HOMECOMING QUEEN: Miss Shonda Johnson, 17-year-old daughter of Mr. and Mrs. J. T. Johnson, was crowned 1975 Homecoming Queen in a pregame ceremony Friday evening. Miss Johnson, a senior at Wheeler High School is a four year member of the Pep Band and has been a cheerleader her junior and senior years.

THE QUEEN AND HER COURT: In pre-game ceremony Friday evening, Nov. 31, the four homecoming queen candidates were escorted onto the football field by the senior members of the Mustang football team. The young ladies were selected by the team and by secret ballot the team picked Miss Shonda Johnson 1975 Homecoming Queen. Pictured are (left to right) Miss Johnson, Carla Moore, Terri Rarden, and Cindy Davis.

CROWNED: Kenneth Elliott places the crown on the 1975 Homecoming Queen, Miss Shonda Johnson. The young lady was given a bouquet of yellow roses and a kiss by Tommy Weaver.

Pecan Orders Being Taken
The Wheeler Home Demonstration Club is taking orders for pecans again. Dead-end orders will be November 10th. Price will be \$3.95 per pound.
Call: Valetta Frankenberg 826-5501; Rosemary Dodd 825-220; and Margaret Forman 825-5208. Pecans will be in before Thanksgiving.

Mustangs On Road Friday

The 1975 football season is winding down and the Mustangs, Friday night, will take on the odds on pre-season pick for the District 2-A crown, the Memphis Cyclones but with one big exception. The Cyclones now find themselves down in the pack with the also rans after getting whipped by both Wellington and Clarendon and they, like the Mustangs, will be taking in the playoffs from a spectators standpoint. Memphis has been plagued with injuries this year, but have now gotten most of their injured back in shape and this doesn't spell much good for the Mustangs who are coming off a 48-0 shellacking at the hands of Clarendon last week. Don Brown, Mustang Quarterback, was re-injured in the Broncho game and is out for the remainder of the season and his signal calling spot will be taken by Ed Guthrie, the Soph. backup quarterback, who has done a very good job at the position. The Mustangs will be facing an offense at Memphis

that gives the defense a lot of different looks but the Cyclones like to stay in the straight T and power I for most of their plays. Memphis uses a 5-2 monster defense and before injuries hit them, they had been able to contain most of their opponents offense. Coach Jim Robinson told the weekly meeting of the Quarterback Club that the Mustangs played one of their poorer games of the year against Clarendon with breakdowns on defense really hurting the Mustangs chances.

"Clarendon defended us real well and probably had one of their best games against us", Robinson said. "Mike Izard ran the best he has all year for us and we are counting on him to do a good job for us in our remaining games."

TIME TO FIGHT

Let's remember that football season is NOT over yet! Mustangs, you still have two ballgames left this season. That means you have two chances to pick yourself up and add more wins to your '75 record. As long as there is one ballgame left in the season, or one minute in the ballgame you have a chance. It's up to you to use that time, it's your job to use it. Mustangs, I think I know how much you want to beat Memphis Cyclones, but do you want to beat them bad enough to get the job done? This game is a matter of pride, Mustang pride! I don't know about anyone else, but speaking for myself, I have confidence in your ability! I'm proud to be a Mustang fan, and I will always be proud of you no matter how many ballgames you win or lose. Mustangs, I believe you CAN beat Memphis, and I believe that you WILL. I know that it takes a lot of courage and a lot of heart to come back after a loss, but I believe you have these qualities, and I will be in the stands rooting for you. Fans, this game means a lot to our football team. They need your full support now just as much as they did at the start of the season. Please make the drive to Memphis with us this Friday night. Fans, don't be afraid to yell for your team, they need to know you're behind them, and the Pep Club could use your help. Also, for once, I think it would be nice if the words to our school song could be heard over the band. Don't be afraid to sing out, remember it's your school, too. I would like to say how proud I am of our whole student body, the spirit was higher this week than it has been in years. The band also did an excellent job Homecoming night. I also think, Congratulations are in order for our new football Queen, Shonda Johnson. Let's bring a victory home from Memphis this Friday night! WHS Pep Club Elizabeth Grimes

Wheeler Receives Needed Moisture

Wheeler received some much needed moisture Nov. 1 and 2. The total for the two days was 1.86". This was the first measurable moisture since Oct. 14. October was very dry with only .09" falling; this amount fell on the 14th. In comparison, 2.4 inches fell in Oct. 1974; "it rained practically all month," reported Joe Rogers. Wheeler received 1.35" on Nov. 1 and .51" fell Nov. 2. For the year, Wheeler has received 30.28" this year as compared to 30.29 for the same period last year.

1034 County Voters Cast Ballot

One thousand and thirty-four Wheeler County Voters went to the polls Tuesday, Nov. 4 and voted along with their fellow Texans to say "No" to the eight propositions on the ballot. The eight propositions and the county voting for and against respectively are: No. 1, 209-815; No. 2, 188-837; No. 3, 207-815; No. 4, 227-797; No. 5, 199-824; 194-828; No. 7, 195-828; No. 8, 228-798. The number of voters casting their ballots in the ten voting precincts in the county is as follows: Pct. 9-315 and Absentee, Pct. 10-14.

Wheeler Pioneer's Rites Are Read

Mrs. Gertrude S. Gordon, 92, died Wednesday in Garland. Services were held at 2 P.M. Saturday at First United Methodist Church with the Rev. D. C. Reed, pastor of Buchanan Street United Methodist Church of Amarillo, officiating. Burial will be in Wheeler Cemetery by Wright Funeral Home. Mrs. Gordon was a native of Throckmorton and had been a resident of Mobeetie from 1914-1968. She moved to Garland seven years ago. Survivors include five sons, Dr. A. T. of Tucuman, N.M., Ernest of Mobeetie, Dr. Lee of Garland, Dr. Hollis of Toledo, Ohio, and George of Monument, N.M.; four daughters, Mrs. Clyde Kelly of Mobeetie, Mrs. Fannie Griffin of Tapa, Calif., Mrs. Eleanor Wilson and Mrs. Lucille Kilbreath, both of Panpa; 21 grandchildren and 13 great-grandchildren.

The Homecoming assembly Friday morning was very enjoyable. The three speakers and former students did an excellent job; speaking were Carletta Earney Burton, Doyce Watson and Adrian Risner. Each of the queen candidates escorted on stage and returned later to do a talent skit. Terri and Carla chose pantomimes, Cindy sang and Shonda did a Cheerleader's routine; all four have talent.

BLOOD IS LIFE . . . SHARE IT

Every 5 seconds, someone in this country receives a blood transfusion, yet only 3% of the population are blood donors. That 3% takes care of the blood needs for 100% of the people, yet statistics show that more than 40% of the population are qualified blood donors. About 8 million pints of blood will be used in the United States this year.

Just the area served by Coffee Memorial Blood Center will require nearly 12,000 pints. That's about 45 pints of blood for every working day of the year. All this blood will come from Volunteer Blood Donors. Blood is no longer purchased from individuals for a cash payment. It is the community's responsibility to support its own blood program.

What if no one else gave blood yesterday, and you needed blood today? Thursday Review Club is sponsoring a blood drive on Wednesday, November 12, from 4:00 until 6:00 p.m. at the High School Cafeteria. If you have not been contacted by a club member and would like to become a donor, please call Mrs. Bill Wheeler at 826-5838.

BRONCHOS RUN ROUGHSHOD OVER THE MUSTANGS 48-0

The Clarendon Bronchos were supposed to be in a rebuilding year in football this fall and as far as the Wheeler Mustangs are concerned, they can testify that the Bronchos are rebuilt and on their way as the Mustangs absorbed a 48-0 shellacking last Friday night on Nicholson Field. Gary Jack passed for two touchdowns and scored one to pace the Bronchos offensive show as the smooth operating Clarendon machine heads for a season finale with the Wellington Skyrocks with the district crown on the line. Wheeler was able to stop the first Clarendon thrust in the first quarter but from there on it was no contest as the Bronchos built up a 28-0 halftime lead and increased it to a 42-0 third quarter margin before liberally substituting in the final quarter.

A tumble by Don Brown, who was re-injured in the game and is out for the season, was recovered by John Hill at the Mustang 39 midway of the first quarter and after an exchange of 15 yard times, the Bronchos scored in one play when Jack passed to Eddy Fads, who was all alone in the

Mustang Newsletter
Only 1 day left to get ready to beat Memphis. The outstanding players this week are: offensive back, Mike Izard; offensive lineman, Jim Verden; defensive back, Terry Tidwell; defensive lineman, Jeff Davis. The Colts and Mustang JV will play the Memphis Jr. high and JV today at Nicholson Field, starting at 6:00 p.m. Remember, only 1 day before the Mustangs take on the Cyclones. Our boys are after a win, so come out and support them. BEAT MEMPHIS

Jim Verden

The visiting Bronchos had to travel 71 and 79 yards for their other two touchdowns in the first half and the Mustangs saw a good scoring opportunity slip away. It took the Bronchos 10 plays to complete the 71 yard drive after getting the pigskin on their 29 following a 22 yarder off the toe of Jim Verden. Gary Jack broke for the final 33 yards on a keeper right up the middle. A short kickoff following the Bronchos third TD was run back 13 yards by David Jassick to the Clarendon 46. The Mustangs went to the air unsuccessfully twice and on the second attempt, the Bronchos were guilty of pass interference and Wheeler was on the Broncho 14 but Brown was jarred loose from the ball on first down and the Mustangs deepest penetration of the game was killed when Shields fell on the ball for Clarendon. Fads got behind Terry Tidwell on third and seven after Shields recovery and took a toss from Jack and was finally knocked down by Tidwell on the Mustang 30. Getting another few 15 yards on a piling on penalty one of several unnecessary penalties the Mustangs drew the Bronchos had a first down at the Wheeler 15.

From the 5, Barry Schafer over his left guard for the touchdown at 0:51 and Jack kick made it 28-0 at the break for the bands. Penalties wiped out three straight punting attempts by Verden on the first Mustang possession in the second half and Verden's fourth attempt was clear of flags and he got the ball out to the Wheeler 47 but the Mustangs drew 15 on the reception and the Bronchos had a first down on the Wheeler 32. Shields broke loose to the 8 but all but 9 yards was erased by a clipping penalty back to the 23. Schafer picked up a first down on the 17 and then Jack hit Walter Riggs with a 17 yard scoring toss. Jack added five one point and the Bronchos margin had been upped 35-0. The Bronchos second trip into the end zone of the third period capped a 48 yard excursion six plays with Schafer once more going over standing up, this time from 8 yards out. Jack added the Bronchos 42nd point as the Mustangs homecoming night was getting longer.

Wheeler put on their best drive of the night after the Bronchos had their 42-0 pad as they moved the ball from their 23 to the Clarendon 25 but the drive was halted after two incompletions. Tidwell and Mike Izard had the big gainers for the Mustangs on the aborted drive by picking up 10 and 12 yards respectively as the Mustangs stayed on the ground except for one pass play of a yard from Ed Guthrie to Von Chapman. Wheeler drove to the Broncho 25 late in the game against a mixture of starters and subs but turned the ball over on downs at the

A Chat with The Editor

The editor was a guest of the Top O' Texas Cowbelles Monday, Nov. 3. A report on the nutritional value and the cost of Beef was given in the report, it was stated that only 25% of the price paid for beef in the market goes to the producer and of this amount, only 6% is profit. The noon meeting was held at Fur's Cafeteria in Pampa. The Cowbelles was organized for the promotion of beef. The promotion of Beef as a gift is a continuous program in which a Beef Gift Certificate is purchased and the recipient selects the cuts of beef desired in the amount stated. As a promotion for Father's Day, the baby born nearest to Father's Day was presented its weight in beef; this promotion was carried out in each of the area towns represented by the Top O' Texas Cowbelles. Mrs. Richard Brown of Wheeler presently serving the group as president and Mrs. Joe Weatherly of Wheeler is a past president of the group. You can keep up with the activities of the group and learn more about beef from Cowbelle's Corner published intermittently in the Times. Thanks for the invitation ladies and keep up the good work.

RANGELAND MANAGEMENT

In rangeland management it is best said that the basic recourse of rangeland is the plants. As such, we can say that the individual plant is the foundation of the range. If this is true then the livestock or wildlife are the harvesting tools of the plants. Plant growth is controlled by such factors as soil, moisture, light and temperature but the growth of the plant results directly from food or energy supply. As we know, 95% of all elements for growth of the plant comes from the atmosphere such as carbon dioxide. It is captured by the chlorophyll (green elements) of the plant and converted to energy in the plant. The amount of leaf surface determines the amount of energy that a plant can produce. So reduction of leaf surface by grazing reduces also the growth and productivity of the plant. Therefore, to manage rangeland we have to know how plant leaves can be removed and ham the plant as little as possible.

Hobby Speaks At FHA Meeting

Mrs. Sue Hobby of Canadian was the speaker at November meeting of the Wheeler Chapter of FHA's of America, when that organization met in the high school auditorium on November 3, 1975. Lana Callahan presided at the meeting. In a short business session, Mr. and Mrs. Thomas Helton were elected FHA parents, replacing Mr. and Mrs. Ronnie Cox, who is no longer residents of the community. Mrs. Hobby's subject was Dating. She spoke in a warm informal manner and drew the audience's attention. Mrs. Hobby emphasized the importance of high ideals and ability for his acts. She stated "One should not date too long, a person he would not consider marrying." Following the program, refreshments were served in the Homemaking Department. Hostesses were Carolyn Steen, Teres a Hefley, Cathy Andis, Gwen Manning, and Sheli Johnigan.

HERE'S TO YOUR HEALTH from HYLAND WEAVER

Many people try to save money on medical bills by not seeing the doctor until they are seriously ill. This defeats the purpose of "preventive medicine" (the only sound way to preserve your health) and it is more expensive in the long run. Once a disease process has started, it often lasts longer and costs more to cure. A regular medical checkup is not only a good investment, but the resulting peace of mind also promotes good health. Filling your prescription is our most important work.

WE RESERVE THE RIGHT TO LIMIT QUANTITIES AT SALE PRICES

We decided to try to get another pecan order in time to get it back to Thanksgiving. Anyone getting pecans please contact a H.D. member by November 10th. They will still be selling for \$2.35 a pound. Miss Suzanne Brock, a home Ec. teacher for Wheeler High School brought a very informative program on "Shortcuts in Sewing." She brought many interesting tips and also introduced us to several new sewing products which are on the market. One thing is of some of us never thought of is good old scotch tape. She showed us lots of ways to put it to use. Then the thing we had been waiting for happened. We had our birthday party. Each year one meeting is set aside as our birthday party. We all brought a gift and exchanged them. Celebrated everyone's birthday at one time. We all day look forward to the day. Connie Baker drew the prize. The meeting was adjourned and then refreshments were served to Connie Baker, Meloni a Simmons, Margaret Loman, Louise Hogue, J. Watson, Peggy Comer, Verline Loyd, Gina Mendolia, Peggy Coffman, Patsy Schaffer, Valetta Frankenberg, Rosemary Dodd, Ila Collins and also to our guests: Bonnie Hunter and Suzanne Brock.

TEXAS TALK
By George Richardson
Richardson

Interseeding is picking up steam around the country with greatest attention being paid to the wheat-soybean combination. Farmers have reported good results in a variety of experiments where soybean seed was planted in wheat crops to give the beans as much as 20 extra growing days. Early success of this interplanting system has been significant enough to encourage experiments with other crops such as heavier grains like corn or sorghum interseeded with small feed grains. Obviously the interseeding is most advantageous in areas with the most limited growing time. Another consideration receiving attention in non-irrigated areas is soil moisture utilization since interseeding may be a method of using early season moisture more effectively. No formal testing of the interplanting process was planned by the USDA early this fall, but observations indicated if interest continues some testing could begin next spring.

Dollar-Wise Decorations

INSTALLMENT DECORATING
By Joy Miller

Design experts have devised a plan that allows you to start your decorating scheme right away—and carry it through gradually, over a period of years if necessary—adding to it as your budget allows. This way you can enjoy what you have, as you decorate.

In a sense, this is decorating in installments—furnishing a room in easy stages without going broke in the process.

Perhaps you're changing the room of your college child into a den. Or you find you're not using your dining room for dining all that much, and you want to make it into more of a family room. Or you want to remodel your living room completely.

As in every decorating scheme, the first important step is the planning stage. Put your dreams on paper and list all the furnishings you'd love to have. Then do some arithmetic and figure out the cost of these items. When you reach the total, don't panic. Remember, you are furnishing in "easy stages."

Stage one is the absolute necessities, such as carpeting. More people every year save money on residential carpet by doing the installation work themselves. Whether they use carpet rolls or self-stick tiles, a few hours' investment of personal time can produce professional looking results. To help the consumer Armstrong has a free booklet available, complete with instructions and illustrations, including a handy chart for estimating how much carpet to buy.

For a living room, the

YOUTH IS A FEELING...NOT AN AGE

How old are you? Not in years, but in spirit?

The late comedian, Ed Wynn, in his later years had a formula for staying young. He said that instead of worrying about his actual age and feeling old, he picked some important event in his life and figured his age from that point. In his particular case, the event was his marriage. Therefore, he quoted his age as 20 to 30 years younger . . . and felt the same.

Youth is a feeling, not an age! There are youthful oldsters and old youngsters. So chronological age in itself means nothing.

Whether you are 8 or 80, if you want to stay youthful, your doctor of chiropractic makes the following suggestions:

(1) Keep busy. Too much leisure causes the mind to stagnate and the body to deteriorate.

(2) Have hobbies. Select activities that give you a complete diversion from your regular work.

(3) Maintain friendships. Everyone has a need for the companionship and respect of friends.

(4) Set goals and ambitions. You are too old nor too young plan.

(5) Eat regular, balanced meals. Do not overeat. Likewise, crash or fast diets.

(6) Allow yourself "think" time. Don't rush yourself on so tight a schedule that you do not time for yourself.

(7) Keep your physical condition of moderate exercise.

(8) Maintain posture. Keep your chest, stomach, in, back, and chin up.

(9) Get regular examinations. Practice preventive care.

Your doctor of practice reminds you that is precious and well preserving. Retain that of youth by maintaining good health.

Monday afternoon, Willene visited Billie Sue and other's were Dickson and Kim of Pampa.

Monday night at Colie Parker's were Lee, Susie, Katie, and

We hated to hear that Marlu Markham had to take Bob, her husband, back to the hospital last Tuesday. We hope he is soon out and back home.

I talked to my sister-in-law, Avis Parker, and they have returned home from a fishing trip. They visited some relatives in the Valley they hadn't see in 23 years. Their Uncle Kelley and Aunt Jean Gray, Aunt Je Jean Gray, Aunt Grace Echol and a cousin, Enola Echols. They were gone for 10 days.

We hated to hear that Zealand Rainey was in the hospital. We wish him a speedy recovery.

Tom and Alice Bell Helton went to see their 2nd great grandparents baby last Tuesday. The parents are Mr. and Mrs. Carol Crosslin, grandparents, Joe Paul and Joyce Smith. She was named Cortney Carol.

Tom and Alice Bell went to El Paso Friday to visit the Bob Helton family.

Alice Bell reported Ronny Crosslin might get to come home from the hospital

Saturday. This is good news. The children of Clarence and Irene Zygach hosted a reception in their home honoring their 50th Wedding Anniversary, October 13, 1975. The friends and relatives that attended were Louise Covey and Destry of Ponder, Texas; Mac, Gay, and Lori Purcell of Briscoe; Eric and Pauline Zygach of Sayre. A large crowd attended. The community gave them 2 table lamps and one floor lamp. They received other gifts.

We received our first killing frost Friday night, October 24th.

Ted and Scotty Parker of Dumas came Saturday afternoon to spend the weekend with his parents, Colie Parker's. They and Vetola Parker visited the Willie Parker's Saturday night.

Linda Kay Parker had gone to Wichita Falls to a bowling tournament.

Friday night visitors at the J.O. Helton's were Tracy and Martha Sweney and Jessie and Keeneze of Amarillo.

We see things not as they are, but as we are. I heard this on the radio, how true it is.

Others at the Colie Parker's for Sunday dinner

were Willie and Wanda Parker, and Kim and Kathy of Reydon.

We were glad to hear Zealand Rainey got to come home Saturday, in time to attend George Parker's birthday dinner Sunday. Avis said all their children, grandchildren, and great grandchildren were there.

Claude and Mable Parker visited the Colie Parker's last Tuesday night.

This week Bill and Mattie Jackson and Guy and Ollie Jackson went to Pampa last Saturday. They ate out. They came back by Mobeetie and visited the old jail house and cemetery and historical places there. Guy Jackson left Sunday for Fritch and Berger on their way home to Peabody, Kansas.

I'm sorry the last weeks news didn't appear in the paper. I don't know what happened.

Mr. and Mrs. Dick Irvine, Rich and Becky spent the weekend in Fritch visiting his folks, the Edgar Irvine, Garland and Pat Hartlene, Patti and Steve of Chickasha, Oklahoma visited the Willis Fillingim from Wednesday till Sunday. They use to live close to Willis and Verna.

Wednesday night for supper, besides the Hartlene family, were Wilma Bible, Carla and Tom, Carolyn Gilmer, Debbie and Dorothy Owens, Jeff Baker, Gecky Irvine. They celebrated Carolyn Gilmer's 12th birthday and Carla Bible's 14th birthday.

Willis Fillingim received 1.7 inches of rain Sunday afternoon.

Last Tuesday, Mary and Lois Hudson shopped in Pampa.

Mr. and Mrs. Florence Evans were hosts for a Birthday supper honoring Mrs. Cliff Walker Saturday night. Many friends were present.

Rain was sure nice. Seems everyone has received over an inch, and back east over 2 inches. Some wheat had

started dying. It had been about 4 weeks since we had had rain.

Diana and Marianda Parker of Pampa visited the Colie Parker's last Wednesday.

Harmon and Daphne Barry of Amarillo visited the J.O. Helton's Sunday.

Lester and Mary Hudson was married 60 years the 17th of October. Their children gave them an anniversary dinner on Sunday the 25th. The children and community gave them a money tree. Many attended.

Claude and Mable Parker visited the L.J. Hudson's Saturday night.

Sunday dinner guest at the L.J. Hudson's were Oden and Lois Hudson and B.F. Meadows.

After school at Chuck Jones Friday were Shawn Everetts, Mike, Phyllis, and Erick Lohberger. They went trick or treating with the Jones' children.

Sophia Helton's sister, Mary Vitold and her grand son, Johnny of Scranton, Penn., spent the weekend with Sophia and Edd.

Lois Meadows visited Sophia last week.

Dan and Rita Fillingim and pallis went to Sayre Saturday, and came back by Wheeler and visited Leon and Veal Fillingim.

Visiting the Gayle Singleton family for supper Friday were Debbie Owens and Brenda. They went trick or treating.

Karen Hefley's mother gave a Tola dancing lesson at Karen's Tuesday. Many

attended.

J.O. and Hoyle Helton said Kathy visited in Amarillo Saturday. Kathy stayed to visit Martha Swainy and family.

Thursday Review Club News

The first meeting of the meeting of the fall season was held on September 11, 1975 in the home of president Jane Rives with Mrs. Larry Jennings, Mrs. N.D. Ware, Jr., Mrs. Harrison Hall, and Mrs. Bob Wills, members of the Yearbook Committee, as co-hostesses. A delicious buffet dinner was served to members and guest. The table decorations were red, white, and blue in keeping with our bicentennial theme for the year "Happy Birthday America." Mrs. Larry Jennings introduced the 1975-76 yearbook. Mrs. Bob Wills directed impromptu drama "How to Strengthen Any Organization." Betty Hennard reported that Mrs. Harrison Hall had appeared before the Commissioners Court during the summer and asked that the Court consider the possibility of getting flags for the District Courtroom. The flags and staffs have been purchased and are now on display in the District Courtroom.

The Thursday Review Club met Thursday evening, September 25, 1975, in the home of Mrs. Grainger McElhany. Mrs. Neil Rogers presented a film "What Do You Mean Title Company?" furnished by Texas Land Title Association. Mrs. Bob Wills presented Safety Circus illustrated with original drawings by her fifth grade class. Federation Report "Why Go On Driving Blind" was given by Mrs. David Cross. Mr. John Mitchell, Coffee Memorial Blood Center, Amarillo, Texas, discussed the technical workings of the Blood Center and gave information to the Club for their consideration in the sponsoring of a blood drive in Wheeler on November 12. Refreshments were served to members and guests.

The Thursday Review Club met Thursday, October 9, 1975, in the meeting room of the PCA building with Mrs. Don Denton as hostess. Mrs. Harrison Hall gave a seminar on Reporting, a very necessary function in Club work, to familiarize the members with their reports. Refreshments were served to member and guests Jody Thomas, Rita Smith, Nancy Robinson, and Sherry Dowers.

The Thursday Review Club met Thursday evening, October 23, 1975, in the home of Ruth Rogers with Mrs. Carol DeArment as hostess. Members came dressed in costumes from other nations. The result was a very interesting and entertaining fashion parade. Mrs. Gina Mendola, who served as judge for the modeling contest, came dressed as Ms. U.S.A. in a red, white, and blue bicentennial costume. Paula Britt, as a little Dutch girl from Holland, and Bert Ware, as a senorita from Mexico, won first and second prizes for their costumes. A report on George Washington and the establishment of the Continental Army was given by Mrs. Ernie Davis. Plans were finalized for the Blood Drive to be held in Wheeler on November 12. Refreshments of blueberry and cherry cheesecakes, coffee, and cokes were served to members and guests. Gina Mendola and Glenda Abernethy.

Library News

These last few weeks, people have been helping us collect the Ten Thousand books we need to start our new library. We want to thank some good friends for their help and promise of help. These are Mrs. Carolyn Ryles, Ted Phipps, Mrs. Mary Clyburn, Mrs. Carroll Adams, Mrs. Joe Hefley, Mr. Ray Alexander, Mr. Bill Owens, Mrs. Knight, Mrs. Mabel Parker, Mrs. Mildred Porter, and Chief of Police, Keith Miller.

We also need money and work on the new quarters. Be all you can be. Help your Public Library in Wheeler.

Everybody should have the privilege on living on Main Street, Smalltown, U.S.A. on Halloween night. Come Ice or drizzle, freeze or sleet, the goblins and ghosts are out in full blast. This year was no exception. Despite the rain and wet grass, with fancy costume or hobo, there was only one purpose: Trick or Treat. There were cute midgits, and greedy gants, gales and sweet things, someone masquerade at all. I was notable that adults accompanied the small ones, but fun it was. And just think of all that bubble gum chewing that will be going on for a day or two. Well, so much for the goblins. Our friends, the Harold Nashes and Clarence Robinson have been on quite a jaunt. Three weeks ago they headed west. Clarence went as far as Socorro, N.M. where he stopped off to visit his son and wife Dorothy. The Nashes traveled to Phoenix, Arizona where they visited their son Garth and his family, who is employed with Motorola, and their daughter, Marilyn, who teaches. They were only home overnight and took off for Kansas. Clarence spent a few days at home and went to Amarillo to visit the Loyd Boltons. He has a trip in the offing to see the Robert Denisons and their girls in Oklahoma City. It is nice that some people can galavant around. Ann Green has had a flying trip to Chicago. It wasn't an extended visit, but she visited a niece and had a great time. Mr. & Mrs. Cort Codner of Broken Bow, Nebraska, re-

clock, toward Weatheron broke loose around his right end on a quick pitch and 30 yards later was in the end zone. Terry Tidwell broke through and blocked Gary Jack's after point attempt to leave the final score at 48-0.

cently visited his sister, Ola Underwood and his Uncle Ben Trout.

Ida Farmer tells me that she had to learn to cook "boy" food all over again. She had forgotten that a boy is just an appetite with skin around it. For over two weeks, she was a house mother to her four grandsons in Scotts bluff, Nebraska. Her son, Glen and wife, Janet, were on a trip to Nassau. They returned home in time to tell Ida all about the trip, which was great. But we are glad to have Ida home again. Ruby Lee Sandifer has had a grand trip to Arlington, Va. to visit her daughter, Suzanne. She flew there, but had the privilege of traveling on the Skyline Highway in the Blue Ridge Mountains and the Shenodah Valley. She and Suzanne visited with the latter's roommate in New York City. They visited some restored early American homes, including George Washington's. Ruby says the foilage in that area is dazzling. All in all, it was

great trip. Lydia and Corky Guthrie attended the funeral of Lydia's uncle, J.T. Blackwell, in Dumas Monday.

Ruth Bradstreet Taylor called this morning and said they had brought her husband, Bill, back to Pampa a week ago. His condition is stable and Ruth is spending nights at home. You remember, Bill became ill while on vacation near DeLeon, Texas and was in the hospital there for some time.

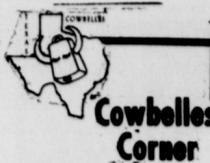

Gordon and Bennie Mae Whitener have just returned from a month stay "on the border". They spent most of their time at Zapata, Texas where they got some good experience as amateur anglers - "had pretty good luck, too," says Gordon. His brother, Herman, and wife were also guests at Lakeport and were helpful instructors. The Whiteners toured on down the Valley to Port Isabel, just to see more of Texas. They returned home by way of Lubbock and visited with their son, William and Family.

Being the small world that we live in, Bennie Mae encountered a woman from Oklahoma whose both were at the laundry. The woman turned out to be my sister-in-law, Georgia Guthrie from Hollis. Bennie Mae knew Lamar Guthrie quite well when he lived in Wheeler over 40 years ago. They all had a nice visit.

Mrs. Irene Wright is another one of our neighbors who has been on an extended trip. She was away about six weeks. She visited in towns all over Texas and into Louisiana. Like everybody else, she is glad to be home.

Mr. and Mrs. Elgie Deaning have just returned from a ten day trip to Little Rock,

Arkansas and there abouts. Mr. Dearing says they didn't fish for nothing, they just ran around visitin their children. He must have found some mighty good food. He gained four pounds. He reports the area was very dry, but since then, it has had rain.

CowBelles Corner

The Top O' Texas CowBelles met Monday, November 3, at Furr's Cafeteria in Pampa. The Miami members were hostesses, and they presented Mrs. Joe Peirce as their speaker. The area editors and representatives from radio stations were invited to attend. We were very happy that Mr. Louis Stas, editor of The Wheeler Times, could attend this meeting. The Top O' Texas CowBelles expressed to Mr. Stas their appreciation for his cooperation and assistance in promoting the beef industry.

In the business discussion, finalized plans for Farm-City Week were presented by Mrs. Ken Jackson of Groom. This week begins November 21 and ends with Thanksgiving, November 27. The week will kick off the CowBelles Beef Gift Certificate Promotion.

Remember that beef gift certificates make excellent wedding presents, anniversary presents, etc. Roark's Fine Foods and Pritchard's Thriftway will sell those certificates, which are redeemable anywhere (these are perfect for out-of-town gifts.)

1200 Attended Fun Night. Approximately 1200 people attended the County-wide Fun Night, Saturday, October 25, 1975 in the Wheeler County Agricultural Center. Twenty-one clubs and organizations participated by operating 33 booths for the Fun-Night which was sponsored by the Wheeler County Livestock Show Association. The Livestock Show Association which sold tickets for all of the booths, took in nearly \$2500, \$1400 of which went back to the clubs and organizations that operated the booths.

The Livestock Show Association cleared about \$650.00. This money will go toward paying off the remaining debt on the Wheeler County Agricultural Center.

Mr. Joe Hefley, president of the Wheeler County Livestock Show Association said "On behalf of the Livestock Show Association, I want to thank all those that supported the fun-night activities by having booths, all the workers and especially those that attended. We are looking forward to making this an annual event."

Card of Thanks. We wish to express our love and thanks to each one who helped us with their thoughts, prayers, food and attendance at the funeral of our beloved "Little Mom" Gertrude Gordon who passed away last week. May God bless each of you. The Gordon Family

Tucumcari Honors Dr. Archie Gordon

Archie Gordon Day was declared for Tuesday, November 5, in Tucumcari, in commemoration of 40 years of service to the city of Tucumcari and the surrounding area. Doctor Gordon recently received a severe injury and will not be active in Medical Practice for some time. In the evening the City's Chamber of Commerce honored Dr. Gordon with a dinner to say thanks. Tuesday morning two of Dr. Gordon's sisters and a brother Mr. and Mrs. Earl Goodwin of Napa, Calif., and Mrs. Flora Mae Kelley and Ernest Gordon both of Mobeetie, motored to Tucumcari to share in their brother's day.

Little Theatre

Friday evening's Talent Show, put on by the Mobeetie Little Theatre Group, was a huge success, playing to a good crowd, despite Halloween spooks. Plans are going forward for the next event by the Little Theatre Group and will be announced at a later date. The Mobeetie Little Theatre Group meets each first Sunday P.M. at 4:00.

New Conservation Leader Named

George C. Marks will succeed Edward E. Thomas as state Conservator for the USDA Soil Conservation Service effective November 2. Marks, a native of Heidenheimer, Texas, is currently State Conservator for Arizona. He began his career with SCS at Rusk in 1950 as a scientist and later worked as a soil conservationist and district conservator at Sulphur Springs, Winsboro, Jefferson, New Boston, and Corsicana. From 1964 to 1968 Marks was area conservator at Temple. He then moved to Arkansas as an assistant state conservator. In 1972 he was appointed state conservator for Arkansas. He received awards for outstanding work in 1967 and 1975. A 1944 graduate of Temple High School, Marks has a bachelor's degree from Texas A & M University, 1950. He served in the U.S. Air Force from February 1945 to August 1946. Thomas, state conservator for Texas since 1972, is being promoted to the position of assistant administrator for SCS in Washington, D.C. He entered SCS in 1954 as a soil conservationist at Lubbock and later served as district conservator and area conservator at various locations in Texas. In 1968, he was promoted to assistant state conservator at Temple and to deputy state conservator at Nashville, Tennessee in 1971. He was assigned to his present position one year later. Thomas is a 1954 graduate of Texas A & M University where he was a member of the track team. He served as an army officer in Korea from 1954 to 1955.

Work Day For Fire Department

Saturday, November 8, has been designated work day for the Mobeetie Volunteer Fire Department. Anyone who can spare the day, an hour, or even a few minutes will be welcomed. Among the jobs to be done are wiring the fire station, running gas and water lines into the station, scraping paint to prepare the building for painting, attaching a new water hose to the fire truck and new water pump and general clean-up. New fire fighting suits have been purchased and a siren to be attached to the fire house. In the near future, hopes are a radio unit, a gift of the Wheeler County Sheriffs Department to be installed in the fire truck. Calvin Stuart, a member of the Mobeetie Volunteer Fire Department, urges everyone to do his or her share in this worthwhile project. FIRE IS NO RESPECTOR OF PERSONS!

Card of Thanks

We wish to express our love and thanks to each one who helped us with their thoughts, prayers, food and attendance at the funeral of our beloved "Little Mom" Gertrude Gordon who passed away last week. May God bless each of you. The Gordon Family

TO THE SPOOKS:

To The Spooks That Turned Over My Turning Plow!

So you like fun at Halloween time. So do I, but I thought the rule of the game was Treats or Tricks. I had treats for the spooks that came to my door, and what fun it was to look them over. But tricks without giving one an opportunity for treats, was that fair play? You do believe in fair play don't you?

Did you know that the plow you turned over was a part of the history of Wheeler County in the early part of this century? Did you know that in those early days the plow turned sod in Wheeler County so the land could produce more abundantly, food and fiber for man and beast? Did you know that two Wheeler High School students moved the plow to its location, secured the concrete slab, evacuated for the slab and lowered it to its place? These students were working to raise money for a class trip, a trip for pleasure and to further enrich their education. The students did a fine job, for which they were paid regular wages. It was a pleasure to help deserving persons.

Make me sincere, in word, deed, blot out from me shame and greed. Help me to guide my tongue by constant, active self control. Make me clean in thought, word, in play, and keep pure from day to day. God make me a man. Author Unknown

May God bless each of you and give you the strength to stand for the right. Sincerely, E. Stracener

County 4H Achievement Banquet

The 1975 Wheeler County 4-H Achievement Banquet will be November 15, at 7:00 P.M. in the Shamrock High School Cafeteria. 4-H members that turned in record books in various project areas will receive awards at this time. Other honored guests at the Banquet will include many of the supporters of Wheeler County 4-H. The Banquet is being sponsored by the Shamrock Chamber of Commerce. Other Wheeler County members and parents are invited to attend the banquet. Tickets are \$2.75 and may be purchased in the County Extension office. Tickets can be purchased no later than November 10 at 5:00 P.M.

Change Necessary For Conservation

Change is inevitable in the farmer's search for ways to conserve fuel and maintain yields in the wake of petroleum shortages and higher prices, the national leader of the Soil Conservation Service said. "Some farming systems will increase rapidly and others will be virtually abandoned," R.M. Davis, Soil Conservation Service administrator, said in the October issue of Soil Conservation magazine. Minimum tillage, including no-till, is emerging as the most promising fuel saver for farmers. "This practice," said Davis, "has especially high potential for feed grains, cereals, soybeans, and cotton - the crops most in demand on the world market."

In Texas, a switch from conventional tillage to minimum tillage saves an average of about 5 gallons of tractor fuel per acre per year. Since some 456,000 acres were farmed with minimum tillage last year, this amounted to a saving of some 2.3 million gallons of tractor fuel. USDA predicts that by the year 2000, minimum tillage could account for annual fuel savings of 850 million gallons in machinery operations.

Another energy saver is better management of irrigation water. According to Davis, SCS estimates that increasing the efficiency of both delivery systems and on-farm irrigation, farmers could save more than 200 million gallons of fuel each year.

"Although we can save substantial amount of petroleum using the knowledge we have now," Davis said, "USDA and private groups are researching ways to do even more. And USDA is searching other energy sources, such as solar energy, drying crops and livestock wastes."

Davis appealed to soil water conservation district officials to stay abreast of continuing research on energy-saving practices of all the possible benefits and drawbacks involved.

"By keeping informed on current developments in agriculture, SCS and district people can help farmers fuel more efficiently while cutting agriculture production," Davis concluded.
