MUSTANGS TAME GROOM TIGERS 35-0

By David Britt

Looking more like the Mustangs of old, Wheeler took the Groom Tigers to a 35-0 cleaning last Friday night and saw their record stay unblemished through three games.

The Mustangs were quick to assert their superiority as the Tigers fumbled the opening kickoff and Wheeler recovered on the Groom 25 and went to paydirt in seven plays with Donald Rives getting the last 7 yards skirting left end.

Scoring twice more in the second quarter, the Mustangs built a 21-0 lead at halftime and were never really threatened as the Tigers slowly wilted to the pressure that the Mustangs kept on them.

For their second TD the Mustangs were forced to move 65 yards with all three Must-

ang running backs, Rives, Britt and Rogers gouging out good gains behind much improved blocking of the Mustang forward wall. A big 21 yards was gained in the drive on a pass from Ware to Rives to put the ball on the Tiger 18. Rives got nine at left end and Rogers got seven more at right tackle to put the pigskin on the Groom 2. Dave Britt scored on the next play as he went over the right side. Ware passed to Dwight Ford for the two points and with 6:40 to go in the half, the Mustangs had a 14 point bulge.

With time running out in the first half, Groom attempted to get on the scoreboard with a passing attack but were stopped as Donald Rives intercepted a screen pass on the Tiger 40. Just four plays were needed this trip. Britt got a yard and after Rives was trapped for a short loss, the Mustangs scrambler, quarterback Bobby Ware, got 13 yards after being unable to find a receiver. A 15 yard penalty for unsportsmanlike conduct against the Tigers set up another Mustang first down on the Groom 14. Frankie Rogers, who really ran with authority, got his first of three touchdowns as he cut inside his right end and went over with 1:02 remaining. Fred Goad, whose playing was limited to point after kicking, put the ball through the uprights and Groom was whipped.

Wheeler headed for paydirt with the second half kickoff but were stopped at the Tiger 16 as Mike Helton intercepted a Ware pass. Groom couldn't move and were put further in the hole on the second play as Gary Davis smacked Helton down for a three yard loss. Sechrist batted down a pass and the Tigers had to punt. From the Groom 48 the Mustangs alternated Rives and Rogers

behind the blocking of the Mustang tackles, Ronald Rives and Mike Holt, and lead backs to pound out the score in nine plays with Rogers getting the TD with a 10 yard jaunt at right tackle. Goad again kicked the extra point.

Ronald Rives recovered a Tiger fumble at the Mustang 40 on the second play of the last quarter and his 60 yard touchdown drive was made in a hurry with the payoff coming on a pass from Ware to Rogers with play covering 34 yards. The ball was tipped by a Tiger defender but Rogers never broke his stride and took the ball over his shoulder for the final six pointer. Goad got his third point after as he kicked true and the Mustangs total reached 25.

Coach Hill substituted liberally the remaining part of the contest and every Mustang making the trip got in valuable playing time. Groom was able to make one threat late in the game as they drove to the Wheeler 13 but this drive fizzled as Frankie Rogers intercepted a pass and tight roped the sidelines from the one out to the Mustang 16. Britt booted the ball on first down and put the Tigers 58 yards farther from the Mustang end zone. The Mustang second team swarmed the Tigers for three downs and forced a punt and Wheeler had two running plays as time ran out.

Even though mistakes were made, the marked improvement of the Mustangs play was evident and the defense hit with authority which had been lacking in previous games.

Ford and Sechrist at ends, R. Rives and Holt at tackles, Manning and Tucker at guards and Dale Rogers at center all did yeoman service and made it possible for the Mustang backs to garner their biggest rushing total of the year.

CITIZENS OF TOMORROW: Pictured above are Wheeler's young citizens of tomorrow. Top to Bottom: (1 to 6) David, Judy and Darla Moore, children of Mr. and Mrs. Darrell Moore; Teresa Martin, daughter of Mr. and Mrs. Bob Martin; Jimmy White, son of Mr. and Mrs. Jim White; Crystal Wright, daughter of Mrs. Janice Wright; Dalton and Tonya Stewart, children of Mr. and Mrs. Dan Stewart; Gary Brotherton, son of Mr. and Mrs. C.B. Brotherton, Jr.; Kristi and Kari Hill, daughters of Mr. and Mrs. J.T. Hill; Mark Hampton, son of Mr. and Mrs. Alvin Hampton; Larry and Ricky Gatlin, sons of Mr. and Mrs. Dan Gatlin; and David and Dale Patterson, sons of Mr. and Mrs. Bob Patterson.

NOON MEAL: This was the scene at the Kelton Gym, Tuesday after the Wheeler County Crops Tour. Four bus loads of farmers, ranchers, merchants and Wheeler FFA-ers made the tour and observed agricultural experiment plots. The noon meal was served by the Harvester Pit Barbecue of Pampa with the Wheeler Chamber of Commerce, Shamrock Chamber of Commerce and Wheeler County Farm Bureau footing the bill for 171 hearty appetites.

CONSOLIDATION OF VOTING BOXES MADE NECESSARY BY STATE LAW

County Attorney Guy Hardin explained that the Commissioner's Court had no alternative in recent action ordering eight of the county's voting boxes consolidated into four.

The order was made necessary by a new law passed during the last session of the State Legislature which states that after February,

29, 1968, each voting precinct must have a minimum of 50 registered voters, Hardin said.

"When the voting strength of a box drops below this figure, it must be closed and consolidated with another box according to the new state law," Hardin declared.

The new law reduces the number of polling places in Wheeler County from 13 to 9. The changes are:

Voting Box no. 8, Paken is abolished and consolidated with Box no. 9, Heald.

Voting Box no. 6, McBee, is abolished and consolidated with Box no. 5, Stanley.

Voting Box no. 2, Briscoe, is abolished and consolidated with Box no. 3, Wheeler.

Voting Box no. 13, Kelton is abolished and consolidated with Box no. 7, Twitty.

The territories embraced in the boundaries of the abolished precincts are to be made a part of the consolidated boxes.

After February 29, 1968, the voting precincts of the county will be as follows: Mobeetie, No. 1; Wheeler, No. 2; Stanley, No. 3; Allison, No. 4; Heald, No. 5; Lela, No. 6; Twitty, No. 7; Shamrock (south), No. 8; Shamrock (north), No. 9.

Kirks Return

Mr. and Mrs. C.B. Kirk returned Sept. 19th from a seven week motor trip through the north western United States and Canada. They visited Mr. Rushmore, Yellowstone Park, Glacier National Park, Lake Louise and Columbia in Alberta Canada. They took a steamship from Seattle, Wash. down Puget Sound over to Victoria, capital of British Columbia. They deep sea fished for salmon in the Pacific at West Port, Wash. and Astoria, Ore., catching their limit of 3 large Salmon each and returned by Salt Lake City and Colorado. They were accompanied by Mr. Kirk's sister, Mr. and Mrs. C.B. Dobbins of Billings, Oklahoma.

Pancake Supper

The Key Club with the help of their advisor and the Kiwanis Club will serve a pancake supper at our first home game with Canadian on October 6 - Come, eat and attend the game and Homecoming festivities.

Mrs. Everett Cole of Pampa came Saturday and took her mother, Mrs. Emil Seeding to the doctor for a check-up.

Visiting Mr. and Mrs. John Francis last Thursday was her cousin, Mr. Charlie Francis of Wellington.

Spending last weekend with Mrs. Florence Burgess were her niece, Mr. and Mrs. Pete Georgeham and daughter of Santa Rosa, Calif.

ACROSS THE FENCE

By Max Hatter, WCAG

A big turnout of farmers, ranchers and businessmen made the 10th Annual Wheeler County Crops and Demonstration Tour Day a big success. We want to say thanks all who helped. Several comments were made about the illustrated brochures outlining the tour stops and speakers. These brochures were made possible by the Wheeler County Farmers Union. Credit for this idea goes to Duane L. Scott, our Farm Administrator Assistant.

Wheat broke through the ground a few days ago. Those parts of the county that received over two inches of rain last week benefited a lot. Soil Conservation Supervisor Election:

Folks owning land in the vicinity of Mobeetie will want to come out next Tuesday night, Oct. 3 at 7:30 P.M. to the Vocational Agricultural Building to elect a supervisor for Zone 4. An illustrated slick talk on the Sweetwater Creek Watershed will be given by Bill Brooks with the Wheeler County Soil Conservation District. To vote now or your wife must own land in Zone 4 which is land north of the north fork of the Red River and west of the powerline road.

Upon entering the house the intruders proceeded to satisfy their destructive urge. They broke coke bottles throughout the house and poured out part of the paint. Dr. Parker had stored at the house.

since 1962. In some counties, up to 50 percent of the deeded wheat acreage has either been lost or severely damaged. Dr. Bob Berry, Extension Area Plant Pathologist recommends three practices which can reduce losses where the disease is a problem: (1) destroy volunteer wheat (2) delay planting until the latest possible date, and (3) plant disease resistant varieties. Bison, Triumph, Comanche and Kiowa have done well in Kansas tests. Scout and Kaw are resistant too. We suggest planting resistant varieties.

VANDALISM REPORTED

Vandals did an estimated \$250 worth of damage to the house being remodeled by Dr. Parker, Friday night. The house is located one mile northwest of Wheeler. Entry was gained by breaking a window.

They broke coke bottles throughout the house and poured out part of the paint. Dr. Parker had stored at the house.

Wheeler Schools

By Arling Cordell, Supt. Here we are, almost at the point where we have our first six weeks tests. Everyone needs to be steadily reviewing and studying for these Friday, October 6.

We are so very proud of our fine team and their coaches - that was a wonder victory (35-0) over Groom, wasn't it? Let's all go to Wellington. This will be a tough one.

I have just returned from Austin where I attended the Administrator's Convention. While there I heard many new ideas and some, very frankly, worried me.

Out of 67000 seniors in Texas who took the American College Tests last year, more than 1/2 of them failed to make an average score in English and the Social Studies, while they scored much better in Math and the Sciences. I wonder if there is a warning in this that we have stressed the importance of Math and Science, while neglecting to make sure that our students are firmly grounded in the humanities - in how

Historical Marker For Rock Barn

The historic Rock Barn on the Stiles Ranch in Wheeler County, has been named a recorded Texas Historic Landmark, significant to the history of this community and state, and worthy of preservation, today announced Charles Woodburn of Amarillo president of the Texas State Historical Survey Committee.

As a result of meeting TSHSC requirements for this high official designation, the Texas Historical Building Medallion with interpretive plate giving a capsule history of the structure will be affixed to the structure.

Dedication of the marker will be announced by Mrs. Grady Harris of Wheeler, chairman of the Wheeler County Historical Survey Committee.

A certificate signed by Gov. John Connally, Charles Woodburn and Mrs. Harris will be presented at the dedication.

The inscription on the marker reads:
Rock Barn
Built 1891 by F.M. Patton, a rancher, Native Stone with cottonwood framing. Part of lumber came from abandoned

Cont'd. on pg. 5

Postal News... Tests Offered

The examinations for postal clerk and city carrier announced last week do not mean there is to be an opening in the local post office. The Post Office department has taken the residential limitation of post office jobs. Persons passing the test will be given a rating and will be eligible for a job in any of the 26 counties in Zone 1.

Information concerning qualification requirements and duties are available at the Wheeler Post Office or may be acquired by writing: Executive Secretary, Regional Board of U.S. Civil Service Examiners, General Post Office, 401 Franklin Avenue, Houston, Texas 77002 or Local Post Offices or Interagency Boards of U.S. Civil Service Examiners.

Wheat Streak Mosaic

This is a good time of the year to apply 20 - 25 pounds of a balanced fertilizer to your lawn for every thousand square feet of area so it'll go into the winter in good shape and come back strong next spring.

Wheat streak mosaic has caused serious economic losses to Texas wheat growers

Briscoe News

By Lucille Tipps

Mrs. Gerald Waters and Tena returned home from a two weeks visit with her folks, Mr. and Mrs. Melvin Wheeler in South Dakota. Also visited her brother, Bill and wife who recently married.

Rev. Knight and wife of Pampa were Sunday dinner guests of Mr. and Mrs. Roy Prater.

Mrs. Laura King of Canadian visited her sister, Mrs. Rose Sunday.

John Wright entered North West Texas Hospital in Amarillo Saturday. Herbert Finsterwald and family and the Wright children visited him Sunday.

Dorothy Ault of Torrance, Calif. is spending two weeks with her mother, Lucille Tipps and other relatives. Had a ice cream supper Wednesday night at Dean Tipps for her and Herb Patterson of Los Angeles. Approximately 30 attended.

Wiley McCray left Wednesday for the Omaha, Nebraska.

Mrs. Bob Zybach and Mrs. Elbert Zybach shopped in Pampa Friday.

Mr. and Mrs. Robert Vise of Dinuba, Calif. is visiting his brother, Gaddy Vise. Sunday visitors were Mr. and Mrs. Jack Meek, Mr. and Mrs. John C. Vise and family and Mr. and Mrs. Dan Gatlin and family.

Genetha Ethridge was accidently hurt playing on the Briscoe School playground

Friday and was taken to Parkview Hospital and transferred to St. Anthony's Hospital in Amarillo where she had surgery. She is now home and doing fine.

Mrs. Neil Renfro visited Lucille Tipps and Dorothy Ault Sunday night.

Mrs. Knight from Pampa visited the William Jacksons and Grandma Helton Monday.

Velma D'Spain and Willene Waters went to Groom Tuesday.

Mr. and Mrs. J.P. Meek and family visited the Harley Ethridges Sunday afternoon.

Rev. and Mrs. Santora Cole were Sunday dinner guests of the Willis Fillingims.

Several parents and school children attended the Amarillo Fair last week.

Mr. and Mrs. Clarence Zybach were Sunday guests of the Elbert Zybachs.

Mr. and Mrs. R.H. Dyson and family from Berger spent the weekend with the R.L. Zybach family. On Saturday the two families went to Sayre, Okla. and visited the Richard Dyson and Truman Zybach families.

Mr. and Mrs. Earl Williams visited Sunday afternoon with the McCrays.

Debbie Douthit and Mary Finsterwald celebrated their birthdays by their mothers taking them and girl friends to Shamrock to the show and hamburgers after. Those attending were Belinda Wilhelm, Kathy Helton, Landa Macias, Becky Vise and Mary and

Debbie. They spent the night with the Willis Fillingims. Mr. and Mrs. Harold Peterman of Santa Rosa visited Briscoe Monday and went to Parkview Hospital to visit W.M. Lohberger.

Mrs. Latoy Vise had surgery first of the week at Highland General Hospital and was able to return home the last of the week.

Mr. and Mrs. George Ralsback and son of Pampa spent Friday and Saturday with Mr. and Mrs. Roy Waters.

Jim Helton spent Thursday night with Mr. and Mrs. Tom Helton.

Mr. and Mrs. L.S. Aderholt went to Amarillo Saturday to visit Jessie Williams who is a patient at North West Texas Hospital.

Mr. and Mrs. James Hardage from Lawton and Mr. and Mrs. Smith Keene from Wichita Falls spent the weekend with Mr. and Mrs. C.E. Wilhelm and Belinda and Mrs. Bessie Barry.

Mr. and Mrs. For Childress visited Mr. and Mrs. Kenneth Childress and baby at Garden City Wednesday.

Mr. and Mrs. Ewell Steen visited Mr. and Mrs. Marvin Dixon at Berger Sunday.

Mr. and Mrs. Dean Tipps visited Mr. and Mrs. Jack Hays Sunday afternoon and had homemade ice cream.

Mike Aderholt and Richard Maddox were Sunday dinner guests of Mr. and Mrs. Cliff Walker and Bill.

Mr. and Mrs. Elbert Zybach visited Mr. and Mrs. Milton Finsterwald and family Saturday night.

Paul and Carolyn and Robert Coburn from Dallas visited

the Helton families last week. Mr. and Mrs. William Jackson were Sunday dinner guests of Mr. and Mrs. Nash in Pampa.

Radar Enforced Speed Limits

Those stubborn drivers who ignore traffic laws and play motorized russian roulette as they racket along the highways soon will encounter more radar speed checks and more Texas Highway Patrolmen writing tickets.

Statistics have proved conclusively that speed kills, that driving too fast for conditions is responsible for many traffic tragedies, so the Highway Patrol is going to do something about it.

The Texas Highway Patrol in coming weeks will field more men in more high-way cruisers, armed with many more radar speed detectors, in order to encourage motorists to keep their speeds within legal limits, and to prevent the ever soaring number of traffic deaths from rising even higher.

Captain J. W. Blackwell, in charge of the Texas Highway Patrol in this District, points out that the plan to encourage drivers to maintain safe speeds resulted from a 1966 survey on Texas highways which showed that speeding is an increasingly common occurrence.

In the first article in this series, Major Luther C. Moore, Commander of the Department of Public Safety's Northwest Texas Region 5, told how research by university scientists and government studies proves that a driver's chance of becoming involved in a fatal accident increases many fold at speeds over 60 miles an hour.

But how many drivers break the speed limit? What is the safest driving speed? Who has the wrecks? And what types of highway accidents are most common? These questions might be asked by the average Texas motorist, and Captain Blackwell has the answers compiled from a survey of Texas highway speeds in 1966 and a recent report by the U.S. Department of Commerce.

When Mr. average motorist takes to the highway, about one driver in every eight he meets (actually 12.4%) will be exceeding the daytime speed limit of 70 miles per hour, says Captain Black-

TEXAS HIGHWAY DEPARTMENT CELEBRATES 50th ANNIVERSARY -- Liquid mud in wet weather, iron furrows in dry -- that was the state of most roads when the Texas Highway Department was born 50 years ago. The picture at left shows a "road" in Falls County about 1917. Now, every part of the State is linked by bright ribbons of convenience like those at the interchange of Interstate Highways 45 and 610 in Houston, shown at right. -- Texas Highway Department Photos.

Distinctively new! Fastback or formal. Both '68 Chevrolet Impala coupes.

Some want the spirited, action-packed fastback look. Others prefer the poised and classic lines of our new Custom Coupe. The beauty of it is, from Chevrolet and only Chevrolet, you get both. Pick the

one that's right for you and whichever great new style you choose, you'll also enjoy such exciting new quality features as (1) Chevrolet's quietest ride ever, because of Chevrolet's extensive use of electronic computers to help isolate noise and vibrations. (2) Better performance from a bigger standard V8 with GM's new

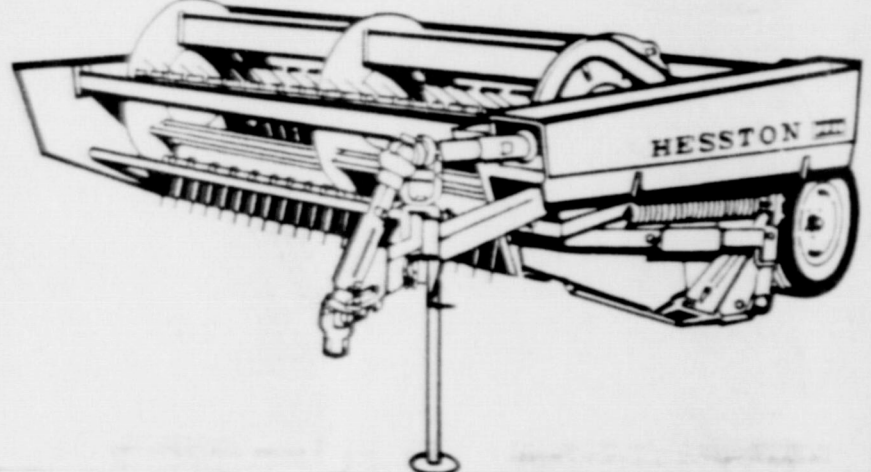

exhaust emission control. (3) Proved safety features including many new ones. (4) All kinds of new comfort and convenience: Hide-A-Way windshield wipers, rich new instrument panels, sumptuous new interiors. Chevrolet's best... ever!

Be smart! Be sure! Buy now at your Chevrolet dealer's. WARE CHEVROLET CO.

This is your year to step up to **HESSTON** ... and the new PT-10 Pull-type Windrower/Swather makes it easy!

Consider the time, labor, fuel and tractor wear you can save by one-pass mowing and conditioning your hay... and having a choice of putting your hay in the windrow or leaving it in a full-width swath. Add the higher feed values of hay rich in TDN, conditioned with most of the leaves intact—unique Hesstonized Hay. Count your profits, and step up to a Hesston this year. You'll be pleased when you hitch a new Hesston PT-10 to your tractor. Here's a pull-type that tracks true. It has unutilized all-metal construction. Conditions hay gently, yet fully before it ever touches the ground... you get uniform conditioning with stem cracked at 1 1/2" intervals. Full 9-ft cut, full width 102" conditioner. Every inch a Hesston—and priced to be easy to buy! See it now.

There's something special about a HESSTON!

Kiker Hostess For WSCS Meet

Members of the Allison W.S.C.S. met Sept. 30th in the Richard Kiker home with nine members and the hostess present.
Opening song was "Take Time To Be Holy."
A report was given on the workshop meeting held at Perryton last week. Mrs. Glisan and Mrs. Kiker attended.
Committees for the week of Prayer observance were appointed and final plans were made.
Mrs. Glisan led the devotion in hurrying to much to take time to worship God. Each one participated by reading thoughts for the day and answering questions.
The program, Modern Woman's Struggle for Personal Identity, was introduced by program chairman, Mrs. Duke. Others taking part were Mmes. Black, Dollar, Rainey.
Those present in addition to the above mentioned were Mmes. Lohberger, Miller and Richardson. The society welcomes Mrs. Frank Miller as a new member.
Mr. and Mrs. Lowell Pendleton and children of Stinnett visited Sunday and attended Church of Christ and were dinner guests of his parents, Mr. and Mrs. Olen Pendleton and visited her parents, Mr. and Mrs. E. Tillman in the afternoon.

"I know giving credit some-
times BREAKS UP a friend-
ship, Jim... but after all,
we're not VERY good
friends anyway!"
See how friendly our credit pol-
icy is... and our service is the
friendliest in town.

SCOUTMASTER RETURNS FROM NATIONAL FARM-CITY SCOUT CAMP

Ben T. Rucker, Jr. of Troop 72, Scoutmaster of Troop 72, of the First Methodist Church in Wheeler, has just returned from participating in the National Farm-City Scout Training Center, for which he received a scholarship from the National Council, Boy Scouts of America.

Ben Rucker

The scholarship for him and Mrs. Rucker was awarded on a basis of outstanding leadership in Scout activities, civic and other community organizations. The National Rural Scout Committee of the Boy Scouts of America launched a program twelve years ago as a means of paying the costs of the thousands of miles and community-minded men across America who are so much dedicated to the volunteer leaders to us through the Scouting movement. Only 182 men from fifty states received such scholarships.

The purpose of these conferences is to study the new and most effective programs and outreach methods for the changing population characteristics of our times. These scholarships are made available by the Sears, Roebuck Foundation, the National State Associations of Boy Scouts, and the National Water Conservation Districts. Future Farmers of America and members of the National Rural Relationships Committee of the Boy Scouts of America.

Commenting on the conference, Joseph A. Brunton, Jr., National Scout Executive of the Boy Scouts of America, said, "The goal of Scouting is to prepare boys to achieve their adult potential as responsible citizens. A trained Scout leader is the key to achieving this goal. Today more than one and one-half million men are serving boys as Scout leaders in Scouting. Men who have received National Farm-City scholarships have made a major contribution to the lives of the boys in their communities. Their contributions of time and concern underscore again the importance of the volunteer in the social structure of our nation."

Mr. Rucker has been Scoutmaster of Troop 72 for the past four years and has continued an active program at troop meetings every

Monday night and an outdoor activity at least once each month. Included in the outdoor activities are numerous conservation projects including the development of a new 480 acre camp at Wheeler. Mr. Rucker is a member of the First Baptist Church and is an Eagle Scout.

Warning Tickets Not To Be Issued

Texas motorists will be watching their speedometers more in coming months, as the Texas Highway Patrol fields more patrolmen and more radar speed checking units in a battle against motorcade.

Purpose of the all-out drive against speeders is simple. The Highway Patrol knows that speed kills—and they hope that by sprinkling the state's heavily traveled arteries with radar speed checking units, the ever mounting Texas highway death toll will be reduced.

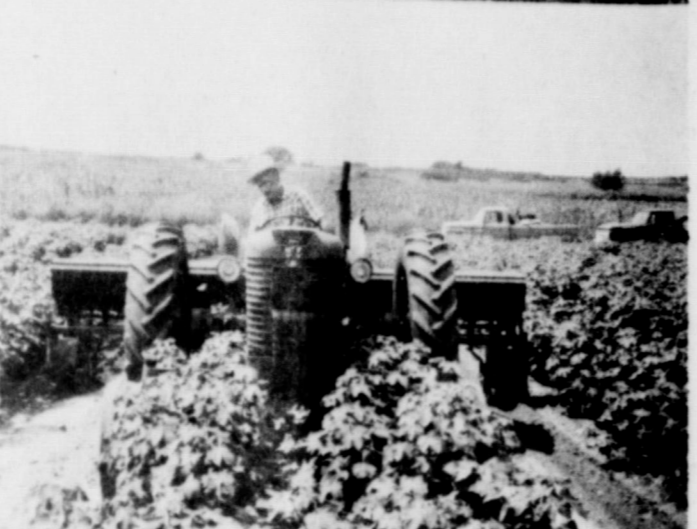

Previous articles in this series have shown that excessive speed is a contributing factor in a large percentage of the accidents on Texas highways, that the chances of a driver becoming involved in an accident increase many fold when he drives faster than the speed limit on Texas highways last year. "Now just what is the Highway Patrol going to do about all this speeding?" asks Mr. average motorist, and the answer is supplied by Major Luther C. Moore, Regional Commander of the Texas Department of Public Safety.

Major Moore has announced that the DPS has ordered enough radar speed measuring units to equip almost every patrol car in the field. The Highway Patrol Supervisor in this area, adds: "Use of the radar sets will enable us to patrol the highways more effectively, to encourage all drivers to stay within the speed limit."

The sergeant continues: "We hope everyone will drive within the speed limit but some will fail to comply, so our efforts will be directed toward apprehending the speeders in order to protect motorists who do comply with the law."

Speeders who are apprehended will face fines up to \$200.00 and convictions will be recorded on their driving records, which could affect insurance premiums. Four convictions for moving traffic violations within 12 months or seven within 24 months will result in loss of driver's license and driving privileges.

The sergeant also explained that no warning tickets will be issued to speeders since the Texas Public Safety Commission has ordered that charges will be filed in every case where there is a clear cut and substantial violation of the speed law.

TOM PURYEAR: Tom Puryear of the Soil Conservation Service in Wheeler, Texas, is shown making a clipping as part of a study to determine the yield of weeping lovegrass. This study was set up in early spring. Several plots were measured off and the entire area was mowed to about a five inch height. The grass has been clipped, by plots to the same height of either two, four or six inches at regular intervals of either two or four weeks. Some areas were fertilized. It is hoped that this study will help farmers in the Wheeler County Soil and Water Conservation District better plan their use of this popular grass.

LOWER PHOTO: Harold Hill is shown here drilling a well into cotton on his farm east of Wheeler. This picture was made Sept. 8, 1967. The drill was custom made for this purpose. The idea is to grow a good cover crop to prevent the sandy soil from blowing during the winter and early spring months. The rye is grazed during the winter and then turned under as a green manure crop in the spring. The soil has improved by using rye in this manner.

POSTMASTER ASK FOR ZIP LISTS

Postmaster Virgil Jamison reported today that approximately 150 Zip A List cards from all over the country have been processed at the Wheeler Post Office since the program kicked off last week.

The postal official urged local residents who haven't taken advantage of the post office's offer to provide ZIP Codes for "zipless" addresses to do so immediately. A kit sufficient for up to eight addresses was delivered to each household in the area.

Extra kits are available at the post office. All a mailer needs to do to obtain a ZIP Code is to: --write the "unzipped" address in the proper space, including the city and state. --write in the return address so the post office will know who should receive the completed card. --drop the card in any mail box. No postage is needed.

DO YOU BELIEVE IN GIRLS?

Believe that their growing up years are important to them their community and their world? Be a troop leader and have fun and satisfaction of working with girls as individuals and members of a troop - as Girl Scouts who need and want your guidance, your enthusiasm and your values.

Believe that girls need people and ideals to grow by? Be a member registered in Special Service capacity - arrange a display, prepare a camp, give a nature talk. Give a little or a lot!

Believe it would be fun to share your hobbies, skills and interests with girls? Be a program consultant - teach a craft, develop a nature trail or hold a grooming class.

Believe in the Girl Scout program strongly enough to do something concrete about it? Be a fund raiser - win community support for all Girl Scouts.

Think they're here to stay? Ever wonder what you could do to help them? They come by the millions and they'll need men and women like you to guide them - to share fun and adventure with them in growing Girl Scout movement.

Be another volunteer and count yourself among the 747,000 adults who all believe in girls!

Another way to help is in giving to the Girl Scout Fund drive.

Starting October 2 thru October 9 at Mobeetie.

Mrs. W.E. Smotherman of Aubrey is visiting her son, Mr. and Mrs. Ralph Smotherman.

F. Hefleys Given Housewarming

Mr. and Mrs. Farmer Hefley were pleasantly surprised recently when a group of their friends gave them a "housewarming" in their beautiful new home. They were the recipients of a Spanish accented swag type lamp.

Those attending were: Mr. and Mrs. Paul Green, Mr. and Mrs. Shelby Pettit, Mr. and Mrs. Fred Waters, Mr. and Mrs. J.C. Moore, Mr. and Mrs. Roy Bailey, Mr. and Mrs. Maurice Burgess, Mr. and Mrs. Pyman Martin, Mr. and Mrs. Cliff Hefley, Mr. and Mrs. Earl Williams, Mr. and Mrs. Claude Barker, Mr. and Mrs. George Hefley, Mr. and Mrs. Milton Finsterwald, Mr. and Mrs. Jack Hefley, Mr. and Mrs. Claudy Brotherton, Mr. and Mrs. Grady Dodd, Mr. and Mrs. Richard Hefley, Mr. and Mrs. Woodford Williams, Mrs. Mary Finsterwald, Mrs. Doyle Standlee and Mrs. Florence Burgess.

Easter Seals Give BARN . . . Help to 16,031

A total of 16,031 disabled Texans were helped by Easter Seals during 1966, as stated in the Annual Report of the Easter Seal Society for Crippled Children and Adults of Texas. These people were given treatment in one of the 23 Treatment and Service Centers that are operated by the Easter Seal Society for Crippled Children and Adults of Texas. These people were given treatment in one of the 23 Treatment and Service Centers that are operated by the Easter Seal Society throughout the State.

Joe D. Rogers, of the First National Bank in Wheeler, is the Easter Seal Representative in Wheeler County, according to Robert N. Eastus, Jr., West Texas Representative for the Easter Seal Society.

Any person in need of the services provided for by the Easter Seal Society should contact Mr. Rogers. He will assist with an application that will be sent to the State Treatment and Service Center, where arrangements will be made for the proper treatment at the appropriate center.

Conditions treated in 1966 included: arthritis, cerebral palsy, multiple sclerosis, muscular dystrophy, other neuromuscular conditions, stroke, poliomyelitis, orthopedic, brain damage, speech disorders, hearing conditions and others.

August Hi-way Patrol Report

The Texas Highway Patrol investigated 15 accidents on rural highways in Wheeler County during the month of August, according to sergeant J.W. Wilson, Highway Patrol Supervisor of this area.

These crashes resulted in one person killed, eight persons injured and an estimated property damage of \$10,605.00.

The rural accident summary for this county during the first eight months of 1967 shows a total of 89 accidents resulting in 12 persons killed, 46 persons injured and an estimated property damage of \$124,380.00.

"School days" are here again. The familiar yellow school buses are back on the highways. The Sergeant reminds all motorists of the State Law regulating traffic in regard to school buses. "The driver of a vehicle upon a highway outside of the limits of any incorporated city or town upon meeting or overtaking any school bus which has stopped on the highway for the purpose of receiving or discharging any school children shall stop the vehicle immediately before passing the school bus, but may then proceed past school bus at a speed which is prudent, not exceeding ten (10) miles per hour, and with due caution for the safety of such children."

Stitch and Chatter Club

The Stitch and Chatter Club will meet in the home of Nola Wright, Sept. 29. This is to be an all day meeting to finish a quilt for one of the club members. Please come and bring a covered dish.

Birthday Party

Ronal Wayne Stas was honored on his seventh birthday, Monday, Sept. 25 with a birthday party by his parents Mr. and Mrs. Louis C. Stas.

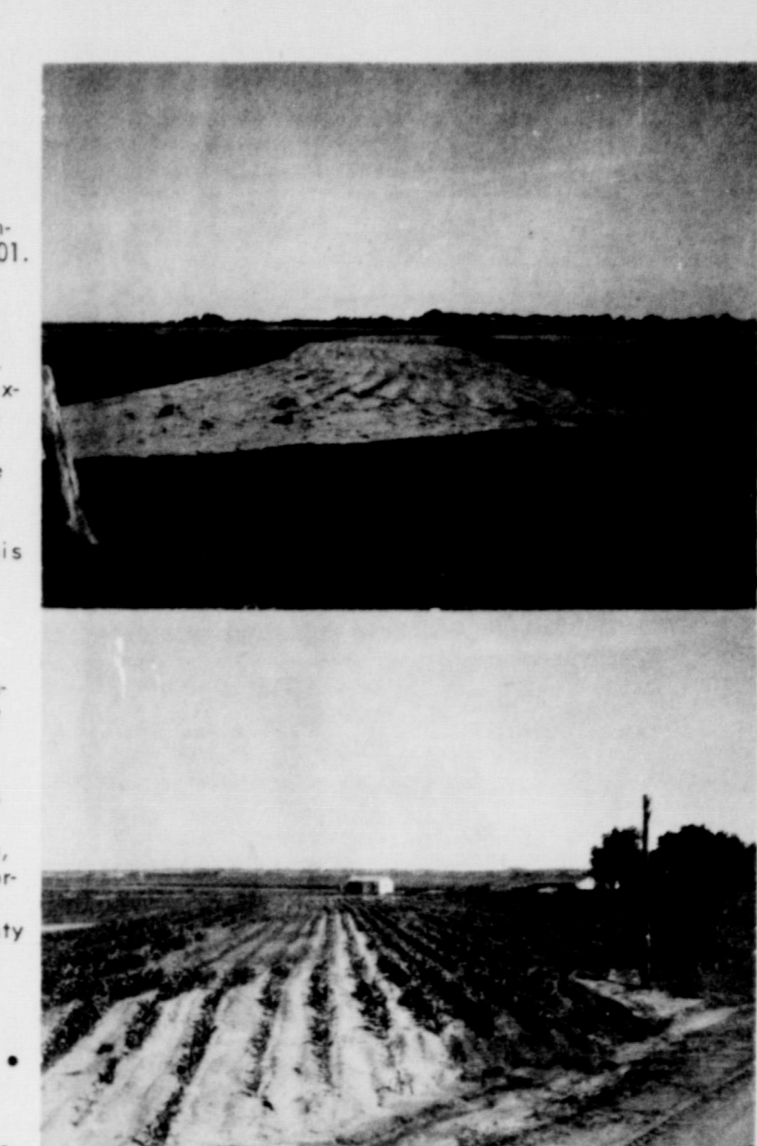

Attending were classmates: Bobby Risner, Mark Hefley, Billy Stewart, David Wright, Bob Gunter, Tommy Christner, Kent Vise, Marvin Lee Grimes, Myron Jolly, Mike Lee, Laura Marshall, Sammy Schaffer and Phillip Gaines; and Bobby, Joe and Rose Lang, Crystal Wright, David Townsend, Jack and Tracy Walker, Cathi Rayne Stas, Mark Wright and Mrs. A.E. Connell.

Lt. C. W. Boyd Now In Vietnam

First Lieutenant Charles W. Boyd, is on duty at Tuy Hoa, AB, Vietnam. Lieutenant Boyd, a squadron administrative officer, is a member of the Pacific Air Forces. Before his arrival in Vietnam, he was assigned to the 461st Bomb Wing at Amarillo AFB, Tex. The Lieutenant was commissioned in 1964 upon graduation from Officer Training School at Lackland AFB, Tex. A 1959 graduate of Columbus High School, Ga., he received a B.S. degree in business administration in 1963 from Northwestern State College, Natchitoches, La.

Lieutenant Boyd's wife, Patricia, is the daughter of Mr. and Mrs. Marvin Pierce of Wheeler, Tex.

Mr. and Mrs. Claude Cox, Sr., had all their children home over the weekend except one, Mrs. Francis Pride of Wichita Falls. They were Mr. and Mrs. James Cox and Roxie of Lubbock and Mr. and Mrs. Claude Cox, Jr. and children of Brownwood who spent the weekend. Mr. and Mrs. Marvin Cox and children of Amarillo and Mr. and Mrs. K.D. Ford and children were there Sunday.

This is a picture of parallel terraces on the land of H. B. Krug. These are open end terraces which outlet on grass. These terraces are considerably easier to farm than any standard terrace system that could have been laid out on this field.

LOWER PHOTO: Shown are parallel terraces on the E.F. Lasater farm. Notice there are no point rows. This field in previous years had been terraced with standard terraces and had to be farmed with a large number of point rows.

man of Santa Rosa, Tex., visited last week in Wheeler with friends.

Mr. and Mrs. Max Wiley took their son, Tommy to Lubbock to school Saturday. They stopped in Ida Lou and visited her sister, Mr. and Mrs. Jack Parks. Mrs. Parks teaches in the Idalou School.

Mr. and Mrs. Bob Warrick and girls of Dumas spent the weekend with her parents, Mr. and Mrs. Clyde Johnson. They all visited relatives in Hedley Saturday afternoon.

Mr. and Mrs. Bill Caskey and children of Borger spent the weekend with her mother, Mrs. Faye Patterson. Mr. and Mrs. Virgil Patterson and children were Sunday dinner guests.

Mr. and Mrs. Bill Lewis of Spearman spent the weekend with Mrs. Jean Lewis. Mrs. Bill Lewis visited Saturday afternoon with Mrs. Faye Patterson.

Larry Hampton and Johnny Hutchison, McMurry College students, came home Friday and brought their grandmother Mrs. C.M. Hampton home, who had spent two weeks in Abilene with her granddaughter, Mr. and Mrs. Jerry Jones and Lisa.

Mr. Gaddy Vise went to Muleshoe, Sept. 15th and met his brother, Mr. and Mrs. Robert Vise of Dinuba, Calif., who were visiting their son and they went to Sulphur Spring and Taylor visiting relatives and on to Henderson where they were raised and lived as boys. They came to Wheeler Tuesday and have visited all the relatives here and at Wellington. They left Tuesday for Lubbock to visit other relatives a few days before leaving for the state of California.

Mrs. Jackie Boyd and baby of Irving are visiting her parents Mr. and Mrs. Marion Addison.

Mrs. James Khuns and Tonja Plymons of Wichita Falls spent Friday night with their aunt, Mr. and Mrs. Bill Brickey and family.
