Voters turned down three to one the proposed \$150,000 project for the landscaping and developing of the Wheeler School Campus. The election was held Tuesday, August 8 in the School Cafeteria.

The program proposed the landscaping of the grounds into four levels and the addition of a bus barn, restrooms for the football field, playground equipment, tennis courts, ball diamond, band practice field, parking areas and track.

Only 425 voters cast their ballots in the election. 312 ballots were cast against the proposal and 113 were in favor of the bond issue.

The board is indefinite as to the future plans for

the campus at the present time.

Dirt work has been underway at the school this summer. The area at the west end of the grade school has been lowered and all the concrete in the area has been removed. The excess dirt has been moved to the back of the building to make the first level which will serve as a playground for the youngsters.

## OLD MOBEETIE TO THRIVE AS TOURIST ATTRACTION

The restoration of Old Mobeetie, complete with merchandise in the stores and prisoners in the jail, is the goal of The Old Mobeetie Texas Association.

J. E. Bond of Amarillo began the project July 25, which he hopes will lead to the reconstruction of the original Old Mobeetie. Monday, August 7, a

meeting was called for the citizens of the Mobeetie Area to hear of the plan and express their ideas. The meeting was sponsored by the Lions Club of Mobeetie.

Attending the meeting to express their views of the project were Rep. Tom Christian of Claude and Bill Brooks of Resources, Conservation and Development. Mr. Christian read a letter which he had received from the Texas Film Commission which advised the project committee to use professionalism and flexibility in the restoration.

Bill Brooks of Wheeler recommended that the peo-

ple get behind the program and put forth the effort. R.C. and D. is willing to support the project if the people involved are willing to work.

Visitors today in Old Mobeetie may view and enter the Old Jail. The building is surrounded with Historical Markers which tell of the early history of the town, the building and the building and the people involved in the making of Panhandle history.

Lester Hathaway, a resident of the Mobeetie area since the age of 2 is one of the local people most anxious to see the project completed.

## N.M. Chess Fans See Championship

Two New Mexico teenagers flew to Reykjavik, Iceland to watch the big championship chess game.

Tim Hopkins, 15, of 4106 Tara Court NE, Albuquerque, and grandson of Mrs. Sally Harris, and Brock Horton, 15, of Gallup, grandson of Mrs. Harris and Mr. and Mrs. Jess Patterson of Mobeetie, went to see the chess battle between Bobby Fischer, the American champion and Boris Spassky, the Russian world champion.

"We wanted to see at least six games," Tim explained. He's been playing chess since he was four.

What they saw was Spassky win the first game. Fischer refused to play a second game because he objected to cameras.

It cost the two boys about \$500 each for the flight and expenses in Iceland. "Fischer looked normal to us," Tim said.

"The two men shook hands when they came out to play the first game."

"There were big signs about no cameras around the room where the men were playing chess," Tim added.

The boys got to Iceland on July 2. They set up nylon tents in a campground across from the site of the chess games. It was cold and wet. Temperatures never got above 60 degrees.

Tim is the son of Dr. and Mrs. Fred Wood and granddaughter Carlene Britten visited in Groom Sunday with the Norbert Brittens. Little Miss Carlene Britten had visited the Woods for 5 days and she went to Groom to visit there a week.

## Here and There

BY: Laura Guthrie

Do Days! Now we wonder whence that expression? But that is what August brings. Maybe we should be grateful. Remember those cold January days? Something to look forward to. According to those who know (?) this is a very healthy phenomena. Were we living in the tropics-to keep our sanity and equilibrium, we would be forced to go to a colder climate at least once a year--to the mountains, say. Well, what would be the matter with that?

Pea pickin' time. That is what it is for a lot of us. And how could we live well without peas? And for us who can scrunge around and find okra, squash and corn, the freezers are insuring us against beri beri this winter. Fruit is scarce. A few peaches managed to survive that late freeze. But with tomatoes, a few in most every garden, maybe we can get by without the other fruit.

This is supposed to be a column of personals. Maybe I'm making it too personal.

Mr. and Mrs. Bob Riley and daughter were with his parents, the Ed Rileys, over the weekend. Bob will be Principal of the Claud High School this fall.

Timothy and Darline Whitener of Topeka, Kansas have been guests of grandfather and grandmother Gordon Whitener for the past week. The children's parents, Mr. and Mrs. William Whitener, were here on the weekend. William is Area Supervisor of Child Evangelism and is located in Topeka.

Lydia and Corky were in Oklahoma City on business on Monday.

After church coffee sometimes offers surprises. It so happened to Albert and Clara Marshall last Sunday night. It so happens that the Marshalls have a 25th wedding Anniversary this week. So Adrian and Dorothy Risner invited them to coffee Sunday night. They were greeted first by a group of girls who

were supposed to be having a slumber party with Carla, Jana and Laura Marshall. Then their attention was called to the decorated, laden serving table. Clara declares that she was thoroughly surprised. Other guests were the slumber party members Sally Brown, Stacy Farnsworth, Donna Thomas and Melinda Reeves. Also present were Rev. and Mrs. Keith McCormick, Rev. Herman Bell, Mr. and Mrs. Harry Wofford, Mr. and Mrs. Larry Tracy and family, Anita Reeves and Terry Walker.

Harley Anderson is on assignment with the Midwest Well Logging Co. in Louisiana. His wife Johnnie and children have spent some time visiting relatives. They have been to Childress, Paducah and Lubbock.

Louis and Barbara Stas had as their house guests on the weekend his sister and family the Gene Arnolds of Oklahoma City. Saturday night and Sunday his parents, Mr. and Mrs. Eugene Stas, Calumet, Okla. were here. They were accompanied by Louis' niece and nephew, Alicia and Jeff Stas, Bartlesville, Okla.

Mr. Floyd Kiser of Canyon spent Friday and Saturday with his daughter and family, the Frank Walker, Jr. family. Mr. Kiser did the electrical wiring on the house the Walkers are building on S. Alan Bean.

Mr. and Mrs. Donnie Mitchell have recently moved here from Hauma, La. Donnie is employed with the Beef Cattle Co. His wife, Charollette is the daughter of Keith Cook, Sr., who at one time lived in the Altha Hunt house.

Do I over-do the grandparent angle? Well, I have a right to it. I started being a grandparent so late in life that I have to make up for lost time. Virgil and Dorothy Jamison are enjoying their grandchildren this week. Small Angela of Amarillo is David's child. Stephen, from College Station, belongs to Jim. Stephen informs me that he soon starts to kindergarten.

### Shaw-Sechrist Vows Read Saturday

Miss Christie Ann Shaw and Richard Noel Sechrist became man and wife in a ceremony formalized in the sanctuary of the First Baptist Church at 3:00 p.m. Saturday, August 5, 1972.

Parents of the couple are Mr. and Mrs. W. R. Shaw, residents of Andrews at 1139 Terrace Circle and Mr. and Mrs. N.L. Sechrist of Wheeler. Vows were repeated under a wedding arch covered with garlands of simalax and lily of the valley, flanked by

columns holding arrangements of orchid gladioli in baskets and spiral candelabra. The aisles were lighted by triple hurricane candles. The bride and groom knelt for the nuptial prayer on a white wrought iron prieu dieu beneath the wedding arch. Reverend Carl Grissom, pastor of the First Baptist Church united the couple. Miss Paula Birdwell of Dimmitt, played various selections from the piano as guests were being seated.

Miss Eva Bently of Andrews played the processional and recessional on the organ. Mrs. Shaw wore a yellow floor length sheath dress with a white cymbidium orchid and matching white accessories. Mrs. Sechrist wore a light pink dress with a sheer overlay and sheer sleeves, complimenting a white cymbidium orchid and matching accessories.

The bride was escorted by her father, who gave her in marriage at the double-ring ceremony.

She wore a carpet length gown of candlelight lace inset with love knots. A square neck accented the empire style. Sheer sleeves reaching the wrist points were then gathered to form a scallop trim.

Her candlelight illusion veil was carpet length edged with candlelight lace. The veil was attached to a floral wreath composed of stephanotis, rosebuds and lilies.

She carried a traditional cascade of phalaenopsis orchids surrounded by stephanotis, and gypsophila with long streamers of violet and candlelight.

The brides traditional accessories were an "old" Bible which was opened on the prieu dieu to a favorite passage. A "new" Irish linen hankie given by her mother. Cultured pearl earrings with a matching necklace "borrowed" from her mother and she wore a "blue" garter from Mrs. Jeana Plunkett. For good luck she wore a six pence in her shoe, plus two pennies having the bride and groom's birthdate on them.

Miss Terri Luck of Andrews, registered guests. Miss Anne Stringfellow of Andrews attended as Maid of Honor. Bridesmaids included, Miss Dorothy Coon of Houston and Miss Pam Burns of Andrews.

They were identically made gowns of floor length orchid voile lined with an orchid floral print. Butterfly sleeves and a square neck emphasized the empire style. Orchid garden hats complimented their outfits. Nosegays of lavender asters, purple seafoam statice, and gypsophila, highlighted with purple satin streamers matching the trim on their

gowns. Mr. Allison Lamb of Wheeler served the groom as best man. Other groomsmen included Mr. Calvin Sechrist of Wheeler, brother to the groom and Mr. Bobby Ware also of Wheeler. Ushers were Mr. Dwight Ford of Amarillo and Mr. Bob Anderson of Canyon.

After the ceremony guests were received in the Green Room of the First National Bank. The white confection formed a three tiered cake with the bottom layer centered around an illusion fountain, as white columns supported the two top tiers, adorned with flowers of orchid and violet. White chantilly lace overlaid with satin adorned the table. An arrangement of orchid carnations and gypsophila set in a silver, five branched candelabra was centered on the table.

Miss Patty Alexander and Mrs. Ginger Shaw, both of Andrews and Mrs. LaDonna Taylor of Sweetwater, Okla., served the guests.

Special guests at the wedding included Mr. and Mrs. J. R. Shaw of Borger and Mr. and Mrs. A. F. Sanders of Duncan, Oklahoma, grandparents of the bride, Mr. and Mrs. Sonny Sechrist and their family, brother of the groom from Hobart, Okla., and Mr. and Mrs. Ron Taylor and their family, sister of the groom from Sweetwater, Oklahoma.

Oklahoma, also attended the wedding. Mr. and Mrs. A.F. Dawson and Mr. and Mrs. Cal Shaw also attended the wedding.

The bride is a graduate of Andrews High School and is presently attending West Texas State University. The bridegroom is a graduate of Wheeler High School and has attended West Texas State and Texas A & M. He is a candidate for December graduation at West Texas State with a degree in history and English.

After a honeymoon trip to Colorado, the couple will be at home in Canyon, Texas.

Doris Forrester is spending a few days with the R.J. Holts in Marble Falls, Carroll, Virginia and Lisa Pettit spent Monday night with his parents, the Shelby Pettits.

### Gaines-Gurley Vows Exchanged

Miss Vicki Gaines and Davy Gurley exchanged wedding vows in a double-ring ceremony at the First Baptist Church in Wheeler on Saturday, July 22 at 7:00 P.M.

Dr. Harley Stump of McPherson, Kansas, cousin of the groom, performed the marriage ceremony as he had for the groom's parents, Mr. and Mrs. Eldon Gurley.

Parents of the bride are Mr. and Mrs. Richard Gaines of Wheeler. The background for the

wedding was a large basket of white gladioli decorated with a large purple bow and a tiny white wedding bell. It was centered between two white candelabra, each holding seven white candles and decorated with greenery and large purple bows.

Purple tulle bows with white bells and white miramist bows alternated, decorated the reserved pews. Candle Lighters were Darrell and Kent Gaines, brothers of the bride. Guests were seated

by Joe Close, Keith Maddock, Rickey Murrell, all friends of the bride and groom, and Bob Sanders, cousin of the bride.

Among the pre-ceremony numbers played by the organist, Mrs. Harold Lee, were "We've Only Just Begun" and "The Twelfth of Never". The traditional wedding marches were played also.

Miss Cynthia Manning played a piano solo, "The First Time Ever I Saw Your Face".

The couple knelt while Misses Pam Nix and Linda Lane sang "Wedding Prayer". They were accompanied by Miss Manning at the piano.

Escorted and given in marriage by her father, the bride wore a floor-length gown made of miramist over bridal satin. The bodice featured a scoop neckline, empire waistline, trimmed with a satin bow, and long full sleeve bands and neckline. The a-line skirt had a pleated panel in the back for extra fullness. The train was attached to the back waistline with small satin bows. Her tiered elbow length veil fell from a satin bowl. The edges of the tiers were trimmed with lace. The gown and veil were made by the bride's mother. She carried a bouquet of white

frenched mums and baby's breath with white ribbon streamers. For "Something old", the bride wore a cameo necklace belonging to a great-aunt, Mrs. Irene Dyer. The necklace is about 50 years old and is of great sentimental value to its owner. "Something new" was her dress, and the traditional garter worn was "something borrowed and blue". She also wore a 1972 penny in her shoe.

The bride was attended by Misses Carrie Holland, maid of honor, Pam Nix and Linda Lane, bridesmaids, and Lynette Gaines, sister of the bride, served as junior bridesmaid. Miss Sandra Sanders was flower girl and Donald Gaines was ring bearer. Both are cousins of the bride.

All attendants wore tical gowns of purple and white gingham check, with a low neckline, puffed sleeves, empire with a gathered skirt and ruffle at the bottom. The line empire waist, and flared. They wore bows made of the same material in their hair, white shoes, and a necklace or earrings was a gift from the bride. They carried baskets of purple asters and greenery that were accented with purple streamers. The bride carried a white basket containing petals, a purple aster.

Serving as best man, Danny Gurley, brother of the groom. Groomsmen were Hawkins and Louis Hawkins, cousin of the groom. Miss Kendra Gaines, sister of the bride, registered the guests.

The bride's mother wore a dress of blue and white knit with white accessories. The groom's mother was tired in a dress of yellow knit with white accessories. Both wore corsages of carnations.

For the reception in Fellowship Hall of the church, the serving table was covered with a white cloth. A white candelabra held eight purple candles as the centerpiece. The bride's bouquet was placed beside it. White punch was served from a crystal punch bowl. The white four-tiered wedding cake, made by Mrs. Fred was topped with a trio of wedding bells. The cake was decorated with purple and white flowers. First Misses Brenda McCasland and Cynthia Manning served the guests. Purple and white rice bags were given to reception guests.

For the wedding trip to Colorado, the bride wore dress of orchid knit with white trim and white accessories. Her corsage was lifted from the bridal bouquet.

appears:  
 a. 1 tbsp. vinegar to 1 qt. water  
 b. 2 tsp. cream of tartar to 1 qt. of water  
 Here's the last of the information on cleaning products. Cleaning Walls and Woodwork - Painted Surfaces: For ordinary cleaning, use a mixture of soap jelly and warm water. Add enough soap jelly to water to make light suds. Follow this procedure to clean: Dust painted surfaces thoroughly before washing. Wash with a soft cloth dipped and wrung out in cleaning solution. Rinse well and dry with soft cloths. Wash only a small area at a time.  
 Whitening paste may be used for very soiled places. Make it with four parts of fine whiting to 1 part of soap jelly. Mix the two ingredients thoroughly and keep in a small jar. Apply with a soft cloth and rub lightly. Rinse thoroughly to remove whiting.  
 For cleaning woodwork or light-colored painted surfaces use 1 part kerosene oil to 1 part vinegar. Rub over the soiled area and wipe off with a dry cloth.  
 Papered Walls: Fresh grease spots may be removed to some extent by placing a clean blotter on the spot and pressing with a warm iron.  
 For further treatment and more stubborn spots, make a paste of water and magnesium powder. (Use powdered magnesium oxide which can be bought at drug stores.) Apply the paste to the spot, and let it dry thoroughly for 2 or 3 days. Brush off the dry powder. It may be necessary to repeat the treatment several times. Caution: Test first on an inconspicuous place.  
 Cleaning Brass and Copper: Make a paste of 1 pint neutral soap jelly, 1 cup whiting, 1 tsp. household ammonia. Add whiting and ammonia to soap jelly before it congeals, and beat together. After using the paste always rinse articles in clear warm water and dry thoroughly.  
 Tarnished copper can also be cleaned with salt dissolved in hot vinegar, or with lemon rind.  
 Cleaning Marble or Tile: Remove acid stains with household ammonia, baking soda or borax. If acid has roughened surface, rub the spot with pumice stone and water. Polish with a soft cloth.  
 For grease spots, make a thin paste of fuller's earth, spread on the spot, and let it stand for 24 hours. Wash with soap and water. Repeat the process if necessary. Scrub very soiled spots with pumice stone.  
 Can't know if you've noticed but in fashions, it seems like the classics are black with a few different

two sts. The fabrics, are new and easy care. There are a variety of vests, long jackets and sweaters, pointed lapels and collars, wrap arounds and tie belts, sweater sets with crew necks and straight stitch. Dolman sleeves, and swiny pjeated or gored skirts are also seen.  
 The newest in pants is wide and cuffed often with front pleats and high fitted, belted waistline.  
 Don't think that freezing kills bacteria in foods. It simply stops their multiplication. So, maintain strict sanitation when preparing foods for the home freezer, and freeze only high quality foods.
