SINGLE COPY 5c

We Thank You

of the nicest things we have ever experienced was when we were presented with a "Congratulation" by some of our friends.
... and thrills in one's life bring moments to be treasured through the years and this was one we certainly will not be forgetting soon.
Each of you participating in this deed we simply say most kind and thoughtful and sincerely appreciated.
Louis C. Stas and Victor Porter

SERVICES TO BE HELD AT ALLISON FOR L. H. HALL

Funeral services will be conducted today (Thursday) at 2:30 p.m. for Lonnie Hoyt Hall, 52, at the Allison Church of Christ.
Mr. Hall was born in Cannon County, Tennessee March 10, 1910 and died Oct. 9 at 6 p.m. Death came to Mr. Hall in the Shamrock Hospital following a five hour illness.
A farmer residing eight miles northeast of Allison, Mr. Hall came to this area in 1938 from Sentinel, Okla.
Minister Claude Walkup of Gould, Okla., will officiate at the service.
Survivors include his mother, Ella Hall, Elk City, Okla.; four brothers: Rayborn Hall, Pampa; Vernon Hall, Allison; James Hall, Allison; and Jesse Hall of Allison; three sisters: Mrs. Ruby Wallace, Sweetwater, Okla.; Mrs. Evelyn Dukes, Allison; and Mrs. Lavell McMillen, Tulsa, Okla.
His father and one sister preceded him in death.
Serving as pall bearers will be: Collier Parker, Ray Brown, Ernest Begert, Bruce Harrison, Rex Miller and Zeland Rainey.
Interment will be in the Wheeler Cemetery under the direction of Kirk Funeral Home.

7:30 GAME TIME

Mustangs Trample Estelline; Meets McLean Friday Night

MISS GRAIN SORGHUM OF THE NATION OF 1962: is beautiful Sondra Stargel, daughter of Mr. and Mrs. Cecil Stargel of Memphis, Texas. She is pictured above in the DeKalb Agriculture Association booth of the Tri-State Fair holding a Texas-size sorghum head exhibited by DeKalb. Miss Stargel is 18 years old and entered Texas Tech College this year as a Freshman. She will major in Elementary Education and plans to become a teacher. Sondra also won the Miss Memphis Beauty Contest, the District One Farm Bureau Queen Contest, and was runner-up at the Miss Wheatheart of the Nation Contest.

Things You Should Know

Wheeler County was well represented at the County Judges and Commissioners convention held in Dallas last week.
County officials and their families attending included: Judge and Mrs. George Hefley, Glenna and Wilma, Mr. and Mrs. W. O. Pendleton, Mr. and Mrs. Shelby Pettit, Mr. and Mrs. Clois Hanner and Mr. and Mrs. Ernest Henderson.
Neil Rogers presented the program at the Kiwanis Club's regular luncheon meeting Monday. Rogers showed slides and gave a report on his recent trip as a delegate for the United Nations Pilgrimage for Youth at the U.N. headquarters in New York City. The tour included parts of 20 states and Canada.
Word was received in Wheeler that Dana McDaniels, four year old daughter of Mr. and Mrs. Marvin McDaniels of Socorro, N.M., was accidentally killed Saturday morning.
The child was playing when accidentally struck by a neighbor's car.
Mrs. McDaniels was the former Jackie Crowder of Wheeler.
A spokesman for the Band Boosters Club reported that approximately \$100 was made from the sale of circus tickets.
The club expressed thanks for the support of the general public for such fine cooperation.
Candy sales are being sponsored by the club and anyone wishing to have candy delivered to them are asked to contact Mrs. Earl Barnes or Mrs. Hiram Whitener.

The Wheeler Mustangs trampled the Estelline Bearcats 36-0 in an easy victory at Estelline Friday night with every member of the local squad, both regulars and reserves playing in at least two quarters of the game.
In the opening moments of play Wheeler fumbled with Estelline, recovering the kickoff. Wheeler also fumbled its first play of scrimmage but were able to immediately gain control and confidence which enabled them to hold the Bearcats scoreless.
In the second period of play Burks scored from five yards out with Hunter converting to account for the first eight points. Then Hunter ran four yards for the second TD with Porter converting to make it 16-0 midway in the quarter.
Wheeler's third payoff came when Porter raced thirty yards to bring the score to 22-0 as they entered into the third period.
Porter again thrilled the crowd as he scored his second TD from a 30 yard run. Hunter converted to tally 30-0.
Rogers raised the Mustangs total to 36 as he scored from 40 yards out to end the night's scoring.
The strong Mustang defense limited Estelline to one first down during the game. The Bearcats cross the 50 yard line.
Coach Grady Burnett praised the team for its fine spirit and made special note of the defensive showing of Rogers, Jamison, Owen, Porter, Hunter, Sims, Dorman and Overcast.
No serious injuries have been encountered and the high spirited lads seem to be in good shape for the bout with the McLean Tigers Friday night at McLean.
Friday night's game will begin at 7:30 p.m. as well as the rest of the season's games.

Chat with The Editor

COUNTY'S SABIN ORAL SUNDAY TO BE NOVEMBER 4

Plans are being developed for the most intensive county-community effort in the history of this area which will be launched Sunday, Nov. 4, when the first mass Sabin Oral Sunday will be held in Shamrock.
The immunization program, sponsored by the Shamrock Chamber of Commerce, has whole-hearted endorsement of the Greenbelt Medical Society of which Wheeler County medical doctors are members.
With the hope of stamping out polio, all people between the ages of six weeks and 106 years are urged to turn out at the immunization station to receive their dose of the new Sabin oral polio vaccine.
Shamrock High School cafeteria has been designated as immunization station. Time will be 1:30 p.m. until 5:30 p.m.
Plans are being perfected to handle the line of polio vaccine requests rapidly and efficiently. Vaccine will be administered free to those unable to pay. It is the usual procedure, however, for those getting the immunization to leave a minimum donation of 25 cents—which is about the actual cost.
Watch the Times for more details concerning the Sabin Oral Sunday.

OPEN HOUSE FOR SCOUTS TONIGHT

Dear Parents:
You are invited to a very special meeting of importance to your son. An "Open House" for scouting will be held at your school for the purpose of showing you and your son what the scouting program has to offer.
Your son can actually become a member at the open house. Leaders from the cub packs serving the school area will be present. They will help you to enroll your son and explain your part in the program.
What does it cost to join? Membership fee is \$5.00 a year, and you can subscribe to the magazine for all scouts, "Boys' Life", for just \$1.50 a year.
Please be sure to come. Your attendance does not obligate you to enroll your son. However, if he wants to become a cub scout this fall, this is the best time. Only one "Open House" will be held. Your boy must be accompanied by at least one parent or guardian to attend the meeting. We hope both parents will attend. Don't let your son down by not attending.
This meeting is for all boys not registered as cubs. The boy must be 8 years of age. You will be given complete information on the scouting program at the "Open House". Mark the date on your calendar right now!
The "Open House" will be held tonight, Oct. 11, at the school cafeteria at 7:30 p.m.

BOY SCOUT FUND RAISING STARTS

The annual fund raising drive for the Boy Scouts of America will be held in Wheeler in Tuesday, October 16.
Team leaders for this drive are Virgil Jamison, Jr., Thomas Daughtry, Watson Burgess, Robert Denson and Thurman Rives. Each leader will select a team of five workers to contact local Boy Scout Supporters.
David Britt is advance gift chairman; Joe Rogers is drive auditor; and Grainger McIlhenny is drive chairman.
All drive workers will have breakfast together at Nora's Cafe at 7 a.m. on Oct. 16 to make final plans for carrying out the campaign that day.
The funds raised support scouting for the Adobe Walls Council of which Wheeler is a part. These funds also help maintain Camp Kiowa at Canadian.

Local Colts Defeat Irish

The Wheeler Colts overpowered the Shamrock Little Irishmen 28-22 in a thriller Thursday night at Nicholson Field.
Bobby Vanpool accounted for 26 of the Colts' points while David Jamison contributed two.
Every member of the team saw action in the evening's tangle with the Little Irishmen.
The sixth graders lost their scrimmage bout 6-0.
According to Coach Richard Gaines the Colts will be playing this week but will travel to Shamrock Oct. 18 for another tangle with the Irish.
Both the Colts and sixth graders are scheduled to play at Shamrock.

Booker Defeats Hornets

The Mobeetie Hornets traveled to Booker Friday night and were defeated 22-8.
All of the scoring came in the first half of play.
Ray Coreoran ran 65 yards for Mobeetie's TD and also accounted for two extra points.
Mobeetie's other points were scored by a safety.
Scoring six points each for Booker were Donnie Eccles, Tom Mounsey and Bill Hughes while John Kenney accounted for two.
A safety brought the total to 22.
First Downs 7 5
Yards Gained Rushing 188 101
Passes Attempted 10 12
Passes Completed 4 5
Passes Intercepted 1 1
Passes Lost-Penalties 5 115
Yards Lost-Penalties 5 115
The Hornets host Lakeview Friday night.
Game time is 7:30 p.m.

Punt, Pass & Kick Contest

Wheeler area grade school boys from seven through 11 can pit their football skills against thousands of other boys throughout the nation in the second annual Punt, Pass & Kick competition which will culminate with a White House reception and an appearance at the National Football League Championship game for the top ten winners.
Sponsored nationally by the Ford Division of Ford Motor Co. and the National Football League, the Punt, Pass and Kick Program, or PP & K, will be staged in Wheeler by Vanpool-Burton Motor Co.
Area youths will be tested for their ability to punt, pass and kick (using a kicking tee) footballs on the same day as thousands of other boys all over the country, with warm-up jackets, football helmets and autographed footballs to be given as first, second and third prizes for each group, or five top area winners in all. Scores throughout the state then will be compared to determine the five top Texas winners, and these scores compared to determine the most skillful seven, eight, nine, ten and eleven year old fledgling football stars in each of the areas covered by the telecasts of the 14 National Football League Teams.
Area winners and their father will receive all-expense paid trip to a National Football League game in their area, and will compete during half-time to determine the five top Eastern Division winners. These ten boys will visit Washington and the White House, accompanied by their parents, and then will go to the site of the NFL Championship game, for half-time competition to determine the five National winners.
Pete Burton of Vanpool-Burton Motor Co. pointed out that there is no body contact necessary in the competition, no charge for entering and no special equipment needed. "Registration will be open through out October," he said, "with Vanpool-Burton Motor Co as the registration headquarters."
"Last year, the first year of PP & K program more than 200,000 boys entered the competition," he said, "and President Kennedy said, 'Programs of this type will enable our youth to build the energy and strength that is their America.'"

\$182 Million Available For Housing Loans

The rural housing program is also a driving force in rural areas development. The construction carrying on with the funds provides work for local carpenters, masons, plumbers and electricians and supports the sales of building supplies dealers and other merchants in the small rural communities. The in small rural communities, the workmen wages received by the workmen are in turn circulated through local trade channels, invested in local enterprises. The effect of the housing dollar is multiplied many times before it is diminished.
"In addition the housing loans are helping to stabilize and strengthen rural communities by creating the type of house construction that makes communities desirable places in which to live.
"Here again the impact of the program multiplies, for the new homes built with Farmers Home Administration loans provide guide lines to the community in the economical construction of homes. In many areas the construction of these homes has stimulated the investment of private capital in similar types of construction.
"The program has also been highly successful so far as repayments are concerned." The Secretary said. More than \$417,000,000 has been advanced in rural housing loans since 1949. Principal and interest payments total \$147,000,000. Only \$86,000, or two one-hundredths of one percent have been written off as uncollectable.
Rural housing loans may be used to construct, modernize or repair homes and farm service buildings. They are available to farmers and residents of rural communities who cannot obtain credit from other sources.
Under the Rural Housing Program the Farmers Home Administration has made in Texas over 2,700 loans for over \$20,440,000. There have been no losses on these loans. As of December 31, 1961, these borrowers had paid over \$5,966,000 on principal and \$2,879,000 on interest, which leaves only about \$14,474,000 owed or principal. 665 of these borrowers have already paid their loans in full ahead of their maturities.
Mrs. C. H. (Grandma) Clay will be celebrating her 90th birthday Sunday at the home of her daughter, Mrs. Madge Page at McLean.
Mrs. Clay, well known former Wheeler resident, would be most happy to have any of her friends and relatives visit her on that day.
Greeting cards can be addressed to Mrs. Clay in care of her daughter in McLean.
Court convened Monday in Wheeler for the 31st Judicial district with all cases being disposed of or passed without action from the jury.
Forty petit jurors had been summoned for the cases on Monday's docket.
The next jury week was tentatively set for Dec. 17th.

SCD Supervisors Held Monthly Meeting; Call Special Meeting Oct. 13

The supervisors of the Wheeler County Soil Conservation District met for their regular Saturday afternoon meeting at 2 p.m. in the Soil Conservation Service office in Wheeler.
Chairman Dusan Pakan presided with supervisors H. J. Finsterwald and B. A. Schlegel attending.
There were many items of business to discuss. So many, in fact, that a special meeting has been called for next Saturday afternoon, Oct. 13, at 2:30 p.m. in the SCS office in Wheeler to complete the month's business.
At this meeting, in addition to regular business, the board reviewed the inspection report for the flood prevention structures on Gageby Creek. All structures were in good shape. Although a good stand of grass is present a satisfactory cover has not been obtained according to SCS standards. As soon as the dam and spillways are satisfactorily grassed they will be turned back to the sponsoring local organizations, being the Wheeler County SCD, and the Wheeler County commissioners court.
The hiring of a part time secretary for the Soil Conservation Service office was discussed. The SCD board feels that by hiring this secretary the SCS people will be able to spend more time in the field to help you solve your conservation problems. This matter is still under consideration and will be discussed further at next Saturday's meeting.
To further soil conservation the SCD board feels that an outstanding informational program is needed in the SCD. People should be acquainted with the resources available to them through the SCD for soil conservation.
The supervisors plan on meeting with the new publishers of the Wheeler Times and the publishers of the Shamrock Texan to discuss effective means of getting the conservation story to you readers in a more effective, informative manner.

Mr. and Mrs. Burley Mann and Mrs. Minnie Starkey spent the weekend in Perryton. The Manns visited their daughter, the Don Alexanders, while Mrs. Starkey visited her son, the Harold Starkeys.

Mrs. Merle Norman and son of McLean visited in Wheeler last Saturday with her mother, Mrs. Altha Hunt.

Mr. and Mrs. Ferrell Baird, Tamra and Teresa visited last week with Mr. and Mrs. Coy Revis.

AGRICULTURAL AGENT'S NOTES

By CHARLES D. JACKSON
County Agricultural Agent

Incidents have been reported in which small numbers in groups of treated animals died as a result of phosphate poisoning after being sprayed with Co-Ral. These incidents have been reported by various livestock producers over the State.

Apparently a limited number of batches of Co-Ral which was produced in August, 1962, was improperly manufactured or formulated. The company has stopped sale on all lots of Co-Ral which they consider questionable. We do know that if Co-Ral is properly manufactured, formulated and applied that it can be used safely and effectively. However, the responsibility for the proper manufacture of the material rests with the company.

Extension entomologist experiences with both Ruelene and Co-Ral indicate that both materials are highly effective for control of cattle grubs and other external parasites, but they have been manufactured, formulated and sold.

Because of the importance of these two insecticides to the livestock industry, especially for grub control, the extension service is continuing to recommend Co-Ral and are adding Ruelene spray to our recommendations but with

certain limitations. Ruelene as a spray and Co-Ral as a spray, dip or pour-on should be recommended and used only when the owner of livestock to be treated is fully aware of the dangers involved and accepts responsibility for any injury to treated animal which might occur. Because of continuing difficulty (chemical burn) encountered with the use of Ruelene as a pour-on, it cannot be recommended to be applied in this manner until a more satisfactory formulation is available.

The days of the horse are gone, but their value in Texas is greater than all the state's goats or all its hogs. Horses are generally becoming fewer yet Texans can still brag that it has the most, with the largest total farm value and worth more each than the nation's average horse, according to Ed Uvacek, of Texas A&M College. Texas horses are valued at \$1 million dollars.

NOTE OF THANKS
May I take this means of expressing my thanks to all my friends for their many acts of kindness, visits, flowers and cards during my recent stay in the Shamrock Hospital and also since I returned home.
May God bless each of you.
Bertha Steen

FOR SALE

The Arkansas Louisiana Gas Co. offers FOR SALE seven houses. One is located at the Twitty station, one at the Pitsch station, and 5 located at the Kellerville Station. Sealed bids will be taken. Contact Mr. L. G. Clay at Twitty Station, BL 6-1821, to place bids and for inspection of houses. The company reserves the right to reject any or all bids. The buyer will remove houses from company property within 45 days after purchase. No bids will be accepted after Oct. 18, 1962.

THE CHURCH FOR ALL... ALL FOR THE CHURCH
The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

This is the best bubble he has ever blown, big and shiny and full of rainbow lights that shimmer gaily as he blows... and blows... and blows...
Inevitably, there will come the moment, when he will blow too hard and the bubble will burst. And then what was a thing of bewitching beauty will have vanished into air.
Some of the brightest-appearing things in life are no more stable than bubbles. They can shatter in an instant. But there are values that endure... the kind of values we learn in Church. The Church can help us achieve something solid and real, and the faith it teaches us is in no danger of disappearing today... tomorrow... or ever.

THURSDAY, OCTOBER 11, 1962

**Resident Tells
Court Days**

Hill of Shamrock, well known in the Wheeler District courts, for the years recently recalled practice started in Wheeler in October, 1912. During those early days Mr. Hill gave the district judge at that time Greener, W. R. Ewing, Attorney, M. V. Sanders, J. M. Griffin, Clerk. Those selected to serve were: C. A. Burch, A. C. West, W. H. Brady, Sr., Glenn King, F. R. Scarborough, H. Flannery, Williams, D. R. Harde-
Ricke, J. H. Templeton, J. F. Witt, T. E. C. W. Shaffer, E. H. Porter, E. D. Randolph, Whitener.

**ALL ABOUT
YOUR SCHOOL**

By Arling Cordell
Wheeler Schools

One of the areas in which our school's curriculum is due to be expanded, is in the teaching of physical education. Mr. Weldon Trice, athletic director of Pampa City Schools, made an inspiring talk to The Wheeler P-TA on Monday night, explaining the Pampa system's efforts to begin teaching all the pupils of all grades in regular classes of physical education. Mr. Bud Wilkinson, director of the Nation's Council on Youth Fitness, has pointed out the need for building up our youth physically, thereby helping them mentally and emotionally as well. Everyone is making a special effort in order to be prepared for our first 6-weeks tests on Thursday and Friday. We hope none of our pupils will fail, but if they do, now is the time to find out what their weaknesses are. This is one of the most important ways in which teachers and parents can help the pupils to improve. A test is somewhat like a doctor's diagnosis. What good would it be if, after the doctor examines the patient, nothing was done to treat the ailment? Yet this is what quite often happens after testing a school. Let's begin to follow up our tests with a serious effort to find out where the weaknesses are. Quite often these weaknesses stem from an inability to read, to write, to speak and to listen. These are the fundamentals upon which all education is built. If we, the teachers, parents, pupils—will work on these areas faithfully, there will be no failure.

**Defoliation of Cotton
Too Soon Will Cause A
Big Loss For Farmer**

If and when to defoliate is more than likely one of the problems cotton farmers are considering at this time. Defoliating to the cotton farmer is a very important step in harvesting, but it can also be very costly and damaging if used too early. Maturity of the cotton boll is the prime factor to be considered cautions K. E. Voelkel, in charge of the U. S. Dept. of Agriculture Cotton Classing Office, Memphis, Texas. An extension service bulletin suggests that at least 60 percent of the bolls on a cotton stalk should be open before defoliating. The bulletin gives detailed instructions on defoliating, types of materials available, and conditions under which they are recommended. Maturity is of prime importance because when the defoliant is applied and becomes effective, the maturity processes are stopped. Then when the cotton is harvested, which in most cases includes mature and immature bolls, chances are that the classification assigned to the staple length will be Wasty. Wasty cotton is defined as cotton which has a fiber that is weak, irregular and immature, and such cotton carries a price penalty. If too many bolls are immature, the lint turnout is usually reduced, so the farmer that defoliates too early loses in two ways—a reduced price and less cotton. Your County Agent has a bulletin which gives specific and detailed information as to when, how and what of defoliants. It would be wise to study all information available before defoliating your cotton. Betty McMardie of Canadian visited Monday in the home of her grandmother, Mrs. Chan Helton and Oma Dyer.

**Thespian Troup Initiates
New Members At Holts**

Thespian Troup 1637 of Wheeler High School met Thursday evening in the Robert Holt home for the initiation of new members. Bill Pierce, president of the organization, conducted a business session. Kelly Bowles read the minutes and gave the financial report. David Dunn, program chairman introduced each new member who presented a number to the club to demonstrated his talent. New members participating were Helena Ford, Marvin Hess, Bud Kidwell, Sherry Barnes, Billy Overcast, Terry McCasland, James Hubble, Mike Gandy, Kent Sims, Bobby Ely and Henry Lewis. Other members present were: Gwen Barnes, Marilyn Nash, Elizabeth Wiley, Richard Parks, Carol Gandy, Wand Pierce, Catherine Lancaster, David Dunn, Bill Pearce, Kelly Bowles, Mickey Pride and the hostess, Mary Holt. Adults present included Mr. and Mrs. Carroll Killingsworth and Mr. and Mrs. Robert Holt. Refreshments of punch and cookies were served.

**Amarillo Panhellenic
Luncheon Held Recently**

The annual Amarillo Panhellenic Luncheon will be given Oct. 16th at 12:30 at Tascosa Country Club. Any Panhellenic member is welcome. Those who are not affiliated with one of the eighteen local sororities may call Mrs. Vance Hall at EL 6-8378 for reservations. Mrs. Hall's address is 2702 Teckla. The luncheon fee will be \$2.00. The new officers of Panhellenic are Mrs. Henry E. Bryan, president; Mrs. J. W. Bowers, member of Delta Delta Delta, Gama Phi Beta, vice president; Mrs. R. O. Mills, Kappa Alpha Theta, secretary; Mrs. P. R. Garre, Kappa Delta, treasurer.

Mr. and Mrs. Perry Helton of Colorado Springs and Mrs. Freddie Hodges & Carmille of Oklahoma City were weekend guests in the home of Mrs. Chan Helton and Oma Dyer. Mr. and Mrs. Helton returned home by the way of Amarillo where they visited Mrs. Andy Anderson and Jimmy.

Master Gland Key to Health

Why can some persons quickly and easily throw off every infection while others constantly wage a losing battle against one germ after another?

Why do most individuals react with overwhelming success to a vaccine, while it has very little effect on other persons?

Is there perhaps a master gland that triggers the immune reactions? "Yes, it's the thymus gland," says Dr. Robert A. Good, research professor of pediatrics at the University of Minnesota, and March of Dimes grantee. Dr. Good recently won the annual award medal of the American Society for Experimental Pathology, much of his work being done with National Foundation financial support. Dr. Good presented new evidence greatly strengthening this theory about the thymus gland in a paper he delivered before the Federation of American Societies for Experimental Biology at Atlantic City.

He detailed the results of experiments carried out in collaboration with other scientists which, he said, provide evidence that the thymus is a key organ in the body's endless struggle to protect itself against harmful substances. The thymus is located behind the breastbone in humans. Much of Dr. Good's study was based on observation of 123 patients with agammaglobulinemia, a rare disease occurring most often in children whose bodies fail to produce gamma globulin, the substance in the blood which forms antibodies to fight off invasion by germs and other foreign substances. Further study showed the association of other diseases with agammaglobulinemia, including a high incidence of rheumatoid arthritis and related diseases; leukemia and Hodgkin's disease (cancer of the lymph glands), and other disabilities suspected to result from malfunction of the immune system. This led Dr. Good and his associates to the thymus as the important organ of immunity. The theory was tested by removing the thymus of rabbits less than five days old.

In his Minneapolis laboratory, Dr. Robert A. Good, March of Dimes research grantee in arthritis at University of Minnesota School of Medicine, checks an X-ray film.

They proved later to be unable to form antibodies in any way and thus could not throw off disease.

Secondly, Dr. Good found that these same animals would accept skin grafts from other rabbits. Normally, skin can be transplanted only between identical twins. By this means the doctor was able to show how the natural barriers to tissue transplantation can be knocked down merely by removal of the thymus in the newborn. This phenomenon, the Minnesota pediatrician believes, has a human parallel, namely agammaglobulinemia, where antibodies are usually absent. For example, one of the children with this disease now under study by Dr. Good's group has been carrying an intact skin graft for more than seven years—even though the skin had been taken from a unrelated donor. Studies of this sort, Dr. Good pointed out, have been possible only during the last decade since modern treatment has enabled the survival of children with immunologic deficiency diseases, and new laboratory techniques made possible the accurate analysis of blood and tissue components. "We are gradually getting

much closer to understanding the whole process of immunity and its relation to disease," Dr. Good said. "We now can see a real possibility of learning how to manipulate and overcome the natural barriers to transplantation of human organs, such as the kidney, as well as other tissues. "It's tempting to speculate that someday we may have thymus gland banks just as we now have blood banks and bone banks, in order to supply thymus tissues for persons whose immune response is below par. This may also provide us with a means of altering an individual's immunologic pattern by implanting foreign thymus cells when the need arises." The March of Dimes-supported scientist pointed out that further studies of animals artificially deprived of the ability to produce antibodies are urgently needed to provide insight into rheumatoid arthritis and other diseases which occur in patients with agammaglobulinemia. Fundamental research aimed at unraveling these disease mysteries is already under way with March of Dimes support at medical centers throughout the country, including Dr. Good's laboratory.

WHEELER COUNTY

Soil Conservation News . . .

Conservation and water in the Sweetwater Creek Watershed is being speeded up by several landowners. Paul Green, Jack Garrison and Gwyn Edwards have ponds under construction.

Garrison will divert a drain that has given severe silt damage to his meadow. The diversion terrace will empty into his new pond.

Jim Magruder has built terraces on his farm on Sweetwater Creek. The terraces are level with closed ends.

Howard Caswell has built a diversion terrace and changed the spillway on his pond.

Several landowners have developed or revised their farm plans. New plans are for Paul Green, Elmer Lowry, Fred Waters and Leon Bullard.

One of the revised farm plans was on C. E. Roper. Mr. Ballard is improving his farm by seeding grass, developing a conservation cropping system and properly using his ranges.

The Great Plains Conservation Program committee composed of John O'Gorman, chairman of the ASC county committee, John Manning, FHA supervisor, Charles Jackson, county agricultural agent, and Bill Brooks, work unit conservationist with the Soil Conserva-

tion service, met October 5, 1962. Needed improvements were revealed and a priority was established.

Charles Jackson, Wheeler county agent, was in charge of the election for the Soil Conservation District supervisor for the north west part of the county.

Supervisor Farmer Hefley was re-elected. A very interesting program was given by Dwane Scott, farm demonstration assistant with the extension service, on demonstrations on fertilizer and weed control in the county.

The Wheeler Work Unit staff of the SCS have been making Civil Defense alert reports.

Should this area ever be affected by radio-active fall out from an atomic attack, or by nuclear accidents, the SCS staff will be working with the Civil Defense board for local and national safety. Their primary responsibility is to monitor the fall out to determine the amount of radiation present and predict the expected amounts of radiation at future hours and dates.

Every person is encouraged to learn how to protect himself and his family in case the need arises.

Phamphlets on civil defense available at local agricultural offices to teach personal safety.

Bill Chapman is a patient in the Northwest Texas Hospital in Amarillo.

Mrs. Irene Sivage and Palmer have been in Odessa visiting with their sisters, Mr. and Mrs. S. A. Cook and Mr. and Mrs. Gerald Galloway.

Mr. and Mrs. Glenn McBride of Coffeewille, Kan., spent last weekend here with their daughter and family, Mr. and Mrs. Grady Burnett, Royann and Ricky.

Mr. and Mrs. N. D. Ware, Sr., had business in Oklahoma City last week.

Mr. and Mrs. Arden Kenady of El Paso spent the past weekend with their parents, Mrs. Lillian Lee and Mr. and Mrs. Harold S. Kenady and Sidney Ann.

Master Larry Anderson of Beaver, Okla., and Mrs. Irvn Hink of Keltion visited recently with their mother and grandmother, Mrs. Eva Henderson.

GO JET-SMOOTH '63 CHEVROLET—IT'S EXCITING!

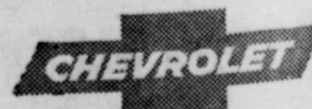

'63 Chevrolet Impala Sport Coupe

See four entirely different kinds of cars at your Chevrolet dealer's... Chevrolet, Chevy II, Corvair and Corvette

smooths bumps better than a bulldozer

If all roads were superhighways, Chevrolet's remarkably smooth and silent ride might be just another luxury. But as most town and country roads will demonstrate, this is one Chevrolet advantage that's mighty easy to get excited about. (The way those four deep-coil springs put the kibosh on bumps, you'd almost think Chevrolet was working for the highway commission.) The '63 Bel Airs, Biscaynes and Impalas are equally easy going on upkeep. Brakes are self-adjusting. New Delco-tron generator s-t-r-e-t-c-h-e-s battery life. Even the rocket panels on the Body by Fisher are self-washing and ventilating to cut down on rust. Your dealer's waiting to tell you lots more.

MOVIE REVIEW

By Laura Guthrie

SAFE AT HOME is certainly a timely topic this week. But despite the outcome of The World Series, Mickey Mantle and Roger Maris are still favorite names. Of course they have a place in this movie, but the real story is a youngster by the name of Bryan Russell. He comes through with a wonderful performance aimed at family attendance. But there is a delightful note or everybody. Rating: Good.

BOY'S NIGHT OUT is a roistering comedy, fast moving and well spaced with gags. Pattie Page sings a couple of numbers. This should be real entertainment for all the young-in-heart. Rating: Excellent.

For adventure-seeking audiences **GUNS OF THE BLACK WITCH** is just what the doctor ordered. This is a saga of the sea (in color) colonialism, island people, tyranny, rebellion, and all of the flurry-in-action that could be expected. (I almost forgot) A bit of romance is included. Rating: Fair.

Sharla Jones, a Greenville high school junior, will enter this Angus heifer, Blackbird Lass, in the Junior Livestock Shows October 16 through 20 at the State Fair of Texas in Dallas. Sharla is 16, a member of the Hunt County 4-H Club and the daughter of Major and Mrs. Charles B. Jones of Greenville. Dates of the 1962 State Fair will be October 6 through 21.

Number Two

Mr. Burton said entrants will be judged on the distance and accuracy of their punting, passing and kicking (using a kicking tee), with points awarded for each foot of distance the ball travels on the fly and subtracted for each foot the ball lands to the right or left of a center line. The local competition will be held on Saturday, November 3.

Any ties in the Wheeler competition will be played off on the day of competition, and ties for top spot in the state and area standings will be played off at special contests. State winners will receive trophies, and area winners will receive complete junior-type football uniforms of the AFL team in their region, and the uniforms worn when the winners compete during NFL half-time ceremonies to determine the Division champions.

Pampa Athletic Director Speaks at P-TA Meeting

Weldon Price, athletic director of Pampa School, spoke to the local P-TA Monday night on "Good Citizenship Through Physical Fitness".

During his informative address Mr. Price said, "Physical fitness helps both emotionally and mentally. We must be concerned about physical weakness. Our nation's children sit 95% of the time."

He explained that the development of the new physical education program in public schools is being carried out in most instances. The state now requires three semesters of physical fitness and on semester of health.

In concluding, Mr. Price stated, "If our nation survives, physical fitness standards must rise!"

Thurman Rives, president of the organization presided with Gary Davis leading the pledge to the flag.

The invocation was given by Doris Hutchison and Mrs. Hyland Weaver gave the minutes.

A discussion was held concerning sending two delegates to the State Convention in Ft. Worth November 14, 15 and 16th.

An announcement was made of a Citizenship Parley Workshop to be held soon in Canadian.

The unit voted to sponsor a pancake supper preceding the Wheeler Groom game Nov. 9th.

The first and eighth graders tied for the room count.

Refreshments were served during the social hour by the fifth grade.

18th Dist. Rural Letter Carriers Met In Pampa For Election of Officers

The 18th District Rural Letter Carriers Association met in Pampa at Pools Restaurant for a banquet and business meeting Saturday at 7:30 P.M.

President Warren Thompson of Amarillo presided and introduced Congressman Walter Rogers who gave a very interesting and informative address to the 32 members present.

The state president, John G. Loflin, was present and gave much encouragement to the carriers and their wives with his message.

J. L. McClung, who is state secretary, gave a very cheerful speech before Leroy Gibson greeted the members and assured them that he would assist the carriers any way possible as their state trustee.

Officers were elected as follows: Warren Thompson of Amarillo, president; Jim Hathaway, McLean, vice president; and Grady W. Harris, Mobeetie, secretary.

The ladies organized an auxiliary for the 18th District. Mrs. Leroy Gibson of Quanah conducted the meeting and officers were elected as follows: Mrs. Warren Thompson, president; Mrs. Jim Hathaway, vice president and Mrs. Grady W. Harris, secretary.

Those present were: H. E. Byars, Hedley; I. E. Byars, Pampa; Congressman Walter Rogers, Pampa; Mr. and Mrs. Paul Detrixie, Higgins; Mr. and Mrs. James S. Shevbert, Amarillo; Mr. and Mrs. John G. Loflin, Loving; Mr. and Mrs. J. L. McClung, Bridgeport; Mr. and Mrs. Leynn Payne, Clarendon; Mr. and Mrs. Howard Armstrong, Hereford; Mr. and Mrs. Jim Hathaway, McLean; Mr. and Mrs. Leroy Gibson, Quanah; Mr. and Mrs. Warren Thompson, Amarillo; Mr. and Mrs. Lee Barry, Briscoe; Mr. and Mrs. E. Charles Wilson, Amarillo; Mr. and Mrs. Lee Meeks, Farwell; Mr. and Mrs. R. L. Savage, Wellington; Mr. and Mrs. Claude Savage, Wellington and Mr. and Mrs. Grady W. Harris, Mobeetie.

Meeting to Be Held By Farmers Home Admin. To Discuss Regulations

L. J. Cappelman, State Director, Farmers Home Administration, announced today a meeting of all field personnel of FHA Areas 4, 5, 15 and 16, consisting of some 80 employees, was held at the Driscoll Hotel, Corpus Christi on October 1 and 2.

This was one of five such meetings to be held over Texas to explain to the field personnel the policies and programs of the Farmers Home Administration for the 1963 fiscal year.

The other four meetings will be held in Nacogdoches, Temple, Amarillo and Abilene, Texas.

Howard Bertsch, National Administrator of the Farmers Home Administration in New Orleans of FHA officials from four states and discussed with them the FHA policies and programs for the 1963 fiscal year.

L. J. Cappelman, with several members of his state staff, attended this New Orleans meeting. Cappelman called these meetings in Texas in order for him and staff to explain to the Texas field personnel the FHA policies and programs that will be followed to help those individual farmers who are eligible for Farmers Home Administration credit for Operating Loans, Rural Housing Loans, Farm Ownership Loans, Emergency Loans, and Soil and Water Loans. The Water Distribution Association Loans and the Watershed Loans, which are available to organized groups of residents in rural communities and small towns of less than 2,500 population, was also explained.

New Feature

Black & Gold Dear Diary

Dear Diary,

My, this has been a hectic week for me. I have been so busy at school I have neglected my social life as well as my studies.

Senior pictures were made Wednesday and I have never seen more handsome boys and beautiful girls. I can hardly wait for the proofs.

All eyes were on Neil Rogers Monday and that darling vest he was sporting. Several boys are wearing those this fall, and I'm simply wild about them.

Fall would not be fall without the World Series and the games this year have been super. Win or lose, those Giants are the greatest! Thanks to Mr. Barham for making arrangements for us to have a TV at school.

Friday is Western Day so I must get my western togs out of the

moth balls. Am excited about the senior assembly at 8:30 Friday. Orchids to the senior class for doing away with the traditional horse tank on Western Day.

Six weeks' tests this week. How I wish I had worked harder, but since I loafed five weeks, I must burn that midnight oil this week.

Everybody has been talking about the Estelline game and I believe we are hungry for another victory, so McLean had better watch out.

Members of the Thespian Troupe will attend a drama workshop on matinee performance of "The Gazebo" will climax the meeting.

I'm looking forward to November 9—a pancake supper, the crowning of the football queen, and a victory over Groom. Sounds thrilling, doesn't it?

Goodnight, Dear Diary

Wheeler County 4-H Council Met Saturday

Wheeler County 4-H Council met in the regular session Saturday at 3:30 p.m. in the county courtroom with seven adults, two agents and 15 members present.

Routine business was carried out with the chairman in charge. Plans for the Awards Banquet to be held on November 10 were discussed. The 1963 adult advisors were elected as follows: Mr. and Mrs. Lindsey McCasland and Mr. and Mrs. Milton Finsterwald.

Mike Goad was elected District Council Delegate to fill the vacancy made when the co-chairman was elected to a district office.

Leahwana Nowlin was elected as reporter to send news to the District 4-H News published quarterly.

A committee was appointed to draw up by-laws and policies for the Wheeler County Council. Presidents of each club and the vice-chairman of the council were asked to serve with the adult advisors and the agents on this committee.

LEGAL NOTICE

Mr. and Mrs. Clayton Bradshaw of Fort Worth are visiting here with friends and relatives.

Margie Meadows, E. J. Von Nell and John visited the Clyde Grays and the Johnnie Meadows in Pampa Sunday.

Mr. and Mrs. Don Gatlin were here over the weekend.

Mr. and Mrs. Jack Hays and boys and Mrs. Harold Crossland and children visited Sunday with the L. S. Aderholts.

Mr. and Mrs. Leonard Fulks

Kelton HD Club Plans 'Harvest Tea' Oct. 19

The Kelton Home Demonstration Club met in the home of Mrs. Von Dunn last Friday for a regular meeting with president, Mrs. Leonard Mills, presiding.

The meeting opened with the club prayer repeated in unison followed by group singing.

Members responded to roll call with "How I Make Clothing and Accessories Last."

Mrs. Charles Lamb, chairman of the education committee, requested that gifts for retarded children in the State Home be brought to the next meeting.

Plans were discussed for the annual Harvest Tea which will be held in the Kelton School Cafeteria October 19 from 2:30 p.m. until 4:30 p.m.

The elected officers for 1963 are as follows: president, Mrs. Bill Topper; vice president, Mrs. Von Dunn; secretary-treasurer, Mrs. Tom Bryant; council delegate, Mrs. Leonard Mills.

Committee chairmen and members will be named at a later date.

The program, "Facts About Clothing Care," was presented by Mrs. Edgar Blocker and Mrs. John Daberry.

Mrs. Blocker stated that dresses coats and suits should be brushed thoroughly after each wearing and hung to air before placing in closets. This allows any dampness such as perspiration to evaporate. Clothes will need cleaning less frequently and prolong life of the garment.

Mrs. Daberry reported most cotton fabrics are machine washable. Some finishes may require special care such as wrinkle resistant, which should never be bleached. Cottons should be ironed while damp.

Mrs. Wayne Bass will host the club in her home for the next regular meeting to be held October 12 at 2 p.m.

The hostess, Mrs. Dunn, served refreshments to one guest, Mrs. Pete Wheeler: one new member, Mrs. Leldon Harrison and the following members: Mmes. Johnny Burrell, Tom Bryant, Marion Addison, Edgar Blocker, Leonard Mills, Charles Lamb, Wayne Bass, R. E. (Buddy) Errington, H. B. Krugg, Charles Brittain, Bill Topper and Mrs. John Daberry.

Squashshooters Lose 17 Pounds During Week

By Goldie Gordon

The Tops Squashshooters met on Oct. 8th in the home of Goldie Gordon. The meeting was opened with a prayer, Tops pledge and a song.

A short business meeting followed and it was decided that future meetings will be held in the Lions Hut at Mobeetie.

The meeting time was changed to 1:30 p.m.

The Tops decided to have a party for the husbands in the Lions Hut on Oct. 13 at 7 p.m.

Thelma Harrison then presented a program of fun games and readings. Goldie Gordon wore the crown for losing the most weight with Thelma Harrison next.

All members were present with a total of 17 lbs. lost by all.

Two new members, Betty Read and Eula Johnson, were added.

Members present were: Thelma Harrison, Margaret Trout, Mary Nixon, Dorothy Nixon, Bessie Galmor, Georgia Corse, Goldie Gordon, Eugene Walsler, Jessie Terry, Juanell Eberhart.

Refreshments of Jello salad, cookies, coffee and lemonade was served.

Eulene Walsler will be next hostess at the Lions Hut, Oct. 8 at 1:30 P.M.

All who are interested are invited to attend.

NOTE OF THANKS

We have heard that "Friends are like diamonds, Precious but rare" — which may be true in some localities but not in Wheeler!

In fact, sincere words cannot express our sincere appreciation of the many, many friends, their prayers, visits and gifts during my nine-week ordeal in the hospital. And then, to think of so many friends remembering my birthday after returning home.

We do thank you,
Mr. and Mrs. C. C. Jones

P-TA At Mobeetie Held Annual 'Husbands Nite'

By Mrs. Cliff Walsler

The Mobeetie P.T.A. met Thursday at 7:30 p.m. in the high school gymnasium with the husbands in charge as it was annual husbands night.

Clinton Stribling, acting president, called the meeting to order. A prayer was led by Paul Morris.

Robert Hogan, secretary, read the minutes of the last meeting. Mrs. Ella Trout gave the treasury report and Mrs. Marie Gudgel gave a report of the Executive committee meeting.

Mrs. Louise Hogan started that the Red Cross First Aid Course which is to be sponsored by the P.T.A. is to be in the near future.

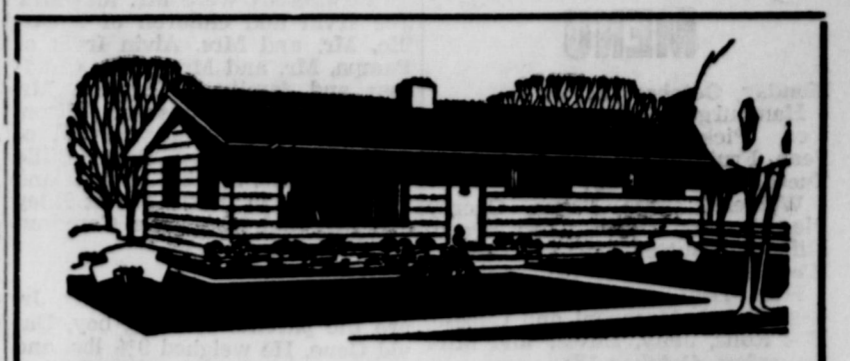

The ninth and tenth grades received the largest room count.

The program consisted of group singing and a pioneer drama, "Precious Priscilla."

This drama had six characters in the cast with Mr. Morris being the reader. The cast was: Precious Priscilla, Chuck Hogan; Pious Paul, D. C. Read; Petrified Pete, David Laurie; Prevaricator Pat, Jim Jackson; Peggy Feruny, Charles Uzzle; and Primitive Polly, Lester Leonard. This drama was quite entertaining and enjoyed by all.

Refreshments were served by the first and second grade room.

Mr. Boyd Burks spent last week end in Pampa with his grandson and family, Mr. and Mrs. Ray Lake.

DREAMING OF A NEW HOME?

We will strive to help make this dream come true; these homes are financed by Farm Home Administration or local savings and loan.

Mrs. McCarroll will be staying with her sister indefinitely.

A friend of mine become Grandpa a day or two ago and now I see him crimplin around like a feller a hundred years old. Now his wife is quite different and seems like she is goin to make it alright bein Grandma, but time will tell.

Them little fellers are somethin. Some come the wrong sex or size and maybe aint curley headed or have a pug nose like Rich Uncle Fud but you hardly ever hear of one bein sent back or swapped for another.

Me and Mama have got four younguns and finally the last one wuz a boy baby and none of them have done anything we wanted to get rid of em for and probably won't. Mamas usually are the most tolerant but down deep us Paps are purty fond of ever little hair on their head.

A friend of mine had their first born holdin it when it was fresh out of the hospital and he yelled in the bedroom and said, "Honey we better send this one back, it leaks."

Kelton Baptist TEL Class Meets in Bailey Home

The Kelton T.E.L. Class met in the home of Mrs. H. Bailey Thursday for a business meeting.

The eleven members present were: Mmes: J. Dabery, J. Baird, T. Killingsworth, F. Rathjen, E. Killingsworth, W. Jomer, F. Orr, C. Davis, J. Anderson, L. Rathjen, H. Brliey.

Sharon Gandy, Calynn Linda Vise and Donna were visitors in Shamrock Sunday afternoon.

PROCLAMATION BY THE Governor of the State of Texas

To All To Whom These Presents Shall Come:

BE IT KNOWN THAT I, Price Daniel, Governor of the State of Texas, do hereby order a General Election to be held throughout the State of Texas on TUESDAY NEXT AFTER THE FIRST MONDAY IN NOVEMBER, A.D. 1962, same being SIXTH DAY OF NOVEMBER, A.D. 1962, & notice thereof is hereby given to people as required by Article 24 of the Election Code of Texas (Article 4.01, Vernon's Texas Election Code) and the County Judge of each county is directed cause said election to be held at each precinct in each county at such time and for the following purposes:

Said general election shall be held for the purpose electing all State and District officers, Members of Congress, Members of the Legislature, County and Precinct officers, and all officers which are required by law to be elected in this general election; and

FOR THE FURTHER PURPOSE OF electing officers to fill the unexpired terms of officers, vacancies in which have heretofore been filled by appointment, provided in Article IV, Section 12 of the Constitution of Texas; and

FOR THE FURTHER PURPOSE OF adopting or rejecting Constitutional Amendments submitted by the 57th Legislature of Texas at its Regular Session in 1962.

(SEAL) IN TESTIMONY WHEREOF, I have hereunto signed my name and caused the Seal of State to be affixed at my office in the City of Austin, Texas, this 21st day of September, A.D. 1962.

■ Mrs. Tripplehorn is delighted with her electric range. She says, "It's so automatic — almost cooks by itself. In fact, I have no hesitation in setting the controls and then going shopping. I've found, through experience, that electric cooking is easy and that electric baking and roasting give uniform results every time." You, too, can be delighted with this fine modern cooking method — your participating Reddy Kilowatt dealer will guarantee it. See him this week and get all the exciting details!
