'Skinny D'Spain Funeral Services

Ancil Chambers D'Spain, 74, died Sunday, October 17, 1976 at Groom.

Services were held Tuesday, October 19, 1976 at 10:00 a.m. at McLean Church of Christ with Don Stone of Clarendon and Charles Kymes of Berger officiating. Burial was in McLean Cemetery by Wright Funeral Home of Wheeler.

Mr. D'Spain was a native of Grayson County and had lived in Wheeler County for 35 years. He owned and operated D'Spain Well and Pump Service and was member of the Church of Christ.

PAMPA JV FALLS TO WHEELER MUSTANGS 36-0

Don Brown ripped off 11 yards around right end on the first play of the game and from then on it was all downhill for the Wheeler Mustangs after that as they easily defeated the Pampa JV sophomores last Thursday night, 36-0.

Even though outclassed the Pampa JV provided the Mustangs with hard hitting competition that is needed to keep the

Mustangs honed for their final four district games.

Wheeler put 22 points on the board in the first quarter and added 14 more in the second stanza before turning the offensive chores over to the subs in the second half.

Bobby Guthrie got the Mustangs first two TD's with 1 and 2 yard keeps up the middle after Don Brown, who is rounding back into shape, tore most of the yardage out of the young Harvesters defense on both drives.

A fumble recovery by Mike Lee, the first of two he recovered, and one of four the Mustangs gathered in, on the Wheeler 46 set up the Mustangs initial touchdown.

Brown got 30 yards in three carries into the heart of the Pampa 24. Changing horses, the Mustangs called on Marvin Grimes on a power sweep at right tackle and the Mustang sophomore responded with 13 steps to the 11.

October Meeting Of City Council

The Wheeler City Council met Monday evening at the city office. Richard Wallace and Jerry Hefley met with the council.

The bills for the month were reviewed and passed for payment.

Richard Wallace with Baldwin and Rucker presented the monthly financial statement.

Jerry Hefley, Water and Sewer Dept. Superintendent, reported on work being accomplished.

Donald Ford had been working for the city for the past two weeks and David Hiser has been working part time. The council voted to hire Hiser full time.

Mr. and Mrs. Hub Cole requested the opening of Kiowa Street from Eleventh to Twelfth and Eleventh Street from Mobeetie to Kiowa. The streets will make give access to new residential building sites in the southwest corner of Wheeler.

The meeting adjourned at 9:30 p.m.

BLOOD DRIVE

The Thursday Review Club announces that they will host the annual Blood Drive for the citizens of the Wheeler area. This gives us a chance to donate and help meet our hospital requirements. The Blood Drive will be held this year on Tuesday October 26, 1976 in the High School from 4 P. M. to 7 P. M. The Coffee Memorial Blood Center of Amarillo provides blood and blood components to Parkview Hospital and will collect donations.

Giving blood is one way a person can directly aid his friends, neighbors, and his fellow man. There is no substitute for human blood, and the pint you give may very well be used to save another person's life.

Giving blood is safe and simple and does the normal human being no harm whatsoever. It can even benefit him greatly, because the pint of blood you give now, can be used to pay for any blood that you or your family may use in the future, through a blood insurance plan which is offered by the blood bank, and costs a blood donor nothing.

Giving blood is giving the "Gift of Life" and if you can spare 20 minutes of your time to maybe help save someone's life, we'll see you at the blood drive on October 26th at the High School from 4p.m. until 7 p.m.

AMERICA THE BEAUTIFUL

Dear Americans,

Look at this wonderful land around you. How did it get here? How do we keep it? These are questions we all need to answer.

This land got her by our ancestors working hard for it. They battled disease, drought, hunger, and hard work. Even as hard as it was to travel and leave their work they found a way to go to church. Our ancestors worked hard for what they wanted. They didn't settle for second best. Do we?

A way we can keep the land like this is working for it. How? We can help preserve wildlife, conserve energy, conserve our soil and take part in politics.

Why do you go out and shoot a deer out of season? Not because you are hungry, but because you want to. You go out and shoot a deer out of season and say, "Well I would have shot one anyway when deer season opened, it doesn't matter." Now turn the tables and think what if.... A person will go out and plow up your nice green wheat and say, "Well he was going to plow it later on, this was just a little out of season."

It's the same thing when you go and shot a bird or a deer illegally.

Do your part to conserve energy, because when you waste energy you may cause someone else a shortage because you were so careless.

Most important of all, politics. Don't just sit around on voting day because you are lazy to go and vote and let someone do it all. Then you gripe about the way this country is run. It's not the Presidents fault. It's you, the registered voter. You are the one who runs the country. The President can not do it all or the Governor Carter. You can. So this election day don't just sit there, get up and do something. You run this country.

We have lots to be thankful for, so let's keep it that way.

Yours Truly,
Becky Irvine

TWO TRUCK ACCIDENT; BOTH DRIVERS TRAPPED

Two truck drivers from Pampa narrowly escaped death Saturday morning when they were involved in an accident eight miles west of Wheeler. Both drivers were pinned in their trucks for over two hours.

The 2 a.m. accident required the men and equipment from Wheeler Fire Department, McLean and Pampa Rescue Units, both Garrison and Ware wreckers, and both Wheeler County Ambulances. Alert and aware of what was happening around them, both drivers waited for the necessary equipment to arrive to remove them from their respective trucks.

From a heap of metal which could hardly be recognized as the cab of a truck, Wayne Howard of Pampa was removed and taken to Parkview Hospital in Wheeler; he was admitted at 4:00 a.m. Howard was x-rayed and discovered to have a back injury and a few minor scrapes. He was transferred later that morning to Northwest Texas Hospital in Amarillo where he is reported to be recovering.

Morgan DeMaroney of Pampa arrived at Parkview Hospital about 4:35 a.m. DeMaroney was treated for cuts and bruises and was transferred to Highland General Hospital in Pampa Tuesday to be closer home. DeMaroney was pinned in the cab of his overturned truck by one leg which appeared to be through the windshield area.

Co. Soil Survey Handbooks Free

The Wheeler County Soil Survey Handbook has been available for over a year now, and the Soil Conservation Service still has a large supply available for free distribution to anyone who may have a need for learning about the soils in the county.

This publication contains information compiled by soil scientists of the Soil Conservation Service about the various characteristics and capabilities of all the soils in Wheeler County. The soils are delineated on aerial photographs and explained in detail, but in a language easy to understand.

The handbook is a handy tool not only for farmers and ranchers, but others will find it useful. Building contractors can find helpful information about the characteristics of the soil under a construction site. Teachers will find the Handbook contains a great deal of facts and tools that can be used in the classroom.

The Soil Survey Handbook is available free at the Soil Conservation Service office in Wheeler.

Flea Market

There will be a Flea Market at Old Mobeetie Jail Arbor, Saturday, October 23, 1976 at 10:00 a.m. until Bring your treasures, let us sell them for you for 20% of what it brings under \$500.00, 10% over \$500.00. We will sell anything—antique fire truck, goose neck trailer, some antiques, and some old books.

left Pampa Friday evening and traveled to Sayre where both trucks were loaded with cattle. On the return trip, Howard, the lead truck, driver, fell asleep and lost control of his rig. The resulting accident scattered cattle and debris across the road, DeMaroney, following behind, tried to dodge the obstacles; he struck a bridge abutment and overturned. The second truck came to rest approximately 100 yards from the first.

North Wheeler County Ambulance Service, Ware Chevrolet and Garrison Service Wreckers arrived at the scene. The drivers could not be reached to render aid and the trucks were too large for the wreckers to attempt to move.

The McLean and Pampa Rescue Squads were called to furnish the cutting equipment necessary to remove the men. Wheeler Fire Department was called in

Laura Guthrie

The moon has changed many times since I have been on a "fishing trip." Until last week that is. But now I've been. It was a grand "being way" for few days. We caught a few fish too, including one of about 25 pounds. A land lubber sort of stares when one of that size is towed out of the water. Quite thrilling. Then the drive to Lake Texhoma was a pleasant thing too, especially when accompanied by friendly relatives. Autumn color is creeping into the foliage of the shumake, elm, and poison ivy, backed with the green of the oak and pine. On the Texas side and the Oklahoma side of the Red River there is a vista of sight pleasing to the eye. I wouldn't mind going often.

Full color is creeping into our own range too. The most gorgeous thing I've come across is the mammoth elm on the corner of 8th and Main in the Galmor yard. Look around. You will see plenty of beauty on our own streets.

Last week Florence George spent a few days visiting with her step-daughter, Mr. and Mrs. Weldon Kirkpatrick in Belle Fourche, S. Dakota. On her return she was met at Amarillo Airport by friends, Anna Green, Virgie Reagan and Lucille Burgess.

Grace Porter is recovering from surgery at St. Anthony's in Amarillo. Vida Brown, Reba Wofford, Mary Finsterwald and Mary Wofford visited her last Saturday. Grace was doing fine and is expected home in a few days.

Edna Waters has had surgery at St. Anthony's Hospital in Amarillo, but is reported to be doing quite well.

Sherri Moore is also in Amarillo, High Plains, for knee surgery. She is improving.

Mr. and Mrs. Floyd McIntush of Memphis spent the weekend with Mr. and Mrs. C. O. Killingsworth. They brought to the Killingsworth, the biggest cluster (dozen or more hanging to one root) of sweetpotatoes that I ever saw. Memphis soil must be great.

case a spark from cutting equipment caused a fire and South Wheeler County Ambulance Service was called so both men could be carried to the hospital as soon as they were removed from the trucks.

(Editor's Note: We hope an accident of this type never occurs again in our area; it does however show the need for rescue equipment—a saw which will cut through steel. The Wheeler Fire Department has some donations pledged toward the purchase of the equipment and will accept additional donations. Daryl Snelgrooves is Fire Chief.)

Jackpot Roping Set At Mobeetie

A Jackpot Roping will be held October 22, 23 and 24 at the Turners Indoor Arena in Mobeetie. Entries will end at 7:00 p.m. Friday, October 22.

Activities begin at 8:00 p.m. Friday and Saturday night and at 1:30 Sunday afternoon.

Contestants will compete in Calf Roping, Team Roping, Steer Wrestling and Barrel Racing. One go around will be held both Friday and Saturday evenings with the finals to be Sunday afternoon.

\$75 will be added to each roping event and \$50 will be added to the Barrel Racing.

Mobeetie Plans Nov. Homecoming

Plans are going forward for the Mobeetie Annual Homecoming on Saturday, November 13, with the 1977 Mobeetie Seniors sponsoring the occasion.

As a special feature under the direction of Elwyn Dysart, Durley Owens and Snow Johnson, Mobeetie Homecoming Alumni Committee ELSIE SIMPSON SCRIBNER DAY will be observed from 1:00 to 5:00 p.m. to honor the beloved Elsie Scribner, teacher of commercial subjects for thirty years in the Mobeetie High School.

The graduating classes of 1931-1941-1951-1961 and 1971 will be recognized and honored when the Homecoming program convenes at 6:30 in the evening after the completion of the Dutch Treat Catered Meal at 5:30 p.m. Basketball games will top off the evening with the Mobeetie boys and girls teams hosting eh Lakeview teams. Games will begin at 7:00 p.m.

Athletes Of The Year Are Named

These local athletes, Kevin Lee Andis, Russell O. Phipps, Jimmie D. Ryan, and Johnny L. Sutton, have been selected to Babe Ruth Baseball's 'Athletes of the Year' program for 1976, as announced today by Richard W. Case, President of Babe Ruth International, and Leon C. Sutton, Manager—Eastern Panhandle Babe Ruth League—Wheeler.

Wheeler had only 15 yards to travel for their second six pointer after Tony Hefley nearly broke a punt return all the way but was tripped up on the Pampa 15 after a 40 yard gallop.

Two tough runs by Brown got a first down on the 2 and Guthrie once more carried it over. Pampa was offside on the extra point try and after taking the penalty, the Mustangs chose to go for two and Brown skipped over right tackle untouched for the Mustangs 14th point.

The second bobble that Mike Lee recovered, this one on the Pampa 20, made the Mustangs third scoring effort a minor chore. A clipping penalty wiped out a touchdown run but the Mustangs came right back on the strength of a 16 yard pass completion from Guthrie to Brown to put the ball on the 8.

Just 32 seconds remained in the opening quarter when

Grimes found a gap at right guard and rammed the final 8 yards. Verden's toe was perfect for the second time and Wheeler led 22-0.

Pampa made a mild threat after the Mustangs third touchdown by driving to the Wheeler 28 but the hard hitting Mustangs caused another bobble and Vic Bradford, a 165 lb. freshman tackle, recovered at the 35.

Away the Mustangs went and moved the 65 yards in just three plays. Brown, who carried the ball just nine times for 79 yards in the game, found daylight at left guard for 13 yards.

A trap play at right guard sprung Dell Ford loose for 15 more and a first down on the Pampa 37. Brett Mosley then found a hole at left guard and scered outside and outran the pursuit to hit the end zone at the

WHEELER ON ROAD FRI. NIGHT TO PLAY McLEAN

Needing to win their final four games to get at least a piece of the district championship, the Wheeler Mustangs will carry their 5-1 record to McLean Friday night to do battle with the Tigers.

Looking ahead to the next two games with Miami and Booker, who also share the top spot with only one loss in district competition, could prove to be a stumbling block for the Mustangs and the coaching staff has been impressing this fact upon the black and gold gridders all week.

"McLean doesn't have much record but they sure remember the lacing that Wheeler gave them a couple of years back and their season will be a huge success if they could knock us off this week." Coach Smith told the Mustangs Booster Club this week.

"Not only do they have all to win and nothing to lose, but McLean has one of the best football players we will face this year in Sammy Haynes, a 170 lb. running back," Coach Smith added. "We can't afford to look ahead a bit and have to take them one at a time."

Chili Supper

The Sophomore Class of McLean High School is sponsoring a chili supper Friday, October 22 from 5:00 to 7:00. Advance tickets will be \$2.00 for adults and \$1.00 for students or tickets may be purchased at the door for \$2.25 for adults and \$1.25 for students.

Colts Go To Claude After Win Over White Deer Thurs.

The undefeated Wheeler Jr. High Colts will be after their fifth consecutive win this week when they play the Claude Colts in Claude Thursday.

Starting the second half of their round robin schedule last week, the Colts demolished the White Deer Little Bucks 34-0 with another strong offensive show.

Mustang Boosters

A film of the Wheeler Mustang Pampa Junior Varsity football game was shown Monday evening at a meeting of the Wheeler Mustang Booster Club. The meeting was held in the school cafeteria at 7 p.m.

Coach Preston Smith spoke briefly about the game and narrated the film. He also gave a scouting report on the McLean Tigers. The Mustangs will meet the Tigers Friday evening at 7:30 p.m. in McLean. Coach Bill Wiggins gave the Wheeler injury report. Game statistics on the Wheeler-Pampa game were given by Thurman Rives.

Drawing bus duty for Friday evening were Lowell Lasley and N. D. Ware.

Next Booster Club meeting will be Monday, October 25, at 7:00 p.m. in the school cafeteria.

Highway 83 Improvement

The State Department of Highways and Public Transportation is planning within the next year to let the contracts for the construction of a 13 mile stretch of Highway 83 from the intersection of Highway 152 in Wheeler to the Wheeler County line.

The project will be complete in two parts. The first contract should be let within the next 3 to 4 months for the construction of the 24' roadbed from FM1046 [Briscoe Intersection] to the county line. The second contract will include curb and gutter on the north end of Alan L. Bean Blvd. and the construction of the new road to Briscoe.

Additional road width and safe shoulders are the reasons for rebuilding the road. The present road is a 20' wide slab of concrete with only a narrow ribbon of paved shoulder area. The proposed road will be 24' wide with a 4' paved shoulder and an additional 4' gravel area along the road to be used when necessary. Passing lanes are not included in the plans.

Colts Go To Claude After Win Over White Deer Thurs.

Wheeler made their longest sustained drive of the night on their next scoring effort and upped their margin to 26-0 with just 1:14 remaining in the half. The big play in the 79 yard, 9 play drive was a 49 yard scamper by Valencia from the midfield strip to the Little Buck one from where Valencia cracked over on the next play.

Valencia got into the scoring column once more on the Colts final touchdown of the game when he intercepted a Little Buck pass on the White Deer 39 and ran it all the way back. Jeff Edwards ran the two pointer and the Colts had closed out the scoring with a convincing 34-0 win.

Colts Go To Claude After Win Over White Deer Thurs.

The Colts pushed ahead only one touchdown in the second half after running up 14-0 and 26-0 margins at the end of the first two quarters.

Benny Baker got the Colts ahead by six four plays deep into the contest with 14 yard jaunt to paydirt and there was no question of the Colts being surprised by the Little Bucks on their home field.

After a fumble exchange and a short 3 yard kick, the Colts found themselves on the White Deer 35 minutes after their first TD and only five plays were needed to get to paydirt this time.

Willie Valencia got 32 big yards on the third play down to the 6 and it took Baker a couple of trips to get the touchdown. Quarterback Ty Henderson tossed to Robert Ford for the two pointer.

SENIOR Girl Scouts

On October 16, 1976, the Senior Scouts from Troop 71 journeyed to Camp Mel Davis to serve as staff members for Brownie Revel Day, along with Senior Girl Scouts from Pampa and Borger. There were 197

Brownie Scouts in attendance. Senior Scouts from Troop 71 attending were: Myranda Pierce and Candy Lewallen. Sherri Lewallen from Cadette Troop 99 of Wheeler went along just for the ride and ended up as a staff member also. Sherri instructed the Brownies in knot tying along with Myranda Pierce. Candy Lewallen worked with two girls from other troops to teach the smaller girls Camp Safety. They put on a skit to show the hazards of improper camp procedures. Mrs. Jim Lewallen, Senior Scout adviser, attended also and assisted the Senior Staff members in instruction the Brownies in knife safety and the making of musical oranges.

The bagpipe is not originally Scottish, but Persian.

Pampa JV

Verden's kick made the score rise to 29-0 with just half of the second period gone.

The Mustangs used up nearly six minutes to move just 40 yards for their final touchdown but overcame two 15 yard clipping penalties, one of which wiped out another TD run, in the process.

Brown intercepted a Pampa pass on his 28 and returned the ball to the Harvester 40 and it took the Mustangs 11 plays to get to paydirt.

Going to the air 7 of the 11 plays, the Mustangs completed a couple, one a 10 yard gainer to Darrell Gaines and another 8 to Hefley, to put the ball on the 12 from where Grimes broke loose from an apparent tackle at the line of scrimmage and did an excellent job of running to go over standing up. Verden once again boomed the ball through the uprights and the Mustangs had their final margin at 1:01.

Emptying his bench in the second half, Coach Preston Smith not only held the score down but was able to once more give playing time to the promising group of freshmen and sophomores.

Mosley, Kent Vise, and Kyle Lasley were used as running backs most of the second half with Rich Brown taking over the man under post.

Seeing duty also in the second half for the Mustangs were freshmen, Vic Bradford, Mike Evans, Sam Sutton, Russell Gibson, and Troy Calaway. Sophomores, Miles Farnsworth, George Elliott, Tom Christner, and Phillip Gaines. Kevin Lasley, a junior who has missed half of the season with injuries, saw duty as an offensive guard.

meeting was held in Wheeler on the same project and at the time the plan received opposition concerning the amount of right-of-way needed for the road. The new proposal will require the purchase of additional right-of-way only in ravines where the grade of the shoulder area has to be changed.

The reconstruction of the Gageby Creek bridge will begin soon. The contract has been let with grant money being used for the rebuilding of the narrow bridge.

The plans call for the relocation of the intersection of FM1046 and 152. The present exit off 152 to Briscoe on 1046 is at the base of the railroad overpass. This intersection will be moved south to align with the Mobeetie highway.

The county road intersection at the northend of the overpass will also be re-located to a safer location.

Representatives of the Highway Department present at the meeting were Lewis White, District Engineer; George Wall, Asst. District Engineer; O. V. Johnson, Resident Engineer; Glen McLain, Engineering Tech.; and Howard Preston.

Senior Personality . . .

Marla Gay Lax is the 18 year old daughter of Mrs. Dortha Calcote and the late Bobby Calcote. Marla, a Senior at Wheeler High School, was born in Shamrock, Texas on November 27, 1957. Marla attended Elementary and Junior High School at Kellerton. Marla played Basketball her 6th, 7th, and 8th grade year. In 1972, she was chosen to be on the All-Tournament team. Marla was also chosen as "Most Valuable Player" in 1972.

Marla has attended Wheeler High School her Freshman, Sophomore, and Junior years, and she is now enjoying being a Senior. While in High School, Marla played Basketball for two years and participated in the P.E. program. Marla has been an active F.H.A. member for four years. Marla has been a Rodeo Club member for four years. She participated in Track as a Freshman. Marla enjoys riding horses, and she participates in Rodeos.

So far, Marla has won two first place, one second place, and one third place belt buckles for Pole Bending. Marla has also won one second place and two third place ribbons in Pole Bending. Marla's favorite movie is "Rio Lobo", and the book she likes most is "True Grit". Marla's favorite television show is "The Six Million Dollar Man". John Wayne is her favorite male star, and Lindsay Wagner is her favorite female star. "Pure Love" is a favorite Country and Western song. Marla's pet peeve is when she is Rodeoing and her horse "will not mind".

Meet Your Mustangs

Don Brown, son of Mrs. Jeanne Brown of Wheeler and Mr. Morris Brown of Kellerville, is a 6 foot 1 inch, 185 pound, Senior. Don plays Tailback for the Mustangs. Coach Smith said of Don, "Don had his best game, since he had been sick, against Texline. He rushed over 100 yards. Don has the ability to play in any classification in football and the ability to start. I hope a college recruits him for College Football, because he has the ability."

Bobby Guthrie, son of Mr. and Mrs. Corky Guthrie, is a 6 foot 1 inch, 175 pound Junior. Bobby plays Quarterback and Safety. Coach Smith stated, "Bobby is beginning to gest confidence in passing the ball as Quarterback. We had some success in passing the football against Texline for one touchdown pass in the season. He has the ability to adapt to changes in our Defensive system. He is quick, and he will be back for one more year."

Kent Vise, son of Mr. and Mrs. John C. Vise, is a 5 foot 10 inch, 150 pound Sophomore. Kent plays Split End. Coach Smith commented, "All the players call him 'Lights', because of the big plays on Thursday nights when the lights are on at the Football games. He intercepted a pass and ran it back for a touch down against Lefors and another interception against Texline. He starts at Split End as a Sophomore."

Rich Brown, son of Mr. and Mrs. Richard Brown, is a 5 foot 2 inch, 110 pound Freshman. He plays Quarterback. Coach Smith said, "The best change was against Texline. He played all of the second half as Quarterback. His greatest asset is his intelligence, and he wants to be a good High School Football player. He plays a big part in getting our defense ready every week in his role as Scouts Quarterback."

MUSTANGS ROUT TEXLINE

The Wheeler Mustangs' 1976 Homecoming Game was held Saturday the 9th as they hosted the Texline Tornadoes. The Mustangs easily won 27 to 0 before a big turnout of fans.

The game started with the Mustangs receiving the opening Kick-off. Texline received an early break when Don Brown fumbled. Texline's Quarterback, Richard Chapman, recovered on the 35 yard line. Texline immediately started moving the ball. Chapman threw a good pass to Brent Banister. Don saved the touchdown, but he was called for face-masking. Texline has a golden opportunity with the ball on the 10 yard line. Marvin Grimes and Tony Hefley dropped one of Texline's Backs and the Mustangs held.

The Mustangs could not generate any offense. Texline received the ball but had to punt. The punt was nearly blocked by Hefley and Wheeler had the ball on the 45 yard line. Marvin made a good run to the 20 for the 1st down. Several plays later, Marvin had a touchdown run called back. But on the next play Marvin ran 7 yards for the touchdown. Jim Verden added the extra point to put the Mustangs ahead 7 to 0. The rest of the first quarter was scoreless.

The second quarter began with the Mustangs moving the ball. Don made a big run, and Marvin ran the ball to the 5 yard line. On the next play Marvin ran in for the touchdown. The extra point try failed and the Mustangs led 13 to 0.

The Mustangs next scoring opportunity came when Dell Ford recovered a bad pitch on the Wheeler 10 yard line. On the next play Dell ran 10 yards for the touchdown. Make it 21 to nothing. Texline could not move the ball, and neither could the Mustangs. Texline tried to score once more. Tony stopped a 25 yard pass play when he knocked a pass down. Don then intercepted one of Chapman's passes. A 15 yard penalty was walked off against the Mustangs to put the ball on the 40 yard line.

Once again mistakes set the Mustangs back. Bo Guthrie threw an incomplete pass, and another 15 yard penalty was walked off against the Mustangs. Don broke for a good run, but he fumbled and Texline recovered. Texline's John Bleiker broke for a great run, but Bo made a touchdown save tackle. Jim Dropped Chapman for a loss and Mike Lee threw Orlando Herrera for a big loss on a reverse. Dell then intercepted Chapman's pass on the 48 yard line. On the next play, Bo threw a 50 yard touchdown bomb to Don. But Jim's try for 2 points failed, but the Mustangs led 27 to 0.

Texline started the third quarter with a big drive. Kent Vise stopped them with an important tackle. The second string Mustangs could not move the ball and Texline received the ball.

The Mustangs stopped Texline again with big defensive plays. Dell almost intercepted another Chapman pass, and Brett Mosley

hit Chapman to ruin another pass try.

Texline received a break when Rich Brown made a bad pitch which Kyle Lasley could not handle. Texline recovered on the 45 yard line to start another scoring break.

Texline was halted when Chapman was hit hard by Gary Ware and Tim Patterson to end the third quarter.

The fourth quarter was uneventful until Brett and Marvin burst open for big gains. The Mustangs were set back when a 15 yard penalty for clipping was called. Rich was sacked for a loss to set the Mustangs back again. Marvin fumbled on the next play, and Texline recovered on the 30 yard line.

Texline had to punt, but a bad snap caused them to give up the ball deep in their own territory. Wheeler took over on the 30 yard line, but Bryan Herber intercepted one of Rich's passes. Chapman turned around and threw an interception to Kent. He caught the ball on the 45 and ran 20 yards to the 25 yard line. Brett churned out a good run to the 15 yard line. Texline held to end the Mustangs last scoring break of the day.

The Mustangs are 4 and 1 on the season. Help support the Mustangs as their hopes for I-B Champs were brightened when Booker defeated Groom.

Colt Capers

The Wheeler Colts had their first shut-out of the season last Thursday night against White Deer. The final score was 34-0. Benny Baker started the scoring off with 2 touchdowns. The extra point attempt was missed on the first touchdown. But Ty Henderson completed a pass to Robert Ford for the extra 2 points on the second touchdown. Willie Valencia then intercepted a pass and ran it all the way back for a touchdown. Jeff Edwards made the extra 2 points. Willie Valencia scored two more touchdowns during the course of the game. But both conversion attempts failed.

This was the best defensive game the Colts have played all season. Those who especially played great defensive ball were Tommy Calvery, Benny Baker, Willie Valencia, Kendall Richardson, Ty Henderson, Russell Gaines, and Jeff Edwards. Coach Gaines and Coach Lago were pleased with the Colts' performance.

The Colts have really worked hard this year and they have a great team. They play their next Football game Thursday, October 21 at Claude. Game time is 6:00.

This is the first year for Wheeler, Claude, White Deer, and McLean to play in District competition.

The Colts can become the first team in History to win the Championship of the new District by winning their remaining two games with Claude and McLean. Both Claude and White Deer play Class A High School schedules, while McLean is in District I-B on the High School schedule.

SHOCKERS SHOCKED

The Wheeler Mustangs easily rolled over the Pampa Shockers last Thursday night. The game was held at Nicholson Field before a moderate turnout of fans.

The Mustangs started the game with Dell Ford running the opening kickoff. Don Brown gained 10 yards to start the Mustangs rolling. Marvin Grimes was then hit hard and fumbled, Tony Hefley alertly recovered the ball. The Shockers held the Mustangs on fourth and four.

The Shockers could not generate any offense as they turned over the ball on a mistake. Pampa's quarterback fumbled and Mike Lee recovered to give the Mustangs a break in Pampa territory.

Brown gained fifteen yards and Grimes burst open for fifteen yards to the 10 yard line. Grimes pounded the ball down to the one yard line. On the next play Bobby played in for the touchdown with 6 minutes and 37 seconds left in the first quarter. Jim Verden added the extra point to put Wheeler ahead 7 to 0.

The Shockers were forced to punt when Sammy Shaffer quarterbacked Pampa's second string quarterback for a loss. Hefley returned the punt 35 yards to set the Mustangs up for another score. Brown rushed for 5 yards to the 10 yard line. Brown received the ball again and ground out several yards to the 2 yard line. With 3 minutes and 47 seconds left in the first quarter Guthrie plunged over for the touchdown. Brown ran the extra point in to put the Mustangs on top 15 to 0.

The Shockers were plagued with fumbles again. Lee recovered Adair's fumble to give the Mustangs another scoring threat. Grimes made another good run and on the next play he had a touchdown run called back. Guthrie run completed a pass to Brown to move the ball to the 8 yard line. With 32 seconds left in the first quarter, Grimes broke loose for the touchdown. Verden booted the extra point to put the Mustangs ahead 22 to 0.

The Shockers started the 2nd

Club And Class News

The Junior Class won first place in the float competition, during Homecoming. The prize was \$25.00. Their theme was "Flush the Tornadoes." The members of the Junior Class sell ribbons every week for football games. If you want a ribbon, contact any Junior class member.

The Senior class won the second place prize which was \$15.00, their theme was "Corral the Tornadoes". The Seniors also won the Spirit Stick in the spirit contest during Homecoming week.

The Sophomore class won the third place prize of \$10.00. Their theme was, "Jar the Tornadoes."

The Sophomores had a class party Friday, October the 15th. They went to Pampa for the party. Mr. Stewart commented that the class as a whole was the best behaved he had ever sponsored.

quarter as Hutchison completed a pass for the first down. However, Hutchison fumbled and Vic Bradford recovered for the Mustangs. The Mustangs took over with the ball on the 35 yard line. Ford made a good run to set up the Mustangs next score. Brett Mosley exploded for a 40 yard touchdown sprint. The touchdown was scored with 7 minutes and 22 seconds left in the half to ice the game for the Mustangs. Verden's extra point kick was good to up the score 29 to 0.

The Shocker's Roger Paulson gave a fantastic effort as he almost caught a long Hutchison pass. The Mustangs were called for clipping to give the Shockers a first down. The Mustangs were received a big break when Brown picked off a Hutchison pass. Brown's good return plus a clip against the Shockers gave the Mustangs excellent field position on the 37 yard line. Grimes burst forth for another good run, but Guthrie had several incomplete passes in a row. The Mustangs were given another chance when the Shockers were called for face masking. Grimes made a 15 yard touchdown run called back on the next play. Guthrie completed a pass to Hefley to set up the Mustangs final touchdown. Then Grimes ripped through the line for a 12 yard touchdown with 1 minute and 1 second left in the half. Verden's extra point boot was good to widen Wheeler's half time lead to 36 to 0.

The Shockers received the kick off, but turned over the ball as Kent Vise intercepted another pass. The Mustangs had to punt and the Shockers had the ball. Hutchison fumbled again as Mosley hit him hard. Mosley recovered the fumble to give the Mustangs good field position. The second string Mustangs could not score so Verden attempted a field goal. The kick was wide and the Mustangs turned the ball over.

The Shockers had to punt and the Mustangs received the ball again. Brown and Ford made good runs to set the ball up on the 30 yard line. Vise fumbled and the Shocker, Dane Greenhouse recovered. The Shockers could not move the ball and were forced to punt again.

The Mustangs received the ball, but Kyle Lasley fumbled and the Shockers took over. On the next play the Shockers fumbled and Lee recovered the ball. Neither team could generate any offense as the quarter ended.

The fourth quarter was uneventful until Tim Patterson sacked Hutchison to force the Shockers to punt. By the use of fantastic moves and great open field running, Hefley sprinted the punt back for a touchdown. However, Lee was called for clipping to nullify the great return. The Mustangs could not score and had to punt.

The Shockers received the ball and finally started moving the ball. The Shockers were halted when their first and second string Quarterbacks were injured. Hutchison was hit by Schaffer. The ambulance was brought on but Hutchison managed to walk off on his own power. Adair was clobbered by Brown to end the Shockers last scoring threat.

Vise fumbled again to end the action packed ball game.

The Mustangs raised their record to 5 wins and 1 loss as they travel to McLean to face the McLean Tigers this coming Friday.

INTERVIEW WITH COACH

This week Coach Lago was interviewed and there is quite a bit of information to know about him.

Coach Lago, a new coach at Wheeler School this year, graduated from Midland Lee High School at Midland, Texas in 1964, where he had lived off and on for 2 years. After he graduated from High School he attended Baylor University for 4 years, where he took such courses as Government, and English. After his graduation from Baylor University he returned to Midland as a teacher and coach and taught Junior High students for 8 years. Then he wandered down to Texas Tech where he coached in 1973 with his Masters Degree in Education Administration. Then he decided he would try Baylor Law School in 1976, but decided he liked coaching better than law school. He said, "In coaching you lead a more exciting life."

When Coach Lago was asked if he liked coaching here at Wheeler he replied very excitedly.

"Yes, I do very much!" He also commented about the boys attitude toward athletics. He said that he has never seen such enthusiasm and dedication to win, and that no one on the team has a bad attitude. He thinks that is great.

Coach Lago mainly likes to work with Junior High students and his job in coaching is working with the linemen. He said, "I enjoy working with Junior High students because it is a great opportunity to see them learn and progress through the years."

Coach Lago feels like an excellent group of coaches here and he thinks Coach Smith is putting out the good program for years to come. Coach Lago likes coaching the 7th and 8th grade football team and says that they are learning the same plays as the High School players. He enjoys working with Coach Gaines and thinks he is one of the greatest guys he has ever known. He likes it here very much!

TO: Baltazar Castillo, Jr.
And to all whom it may concern. Respondents,
GREETINGS:

"YOU ARE HEREBY COMMANDED to appear and answer before the Honorable District Court, 31st Judicial District, Wheeler County, Texas, at the Courthouse of said county in Wheeler, Texas at or before 10 o'clock a.m. of the Monday next after expiration of 20 days from the date of service of this citation, then and there to answer the petition of Dennis Dale Corcoran, Petitioner, filed in said Court on the 19th day of October, 1976, against Baltazar Castillo, Jr., Respondents, and said suit being numbered 7212 on the docket of said Court, and entitled 'In the interest of Scott Marc Castillo, a child,' the nature of which suit is a request to terminate the parent-child relationship. Said child was born the 5th day of April, 1971, in Altus, Oklahoma.
The Court has authority in this suit to enter a judgement or decree in the child's interest which will be binding upon you, including the termination of the parent-child relationship and the appointment of a conservator with authority to consent to the child's adoption.
Issued and given under my hand and seal of said Court at Wheeler, Texas, this 19th day of October, 1976. (signed) Paul Topper
Clerk of the District Court of Wheeler, County, Texas

THE STATE OF TEXAS COUNTY OF WHEELER'S CITATION
To ALL Persons and Parties Interested in the Estate of IVA ANNA DAVIDSON, Deceased, and Unknown Heirs of IVA ANNA DAVIDSON, Deceased, Whose Names and Residences are Unknown.
You and each of you are hereby cited, required and commanded to appear before the County Court of Wheeler County, Texas, to be held in the County Courthouse in the Courthouse of said County in the City of Wheeler, Wheeler County, Texas, such appearance to be at or before ten o'clock a.m. of the first Monday next after the expiration of ten days from the date of service, exclusive of the day of such service, which day and date of service shall be the date of publication that this newspaper bears, and which appearance shall be at such time on such Monday, which will be the 1st day of November, 1976, by filing written answer to the application hereinafter mentioned, showing cause why an administration is necessary or why the determination of heirship sought by such application should not be made, which application will at such hour and in such Court be acted on, said application having been filed by F. H. Davidson and L. H. Davidson, in said Court on the 18th day of October, 1976, and now pending there in a proceeding on the probate docket of said Court, styled ESTATE OF IVA ANNA DAVIDSON, DECEASED, the file number of which application and the docket number of which proceeding is 1962, the nature of such application being that it alleges that no administration is necessary on said estate and requests a determination of the heirs of IVA ANNA DAVIDSON, DECEASED, and alleges that there are no debts owed by IVA ANNA DAVIDSON, DECEASED which are not secured by liens upon real estate.
If this citation is not served within 90 days after date of its issuance, it shall be returned unserved.
The officer executing this writ shall promptly serve the same according to the requirements of law and the mandates hereof and make due return as the law directs.
Issued and given under my hand and seal of said Court at Wheeler, Texas on this 18th day of October, 1976. (signed) Mary Wofford

CORNER CATCHER

The only center pivot in the world that hits the corners.

In a typical quarter section where a regular center pivot is irrigating 132 acres, you can now do about 150 acres. But the new Valley Corner System isn't limited to squares. Irrigate both ends of a rectangle. Irrigate odd shaped pieces of land too. It's the answer to getting valuable productive land that's been wasted, back under center pivot irrigation.
For flood irrigators, it's also the answer to automatic water and labor saving center pivot, without wasting valuable acres. No monitoring, no labor problems, no night work. But you have all the advantages of precise irrigation and fertilizer application through the system, that produces higher yields than ever before. It's a simple concept, precise in operation and engineered with quality of all Valley-built Center Pivots. **VALLEY.**

OLDER ADULTS NUTRITION

Nutritional needs of older people are no different in kind from those of younger people, but it's

often hard for senior citizens to maintain good eating habits. A well balanced diet of meat, milk, fruits, vegetables and cereals is just as important for older people as for children and young adults. But studies show that many people past 50 years of age aren't getting a well-balanced diet, and they may outwardly appear normal but are definitely deficient in calcium, iron, Vitamins A and C, one or more B-vitamins and protein.

Faulty teeth and dentures often cause older people to have poor eating habits because of difficulty in chewing with poor-fitting dentures or no teeth at all. They may avoid fibrous food like meat and vegetables unless it is chopped finely and eat only carbohydrate-rich foods that require little chewing.

The tendency of the elderly to live on simple diets like tea and toast causes Vitamin A deficiency and deficiencies of other fat-soluble vitamins.

Another nutrition-related problem is osteoporosis, a major orthopedic disorder found in about 25 per cent of woman after menopause. It is not due just to dietary deficiency of calcium, but it appears that a high calcium diet may restore bone mass to a previously osteoporotic skeleton. Calcium intake may be increased by drinking milk and eating dairy products. The 1974 Recommended Dietary Allowance for calcium for older people is 800 milligrams daily.

Other factors contributing to osteoporosis are endocrine imbalance, mechanical stresses and strains and availability of nitrogen from protein synthesis. Also, exercise and activity are important since inactivity promotes calcium loss.

Another problem older adults are often times faced with is eating alone. This can often lead to poor diet due to the lack of interest when eating alone. But eating alone doesn't have to be a lonely, boring experience.

Although cooking for one can be a problem, there are ways to overcome the doldrums of sitting down to the tables alone. The strategy begins in the grocery store.

To start, purchase frozen vegetables in plastic bags and remove only the portion needed—re-seal with a clothes pin or plastic clip.

If purchasing frozen meats in the eight-ounce boxes, have the butcher cut them in half and wrap individually. This same thing can be done with frozen fish filets and other frozen packaged meats.

Even small boneless hams are great cut into several individual serving pieces. If those roasts in the red meat section are always too large, simply have them cut down to your size and wrap for the freezer.

Spaghetti sauce is a great time saver and meal brightener for the single person. In 15 minutes, with little effort, you can cook fresh spaghetti, toss a salad, heat the sauce and even butter a little garlic bread for luscious meal after a long day.

The trick is to prepare a large "batch" of sauce and store individually in freezer and refrigerator. One larger casserole and meat loaf recipe can be placed in smaller containers for later use, too.

And don't forget your surroundings when you sit down to eat this delicious food. Put down a perky place mat, colorful napkin, your best flatware, dishes and glasses—then really enjoy the meal. Sit by a window if possible and eat slowly to savor each bite. People who eat alone sometimes tend to eat in a hurry.

Of course, you can always invite friends over to share the meal and visit—chances are

CAN YOU TRUST JIMMY CARTER TO DO WHAT'S BEST FOR THE AMERICAN FARMER?

Jimmy Carter is an engineer, a scientist, a former governor. He is also a farmer. His children will be the sixth generation on the same land. He understands what it means to roll up his sleeves to do an honest day's work for an honest day's pay. He also understands the abuses you have suffered during a Republican Administration which has taken excellent care of the grain speculators, the

Russians, the food processors and the powerful. At your expense. The Republican big-business approach to farming is a disgrace and a failure. American farmers are going broke trying to produce food American consumers cannot afford to buy. As a farmer Jimmy Carter is committed to changing that. As President, Jimmy Carter will change that.

FARM EXPORTS.

"We can't tolerate an agricultural policy which encourages foreign sales and then cuts them off for political convenience. We can only develop overseas markets for our goods, if our buyers can depend on us and the quality and quantity of our products. Our farmers are dependable. It's our government that's not."

DOMESTIC AGRICULTURAL POLICY.

"The Republican big-business approach to agriculture is driving the family farmer out of business. We need to end the threat of embargoes, to create small but adequate reserves, to establish realistic fall back prices. We need to develop an abundant production policy coupled with a vigorous expansion of our export markets."

RURAL AND SMALL TOWN DEVELOPMENT.

"Farmers are entitled to exactly the same standard of living that most urban dwellers take for granted—adequate water and sewer systems, affordable electric and telephone service and a realistic wage for a good day's labor."

ESTATE TAXES.

"The present estate tax threatens the very existence of the family farmer. It should be and will be eliminated with progressive tax credits or by a substantial increase in estate tax exemptions. Permanent farm land must be and will be valued at its production value. Not at its value to land speculators."

TOGETHER, JIMMY CARTER AND WALTER MONDALE WILL GIVE THE AMERICAN FARMERS A VOICE IN THE WAY YOUR GOVERNMENT IS RUN.

One of the reasons Jimmy Carter chose Walter Mondale to be his running mate was because they both share the same concern for the American farmer. Born and raised in rural Minnesota, Mondale has relentlessly and consistently fought for the rights of the family farmer. And as a U.S. Senator, his record stands as one of the most impressive in Congress.

CAN YOU TRUST A REPUBLICAN ADMINISTRATION WHICH STANDS ON A RECORD LIKE THIS?

As a Congressman, Gerald Ford led the fight for cutbacks and impoundments of rural funds. He voted for every termination and elimination of rural programs family farmers so desperately need. As President, Gerald Ford and a Butz Department of Agriculture have consistently vetoed, embargoed, reduced and curtailed a long list of programs designed to guarantee the family farmer a decent standard of living. It's a record of disregard and insensitivity to the problems facing the farmers and consumers of this nation.

If you agree that drastic reforms must be made in the way this country is run, in the way our farm program is administered, you have only one choice on November 2nd. And that's for change.

ON NOVEMBER 2ND, VOTE FOR JIMMY CARTER. A LEADER, FOR A CHANGE.

(Paid for and authorized by Wheeler County Committee for Carter; Joe Rogers, Chairman, Wheeler, Texas)

Jack Hightower believes in action . . . not empty words

When the voters of the 13th District sent Jack Hightower to Congress two years ago he pledged to represent all of them fairly and honestly. He promised to work full-time at the job. **HE HAS KEPT THOSE PROMISES.**

HERE IS WHAT THOSE WHO KNOW JACK HIGHTOWER'S RECORD SAY ABOUT HIS EFFECTIVENESS

"... as one of the original co-sponsors, I again thank you for your splendid contribution which has brought about this most needed improvement in the estate tax law..."
Omar Bureson, Member of Congress

"... your tremendous job on the floor and prior to the passage of H.R. 8410, the amendments to the Packers and Stockyards Act, are most deeply appreciated. It certainly was apparent to the people in the gallery and elsewhere that you know the subject matter well and handled the situation beautifully..."
C. W. McMillan, Executive Vice-President, American National Cattlemen's Assn.

"... this award (Guardian of Small Business) is intended to acknowledge your efforts to protect small, independent businessmen and women and to maintain an economic environment in which they can grow and prosper. It is also based on the outstanding voting record you compiled on small business issues during the 94th Congress."
Wilson S. Johnson, president, National Federation of Independent Business

"... Price better think twice before he spends more money for a big campaign because as it stands now he's going to be fighting a losing battle if he tosses his hat in the ring... Hightower has read his constituency well, and he's doing exactly what his voters want him to do, but he's also spent a session learning the ropes and he's shown he's a better independent thinker..."
Carroll Wilson, columnist, Canyon News, Jan. 18, 1976

"... one of Jack Hightower's primary legislative projects has become the law of the land... it was H.R. 8410, an amendment to the Packers and Stockyards Act which Hightower co-sponsored in the House, and he was the author of its principal provision—prompt payment..."
Joe Brown, farm editor, Wichita Falls Record-News, Sept. 16, 1976

"... thank you for your support of the Beef Research and Information Act, and especially for your fine statement on the House floor... the people are well aware of your leadership and your untiring efforts to help the cattle industry..."
O. J. Barron, chairman, Beef Development Task Force

"... Of the 75 first-year Democrats, he is something of an anomaly—the most conservative of an outspokenly liberal group, one of the most careful and quiet of a largely shoot-from-the-hip crowd... Almost everyone on the Hill knows about Jack Hightower... the Congressman who votes his conscience, represents his district by organic instinct, but is capable of rising above parochial considerations when national interests are at stake. If that weren't enough, he lives a Spartan existence in a one-room efficiency apartment, sleeps on a couch that unfolds into a bed, washes his own socks, and drives an old car to work. The same qualities that made him an influential state senator for ten years—scrupulous honesty and an appetite for hard work—have served him well in Washington, but these alone do not explain the high regard in which he's held. In a town overpopulated by small people with large egos, it is a relief to find one for whom the reverse is true..."
Texas Monthly, May, 1976

That's the kind of Congressman Jack Hightower has been since he took his oath in January 1975. It's why he has earned the respect of his colleagues and the confidence of people throughout this district... from both political parties. Jack Hightower, Democrat, has earned a second term. Vote November 2.

Jennings Hosts Thursday Review

The Thursday Review Club of Wheeler met on October 12, 1976, at the Production Credit meeting room with Mrs. Bobby Jennings as hostess.

Mr. and Mrs. Jim Chandler of Briscoe, introduced by Mrs. Carol DeArment, presented the program. Mr. and Mrs. Chandler, as representatives of the Heart Association, demonstrated Cardio-Pulmonary Resuscitation (CPR) to club members and guests. Afterwards, everyone participated in actual CPR on two adult mannequins and an infant mannequin. The techniques received from the demonstration will be of utmost importance in saving the life of a victim of sudden death.

Plans for the blood drive for Coffee Memorial Blood Center were finalized. The drive will be on October 26, 1976, at the Wheeler School Cafeteria between 4:00 p.m. and 7:00 p.m. Blood is a vital human resource and can neither be purchased or synthetically reproduced. It must come from people for the use of people. Recycle life. Donate blood.

Guests at the meeting were Mrs. Kathy Hill, Mrs. Beth

Hester, Mrs. Fredricka Adams, and Girl Scout Cadet Troop #99 with their leaders, Mrs. Sandra Christner and Mrs. Glenda Atwood.

PROGRESSIVE STUDY CLUB Farmer Is Hostess

Ida Farmer was hostess to the Progressive Study Club on September 23rd. Americanism was the theme of the program. Following the Club Collect the President presided in a business session in which Lucille Walser was elected to club membership. Amelia Sims, program chairman, gave the quote—"Join hand in hand, brave Americans all! By uniting we stand; by dividing we fall." She led the group in reading the American Creed. She then gave an interesting talk about Jefferson telling also about Mantechello which she visited during the summer.

Roll call and the topic on "Facets of the Declaration of Independence" were omitted in order for the group to listen to the Ford-Carter debate.

Delicious refreshments were served by the hostess to twelve members.

PROGRESSIVE STUDY CLUB Byers Is Hostess

The Progressive Study Club met in the home of Ila Byers October 14th for a program on Crime Prevention.

After the Club Collect was read the President, Novella Vanpool, introduced Wheeler law officials. Bus Dorman and Doyle Ramsey who discussed crime as they have encountered it in their official duties and they also displayed samples of various drugs.

A question and answer session followed. Roll call was answered with ways of self protection against crime.

The President presided in a business session. Contributions were brought to the meeting to be sent to M. D. Anderson Hospital.

Club members are reminded to bring to our next club meeting a gift for a girl at Girlstown.

The hostess served refreshments to 10 members.
