Here and There

By: Laura Guthrie
 The children of the Grade school have done it again. Under the training of Mrs. Sims they performed beautifully in their musical program last week. The auditorium was packed with parents and grandparents - I'd say 50% grandparents, with a sprinkling of great grandparents.

Mrs. Mona Guinn of Panhandle visited her mother, Mrs. Nettie Luttrell, and her son Stanley Baker and family Friday night and Saturday. She attended the musical performance Friday night.

Florence George has been on quite a trip across the USA. She left here in late March, traveling by air to Atlanta, Ga. Her step-son-in-law, Bob Curlee came by Wheeler from a visit with his parents in Amarillo. Florence traveled along as he returned home. After about ten days with the family, including four grandchildren, she flew to Santa Rosa, Calif., where she visited her sister, Mrs. F. S. Rudolph for a month. In Georgia she enjoyed the dogwood and azalias. Flying over the Sierras she thought she must be in Alaska as there was such a vast amount of snow. In her heart she wished she would not crash in the snow. Perhaps her chances on a rocky top would be better.

Mrs. Maud Chaffin, who

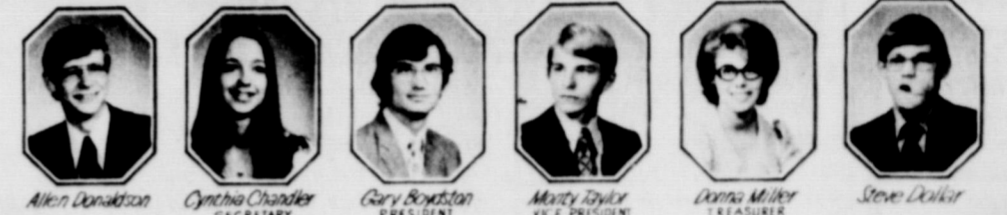

had an extended visit with her sister, Mrs. Shelby Pettit left last week for her home in Alvin. She went via Dallas where she visited her children.

I'm mighty sorry that I failed to mention last week that Sandra Brown Andrews, daughter of Lola Holcomb was among the graduates from WTSU.

Mr. and Mrs. Lyle Blair, of Yucca Valley, Calif., are visiting her sister, Ollie Jaco, and Marl Lavell Jaco Stevens came from Okla. City on the week end to visit with her parents and the Blairs. Janice Jaco Marrs and her boys came on Sunday.

Now, I wonder if any body has noticed the paint job at the Wheeler Lumber Co.? How could we miss it, both sides of the street, in such arresting color? Wayne Edwards the manager tells me some people don't like it, but after the first shocked look, I've decided that I do.

CHAMBER OF COMMERCE Membership Drive Underway

The membership drive for the Wheeler Chamber of Commerce is going full blast. Charlie Brown and his committee are working hard to contact all the existing members and to recruit new ones.

Working with this organization is a beneficial and rewarding experience. There is no other single group in any town that has everyone's interest any more at heart.

However, there is more to it than just paying your dues - as necessary as that is. The people of our area enjoy an above national average income. We have good schools; lovely churches; a growing museum; city park - swimming pool - ball park recreational complex; active civic and cultural organizations; profitable business community; and excellent medical and dental facilities to name a few of our assets. These things didn't just happen. There was a great deal of thought and planning behind each of them, and in order to maintain this atmosphere of prosperity, we must get busy and stay busy. The Chamber of Commerce is the one organization in town that concerns itself with all phases of community life. It is only composed of people like you and me. If we don't each carry our share of the load, we can't expect to progress.

This is our town where we live, derive our income, go to church and rear our families - let's plow something back in. Some of the things we are deficient in at the moment are inadequate housing, library facilities and a place for public gatherings. I know there are many other areas where each of you would like to see improvement, because some of you have mentioned them to me. Let's change "Why don't you..." and "They need to..." to "Let's get together and..."

Pay your dues so we will have operating money, come to Chamber meetings on the third Tuesday evening of each month and let's work together to put our town on the map as one of the liveliest in the Panhandle.

The dues are \$15.00 for individual members and business memberships begin at \$35.00 - incidentally these are the cheapest I know anything about.

We need and appreciate each of you.

In case you are missed in the drive call Charlie Brown at 826-5566 or Berniece Hall at 826-5714.

Only you and I can make things happen in Wheeler - so let's combine our efforts and really give ourselves reason to brag about Wheeler.

Sincerely
Berniece Hall

benediction will be given by George R. Davis. Bob Hink, President of the Kelton School Board, will award the diplomas to the graduates. Supt. Dean Johnson will present the awards. The class will be given by Dany

Davis, and the class prophecy will be given by Jeff Welty, a seventh grader.

Following the graduation exercises, there will be a reception honoring the graduates in the school cafeteria.

PARKVIEW HOSPITAL INCREASES ROOM RATES

At its regular meeting Monday, May 13, 1974, the Board of Trustees of Parkview Hospital voted a daily room rate increase to become effective May 15. Those rooms and units being increased are: Private room \$30.00 to \$35.00, Semi-Private room \$27.00 to \$32.00, Intensive Care Unit \$45.00 to \$60.00, and Routine Nursery \$12.00 to \$15.00.

Parkview Hospital has not had a rate increase since September 1970, and over the past 4 years have continued to absorb all increases in supplies and equipment in their own operations. However, the new wage and hour law that became effective May 1, 1974, plus other announced increases in supplies and merchandise left the hospital with no other choice but to increase their rates to meet

the increasing cost of operations.

CHAMBER OF COMMERCE

The Wheeler Chamber of Commerce will meet Tuesday evening, May 21, at Sparlin's Restaurant. The dinner will be served at 7:30 p.m.

Those interested in eating are urged to call Mrs. Delbert Thomas or Sparlins for reservations.

Open House

To Honor Granny Mitchell

Mrs. C. D. (Granny) Mitchell will be honored at an open house Sunday, May 26 at the home of her son at 1007 South Canadian. The reception will be to honor Mrs. Mitchell on her 80th birthday.

The reception will be from 3:00 to 5:00 p.m.

Beef Cattle Co. Sponsors Picnic

The second annual Picnic-Barbecue sponsored by Beef Cattle Company and Canadian Feedyards was held at Adobe Walls Boy Scout Camp on Saturday evening May 11th.

The event was co-hosted by the management of the two feedyards for their feeders, employees, buyers and special guests who promote the feed lot industry.

Guests were registered from the entire Texas Panhandle area, Oklahoma and Kansas.

Games of outdoor activities providing leisure entertainment were available and enjoyed by the guests.

Three door-prize drawings for steaks were awarded to Mr. Garland Lancaster of Pampa, Van Baize of Wheeler and Bill Dyson of Mobettie.

Contestants receiving plaques for winners in the cow calling contest were Mitchie Loyd, two year old daughter of Mr. and Mrs. Lyndon Loyd of Wheeler,

Here & There

Mr. and Mrs. Frank Walker, Jr. had an exciting weekend as they were the personal guests of Mr. and Mrs. Gene Ferguson, President of Columbia Records of Nashville, Tenn., at the regional convention of Western Records Merchandizers and Distributors. The event was held at the Villa Inn in Amarillo. The Walkers had a jewelry display at the show. While there they met and visited with Freddy Weller, Johnny Duncan, Larry Gatlin, David Alan Coe and Michael Murphy all Columbia recording stars. In October they will be guests of the Fergusons at the National D. J. Convention in Nashville for a week. They have promised an exciting time and it sounds like it will be.

Landmark Baptist Changes Services

Landmark Missionary Baptist Church of Wheeler wishes to inform the citizens of Wheeler that here will be a change of schedule in their worship service for the Sunday services on May 19, 1974. The Training Course portion of the Sunday evening worship service will be dismissed and the preaching service will begin at 6:00 p.m. This will allow those members of the church who wish to do so to attend the Baccalaureate Service for the 1974 graduating Class of Wheeler High School. Our regular schedule of worship will be in effect on May 26, 1974. Landmark Missionary Baptist Church also wishes to take this means of saying congratulations to those of the Wheeler High School who will be graduating. May God grant you the knowledge and ability to use that knowledge to find your place of service as you go out into the world to make your mark.

Those who were present were: Mr. and Mrs. Lonnie Goodner of Fritch, Mr. and Mrs. Ted Schones of Amarillo, Mr. and Mrs. Eldon Carter, Lefors, Mr. and Mrs. Johnny Murrell of Pampa and Mr. and Mrs. Barney Gatlin of Mobeetie.

They say you're rich if you have one friend-- So I feel like a Millionaire!

Thanks to all of you who supported me with your votes, and those who helped me with my Campaign.

Mrs. Johnnye S. Williams

THANK YOU

... for electing me as your Democratic nominee for Congressman from the 13th District. Your vote of confidence helped me carry all 33 of the counties in the district and I am grateful for your support. I especially appreciate the fact that the campaign was run on issues, not personalities, and congratulate my two Democratic opponents. I look forward to the general election in November and a great opportunity to become your new voice in Congress.

WHO'S WHO

the GRADS, that's who!

The Seniors... young people on their way to ever-higher goals; young people dreaming bigger dreams and working hard to make dreams come true. This is what gives promise to making America's future ever greater.

The diploma, like the flag is simply a symbol. The real test of greatness for people or for nations is in honorable and continuing achievement.

The new Seniors have, by their past achievements, given every indication that they are willing and able to meet that test... to help make tomorrow's America greater than ever.

Our prayers and best wishes go with this outstanding Senior Class.
