Accident Kills Amarillo Youth Monday

A young Amarillo man was killed Monday afternoon when he was pinned between the trash truck and a dumpster.

Amarillo apparently died of internal injuries suffered in the 4 p.m. accident. An employee of Customized Service Co. of Amarillo, was attempting to empty the dumpster behind the Wheeler School at the time of the

accident. It appeared the dumpster did not lock onto the truck correctly and jammed the lift. As Luke tried to make the mechanism operate, the dumpster slid free and pinned him.

A fellow worker, James R. Lee of Amarillo became concerned about Luke and checked to find rrus hed between the truck and dumpster at 4:10 p.m. Lee summoned help from the school.

High School principal, Bob Wills and janitor, Bill Arganbright, helped Lee free the victim from between the truck and the dumpster.

Dr. Louie L. Mendiola and Justice of the Peace Charlie Whiteley were called to the school and pronounced Luke dead at the scene.

The accident was investigated by Wheeler Police Chief Keith Miller.

Luke's body was taken to Wright Funeral Home and later to Schooler Gordon in Amarillo.

UNITED PENTECOSTAL Missions March

"On June 2, 1975, the members of the United Pentecostal Church of Allison will participate in the second annual March For Missions. They will again contact businesses and individuals for sponsors in the March."

Dear Mr. Editor,

Why does Wheeler not have a Community Center? If you asked a dozen people this question, you'd get a dozen answers. But the basic reason is that we don't want it. And we need it.

In the past, several half-hearted attempts have been made by local organizations to stimulate interest. These attempts have resulted in a tremendous effort by a few people moderate interest by some and apathy by others. And left anyone who cares with a bad taste in his mouth so far as community effort is concerned.

A few organizations have expressed interest in parts of the old hospital. These people should be encouraged and helped and their efforts coordinated. A massive modernization of the property when undertaken by a single organization or group would probably be out of the question. But a coordinated effort by such people as Boy Scouts, Senior Citizens, Library, Girl Scouts and various other clubs in town could result in a beautiful and useful addition to the city. We furnish and dedicate rooms and areas in our hospital and churches. Why not in a Community Center? What better way

could be found to show people for generations to come that we cared and were interested in leaving our mark on this our home town?

Alethea Wheeler

WARNING: Wheeler citizens were alerted Sunday evening of an approaching storm with the sounding of the siren. Again the Fire Department was bombarded with calls; citizens are asked not to call the Fire Department for information on the storm.

In the event the electricity is off at the time a storm alert needs to be sounded, the fire trucks will travel the streets with sirens sounding to warn residents.

CONGRATULATIONS: 5th and 6th grade band of Wheeler Elementary School went to Clarendon Friday, May 16 for the Clarendon Music Festival. This band received a 1 in concert band received 1 in sight reading. This is the best a band can do at a band contest. So, congratulations are well in order for this Wheeler Band for bringing the sweepstakes trophy to Wheeler Schools.

ACCIDENTAL DEATH: A young Amarillo man was killed Monday afternoon behind the school cafeteria. The victim was discovered about 4:10 by a fellow worker.

for senior citizens include:
 2 servings (1 cup each)
 skim or lowfat milk; 2
 small or 1 large (4 oz.)
 serving cooked lean meat,
 fish, poultry or meat alter-
 nate; 4 servings (1/2 cup
 each) fruit and vegetable,
 including 1 dark or deep
 yellow and 1 citrus fruit,
 juice or tomato; and 4
 servings bread and cere-
 als.

Seniors citizens should
 also remember to drink
 plenty of liquids--at least
 3-5 cups a day.

By following this food
 plan, older people need not
 take supplemental vitamins
 and minerals because they're
 packed right in the foods.

Learning is one of the
 few abilities that can in-
 crease even into old age.
 But the key to continued
 learning is that a person
 must believe he can learn.
 He must have developed
 the habit of learning throug-
 h his life--then barring
 some serious physical dis-
 ability such as deafness
 or bilin or blindness, he will con-
 tinue learning into very old
 age.

Helen Hayes, Bob Hope,
 Bernard Baruch and Grand-
 ma Moses are examples of
 senior citizens who have
 continued to exercise their
 capacities for learning.

The White House Con-
 ference on Aging in 1971
 adopted this preamble to
 the Section on Education.
 "Education is a basic
 right for all persons of all
 age groups. It is continuous
 and henceforth one of the
 ways of enabling older
 people to have a full and
 meaningful life, and as
 a means of helping them
 develop their potential as
 a resource for the better-
 ment of society."

Fortunately, many older
 people believe this and
 apply it to their own
 lives.

Three Wheeler County youths participated in District 14-H contests in Canyon Saturday, May 3rd. Sally Stacy, Shamrock 4-H, took 4th place in Girls public Public Speaking. Lanetta Werhan and Karla Woodruff, Shamrock 4-H, placed 4th in Safety and Emergency.

82 High Plains 4-H'ers from 21 of the 22 counties in Extension District 1 today (May 3) qualified to compete in the State 4-H Roundup at College Station next month by taking top honors in district competition.

About 263 4-H boys and girls competed in the one-day event which included 29 contests. Winners received their awards in ceremonies at West Texas State University's Activity Center.

Carson County 4-H'ers captured the most qualifying wins of any county, with 7 senior wins. In Junior competition which was held simultaneously with the senior contest, Deaf Smith County also had 14 junior wins.

To qualify for the state contest, a team or individual must have a first or second place win in the senior division which is for 14-year olds and older. Juniors do not compete beyond the district level.

Other counties taking a large portion of senior division honors included Deaf Smith with 6 qualifying wins, Moore County with 5 qualifying wins, and Hemphill County with 4 qualifying wins.

Other counties who will be competing in the state contests included Armstrong, Castro, Dallam, Gray, Hemphill, Hutchinson, Lipscomb, Oldham, Rarner, and Potter.

Already three rounds of district competition have been staged. The 4-H Food Show was in March, and two rounds of judging contests were held in April. Winners from those events will join this Saturday's winners as this district's delegation to 4-H Roundup.

New District 14-H Council officers were installed with outgoing chairman, Bruce Pickens of Hemphill County, installing the new officers. The 1975-76 Council officers are: chairman, David Kehoe of Moore County, first vice-chairman, Diane Green of Potter Co.; second vice-chairman, Britt Hicks of Deaf Smith County; secretary, Jacquelyn Langford of Parmer County; and information chairman, Scott Hand of Hemphill County.

May is Senior Citizens Month--a good time to review just what an older person's nutritional needs are.

One problem is that their food intake has declined at a time when nutrient needs remain about the same as during middle adulthood.
