JUDGE HEFLEY GIVES LETTER OF RESIGNATION

County Judge, George Hefley turned in his letter of resignation at the close of Commissioners Court Monday afternoon. The court accepted the resignation, but has not appointed anyone to complete Hefley's term which expires in January.

The letter of resignation reads as follows: To the Commissioners' Court and The People of Wheeler County:

After much thought and consideration I have decided to hand in my resignation as County Judge effective August 1, 1974. I feel that the best interests of all would be served by my retirement at this time.

I consider it an honor to have served the good people of this county for 33 years and 11 months - 10 years as a County Commissioner and 23 years and 11 months as County Judge. Honesty and truthfulness in serving you has been my aim, and I have done this to the best of my ability.

I wish to express my appreciation to the Commissioners and County Judges, both past and present, that I have worked with over the years. We have worked together as a Court for the same goal - the good economical government that you are entitled to.

I have done the job of County Judge to the best of my ability. My reputation is for you the people to judge and my character for the judgement of the Almighty God. My heartfelt thanks to each of you.

G. W. Hefley, County Judge

A Letter from Ern

Hello There,
Summer like weather here now days. This New Mexico climate stimulates an endless appetite of my own which I discipline by eating twice as much as I should and half as much as I want.
However I have a pedometer I hang on my belt to tell the milage I travel daily. Saturday I walked over 4 miles so the rocking chair hasn't got me by a long ways. Once upon a time a parrot was perched on a dutch mans house and the Dutchman thinking it a peculiar bird got a ladder and climbed real close and wanted to take hold of the bird. The Parrot said what do you want the Dutchman said, excuse me I thought you was a bird.
On a different occasion there were four handicapped fellows one was lame, one had no arms, one was blind, one naked. The wild duck hunting always was a big sport. The blind fellow saw a duck, the man without arms picked up a gun shot the duck, the duck crippled, the lame man ran after the duck caught it, gave it to the naked fellow he put it in his pocket.
Tis amusing to me as I have gone through the avenue of time people would talk about hard times, money scarce and good times. I always was short of money either way we must adjust to such. Us older fellows knew when everything was sky high there was a possibility of a serve slump. Some American people need to be more economical not necessarily stingy.
On Father's Day, 13 of my gang were here in Las Cruces from an out door picnic. My good children gave me an aluminum recliner so I can carry it on special occasions.
The report from Slaton, my brother Carl tells no rain there only 1 1/2 inches since Oct. 27. Hope it rains so farmers can plant wheat. Over at Plainview such severe flood. June 19, temperature here at Las Cruces was 101 at 4 p.m. Some items in super markets are marked down quite a lot but still way to high.
Humility is the sure cure for many a needless headache. In 1937 I had something like 300 bushels of wheat at combining time was \$1.10 per bushel at elevators people that had grainery room sold some kept some by planting time was down to 90c per bushel and 5 years lapsed till it was that high again.
Many speculators get fooled no none knows what might happen. I never craved much of this worlds goods which I plainly demonstrated while I lived in Wheeler Co.
Owing to the extremely dry weather the forests are in danger of fire any one that never saw how destructive forest fires are does not realize and the forest rangers are very strict at present, 4000 acres of timber was destroyed only 60 or 70 miles from where I live lately.
I find that I should remember the things and yet my memory never will let go of things I should forget. Just Human.

UNCLE ERN
This is a picture of Ern Zybach taken last May while he was back here visiting. In October, Mr. Zybach will observe his eighty-third birthday.

KING'S KOMMENTS

By Don King - CEA

The squash bug is one of the most difficult pests to control in the home garden. This insect attacks the leaves of squash plants, causing them to wilt and die. Small plants may be killed, as may larger plants which are heavily infested.

The adult squash bugs are about 5/8 in. length, brownish-black and flat-backed. Nymphs are from 3/16 to 1/2 inch long with off-white bodies and black legs. The adult squash bug

overwinters in all kinds of sheltered areas and begins to show up on squash plants about the time small squash are apparent from blooms on the plant. Mating then occurs and the female squash bug begins laying eggs on the underside of the leaves. These eggs are yellowish-brown to dark brown, about 1/16 inch long, and are generally laid in groups of six to 24 eggs.

The nymphs hatch from the eggs in a week or two

A Swindler Comes to Old Mobeetie

and congregate under the leaves or on the stems of squash. When either the nymphs or adults are crushed they give off a disagreeable odor. Both nymphs and adults feed by sucking sap from the plant.

Careful and frequent inspection of squash plants should be made. Adult squash bugs and eggs should be removed and destroyed when they begin to appear on the plants. When it becomes impossible to keep up with the number of squash bugs by destroying the adults and eggs, insecticides should be applied as needed to obtain control.

Carbaryl (Sevin), malathion or diazinon might be used to control this pest. There is no preharvest interval for squash sprayed with carbaryl. Squash sprayed with diazinon should not be harvested until day after application. Information on the label on the insecticide container should be checked at the store before the insecticide is purchased to make sure it is labeled for the control of squash bugs. Instructions should be followed closely when mixing and applying the insecticide, using proper safety precautions.

Fact Sheet L-1234, Vegetable Garden Insects and Their Control, is available from the county Extension agent's office. Information on the control of the various garden pests is presented in this fact sheet.

James and Sallie Busy Over Fourth

Week of the 4th of July is a very busy and hectic week for James and Sallie. Son,

James Horton and wife Madge came Tuesday evening, from Fort Wingate, N.M. on their way to Emporia, Kansas where Madge will attend summer school. They visited the Jess Pattersons of Mobeetie also.

Wed. was the busiest and most rewarding day for us. H. C. Weatherby of Shamrock, and James worked from 9:00 until 7:00 in the evening surveying the lots of Old town of Mobeetie. Lester Hathaway was there to run errands, take us to din-

ner. He also went to town and found Kelly, son of H. S. Supt., to help drag chains and other jobs of running from here to there. Mobeetie Mayor, Calvin Stuart was there for some time using his chain saw to clear some of the ground.

Lavon Williams and his helper came by to assist for some time also. Sallie was there all day with the map of the town so that the surveyors could mark it and tell where they were, now and then. The lots to be used for the State Park and restoring of Old town were completed, so that we can

get on with some building progress.

The 4th of July, James Horton, Nellie and Sallie went on a brief tour of the town of Canadian, where a big Rodeo was in progress, then spent the afternoon visiting with the Virgil Brooks, their daughter Jolene and son-in-law Bob Weis and daughter Suzanne.

Friday Sallie and Nellie managed to get away to spend the weekend in Memphis Texas, attending another reunion as guests of the Childress-Lewis family get-together they have every year. As one of the teachers at Swearingen, where these families lived and attended school in 1926-27 it was great fun to get acquainted again and meet children and grandchildren of our pupils as Virgil Brock and Sallie Brock with Daisy McDowell were the faculty there, that year.

People around Wheeler know the person who invited us to attend as he is the delivery man for Childress furniture and Upholstery Company of Wellington. Claude Childress, who was one of our pupils.

Nellie and Sallie, had the pleasure of visiting Mrs. D. M. Jarrell of Childress also, who was the mid-wife at the birth of James Horton, because the Doctor was late getting there she attended the baby. Mrs. Yarborough and Mrs. Ewell Johnson were the other attendants. Of course Nellie Nellie was there as nurse and to take care of Vinita during the occasion. The Jarrells were our neighbors.

One of the members at the reunion sends greetings to his uncles and their wives here. It was Glen Waters who married Sherry Lewis. We had a long visit of getting acquainted as he lived at Mobeetie, his father was Lesley Waters, if I remember correctly. He says Hi to Mr. and Mrs. Raymond Waters and Fred and Edna Waters. Not sure where he said he lived as there were people there from Brownville, Dallas, Midland,

Odessa, California, Borge, Phillips, Wellington, Amarillo, Shamrock and Sallie and Nellie from Wheeler.

I had a delightful visit with Dr. Harold Stevenson, of Memphis also. He was a Canadian boy in the class of 1945 with my daughter and her husband, Tom Hopkins. His wife Wanda Varnell was also in their class.

ANNUAL JOHNSON REUNION

Some forty-seven Johnson descendants enjoyed the Annual Johnson Reunion in the Harvester Park in Pampa, Sunday, July 7, with two of the original family, Mr. Euel Johnson of Dallas and Mrs. Wilma Chapman of Anadarko, Oklahoma attending. Others who registered for the occasion were, Mr. and Mrs. Raymond Johnson, Mrs. Joyce McIntire, Mrs. Mamie Johnson, Brenda Scott and Leonard Johnson all of Amarillo, Mr. and Mrs. Elmer Lewellen, Mrs. Eula Owen Johnson and Owen Johnson all of Pampa, Mr. and Mrs.

I had not seen Harold since the night we accompanied him to the depot when he departed to join the Navy, just after his graduation from high school. He has been practicing in Memphis for 20 years and I visited his lovely office and clinic near the Motel where we were staying.

Mac Shelton, Loretta and Willetta of Spearman, Mr. and Mrs. Don Moore, Wanda and James of Grants, New Mexico, Mrs. Paulene Hooker, Mr. and Mrs. Gene Harrison, Leslie and Cindy all of Mobeetie, Mrs. Myrtle Barker, Wheeler; Mrs. Wynona Kressenburg, David Gage, Byrvie Morgan, Mr. and Mrs. Webb Johnson, Marsha Crouch, Mr. and Mrs. Haskell Benson, Mr. and Mrs. Roy L. Hethcox, Zubey Peirce Art Chapman, Lincoln Chapman, Helen Sikes and Jesse Sikes.

TOP 'O TEXAS RODEO SCHEDULED JULY 31-AUG. 3

Plans are complete for the 28th Annual Top o' Texas Rodeo to be held in Pampa, July 31 - August 3, with performances at 8:00 p.m. nightly.

The Linger Rodeo Company of Miles City, Montana, returning to Pampa to producing, contesting, and contracting rodeo's throughout the Western United States.

From the colorful opening ceremony, and the dignified presentation of the American Flag, to fast action from the bucking chutes of top notch rodeo livestock; there is left no doubt in the minds of the spectators that they have seen a first class organization in action.

Pete Logan of Eagle Point, Oregon will be describing the events. Pete has announced the National Finals Rodeo eight times and he is the only announcer to announce New York's Madison Sq. Garden rodeo for ten years. Famed new-caster, Paul Harvey, has

described Pete Logan as, "All American".

Miss Paula Davis, Miss Rodeo Texas 1974, will be appearing nightly in the grand entry. Miss Davis is a student at Tarleton State College, Stephenville, where she is a member of the Rodeo Club. She has won many honors in barrel racing and showmanship.

Among the special attractions will be D. C. Cagburn's comedy acts, including sheepdogs and monkeys, Minnie the Mule, and a brahma bull act.

Buck LeGrande has a number of comedy acts and is adept at fighting the bulls, which is always a crowd pleaser.

The Kid Pony Show, with events for ages 5 through 15, will be held on Tuesday, July 30th with shows at 2:00 p.m. and 7:30 p.m.

Rodeo dances will be held nightly in the National Guard Armory building on the rodeo grounds, beginning at 9:00 p.m.

For reserved seats call 669-3241 or write Box 1942, Pampa, Texas.
