### Wheeler Defeats Shamrock Team

The luck of the Irish did not hold up Thursday night when 15 Wheeler youths went to Shamrock for a softball game. The team of young men came home 2 1/2 innings later with a winning score of 38-9.

The first inning led the spectators to believe they were going to see an exciting ball game. Wheeler started the game with runs. Shamrock came in for 8 runs before being put back out in the field.

Wheeler started the second inning with a batting exhibition. Twenty-four men came to bat in this inning. D. Snelgroves scored two home runs and J. Tucker hit one home run. Twenty-two runs were scored in the second inning with Wheeler boys stealing a number of bases. Shamrock's four men in the second saw one man on and three outs.

The third and final inning of the game saw Wheeler load the bases followed by a home run by Frankie Rodgers. Ten runs with one out for the Wheeler team in this inning helped Shamrock coach decide to end the game.

### Brown Cornell Vows Exchanged

Larry Cornell, son of Mr. and Mrs. W. E. Cornell of Allison and Sandra Brown daughter of Mrs. Lola Brown of Wheeler were united in a dable ring ceremony June 27th in the brides home with Rev. Norman officiating. Mrs. Cornell wore a white silk street length dress with white accessories. Only the immediate families were present for the wedding. A reception was held in the bride's home after the wedding. The couple are at home in Garland, Texas.

Mr. and Mrs. Harry Garrison, daughters, Judy, Gina

It is sort of hard to get back in the groove of working after taking a vacation. The Stas family went the cheapest way. The food nowadays is camping out to cut the motel expense, but we found a better way and cut the food expense too. We visited relatives and had a very enjoyable vacation. Of course it had to be managed in such a way as not to wear out our welcome. When the kids started fussing with their cousins it was time to go.

We visited in Wichita, Kan.; Bartlesville, Enid, Oklahoma City, Hinton and Calumet, Oklahoma.

I would like to say thanks to Mr. Cordell for the school story, Mrs. Guthrie for the Chamber of Commerce story and Corky for the little league pictures and story. Thanks to the Doyle Standleys for loaning Inez their car to take the paper.

Wouldn't you know it! Tom Smith and Inez Erwin finished earlier without me than they do when I am here.

Do all you local ex-students have August 14 marked on your calendar. That is the date of the ex-student reunion and is very discouraging for exes to travel long distances and find local exes not present. An excellent program has been planned for his year with a barbecue to be served for the noon meal.

The beginning of school is evidently drawing near, as the coach has a notice on the front page concerning physicals for the football boys. Football practice will start the 16th with suits issued the 23rd and first game will be Sept. 10 with Mangum there.

### CARD OF THANKS

The cards, flowers and food were greatly appreciated and may we say THANK YOU and God bless every one of you. To our fine Doctors, our hospital and staff, and to our special nurses, we offer our many thanks for the service and attention that our loved one received. We will always remember you in our hearts.
