CARE CENTER COMMENTS

I had a call from a lady the other day at work, asking me why I had quit writing about the happenings of Wheeler Care Center. My excuse was I didn't have time to sit down and write an article, but that I would try real hard to start writing them again.

We have several new residents in Wheeler Care Center. They are Anna Harper from Samnorwood, Opal Gardner from Wheeler, Tommy Roy from Pampa, Cecil Eubanks from Wheleer, Tessie Eubanks from Amarillo, Ruth Pennington from Shamrock, and Curtis Moore from Wheeler. If you get a chance come out and visit with these residents and make them feel

The residents are keeping Barbara and I real busy. They like to stay busy and do things for others. In arts and crafts we made corsages for the elementary school teachers as Monday the 15th was Elementary Teachers Day. The next project is going to be quilting. We are going to make wall guilts for each hall in the home. This will take some time, so if you have any scrap materials we sure could use

On Fridays we have a baking club now. We made recipe books and we go through them each week and pick out somethings to cook, and we cook it on Fridays. This Friday we are having Enchiladas and Tocas and Cherry Cheesecake. The residents help make up the grocery list and then on Fridays the residents help prepare the meal and then they get to enjoy the meal that they help to prepare.

We also have some new musical instruments that we play on Fridays. Now its not flutes, horns or anything like that, we have bells, sticks, triangles, sand blocks, instruments like that, that we play. We use a cassette tape that has music that we can keep the beat to. The residents seem to enjoy this a lot.

The First Baptist Church hosted the January Birthday Party last Tuesday. They served cake and punch to the residents. Jerry Davis the Music Director brought his guitar and sang songs for the residents. The birthday residents were Annie Matin 1-7-1905, Tommy Roy 1-7-1917, Ruth Hoggard 1-9-1922, Irma Lanham 1-11-1919, Maybell Childress 1-18-1915, and James McMannamon 1-26-1911. Birthday balloons were passed out to each of these residents and we sang

Happy Birthday to them. On Saturday the 20th is National Hug Day, so if you see someone or anyone on that day give them a Great Big Hug. That's what the residents will be doing on that day at Wheeler Care

Stacie worked at Maxeys Friday, but ate lunch with Jane and Addie. Saturday Addie went with Wanda Childress and Gayle Knight to the pasture to see the baby calves. Fun!

Lois Hudson visited Margie Meadows Thursday. Saturday Oden and Lois, Scott and Kay Luttrell and Brandi and Susie and Fat and Wanda Childress ate supper together at

There were exciting games Monday night at Higgins. Fort Elliott Junior High girls won over Higgins 27 to 16. Our boys won 33 to 21. Good job girls and boys! On the boys team were Clay Zybach, Nathan Hefley, Eric Diebel, Curt Smith, Glenn Moon, Andy Finsterwald, Monty Hand, Justin Hefley, George Reeves, Aaron Hartline, Matt Daniels and C. J. ?

CARD OF THANKS We would like to express our thanks

to the Wheeler Ambulance Service and Wheeler Sheriffs Department for responding to our 911 call. Special thanks to Robert Ford, Dave Rarden, Dwight Tipps and Kerrie George. It is so nice to know people who are willing to help in an emergency situation. Thanks also for everyone's prayers, cards and stuffed animals while Charity was in the hospital. Sometimes we take for granted how blessed we are to live in a small friendly community.

Congregational Concerns:

On Friday, April 19th, and Saturday, April 20th, the Mary Ellen & Harvester Church of Christ in Pampa will host a marriage enrichment seminar. This seminar will be taught by Dr. Carl Brecheen and Dr. Paul Faulker, who are members of the faculty at Abilene Christian University. More information about this seminar is on the table in the lobby.

L. Ken Jones, the president of Lubbock Christian University, has written a letter to this congregation, reporting on a fire that recently damaged a men's dormitory at Lubbock Christian. In his letter, Mr. Jones makes an appeal for financial assistence for students who lost many of their personal items in this fire. If you would like to read this letter, it is posted on the bulletin board in the lobby.

Buck Jones has been released from the hospital in Amarillo. Pam Jones' mother has been having some serious health problems. Linda Daughtry's mother remains hospitalized in Altus, Oklahoma, recovering from surgery. Her condition is slowly improving.

From the Minister's Desk:

Throughout my ministry, I have been puzzled by the failure of some people to faithfully worship God on the first day of the week. Perhaps the best explanation for this failure is given in an article that a good friend of mine recently wrote. This article was entitled, "The Weekend Is Mine," and it says: -

"Christians have fallen into this trap of thinking 'the weekend is mine.' Well, so be it-let the weekend, Friday and Saturday, be used for some relaxation and change of pace. No doubt you need it. But don't fudge! Sunday is not the weekend-the first day of the week is the Lord's Day, and there is not rhyme nor reason to suggest that sleep, relaxation, trips, etc. have the right to interfere with the appointment you have with the Lord every first day of the week."

An Invitation: You are cordially invited to attend any of the weekly services of the Wheeler Church of Christ which meets at 1001 S. Alan Bean Blvd, in Wheeler, Texas

"The devil is offering a sop to people. He is softing the blow of unfaithfulness and he delights in Christians ignoring the calendar. 'Have a good weekend; you deserve it.' The 'weekend', so called, comes at the expense of your attendance with fellow saints, your worship of the Almighty God, your eating the Lord's supper and giv-ing of your means with the regularity of the planned precision that the Lord had in the mind."

"Ask two important questions of your friends. Let the first question be, 'What did you do this weekend?' Then let the second question come immediately, 'And how thrilling was your week beginning-where did you worship?"".

Bill Morrison, Minister Church of Christ Wheeler, Texas

To the friends and family of Curt and Mindy Duncan, Hayden and Gatlin are invited to a going away pot luck supper and party at the Ft. Elliott Elementary School Cafeteria at 6:30 p.m. on Saturday January 20th, 1996.

Bring your favorite food or something your family will eat and join us. It's going to be hard to say farewell to such a terrific family. We are really going to miss you all.

Curt will be going to work for Ingram Farms and Ranch just about 8 miles east of Pampa.

Good Luck in your new job and enjoy your new home.

Happy Birthday to: Tamera Hartline, Josh Nall, Donna Moore and Paula Brown on Jan. 18, L. D. Childress, Charles Crownover and Aspen Hathaway on Jan. 19, Randy McCurley, Zetha Dougherty, Joe Darnell, Ross Kelso, Kristi Pierce and Ariza Corcoran on Jan. 20, Bob Downs on Jan. 21, Cody James, Melvin May and Anna Belle Corcoran on Jan. 22, Andrea Dukes, Alvin Reeves, Vernon Moore and Mark Cornett on Jan. 23, Emma Swigart, Susan Nelson, Archie Summers, Jr., Lisa Bennett, David Zybach and Caroline Cornett on Jan. 24, Dr. Bob Galutia, Bud Lowe, Red Dukes, Raymond Moore, Carla Sims and Cody Rector on Jan. 26.

Happy Anniversary to: Ted and Dortha McCurley and Kenneth and Vernal Densberger on Jan.19, Dean and Georgia Tipps on Jan. 20, Mike and Melody Goad on Jan. 24, Doug and Doris Whaley and Peeler and Evelyn Haning on Jan. 25.

Boy! Our Jr. High kiddos at Fort Elliott came back from Christmas break ready to play ball.

Sorry I didn't know it before I sent the news in last week. But it's never to late to congratulate you for the great job you did.

Both the Jr. High boys and girls teams took 1st PLACE in the Wheeler Tournament held Jan. 5-6. That was really GREAT!!! GOOD JOB!! All your hard work is paying off.

Coach Smith is doing a wonderful job with these young lives. Team work and good sportsmanship are so im-

If all these children can stay together through high school their challengers will have their hands full. Keep up the good work!

The Jr. High girls beat Samnorwood to take first place.

The senior high boys didn't have such good luck with Reydon, OK. Reydon sort of walked all over us. But the boys play a good game. All of our boys could have used about three or four more inches in height. But they didn't give up. Good try guys.

Monday night Ft. Elliott hosted Follett. Both our senior high boys and girls won their games. Good Job!!

The home health nurses are doing a good job getting Choice Scott's foot cleared up. Still kinda slows her down. Choice called her cousin, Loretta

Clay in Shamrock, on the 9th. Loretta has had the flu and cold crud so hasn't been able to work the last few days. Dale and Melba Corcoran came

home from Amarillo after being with Jud and Lorene Rector at Saint Anthonys hospital. They were still running tests. Jud is awful weak. Please keep Jud and Lorene in your

prayers.

Pierce Walker got to come home from the hospital in Wheeler on Tues. (9th). So glad you are doing better Pierce. The neighborhood just isn't the same when Nettie and Pierce and Lester Leonard are out of pocket. The Flying Queens of Wayland won

another one. Mon. (8th) they played St. Edwards, another Texas team. (Queens 72-St. Edwards 51) The game to watch now is the game

scheduled for the Queens on Sat. (13th) Sure hope Sheryl's lucky number is 13. It will be after Saturday. When Sheryl Estes coaches the Queens to her 200th game win. That is quite an honor for any

Coach. (200th win) Sheryl will have done it in 8 years of coaching. (That makes it even more impressive). A lot of coaches haven't done that well in 10 years. And certainly not at the college level. Once again Sheryl. Good Luck!

Suzie Mabry took one of her days off Mon. (8th) and drove up to Shattuck, OK to spend the day with Katie Jo, Brittane and Brianna Hening. (It's so nice having them closer.)

Billy likes his job and they have a very nice home in town. Brittane and Brianna are growing so

fast. They are getting so independent

Real little dolls though. Hasn't the sunshine been great? Sybil Brown visited with Mrs. Luttrell on Wed. They had a good visit and

did a lot of catching up. Mona Guinn had a doctors appointment in Pampa Wed. She is still having a lot of trouble with her left leg.

Please keep Mona in your prayers.

Even though Mona went through so much we had a nice visit and a fun

Our First Baptist Youth group has been very busy. On Dec. 20th, 1995 the group got together to go to Shamrock. They attended the presentation of the African Children's Choir at the high school. They had a lot of fun. The Children's Choir was great. Those attending were Lee Scales, Devin Diebel, Tracy Densberger, April Finsterwald, Andy Finsterwald, George Reeves, Brad Moran, Drew Couch, Bryan Moran and sponsors Rob and Geniva Hogan.

On Dec. 31st, 1995 the Youth of the First Baptist Church of Mobeetie got together at the church for a night watch. They had lots of fun, food, and fellowship as they ushered out the old year and waited for the new. They played games and won prizes. One of the favorite games was "Funny,

The youth also decided on a name for their group. They will now be known by the title Hearts In Motion (H. I. M.) Good Choice!

Those attending the evening events were: Tracy Densberger, Brad Moran, Andy Finsterwald, Devin Diebel, Randi Lynn Barr, Candy Hilburn, Josh Couch, Drew Couch, Bryan Moran, Monty Hand, Glenn Moon, Michael Hilburn, Lee Scales, April Finsterwald, Stormy Reeves, Dena Dockins, Chrystal Selby and sponsors Rob and Geniva Hogan.

Nice to see Joy Davis of Pampa at Wal-Mart on Wed. We had a quick visit. She was on her way to the Dr. too. They still haven't found anything that helps her arthritis very much. The steroid shots give her the most relief

> Thanks to each of you that help make our part of the paper sort of a success.

Good News!! All of Charlotte Cowards tests came back good and clear. She still has back pain so please keep her in your prayers.

They had to take Garnett Gunter to the Pampa hospital again on Fri. (12th) Get well soon!

Pam Thompson's mother, Mae Pigg, of Erick, OK is going to have to have surgery on her knee. They have scheduled it for the 16th. Good Luck Mrs. Pigg. We hope all goes well and recuperation is a breeze.

Sylvia Brown spent afternoon and evening visiting with Nettie Luttrell Fri. I'm sorry Sylvia, I called you Sybil last week. I guess I'll have to get my tongue away from my eye teeth so I can see what I'm saying. Or clean out my ears. I promise I'll try and remember you are Sylvia. Thanks for being so understanding.

Bless your heart Jud! All the tests and pictures they've had you go through and they can't tell you exactly what was wrong.

We're very thankful that you didn't have to have surgery.

Sorry I missed Melba Corcoran to get her news before they took Jud to

(So from 2 weeks ago:) On Wed. Dale and Melba Corcoran of Mobeetie and Scott, Neva, and Kayle Corcoran of Kileen, TX visited in Wheeler with Verna Corcoran, Pauline Barnes, and William and Patricia Burch, Christopher, Tyler, and

On Thurs. Dale and Melba, Scott, Neva, and Kayle visited in Amarillo with Amy and Anissa Garcia.

David and Carla Everestt, Austin and Tyler of Amarillo spent Sat. night and Sun. with her Uncle Fred and Aunt Jackie Thrasher and Bob Krueger. They had such a nice visit and enjoyed the boys so much. Austin is 4 and Tyler will soon be 6 mo. They were so good. Tyler is a tiny alert 11 pounder. Aunt Jackie tried to make up for all the time they don't get to spend to-

Please put Jackie and Fred's 9 year old granddaughter on your prayer list. Krista hasn't been feeling well. The Drs. in Wisconsin have diagnosed her with anorexia. But she is getting a lot of help at home and at school to learn to eat different.

Jud Hector is a pretty popular guy down there in Amarillo. Some of his visitors have been: Daryl and Tillie Snelgrooes of Wheeler, William and Patricia Burch of Wheeler, Connie and Marvis Pierce of Sayre, OK, Dale and Melba Corcoran of Mobeetie, Jerry and Marjorie Rector, Gene and Ada Broyles, Lynn and Denise Rector, Cody, Sarah and Morgan, also Delbert and Coleen Rector and Mindy, and Amy Garcia, Leah and Anissa all

Dale, Melba and Lorene have been staying with Jerry and Marjorie Rector while they've had to stay in Ama-

Dale and Melba came home Mon. night to take care of business. They were going back Wed, for Jud's gall bladder surgery. But they had postponed the surgery to see if Jud's own system would take back over and do

Thanks to Debbie and Kent McLaughlin, Nathan and Cory. They gave us lots of goodies for Tim's apartment. Now he won't have to act like he's camping out, unless he just wants

to. We really appreciate everything. They may not know it but they made my Mom and step Dad's day.

Thanks to the McLaughlins, Pam and Gaylord Thompson and Jackie and Fred Thrasher. Without ya'll all of this wouldn't have been possible. "It's Christmas all over." My folks are really proud of their "normal sized" washer and dryer.

Hasn't our weather been great? Well, the Cowboys did it again! How about that!!!

Here it is Monday morning again, already I think the weekends get shorter and shorter. Is sure gloomy and cool here. The fog is still hanging on and it's almost 11:00.

Jud Rector is supposed to get to come home today. I hope they got all the details worked out.

Alice and Jap Bailey enjoyed going to Wheeler Friday (12th) to take care

of all the weekly business. It was a beautiful day to take care of such

They enjoyed a visit on Saturday from their son Johnny and grandson's Mark and Luke of Pampa. The boys have all been so busy since Christmas this is the first chance they've had to spend anytime on the ranch. They all worked and played some and had a good visit.

The boys took the horse trailer to do some repairs on it and get ready for the roping season.

Julia Williams still isn't feeling very well. Her feet still swell an awful lot. Choice Scott is starting the week out pretty good. Her foot is healing and the arthritis medicine has made a difference in her legs. Great!!

Ruth Hathaway had a very nice day Sun. (14th) Her cousin Dorothy Greenhouse came down for a visit. Dorothy's granddaughter, Pat Warren, and great granddaughter, Alicia McClellan brought Dorothy down to Wheeler and Mobeetie to visit with friends and family. Ruth really enjoyed their visit.

Lacci Hathaway is supposed to come pick up Ruth to go get car tags and run errands. She is real helpful in getting such things done.

Ruth really appreciates all that her grandchildren do to make her life

Sorry to hear Dean's shoulder is quite uncomfortable.

Dean and Lacci, Cole and Aspen are enjoying their new home in Wheeler.

We are all proud and happy that Mary Nelson has chosen the First Baptist Church of Mobeetie as her church home. Mary Lou, Danielle and Amy are always at church with those beautiful smiles. Just warms everyone's heart. Keep up the good

work! Doyle and Beulah Grimes have started out the new year with a bang thanks to their grandchildren. Brent and Gina Grimes of Hydro, OK presented them with their 6th great grandson Zachary Scott, on Jan. 4, 1996. Now Audene and Darenda (Tucker) Arranda have given them their 1st great granddaughter. Beautiful little Ramee Grace arrived the evening of Jan. 8th, 1996. Both families are do-

the Corcoran Families, the Ridgway Family in the loss of their sister-in-law and Aunt Edith Corcoran. Her funeral was held in Amarillo on Monday (15th) afternoon. She had been married to John Corcoran brother of Ariza Corcoran and Clara Ridgway. He preceded her in death in 1983.

Calvin and Leola Stuart were in Amarillo on Fri (12th) for Calvin's check up. He hasn't made any progress. But the good news is that he hasn't lost any ground. He had a new Dr. this time. She seemed to have done a good check-up and answered some questions for Calvin and Leola. The came home more knowledgeable. Was nice to have a Dr. that would answer questions and not feel threatened or challenged.

They met Julie Stuart for lunch at the Golden Corral. They were also joined by Iva Richardson of Erick, OK and Rhonda Richardson and Michael of Sweetwater, OK. They had a nice lunch and good visit. They were celebrating little Michael's check up at the orthopedist. And more important his release for one year.

Michael was run over by a car while on spring break from school last year in Perryton. It's been a long 10 months. The accident broke his leg and messed up his little back. They put some pins in his leg, had to do therapy. And then in July he had to be put in a full body cast for a couple of months. But after this last Drs. appointment he went up to Calvin and hugged his neck and told everyone "I can ride my bike and run again." He'll have to be careful! No daredevil stuff. Congratulations Michael. Keep up

the good work! Just be careful. Gladys Richardson and the rest of the family are happy about Mike and

Rhonda Richardson, Cynthia, Heather, Chris and Michael moving to Sweetwater, OK from Perryton, TX. Nice way to start the new year. New

home, new school and new job. Welcome back to this area closer to old friends and family. Mike is working for Well-Tech out

Sheryl coached her 200th career win. FANTASTIC !! That is quite an honor for any coach. But she did it in 8 yrs. That's quite an accomplishment this early in her career. We're proud of you Shery!!!! GREAT

JOB!!! Gosh! Now we know a celebrity from Mobeetie!

After the game they had a nice presentation ceremony that included a plaque, beautiful roses and a cake. We'll be waiting for pictures.

We played one of			gan	nes	

has a team this year against an excelslent Miami team. We were able to dicbtate tempo by slowing down offensively. The kids responded well to our change in philosophy. It was nice to coach in a game where we were able to employ some strategy at the end of a game. Sadly, we were not able to execute as well as we would have tiked at the end of the game. The entire group rebounded well. Bradley played some very good defense in the post area.

Porton continues to be a consistent scorer for us and he is gaining more and more confidence. Ferguson returned to give the team a boost offensively, defensively and emotionally. We are all glad he is back playing. Remy displayed some of the best hustle of the year as he continually dove to the floor to try to gain possession of the ball. Next game: Tuesday, Reydon at 8

did not hit anything. It was the coldest shooting I have seen since the opening game. We hustled the whole game and stayed in the game, but couldn't close the gap much after leading during the first quarter, then seeing the lead slip away as we were unable to convert easy shot after any shot. I think we were all frustrated with our shooting, as much as the outcome of the games.

We had a rough time with a very good Reydon team. The score does not indicate it, but we did play decent defense against some skilled post players. Coach Read's Com	nmer	nts:		

The boys finally broke into the win column for the third time. Everything fell together as we got Stevens back from injury and as we played someone with whom we matched up well. Stevens poured in 21 and three others joined him in double figures: Case, 15; Ferguson, 13; and Dunnam, 12. Porton and Meraz did excellent work getting the ball to the other guys. Bradley and Remy gave us quality minutes off the bench. This is the type of game the coaching staff has expected all year long.

We didn't play real good defense in the 1st half of this game, but we stepped it up in the 2nd half and allowed them only 5 pts. We started out a little cold in the first quarter, but fortunately for us Ben Dollar was hot as he scored 7 of his team leading 12 pts early in the game to carry us. Kyle Masters and Steve Marshall came off the bench and scored 10 and 7 pts respectfully, to balance out attack. We split time up with all of our players so most of them played quite a bit of the game. It was a good game for a warmup before we play Booker again. Hopefully this won't be a 6 overtime

Wheeler Lady J.V.'s Win **White Deer Consolation**

The Wheeler Lady J. V. basketball team participated in the White Deer Basketball Tournament last weekend and won the Consolation trophy. These ladies were on a roll after defeating Miami 57 to 24 the previous Tuesday night. The Lady J. V.ers took on White Deer again in the opening round of the tournament and wound up on the short end of the score losing a close game 42 to 37. To many shots were missed from under the basket and we only made 9 of 22 free throws in the contest. As all readers realize, it is very difficult to win the game, when the ball doesn't go in the basket. Angela Jolly led all scorers with 20, but the defensive effort provided by Elissa Ray on the Buck's big post girl was worth the game in itself. Elissa provided the needed defensive pressure to throw White Deer off their game plan and we just were not able to capatilize on this.

In the next game, Wheeler took on a tough AA opponent in Highland Park. According to Coach Scott, Wheeler took command of the game from the start and never looked back as the Lady Stangs defeated H. P. 36 to 24. Again, these ladies only shot 11 of 24 from the charity stripe, but played super defense all night holding Highland Park to only 24 total points. A great offensive game was played by Ashley Ware who had 7 points, Kindra put in 8, Sally with 3, Stacy with 5, Angela with 10, and Elissa with 3. The ladies understand that defense wins games, but we have to score more often and from more people. Consolation final. Again, Wheeler rose to the occassion by defeating Wellington for the second time this year 36 to 28. As stated earlier, the Lady Stangs needed a more rounded scoring attack and this was provided by Sally Smith who put in 16 key point for the game. Also, the Lady Stangs made 16 of 26 free throws in shutting down Wellington. Sally made 8 of 10 free throws and this was a big boost in the game. The Ladies found themselves a little lacking in the mental intensity column, but were able to continue hustling and stepped up play to win the game. Again, good inside play on defense and in the rebounding category was provided by Elissa, Stacy and Angela. These ladies next game will be against Alamo Catholic's Varsity this Tuesday night and Sunray on Friday. Congratulations!!

Lady Mustang Freshmen Has 3-0 Record for Year

The Lady Mustang Freshman have recorded a perfect 3 and 0 record since the new year began and this has been primarily due to super hustle and tenacity on defense. These ladies first took on Perryton under Coach Read's guidance and narrowly defeated a strong Perryton freshman team 30 to 38. Jennifer Shepard put in 19 key points, with Brooke adding 11, followed by Lacy with 4, Kristen with 3, and Kara with 2. These young ladies only shot 13 of 30 free throws, but by shooting free throws, we realize that we are doing the right offensive things that are allowing us to get open inside and attempt to score. A great game was played by all, but with the J. V. team, these ladies need to develop a more rounded offensive threat. Playing defense has never been their problem, it's just putting the ball in the hole. Next, these girls took on a tough team from Canadian, and again narrowly won by one point beating the Wildcats 41 to 40. These games were played back to back and Coach Scott expressed his pride in the fact that these young ladies could play with such intensity in two close contest that were held so close together. The ladies shot 8 of 17 free throws and again played tough defense, but did not rebound as well as we should have. Jennifer again, led all scorers with 20, followed by Brooke with 14, Lacey and Kristen with 3 and Rachel Stiles putting in 1. These ladies have continued to improve and are always a crowd pleaser. Last Monday night, these same young ladies, again took on Perryton under the guidance of Coach Ridgley and pounded on the same Perryton 9th grade team 28 to 15. After a slow start, these young ladies exploded for 14 3rd quarter points and put the game away. Again, good, tough defense kept these young ladies in the game and a better rounded scoring effort was provided by all. Still only shooting 20% from the charity stripe hurt, but Jennifer had 8, Kristen and Brooke had 6 point, followed by Kara with 4, and Lacey and Rachel each putting in two points.

Coach Ridgley has been really proud

of both his freshmen and J. V. teams

and has only good things to come to him in the future. Good Job Fresh-

men!!

These guys did it all and did it well. We have concentrated on defense lately and I believed it showed. Our half court defense really has improved and I believe these young men take pride in that. We also had a good offensive night as we had 4 people in double figures. We will find out how much we have improved when we go to the Allison tourn. this weekend. I know these young men are looking forward to it.

If hustle would win games, at least in the second half, these ladies would have won. Now, the first half was a different story. These young ladies, just need to improve fundamentally at every level. They play well and work hard, but must become more dedicated in games and in practice.

Our defense was superb. Oh, there are areas we need to still improve on, but we rebounded well and played tough. Our offensive effort still is lacking and has to improve. We only made 12 of 34 free throws, and basically had no post game at all. This has to improve and fundamentally we have to be better. Our level of intensity will have to pick up and we need to be smarter when it comes to dribbling and ball movement. A good game to win, but just imagine if we could make free throws.

The Youth Minister's primary objective is to design new programs and reinvigorate existing activities to reach out more fully to Tokyo's diverse and transitory groups of children and youth from elementary school to high school age. The congregation of Tokyo Baptist Church comes from an incredible variety of social and religious upbringing. There are 40 different nationalities represented in the congregation. What many share is a sense that they are living in a place which is not their permanent home. The challenge the Youth Minister faces is to create an environment where children and you can feel a sense of belonging and know the love of Christ in their homes.

The predominant religion in Japan is Shintoism, which is a form of ancestral worship and intricately tied to Japanese culture. Buddhism is also

Angela Diane Presley was born December 9, 1967 in Jonesboro, Ark. She is the 28 year old daughter of Ray Presley, who resides in Campbell, MO, and Mrs. Shirley Presley, who resides in Kennett, MO. During most of her childhood, Angela lived in Ft. Wayne, Indiana. There she attended Bible Baptist Church, in which she was saved and baptized at the age of six. This church was an independent Baptist Church that was extremely mission minded. Angela remembers learning from a young age to pray for

missionaries and their specific needs. Angela began singing solos in the Worship service at the age of six in front of six hundred people. Her heros throughout her childhood were Southern Gospel singers. Her desire was

to become a Southern Gospel singer. In January of her seventh grade year, Angela moved with her family to Wheeler. The family remained in Wheeler until Angela graduated and moved to Plainview. While in Wheeler, Angela joined her first youth ministry and a Southern Baptist Church.

While in College, Angela chose a major in Bible and minored in Religious Education. She served as youth intern for the First Baptist Church in Plainview and in 1989 joined the staff of First Baptist Church in Tulia as the Jr. High Minister. This is where she developed her desire to work with teenagers.

Angela has a Bachelor of Arts degree from Wayland Baptist University in Plainview with a major in Religion-Bible and a minor in religious education and has a Master of Divinity (BL) from Southwestern Baptist Theological Seminary where she is continuing her education.
