MOBEETIE COM. HOSTS TWENTY-FIFTH REUNION

More than 925 people were registered Monday morning for the twenty-fifth Annual Old Settlers Picnic and Reunion on the grounds of the Old Jail in the new open air pavilion in Mobeetie.

Mobeetie To Hold Outdoor Revival

A community outdoor revival will be held beginning with a 3:00 service Sunday afternoon, September 12, at the outdoor pavilion at the Old Jail in Mobeetie.

Six churches will be represented during these six evangelistic services.

The Mobeetie Community Church will conduct the Sunday afternoon services with the minister, C. W. Burch as the speaker.

Services Monday through Friday evening will begin at 7:30. On Monday evening the First United Methodist Church of Mobeetie will be in charge of the service with the Rev. L. V. Grace pastor as the speaker.

Tuesday, the 14th Lester Hathaway of the Christian Center of Wheeler will bring the message. On Wednesday evening, Allen Hale, minister of the Gem Baptist Church and teacher in the Mobeetie School System will be the speaker of the evening.

On Thursday evening Steve Campbell, of the United Methodist Church in Groom will be guest speaker and the closing service Friday evening will be conducted by C. W. Burch.

Due to prior commitments, the Rev. Aaron Laverty, minister of the First Baptist Church in Mobeetie, will be unable to participate in this community effort, however the First Baptist Church will be represented through the efforts of the church members.

Here and There

by Laura Guthrie

Did you notice that on the front page of the Amarillo News-Globe Monday's edition, there was this headline? "Non-Voters May Play Decisive Election Role." The article went on to state that 46 per cent of these non-voters are under 35 years of age. Imagine that! People in their prime, who should be carrying a great load of our nation's decisions, are either not registered, or are not interested. Get with it people! Every responsible person needs to vote! I would venture to say that these non-voters will be the first to let their ululations rise high and wide. It's a crying shame!

I see by the hand-bills that the W. L. Jollys are having an auction. W. L. and Tootsie have been gone from Wheeler for some time. They are now Motel Managers. Having spent some time in Arizona, they are now working in Clovis, N. M. They are here now digging out, sorting, and doing all those things that one must do to get ready to sell. And what a task it must be to sell all your plunder-lock stock and barrel. We hate to see their absence from Wheeler seem so permanent, but that is the way it is.

Glen Farmer and his boys have been here with his mother, Ida Farmer for a few days. His wife Janet can along from Nebraska, but she is with her parents, Roland and Helen Russ at Plainview. A few weeks ago Roland suffered a heart attack and was in a Lubbock hospital several days. He is now home to recuperate. The Farmers left Wheeler Tuesday, will pick up Janet in Amarillo and proceed to Scotts Bluff.

Eager former citizens started drifting in Saturday, some setting tents for convenience and comfort.

The men of the community started preparing the beef barbecue Saturday night, setting the fire early Sunday morning with a constant watch through the day and night. The emenanent pinto beans to complement the barbecue beef were prepared by the women of the community. Deserts and salads were brought by those attending. Much reminiscing and visiting took place from early morning through the middle of the afternoon, some staying over the final performance of the play "OLD MOBEETIE" at 8:00 o'clock in the evening. Ninety-two year old Mrs. Mary Mixon, long time Mobeetie resident, now living with her son and daughter-in-law

Mr. and Mrs. J. M. Mixon in Fritch, was recognized as the oldest person present.

Mrs. Wilma Robertson Smith of San Francisco, California, Mrs. Lorene Brown living on the California-Oregon border and Mr. and Mrs. Halbert Tarvin of San Diego, California, all former Mobeetie School Students, came the farthest distance to attend this reunion and picnic. The Rev. Lewis Ellis, pastor of the Hedley Baptist Church, former minister of the Mobeetie Baptist Church, led the large crowd in the Prayer of Thanks for the noon day meal.

Larry Johnston was elected president of the Picnic and Reunion Association for 1977, with Steve Corde being elected as vice-president and Bill Ridgway as Sect-Treasurer. All of the young men are natives of Mobeetie.

MOBEETIE LITTLE THEATRE CLOSSES SUCCESSFUL SEASON

The Mobeetie Little Theatre closed a successful season of

performances Monday evening, September 8, playing to a capacity attendance.

Field Day Planned At Halfway

HALFWAY—Cotton, corn, sorghum and sunflower research are featured attractions for this year's field day of the Texas Agricultural Experiment Station at Halfway. The premier event begins at 1:00 p.m., Sept. 14, at the research site 14 miles west of Plainview on Hwy. 70.

According to County Extension Agent Don King, field tours will be conducted throughout the afternoon with special presentations planned on irrigation, variety evaluations, weed control and insect pest management.

The Texas Agricultural Experiment Station at Lubbock is co-hosting the event, says King. In past years, the Lubbock and Halfway stations held separate field days but will begin this year alternating as hosts. This means the field day this year will be at Halfway and next year (1977) it will be in Lubbock.

Cooperators are the Texas Agricultural Extensions Service, High Plains Research Foundations, Agricultural Research Service—USDA and the National Weather Service.

A large machinery display featuring latest farm implements available will be a part of the field day activities, says King. Guests will be able to take tractor-drawn trailer tours of the 320-acre research site to closely preview latest developments in crop production. During the six featured stops of the tours, Experiment Station scientists and Extension Service specialists will present brief summaries of research highlights and will answer questions.

The six tour stops include a comprehensive review of cotton variety studies, soil fertility, corn irrigation, modified pivot irrigation systems, insect pest management in sorghum and corn, weed control and other research highlights of particular interest to High Plains agriculturists.

Kings says that an irrigation well capable of pumping 1300 gallons of water per minute of clear sand-free water will be of particular interest to field day-goers. The well, recently completed, triples the output of two other irrigation wells at the same location and features new innovations in well drilling.

The field day marks the 67th consecutive year for the Texas Agricultural Experiment Station on the South Plains.

By David Britt

Power football and defense has returned to Wheeler and with it the county championship as the Wheeler Mustangs used these ingredients to whitewash the Shamrock Irish 7-0 last Friday night before a standing room only throng on Nicholson Field.

The bruising battle between the two old rivals saw each team make goal-line stands in the first half that left the teams scoreless after two quarters but it didn't take the Mustangs long to break the goose eggs in the third period.

Forcing the Irish to punt on their first possession in the second half, the Mustangs covered the 60 yards to paydirt in just three plays.

Don Brown, who was named Class B player of the week by the Amarillo Daily News, put the drive in motion with an 11 yard blast at right tackle and came back to the other side on second down for 8 more to the Irish 41.

Taking a pitch on what appeared to be a sweep, Brown cocked his arm about the 47 and let fly with the pigskin and the well covered Dell Ford, Mustang split receiver, made a great catch inside the Irish 10 and covered the remaining yards in a few strides to give the Mustangs a 6-0 lead that was upped to 7 with Jim Verden's perfect kick at 8:24 in the third quarter.

This was the cushion the Mustangs needed as they proceeded to completely shut down the Irish offense the rest of the

way. In fact, so tough was the Mustangs defense in the last two quarters the Irish could muster only 10 yards total offense and 1 first down.

The touchdown gave the Mustangs their winning margin but the second series of the game probably had as much to do with the victory as anything.

The Irish kicked off to the black clad Mustangs to begin the game and forced them to kick and got the ball at the Shamrock 29.

Jackie Thompson broke loose at the Mustangs left side and was finally hauled down from behind by Brown at the Mustang 7 yard line where the Irish had first and goal after their first play from scrimmage.

Steven Stokes got 2 before

Bobby Guthrie, Tim Patterson, and Brown slammed him down. The Irish called on Thompson for two trips into the Mustang defense but he couldn't muster but 4 yards and the Irish faced fourth down at the Wheeler 1.

Randy Copeland took a pitch-out and attempted to skirt his left end but Ford was not fooled and dropped Copeland for a four yard loss back to the 5 where the Mustangs took over.

The Mustangs had their backs to the wall and had put down the best the Irish could throw at them.

Twice in the first half the

Mustangs penetrated the Irish 10 yard line but both times the Irish returned the favor and held.

Wheeler drove from the Mustang 41 to the Irish 7 on the strong running of Brown and sophomore fullback Marvin Grimes but the Irish downed quarterback Guthrie for a 4 yard loss at the 11 to stop the first Mustang threat.

The Mustangs second scoring opportunity of the first half came when Brown recovered a fumble by Copeland at the Irish 20.

Grimes picked up 4 at left guard and the Mustangs then

Emergency Care Attendant 24-Hour Course Offered

Wheeler citizens interested in learning how to care for heart attack and accident victims will be given the opportunity to learn with the beginning of a 24-hour Emergency Care Attendant course to be offered in Wheeler.

The classes will begin Monday evening, September 13 in the School Cafeteria. Each class will be held on Monday evening beginning at 7:00. The length of the classes will be decided at the meeting Monday evening.

Mrs. Myrtle Lane Is Buried Sept. 4

Mrs. Myrtle Paralee Lane, 79, died Thursday, September 2, 1976.

Services were held at 3:00 p.m. Saturday, September 4, 1976 in the First Baptist Church with Reverend David Campbell, pastor, officiating. Burial was in Mobeetie Cemetery by Wright Funeral Home.

Mrs. Lane was born in Parker County and had lived in Wheeler County for the past 70 years. She married B. R. Lane in 1916 at Wheeler. She was a member of the First Baptist Church and Eastern Star.

Survivors include three sons Robert of Wheeler, Henry of Saint Thomas, N. D., and Glynn of Amarillo; one brother, Earl Meadows of Shamrock; four sisters, Mrs. Paul Shumate of Wheeler, Mrs. Earl Davis of Lubbock, Mrs. Walter Noel of Hutchinson, Minn., and Mrs. Lilly Ford of Santa Paula, California; six grandchildren and one great-grandchild.

The adults will be taught bandaging, splinting and CPR with the only cost being that of purchasing books—as estimated \$10. The course is being offered by the Wheeler County Ambulance Service, and being sponsored by Wheeler County. David Farmer of Amarillo will be the instructor.

The purpose of the course is to train more individuals to help with the operation of the Wheeler County Ambulances. If you wish to take the course, you will not be required to help with the Ambulance. It is simply good training for an individual.

An estimated 22 students have expressed an interest in taking the course and there is room for several more students.

Punt, Pass & Kick Competition Set

Local youngsters will be "dusting off" their footgalls and loosening up their throwing arm soon for the 1976 Punt, Pass and Kick competition.

This year the local level of PP&K will be sponsored by Pete Burton Ford.

Nationally PP&K is celebrating its 16th anniversary. It is sponsored by the Ford Dealers of America in cooperation with the National Football League. Since it was started in 1961, the program has attracted more than 12 million youngsters—and participation this year is expected to top the 1,200,000 mark.

Participants in the Punt, Pass & Kick program compete only against others their own age. Any youngster 8 through 13 years of age, accompanied by a parent or guardian, may register to compete in PP&K at any participating Ford Dealer. There is no entrance fee and no body contact during competition. No special equipment is needed and participation does not impair a youngster's amateur standing.

Scoring is based on accuracy and range with one point added for every foot of punting, passing and kicking distance, and a point subtracted for every foot off a center line.

Twelve national finalists will compete for the National Championships in their age group during the halftime of an NFL Divisional playoff game in December. Winners will have their names permanently inscribed in the Pro Football Hall of Fame in Canton, Ohio. Their trophies will be presented by Football Commissioner Pete Rozelle.

Wheeler Library Remodeling Fund

The Wheeler Library Remodeling Fund has reached \$2605.00. It is nearing the amount needed to complete the first stage of renovating Nicholson Hospital building. If an additional \$1000.00 can be raised, we can proceed immediately to pour the floor, complete the wiring, purchase the heating system, and complete basic repairs to the interior of the building.

We would appreciate any amount you would care to donate. This library services North Wheeler County and we want everyone to be a part of it. Let's push that thermometer over the top. Deposit what you can at the Wheeler First National Bank in our special "Wheeler Library Remodeling Fund" account.

We want to thank those making recent donations: Rolling Plains Feed Service Inc., The McIlhany Family, Mr. and Mrs. C. G. Hefley, Gaddy Vise, Mr. and Mrs. Farmer Hefley, and Mr. and Mrs. Clay Walser.

Others previously contributing were: Wheeler First National Bank, Mr. and T. M. Britt, Mr. Ben Trout, Miss Esther Sorensen, Wheeler Dealer Home Demonstration Club, Mr. and Mrs. F. H. Davidson, Mrs. Mary Whitener, Mrs. Mary Tinsterver, Mrs. Harry Wofford, Mrs. Vida Brown, Mr. and Mrs. Richard Brown, Mr. and Mrs. L. H. Davidson, Mrs. Grace Porter, Mr. and Mrs. George Weems, and Mr. and Mrs. David Britt.

MUSTANGS AND PANTHERS OPEN DISTRICT PLAY FRI.

The Wheeler Mustangs and the Follett Panthers get the 1976 District 1-B football championship race underway Friday night at Nicholson Field and the Mustangs won't face many tougher foes than the Panthers.

Winners of the state championship will be the Mustangs.

Prior to the game with Follett Friday night in Wheeler, the Junior Class will hold a Salad Supper. The meal will be served from 5:30 until 7:00 in the evening. Charges for the meal will be \$2 for adults and \$1 for children under 12.

The tables will be spread in the school cafeteria with a large selection of salads and desserts being offered.

Rites Read For Stella Williams

Mrs. Stella Williams, 78, were Wednesday, September 8, 1976, at 2:00 p.m. in Richerson Funeral Chapel with the Rev. Jim Scott, pastor of the First Baptist Church, officiating. Burial was in the Shamrock Cemetery.

Mrs. Williams died Monday. She was a native of Fairlie, and moved to Wheeler County in 1905. She married Abe Williams in 1914 in Wheeler County. He died in 1957. She was a member of First Baptist Church.

Survivors include one daughter, two brothers and one grandson.

Donald Clemens Services Today

Donald N. Clemens, 53, died September 7, 1976.

Services will be September 9, 1976, in the First Methodist Church with Rev. Ernest McGaughey, pastor, officiating. Burial will be in Kelton Cemetery by Wright Funeral Home.

Mr. Clemens was born in Newcastle and had lived in Wheeler since 1973, moving here from Quannah where he had lived for 10 years. He was a linesman for Public Utility Co., and a member of Church of Christ.

Survivors include two sons, Jerry of Quannah and Donald Lynn of Carrollton; four sisters, Mrs. D. W. Tillman of San Antonio, Mrs. Edna Manning of Texarkana, Mrs. Vena Richardson of Wheeler and Mrs. Yvonne Adams of Saint Louis, Mo.; two brothers, Tillman of Pampa and J. R. of Seminole; and two grandchildren.

BROOM SALE

The Wheeler Lions Club will sponsor their annual Broom Sale Friday, September 17. The truck will arrive in the morning and the items, brooms, mops, welcome mats and various other items, will be displayed for the customers selection.

The sale is sponsored each year by the local organization with the funds this year being earmarked for Glasses for Needy and Girlstown.

Here is your opportunity to purchase that new broom and mop you have been needing.

ionship in eight man football in 1974 and runners-up last season, the Panthers hve the winning tradition and the move into 11 man football should prove not too great an obstacle.

The Panthers use the Denver City T on offense and their 190 lb. fullback, Colin Kelly, is one of the better backs that the Mustangs will face this year.

Depth is one of the problems facing the Panthers but they have quality people in their starting positions and the Mustang coaches think that the Panthers are on an equal with Shamrock, whom the Mustangs defeated 7-0 last week.

The Mustangs came out of the Shamrock battle with no injuries and should be in top condition for this first district encounter.

"It was great to beat Shamrock last week but that one is behind us and we have to concentrate on beating Follett this week and that won't be an easy chore", Coach Preston Smith said this week. "We need to win this one to give us some momentum for the rest of the district race," the head coach of the Mustangs added.

Beauty Pageant Planned Sept. 25

Our 3rd Annual Miss North Wheeler Co. Pageant is to be held September 25 at 7:30 in the School Auditorium. Any sponsors interested contact a girl 14 to 18 years old and call 826-3165, 826-5249, 826-5905. Entry fee is \$15.00. We need a picture any size and a resume. We would appreciate the business support. This includes Mobeetie, Allison, Briscoe, and Wheeler.

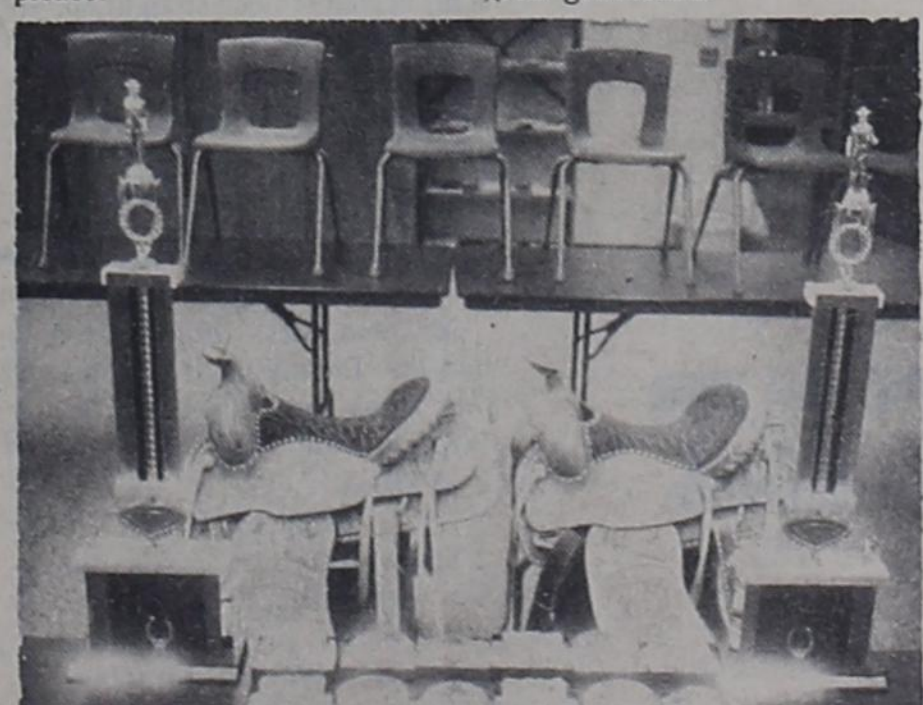

Sponsors: Production Credit Association—Cindy Davis; Wheeler Flower Shop—Misty Muse; Mobeetie Little Theater—Kathleen Selby.

Awards that will be given are: Miss North Wheeler Co.—\$100.00; 1st Runner-up—\$75.00; 2nd Runner-up—\$50.00; Miss Congeniality—\$25.00.

She will also be entered in Miss Irish Rose, and Miss Wheat Heart.

The following girls have been sponsored to be in the Miss Wheeler County Beauty Contest: Tina Ford—Wheeler Fire Dept., Kerri Hefley—Shamrock Products, Lynette Gaines—Wheeler County Produce, Elisha Burrell—Kelton Gen Inc., Lisa Weatherly—Hylands Pharmacy, Darla Moore—Sparlin's Restaurant, Terri Collins—Baker Automotive, Barbara Kreyling—A. & K Welding, Cindy Davis—P. C. A. Office, Misty Muse—Wheeler Flower Shop, Kathlene Selby—Mobeetie Little Theatre, Deep Cooper—Beef Cattle Co., Sharon Helton—Pritchards Gro., Shannon Batton—Koshare Shop, Brenda Wallace—Dot Shop, Cindy Christner—West Motel, Ann McIlhany—Kiwans, Karen Helton—Wheeler Veterinary Clinic, and Cathi Stas—The Wheeler Times.

All sponsors send their \$15.00 entry fee to Mrs. Charles Crockkett, Rt. 1, Wheeler, Texas.

The Wheeler Rodeo Club has received their buckles, trophies, and saddles for their High School Rodeo. Buckles will be given for the 1st, 2nd, and 3rd places. Saddles will be given to the All-Around Boy and Girl. And the trophies will be given to the

high point team. All help will be appreciated. And we would appreciate donations for our buckles, saddles, and trophies. If you are interested in helping with our Rodeo please contact Mr. Wayne Bullock.

by Cindy Davis

LINES FROM LINDA

Linda Horton - Asst. CEA

Tired of hot, messy kitchens these steamy summer days? Try cooking outdoors—a popular way of life in Texas.

An outdoor meal is an easy way to entertain with minimum preparation and clean-up. Also, many charcoal grills require no electricity or gas, so they're a real energy-saver on the monthly utility bill.

An entire meal may be planned for cooking outside. Plan meals with adequate nutrition by including foods from the Basic Four Food Groups.

Meal service should be simple and easy, such as buffet style. It's easy to arrange for small or large groups, and plastic utensils and cups, paper dishes and napkins make easy clean-up.

Assemble as much of the meal indoors as possible. Keep cold and perishable foods refrigerated until they are ready to eat or cook. Foods prepared in advance and left outside can be infested with organisms which multiply quickly and do not affect food taste, smell or appearance. Foodborne disease is possible when food is handled too much, improperly cooked or left exposed for several hours outside.

For more information and recipes for outdoor cooking, send 25 cents and your request for B-1069, "Outdoor Cooking" to the Department of Agricultural Communications, College Station, Texas 77843, or get a self mailer from your local county Extension agent. Here are a few recipes from this publication:

ROASTED CORN—INDIAN STYLE

Pull back husks and remove silks. Replace husks and tie ends with string. Soak in cold water to prevent excessive browning. Place ears on grill; roast 15 to 20 minutes, turning frequently until husks are dry and browned.

FLOOD HAS CHANGED THE LIFE OF DAVE AND LINDA CONNER

This item of the devastation flood at Loveland, Colorado was handed to me by Mr. and Mrs. C. C. Dyson of Mobeetie. Mr. Dyson is a brother of Mrs. Helen Dyson Conner a long time resident of Mobeetie and mother of Dave Conner. After visiting with his nephew Mr. Dyson said this account of the flood only skimmed the edges of what actually happened.

W. B. FLOOD HAS CHANGED THE LIFE OF DAVE AND LINDA CONNER

Sleep. The blessed daily refresher eluded Dave in the first days following the flood.

Tossing and turning, he relived the terror of rain-swollen waters which ripped through the Big Thompson Canyon, west of Loveland, July 31, killing at least 90 people. When his eyes finally closed in exhaustion, his mother found him restlessly flailing his arms in fitful sleep.

"It's pretty hard to forget," relates Dave Conner. "Things will surely get back to normal, but our lives have been changed. I'm closer to God, and I'll never let go of that."

Dave and Linda Conner live west of Loveland near the mouth of the Big Thompson Canyon. Amidst rumors of more flooding

Sunday afternoon, they had retreated to his parents home in Denver, taking their children, Tim and Laurie. They've since returned to their home but memories will linger, some forever.

So Dark

"It was so dark," remembers Dave. "That was what was so terrifying. You could not see, and when you hear trees being torn apart and sheds being torn apart, it was terrible."

As the waters raged, the Conners' neighbor to the south, 27-year-old Greg Adams, was marooned in his pasture and then swept away. His body was later recovered about a mile down the river.

News of Adam's death reported he lost his life trying to save his hogs, but Dave says there's much more to the story.

The night of terror began when Dave's wife, Linda, awakened him because "something really weird" was going on outside their home.

Seeing cars with flashing red lights, they went outside to investigate. Linda saw someone walking along the fence with a flashlight. It was Greg Adams.

Shook Up

"He was tying his horse up to the fence on high ground," said Dave, "and he was fairly well shook up. He had gotten the story wrong a couple times. He heard them say to get the vehicles off the highway, so he couldn't understand what it was. So he parked all three of his vehicles down in the valley. Then he heard it's high water, and so he pulled his vehicles out of the valley, parked them on top, got his horse and brought it up, and that's where I met him."

As the two men visited they began to hear "this sound, this tremendous, awesome sound." "So we walked down the pasture. The river was within its banks, and we walked along the river for a little ways, looking for his cows and just checking it out, and the next thing you know there's propane bottles floating down the river, those 300-gallon jobs. We were marveling at fast the river was rising because it was out of its banks 3-4 feet in just nothing flat."

Climbing onto a 6-8 ft control dike, they "figured we're safe" as they watched cattle inundated by the water. Looking back to the dike, they noticed water had crossed the dike.

Ran For Lives

"We ran for our lives out of that pasture as fast as we could run, and I really didn't realize," said Dave, "how close it was behind us."

Both men returned to their homes. "Linda and I prayed here in the livingroom just for a second, you know, because I could hear trees popping and things happening." By the time he retrieved a lantern from the basement and went outside again, the water was "eight feet deep, and there were big objects floating by—like trailer houses."

As Dave was loading his family in the car to flee, he said he could hear Adams and his son, Rusty, yelling for help. They had returned in an effort to save some piglets.

"I could hear my neighbors, the man and his boy, screaming down below, just yelling 'God' and 'help us' and 'Dave,'" calling my name because I had been with them. I was really torn about just what to do, you know, and I decided my family's first." Driving onto the highway, he told a sheriff's deputy "there's some fellas down there need some help, and they said they knew it but to evacuate."

Once his family was safe on higher ground, Dave returned by foot.

Hear Screaming

"I walked into our place from up above, and I just couldn't believe it when I got up on the hill. I could still hear screaming for me, and the hair on the back of my head stood straight up. All I could do is just talk to them. I couldn't see them out there, and they'd scream for me to help them but all I could do is ask 'the Man' who could, and I prayed for them for about, oh, a couple

TEXAS BARBECUE SAUCE

1/4 cup sugar
1/2 cup Worcestershire sauce
2 tablespoons prepared mustard
1 1/2 cups vinegar
1 cup catsup or tomato paste
2 teaspoons salt
2 teaspoons paprika
1/4 teaspoon pepper
2 cloves garlic, peeled and minced
2 medium onions, chopped finely
Combine ingredients and cook slowly for 30 minutes. Yield: 3 cups.

TOMATOES AND ONIONS

Cut medium-sized, firm tomatoes in half crosswise; season with salt and pepper. Place a thin slice of onion between the halves. Fasten with a toothpick and wrap each tomato in a square of heavy aluminum foil. Bake at edge of grill 15 to 20 minutes.

GARLIC BREAD

1 Loaf unsliced French bread
10-12 inches long
1/4 teaspoon garlic powder
1/2 cup margarine or butter, melted
1 teaspoon paprika
Slice bread in one-inch thick slices, cutting within one-fourth inch from the bottom of the loaf. Add garlic powder and paprika to margarine or butter and blend well. Spread between slices and overtop of bread. Wrap in foil and heat on back of grill.

THIS SIGN STOPS LOST HEAT at the edge of town

When it comes to heating bills, Lost Heat is the villain. You can stop him... with the Energy Efficient Home. If you're thinking of buying or building a new home, look for the sign that says "Energy Efficient Home". Because the Energy Efficient Home is designed for greater heat-saving, energy-saving efficiency, you can stop Lost Heat and save money. So be sure to look for the sign, or call The Electric Company and get all the information on the Energy Efficient Home.

Light colored or reflective outer clothing should be worn at night by pedestrians and bicyclists. Visibility by an auto driver is more limited than most pedestrians realize. The headlight beam is aimed low - its range is short, especially in a fast moving car. At night an auto driver is often upon a dark-clothed pedestrian before he can swerve or stop. The auto lights may seem very bright to the pedestrian, yet he is unseen by the driver. Bicycles should have reflective tape and also be well lighted.

Newspaper Name Chosen By Class

The Creative Writing Class submitted titles for the name of the paper in class. We voted and chose "The Black and Gold Gazette". The title was submitted by Kevin Rarden.
Denise Westmoreland

Senior Personality . . .

Miss Janice Marie Albright was born July 6, 1959 in Shamrock, Texas. She is the seven-year-old daughter of Jim and Illena Albright. Before moving to Wheeler, Janice attended school at Allison. She played basketball and ran track in the sixth grade. During the seventh grade, she moved to Wheeler where she participated in seventh grade basketball. In

JANICE ALBRIGHT

the eighth grade she also sang in the choir.

Janice was in F.H.A. all her years in High School. Her Junior year, she was President of the Junior F.H.A. class. She was in Pep Club for three years. Her Senior year, Janice is secretary and Treasurer of the Pep Club. Janice enjoys creative writing in the school newspaper.

Janice's hobbies include sewing, cooking, embroidery work, and reading. Along with cooking, she enjoys her favorite Mexican food. She might enjoy doing one of these while watching her favorite movie, "ROSEMARY'S Baby", or she might enjoy reading her favorite book, "The Flame and the Flower". While listening to her favorite music radio station, she might hear her favorite song, which is "Afternoon Delight".

Janice's favorite T.V. show is "Welcome Back Kotter". Of course it would probably be better if her favorite male and female movie star were in it, David Soul and Penny Marshall. Two of Janice's pet pees is Pep Club members not coming to games and not coming to make posters.

Janice's future plans are to graduate and move to Amarillo to work and live.

By: Marla Lax

IRISH FALL TO MUSTANGS

The first football game of the season was held at Nicholson Field Friday September 3, 1976 at 8:00 p.m. The Wheeler Mustangs battled their old rivals the Shamrock Irish.

Wheeler received the kick off from Shamrock. During the first half the Mustangs and the Irish held their ground. The Irish stood at half-time Wheeler—0, Shamrock—0.

The half-time performances of the Wheeler and Shamrock bands were enjoyed by all the fans. Mr. Tracy, the Wheeler band director, did a wonderful job with the band. They did a fabulous job in leading the players and fans in music.

We are proud to say there was tremendous turnout of fans will both Wheeler and Shamrock. We hope the Mustang fans will continue to come and support their football team.

During the second half Wheeler recovered a fumble that was made by Shamrock. With eight minutes and twenty-four seconds remaining in the third quarter Mustang fighter, Dell Ford No. 32 made a touchdown for Wheeler. No. 74 Jim Verden kicked for the extra point. The score then stood 7-0.

In the last quarter Don Brown No. 11 intercepted a pass on the fifty yard line. The ball remained in the hands of the Mustangs for the rest of the game.

An Irish, Mike Caldwell, re-

ceived an injury during the fourth quarter. He was fortunate that the injury was not serious and he was able to walk off the field.

The twenty-four Mustang players did a fantastic job. I am sure all Wheeler is proud of them. Just Keep up the good work Mustangs!

Due to the fine work of head coach, Preston Smith and the assistant coaches Bill Wiggins, Jim Hester, Richard Gaines, and Phil Lago, the Mustangs have a great team.

Again we would like to encourage the Mustang fans to come and watch us go all the way to victory!

Reporting: Carla Schaffer and Janice Albright

INTERVIEW THE COACH

Wheeler Should Be In Running for 1-B Title

Wheeler should definitely be in the running for the district 1-B championship in football, according to Coach Smith.

There are presently 24 boys participating in the football program, and Coach Smith is expecting to have a newcomer on Tuesday bring the total to 25 boys.

Coach Smith was pleased with the two scrimmages (White Deer and Wellington) in that he felt

the boys had accomplished many of their goals. In the head mentor's words, they had "gotten something done."

In regard to the progression of the Mustangs since two-a-day workouts, Coach Smith felt that the boys had gotten more done and had better workouts after two-a-day practices.

In answer to what sort of overall program he is planning, Coach Smith said, "We want to get as many people as possible involved, and still have a quality program. We'll work hard, and by doing this establish a quality, winning program."

Fact or Fiction

Immediately following the scrimmage on August 20 with White Deer, a dance was held in the American Legion Hall. Playing the records was C. C. Crow of Amarillo. There was three contests that night the Freeze Contest—won by Cindy Christner and Kevin Rarden. Musical Chairs won by Georgeann Millet and Buddy Whitley. Everyone enjoyed the dance very much and it was a great success financially.

Jeff Davis and Greg Christner received knee injuries in practice which is keeping them from participating in the games this year. Jeff Davis has had knee surgery in Amarillo. Kevin Lasley broke both his wrist summer while hauling hay for Harold Loyd Lee.

Don Brown and Coach Smith made a short trip to Amarillo Friday August 27 to check on Don's head injury, which he received during work outs. Luckily there were no injuries. Seems Dell Ford and Don Brown keep hitting heads.

Among the new car set are: Ricky Markham, Steve Eary, Don Brown, Mrs. Rogers, Kevin Lasley, Bobby Guthrie, and Dell Ford.

Curtis Ryan (Okie) backed into Gary Ware's car and caused \$75 worth of physical damage and \$500 worth of mental damage.

Rose Jones had a minor car accident in Shamrock August 28. No one was seriously injured, just shook.

Darla Moore a Senior Cheerleader had a little embarrassing accident Saturday night at Wellington. She adlibbed a fall into one of her yells.

Ronal Stas is in the hospital due to an asthma attack Saturday evening.

How Do You Feel About The Game?

Jim: "I felt pretty good after it was over. I felt we did a pretty good job. They didn't have as good as a team as we thought they did. I thought we looked good, everyone was ready for them."

Darrell: "Well, I thought it was a good game. Everyone seemed to know their jobs, who to block. The backs were good as choosing roles. A good team effort."

Don Brown: (The Class B player of the week. He had 29 rushes for 131 yards.) "I enjoyed the game, because I wanted to beat Shamrock. Mainly because I knew them all. I felt I owed them something. That was the game I received my concussion in last year. We're going to get Follet the same way or worse."

Tony: "I think we won on our physical conditioning, because Shamrock gave out the fourth quarter. I think if we continue to improve, there will be no doubt we will win the district title."

Coach Wiggins: (Line Coach) "The kids gave a good effort and we are real proud of them. Seamed as though they worked as a unit. A very good ball game as a whole."

JUNIOR HIGH

Cheerleaders Elected

The Junior High Cheerleaders were elected Friday, September 3rd. The people who were elected were Rhonda Hogue, Rhonda Weatherly, Missy Wiggins, Melody Lee and Tanya Rarden Head Cheerleader. The alternates for Junior High are Elise Christner, Lisa Dodd, and Marla Pond.

by Terrie Collins

Birthdays Of The Week

Coach Smith had a Birthday last Friday September 3. What a great gift the boys gave, hey Coach! Hope you had a wonderful birthday.

Phillip McWhorter had a birthday August 20. That day Wheeler enrolled for school. What a way to celebrate a birthday!

Wishing Darrell and Lenette Gaines a Happy Birthday Sunday. Brother and sister were born on the same day just three years apart.

Dell Ford had a birthday August 18. How did you and Darla celebrate, Dell?

by Carla Schaffer

Twirling Camp

The 1976-77 Mustang Band Twirlers attended a twirling camp this summer in Canyon. It was on the campus of West Texas State University from July 4-9, 1976. The twirlers are Cindy Christner (Sr.—head), Tina Collins (Fr.), and Barbara Dreyling (Fr.).

They learned several new routines and how to put routines together. They also participated in contests in modeling and marching.

by Rose Jones

FOOTBALL RIBBONS

The Junior Class is selling football ribbons every week.

MUSTANG T-SHIRTS

Seniors are selling Mustang T-shirts. The shirts are gold with black lettering and emblem. The shirts are available in sizes 6-42XL. The price for the shirt is \$4.00.

The problems of the world have become so complex even the students don't have the answer.

OPENING ASSEMBLY

School began August twenty-third, with the traditional assembly beginning the excitement and confusion of a new schedule.

The assembly began with a welcoming speech from the student council President, Darrell Gaines. He "kicked" off the year with a good luck wish to all. Mr. Smith was then introduced.

Open House Honors Teachers

Open house was held Tuesday night, August 24, at 7:30 in Wheeler school.

The program began in the auditorium. An introduction of the High School and Elementary School faculty was given by Mr. Wills, the high school principal, and Mr. Helton, the grade school principal.

After the welcoming, the parents were dismissed to acquaint themselves with the teachers and the agenda of the classes.

Afterwards, a fellowship of refreshments was held for all in the cafeteria. A good time was had by all who participated.

Overheard: "These days being told someone thinks the world of you is no compliment." My car's early value In dollar and cents Has pretty much dwindled To hollers and dents.

Rebuked by her mother for having been cross and ill-tempered, the teen-aged daughter reported, "How come when its me it's temper, and when it's you, it's nerves?"

How fast children grow: You're no sooner finished sitting up with them, you're sitting up for them.

A shin is a device for finding furniture in the dark.

GIRLS Basketball Program

The girls basketball program is proud to have with us this year a new basketball coach, Mr. Jim Hester.

Coach Hester is very enthusiastic and has a very well planned program for the 76-77 season. The program consists of hand drills, shooting and different types of conditioning. Workouts will begin at 7:30 a.m. on October 15 and also during the school day. The girls first game is November 18th against Memphis.

by Denise Westmoreland

Thank You, Senior Mothers

Due to the fine help of the Senior's mothers we had a wonderful Senior Supper. The Senior Class made approximately the sum of \$200.00. Thank you very much, mothers.

Seniors and Sponsors

The Pep Club will be selling football programs at the gate.

CONCESSION HAS BEEN REMODELED

The concession stand located at Nicholson Field has been enlarged and the addition of restrooms has been made for the convenience of the fans. The enlargement of the concession stand will certainly be appreciated by one and all.

"Oldies" On Display

The annual staff have pictures of people back from the 50's and 60's. They will box them and put them in the High School Library. If you wish to come and look through them you may. Also if you find any you want you have them free of cost.

Church margue reads: "The early bird gets the back seat." Behold the turtle. He makes progress only when he sticks his neck out.

Overheard: "I didn't say he was brainless; I only said there was a lot of space going to waste in his head."

New Equipment For P.E. Classes

The Wheeler School has acquired several pieces of equipment for Physical Education. The school has had constructed three artificial turf tennis courts. Along with the new courts, several tennis rackets and balls were purchased. Another sport to be enjoyed by the Wheeler student body is golf. Three sets of golf clubs and golf balls were purchased for use. A final sport newly acquired is scoop ball. Scoop Ball is a form of Lacrosse. The students are really excited about the new equipment. They greatly appreciate those instrumental in acquiring these materials.

By: Kevin Rarden

Colt Capers

This year is going to be a very exciting year in Wheeler Junior High School. We have four new teachers, Mrs. Lasley, Mr. Lago, Mrs. Hardcastle, and Mr. Hester.

The Junior High Football Team is shaping up real good where Coach Ganes and Coach Lago are coaching the Colts this year.

We are expecting a great team this year. The first game will be September 28 against Claude, here at Wheeler. There will be six ball games this year.

This year school is going to be different for all, but I fell everyone will enjoy it.

by Gary Brotherton

Seniors Sell Tapes, Records, Magaz.

The Wheeler High Senior Class has been selling magazines, tapes and records this past week. Also the Seniors are waiting anxiously for the arrival of their Mustang T-Shirts. They will be on sale as soon as they some in at the cost of \$4.50.

First 1976-77 Pep Rally September 3

The first Pep Rally was held for the Wheeler Mustangs in the High School Gymnasium on September 3, 1976, at 3:15.

The Wheeler High School Cheerleaders for 1976-77 year are Anne McIlhany (Sr.) Darla Moore (Sr.), Terrie Collins (Jr.), Terrie Raden (Soph.), Misty Muse (Fresh.), Cindy Davis (Sr.), Head Cheerleader.

The football boys and coaches came out of the dressing room as the Band played the fight song.

A spirit speech was given by Darrell Gaines Senior Mustang. Then Coach Smith gave a speech on how hard the Mustangs have been working and that he is looking forward to a great season.

During the Pep Rally the Mustang Band played "Overture From Tommy" and the twirlers did a great routine to the song.

Mr. James Verden was representing the Booster Club and he showed the Student Body and Mustang Fans the jackets and caps that will have Wheeler Mustangs on them. Everyone who would be interested in supporting the Mustangs by buying a jacket or cap contact Mr. Verden or one of the Booster Club members.

The Pep Rally ended with the singing of the Alma mater and the Fight Song.

STUDENT ATTITUDE UP

The general attitude of the students was good on the first day of school. The day began with an assembly. The assembly was full of surprises and excitement. An excellent way to begin the school year.

The students were glad to be back in school. Most of them were anxious to meet new and old friends. They were also glad to be doing something instead of nothing, all day long. They welcomed summer, but they became bored towards the end and were glad to be back in the classroom, even though it means worrying about tests and being late. They are anxious for the challenges of the new school year.

The students were satisfied with the schedule, although it was a big change from last year. There are many excellent courses offered this year, including the courses in which the school paper is being written. Nearly every student received the courses they wanted. The student body was anxious to meet the new teachers and some of the old teachers may not have been as anxious to meet the old and new students.

The students are fortunate in having an excellent staff of teachers. There are several new teachers who are very good as are the old teachers.

After the students became accustomed to the times of their classes, the first week went smoothly. The students were glad to be facing new challenges and learning everything they can. The teachers met all of the students and then began the onslaught of homework. Some students welcomed it and others did not, but the work was completed anyway.

This will be a good school year for everyone if the first week is to be any indication. For all the players, students and teachers this was an exciting week.

Greg Christner

High School Rodeo Dates

The Wheeler Rodeo Club has set a date for their High School Rodeo. It will be October 2 and 3, 1976. The performances will be Saturday afternoon at 2:00, Saturday night at 8:00, and Sunday afternoon at 2:00.

TODAY'S CHRISTIAN

When Peter and John preached the resurrection of the dead, they were arrested and put in prison. The next day they were tried by the Jewish council. Finding nothing with which they could condemn them, the council told them to go, charging them "not to speak at all nor teach in the name of Jesus."

Peter and John were men of conviction. So they said, "Whether it is right in the sight of God to hearken unto God, judge ye; for we cannot but speak the things which we saw and heard." It would have been convenient for Peter and John to have agreed to the command of the Jewish council and to have risked no further punishment, but the voice of conviction and conscience would not permit that.

There is great need today for Christians to have strong convictions and to live by them. These convictions must be based upon the Word of God. They should not be founded upon circumstances, thus becoming a matter of "situation ethics."

Paul wrote, "Whereas ye were servants of sin, ye became obedient from the heart to the pattern of teaching whereunto ye were delivered." There is a pattern of instruction to be followed in becoming a Christian and in all areas of the Christian life. This pattern furnishes us "completely unto every good work."

A Princeton professor said: "If one does not stand for something, he will fall for anything." Again, Paul insisted that we are to be "No longer children, tossed to and fro and carried about by every wind of doctrine, by the slight of men, in craftiness, after the wiles of error. We are to "stand fast in the faith." It is easy to do the convenient thing. Voices, not echoes, are needed in the church today. Some church members are like a chameleon which changes its color according to its environment.

Henry Thoreau was put in prison because, for the sake of conscience, he refused to pay certain taxes. Emerson, a fellow townsman and close friend to Thoreau, visited him. Emerson asked: "Henry, why are you here?" Thoreau replied: "Ralph, why aren't you and all people of the town here?" Thoreau had a conviction which caused him to stand even if it meant imprisonment.

What should be the stance of the Christian in a world which seeks the minds of men? It must be one of conviction—not of convenience. The plea is heard for tolerance in religion. Let everyone believe as he wishes. Don't object to the beliefs of others.

Gibbon, the great historian of Roman history, in his monumental work, THE HISTORY OF THE DECLINE AND FALL OF THE ROMAN EMPIRE, lists "the intolerance of the early Christians" as one of the major reasons for the phenomenal spread of Christianity in the first centuries of the Christian era. There was only one way for these Christians. It was their conviction, not their convenience, that won multiplied thousands to Christ and his church.

A lesson should be learned from them. The church will lead the world to Christ only as its members hold strong convictions that lead them to live the Christian life and proclaim faithfully gospel. "We cannot but speak the things which we saw and heard."

NOTICE

THE STATE OF TEXAS
TO any Sheriff or any Constable within the State of Texas—GREETING:
You are hereby commanded to cause to be published once in a newspaper printed in Wheeler County, Texas, the accompanying citation of which, herein below following is a true copy.

CITATION BY PUBLICATION
THE STATE OF TEXAS
TO: JOE LAWRENCE GARNER, and to all who it may concern, Respondent,

YOU ARE HEREBY COMMANDED to appear and answer before the Honorable District Court 31st Judicial District, Wheeler County, Texas, at the Courthouse of said county in Wheeler, Texas, at or before 10 o'clock a.m. of the Monday next after the expiration of 20 days from the date of service of this citation, then and there to answer the petition of RHODA LOUISE GARNER, Petitioner, filed in said Court on the 15th day of June, 1976, against Joe Lawrence Garner, Respondent, and the said suit being number 7175 on the docket of said Court, and entitled "In the Matter of Marriage of Rhoda Louise Garner and Joe Lawrence Garner," the nature of which suit is a request to suit for divorce.

The Court has authority in this suit to enter any judgment or decree dissolving the marriage and providing for the division of property which will be binding on you.

Issued and given under my hand and seal of said Court at Wheeler, Texas, this 2nd day of September, 1976.

PUBLIC NOTICE

SUMMARY OF PROPOSED CONSTITUTIONAL AMENDMENTS
GENERAL ELECTION NOV. 2, 1976

NUMBER ONE ON THE BALLOT (S.J.R. 49)

Repealing Sections 49-d and 49-d-1 of Article III of the Texas Constitution, S.J.R. 49 amends Section 49-c of Article III of the Texas Constitution to provide for and authorize an additional \$400 million in Texas water development bonds that may be issued on approval of two-thirds of the members of each house of the Legislature for such water development purposes as the Legislature may prescribe.

The amendment contains a specific prohibition against the use of state funds for the development of water resources from the Mississippi River and also requires that before any single water development project may be undertaken requiring the expenditure of more than \$35 million in bond proceeds, it must be approved by resolution of the Legislature.

The amendment removes the constitutional requirement that certain revenues must be used to retire water development and water quality enhancement bonds and removes the constitutional interest rate limit on such bonds.

The wording of the proposed amendment as it will appear on the ballot is as follows:

NUMBER TWO ON THE BALLOT (H.J.R. 99)

H.J.R. 99 proposes an amendment to the Texas Constitution to increase from \$100 million to \$200 million the aggregate principle amount of Texas water development bonds which may be issued and outstanding by the Texas Water Development Board to provide grants and loans for water quality enhancement purposes as established by the Legislature.

The wording of the proposed amendment as it will appear on the ballot is as follows:

"A constitutional amendment to increase from \$100 million to \$200 million the amount of Texas Water Development Bonds that may be issued for water quality enhancement purposes."

REWARD \$250

OIL & GAS PRODUCING LEASES

We desire to purchase producing oil and gas wells. If you advise us the name and address of the owner and location of producing wells available for immediate sale, which we then purchase we will pay you a finder's fee of \$250 per well will be paid and only to the first party who contacts us regarding the oil and gas wells we purchase. This offer may be withdrawn at any time. All replies will be held confidential and the oil and gas property owner will not be advised the name of the finder. Please write or call Jerry Bunce, Wheeler Oil Company, Box 1526, Tulsa, Oklahoma 74101. Phone 918/627-2333.

Mobeetie News

by Mrs. Wilber Beck
 Mr. and Mrs. J. R. Patterson and Mrs. Tassie Leonard with the Patterson's daughter, Mrs. Layne Hogan and Janna of Pampa attended a special Sunday Worship Service in the Nazarene Church in Abernathy, to honor Mr. Patterson's and Mrs. Leonard's brother Mr. R. C. Patterson in more than fifty years of service in the ministry.

Recent word of Mrs. Lorena Sims of Tulsa, formerly of Mobeetie, is that she is improving each day from the serious illness she suffered recently.

Mrs. Joy Roberson of Clarendon was a guest last week in the home of her daughter and family Coach and Mrs. Sullivan, teachers in the Mobeetie school system.

Mr. and Mrs. Aubrey Greenhouse and her sister Mrs. Jack Gibson of Shamrock along with the lady's niece and nephew Mr. and Mrs. Darcey Hutchenson of

Wheeler enjoyed Monday sight seeing and watching the activities at Boys Ranch.

Weekend guests of Mr. and Mrs. Earl Whitten were Mr. and Mrs. Billy Whitten and family and friends, Jack and Butch Lester all of Amarillo. Monday afternoon Mr. and Mrs. Jimmy Johnston of Dumas visited with the Whittens.

Don Quarles is back at work following several days spent in

an Amarillo Hospital. Mrs. Donna Garst, & family of Amarillo spent the Labor Day weekend with her parents and brother Mr. and Mrs. Frank Risner and Bob Risner.

Mrs. Lorene Brown and Mrs. Nothera Box both of California visited Mr. and Mrs. Vincent Smith last week. They also visited Mrs. Wilber Beck, Saturday. Mrs. Brown and Mrs. Box are daughters of the late Mr. and Mrs. A. J. Brown.

Mr. and Mrs. Lester Pierce of Cheyenne, Oklahoma and Mr. and Mrs. Marvin Pierce of Wheeler visited their sister and family, Mr. and Mrs. J. B. Rector

and also attended the play "OLD MOBEETIE" Monday evening.

Thursday last week Mrs. Mary Brewer and her daughters Mrs. Doyle Grimes of Mobeetie, Mrs. Betty Talley of Miami, Mrs. Audrey Alexander of White Deer and Mr. and Mrs. Lynn Stevenson of Amarillo attend the service of Miss Penny Gibson great niece of the late Jeff Brewer. Recently Mrs. Brewer spent some time in White Deer visiting Mr. and Mrs. Earl Alexander and their daughter Mr. and Mrs. Richard Moore who will shortly be leaving for Sersladtern, Germany where she will be teaching in a school in that city. Mr. Moore will be working on special assignment, while they are there.

Mrs. Naomi Allen was dismissed from the Parkview Hospital in Wheeler, Monday morning.

Weekend guest of Mr. and Mrs. Eugene Gudgel and Ronald were three of their family, Mr. and Mrs. Gerald Gudgel and children of Oklahoma, Mr. and Mrs. Dale Benion and family of Midland and Mr. and Mrs. Garland Lancaster and family of Pampa.

Mr. and Mrs. J. H. Scribner of Plainview and Mrs. Jaunita Mathews of Amarillo, spent the weekend in Mobeetie, the scribes attending worship services at the Mobeetie United Methodist Church, morning and evening, staying to enjoy the Annual Old Settlers Reunion and Picnic on Monday.

Weekend guests of Mrs. Eula Johnson were her daughter and family Mr. and Mrs. Grady Watson, Sheryl and Daryl of Amarillo.

Mr. and Mrs. W. A. Leatherman attended to business in Pampa, Wednesday, last week.

Mrs. Jane Seitz was reported improving nicely in the Highland General Hospital in Pampa following major surgery, Friday morning.

Mrs. Mary Brewer and some of her family met her sister-in-law Mrs. Delpha Bailey and her family of Amarillo, in a Pampa Park Sunday afternoon for a short reunion and visit.

Mr. and Mrs. Orvel Brewer and son of Pampa visited Mrs. Brewer, Monday.

Mrs. Melba Burch visited her brother, Mr. and Mrs. Jerry Rector, Lynn, Stephen and Amy in Amarillo, Thursday.

Rev. and Mrs. L. V. Grace attended the funeral of the lady's nephew in Amarillo, Tuesday. The community of Mobeetie extended to Rev. and Mrs. Grace their deepest sympathy in their loss.

Wheeler HD Club Begins New Year

The Wheeler Dealers Home Demonstration Club met in the home of Rosemary Dodd on August 31, 1976. The first meeting since our summer vacation was called to order by the president—Rosemary Dodd. The FHDA purpose was read aloud for the opening exercise and also to refresh our minds as to what we want to accomplish through Home Demonstration Club. For the meeting the roll call was answered with "My Favorite Needlecraft". The members present were: Thesia Henry, Donna Moore, LaVonda Johnson, Peggy Comer, Gina Mendiola, Valetta Frankenberg, Patsy Schaffer, Rosemary Dodd, and Margaret Dorman.

We received a lovely thank-you from the high school girls for the mirrors and carpet that Home Demonstration Club and Beta Sigma Phi Sorority bought for their dressing room.

Everyone is getting ready for the State FHDA meeting which will be September 21st. The two voting delegates from here will be Nan McCloy and Rosemary Dodd.

We also voted to change our meeting time to 7:00 p.m. each 2nd and 4th Tuesday night in the hopes that those who work during the day can still attend the meetings. Patsy Schaffer will be the hostess for the next meeting which will be September 14th at 7:00.

The program was brought by two club members. LaVonda brought a crewel pillow top and a double knit quilt top that she is working on. Margaret also brought several things she is working on. They included needle point crewel embroidery, knitting, and a crocheted poncho.

The meeting was adjourned and refreshments were served to all.

CARD OF THANKS

The family to Mrs. Myrtle Lane wish to express our thanks to the pastor and members of the First Baptist Church, the Doctors and staff at Parkview Hospital and to the many other people for the kindness shown to us in our time of sorrow. Your thoughtfulness will always be remembered. May God bless each of you.

Bull Testing To Begin at P.S.U.

Oklahoma's pioneer beef bull test station at Panhandle State University, will begin the twenty-fourth year of testing when cattle are delivered to the test pens at Goodwell, Oklahoma on Saturday, September 11, 1976.

Area breeders and station personell early recognized the need for such a program whereby potential herd and range bulls could be checked for basic economically important traits such as growth rate as reflected through weaning weight, yearling weight, and feedlot gain. As these traits are reasonably highly hereditary, substantial and meaningful progress can be made by selecting for them. Beef cattle in the 5-state area have unquestionably benefited as a result of the program at Panhandle State University Breeder-organizers can take pride in the fact that eventually primary state agricultural leaders have become convinced as to the merits of the program and have agreed to sponsor or co-sponsor similar programs. This has occurred in Oklahoma, Kansas, Colorado, New Mexico, Nebraska, Iowa, and other important beef cattle producing states in recent years.

The Panhandle State station is open to all purebred beef cattle with a minimum of not less than 15/16 purebred breeding on new breeds. Prior cooperators, Oklahoma residents are accepted over out-of-state applicants at the same level; however, near all applicants have been accepted in recent years. Bulls must have a delivery weight on Sept. 11 equal to 2.15 lbs per day of age if calved during Oct.-Nov. Dec. of 1975, and 2.25 lbs WDA if calved during Jan.-Feb.-March of 1976. Interested breeders should immediately contact—by letter—by letter—M. W. England, Test Manager, Box 186, Goodwell, Oklahoma 73939; stating number of head, breed, and age. Applicants will then be notified in late August as to pen space available to them.

Allison News

by Mrs. Lester Levitt
 A revival is being held at the Baptist Church this week with Rev. Jerry Ralston, evangelist and Cliff Rogers leading the singing both from Midland, Texas. Rev. Tom Etheredge, pastor. The meeting will close Sunday night.

Mrs. Edith Levitt returned home Friday from McAllen, Texas where she spent the summer with her daughter, Mrs. Evelyn Langford and family. Glenn Langford accompanied her to Allison and was an over night guest.

Visiting Mrs. Levitt Sunday were Mr. and Mrs. Lynn Levitt and Michelle and Miss Deann Newton from Panhandle.

Mrs. Alice Kelly and Mrs. Barbara Williams accompanied Miss Linda Kelly to Evangel College in Springfield, Missouri, Wednesday of last week. They also went on to Oak Grove, Missouri and visited Janice Kelly where she is teaching school. They returned home Thursday.

Mr. and Mrs. Jackie Scheller and children from Borger and Don Barber and family from Canadian and Elmer Browns from Cheyenne were house guests in the home of Mr. and Mrs. Carl Giddens Sunday.

Mrs. Virginia Miller returned home last week from St. Anthony Hospital in Amarillo where she had major surgery on her knee earlier. She is recovering nicely.

Mrs. Claude McMillan from Wellington is visiting her sister Mrs. Julia Dillon and Mr. Dillon for a few weeks.

Mrs. Edyth Donaldson is in Denver, Colorado for a few weeks visiting her daughter Mrs. Duane O'Neal and family.

Mr. and Mrs. Lester Hall and children were dinner guests in the Bob Markham home Sunday.

Keith Boydston spent last week in St. Anthony Hospital in Amarillo recovering from surgery following an injury to his hand received while working on an oil rig.

Mr. and Mrs. Johnny Grayson from Borger are the proud parents of a new baby boy born at the Parkview Hospital in Wheeler Saturday morning. Mr. and Mrs. L. W. Grayson and Mr. and Mrs. Buster Keys are the proud grandparents.

Mr. and Mrs. Allen Reynolds and Debbie attended a family reunion at the Hugh Terry home in Laketon Sunday. Mrs. Una Burress, mother of Mrs. Reynolds has moved from the rest home in Raymondville, Texas to a rest home in Pampa. She was present for the reunion.

of Leon and Richard Keahey and families at Crawford, Oklahoma Sunday.

Dinner guests in the home of Mr. and Mrs. Clyde Dukes, Jr. Sunday were: Melvin Hunt and family, Kay Childress and Scott Luttrell from Wheeler and Wayne Childress and family from Canadian.

Kyle Boydston entered the General Hospital in Shamrock Monday for treatment.

Warren Browns from Amarillo and Lyn Brown from Dumas visited Mrs. Nettie Walsh over the weekend.

LINES FROM LINDA

Linda Horton - Asst. CEA

A rainbow or iridescent hue on dishwasher-washed glassware is an early sign of soft water etching.
 Look for shades of blue, purple or pink when holding the glass at an angle to the light. The glasses look cloudier and more frosted as the condition advances.
 This filmy appearance caused by etching cannot be removed—the damage is permanent. Also, there is not a method to predict which glassware will be affected this way—it isn't related to cost or quality of the glass.

Cause of the film is a combination of soft water, very high water temperatures and too much alkaline detergent.
 To prevent this condition from occurring in the future, check to be sure that the dishwasher is getting a full fill of water. An under-fill can create an over-concentration of detergent. If the dishwasher is not getting a full fill of water, use less detergent, or switch to a detergent that has a lower phosphorus content and contains some sodium carbonate. No less than one tablespoon of detergent should be used, as this is the minimum amount necessary to do a good dishwashing job under any water conditions.
 Water temperature also can be lowered, so that it enters the dishwasher at approximately 140 degrees F. Check water temperature with a candy or meat thermometer at the faucet nearest the dishwasher. Let the water run until it is as hot as possible; then, put the thermometer into the running stream. It should register between 140-160 degrees F. Remember: this condition occurs only in soft water.

Spotting or cloudy appearance of dishwasher-washed glassware often is caused by a combination of hardwater and too little detergent that may leave hard water minerals to dry on the surface.
 The film can be removed by several methods.
 Soak the glassware approximately 15 minutes in undiluted white vinegar.
 Wash glass in a basin of water using a generous amount of an automatic dishwasher detergent—and rubber gloves to protect your hands.
 Use a commercially designed product according to instructions.

A vinegar rinse in the dishwasher is another method. Run a load of glassware through its normal cycle using detergent. Remove metal items from the dishwasher. Start dishwasher again, but do not use detergent. When the dishwasher comes to the main wash portion of its cycle, open dishwasher and pour one quart of white vinegar into the bottom of the dishwasher. Close the door and let it complete its cycle.

Also, the film will gradually disappear when detergent is increased to compensate for hard water minerals. Using twice the recommended amount of dishwasher detergent for the initial film-removing wash should strip the film readily.
 It may be necessary to use more detergent than the dispensing cups will hold. Add more detergent by opening the dishwasher at the time of the main wash and placing a tablespoon on the door or in the bottom of the machine.
 But the best cure may be to soften the water supply mechanically in the home so hard water is not used in the dishwasher.
 A rinse agent available in both solid or liquid form can prevent spotting. The rinse agents reduce surface tension of water, causing the water to sheet off items in the dishwasher, reducing possibility of droplets forming to cause water spotting.
 Liquid rinse additives are for dishwashers with automatic dispensing equipment. Also, solid form for use in dishwashers without the dispenser are available. This is usually attached to the top rack.

IRISH from page 1
 called on Brown six straight times but Brown was stoned at the 1 on fourth down.
 The deepest the Irish could get into Mustang country after stopping this second Wheeler thrust was to the Mustang 25 as time ran out in the half.
 Shamrock never had the ball outside their 40 yard line in the final 24 minutes and the 7 point margin loomed bigger as the minutes ticked off and the Mustangs sealed the lid on their first victory of the '76 campaign.

OUT BUILDING DESTROYED:
 An old shop located on the Grady Dodd farm northeast of Wheeler in Briscoe Community was destroyed by fire Tuesday morning.
 The Wheeler Fire Department was summoned to the scene around 11:30. The fire started after the Dodds had finished burning weeds in the area and had gone about other chores. Contents in the building was odds and ends accumulated over the years—the building has been used as a shop up until a year ago, at which time a new shop was built and the major items were removed from the building.
 Dodds were successful in removing the pickup parked near the building before it suffered damage.

LEADING THE FIRST FLIGHT in the Irish Partnership Golf Tournament were (standing, left to right) Mutt Womslay of Memphis, Gayle Monzingo of Memphis, E. G. Windom of McLean, Alvin Danner of McLean, Jim Adams of McLean and Casper Smith, also of McLean, and (kneeling, left to right) Adrian Risner and Thurman Rives of Wheeler. The McLean team of Alvin Danner and E. J. Windom were overall champions of the first flight. The event was conducted over the Labor Day weekend. The Rives-Risner team took consolation honors in the first flight.

Cowbelles Corner
 Top O' Texas CowBelles will meet at Dyer's Bar B Q in Pampa Monday evening September 13 at 8:00. Husbands will be guests at the meeting. McLean CowBelles are hostesses and will present the program. Those who plan to attend should contact Mrs. Lem Greene by September 10.

MUSTANGS Booster Club
 Wheeler Mustang Booster Club will meet Monday evening, September 13, at 7:00 in the school cafeteria. A film of the Wheeler-Follett game will be shown.
 At a meeting of the club last Monday, September 6, president James Verden announced that 90 jackets have been ordered by fans to wear to the athletic events.
 Coach Preston Smith spoke to the group about the Wheeler-Shamrock football game. Coach Smith expressed pride in the performance given by the Wheeler Mustangs. He pointed out however that the upcoming game with Follett will probably be one of the toughest games of the season. This game will be played Friday evening at Nicholson Stadium. Fans are urged to attend and give support to the Mustangs.
 Parking lot attendants for the Friday night game will be Bob Patterson and Bobby Ware. Marshall Andis and N. D. Ware were named as gate attendants. Harold Lloyd Lee and James Verden will have locker room duty. Others named to work Friday evening are Delbert Thomas, Larry Jennings, Clay Walser and Neil Rogers.

September 17 Top O' Texas CowBelles are co-sponsoring Beef Fiesta '76 with Gray County Extension Service. The Fiesta will be held in the Heritage Room, M. K. Brown Auditorium, Pampa. There will be no charge and the program is from 9:00 to 12:00. Dr. Frank Ortiz, extension service meat specialist, will cut up a hind quarter of beef. Furr's will donate a front quarter that will be displayed already cut up. All meat will be given away as door prizes. Jayne Hager, a Home Economist from the National Livestock and Meat Board, Chicago, will demonstrate cooking beef. CowBelles will have an educational display and "beef goodies" to give away. Homemaking teachers are urged to attend with their students.

Top O' Texas CowBelles will work at the Tri-State Fair in Amarillo September 20. They will work in a booth for the Beef Carcass Show from 10:30 to 5:00 and from 12:00 to 4:00 in the Franklin Laboratories Booth in the Bull Barn.

Fabric Truck
 The Fabric Truck will be in Briscoe Monday, September 13, 1976 in the Homemaking Room. The truck will be there from 5:00—6:00. The Briscoe FHA is sponsoring the event.
 Prices are assorted knits \$3.33 and cotton \$2.99.

SECOND FLIGHT WINNERS: in the Irish Partnership Golf Tournament, sponsored by the Shamrock Chamber of Commerce and Shamrock Country Club, were Bill Ellis, left, of Paken and Larry Jennings of Wheeler. The event unfolded over the Labor Day weekend and drew a field of 78 golfers forming 39 teams. Not pictured are the three teams who finished second, first consolation, and consolation runner-up in the second flight. The golfers forming those three teams were Randy Barber and David Seale of Childress, Huelyn Laycock and Kenneth Laycock of Canyon, and Clinton Voyles and David Hudgins of Memphis.

VICTORIOUS IN THE THIRD FLIGHT in the Irish Partnership Golf Tournament, conducted at the country club course over the Labor Day weekend, were (Standing, left to right) Bob Patterson of Wheeler, John Holcomb of Wheeler, Danny Stone of Pampa, and Mike Hondley of Pampa. The Patterson-Holcomb team finished ahead of the Stone-Hondley team for first place in the third flight. Kneeling are Barry Pender (left), president of Shamrock Country Club, and Cecil Park, president of Shamrock Chamber of Commerce. The event was co-sponsored by the Chamber of Commerce and the Shamrock Country Club.

Public Notice
 Southwestern Bell, in accordance with the rules of the Public Utility Commission of Texas, hereby gives notice of the company's intent to implement a new schedule of telephone rates in Texas effective October 7, 1976.
 It is expected that the requested rate schedule will furnish an 18 percent increase in the company's intrastate gross revenues.
 A complete copy of the new rate schedule is on file with the Public Utility Commission at Austin, Texas, and with each affected municipality, and is available for inspection in each of the company's public business offices in Texas.

Southwestern Bell

Like to talk Hogs?
 We do, too. In fact, that's our business. We talk hogs and hog feeds to our customers every day of the week. We keep up to date on the hog market, management trends, and especially the newest ideas in swine nutrition. You see, we pride ourselves on having the best hog feeds you can buy. That's why we sell ACCO Feeds — because we think ACCO people know hog feeds better than anybody in the business. They're swine nutrition experts, and you can always be sure your hogs are getting the best when you feed ACCO. Stop by and talk hogs with us. We'll show you complete feeding programs for your breeding herd and for your pigs from birth to market.

ACCO FEEDS
 SUPERIOR QUALITY
 PIONEERS OF THE INDUSTRY

Mobeetie Feed & Supply
 Mobeetie Feed and Supply is your Acco Feed Dealer with a complete line of hog, cattle, horse, and dog feed.
