YOUTHS ATTEND EVENT

Teacher Presents Of Service

Miss Margaret, manager for the Public Service, has announced that the High School and Larry Levitt of High School will attend the Second Texas Nuclear Symposium at the University of Texas, June 10-12.

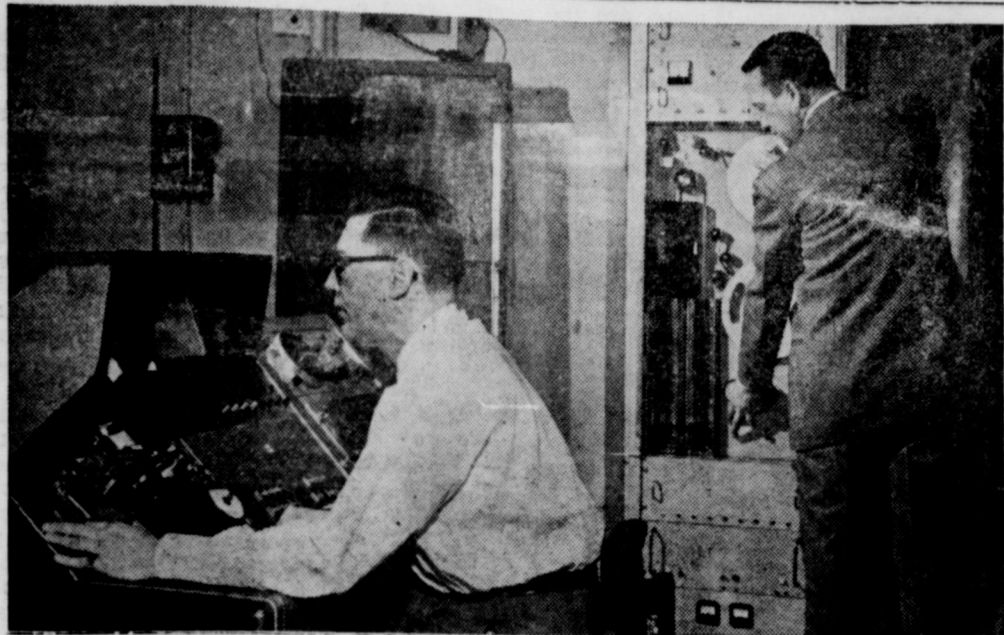

Levitt will be accompanied by Geo. Wheeler High School and they will be in Southwestern Public Co.

The symposium is jointly sponsored by the Texas Atomic Energy Commission, a group of owned electric utility companies of which Southwestern Public Co. is one, and the University of Texas.

PROGRAM HELP

The summer baseball program will be opened on June 12, which was still being completed in the week for team.

Cordell and Thurman members of the Kiwanis club with making preparations for the baseball season, club Monday that only commitments had been prospective managers.

ELECTRONIC PROCESSING of information supplied by architect-engineer survey teams on potential fallout shelters assures that this data will be compiled and supplied more quickly to civil defense officials. Using Federally-furnished shelter supplies, CD authorities will mark and stock shelter areas located and reported in the survey. Technicians are shown transferring microfilmed survey data to magnetic tape in the U.S. Census Bureau headquarters at Suitland Md., so the information can be run through computers.

After Two Postponements

Baseball Team To Play Here Sunday

Thwarted by the weather in their first two efforts to kick off the season, the Wheeler Inter-City League baseball squadmen are scheduled to face the team touted to be the toughest in the loop here Sunday afternoon.

Virgil Jamison's local crew will take on Samnorwood at 2 p.m. at the American Legion Park.

GRADE SCHOOL HONOR ROLL IS ANNOUNCED

The final semester honor roll for Wheeler Elementary School was announced this week by Principal Thomas Roy Helton.

A large number of students completed the semester with all A grades on their report cards. The honor roll:

FIRST GRADE
All A's—Machille Mitchell and Jo Rita Rogers.

SECOND GRADE
All A's—Lurinda Verden, Carol Holt, Donna Weatherly, Rodney Weatherly, Niki Ware, Noel Glazner, Jimmy Cole and Debra Caswell.

THIRD GRADE
All A's—Cynthia Manning and Vickie Gaines.

FOURTH GRADE
All A's—Nancy Watts and Janice Ware.

FIFTH GRADE
All A's—Steve Hampton and Nancy Wiley.

SIXTH GRADE
All A's—Tommy Levitt, Richard Sechrist and Mike Holt.

SEVENTH GRADE
All A's—Linda Moore and Nancy Moore.

EIGHTH GRADE
All A's—Donna Sue Ford and Beverly Clark.

No admission will be charged, but collection is to be taken during the game. Everyone is invited to see the game.

The Wheeler players will be suited out in their new uniforms when they take to the field Sunday afternoon. The uniforms, purchased by local business people, arrived here Tuesday.

Wheeler had been slated to open the season at Mobeetie last Friday night, but weather forced a postponement until Monday. Then Monday night weather again stepped in to prevent an activity.

To Be Re-Scheduled
The Wheeler-Mobeetie game will be re-scheduled for later in the season, Jamison said.

Pitching for Wheeler Sunday afternoon will be right-hander Bill Green.

Jamison Tuesday released this tentative starting line-up: Catcher, Mendall Hunter; first base, Neal Rogers; second base, Randy Callan; third base, Kent Sims; shortstop, Derral Snellgrove; left field, Terry Vanpool; center field, Dunk Porter; right field, Jimmie Jamison.

Even though the season opened only last week, Samnorwood has been tagged as the team to beat in the Inter-City League. Other area towns fielding teams in the league are Shamrock, McLean and Lefors, in addition to Wheeler, Samnorwood and Mobeetie.

Dr. Madsen Will Leave on Vacation

Dr. R. L. Madsen, optometrist, announced last weekend that he plans to be on vacation from June 9 through June 16 and will not be in his office here during that period.

Dr. Madsen will return here on June 23.

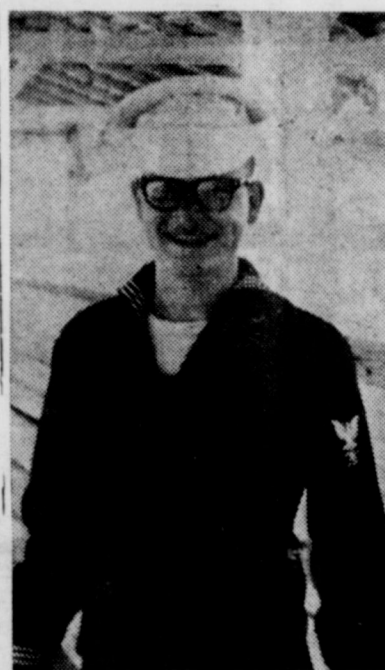

SERVICES FOR PARSLEY
Mrs. F. A. Parsley, formerly of Wheeler, passed away June 1. The services were June 4 at Guyton, Okla., with Rev. Virgil Green of Guyton officiating. She was survived by her husband, Frank, and one son, Ed of Guyton, and two daughters, Mrs. David Millap of Gentry Arkansas, and Kay Stiles of Wheeler.

Three Will Attend Convention

Three members of the Wheeler Kiwanis Club will attend the 47th annual convention of Kiwanis International in Denver, Colo., June 10-14.

Representing the local club will be Gordon Stiles, Harry Wofford and David Britt.

They will join some 15,000 other Kiwanians, their wives and families in a return visit to Denver—by Kiwanis—after an absence of 38 years.

The son of Mr. and Mrs. H. L. Laycock, Norvel W. (Sonny) Sechrist has been promoted to 3rd Class Seaman. He is assigned the ship, U.S.S. Buchanan D. D. G. 14. The ship left San Diego May 24 and it was due to be in Hawaii on May 30.

Responsibilities Of Americans Stressed

Every American should show pride in his heritage by exercising his rights and assuming responsibilities, the Wheeler Kiwanis Club was told Monday noon.

David Britt, a member of the local club, reported that little more than 30 per cent of Wheeler County's eligible voters went to the polls during last Saturday's Democratic Primary runoff election.

Such voter apathy was registered all across the state, he added, with but 42 per cent of all eligible voters in Texas casting ballots.

Britt declared that parents need to instill in young people "what America stands for."

He listed five responsibilities of Americans: To club work, to their homes, churches, schools and local communities.

Guests at Monday's Kiwanis luncheon were Tom Harrison of Shamrock and Bob Patterson of Wheeler.

Ladies Swimming Periods Announced

Periods have been set aside for the ladies four days a week at the Wheeler Municipal Swimming Pool, Manager George Gandy announced Wednesday.

Gandy said the schedule for ladies swimming will be:

Monday, Wednesday and Friday—10 to 11:30 a.m.—Thursday—6 to 7 p.m.

Severe Weather Hangs On In The Wheeler Area

FUNNELS SEEN ALOFT, FAIL TO TOUCH GROUND

Tornado funnels continued to skip around Wheeler this week, as rough weather hung on all across the Panhandle, but up to late Wednesday afternoon no twister damage had been reported.

The weather was playing havoc with the farmers, however, with wind, rain and hail knocking out some crops and forcing many to prepare for re-planting.

Hail moved across the area late Tuesday, accompanied by high winds and driving rain, and when the storm left, many fields of cotton and gardens were ruined.

James Verden, manager of the Production Credit Association office here, recorded 1.8 inches of rain in 25 minutes Tuesday evening, while hail—some of it the size of ping-pong balls—covered the ground.

Mrs. Odessa Whitener, secretary in the county agent's office, said a spot check of the area Wednesday morning indicated hail damage to crops was extensive east of Wheeler.

Wind and Rain
To the west, no loss from hail was reported, but wind and rain did cause some damage to the young cotton.

The area was again under a tornado alert Wednesday evening.

Some sightings of a funnel cloud west of town were reported Tuesday evening. It was the third time in little more than a week twisters had been seen aloft in this area.

Residents watched two funnels west of the city last Friday, and the clouds came close to Mobeetie. Heavy rain hit that area, but the funnels apparently remained high above the surface.

The previous Monday a twister cloud was seen east of town.

The past Monday brought similar weather, with brilliant electrical displays.

REV. LOUDER NOW AT FRITCH

Rev. Gene B. Louder, pastor of the Kelson Methodist Church, for the past two years, has been named pastor of the Fritch Methodist Church.

Rev. and Mrs. Louder moved to Fritch this week. He is being succeeded in Kelson by Rev. L. V. Grace of Pampa. Rev. and Mrs. Grace were to move to Kelson today from Pampa.

The new appointment for Rev. Louder came at the 32nd annual session of the Northwest Texas Conference of the Methodist Church held last week in Big Spring.

During his two years in Kelson Rev. Louder has taught a Bible history class at the high school there. The Kelson church received an award each of the two years Rev. Louder was there for improvements in the Town and Country Commission of the Northwest Texas Conference.

Nine new members have been added to the church in the past two years, four by profession of faith.

Mrs. Louder has served as correspondent for The Wheeler Times. She is being succeeded by Mrs. Edgar Blocker.

Rites Wednesday for Carol Lois Meadows

Accident Fatal For Six-Year-Old Girl

A 6-year-old Gageby community girl was crushed to death under the wheels of her father's pickup Monday noon, after falling from the vehicle.

Carol Lois Meadows, who was born in Wheeler October 21, 1955, was pronounced dead on arrival at the Canadian Hospital Monday afternoon. The accident occurred at her home when she fell from the pickup.

Funeral services were held Wednesday afternoon in the Wheeler Baptist Church, with Rev. Sanford Cole of Canadian officiating, assisted by Rev. D. C. Reed of Mobeetie and Rev. Frank Ross of Wheeler.

Interment was in Zybach Cemetery under the direction of Kirk Funeral Home.

Carol Lois was the daughter of Mr. and Mrs. Roy Meadows.

Surviving in addition to her parents, are one sister, Lucy Diane, and two brothers, Larry Roy and Eddie Allen, all of the home; paternal grandparents, Mr. and Mrs. Allen Meadows of Briscoe; maternal grandparents, Mr. and Mrs. Edward Meek of Wheeler & great-grandmother, Mrs. John Meadows of Paradise.

Pallbearers for the services were John C. Vise, Tom Christner, Wilis Fillingim and E. G. Fillingim. Honorary pallbearers were Claude Barker and Claude Brotherton.

Connally Wins In State And County

Wheeler County voters picked the winners—but barely—in Saturday's Democratic primary election deciding the party's choice for governor, but they gave lopsided margins to victors in the other state races.

John Connally, who won his bid for the Democratic gubernatorial nomination, pulled 467 votes in Wheeler County, while his opponent, Don Yarborough had 452.

Connally will compete with Republican Jack Cox for the state's highest office in the November general election.

Waggoner Carr, former speaker of the Texas House of Representatives from Lubbock, was the top vote-getter in Wheeler County with an even 700 persons casting their ballots in his favor for attorney general.

His opponent, Tom Reavley, managed 208 votes.

Joe Pool took the nod of Wheeler Countyans, 558 to 319, over Woodrow Wilson Bean for congressman-at-large, and Preston Smith had 631 votes to James A. (Jimmy) Turman's 281 for lieutenant governor.

Wheeler County election results by boxes:

No. 1 Mobeetie—Yarborough, 44; Connally, 18; Turman, 20; Smith, 39; Carr, 41; Reavley, 19; Pool, 46; Bean, 11.

No. 2 Briscoe—Yarborough, 44; Connally, 8; Turman, 6; Smith, 6; Carr, 5; Reavley, 7; Pool, 11; Bean, 0.

No. 3 Wheeler—Yarborough, 38; Connally, 64; Turman, 41; Smith, 61; Carr, 78; Reavley, 22; Pool, 15; Bean, 7.

No. 4 Allison—Yarborough, 18; Connally, 26; Turman, 20; Smith, 37; Carr, 41; Reavley, 14; Pool, 36; Bean, 18.

No. 6 McBee—Yarborough, 0; Connally, 16; Turman, 4; Smith, 12; Carr, 11; Reavley, 6; Pool, 15; Bean, 1.

DAVIS RITES HELD SUNDAY

Funeral Services were conducted for Victor Davis were held Sunday in the Kelson Baptist Church, with Rev. Gene Louder, pastor of the Kelson Methodist Church, officiating.

Interment was in Kelson Cemetery under the direction of Kirk Funeral Home.

Mr. Davis, a former resident of the Kelson community, died on May 24 in Los Angeles, Calif., where he had lived the past four years.

He was born in Ford County, Texas, Nov. 17, 1910. A veteran of World War II he was a member of the Baptist Church.

Surviving are four sisters, Mrs. Frances Growdon of Clovis, N.M., Mrs. Marie Ray of Amarillo, Mrs. Mabel McDonough of Baltimore, Md., and Mrs. Vendell Williams of Stanton, Texas; one uncle of Oklahoma and several nieces and nephews.

Pallbearers were Leonard Rathjen, Buster Walser, Dudley Baird, Pete Baird, Charlie Whiteley and Edgar Blocker.

MRS. STOVEALL DIES IN CLOVIS

Funeral services were conducted in Clovis, N.M., last Wednesday for Mrs. Maude Stoveall of Bellview, N.M., who was killed in a car-pickup accident near Clovis last Sunday evening.

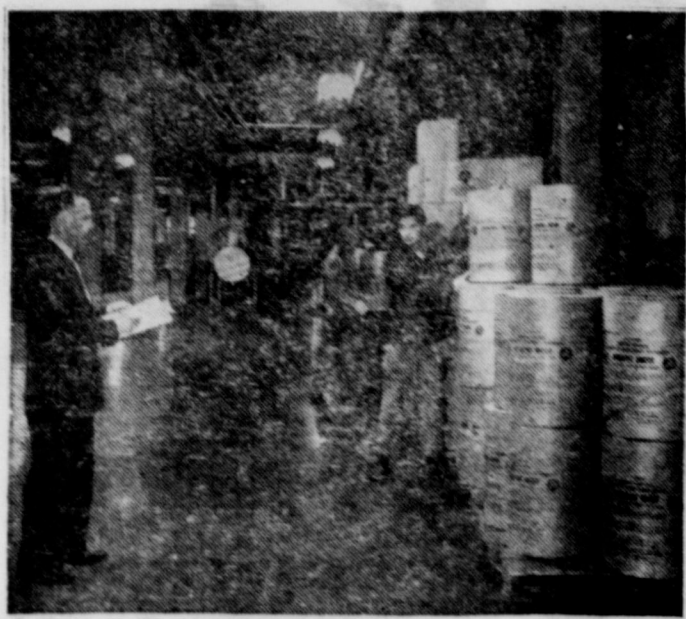

The services were conducted in the First Baptist Church with Rev. Porter Arnold of Rosedale community officiating, assisted by Dr. Hubert Bergstrom, pastor of the First Baptist Church.

Mrs. Stoveall was the former Maude Meredith, daughter of the late Mr. and Mrs. Jess Meredith who lived in this community several years ago. She was married to Henry Stoveall of the Kelson community. Mrs. Stoveall's husband is in a serious condition in the Clovis Memorial Hospital.

Other survivors, other than Mrs. Stoveall, include three sons, Travis of Clovis, Loyd of Albuquerque and Rondel of Bridgeport, one daughter, Mrs. Lorene Rogers of Floyd; one brother, Rual of Phoenix; grandchildren and one great grandchild.

She is a cousin of Mrs. A. C. Johnson of the Kelson community.

Mr. and Mrs. A. C. Johnson and Mr. and Mrs. Harold Savage and Mrs. R. O. Johnson were in Clovis for the services.

EMERGENCY SUPPLIES for the 258-person fallout shelter area in the basement of the Merchants Terminal building in Baltimore, Md., are stored as part of a 14-city test of shelter stocking procedures conducted by the Department of Defense with the cooperation of local civil defense agencies. The heavily-built basement is typical of areas in existing buildings across the nation which could make good public fallout shelters when supplied with food and water for each occupant for 14 days along with sanitation, medical and radiation detection kits. Lessons learned in the 14-city test will be applied to the stocking of community fallout shelters for up to 60 million Americans starting later this year. (Department of Defense Photo)

ON ALERT:

Industry Actively Seeking Graduates

The high school graduate who does not plan to go on to college may face what he considers a difficult task—the problem of "finding a job."

Jobs don't "grow on trees" as the expression goes but, although some graduates don't realize the fact, industry is actually eager to find qualified and capable high school graduates to fill immediate positions—or to enter training programs.

Some industries have established career guidance committees. Through distribution of press releases and information booklets, these committees inform junior and senior high students of job opportunities and requirements, colleges offering specialized training, and companies which offer scholarship and financial aid programs.

For example, a 24-page booklet, "Grow with an Exciting Business," describes opportunities in the paper industry in such major areas as accounting, engineering, marketing and science. It also lists colleges which offer specialized training in pulp and paper technology. The booklet also cites the interests and abilities that contribute to success in various fields.

Opportunity Unlimited Teaching

What opportunities are there for a school graduate who plans to go on to college in order to prepare for a career in the teaching field?

Many teachers begin a career in the teaching field as they complete elementary or secondary school and continue to work as Master's or Ph.D. students during school vacations. The graduate who can't wait for a college or university to make the "home" move according to a recent study, a college teacher in five teaching undergraduate alma mater.

College level instruction in culture, chemistry, mathematics, physics, and other fields is being demanded by foreign nations. The University of Michigan has a special office during the school year. Some 250 were received for personal college positions overseas in Lebanon, and Turkey place of the requests.

A GOOD JOB

Billy's getting bigger, and Susie's catching up. And Mom—like any mother—is delighted. Their physical progress is one indication that she's doing a good job.

But is she being just as careful about other, equally vital parts of that job? Is she also measuring their spiritual progress? As it happens, she is. Billy and Susie are both already going to church and church school.

If you have been thinking that your own children are too young to begin their religious education, why not give them the chance to measure up spiritually, as well as physically? They're apt to surprise you!

THE CHURCH FOR ALL... ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

Noticed where Mr. Eisenhower is ready to be nailed to the cross in the Capitol. The man who was up in that Billy Sol does we got goin around the country. Now I am sure that Ike wuz a good soldier and got full respect from his men but being around them politicians in Washington is another. A hungry soldier might steal or borrow a few eggs off of a French farmer but other than that he ain't got much reason to make a hog of himself but some of them birds in the Capitol is got eyes bigger than their bellies apparently cause a few of them has been caught gettin far more than their share and durned if I don't think Mr. Ike was smart enough to keep one or two of them out of his fold.

The Good Lord had twelve chosen men and had one of them chosen men turned against him and I don't think being President would put Ike or any other man in the same category.

CLOVER-LEAF 4-H NEWS

Mike Goad opened the Clover-Leaf 4-H meeting last Friday at 7:30 p.m. at the Dub Goad home. Beverly Clark gave the motto and Ricky DeArment gave the pledge to the flag. Lynda Beatty called the roll and read the minutes. Danny Dorman and Ricky DeArment were appointed to see about the trash cans for clean up week. The cans will be sold to the public. Diane Weatherly, director, gave some games and led some songs for recreation. Mrs. Dub Goad gave a talk on electric lamps which will be made for the electrical show on June 30. Mrs. Leon Fillingim gave a reminder about the Favorite Food Show on June 15.

After the business part of the meeting there was a cook-out which later proved to be a cook-in because of the rain. Those present were: Mike Goad, Danny Dorman, Terry McCasland, Lynda Beatty, Beverly Clark, Leahanna Nowlin, Elizabeth Hubble, Marsha Lee, Diane Weatherly, Estelle and Mozelle Fillingim, Mrs. Leon Fillingim and Mr. and Mrs. Dub Goad. Visitors were Fred Goad and Bonny Sivage.

Beverly Clark, Marsha Lee, Donna Sue Ford, Estelle and Mozelle Fillingim, Terry McCasland, and Mike Goad will leave Monday for A&M where they will participate in the State 4-H Contest.

HIGHLIGHTS AND SIDELIGHTS FROM YOUR STATE CAPITOL

AUSTIN, Tex. — Crooked-hole well-drilling is the big news at the Capitol.

More than \$3,000,000 in penalties is asked by Atty. Gen. Will Wilson in the first suit brought by the state following "crooked-hole" investigations in the East Texas Oil Field. Suit contends that six oil wells were drilled in such a direction that they wound up under someone else's land.

Operators plugged two of them before Texas Railroad Commission engineers could check to see if the holes were straight or crooked. Suit asked \$1,000 a day for each day of operation of each well. Over a two year period, this comes to \$3,442,000.

Humble Oil and Refining Company brought a civil suit against another group of oil operators. Humble says that the operators' crooked wells ended under a Humble lease and have been draining off Humble's oil.

Safety in Age—If you live to be 100, you'll be safe from death by accidents.

State Health Department statistics reveal that not a single Texan over 100 years of age died in an accident in 1960.

Statistics also reveal that there's something to what they say about Texas weather. Deaths from extreme heat and from freezing both were reported during the year.

Biggest killer for all age groups, except those under one and over 75, is the highway accident. In the home, fire and explosion are the biggest killers. Falls are in third place.

Home ranks next to the highway as the scene of most accidental deaths.

Mental Patient Clinic — Board for State Hospitals and Special Schools is expected to act within the next week or two on whether to select a site in the Lower Rio Grande Valley or in the Beaumont area for an outpatient clinic for discharged mental patients.

Dr. C. J. Rullman, state director of mental health and hospitals, said the Board already has chosen the Fort Worth area for one of the two clinics authorized by the last legislature.

"Second will be established in South Texas," he added. Sites are being considered at Beaumont and Brownsville-Harlingen. Such clinics now are operating in Houston, San Antonio and Dallas.

Park Patronage Gains — State Parks system is showing substantial gains in patronage as compared with last year.

Bill M. Collins, executive director for the Parks Board, said that increases in the number of visitors particularly were noticeable at Garner State Park in Southwest Texas, Lake Corpus Christi, Palo Duro Canyon Park in the Panhandle, Bentsen Park on the Rio Grande border, and Kerrville and Buecher parks.

Total visitors in April, latest figures available, were 681,871, compared with 590,133 in the same month a year ago.

Dove Hunting Season — Texas will have representatives at a national dove conference in Washington on June 26 when length and dates of the 1962 hunting season will be discussed.

H. D. Dodgen, executive secretary of the State Game and Fish Commission, reports the outlook favorable for a good dove crop in Texas—both mourning and whitewing doves.

Vacation Reading Stimulated—Fourth annual "Texas Reading Club"—designed to encourage an interest in reading among youngsters—during their summer vacation—is under way.

Sponsored by the Texas State Library and participating libraries in 89 cities and towns, the program enrolled more than 16,000 young people this year. Harold J. Marburger, director of rural library services, State Library, described the reading club as the largest of its kind in the nation.

Youths who read 12 books on their reading level before August 31 will receive a reading certificate signed by Marburger and Dr.

Dorman H. Winfrey, director and librarian, State Library.

In addition, all youngsters who enroll will receive a "reading log" to keep a record of books completed during the program.

Books in many instances are being furnished by the State Library through inter-library loan, bookmobiles, multi-county regional libraries and through the loan of books of an extension service from the library field services.

Toll Road — Only toll road in Texas — the Fort Worth-Dallas Turnpike — seems to be making its way.

The Turnpike grossed \$3,245,797 last year, with operating expenses of \$3,071,168. It put \$1,641,977 into the fund to pay interest on the \$38,500,000 it borrowed to build the road, and to build up its total reserves to nearly \$5,000,000.

The Fort Worth-Dallas Turnpike is the only place in Texas where it is legal to drive 70 miles per hour.

Legislature allowed the Turnpike Authority to raise the speed limit to that figure.

Smokers Pay—Cigarette smokers are chipping in more than \$7,000,000 a month to the State Treasury under the 8-cent sales tax on each package.

Treasurer Jesse James reported income from the source to be \$7,700,558 in May.

Screwworm control — Fight against the screwworm fly has been extended northward. Reason is because truck-hauled livestock, infested with screwworms, crossed the control line which was being maintained by aerial distribution of sterile male flies.

Texas Animal Health Commission meets on June 11 to adopt a regulation requiring inspection of livestock as they cross the control line, and spraying them to make sure they do not carry the costly worms into clear territory.

A new distribution point was established at Comroe after outbreaks of screwworms were reported in East Texas.

Program is a bold effort to control this \$40,000,000-a-year pest. It is financed by the federal and state governments and by contributions from livestock owners. Most of the money is federal.

Governor's Appointments—Governor Price Daniel appointed former Attorney General John Ben Sheppard of Odessa to the Texas Industrial Commission to replace Robert L. Haynsworth of El Paso, who resigned. Commission has the job of attracting industry to Texas.

Governor Daniel moved Dr. Harvey Renner of Hallettsville from the board of directors of Texas A&T at Kingsville to the board of Texas Southern University at Houston. He named to the A&T board C. C. Winn, San Antonio; Leo Welder, Victoria; and Lewis Maples, Kingsville.

Hoyle Johnson, Palestine attorney, was named to the board of managers of the Texas State Railroad.

Carl Phinney of Dallas was put on the State Securities Board.

Business Pickup—Texas business activity improved in April by failing to lose ground as it had in February and March.

Bureau of Business Research at the University of Texas read its business barometers and concluded that April business was at 128.2 per cent of the 1957-59 average, up 17 per cent over April of 1961.

Strength in the sales of automobiles was a major factor in the leveling off from the all-time high reached in January with an index of 132.9 percent.

TWITTY NEWS

By J. Lloyd Rice

This region has much to be thankful for in the reception of a nice rain that fell just right. The young cotton really looks good now.

Brother Tommy Clay was the visiting preacher at the Church of Christ in Twitty Sunday while I was preaching in Shamrock.

Gene Milum just returned from Pampa Monday, June 4 about 5 p.m. and reported heavy rain and some hail up there. At this writing the clouds are threatening, but seem to be drifting to the west of us.

Melvin Pillers started to cut wheat Monday, but found too much moisture in the grain. He is not interested in another rain just at this time.

The Twitty congregation dismissed services Sunday night to attend the services at Shamrock.

The vacation Bible School at Shamrock started Monday morning with 108 present. Several from the Twitty community were there.

It looks like a man named Connelly will be our next Governor. Unless of course a lot of Democrats turn Republican in the general election. I am not much of a party politician. I like to be free to vote for men and measures.

I had just a few minutes with Mr. Ewell Steen from Briscoe in the Shamrock Hospital Sunday night. Must go back to see him. We pray that he soon gets well.

Mama said, "Come on we gotta get ready for church." When mamma says frog, I try to hop.
