MOBEETIE OLD SETTLERS REUNION SET FOR MONDAY, SEPTEMBER 4

Old Settlers will gather at Mobeetie Monday, September 4, Labor Day for the annual Old Settlers Reunion. This will be the 21st consecutive reunion for Mobeetie old timers.

Registration will begin at 9:00 under the direction of Mrs. C.W. Stribling.

The day will be spent visiting and reminiscing interspersed with musical, instrumental and vocal presentations.

Site of the reunion will be, as always, the Old Jail. The Old Jail was the first substantial jail constructed in the Panhandle and was completed in 1886. The first floor is used for storage and

registration. The top floor is used for dances.

Barbecue will be served to those registering for the day of activities. Beans and coffee will be handed out along with the barbecue. Local ladies will bring cakes, pies, salads, etc to complete the meal.

850 attended the reunion Sept. 6 of last year.

Closing the day will be a dance on the second floor of the jail. Admission will be \$2.00 per person.

Officers for 1972 are Melvin May, president; Lester Leonard, Treasurer and Chuck Hogan, program chairman and Dick Wright, barbecue committee chairman.

OPERATION MOTORCIDE LABOR DAY 1972

Approximately 48 persons are expected to die on Texas streets and highways over the Labor Day weekend, according to estimates by the Texas Department of Public Safety.

The DPS will conduct Operation Motorcide from 6:00 p.m. Friday through midnight September 4. This will be one of four 78-hour holiday periods that will be critical for all motorists.

Major C.W. Bell, DPS Region 5 Commander said that all available uniformed patrolmen will be put into action for maximum enforcement of traffic laws. Major Bell said, "Each driver should drive defensively at all times."

Major Bell suggested that each individual practice driving friendly--the Texas way!

DPS records show that the majority of traffic fatalities are caused by excessive speed and the drinking driver. The DPS reminds the motoring public that 0.10% blood alcohol in one's system is the presumptive level of legal intoxication under Texas law.

Approximately 500 National Guardsmen will assist the uniformed patrolmen in the Dallas, Tyler, Houston, Corpus Christi, San Antonio, and Austin areas. Many of these guardsmen will be riding in DPS patrol cars through the Labor Day weekend to enable the Department to have more units and personnel on the road.

Motor Vehicle Inspection Sergeant John Mason of Region 5 said two per cent of all fatal accidents on Texas highways are caused by me-

chanical failures. He strongly urges all motorists to be certain that their inspection sticker is up to date.

Capt. Shelton of the Driver License Service warns the unlicensed driver to not jeopardize his life, because last year seven per cent of all 3594 Texas traffic fatalities involved the unlicensed driver!

It is the fervent hope of the DPS that Texans, and out of state motorists, will enjoy this American tradition of celebrating the Labor Day weekend in a sensible, safe manner. Let's prove the statisticians wrong by keeping the actual death count way below the estimated 48 lives predicted to be lost. This responsibility is in the hands of those behind the wheel.

Below is a list of rules to drive by, in order to celebrate Labor Day next year.

1. Don't mix gasoline with alcohol.
2. Use seat belts. Your chances of survival in a major accident are five times greater when you are buckled up.
3. Slow down, drive according to the traffic, weather, vehicle condition, and your own physical condition. Lives lost do not make up for the small amount of time you think you save!
4. Obey all traffic laws. They were ordained by Texans to keep the Texas motorist safe and alive for all times!

If this weekend is accident free, then we'll all celebrate Labor Day in '73!

Here & There

Some people take their vacation in the mountains, some on the shore; some in the tropics and some in the cold; some in the country, but Virgil and Mae Helton took their in the city. They spent a couple of weeks with their son, Dr. W.A. Tacker and wife in Houston and "sat" with the year old granddaughter while the "babysitter" took a vacation. And you know what? She is precious, cute, smart, just learning cute things to do! Wonder who thinks that?

Briscoe FFA Elects Officers

The Briscoe FFA met recently and officers were elected. Cloyd Helton will be the President with Dwight Tipps serving as Vice President. Secretary is Hollis Adams, Jr., Treasurer - Bill Finsterwald; Reporter - Bobby Finsterwald and Sentinel - Walter Hand.

Initiation for the Greenhands was held August 28.

FFA Sweetheart Candidates were revealed. Each class enters a candidate. The candidates are: Vo. Ag. 1 boys - Doris Adams, Vo. Ag. 2 - Brenda Meadows, Vo. Ag. 3 - Debby Douthitt and Vo. Ag. 4 - Brenda Horn.

Donations are being taken at 1¢ per vote. The group raising the most money will name their candidate queen. No definite date has been set for the queen coronation.

Greenhand boys this year are Lee George, Dean Meadows and Royce Zybach. John Thomas is the advisor.

Square Dance Lessons Begin

The Wheeler Whirlers have changed their dance night to the first and third Saturday of each month for the duration of the sports season at the school.

Gene Mack of Borger will call for the group the first Saturday night and Sammy Parsley of Pampa will call the third Saturday.

It is not too late to sign up for the lessons if you are interested. Lessons begin at 8:15.

Waste Systems Seminar Attended by Officials

City and County officials from the eight county North Rolling Plains Resource Conservation and Development (RC&D) project area attended a seminar on solid waste disposal systems at Clarendon College on Aug. 10 in Clarendon.

The material was primarily presented by officials of the Texas State Department of Health. Other speakers presenting material represented the Soil Conservation Service, Panhandle Regional Planning Commission, and the Farmers Home

Administration. It was pointed out at the meeting that there are five areas requiring different types of treatment. These areas are determined by the total number of people contributing to the disposal system and the location of that system. Type I would be more than 5000 people, or within 300 yards of a public road. This type requires a modified land fill and daily compaction and covering.

Type II would be from 3000 to 5000 people and the disposal system would be more than 300 yards from a public road. This type requires a modified land fill with twice per week compaction and cover. Type III is from 1500 to 3000 people and more than 300 yards from a public road. These require a modified landfill with compaction and cover each week. Type IV is less than 1500 people and more than 300 yards from a public road. These systems require a modified landfill with periodic cover and compaction - about once each 30 days.

City and county officials were encouraged by all agencies to utilize the assistance of the TC&D project to comply with the new laws and regulations. You may do this by contacting Bill Brooks District Conservationist with the Soil Conservation Service in Wheeler.

Rites are Read For Mrs. Bliss

Funeral services were held Saturday, August 26, 1972 at the Wheeler Church of Christ for Mrs. Currie Dell Bliss, 32. The 3:00 p.m. services were officiated by Wesley Mickey of Odessa and Marlon McWilliams of Wheeler.

Mrs. Bliss of 1504 Clayton, Borger, passed away Thursday, Aug. 24, 1972 at Granville C. Morton Memorial Hospital in Dallas after an illness of 9 years. She was born Aug. 9, 1940 at Wellington, Tex. to Mr. and Mrs. Louie Hopkins Abernethy. She was married to Oliver Darvin Bliss in Shamrock in 1958. She had lived in Borger for 15 years.

Mrs. Bliss was a member of the Johnson St. Church of Christ in Borger. Serving as pallbearers were Steve Simmons, Howard Calcote, Jack Johnson, Weldon Simmons, Walter Simmons, Mike Ray, Dewey Ford and Scott Abernethy.

Vines of Dallas, Mrs. Earl Ford of Clarendon, Mrs. Connie Palmer of Twitty, Mrs. Willis Ray of Borger and Mrs. Jim McDonald of McLean.

Interment was in the Kelton cemetery under the direction of Wright Funeral Home of Wheeler.

Mr. and Mrs. C.V. McCraw and Sid visited Inez McCraw and Ann Hamilton of Newlin, Texas Friday night.

Mr. and Mrs. C.V. McCraw spent Saturday night with the Millard Sanders in Midland, Texas where Mrs. McCraw celebrated her 80th birthday. Also visiting were Mr. and Mrs. H.C. Calhoun of Post, Mr. Sid McCraw of Wheeler and Inez McCraw and Mrs. Ann Hamilton of Newlin.

Visiting Mr. and Mrs. C.V. McCraw Sunday afternoon were Mr. and Mrs. Johnny Langwell of Pampa and Miss Dorothy Greenhouse.

Rites are Read For W. L. Case

Funeral services were held August 25 at Owens and Brumley Chappel in Wichita Falls for W. L. Case. He was born Feb. 27, 1920 and passed away August 24, 1972. He was a member of the Church of Christ. He is survived by his wife Zelma, 3 sons Conway of Auburn, Washington, Howard and Arion of Fredrick, Okla., 4 daughters, Mrs. H.B. Evanson, Vernon; Mrs. Ralph Smothermon, Wheeler; Mrs. Willie Marriott, Shamrock and Mrs. Glen Red of Gruver and five grandchildren.

Interment was in Wichita Falls under the direction of Owens and Brumley Funeral Directors.

Soil Conservation Continues in Co.

Wheeler County farmers and ranchers continue to try to do something about soil erosion and waste of water. This is evident by the amount of conservation practice performed by the members of the Wheeler County Soil and Water Conservation District in the last few weeks.

Recently the Mills Ranch completed two seep ponds. This will help them to use their grassland in a more uniform manner. Mark S. Meek completed a system of terraces to control washes on a field of cropland. John McDowell completed a diversion terrace to protect a field of alfalfa from silt damage. Venson Smith has completed an underground pipeline to help conserve irrigation water. Many acres of duned & eroded soils have been planted to grass this spring and summer. This will help to control wind and water erosion as well as help conserve water by the reduction of runoff.

In most instances the above mentioned practices can be cost shared by REAP or through the Great Plains Conservation Program. Technical assistance may be obtained from the technicians of the Soil Conservation Service in Wheeler.

Mr. and Mrs. C.V. McCraw and Sid visited Inez McCraw and Ann Hamilton of Newlin, Texas Friday night.

FIRST GRADE STUDENTS: Those in the first Grade Wheeler Elementary this year are ROW 1 (l. to r.) - Lee, Sidney Whitely, Bryan Johnson, Larry Neihart and Mike Henderson. ROW 2 - Sue Parker, Roger Cross, Wade Watson, Ronny Jones, Steve Guthrie, Cheryl Hen-

derson, Kristi Pearce, Tim Dunn and Pam Albright. ROW 3 - Melissa Edwards, Amy Williams, Mark Hampton, Manson Porter, Justin Miley, Wesley Steen, and Tony McWilliams. Their teacher is Ida Farmer.

Cool and wet fall weather should help our grass lands. Several inches of welcome moisture that fell should also help our milo, cotton and hay crops. This is the third fall running that we've had some moisture. Keep in mind that lovegrass pastures rested from now until frost can help winter your cowherd and cut wintering hay costs considerably.

They'll make them dip cattle that are shipped into the state of Texas. This will be effective Sept. 1, 1972 and cattle entering Texas will have to be accompanied by an official Health Certificate stating that herd of origin has been inspected and declared free of scab. Cattle shipped from Colorado, New Mexico, Oklahoma and Kansas don't have to be inspected. This will concern mostly southern cattle that are shipped into our area to graze wheat and to be fed in area feedlots.

Net returns of over \$75 per acre was realized from our common weeping lovegrass research plot this year. We fore see an increase of over \$4 million dollars in net farm income if farmers and ranchers stock the present fields of old weeping lovegrass and manage it.

There's a lot of interest in grazing alfalfa in Wheeler County. Lonnie Miller, who plans to graze 50 head on 10 acres east and north of Wheeler, tells us that Jesse Copeland, who lives 2 miles inside the county line road toward McLean, is running 2,000 head of steers on a section of alfalfa. Stacy

Arnold, east of Shamrock is grazing 47 head on 10 acres of alfalfa. A Utah State University trial in 1970 with steers on irrigated alfalfa using "bloat preventatives" produced 1,722 pounds of beef per acre with a net profit of \$238.61 per acre. One exciting development that has made possible the self-feeding in lick wheel feeders of bloat preventatives has unlocked the door to amazing cattle gains on alfalfa and straight legumes. Carefully controlled field tests show that cattle will consume enough of the supplement on a free choice basis to prevent bloat yet not overeat when fed as directed.

We're going to cover the research work done on grazing alfalfa on September 28th at the Keltan School at our 15th Annual Northwest Texas Research Demonstration Program meeting and barbecue. Be sure to come and bring your banker! At a stocking rate of 5 head to the acre, you'll need to have a good relationship with him. We'll also cover the grazing management studies on Morpa Weeping Lovegrass and Common. Make your plans to attend. This Annual program is sponsored by the Wheeler Chamber of Commerce, the Shamrock Chamber of Commerce, the Wheeler County Farm Bureau and is open to interested persons.

For years the Wheeler County Commissioner's Court has helped assist farmers and ranchers in their efforts to check the increase in the number of coyotes. The Court has always maintained a supply of "Coyote Getters" that were made available to farmers and ranchers exper-

encing losses of cattle crops to coyotes. In spite of the efforts of ranchers the coyote numbers have been steadily increasing and continue to be a threat to the livestock business.

A recent law, passed by the Federal Government, now prevents the use of these poisons to control coyotes or other predatory animals. As of this date, once the present supply of "Coyote Bombs" is exhausted, the farmers and ranchers will only have trapping and shooting available to him.

Congressman Bob Pogue of Waco stated that he felt farmers and ranchers should be paid a subsidy if calves were lost to coyotes if folks in towns and federal laws prevented him from adequately protecting his investment.

With Federal laws preventing farmers and ranchers from controlling increases of coyotes that prey upon young calves, inevitably the costs of raising the calf will spiral upward. A lot of folks we have talked to favor the subsidy idea and feel if the consumer wants the coyote protected, he is going to have to pay for it.

Trapping and shooting are about the only means at present left to control the coyote. The coyote, perhaps the most cunning of God's creatures, is difficult to trap. In fact in a day when the Bald Eagle is facing extinction, the coyote is increasing in numbers despite the infringement of the superhighways, closely built urban housing, atom bombs, air to air missiles and mobile homes. The Ancient Aztec Indian ruins in Peru, perhaps the oldest settlers in America, paid tribute to the cunning and wily coyote by paintings and tributes on the walls of their ancient temples.

A July article in the Farm Journal titled, "The Only Fair Alternative", drew attention to the protection of the coyote by Federal Law. It stated that, "part of the difficulty here lies in the fact that far too many people sympathetic to broad environmental causes have wandered off to conclusions supported by emotion rather than fact." The editor, Charles Taylor, then goes on to say that Congress should pass a bill to reimburse producers for livestock lost to coyotes.

How do you feel?

It's our opinion that the coyote will never be eradicated - he's too smart. The only motive the farmer had was to control the buildup of numbers that threatened his calf crop. As far as subsidy for losses, we feel that determining losses without involving wholesale graft

Wheeler Dealers HD Club Meets
The Wheeler Dealers Home Demonstration Club met Aug. 22 in the home of Mrs. Harper Muse.

The ladies enjoyed a German luncheon where even the menus were in German. Mrs. Bob Frankenbery asked the blessing.

Following the lunch, Mrs. Harper Muse, president, presided over the meeting.

Melinda Hardcastle Marries Terry Graf

Miss Melinda D'Ann Hardcastle became the bride of Terry Wayne Graf at 4:30 p. m. Saturday in the First Methodist Church. Officiating for the double ring rites were the pastor, Rev. A. B. Cockrell, Rev. Irl Holt and Rev. J. A. Birnbaum.

The bride is the daughter of Mr. and Mrs. Harold J. Hardcastle of 4101 Bismarck, and the bridegroom is the son of Mr. and Mrs. Clarence Graf of 702 Peace.

Vows were exchanged before a background of greens flanked by brass spiral candelabra with votive lights. The choir and altar rails were covered with green in which nestled votive candles. Traditional music was presented at the organ by Mrs. Jack Eure who also accompanied Mrs. Gene Moore of Abilene as she sang "The Lord's Prayer" by Malotte, "Wedding Prayer" by Dunlap and "The Greatest of These Is Love" by Bitgood.

Given in marriage by her father, the bride was clad in a formal length gown of peau de soie designed with long sleeves and an empire bodice accented with Venice lace. A deep lagoon edged the bottom of the full skirt which swept into a chapel train. Her elbow length veil of white illusion was attached to a headpiece of Venice lace flowers enhanced with seed pearls. She

carried a cascade bouquet of phalaenopsis orchids and stephanotis entwined with Hahn's ivy atop a white Bible. Satin ribbon and pearl ropes completed the bouquet. In the tradition of brides, she carried an old white lace handkerchief which was carried by her great-grandmother at her wedding, and wore a new gold bracelet given to her by the bridegroom. A pearl choker was borrowed from her mother and her blue garter was made by Mrs. Billy Shelton with charms representing the lives of the bride and groom joined together with their baby rings. In her shoe was a sixpence which she brought back from a trip to Europe.

Miss Dianna Graf, the bridegroom's cousin and attending maid of honor, wore a formal orchid gown with crinkled chiffon entwined with purple velvet ribbon covering the empire bodice and long sleeves. Gathered chiffon skirts were lined with satin, and white lace accented the dress. She wore a big-brimmed orchid hat banded with orchid chiffon inserted through white lace and ending in a big bow at the back. Her colonial bouquet of white pompons and purple and lavender asters was framed in deep green leaves.

Dressed identically to the

maid of honor were the bridesmaids, Misses Joni Simpson and Helen Matthews of Lubbock, Donna Neal of Rochelle and Shalan White of Vernon.

Candlelighters were Philip Hardcastle and Randal Graf, brothers of the couple, Stephanie Hardcastle of Waco, the bride's cousin, and Rachel Symmank of Giddings, the bridegroom's cousin, carried the rings.

Another cousin, Larry Graf, attended the bridegroom as best man. Groomsmen were Richard Hardcastle, the bride's brother, and Doyle Graham Jr. of Dallas, Jimmy Karcher of Plainview and Charles Ballard of Arlington. Guests were seated by Tommy Smith of Arlington and Randy Namken of Iowa Park.

The bride's mother wore an A-line dress of light blue knit with long chiffon sleeves accented with jeweled trim. A white cymbidium orchid touched with blue complemented her ensemble.

Mrs. Graf chose a long-sleeved navy knit dress with a low waist and pleated skirt. A white collar and cuffs with a white cymbidium orchid corsage trimmed with blue brightly accented the dress.

Reception
A reception honoring the newlyweds was held in Wesley Hall immediately after the ceremony.

The bride's table was covered with a floor length cloth of candlelight peau de soie, and featured a five-tiered wedding cake served with punch from silver appointments. A silver candelabra and the bridesmaids' bouquets decorated the table. Misses Kathy Koger, Judy Boyd, Cindy Jones, Margaret Aboud and Patsy McVey assisted with serving.

Miss Janet Noah of Amarillo, the bride's cousin, registered guests at a table which was covered with a white cloth. Beside the wedding book were placed a white memory candle, white doves and the bride's bouquet.

Rice bags were distributed from white baskets carried by Tina and Tiffany Smith of Arlington, Connie and Dean Standlee of Grapevine, Shelly Hardcastle of Waco and Connie Neal of Rochelle. Also assisting in the house party were Mesdames H.T. Cardwell Jr., James Logan, Dan White, Helen Abell and Charles McCrary.

A sleeveless green knit dress with an inset waist covered with white lace flowers was the bride's traveling costume chosen for the honeymoon trip to Galveston. The orchid corsage from her bouquet was pinned on her shoulder.

A 1971 graduate of Vernon High School, the bride made Dean's Honor List for the Fall and Spring semesters of 1971 at Texas Tech University. She will enroll in September at University of Texas at Arlington where the bridegroom is counting this December. She graduated in 1968 from Vernon High School. They will reside 807 S. Center in Arlington on Sept. 1.

Pre-Nuptial Events
Mesdames Vernon Compton, Shivers and Leon Speer were hostesses for a bride's luncheon on the day of wedding at the Hillcrest Country Club. Guests were the bride's elect, mothers and grandmothers of the bride and bridesmaids, flower girl organist and soloist.

A bachelor luncheon was also on Saturday in the home of Mr. and Mrs. Buddy Hingst. Mr. and Mrs. James Boudin, Mr. and Mrs. Warren Wilson and Mrs. Gitano Holliday as co-hosts with the Hingsts.

The rehearsal dinner held Friday evening was hosted by Mr. and Mrs. Clarence Graf, St. Paul Lutheran Church. Guests were greeted by hosts and directed to the reception tables.

Mr. and Mrs. Harry Waco and Mr. and Mrs. Carl Waco were hosts for a dinner honoring the bridal couple at the Club Cafe on Aug. 19. Attending were the honorees and members of their families including grandparents.

The bride-elect was honored on Aug. 16 with a buffet dinner at her home. Mrs. Don Neal and Mrs. Donald Hardcastle were hostesses for the dinner following which rice bags were made by the guests.

Mr. and Mrs. Verne Hardcastle attended his daughter's wedding, Melinda Hardcastle in Waco Saturday. Also attending were Mr. and Mrs. Doris Hutchison, cousins of the bride.

Mr. and Mrs. Gordon Parks of Dallas and Mrs. Hazel Parks spent a week in Colorado fishing and visiting with Mrs. Roper's sister family, Mr. and Mrs. George Newkirk. The Ropers returned to Dallas.

Weekend guests of the Hazel Parks were her son Garland and Marsha Pate Todd, Daren and Tamara Albuquerque. They returned Sunday.

Visiting Mrs. Jess Coffey this last weekend were her son and family Mr. and Mrs. J. B. Crowder, Jr. of Walnut Creek, Calif., Cheryl and Bryan and daughter, Elle and Jeffrey Don of Lubbock.

QUESTIONS THAT PEOPLE ASK ABOUT JEHOVAH'S WITNESSES

The remarkable growth of Jehovah's witnesses in recent years has attracted the attention of news writers the world over. The Watch Tower Society reports that these new ministers are now coming into the worldwide organization at the rate of 145,000 each year.

While unbiased accounts are often written about their growth, yet news reporters seldom seem able to state accurately what Jehovah's witnesses believe. Therefore, many persons ask the Witnesses directly, or write to the Watch Tower Society, wanting to know what Jehovah's Witnesses really believe.

Mr. Orville Caruthers, the presiding minister of the congregation of Jehovah's witnesses in Shamrock, says that these same questions are asked of the Witnesses here and in Wheeler, just as they are in the 208 lands throughout the earth. Here are the answers to some of the most frequently asked questions.

In this day when attitudes toward the Bible are changing, what attitude do Jehovah's Witnesses have toward the Bible?

Jehovah's Witnesses believe the Bible to be the inspired word of God, God's revelation to mankind. They are convinced that the Bible is authentic, reliable and the only guide that leads to everlasting life. It is their textbook. They study it and use it until they know how to find the principle, the proverb or the example that fits the need or the problem of

the moment. To Jehovah's Witnesses the Bible is the Book of the Creator, in which God tells his creatures about creation, about Himself, about His rules of life—rules that are simple and practical. The Bible proves itself to be the revelation of the true God. No other book can do that. Please read 2 Tim. 3:16, 17, and 1 Thess. 2:13. "All Scripture is inspired of God and beneficial for teaching, for reproving, for setting things straight, for disciplining in righteousness, that the man of God may be fully competent, completely equipped for every good work."

1 Thess. 2:13. "Indeed, that is why we also thank God incessantly, because when you received God's word, which you heard from us, you accepted it, not as the word of men, but, just as it truthfully is, as the word of God."

What is the basic difference between Jehovah's Witnesses and other religions?

Jehovah's Witnesses truly believe what the Bible says and try to live according to its principles. Others may say that they believe God's word, but do they? Do they believe that they believe God's word, but do they? Do they believe that they believe the Bible, Jehovah's witnesses also believe that the end of the wicked system of things is very near, and so they are busily engaged in warning people of this fact. They believe that, after the wicked ones are destroyed, under God's heavenly rule people are going to live forever in perfect health here on this

Earth restored to paradisaic conditions. This is God's promise, and Jehovah's Witnesses believe it.

Please read Psalm 37:9-11: "For evildoers themselves will be cut off, but those hoping in Jehovah are the ones that will possess the earth. And just a little while longer, and the wicked one will be no more; and you will certainly give attention to his place, and he will not be. But the meek ones themselves will possess the earth, and they will indeed find their exquisite delight in the abundance of peace. The righteous themselves will possess the earth, and they will reside forever upon it."

Also, Isaiah 45:18: "For this is what Jehovah has said, the Creator of the heavens. He the (true) God, the Former of the earth and the Maker of it, He, the one who firmly established it, who did not simply for nothing, who formed it even to be inhabited: 'I am Jehovah, and there is no one else.'"

Two other questions will be answered in next week's edition of the Wheeler Times. Why do Jehovah's Witnesses call on the homes of people who already have a religion of their own? Also, Why does the Watch Tower literature have so much to say against other religions?

Mr. and Mrs. C.V. McCraw visited the Rev. and Mrs. Dunn and children Tuesday afternoon. Visiting them on Thursday night were Mr. and Mrs. Ray Prater of Wheeler. Their daughter visited them from Friday until Tuesday from Newlin, Tex.

PROGRESS IN WHEELER

OUR TOWN IS CONSTANTLY ON THE MOVE AND IMPROVING

Pictured above is the new 2 bedroom red brick home of Mrs. Polly Tucker at 604 S. Osage in Wheeler. It features a kitchen, dining room, living room, 2 bedrooms and bath. It is centrally heated with gas and the living room, diningroom and kitchen are all paneled in knotty pine. Rust colored Mediterranean style tile has been used throughout the home.

PAT'S PARAGRAPHS

BY: Patricia Palmer, CIIDA
Guess summer's over, all schools have begun their fall semester. Heard one mother comment on how quiet it is during the day! The beginning of a new school year was always exciting, and a little confusing. I kind of miss it!

We have several 4-H's and mothers attend the baking meeting last week. The 4-H's are preparing refrigerator cookies and whole wheat bread for the bake show. The 4-H Bake Show is held each year on a district wide basis in conjunction with the Tri-State Fair. Our County Bake Show will be Saturday, September 2 at 9:30 a.m. in my office. Everyone is welcome to come and see the "goodies" these girls will make.

Ever heard of a "Sew Fair"? Well, one is coming to our area soon. Here's a new and different sandwich idea that you might like to try. As we come to the end of summer's picnic season and look toward the back-to-school lunch routine, sandwiches are on the menu often. So here's a fresh one to add to your sandwich recipe collection, Ham 'N' Cheese Rolls. This sandwich will please youngsters because it's got some of their favorite foods in it: ham, cheese and hot dog buns. Kids love anything that's tucked in a bun! And mother, you'll find that Ham 'N' Cheese Rolls make an ideal lunch for you and the kids, because most of the preparation is done ahead of time. You can make up the filling early in the day, even the night before. It's a simple mixture of leftover cooked ham, cut into cubes, Swiss cheese, chopped eggs and a sour cream salad dressing. While dairy sour cream has its own bright, tangy flavor, this recipe adds extra zip with chopped green onions, stuffed olives and a dash of mustard. The whole sandwich can be assembled in advance, right down to toasting and buttering the buns, spooning the filling inside and wrapping it all in aluminum foil. At lunch time, just pop

sewing industries and the Extension Service are sponsoring this program to be held in Pampa's M.K. Brown Auditorium on September 13. The Sew Fair is designed to acquaint consumers with new fabrics, equipment and supplies, patterns and sewing techniques. It will include exhibits and presentations operating simultaneously throughout the day. Representatives of six major home sewing industries will demonstrate a host of sewing topics from installing a zipper to the latest pressing techniques. They will present continuous 30 minute talks from 9:30 p.m. to 12:30 p.m. and from 2:00 p.m. to 5:00 p.m. The Sew Fair is open to all and free of charge. This all sounds good to me. Hope you will be able to attend! I'll include more about the "Sew Fair" next week.

Read this the other day and thought you might like it too: "There is a destiny that makes us brothers. None goes his way alone. All that we send into the lives of others. Comes back into our own."

those foil-wrapped rolls into the oven long enough to heat. You'll find the flavors are even better when they have time to blend and mellow. And this sandwich is packed with good nutrition as well as flavor. Both cheese and sour cream supply valuable milk protein and other food elements.

Ham 'N' Cheese Rolls make a pleasing family lunch; just add relishes to nibble and plenty of refreshing milk to drink. They're fine fare for an autumn picnic, too. Carry along the wrapped sandwiches in your picnic basket or cooler, and heat them on the charcoal grill.
8 hot dog buns, split
1 1/2 cups cooked ham cut in 1/2 inch cubes
1/4 cup sliced green onions
2 hard cooked eggs, chopped
1 tsp. prepared mustard
1/4 cup butter, melted
1 cup diced Swiss cheese
1/4 cup sliced pimento stuffed olives
1/2 cup dairy sour cream
1/4 tsp. salt
Brush cut sides of buns with melted butter; place on baking sheet and toast under broiler. In a bowl lightly toss ham, cheese, onions, olives and eggs. Combine sour cream, mustard and salt; gently blend into cheese mixture. Divide mixture onto bottom half of rolls (approx. 1/3 cup per roll) cover with top; wrap in aluminum foil. (If desired, these sandwiches may be prepared a

few hours before serving time, wrapped in foil and kept in the refrigerator until ready to heat before serving). Heat in pre-heated 350° oven, 15-20 minutes or until warm through. Makes 8 sandwiches.

McCASLAND-MITCHELL VOWS EXCHANGED

Brenda Gail McCasland and Danny Stephen Mitchell were married at the candle lighted altar of the First United Methodist Church in Wheeler. The Rev. Ross Dunn officiated at the double-ring ceremony. The wedding was on Monday evening, August 14, 1972.

The bride is the daughter of Mrs. Lula McCasland and the late Lindsey McCasland. Parents of the groom are Mr. and Mrs. Cecil Mitchell of Eldorado, Oklahoma.

Organist was Mrs. Robert Owens of Wellington. She played the traditional music and wedding march, and accompanied the bridesmaids, Jayne Parsons and Patricia Richardson as they sang "True Love" while the bride couple waited before the altar to repeat their vows. At the closing of the ceremony, Jayne sang "The Wedding Prayer" in holy reverence.

Guests were registered by Terry Glenn Massey of Shamrock.

Brenda was escorted to the altar by her brother, Kenneth McCasland. She was attired in a gown of satin-faced lace. The fitted bodice was closed with satin covered buttons to the high neckline. The bishop sleeves were of sheer scrolled lace. A satin bow accenting her fingertip illusion veil was in place with a coiffure comb which belonged to the brides maternal great-grandmother, as a token of "something old". A similar satin bow at the back of the waistline held her scrolled lace chapel train. Roys Lee McCasland, nephew of the bride, was her train bearer, dressed in white trousers and a shirt of matching lace lined in green. For something new and blue, the bride wore a single star sapphire necklace, which was a gift from the groom, and she carried a white Bible belonging to her sister. It was entwined with a nosegay of ivy and carnations.

Attending the bride as matron of honor was her sister Mrs. Elaine Martin. Bridesmaids were Miss Jayne Parsons of Wheeler and Mrs. Patricia Richardson of Amarillo. They wore floor length dresses of apple green cotton and dacron, with old fashioned apron skirts with wide full ruffles from the waist completely encircling the bottom of the skirts. They were made from pastel green sheer dacron dotted swiss. Over-the-shoulder length mitts were made from the same material and came to a point over the wrists. Bows of dotted swiss graced their hair, and they carried nosegays of ivy.

Teresa Gail Martin was flower girl. Her dress of apple green was designed after those of the bridesmaids, and she wore a penelope of pastel green dotted swiss and matching mitts.

Attending the groom as best man was Larry Coke of Eldorado. Terry McCasland of Wheeler and Harlan Melford of Eldorado were groomsmen. Randy Lee Martin was the ringbearer. Serving as ushers were Keith Robertson, Sayre, Okla., and Rickey Melford of Eldorado. They were all dressed in navy and white and wore shirts of apple green.

Mrs. McCasland, in black and white, and Mrs. Mitchell, in bone, wore corsages of green carnations and received with Mr. Mitchell and the bride party at the reception in Fellowship Hall following the ceremony. Hostesses at the serving table were Mrs. Carol Robertson, Sayre, Okla., Mrs. Glenda McCasland and Mrs. Sherry McCasland of Wheeler.

The bride was a graduate of Wheeler High School and attended Tarleton State Col-

God Is The Light
(1 Jh 1:5)
John does not say God is "a" light. Nor does he say that God is "the" light. John describes the nature of God; what He "is", not what He "does". And "in Him is no darkness at all."
Therefore, all who would have fellowship with God must walk in the light, renouncing and casting off the works of darkness. For Paul says in Rom. 13:12-14. "I let us therefore cast off the works of darkness, and let us put on the armor of light. Let us walk becomingly, as in the day; not in revelling and drunkenness, not in chambering and wantonness, not in strife and jealousy. But put ye on the Lord Jesus Christ, and make no provision for the flesh, to fulfill the lusts thereof."
"If we say that we have fellowship with him and walk in the darkness, we lie and do not the truth; but if we walk in the light, we have fellowship one with another and the blood of Jesus his Son cleanse us from all sin." (1 Jh 1:6-7).

GUARD AREA LIGHT

...business men, farmers,
 ranchers - **LIGHT UP**
 your property every
 night for only \$4⁰⁰*
 a month!

Reddy installs the light, maintains it and even furnishes the electricity to operate it. Guard lights are automatic, too... on at night when you want light and off by day. Guard lights discourage prowlers, make night outdoor work safer and give a business-like prestige to commercial establishments.
