There's fashion news both inside and outside of this Sherbrooke coat made of urethane laminated pebble jersey. It's shape — the A-line — is news and is helped by its inside news, the urethane foam to which the handsome tweed wool and cotton is laminated. Laminates are appearing more and more and, as with this coat, show that designers are putting more of them to work in high styles. The urethane laminate makes this coat wearable fall through spring. Back The Candidate Of The Birch Society? Never!

The Panhandle "Republican" candidate for Congress is a member of the John Birch Society an organization condemned for its unprincipled extremism by leaders of both parties, Republican and Democratic.

IS IT to the Republican Party that this candidate owes his loyalty?

OR IS IT to Robert Welch, the Birch Society dictator, who has made it clear he tolerates no deviation from his rule over Birch Society thought and

Weich called President Dwight D. Eisenhowerthe Republican's biggest name--"...a dedicated, conscientious agent of the international Communist conspiracy.'

IT IS NO WONDER THAT THE JOHN BIRCH SOCIETY DRAWS **BIPARTISAN CONTEMPT!**

Said Eisenhower: "Those who take extreme positions in American political and economic life are always wrong."

Said Richard Nixon: "We need good, strong anti-Communists in this country. But I realize that those who exaggerate, those who make a racket of it, hurt the cause."

Said Barry Goldwater: "I am not close to the John Birch groups."

On a recent NBC Chet Huntley television program, the national chairman of both the Republican and Democratic Parties disavowed any link with the Birch Society.

Comfort, silence and luxury to challenge any car from anywhere

There's a lot underneath the beauty of the '63 Chevrolet. Its roomy, comfortable Body by Fisher screens out noise and shock. There's instant response in a choice of 6- or 8-cylinder engines, a host of refinements to make it run and look like new longer, and plenty more that make it hard to believe it's a low-priced car. But your Chevrolet dealer can prove it!

Ask about "Go with the Greats," a special record album of top artists and hits and see four entirely different kinds of cars at your Chevrolet dealer's -'63 Chevrolet, Chevy II, Corvair and Corvette

THEATRE Wheeler, Texas

By Laura Guthrie

For Saturday night at the mowies there is one of those vehicles that is made to order. SASKAT-CHEWAN is a high rated outdoor western that keeps us in our seat. The background in the northern Robert Kelley and Miss aMry woodlands produces an exhilarat Helen Gudgel, escorted by Tony ing experience. Fine entertain- Dickey.

What could be more up to the minute than Chuch Connors, the TV personality? On the big wide screen in color he plays the un-RONIMO. Of course this name means trouble between "Indians and Whites". But against the vis tas of the early southwest this strait-faced, battling man regis

A friend of mine ask if I had any idea what the Monroe Doctorme waz and I told him it must be some kind of patened cure for a be with Darrouzett. Cold or the Croup. He died laughand told me to read it.

I got out all the books I had and finally found it in an ole History book we had used to press butterflies. Got to readin and nomeed it wuz written over a hundred years ago and sounded pursensible. Puttin it in my terms meant this to me:

LET'S RE-ELECT OUR DEMOCRATIC STATE REPRESENTATIVE

GRAINGER McILHANY

EXPERIENCED LEGISLATOR: GRAINGER Mc Ilhany is respected by his fellow members-has the unique record of never having a bill up for final passage defeated in the House; McIlhany is now in point of service one of the top ranking members of the Legislature.

RECORD OF PROVEN ACCOMPLISHMENT: GRAINGER McILHANY is seeking your support on the basis of his work for this District and our State. McIlhany believes that a candidate should run on his own qualifications rather than a campaign of "mud-slinging".

COMMENDED by Texas Sheriff's Association for his work for better law enforcement; Mc-ILHANY is author of many bills for narcotic control, traffic safety, curbs on juvenile delinquency, and bans of lewd and indecent literature.

PROVEN LEADER FOR GOOD SCHOOLS and state institutions efficiently managed. McIL-HANY is now representing the State of Texas on the Graduate Commission of the Southern Regional Education Board upon the nomination of Texas A&M College.

WATER CONSERVATION: Member of the House Conservation Committee; helped sponsor enabling legislation for Canadian River and Greenbelt Water projects; co-sponsor of adopted constitutional amendment for state loans to finance Texas water conservation projects; author of bills passed to validate the creation of water districts in Gray and Collingsworth Counties.

OIL AND GAS: GRAINGER McILHANY is a member of the House Oil and Gas Committee and has been recognized for his leadership in protecting the rights of royalty owners and producers of the Panhandle.

CO-SPONSOR OF ORIGINAL FARM ROAD BILL passed in 1949—thirty-five thousand miles of road have been built under this program. HOUSE SPONSOR of bill passed this year to provide separate maintenance funds for farm roads and relieve the primary highway fund of this expense.

FOR LEADERSHIP IN FARM AND RANCH LEGISLATION, GRAINGER McILHANY, Chairman of the House Agriculture Committee, has been commended by the Texas Animal Health Council, Texas Farm Bureau, Texas Association of Soil Conservation Districts, and Texas Vocational Agricultural Teachers Association. McIlhany is author of legislation creating Northwest Texas Farm Demonstration program which has demonstrated improved crop varieties and fertilizer research. Improved crop yields in the Eastern Panhandle area have added to our economy.

GRAINGER McILHANY is Chairman of the special House Committee to Safeguard State Lands. This committee of the Legislature is presently working with the Attorney General and the Texas Land Commission to prove up the State's claim to many tracts of submerged land along the Texas Gulf Coast. Income from all tracts recovered will go into the permanent school fund and benefit ALL the school children of Texas.

GRAINGER McILHANY PLEDGES his continued effort to secure the passage of an effective small loan bill and rid Texas of loan sharks. He also pledges to keep working for the correction of inequities in the present sales tax. McIlhany voted against the passage of the conference committee plan which is the present sales tax because its complicated provisions create an unreasonable hardship on the people of Texas.

exans don't want a Puppet Governor!

Connally has always taken orders from Lyndon Johnson!

LOOK AT THE RECORD:

In 1937, before Connally graduated from college ne was working in Lyndon Johnson's first race for Congress. Following Johnson's election, Connally went to Washington as Congressman Johnson's assistant.

In 1948 Connally managed Johnson's Senate campaign, (87 vote landslide) which involved the scandalous vote frauds of Duval County and Box 13 in Jim Wells County. Johnson took Connally back to Washington as administrative assistant (top man) in his Senate office.

Late in 1949 Connally joined the law firm of Powell, Wirtz and Rauhaut in Austin. State Senator Wirtz was Under Secretary of the Interior when he resigned his Washington post to return to Texas to run Johnson's first Senatorial campaign in 1941.

In 1952 John Connally went to work for Fort Worth oil man, Sid Richardson. Attorney General Will Wilson said, "Sid Richardson did not hire (Connally) for his training or knowledge. Sid Richardson hired him because he was LBJ's anager." Lyndon Johnson had this comment on Mr. Kichard "Nobody did more to send me to the Senate than the late Sid Richardson." Fort Worth Star Telegram, January 12, 1961.

In 1956 Lyndon Johnson tapped Connally to place Johnson's name in nomination for President at the Democratic National Convention.

In 1956, 1958, and 1960 Connally was picked to lead the Johnson forces in

the county and state conventions. In 1960, Johnson called on Connally to lead the drive to obtain the Presidential

nomination for him. Later, Connally was active in Johnson's Texas campaign. As a reward, Connally was tagged for the post of Secretary of the Navy shortly after President Kennedy visited Vice-President-elect Johnson's ranch. The New York Times termed Connally's appointment as "Mr. Johnson's biggest

patronage plum." (June 4, 1962) In 1961 Connally, after less than a year on the job he pledged to fill for four years, resigned to run for Governor of Texas. Time magazine said Connally's announcement for Governor "certainly seemed to carry Lyndon Johnson's political fingerprints." (December 22, 1961) After Connally's victory over Yarborough, Time said "His mentor Lyndon Johnson thus tightened his grip on the Texas Democratic organization." (June 8, 1962)

All over Texas long-time Lyndon Johnson backers are spearheading Connally's million dollar campaign. Why? Federal pay offs from the Kennedy-Tohnson team.

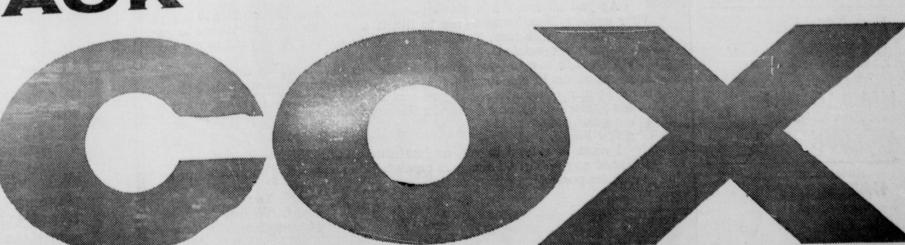

With this background it's an insult to Texans' intelligence to pretend that John Connally is not the hand-picked candidate of Lyndon Johnson. Thinking Texans will reject this brazen attempt to merge State and Federal patronage into one gigantic political machine run out of Washington by L. B. J.

Jack Cox is independent! He has no obligation to any one but the people of Texas. He owes no favors to the special interests in Texas or to anyone else. He will not betray the future of the people of Texas to get big name endorsements and big money contributions.

Texans who want to keep Texas independent of Washington control will vote for...

As you all know my prescription business depends upon you to bring your prescriptions home to me to fill, if and when you might have to go out of town to doctors. Those of you who do bring them back to me are very much appreciated.

I want to assure you definitely that my prices are as fair and equal as those stores in our surrounding towns. My prescription stock is as Complete as any other store and you can be assured that I will have the drugs prescribed by any doctor in Shamrock, Canadian, Pampa, or any other nearby doctor. If I do not have it, I will get it for you in a matter of a few hours.

I want to extend to you an invitation to come in even though you do not need any thing. I have just repainted the store and remodeled it as much as possible.

Thank You Hyland C. Weaver Pharmacist

LET'S KNOCK OUT New Frontier SOCIALISM

VOTE FOR

WARREN FATHEREE

Republican Candidate

for

STATE REPRESENTATIVE

Warren Fatheree Believes in a return to constitutional government and individual responsibility. He pledges to support only those candidates for office who will uphold those principles. (THE INCUMBENT SUPPORTED THE NEW FRON-TIER IN 1960 AND WILL BE OBLIGATED TO THEM ONCE AGAIN IN 1964, IF RETURNED TO OFFICE.)

Warren Fatheree believes in sounder economy and financial responsibility at all levels of government. (IN 1961 WITH THE STATE OF TEXAS OVER \$100,000,000 IN THE RED, THE INCUMBENT VOTED AGAINST AND HELPED DEFEAT BY ONLY 5 VOTES A BILL WHICH WOULD HAVE CUT \$25. 000,000 FROM THE STATE BUDGET BY ELIMINATING WASTEFUL EXPENDITURES OF THE MANY DEPTS.)
