## CWE CHAT WITH EDITOR

By Louis C. Stas

The Ft. Elliott Cougars lost their bi-district game against Texline Tuesday evening 63-62. Congratulations on an excellent season, we are proud of you.

—CWE—  
**CONGRATULATIONS** to the recipients of the awards at the Chamber of Commerce Banquet Saturday evening. It is recognition well deserved.

—CWE—  
**Thank You! Rob Schaffer!** We were unable to attend the banquet and Rob was nice enough to take the pictures. And, he did his usual excellent job.

—CWE—  
A local young lady will be at the Grammy Awards tonight. **Stephanie Adams** is in charge of the costumes for one of the nominees and performers. Stephanie works with Blue Man Group in New York City. Sorry we did not know about this last week. But, for those who get their papers early; keep your eyes open.

—CWE—  
I certainly expected to see ice on everything Wednesday morning, but fortunately, the weather forecasters were wrong.

—CWE—  
**Vircie Dysart** stopped by the Times Tuesday with a copy of her new publication, *Hides, Horns and Hopes*. The book is the result of many years of research on the history of the Texas Panhandle.

—CWE—  
I have not had the opportunity to read the book, but will schedule it into my reading.

—CWE—  
The books are available at a cost of \$20.00, including tax. A \$1.50 needs to be added for mailing and handling. The address is Vircie Dysart, Heritage Publishing Co., 8120 Amarillo Blvd. E., Amarillo, TX 79107.

—CWE—  
Speaking of history, the Old Mobeetie Jail has a display on Lt. Henry O. Flipper, West Point's first black graduate. The exhibit continues through February, Black History Month.

—CWE—  
Wheeler residents are gradually getting the mess, produced by the ice storm, cleaned up. Thanks to **Glenn Keelin**, my back yard is free of tree branches.

—CWE—  
We spent the weekend in Lovelady with the Gillettes. Brice and Jennifer accompanied us and Brice was our chauffeur.

## "Productivity appraisal" may lower the property taxes on your farm, ranch or timber land!

Texas law allows farmers, ranchers, and timber growers to pay property taxes based upon the "production value" of their land rather than on its market value. This "productivity appraisal" means qualified land is taxed based on its ability to produce crops, livestock, or timber—not on its value on the real estate market. And it can mean substantial property tax savings.

### When is the application deadline?

If your land has never had a productivity appraisal or you are a new owner, you must apply to your local appraisal district by April 30 to take advantage of this benefit on your 2001 property taxes. You may get up to 60 extra days if you have a good reason and ask for it by April 30. If you miss this deadline, you may still be able to apply, but you pay a penalty. Check with your appraisal district office.

### Do you need to reapply annually?

If your land already receives agricultural or timber productivity appraisal, you normally don't need to reapply unless the chief appraiser requires you to do so. If a new application is required, the appraisal district will notify you by mail.

# Sweetwater News

We've had all kinds of weather. Even the geese are confused. They go over honking, sometime headed south and next time north.  
 I'm still feeding the birds. Can't compete with Minnie. Her 17 cardinals have me bested.  
 School wound up basketball season with the boys No. 2 in state and winning district. The girls were runner ups.  
 No Oklahomans today. Guess they thought it was Valentines Day and a Holiday.  
 See Mary Miller plans to put a big bill board near Erick, honoring Roger Miller, her husband. I have a picture of him playing the guitar while Joe fiddled. It is remarkable that Erick has two national celebrities, Roger and Theb Wooley.  
 Ann Reed and little Tracy came to see me today, brought a lovely Valentine.  
 Services were recently for Margaret Kinder. Her parents were Tom and Ida Smith.  
 Services were February 2, at Reydon First Baptist Church for Bella Mabra. She was born at Sweetwater, daughter of Alice and Albert Myers. Sister of Ruby Sutton.  
 Mary Ann Harding and Maudine Rodgers enjoyed the festival at Corn recently. Sure had good cooks, was the report.  
 Lena Luman, Shamrock, sent me a letter, six pages long, that my uncle, Walter Haag wrote her grandmother Fletcher in 1950.  
 Nathan Reed, Nathaniel Quinn, Dylan Perry, Cade Sites and Lindsay Coffey showed livestock at Mangum Sheep-Jackpot. They all placed with Lindsay getting a Reserve Grand Champion.  
 Brian Cox toured the Amarillo College recently. Had a great time.  
 There was a neat picture in the paper of Ernest Prock, age 102. He first cut Ernest's hair in 1939 at his shop in Sweetwater.  
 Iona Miller is home after a week in the Elk City hospital. L. G. Reed has been on the sick list.  
 Our school board members, Kenneth Reed and Marshall Henson had no opponents.  
 Happiness to all, Lois.

# There's Music In The Air

By: Lorena G. Males  
 Nothing stirs the heart more than the Christmas Music. Every year we want to hear the same old favorites. Nobody wants a "new" Christmas song.  
 Everyone remembers learning *Away In A Manger* at your mother's knee. *Silent Night* is sung around the world. *White Christmas* brings tears. *Santa Claus Is Coming To Town* makes one believe.  
 It's hard to name a favorite but I'll choose *The Little Drummer Boy*. I like the rhythm of the drum but what I like best is the story it has to tell.  
 The little drummer boy had no money. He was heart broken that he had no gift to take the Christ child. All of a sudden he was inspired with a great idea. "I'll play my drum for him."  
 We all have things we can do—visit a shut in, baby sit for a busy mother, write a Christmas letter, hang a Christmas wreath, share Christmas with a lonely child.  
 There are so many wonderful gifts that don't cost money.  
 \*\*\*\*\*  
 The work honeymoon may have originate with an ancient custom that said that a newly married couple had to drink a potion containing honey on each of the first thirty days—a moon—of their marriage.

## Program Offers Landowners Choices

The Environmental Quality Incentives Program (EQIP) provides to farmers and ranchers that wish to enter into a 5-year contract to solve their natural resource concerns. Most of the EQIP contracts will be written within designated priority areas across Texas. During the 2000 program year, at least 75 percent of EQIP funds are targeted to these areas, with up to 25 percent to be used to cover statewide.

Either way, if you are looking at EQIP as a tool to help you solve your resource problems; you need to know that certain choices exist. You can decide on several important considerations. Those could include:

1. You choose to develop your conservation plan, because EQIP is voluntary.
2. You determine who will help you develop your plan either the Natural Resources Conservation Service (NRCS) or other qualified service providers. Your plan will have to meet the local NRCS field office technical guide standards to qualify for EQIP, and be approved by the local conservation district.
3. You will have conservation practice alternatives to pick from as you determine how you will solve your priority resources concerns.
4. You determine what cost-share rates you can accept for implementing structural and vegetative practices. This will affect your contract applications in the ranking.

EQIP applications will be accepted throughout the year. However, the ranking and selecting of offers of pro-

 Walt Disney's Trivial Pursuit was purchased Saturday, so it was the game of the evening. Surprising how much my 5 1/4-year-old knows about the characters and how little the grownups know.  
 —cwe—  
 Yes, we played cards, too. Skipbo and Uno. Dorcie did a great job with those also.  
 —cwe—  
 It had been in the 70's the day

before we arrived—so they said. It had turned much colder for our arrival.  
 —cwe—  
 I only got to play a part of a game of cards Monday evening. Barbara took my place for the rest of the evening. Jane and Dwight won the first and the last game. Barbara and Paul won the second game.

Speaking to yourselves in psalms and hymns and spiritual songs, singing and making melody in your heart to the Lord.

Giving thanks always for all things unto God and the Father in the name of our Lord, Jesus Christ;

It's a nice calm Monday morning here in Allison with sunshine which is nice after so many cloudy days.

Our sympathy goes out to the fam-

ily of Billy Ray Jones in his death and his brothers and sisters, their families and all relatives and friends. Those from Allison attending the funeral from Allison last Friday were Gary and Linda Hall, Nona Jones and Nadine Reynolds.

Darrel Harrison brought Johnnie here Friday morning and he went back to the farm. We had a good visit and met Darrel over at the corner west of Mobeetie, where we meet at five. They went home from there.

**Parkview Will Offer Breast Cancer Screening**

Funding is available through Texas Department of Health for Texas residents who qualify for assistance. All exams are done by appointment only. Our sympathy goes out to the family of Lawrence Scribner. Remember his family in your prayers.

Doug and Aline Corcoran went to Amarillo Tuesday. Aline had another treatment. She got a good report.

Braye Risley of Weatherford, Ok spent the weekend with her grandparents Toney and Frances Dickey. She went to Amarillo to see her grandfather off to Africa Monday.

Glenda Patton is in the hospital in New Orleans. She had surgery on her throat. It is cancer. She lives in Florida. She had cancer over 20 years ago and it just started up again. They are afraid that they might not be able to save the voice box. Lovella and Betty Jean have gone down to be with her. Some of her other brothers and sister may have gone down also. Remember her in your prayers. She is the youngest daughter of Ebb and Virgie Patton.

Barry and Terri Corcoran, Cody, Justin and Nolan of Midwest City visited over the weekend with Pete and Sue. Barry and Nolan came Thursday. Terri and the boys came Friday.

Pierce Walker has been in the hospital with pneumonia. Sunday he had flair up with his heart but was doing better Monday.

Dale and Melba Corcoran met Barry for supper Thursday night in Wheeler. Afterwards Dale and Melba Corcoran visited with Pauline Barnes.

Leola Stuart took Gladys Richardson to the doctor in Elk City Wednesday. They visited with Barbara Richardson in the emergency room. Gladys will have to go back next Wednesday for more test.

Dale and Melba Corcoran spent Thursday in Amarillo. Dale had lab work done. Then had his eye appointment that morning. Then in the afternoon Dale had two doctor appointments.

Jayton, Garrett and Jarrett Childress spent the weekend with their father Sam Childress.

Gary and Marilyn Grimes of Amarillo visited Sunday with his parents Doyle and Bulah Grimes. They came to church with them Sunday morning.

Friday, Dale Corcoran had another eye appointment. Melba Corcoran left her car at Arica Lancaster's and went with Dale for his appointment. Then they went shopping. They met grandchildren Jesse, Malaha, and Logan Corcoran for a visit. After their visit Dale let Melba out at the Ambassador Hotel to meet Arica for the Ladies Retreat 2001 sponsored by the First Baptist Church of Canyon. The retreat was The Vision of His Glory from the book by Anne Graham Lotz. "Finding Hope Through the Revelations of Jesus Christ." The retreat was Friday night and Saturday morning. Excellent work shops by Dona Wirt, whose daughter Tiffany is married to Tye Sims son of Harry Sims. So it is a small world. I visited also with Alicia Moffett, John Moffett's wife.

Melody Sherrell is doing better. The scan only showed one small spot of thyroid in her body and it was in the neck area. They think it is only a piece that got away from the surgery and not cancer. They will check it again in 6 months and if it is still there than she will have to take another radiation treatment. She said she is getting back to her old self but is still tired. She will not get to go on the mission trip since she had missed so much work due to her surgeries that her boss didn't want her to miss more. Debra Sherrell will be going. They are going to go to Mexico over the spring break. She will be going with a group of 60. They will be going on a building trip. Remember the group in your prayers.
