## RABIES CLINIC PLANNED APRIL 20

Dr. Tommie Hennard will hold a Rabies Clinic Saturday, April 20. The purpose of the clinic will be to

vaccinate all pets against rabies. At the same time the City of Wheeler will have dog licenses on sale.

The clinic will be held at the Wheeler Veterinary Clinic on West Highway 152 from 1:30 until 5:00. Pet owners are urged to have their pets on a leash to better control them.

The vaccination will protect the animal for a period of one year. The shot will cost \$2.50.

The licenses will cost \$1.00 for males and spayed females and \$2.00 for females.

For those people who have had their dogs vaccinated, but have not purchased a license, it will be necessary to take the animal and proof of vaccination to the

clinic to obtain the dog license. All dogs in the City Limits are required to be licensed and vaccinated.

Area citizens are urged to bring their animals in at this time to be vaccinated against rabies.

For those owners who are unable to bring their pets to the clinic, call 826-5821 during the time the clinic is being conducted and someone will be on duty to pick up the animals.

### Cats Should Be Vaccinated

Although it is not required that cats be vaccinated, they are a danger in the fight against rabies and should be vaccinated, stated Dr. Hennard. The cost for vaccinating a cat will be \$2.50.

## Easter Special Huge Success

Pastor Keith Johnson reports that the Easter Special at Christian Center was a tremendous success. The four children's churches and the adult worship service were packed out as 471 came on this special day to worship the risen Lord. Many found Christ as their Lord and every heart was blessed as a result of this service.

There was disappointment when word was received late in the week that Evangelist Glen Shinn would be unable to be present for the Easter Special. However, brother Shinn's wife and family were able to come and minister in song.

Many people worked very hard for several weeks to make this service the success that it was, and I would like to publicly express my appreciation to everyone who helped to make our Easter Special a real success.
