Q'BACK CLUB HOLDS THEIR REGULAR MEET

The weekly meeting of the Quarterback Club was very interesting this week even though the Coach of the team could not be there due to pressing business elsewhere. Nearly all of the football team was there and the men of the town and the fathers present really enjoyed visiting with them.

A film was shown which was the game films of the Texas A&M LSU game. Although those who were not in the game there was some really good blocking in the game for football fans to appreciate. These game films are serving a very useful purpose in bringing understanding of the game to the Club members as well as the boys playing on the team.

The Mustangs play Texline at Nicholson Field on Friday Night, October 27, 1961 and this should be a good game to watch. The team has its work cut out for Texline is no cinch by any sense of the word. Their entire record is not known, but they led Claude two touchdowns at the half before Claude got rolling and then plays pretty good football all the way. Our local team is still in good shape physically although Bobby Meadows, a first string tackle does have a slight injury to his ankle. It is not known definitely at this time if Meadows will see service Friday night or not, but we do have some quite competent bench strength in this position. Bobby will very definitely be missed if he does not play but fortunately the Subs for this position are quite adequate.

It was the opinion of the members attending the Club meeting Tuesday night that our team has come back admirably since the injury jinx of the first of the season. The team is working hard every day and should give a good account of themselves for the rest of the season. Let's all go see them Friday night since this is the last home game.

Wheeler Mustangs Host Tornadoes Friday Night

The fighting Wheeler Mustangs chalked up conference victory number two Friday night by routing the Sanford-Fritch Eagles 42-6. Hard hitting G. C. Baker ran three touchdowns while teammate Jim Jolly reached pay dirt twice. Reserve Daryl Snelgroves brought the fans to their feet again in the closing minutes as he galloped 15 yards for a final TD. Jolly, Dunky Porter and Randy Calan each successfully ran extra points to bring the total Mustang score to 42. Marcum was the lone scorer for the Eagles.

With two district wins safely tucked away, the Mustangs will host the Texline Tornadoes who have a season record of one win and six losses Friday night at 7:30 p.m. at Nicholson Field. The Tornadoes are winless in District competition having lost the Follett and Claude by a 22-16 count each time. This will be the last home game for the Mustangs.

Mustang Coach Boynton has announced the following tentative starting lineup:

Ends — McCasland, Page
Tackles — Watson, Meadows
Center — Sims
Guards — Hampton, Levitt
Halfbacks — Jolly, Baker
Quarterback — Porter
Fullback — Hunter

The Housing Act of 1961 broadened the eligibility requirements for rural housing loans. As a result rural owners of non-farm tracts in rural areas and in more than 2,500, as well as farmers may be eligible for this type of credit.

This program is an important new tool in promoting the development of rural areas," Manning said. "Rural housing loans will not only help families obtain better homes, but will put more carpenters, plumbers and electricians to work, and will increase the

275 BALES GINNED HERE

WHEELER FFA GIRLS GIVE SUPPER AND ENTERTAIN FOR TEACHERS

An annual event always looked forward to by the F.F.A. girls is the night they entertain the teachers. This event occurred again Tuesday night, Oct. 9th in the school cafeteria.

One of the objectives in the F.F.A. work is to understand our neighbors at home and abroad. So each year a different country is selected to study their habits and customs. China, Mexico and Hawaii had been studied. This year since the United Nations has been in the headlines, it was decided to base the program on the United Nations and serve some foreign food. Each girl chose some nation in the United Nations, dressed to represent it and was prepared to tell one interesting thing about it. President and Mrs. Kennedy, Khrushchev and Castro were guests at the conference.

Girls taking part in the call of the nations were Sherry Barnes, Sandra Brown, Helena Ford, Sheila Gwynes, Melinda Gunter, Mary Hess, Marion Holcomb, Linda Jackson, Jean Shugart, Linda Taper, Vickie Walker, Christine Wagner, Gwen Barnes, Mary Holt, Sherry McNeil, Marilyn Nash, Elizabeth Wiley, Estelle Fillingim, Lucille Bradshaw, Mary Ann Bradstreet, Connie Farmer, Carol Gandy, Paula Helton, Peggy Henderson, Catherine Lancaster, Vickie Mack, Wanda Pierce and Donna Watson.

The tables in the cafeteria were arranged to represent the United Nations conference table and the United Nations flag was displayed along with other national flags.

The F.F.A. mothers served the following meal to the teachers and their companions and members of the F.F.A.: Italian Pizza Pie, hot sausage, Italian green beans, salad, assorted fruits from various foreign countries, rye bread, Danish wedding cookies, tea, and coffee.

The program consisted of the following:

STUDY CLUB HAS MEETING

The Wednesday Study Club met in the beautiful ranch home of Mr. and Mrs. Paul Millet with Mrs. George Porter as hostess on October 11.

"New Ways from Olden Days" was the subject of the meeting. Planned in cooperation with the research staff of the motion picture "Spartacus", the program spotlighted ideas from modes and manners of ancient Rome for contemporary living.

Mrs. E. Ray Miller was chairman of the program. She was assisted by Mrs. Shelby Pettit, Mrs. N. D. Ware and Mrs. Frank Walker.

The program was presented in the form of a symposium, set before a mural depicting a garden scene from Ancient Rome. The participants were costumed in colorful tunics flowing stoles and Roman sandals. Garlands of flowers and leaves for the hair and elaborate costume jewelry completed the attire.

Mrs. E. Ray Miller set the scene with a brief historical sketch on Rome. Mrs. Shelby Pettit spoke on "Filling Out the Fashion Picture", "Eat Drink and Be Merry" was the topic discussed by Mrs. Ware. Mrs. Walker told of Fun and Games in Ancient Rome. Booklets of old Roman recipes were distributed.

The hostess and Mrs. Millet carried out the Roman theme in the refreshment plate, which featured an assortment of fruits, melon, crackers and chicken.

Guests included Mrs. T. M. Bowman, Mrs. Charles Burnett, Mrs. Wayne Edwards, Mrs. John

Hodges, Mrs. C. B. Kirk and Mrs. J. C. Moore. Members present were Mesdames D. O. Beene, T. M. Britt, Tom Dearen, Fred Farmer, R. H. Forrester, Lee Guthrie, Cora Hyatt, L. C. Laffin, M. McIlhany, E. Ray Miller, Shelby Pettit, C. J. VanZandt, Frank Walker, N. D. Ware, Max Wiley, Harry Wofford, J. Frank Ross, J. W. Barr, and the hostesses.

Noticed where some folks back East were just now paying off a debt that had been owed ever since our Country started. Seems like one of the Yankee Countries had been getting duns from a Tea Company over in England for some Tea that had been dumped in the Boston Harbor back in the early days.

I have been thinking about this situation and wondered if that wasn't showin a purty high mark of honesty on the part of the Citizenry then on the other hand I wondered if it wasn't showin a purty purstant bookkeeper over in England. Seems like the total bill ran somethin like \$457 . . .

TWITTY NEWS

By J. Lloyd Rice

Well, several things have happened since last week.

Ernest Lasater got his finger badly mangled in a grain loader. Took several stitches to fix it.

Mr. Wheeler here at Twitty lost a finger either in the oil mill or gin. Cecil Amerson said he tried to stick his index finger through a 2x4 and the lumber was harder than his finger. He has it all bandaged up.

Becky Jolly was at church Sunday with her father, the first time she has attended services here at Twitty for a long time. She is attending Draughan's Business College in Amarillo.

Monta Fleming and his wife and little son Art, two years old, were visiting us here for services also Sunday. They had come down to see Mrs. Fleming's sister and family, Mrs. Haskel Sammons.

Mr. and Mrs. Warren Carter of Quail were here for Sunday morning services. They lived in the Twitty community several years ago. They drove on up to Canadian to see the lovely trees along the Canadian River.

When your telephone rings late at night you immediately think something is wrong. Well, on Monday night about 11:15 our phone rang, and the voice at the other end was Clois Jolly. He announced that his father-in-law, Mr. Frank Shadden, has just passed away. Mr. Shadden is an old time resident of the Twitty community. His passing brings to mind again that life is so brief and uncertain. He lived a long time, measured by other lives, but loved ones are never ready to give up a daddy. Friends will always miss him. He was a nice, pleasant fellow to visit with even in his old age.

Mr. W. L. Jolly, father of Pop and Jack Jolly of Twitty and W. L. of Wheeler is quite ill now. He requires constant care. Mr. Jolly lives at Shamrock.

Rev. and Mrs. Oscar Welch accompanied by Misses Lois and Floella Forbes are in K.C. Mo., for a week attending the General Conference of the Pentecostal Churches.

THANKSGIVING

God's verdict upon the pagan world is that "they are without excuse, because, when they knew God, they glorified Him not as God, neither were thankful . . ." (Rom. 1:20, 21). The Psalmist, on the other hand, declares:

"It is a good thing to give thanks unto the Lord, and to sing praises unto Thy name, O Most High:

"To show forth Thy loving kindness in the morning, and Thy faithfulness every night." (Psa. 92:1,2).

Believers today have seen more to be thankful for than did the Psalmist, for we can rejoice in what God has done for us through Christ and His redeeming work. Thus Paul, by divine inspiration, speaks of . . .

"Giving thanks unto the Father, who hath made us meet (fit) to be partakers of the inheritance of the saints in light.

"Who hath delivered us from the power of darkness, and hath translated us into the kingdom of His dear Son" (Cor. 1:12, 13). It is because of this "deliverance" that the humblest believer can cry with Paul: "Thanks be unto God, who always causeth us to triumph in Christ!" (II Cor. 2:14) and "Thanks be unto God, who giveth us the victory through our Lord Jesus Christ!" (I Cor. 15:57). How appropriate, then, are the exhortations:

"In everything give thanks" (I Thes. 5:18) and "By Christ, therefore, let us offer the sacrifice of praise . . . giving thanks to his name" (Heb. 13:15).

"For all things are for your sakes, that the abundant grace might through the thanksgiving of many rebound to the glory of God" (II Cor. 4:15).

Most of all, "Thanks be unto God for his unspeakable gift," our Lord and Savior Jesus Christ! (Cor. 9:15).

Gary May had his tonsils removed last Saturday in the Highland General Hospital in Pampa. Gary is home now and feeling fine.

CARD OF THANKS

I wish to express my thanks and appreciation to all my friends who sent me "Get Well Wishes" after my surgery. Your thoughtfulness and encouragement helped a lot.

Mrs. Bob Ramsey

Mr. and Mrs. Guy Stocks and Mr. and Mrs. Henry Goss of Clinton, Okla., visited over the weekend with Mr. and Mrs. Walter Dunn.

Ken Ahler and Mrs. Ethel White visited Mrs. I. B. Lee on her 84th birthday.

She'll Never Neglect Him...

THE CHURCH FOR ALL . . . ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

Day	Book	Chapter	Verses
Sunday	I Samuel	1	26-28
Monday	Luke	2	39-40
Tuesday	I Samuel	2	17-19
Wednesday	Luke	2	45-49
Thursday	I Corinthians	2	3-5
Friday	Psalms	27	1-4
Saturday	Deuteronomy	7	9

Mrs. Thompson is a "modern" mother. She wouldn't think of neglecting her baby's regular visit to the doctor. She knows that these early check-ups plus proper diet, rest and care, are vital if her child is to grow up into a strong, healthy boy, ready to take his place in tomorrow's world.

Nor will she forget an even more important factor in his development—his spiritual check-ups. When the time comes and baby is old enough, his tiny footsteps will lead him into Church School where another kind of ministry will be given to him. Later still, he will worship with his parents, and the importance of the family unit together at work, at play and in worship will be engrained in his mind.

In tomorrow's world he will be well equipped to take his place physically, mentally . . . and spiritually.

'62 CORVAIR MONZA

NEW FACE, SAME SPORTING HEART

We might as well tell you straight off: Corvair's the car for the driving enthusiast. Think that lets you out? Maybe. Maybe not.

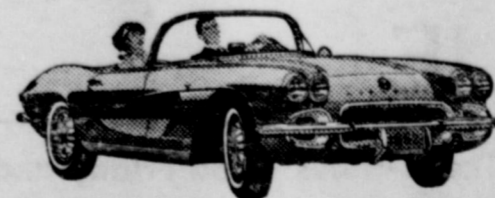

Until you've driven one, you really can't say for sure, because Corvair's kind of driving is like no other in the land. The air-cooled rear engine sees to that. You swing around curves flat as you please. You whip through the sticky spots other cars should keep out of in the first place. (Especially this year, now that you can get Positraction as an extra-cost option.) You stop smoothly, levelly with Corvair's beautifully balanced, bigger brakes.

Corvair's found other new ways to please you this year. A forced-air heater and defroster are standard equipment on all coupes, sedans and both Monza and 700 Station Wagons. So are dual sunshades and front-door armrests and some other goodies. You'll note some new styling, inside and out. Nice. And safety-belt installation is easier, too, and cheaper.

So you can see we haven't really done much to Corvair this year. Why on earth should we? If this car, just as she is, can't make a driving enthusiast out of you, better take a cab.

A New World of Work

And here's America's only thoroughbred sports car, the '62 CORVETTE. We warn you: If you drive a Corvette after your first sampling of a Corvair, you may well end up a two-car man. And who could blame you?

TAXATION OF YESTERDAY

Here is an article handed to us by Mrs. Mann of J-Lee Department Store. It was taken from an issue of the Wheeler News Review printed in about 1930 or 31. It would be interesting for this same writer to note the increased taxation we are faced with today.

And speaking of taxes, which isn't these days, here's a poem from the Dallas Semi-Weekly Farm News:

Tax the farmer, tax his fowl,
Tax the dog and tax his hawl;
Tax his hen, tax her egg,
Tax the blomin' mudsill beg.
Let tax his pig and tax his squeal,
Tax his boots, run down at heel;
Tax his plow and tax his nose;
Tax the rags that wipe his nose;
Tax his house and tax his bed,
Tax the bald spot on his head;
Tax his ox and tax his ass,
Tax his "Lizzie", tax his gas;
Tax the road that he must pass,
And make him travel o'er the grass.

Tax his cow and tax his calf,
Tax him if he dares to laugh.
He is but a common man,
So tax the cuss just all you can.
Tax the laborer, but be discreet,
Tax him for walking on the street;
Tax his bread, tax his meat,
Tax the shoes clear off his feet.
Tax his pay check, tax his sale
Tax his hard-earned paper "kale";
Tax his pipe and tax his smoke.
Teach him government is no joke.

Tax his coffin, tax his shrouds,
Tax his soul, beyond the clouds.
Tax all business, tax the shops
Tax the incomes, tax the stocks;
Tax the living, tax the dead,
Tax the unborn before they're fed;
Tax the water, tax the air,
Tax the sunlight, if you dare.
Tax them all and tax them well
And do your best to make life hell.

And speaking of taxes... My uncle, M-Sgt. R. Walker is being shipped to Japan for four years. He is in the air force and has been in the armed services for the past 20 years, the past four years of which have been spent in St. Louis, Mo. I visited with him Friday as he came through on his way to California and he said, "Taxes in St. Louis on a 3 bedroom \$12,000 to \$15,000 home cost the own-

er from \$40. to \$50 per month! And as you know Missouri has a four percent sales tax.

Now don't misunderstand me; sales tax has nothing to do with property tax, however, I am just trying to show how this tax business can get completely out of hand. In fact, M-Sgt. Walker went on to say that many residents were selling their homes and buying trailer houses because of taxes.

Now I wonder just when in the name of everything good and decent are we going to wake up and elect men to our county, state and federal government that will endorse a conservative program, one that will start loosening the strings we are binding our children and grandchildren with.

More Facts About Social Security Laws

Parents who were dependent on their deceased son or daughter, for at least one-half of their support at the time of the child's death, must file proof of that support within two years after the child's death, according to Hal Geldon, Manager of the Amarillo Social Security Office. Parents who meet the dependency requirements can qualify for monthly social security survivor's benefits at age 62, providing they are not entitled to a greater benefit on their own record and have not remarried.

The parent who was receiving some financial assistance from their child would not necessarily meet the dependency requirement of the social security law. Normally the one year period before the child's death is used in determining the support requirements, Geldon said.

During this one year, any income received by the parent in cash, kind or services, including any proceeds from property, is income to the parent. Support is defined as maintenance of an individual, including food, clothing, shelter, and current medical needs necessary for his well being.

In determining one half support all of the income and the value of all items that the parent uses for support during the support year are considered. If the child was furnishing one half of this total amount, then the parent meets the dependency requirements, Geldon said.

Shot Childress and family, Mr. and Mrs. Zack Miller were dinner guests in the Rex Miller home Sunday.

ALL ABOUT YOUR SCHOOL

Arling Cordell, Superintendent Wheeler Schools

We were proud to have with us on Wednesday from 11:00 to 12:00 the Amarillo Air Force Band, who performed so beautifully in our gym before a capacity crowd of students, teachers and guests. The entertainment was free, and the Band had lunch in our Cafeteria afterwards. We hope we can have this fine organization with us again.

Coming events which I am sure everyone will want to participate in are the P.T.A. dinner and fun night on Halloween and American Education Week from November 6 through November 10 with a P.T.A. meeting and Open House on Monday, November 6. More publicity on these events will be forthcoming from the P.T.A. and Mr. Helton who will be program chairman for the American Education Week meeting.
