years past has been the victim of several burglaries. Two attempts have been made to open safe; both of which proved costly (repair bills) to the produce. In Monday night's burglary, the handle of the safe was knocked off and an effort was made to drive the combination back through the door of the 70 year old safe. Amarillo Safe Company was called and opend the safe Tuesday after 5 hours work; the door was taken back to Amarillo for the installation of a new combination. A larger safe was defaced 10-12 years ago, but entry

was not gained. After the unsuccessful attempt at the safe, the burgulars opened the Coke box and obtained \$10 to \$12. Other items may have been taken, but no large quantities. Some tools be

We have thirty-two young men involved in our football program this season, but that'S still not good enough. We need more participation in our football program at Wheeler. All of the young men involved in our pro-

grar, are working hard to make this season a success. Again, I would like to mention our goals for this

season. They are: 1. Get more boys out for football. We have more boys out this year than in the past, but need more. Remember "Lazy people want much but get little, while the diligent are

prospering. 2. Get in Shape - we are working on this. 3. Win both scrimage games.

QUARTERBACK CLUB TO HAVE KICKOFF MEETING MONDAY

With school now in full swing and the Mustang foot ball squad into their second week of workouts, the Quarterback Club, which is the booster club for all Mustana athletics, will have their firs meeting of the year next Monday night at Nora's Cafe at 7:30.

Bill Wheeler is president of the Quarterback Club for this year and urges everyone to come out to this first meeting. Coach Jim Robinson, new

head football coach and athletic director at Wheeler High, will be present along with his coaching staff and will give a rundown to the club on the athletic program and the upcoming football season. The head mentor of the Mustangs will review the scrimmage that will be held Friday night between the Mustangs and the Miami

Warriors. Membership dues are now being taken for the club and eserved seats are also be-

ing sold for the upcoming season that will start with a home game Sept. 6th

against the Lefors Pirates. Dues for membership are \$2.00 and reserved seats are \$3.00. Thurman Rives is in charge of selling the reserved seats and if a person wants the seats they have had in the past please contact him. David Britt is collecting dues but if he fails to contact you, any member of the Quarter back club will be glad to

take your dues. In addition to the remarks by the coaching staft, plans for the new year will be discussed at the initial meeting of the club next

Back the Mustangs by joining the Quarterback Club and be present for the big kickoff meeting. Remember that all funds taken in by the Quarterback Club are used entirely to help the athletic program of the Wheeler Schools.

With the increased costs of regular commercial fertilizer's many products appear on the market with fantastic and unrealistic claims as to their value. Thus customers should beware of such products and should take close note of the label before making a purchase.

The Texas fertilizer law and regulations require that products sold as fertilizer show on the label the per cent nitrogen(N), phossphorus (P205), potassium (K20) and other nutrients, if claimed. Those products which do not indicate specific percentage of plant nutrients should not be purchased for application soils as fertilizers. Fertilizers supply nutrients ne eded for plant growth. Since most soils contain some of all the essential nutrients plants will grow without fertilization. Fertilizers just make them grow better.

Ni trogen and phosphorus are most often deficient in Texas soils, with potassium being third. Therefore, the primary purpose of fertilization is to supply one or more of thesethree major plant nutrients. Wide variation exists between soils as to the levels of avialable nutrients present A soil test can provide valuable information about these levels and serve as the basis tor determining what nutrients should be in the fert-

The cattle feeding in try is still in a depress economic condition, son a livestock marketing specilist for the Texas CRR&3/48 ricultural Extension Sen

Feedlot losses have tinued since last August buy daylight is now on horizon, says Dr. Ed U "Some feedlots may alm be in the breakeven zon Unfortunately, much of equity capital of the comercial feeders has been used, so financing is st

a real problem." As a result, the loss uation of feedlots is nor being felt by cow-calf; the form of reduced price for replacement calves, Demand for light-weight calves is extremely low. Feedlots can buy the wight cheaper than they put it on; consequently are buying more larger replacement animals, or out Uvacek.

Two things seem cent according to the Texas University System specialist. First, cattle numb feed as of July will no provide a very large maketing level for the four calendar quarter of this Uvacek estimates market ings at about 5.5 million head, or 15 per cent less than last year. And, pla men ts of cattle into feed lots during the April-Jun period were down about? per cent from levels ave ago.

Secondly, a change titude toward refilling to lots is necessary before price strength can deve in the feeded market, no Uvacek. "This might & elop fairly soon if feeder see some profit opportui if government guarante I oans can be made effer rapidly, and if market in of feeders is not bunche because of drought conditions."

and they are open for public scrutiny at Wheeler County Court House, Wheeler, Texas

Word was received this week of the passing of Mr. Will Brown, father of Ray Brown, formerly of Allison

Mr. Brown was a resident of

California. Another note of sadness was the passing of Ern Zybach, formerly of Briscoe. The community will miss him and his writings in the paper. Several from the community atteded the funeral in Wheeler.

The 1974edition of the Antelope Annual arrived last week. It is a very good job even with the set-back caused by our school fire. Miss Sharon McDonald and the staff are to be commended for the job. The annuals may be picked up from Miss McDonald and the staff.

Monroe Reynolds entered St. Anthony's Hospital on Thursday for tests in preparation for heart surgery. The surgery was scheduled for Monday at 1 p.m. Our prayers and thought go out to the entire family.

Also in St. Anthon's for surgery is Nadene's brother, Marvin. So I'm sure Nadene has plenty to do with visiting the sick. A speedy complete recovery to both mentlemen.

Bill Miller and Minnie Weiss visited in Reydon with Lila Taylor this weekend. Keeping busy keepps these two ladies young at heart. Lee Hall and family visited James and Nona on Sunday for dinner and Nona p ut them to work in the p.m.

Rev. Dorein Blassinggame and family were visitors in our community on Sunday. They make their home in Arlington. They were dinner guests of the Gary Halls after holding services for the First Baptist Church morning and evening. His father was a former pastor of the church when Bro Dorien was a younger man.

Mrs. Megee was a dinner guest with the Donal Barbers Sunday. Randy was home from Amarillo for

Mr. and Mrs. Jerry Gilmer and daughters were in town for the weekend visiting their folks.

Mr. and Mrs. Ennis Lee are visiting this week. Joe Lee and family were visiting also. Mt. and Mrs. Lee will leave from here and go to Colorado for a stay near Creede.

Mrs. Woodard Lee visited her brother-in-law and sisterin-law on Monday.

Lonnie and Jerry Hill retruned home Sunday to Lubbock after staying with the J.R. Blacks for the summer. Their mother Adeline came for a weekend visith with her mother, Mrs. Velma Williams, and the Blacks before packing the Boys home for the school days ahead. Mrs. Cleo Wolf from Sny-

sister Mrs. Forest Boydston and family. Sunday guest was Juanita Boydston. Rev. and Mrs. Virgil Cornwell and boys had

der, Texas is visiting her

Sunday dinner with the Bill Boydstons. Juanita and Opal Boydston Sue and LaQuinta Boydston Mrs. Cornwell, and Linda Gilmer attended a fellowship meeting in Amarillo Friday night.
