Urgency of the water supply problem was stressed before the Lions alub Wednesday by City Manager E. V. Spence. The manager unequivocally endorsed the approval of a \$275,000 bond issue here Tuesday so that the city may clinch a \$225,000 federal grant set aside for local water development. LAGER BEER

With the return of beer, law-abiding men rebuilt the brewing industry. Rehabilitation of plants, installation of machinery, largescale purchases of materials gave business recovery a real stimulus.

Beer taxes and license fees netted Texas alone almost 12 million dollars since September, 1933, 3/4 of which goes for Old Age Assistance, 1/4 for Public Schools, This is exclusive of over 27 mil-lions[®] in federal revenue beer tax.

35,500 Texans are employed in brewing and dispensing beer at present in the Lone Star State.

Increased business for the farmer, merchant and manufacturer shows that the brewing of beer has given a real stimulus to many of Texas' industries. The San Antonio Brewing Association is proud of its large contribution to these factors in Texas' prog-ress. Especially is it proud, on this Fifth Anniversary

HOUSTON, Sept. 21 (P) - The chances for a C.LO.-A.F.L. reunion are "about the same as for a union of a dictatorship and a democracy," John P. said. He declined comment on what recommendations the A. F. of L. executive council, of which he is a member, will make to the convention with regard to changes in the Wagner act and wages and hours law, but said there was no secre that changes will be recom "Dictatorship" LOVE TO SPARE has

LOS ANGELES, Sept. 21 (P)-LOS ANGELES, Sept. 21 (P)-Brig. Gen. Frank T. Hines, admin-istrator of veterans' affairs, told the American Legion convention today that adequate preparedness for war was the best insurance against being provoked into war. "By insisting upon proper defense measures and true Americanism, you of the American Americanism, you of the American Legion are promoting the cause of American peace, which you earnest-American peace, which you carnest-iy hope may ever be preserved." Turning to the Veterans' admin-istration, he said the present hos-pital program, when completed, would place 15,000 more beds in modern, fireproof veterans' hos-pitals than existed last year.
