 tablespoons pickling salt
2 cups white 5% acid strength vinegar
7 cups sugar
1 tablespoon whole cloves
2 or 3 sticks cinnamon
Small cookie cutter, cut in 1-inch squares, or any desired shape.

Place in a large container. Combine 1 gallon cold water and

watermelon rind. Let stand overnight. Drain and rinse in cold water. Cover with ice water. Let stand 1 hour.
Drain rind and place in a large kettle. Cover with boiling water.

Phone: 375-2385 • Lex Crawford, Manager • Briscoe, Texas

Bring to boiling; reduce heat and simmer until tender. Drain well. Combine vinegar and sugar in large kettle. Tie cloves and cinnamon sticks in cheesecloth bag; add to kettle. Bring to boiling. Add rind. Cook gently until rind is clear and transparent. Remove spice bag. Turn rind and syrup into a crock or glass container and let stand 24 hours.

Drain rind; reserve syrup in a large saucepan. Bring syrup to boiling. Pack rind in 6 hot sterilized pint jars. Pour boiling syrup over rind filling to within 1/4-inch from top. Wipe top of jar with clean, damp cloth. Adjust lids.

Process in boiling water bath 5 minutes. Start to count the processing time when water in canner returns to boiling. Remove jars. Cool on wire rack overnight. Check jars for airtight seal. Makes 6 pints.

Sweeten-Metric Cookbook

Metric cookbooks will speak plain English. Probably the biggest obstacle for the cook will be learning to "Think Metric." We can't "Cook Metric" and "Think Cups, Pints and Tablespoons."

Meters, liters, kilograms and degrees celsius are easier than the present system, because they have a systematic relationship to each other—and our present system lacks that.

SAVING TIME & ENERGY

Kitchen shortcuts help senior citizens save time and energy when cooking.

Many older people work with various projects and need to budget their time and energy. Others may have physical problems that require energy conservation and limited activity. Using shortcuts makes cooking easier.

Easy-to-prepare frozen dinners and canned or frozen main dishes and vegetables can give good nutritional value for the little time and energy needed to prepare them. Serve with fruit or juices, milk, and fresh or frozen baked goods to make a complete meal.

Meal preparation is less tiring when some of the food is partly or fully prepared in advance. For instance, make dry mixes for quick breads, cakes, and puddings ahead of time. They keep well and can be measured out and used conveniently.

Another time-saver is to combine canned or packaged foods with other foods to make easy-to-cook appetizing dishes.

Here are some combinations that can be changed to suit foods on hand:

Use canned tomato soup, undiluted, as a sauce over meatballs or with quick-cooking rice to make Spanish rice.

Melt processed cheese over asparagus or broccoli, or blend cheese with a white sauce (seasoned with a little mustard) and serve on toast or crackers.

From canned corned beef hash into patties, top with a slice of pineapple, and grill.

Combine ground meat, tuna, cut-up cooked chicken or ham, dried beef, or frankfurters with canned macaroni and cheese or with spaghetti in tomato sauce. Bake to blend the flavors.

Add chopped onion and green pepper to tuna or chicken and combine with condensed chicken soup, undiluted. Top with an unbaked baking powder biscuit and bake until heated through or biscuit is brown.

Easier. As a rule, food in the oven takes less watching than food on top of the range—often an entire meal can be cooked at the same time.

If you have a freezer or a frozen food compartment in your refrigerator, keep commercially frozen food on hand or freeze your own food—uncooked or cooked—for later use.

Shortcuts in serving save time and energy, too. If setting a table for one or two seems too much trouble, look for ways to make eating time comfortable and interesting—with the least possible effort.

Use pretty placemats—they're less bother than a tablecloth. Lightweight trays in convenient sizes are step-savers. Use a tray to collect silver, food, and other things that go on the table. A cart or small table, mounted on casters, is another worksaver.

Or, put a mat on a tray and serve the meal on the tray. Meals on trays can be carried to a table or chair by the window, by television, or out on the porch or lawn where you are more likely to eat slowly and enjoy your meal.

In the language of flowers, the white rosebud means too young to love.

Metric is based on units of ten. All metric measurements have a decimal relationship to each other, which makes them easier to multiply and divide.

However, the change to metric will not mean throwing out cookbooks, recipes or utensils, no matter how old. Just keep using old favorites as always. But do

not try to adapt recipes. Too many things can go wrong.

Besides, many food products and recipes now use both systems, and all nutrition labeling reflects the metric.

To get ready for the new system—and to avert kitchen calamities—it is wise to study metric tables.

Allison News

Mrs. Lester Levitt
Mrs. and Mrs. Rex Miller and Mrs. Zack Miller spent the weekend at Houghton, Kansas with Mr. and Mrs. Kelly Miller and daughter.

Mr. and Mrs. Carl Giddens have been in Cheyenne, Oklahoma the past few days at the bedside of their granddaughter, who suffered lacerations and bruises in a car wreck near their home in Cheyenne. She was hospitalized and is improving and able to return to her home.

Mr. and Mrs. Domer Miller and Donna left the first of the week for a trip to Portland, Oregon.

The Singles ladies Club met July 21st in the home of Nona Hall for their Monthly get-together and supper. Following the delicious meal the group had

a good old fashion gospel singing. Those present were: Ona Balck, Doris Newsom, Edith Donaldson, Edith Levitt and a guest Virginia Puryear and of course the hostess. The next regular meeting will be August 18th in the home of Edith Levitt.

Troy Dean Jones and son are staying in the Lloyd Jones' home looking after business. They left Monday by plane from Amarillo.

Mrs. Ruth Chadwick and Rhonda left Sunday for Plano, Texas where Mrs. Chadwick will be with the Don Monroe family while Mrs. Monroe will have surgery. Rhonda stopped at Davidson, Oklahoma to visit friends for a while.

Lyn Levitt and family from Panhandle and Mrs. Randy Levitt from Amarillo spent Monday with Edith Levitt.

Mr. and Mrs. Bruce Harrison, Mrs. Vivian Wallace, Fuanita Boydston, Louise Boydston and children, Rev. and Mrs. Virgil Cornwell, Lesa Craig and Mrs. Ona Balck attended the Pentecostal Camp Meeting at Mustang, Oklahoma last week.

Doris Newsom, Edith Levitt, Virginia Puryear and Nona Hall

were dinner guests in the Edith Donaldson home Sunday.
Mr. and Mrs. Royce Drake are the proud parents of a baby boy, born Thursday night at Parkview hospital in Wheeler. His name is Luke Burl and weighed 9 lbs and 11 oz.

Weekend guests in the Bruce Harrison home were: Dr. Willis Harrison and family from Canyon. Mr. and Mrs. Edwin Nall from Mobeetie, Richard Nall from Wheeler, Mrs. Maudie Harrison from Reydon and Conner Helmes from Oklahoma City.

Mr. and Mrs. L. W. Grayson and Mr. and Mrs. Boyd Huff spent the weekend at Raton, New Mexico.

Mrs. Carolyn Boydston was a patient at the General Hospital in Shamrock a few days last week for treatment.

Mrs. Albert Walls from Canadian visited friends here Saturday and was a supper guest in the Nettie Walsh home.

A missionary, John May, from Indonesia will speak and show films at the united Pentecostal Church Thursday night at 7:30 in the A. E. Dillon and Rex Miller homes last week.

Mr. and Mrs. Rex Miller spent Thursday at Canyon with Mr. and Mrs. Gary Hodges.

"There are moments when everything turns out right. Don't let it alarm you; they pass."
Julius Renard

Claudine's Beauty Shop will be Closed Aug. 6-12

Briscoe News

Vetola Parker

I had a nice visit last Wednesday with Mable (Barnes Callan) of Wheeler and Georgia (Cain) of California—Georgia's mother is still living. Made me very sad to hear her sister Nettie passed away last year. I had not heard this. Burl Cain, her brother is retiring in Lefors, Lewis and Nelson and Dickie Cain still live in California. Think Stina is still in Clarendon or Claud. Can't remember. Georgia and her folks use to live where we do now, north east of the mill.

Heard on the T. V. 1/2 million teenagers are alcoholics. Some as young as 8 years old, how sad. Every oz. alcohol taken in to your body, dills 10 thousands brain cells.

Those huge wasp like yellow jackets things buzzing around, I would like to know if they are poison if they sting by them. I don't think they mean to attack you if you just pay them no mind. They are thick here. But I have been told they lay the eggs or worm that makes the big tomato and vine worm if you watch, your tomatoes will come up full of big worms right after they are seen in the air. They are some like the tryanceler killer we used to have in Oklahoma. Less wings, bigger body. I like to always wear a straw hat when I work around them in case. A honey been and bumble bee will attack you if you run and fight at them.

Just heard my sister-in-law, Avis Parker, is in Shamrock hospital. She steeped in a hole. She is in traction now. Hope she is soon o.k.

Jerry Hayes is one of the baseball coaches in the Little League. (Correction)

Claude and Mable Parker, Sam and Sara Ault visited the Colie Parkers Saturday afternoon.

Zetha Dougherty spent Saturday night and Sunday with Colie Parkers. We all visited the Willie Parkers Sunday afternoon in Reydton.

They started arriving Thursday from several states and town to attend a family Reunion of the Fillingims. Hosted by E. G. and

Willis Fillingim. There were 97 there. Ice cream and hot dogs was served at a party Friday night at Willis and Verna Fillingims. Doctor Terry Cook and Beth Setzler of Shamrock ate supper at

Willis Fillingim's and attended the Revival Thursday night.

The Singer for the revival at Gageby last week stayed 1/2 of the nights at Jack and Evelyn Meeks, the other 1/2 nights at Roy and Lois Meadows. He was with Mike Martin from Duncan, Oklahoma.

Sunday at Roy and Lois Meadows for dinner were Preacher Densel Leonard from Canadian, Mr. and Mrs. Allen Hale Elizabeth and David and Mike Martin.

Jay Michael Meek is at home for a few days. He is being transferred from Ohio to Selanis, California.

Visitors Friday night at the P. A. Martins home were Mr. and Mrs. Clayton Kelley of Canyon, Mr. and Mrs. Elmer Hubbard of Wheeler.

The P. A. Martin received 7/10 of rain and Jack Meek 1/2 inch.

Other families with who the visiting preachers had meals at their homes were Grant Meek, Dick Irvine, J. P. Meek, Willis Fillingim, Wayne Meek, and the Bob Ratcliff.

Mr. and Mrs. Eli Sabbe of Wheeler and Mr. and Mrs. Force Evans visited the Cliff Walsers Sunday afternoon. Cliff spent Friday and Saturday in Highland General Hospital in Pampa.

Bob Maddox and family attended a family reunion at Sayre Sunday.

Verna Fillingim shopped in Shamrock last Monday and visited in the rest home there. Lois Meadows visited Sophia Helton Thursday and gave her a permanent. This was nice, I know this made Sophia happy.

Around midnight Sunday night, after I had decided we was getting no rain, a hard shower hit the house out of the South.

The Bob Zybachs received 6/10 of an inch of rain Sunday night.

Elbert and Ruby Zybach went to Amarillo Saturday on business and visited the Harold Petterman. They are retired now.

Sunday night Elbert and Ruby visited Vern and Elsie Lohburger. Ruby said Susie was doing just fine now.

Rozena Zybach, Helen Helton, Mark and Annette Meek returned Saturday from a trip to Tulsa to a camp meeting.

R. L. Zybach and Clem Helton went on a pack trip through the wilderness around Pacos last week. They go as far as they can in their pickup then go on on horse back.

Clarence and Irene spent Thursday in Sayre with Truman and Betty Zybach.

Last weekend they spent in Slaton with Carl and Opal Zybach.

Roy and Willene Waters went to Oklahoma City last week to watch their grandson play baseball. They brought him (Jeffery) home with them to spend 2 weeks. They went to Amarillo to attend the Charlie and Carrie Waters Reunion. There was 75 there. 4 boys living was there Roy, Fred, Leslie and Cecil, 2 sisters was there Mildred, and Alma was there, on sister Bessie in California didn't come. All of the children, all grandchildren and all great-grandchildren were there except Bessie.

Timmy Daddox spent last week at Red River and come back by Raton for the races.

Effie Renfro received 4/10 of inches rain. She was making 14 day pickles monday.

The Clarence Zybachs only received 2/10 rain.

I had a nice talk with LaJuana Puryear, Eddie and Mary Jane Mayfield and Baby Boy have moved to Sayre. They bought them a trailer house. So they can follow his welding jobs.

Jeffery and Julie Puryear have been married 10 years and have a baby boy, Jeb, born in December. He now is 7 months old and weighs 20 pounds. Doing o.k. Jeff and LaQuana haven't seen him yet.

Mr. and Mrs. Glad Erwin of Paradise, California, spent Wednesday night with the Cliff Walkers. They lived in the Gageby and Briscoe Community 40 years ago. Mrs. Erwin was the former Audrey Pace. They visited lots of old friends and neighbors in Wheeler and Briscoe.

LINDA HORTON—County H.D. Agent

"Now" fashion—on a shoe-string budget—is possible with just a few ideas for updating current wardrobes.

Identify items in your present wardrobe that are still usable—then update those by making changes in them or by adding new items that coordinate with them for a more fashionable look.

Below are several trends for spring/summer '77—with ideas for incorporating these into your present wardrobe:

Bright bold colors, especially stripes, are spring's hottest

news. Also popular is all white, white with black or brown, and white combined with bright colors.

Choose tops in the newest styles and boldest colors to coordinate with pants, shorts, and skirts you already have. White separates from previous seasons are particularly usable for this coordinating technique.

Pant legs tend to be narrow and straight from the hip, so flared legs from the past many need modifications. Pants and shorts come in many lengths this season, so many possibilities for those "too short" pants are available. Cut to mid-claf length, to the knee, to mid-thigh, or to short shorts.

Styles may be cuffed or uncuffed. If appropriate, convert them to gauchos or parachute pants with elastic or drawstring at the ankle—or add a fabric band at the bottom. Bands are seen everywhere this spring.

Longer skirts promise to be the favorite length, although many lengths are available. To achieve desired length for skirts, add ruffles—in fact, rows of them—or a band in a coordinating print, stripe, or solid color. For a peasant look, add a muslin "petticoat" that extends below the skirt hemline, or add one or more skirt layers in coordinating color and fabric.

Tunics are still with us, so make maximum use of tops or dresses that can be converted into tunics. Since they're often slit up the side or open and tied at the waist as in the tabard, you can slit the side seams in tops or dresses that are too tight, and face the seams to create a great, new look.

Tunics may be belted or loose and worn over skirts or pants, or over both for evening wear with a three-layer look.

Hang on to those vests, blazers, and soft blouses with pussycat bows. They're still great wardrobe assets for the coming season.

Also popular are shirt-dresses with a softened look and bare-topped sundresses in many versions, so pull out appropriate dresses from the past and wear "as is" or modify them into a

more modern version.

And don't forget inexpensive accessory items to give your wardrobe a life. Chose exciting, new looks in shawls, scarves, jewelry, hair ornaments, bags, shoes, and sun glasses.

Also, be aware of make-up and hair style trends to complete your fashion look.

SUCCESSFUL PATTERN ALTERATIONS

Altering patterns before using

them makes sewing for proper fit easier.

Successful pattern alterations depend on following several guidelines.

Take accurate body measurements, and know your figure problems before beginning any alterations.

Measure the pattern to determine the amount of change needed. Don't guess.

Make accurate notes on changes to be made.

Make all alterations to the pattern while it is flat.

A flat pattern is necessary for accurate cutting of fabric.

Avoid changing the shape of the shoulders, armhole or neckline if possible.

These are difficult areas to reshape and fit.

Make only one alteration at a time—even if it means making several on the same pattern piece. The results are more accurate.

For more information about successful pattern alterations, contact your county Extension office for a copy of the free booklet "Personalizing Patterns."

LAUNDRY HINTS

Garment colors get "staying power" from easy—but careful laundering steps.

Color loss is a leading cause of damaged garments due to incorrect laundering, ignoring care-labels, mislabeling by manufacturers or dye problems, but wearers can overcome many color "snags" with watchful laundry-room tactics.

Garment Care Starts With Label Before buying a garment, check the permanent care label for warnings such as "wash separately" or "no bleach." If they cannot become part of the regular laundry routine, it is best to make another selection.

Color Tests Avoid Problems To answer "fading" questions about a garment, test it before laundering.

Submerge it briefly in a small amount of water like the recommended wash temperature. Look for any change in the color of the water.

If still in doubt, take a few minutes to duplicate the actual wash.

Clip a small piece of each fabric or trim used in the garment from seam allowances or facings.

Place in a pint jar with one cup of water similar to the wash temperature. Add a teaspoon of detergent. Shake and let stand ten minutes. Check the water for any color change.

Rinse the clippings and again check for any color loss in the rinse water. Let the clippings dry, then compare them to the original garment.

laundry Care Saves Most Colors

The following laundry pointers will minimize color damage:

--Launder garments soon and

frequently after soiling, as prolonged soaking is harsh on many dyes.

--Use cold or warm water to prevent harsh hot-water damage to dyes.

--Before using any stain remover, test it on a seam allowance for color change.

--Remember, oxygen bleach is

safe for all fabrics and colors while chlorine bleach may remove or lighten some colors.

If in doubt about using chlorine bleach, mix one-fourth cup water and one tablespoon bleach—then

BEST PANS FOR SMOOTH-TOP RANGE
Cooking on smooth-top ranges works best in pans that have a wide, flat bottom—and are made

of materials with a high heat-conducting ability.

A variety of cookware fits that description—from stainless steel with an aluminum-clad bottom to certain glass ceramic pieces.

In recent research by the Ohio State University College of Home Economics, two different glass ceramic pans performed comparable to a stainless steel utensil with an aluminum-clad bottom. However, the stainless steel, aluminum-clad utensil performed most effectively when all types of ranges were considered.

During the studies, researchers used five different types of pans—to test heat distribution patterns, the interior bottom surfaces—and the time necessary to heat water and to heat oil.

Buying in quantity is one way consumers can acquire produce for perserving. A few simple guidelines make savings even greater.

Purchase what your family can use in a year. After long storage, processed foods begin to lose flavor, nutritive value, and eye appeal.

Purchase foods your family will eat. There is no bargain if produce stays on the shelf or in the freezer.

Purchase from a dealer who carries fresh produce and gives you your money's worth.

If possible, pick your own produce—it is the best assurance of garden-fresh produce.

Select produce at farmers' markets and roadside stands very carefully—for freshness. Check stem ends, firmness of the flesh, odor, and appearance. When in doubt, don't buy.

In general, before preserving, consider the costs carefully. The cost of canning a quart of tomatoes can be as little as 4½ cents if jars are on hand and the tomatoes free—or up to 51 cents if both jars and tomatoes are purchased. Researchers estimate that the freezing cost of tomatoes is over 22 cents per pound.

Home canning and freezing are excellent means of preserving fruits and vegetables for later use, and it can be economical with a careful look at costs and quality.

There are a number of canning, freezing and drying publications available free to the public from the County Extension Office, Box 505, Wheeler, Texas 826-5243.

SCHOOLS PREPARE FOR SUCCESS

Quite often parents say they feel compelled to send their children to secular schools so the children will be able to "succeed in life." However, the facts suggest otherwise.

Noted and experienced educators are quoted as saying, "we realize that today the public schools teach over 80% of our American youth. That means that less than 20% come from private schools. And yet, 'Who's Who' . . . stipulates the fact that students in private schools have sixtimes more of a chance of success than those in public schools. In fact, Arthur Traxier, who was the Executive Director of the Educational Records Bureau, states that private schools of the United States educate as many leaders as all the public schools combined."

In one of his lectures, Dr. Donald R. Howard, A. C. E. Founder and President, reminds us, "Bank tellers become experts in detecting counterfeit money by handling the real thing." A.C.E. provides real quality education. Your children will come to detect the false by living with the truth.

Give your children the opportunity to succeed.

The Bible tells us that in Christ are hid all the treasures of wisdom and knowledge (Colossians 2:3). Education is a mockery when the name and word of God cannot be mentioned. In school, we are supposed to train youth for life. How can it be possible if Jesus is left out of the process, for He said, "I am the life". School is supposed to define truth. How can it be if Jesus isn't welcome in the classroom, for He said, "I am the truth". School should show children the way to live. How can it be if Jesus is scorned, for He said, "I am the way".

At one time it was assumed that students in the environment of a church school would be "overprotected" and emerge unprepared for the realities of life. However, we have learned that it is the secular education without God that "overprotects" a child—for he is protected from the very basic facts of life relating to rightness and wrongness.

Wheeler Christian Academy is committed to the belief that learning rather than teaching is the vital issue in education, and that learning must be based on Scriptural rather than secular principles. Secular institutions increasingly experience declines in academic achievement, while Christian schools experience not only increased enrollment but advanced educational achievement. W.C.A. believes a Christian school in our community can train a new generation of leaders who will help turn America back to God, and the Scripture bears out the fact that "righteousness exalteth a nation."

Ricky Pfeil
President

Here and There

Laura Guthrie

Saturday my errands took me to the heart of the village this morning I encountered Hannah Chapman and she asked me to her Flower shop for a glass of tea (we are not English enough for a 'cup' of tea—in the summer at least). In our conversation the talk led around to her children. (Imagine that) Anyway she told me about one of her sons, Jimmy Atherton and his accomplishments. Jimmy (his wife is Audie Holdeman) has worked for Cabot Company for twelve years. In the meantime, spending countless hours over correspondence courses and working fulltime he got his masters degree and recently acquired a Degree in Engineering.

I would cite the above example to a lot of young fellows. Pick a reputable Company, show ambition and steadfastness and see what happens.

Then meandering on I stepped inside the Theatre building. Shades of the Now century! What ingenuity, labor, material and the Where-with-all can do! Inside the lobby there is a protable office. (Seeing is believing.) Why didn't I think of that thirty years ago? With it one person can sell tickets, hold tickets, issue stubs, watch in-and-outers, police the house, squint at the screen, check the sound, answer the phone and do numerous other chores about the place. Then there is the streamline service bar. I hear there is going to be some mighty up to date equipment there. Currently there is a sign on the marquee that says "OPENING SOON". Just keep your eye on that.

What I would like to see is a rerun of some of the throngs that flocked in, in years past. Some of you think you are too old to make it to the movies. Wouldn't it be a thrill to see Mr. and Mrs. Claud Crouch, the Lee Family—I mean grandpa and grandma Loyd and Annie with all their descendants, Audra Bean and her niece and nephews, Leo Lamb sneaking into the box office for a chat, and Mobeetie, Briscoe and Allison, turning out in carload lots? The night the movie opens I think all the lights in town should be turned on and the band should play its gayest tunes. How about it Mr. Chamber of Commerce and Bandmaster Tracy?

Sunday night in the Fellowship Hall at the Baptist Church we gather to wish God Speed to two of our young men who will be leaving soon to enter Seminaries.

They both feel the Lord has called and they are going to prepare themselves. David Tidwell will be going to Louisville, Ky. Stanley Baker and his family are moving to Ft. Worth to enter the Seminary there. We will miss them in our community, but someone will gain. They were both presented money trees.

Rev. M. B. Smith, former pastor of the Baptist Church here, his wife and son, Herbert were in our church Sunday morning. They were on vacation. They spent some time with their daughter, Sylvia and Harold Loyd Lee and family. Then they were going downstate to visit with another daughter and attend graduation exercises at Baylor University. Their oldest son, Phillip, will receive his Degree in Law this week.

The Gordon Whiteneers have had another rewarding trip. They just love to crawl in their camper and take off. This time they visited their son in Lubbock, and aunt in Midland. The LBJ Ranch, Dorris Forrester Pike and the R. J. Holts in Marble Falls were also some stops on the way.

The Harold Lee family took their vacation in their house in Colorado last week. They had fun but said the country is very dry. Hardly enough water in the creek for wading. Loyd and Annie Ruth are there now but expected back in a day or two.

Mary and Reba Wofford spent Saturday night with Mildred Issacs in Amarillo. They were in Amarillo to deliver Vida Brown and Grace Porter at the bus station, where they will begin a tour of the Northwest.

Anna Mae Puett Johnston of Abernathy dropped in for a Saturday afternoon visit. She had brought her dad. W. O. Puett of Tullia to Shamrock for a visit with relatives. I'm always glad to see Mae.

Clara Jaynes had just returned from a months visit in California. Clara just loves to get about. Maybe she is afraid she will get into a rut-like some of the rest of us.

I believe this is the time of year to spray the dandelions. Look closely into your grass and you will find the small seedlings. In the spring they get a good start before it is warm enough to

spray. Also, there is another pest that needs eliminating. It is a small leafed weed that grows straight up until mowed off. Then it spreads out but usually maintains its one taproot. Better pull them out. They are hard to eradicate when they get a start. Ask Roberta and N. D. Ware about that.

My family surprised me Monday night. When I came home from Sr. Citizens party the yard was full of kids (family had come from Perryton). Lydia and Cork had gone on to Shamrock to see her dad, Bill Lang, who was in the hospital. He is improving. The family and a friend of Rose spent the night with me.

PCA

Skaggs, board vice chairman, and Don W. Morrison, both of Pampa; Lloyd R. Buzzard, Spearman; C. B. Henderson, Wheeler; and Mack J. Macias, Briscoe.

Larry E. Albin, Canadian PCA president who will accompany the group, said conference participants will bring directors up-to-date on farm financing at the state and national level and on activities and philosophies of the Federal Intermediate Credit Bank of Houston, source of most PCA loan funds.

Canadian PCA has loans outstanding of approximately \$31 million to area farmers and ranchers in Gray, Hemphill, Lipscomb, Ochiltree, Roberts and Wheeler counties.

Mobeetie Girls at 4-H Horse Show

Two Wheeler County 4-H members competed in the State 4-H Horse Show, July 27-31 at Astro Arena in Houston.

Carrol White placed eight in the breakaway roping with 5.326 seconds on 2 lead. There were more than 120 contestants in the breakaway roping. Carrol was also one of more than 85 contestants in the judged tiedown roping.

Linda White qualified for the State 4-H Horse Show by being one of the 20 highest scoring contestants at the District I 4-H Horse Show in June. Linda showed in the halter class for grade mares, western pleasure, pole bending and barrels.

Both of the 4-H members are the children of Mr. & Mrs. Gene White of Mobeetie.

Linda was the first Wheeler County 4-H member to qualify for the State 4-H Horse Show in several years.

Linda and Carrol are members of the Mobeetie 4-H Club and the Wheeler County 4-H Texans Horse Club. Mr. H. B. Freeman is serving as adult leader and instructor for the 4-H Texans.

Wheeler County Tourism Receipts

AUSTIN—Wheeler County received \$4,867,000 of the state's \$5,306,118,000 travel receipts in 1975, a national study commissioned by the Texas Tourist Development Agency has disclosed.

In addition to gross receipts, the study found that Wheeler County had 205 of the state's 207,676 travel-related jobs, with an annual payroll of \$973,000.

It also estimated \$189,000 in State and \$41,000 in local taxes were paid by visitors.

The study was done by the U. S. Travel Data Center in Washington, D. C., an independent travel research organization funded jointly by public and private sectors.

It was based on the Center's Travel Economic Impact Model, which for the first time, breaks out a state's share of the national travel market on a county-by-county basis.

The model measures the economic impact of all travel involving overnight trips away from home, and day trips at least 100 miles or more from home. Thus it includes travel by Texans as well as out-of-state visitors, for all purposes.

It includes estimates of the traveler's spending at home in preparation for the trip, his spending en route, and that at his destination.

Basic data for the model comes from the National Travel Survey, conducted every five years by the U. S. Census Bureau, and from the Centers' own National Travel Expenditure Model.

It was the latter which, last year, estimated that Texas had displaced New York for third place in the nation's \$75 billion travel industry. Only California and Florida now outrank Texas, the Center said.

"We're pleased that travel research techniques have finally developed to the point that states can determine where, within their boundaries, travel dollars are spent and travel-related jobs exist," said Frank Hildebrand, executive director of the Texas Tourist Development Agency.

"Now we can trace travel's considerable economic impact on a county-by-county basis, observe changing patterns annually, and help direct the rapid growth of this burgeoning industry."

FILLINGIM REUNION

Fillingims from several states started arriving Thursday night for a family reunion hosted by E. G. and Willa Fillingim and other Fillingim families here.

There was homemade ice cream and hot dogs at the Willis Fillingim home Friday night.

Saturday and Sunday was spent at the E. G. Fillingim home Gayle Singleton, William Fillingim, Ed Hershman, Charles Crownover, E. G. Fillingim and others prepared barbecue beef for the crowd.

The days were spent very pleasantly with visiting, feasting, swimming, horseback riding and many other activities. There was a church service on Sunday Morning led by William Fillingim and assisted by Becky Irvine, Helen Gayle Singleton and others.

Charles and LaJo Crownover and Glynda Sell directed a play day rodeo with many activities for all ages. Was really good and fun, especially as most were in experienced.

The Talmadge Fillingim family brought equipment and taught square dancing to mostly inexperienced participants.

Everyone really had a great time together with much love and no hard feelings—even among the numerous small fry.

There will be other picnics in the park and swimming a Wheeler.

Some will stay over for Rose Reunion at E. G. Fillingims later in the week.

Those present were Uncle Homer Fillingim from Rotan, Texas, Leola Root and son Raymond and Jan Root and John, Rhonda, Danna Beverly, Andee all from Dalhart, Leon and Vea Fillingim from Wheeler and 5 of their daughters and children: Joe and Annadell Myers and Phillip and Penny from Los Altos, California, Dick and Ruth Irvine, Becky, Rich, Stephanie and Sharron, Violet and Kenneth Farris, Shannon and Channing from Houston, Everett and Estelle McAdams and Lacy and Ken from Plains, Texas, Glen and Mozelle Thomas and David, Andrea and Micha Lee from Hereford, Robert and Steven Bleakley and Stevie and Aaron from Spring, Texas, E. G. and Willa Fillingim and children; Gayle and Helen Singleton, Maralee, Andy and Randy from

Girls Attend VHTA Meeting

If "home economics" conjures up visions of girls stitchin' and stirrin'—look again! The Texas vocational homemaking teachers of 1977 have their fingers in many pies—but most of them are not for eating. Vocational Homemaking Education is on the go these days. It is an expanding, lively career field where young women and men learn skills that will help them get a piece of the pie—the economic pie. They learn how to earn money, manage their resources, and how to lead a quality life.

To keep abreast of the latest teaching materials and innovative teaching techniques, vocational homemaking teachers spent a week in Dallas July 25-29 attending the State Inservice Conference for Vocational Homemaking Teachers. The conference is under the direction of Ms. Elizabeth F. Smith, State Director for Homemaking Education, Texas Education Agency, and her staff. Mrs. Suzanne Hampton and Mrs. Ruth Wiley, teachers in the Wheeler School, participated in the conference held at the Hilton Hotel.

Sessions dealing with "Effective Fatherhood", "Sensitizing to the Process of Aging", "Breaking the Stereotype Mold", "Techniques to Conserve Energy", "The Homemaker in Transition"—displaced homemaker—and sixteen other special interest sessions and seminars, plus two general sessions, provided the opportunity for the teachers to learn ways to integrate new knowledge into their teaching.

Dr. Betty Siegel, Dean, School of Education and Psychology, Western Carolina College, Cullowhee, North Carolina, key-noted the conference. Special interest sessions featured other nationally-known speakers including Dr. Eva Schindler-Rainman, Los Angeles, California, a specialist in management techniques; Richard J. Gaven, Director of Education, National Restaurant Association, Chicago; Marvin Segal, Executive Director, Southwest Apparel Manufacturers Association, Dallas; Dr. Marvin Ernst, Geriatric Research Institute, Dallas; Dr. Genevieve Blair, Director, Graduate Program, Early Childhood Education, Lewis University, Charleston, Ill.; Mrs. Ruth McNabb Dow, Assistant Professor, School of Home Economics, Eastern Illinois University; Lawrence A. Oliva, Director of Program Development, Educational Institute of American Hotel and Motel Association, Michigan State University; Dr. Bobbie Wilborn, Director, Pupil Appraisal Center, North Texas State University, Denton.

According to Billie Chapman, Executive Director of the Vocational Homemaking Teachers Association of Texas, the inservice training in today's world topics keeps vocational homemaking teachers at the top of the list of the State's best informed educators. Exhibits of the latest equipment and teaching materials were open Monday through Wednesday to teachers attending the state meeting. More than 2800 teachers attended the week-long meetings, said Ms. Erie Hodge, Dickinson, president of VHTA.

Danyon, Texas, Laurel and Ed Hershman, Troy, Allen and Sarita from Kirklint, Indiana and Charles and LaJo Crownover and Boyce, A. T. and Shirley Fillingim from Utah and children: Sandy Fillingim from Denver, Colorado and Dawn Jones and Heather and Bryan from Longmont, Colorado.

William and Elton Fillingim and Jay Dee from Prescott, Arizona, George and Joy Hongisto and Karenda and Jeremy from Prescott, Jerry Fillingim and Cheren from California, Jan and Janet Fillingim and Schon and Janelle from Arkansas.

Horace and Juanita Fillingim and Lawrence Fillingim and Bobby and Bonnie Maddox from Mobeetie.

Willis and Verna Fillingim, Dan and Rita Fillingim & Dallas and Lindsey, Mary and H. C. Newman from Dallas. Hugh Fillingim and Rhonda and Bill Player and Angela all from Arlington.

J. P. and Martha Meek and boys, Faye Sell and Glynda from Perryton, Brenda Skaggs and John from California and Carl Jahnell from Gem City and Vernetta Akin.

Over 100 present for the joyous occasion—9 of I. G. and Laura Fillingims 10 children plus many of their children and grand children and others.

MRS. BRITT NAMED TO GOVERNING BOARD

HOUSTON—Mrs. David Britt of Wheeler has been named to the prestigious governing board of the Texas Arts Alliance according to chairman, Steve Oaks. The Alliance is a non-profit organization of over 2500 who seek to unite cultural, community and business leadership to promote the arts in all parts of the state.

It cooperates with the Texas Commission on the Arts and Humanities as an independent ally in expanding the opportunity

and programs in the arts statewide. TAA sponsors a four point program which includes the Texas Arts Showcase. Showcase spotlights outstanding talents and contributions Texas artists have made both to the arts and to the state.

Annually presented at Showcase are the Texas Arts Awards which are bestowed upon those dedicated volunteer leaders in the arts, and to individual organizations which have made

outstanding contributions with major impact on the cultural life of their community, area and state.

Another major program is the "Texas Art Journeys" a series of nine cultural tours over the state, similar to the Texas Travel Trails.

"Journeys" will include regional calendar maps of the cultural events and attractions for travelers which will direct visitors to museums, theatres, arts and crafts shows, concerts,

dances and other art happenings throughout the state. These journeys will be publicized nationwide.

A survey of cultural resources will inventory the state's vast amount of talent.

The result of this survey will be used to develop and promote an over-all plan to utilize the cultural resources of the state, to encourage the arts at the highest level of artistic excellence and to improve education, participation, and appreciation of the arts.

CETA SUMMER JOB PROGRAM

A career orientation program was presented Wednesday, July 6, in the Wheeler County Courthouse for approximately 15 CETA summer job participants.

The participants, who range in age from 14 to 21, perform various public service jobs throughout Wheeler County.

Funds for the summer program are provided by CETA (Comprehensive Employment and Training Act. Wheeler County allocations for the summer program total \$12,761, according to Jimmie Sessions, Region 5 Coordinator for TPCAC. The program is sponsored and funded through the Panhandle Regional Planning Commission and is directed by TPCAC.

County Judge Wendell Morgan oversees the program for Wheeler County.

Judge Morgan said he and the coordinators have tried to distribute as much of the funds to as many different students as possible in order to provide summer spending more and introduce the youths to the workforce.

The orientation program was organized this summer due to new CETA regulations which require special labor market orientations, resume and medical history preparation, and personal appearance and attitude improvement.

The participants were also given a "self-directed career test" to determine job skills and

perferences. David Duncan, Vocational Coordinator for TPCAC said the tests will be used by TPCAC and school counselors to aid the students throughout their remaining school years.

Duncan said there is a general misconception about CETA and its jobs programs. "Some people think CETA is federal welfare. To me, welfare is something for nothing. These kids are working for and improving their communities, and they receive valuable career training at the same time so that they can someday be self-supportive, tax-paying citizens."

Duncan said that all participants in the summer program

must come from disadvantaged or lower income families.

"The CETA program provides two valuable things most of these youths could never obtain—a summer job and job training for a future career."

Duncan said that a majority of the participants have never even established a single reference for future job applications.

"Even if the kid is doing nothing but chopping weeds around the school, he has established a vital job reference for the future."

The Wheeler County participants hold jobs with the Wheeler, Shamrock, Kelton, Mobeetie, and Briscoe ISD's, Wheeler County Courthouse and the City of Wheeler and receive \$2.30 per hour for 40 hours per week.

ALL DAY WORKDAY AT MOBEETIE

Tuesday, August 2, 1977 the Old Mobeetie Restoration Committee met in the Community church in Mobeetie at 7:00 P.M. for the regular monthly meeting. The meeting was called to order by President, Sallie Harris. Opening prayer was by Reverend Lester Hathaway.

Minutes of the last meeting read and approved. Mrs. Lorene Rector is acting as secretary pro-tem.

Report of committees consisted of a report from the treasurer, Bernice Caldwell showing a balance of \$594.89. The monthly expense had been \$50.34 sales and donations 140.99. Most receipts being sale of cookbooks, and notes by Mrs. Grace Bright, to visit to the jail each week. It was reported that many visitors come to see the jail each week.

The Bicentennial coins have been delivered to the Old Mobeetie Association to continue to sell them for the repairing and upkeep of the jail. A considerable fund is to be transferred to the funds from the coins soon.

The group voted to pay Sallie Harris, the \$1000.00 she had borrowed to pay on the trailer

home set up at the jail for the caretakers to be able to live there. A day was set up for members and anyone wanting to be of help in painting and moving things around at the jail, to be Saturday, August 13, 1977. Bring a sack lunch and be prepared to work. Jap Bailey is chairman of the committee to see about getting helpers and the needed equipment for the job to be done there. Those attending the meeting were Mr. and Mrs. Lester Hathaway, Jud and Lorene Rector, Bob and Bessie Galmor, Jap Bailey, Wilbur Beck, Johnny Velesquez, Mrs. Tommie Tyson and Sallie Harris. The meeting adjourned at 10 minutes until 8:00. To meet again the 2nd Tuesday in September.

French speakers say 350 syllables a minute—as opposed to Americans who say about 220.

Constructive Criticism.

In 1833, people thought the idea of a "balloon frame" house was full of hot air. Back then, houses were built with massive beams by skilled craftsmen. But Augustus Deodat Taylor had a new idea. Just build a cage-like frame of two-by-fours and nail the siding and roof right to it.

"A house like that would be picked up and blown away by the prairie winds like a toy balloon," the critics cried.

Not so. For it turned out the "balloon frame" house was even stronger than conventional models.

Taylor's new idea made quick and easy settlement of the West a reality. And helped build a strong, new country.

Today, the building goes on, thanks to over 90 million Americans buying U.S. Savings Bonds through the Payroll Savings Plan.

They know while they're looking out for their future, they're looking out for America's future, too.

So buy U.S. Savings Bonds. When it comes to saving, they're mighty constructive.

Series E Bonds pay 6% interest when held to maturity of 5 years (4 1/2% the first year). Interest is not subject to state or local income taxes and federal tax may be deferred until redemption.
