JULIE HAMPTON RECEIVES DAUGHTERS OF THE AMERICAN REVOLUTION CITIZENSHIP AWARD

Seven area students selected by their respective schools for exemplifying outstanding leadership, service, dependability and patriotism were honored at the Daughters of the American Revolution ceremony at 2:30 p.m. Sunday, Feb. 25, in the Lovett Library auditorium.

This national award has been made since 1934 with over 11,000 schools in the United States participating.

Among the area students honored at the ceremony was Julie Hampton of Wheeler.

The DAR Good Citizen pin was awarded to each of the seven honorees. The rim of the 13 stars represent the original 13 colonies. In the center of the pin are four books titled Dependability, Leadership, Service and Patriotism, representative of the Good Citizen. Award winners compete for a state scholarship.

Having an interest in music, Julie Hampton is a drum major in the

Wheeler High School band and is active in her church choir. She enjoys singing and may major in music or psychology in college. Hampton hopes to help start a church band soon. She has served as an officer in the FHA and Student Council. She is a member of the National Honor Society.

Living on a farm gives Hampton some additional obligations, such as stomping cotton, feeding cattle and grinding feed. She has worked three years in an after-school secretarial job at the Wheeler County Farm Bureau. In addition she keeps statistics for the high school basketball games.

Hampton is the daughter of Steve and Nancy Hampton. She was recently chosen the teenager of the year by the Wheeler Chamber of Commerce.

Old Mobeetie Assoc. Art Contest

The Old Mobeetie Texas Association is sponsoring an art contest to select two pieces of art work. One selection will become a special pictorial United States Postal Service stamp cancellation for Hidetown Station that will be open for one day only on June 29, 1996, at the Old Mobeetie Texas Association Jail Museum. A second selection will become the cover of a historical booklet that will be available on June 29, 1996 during Wheeler County Heritage Day—"Hidetown, The Turning Point." The art work chosen will commemorate Hidetown, a camp that served as a central meeting place for buffalo hunters to gather for shipping their buffalo hides to Dodge City for sale and to acquire provisions for hunting trips. Established on the Sweetwater Creek in the early 1870s prior to the establishment of Fort Elliott, hunters brought buffalo hides to be dried, baled and picked up by wagon freighters and merchants like Robert Wright, Charles Rath, W.M.D. Lee, and P.G. Reynolds, Dodge City entrepreneurs. As many as 150,000 hides were claimed to have been bought by the Hidetown merchants. The art work must be black and white, pen and ink, and 5 x 7 inches in size. The subject matter should reflect the life and purpose of Hidetown which was to accommodate the buffalo hunter who faced danger from the environment and Native Americans as they pursued the United States policy of riding the Plains of buffalo in order to accommodate the settlement of the region by cattlemen and farmers.

All entries must be received by March 25, 1996. Each entry must be accompanied by name, address and

telephone number. Proof of age may be required. Eligible entries must be the original creation of the entrant and must not have been published previously. All art work must be signed by the artist. Enter as often as you wish. The contest is open to everyone. All entrants under 18 years of age must have a guardian's consent. By entering the contest, entrants agree to be bound by these rules and consent to use of their name and created image without compensation by the sponsor. All entries become the property of The Old Mobeetie Texas Association. Winners will be notified by April 1, 1996. The special pictorial cancellation stamp will be used on June 29, 1996, in connection with the celebration of "Hidetown, The Turning Point," on Wheeler County Heritage Day. A full day of activities are being planned and will be announced in the future. Mail your entry to: The Old Mobeetie Texas Association, Rt. 1, Box 290, Mobeetie, Texas 79061. Telephone No. 826-3427 or 845-3401.

Farrell Alexander Enters Baptist Gospel Ministry

On Sunday, March 3rd, First Baptist Church, Gladewater, Tex, licensed Farrell Alexander to the gospel ministry.

Licensing by a church is an important recognition of an individual commitment to Christian ministry. It is an acknowledgement that God has specifically called and placed upon an individual certain responsibilities in regard to vocational ministry. Since the First Baptist Church of Gladewater has had the blessing of observing Farrell's life and ministry, the church publicly and officially affirmed him in that ministry through this service. Farrell is the son of LaJaune and Don Alexander of Wheeler and grandson of Cuba and Burley Mann also of Wheeler. He has a brother, Russ Alexander of Pampa, TX. They all join in the blessing of his surrendering his life to the gospel ministry.

Farrell and wife, Kerren are the parents of a 6 year old son Jarrod, a 3 yr. old son Andrew and a daughter Rebekah, 3 years old.

Farrell served as a Wheeler County Deputy, then a policeman in Littlefield, and is now a sergeant with the Gladewater Police Department. He has been in law work for the past eleven years.

Sweetwater News

No doubt about it. March came in like a lamb. Hope it doesn't get too exuberant on its way out. The apricots are blooming. Japonica, daffodils, tulips, and lilacs are budding. Still dry. Grandpa Barnes says no use praying for rain until the wind gets in the east. The deer are nibbling on the fruit trees. The gophers are going to inherit the earth. Just when I think I have them on the run, there are new mounds.

Paul and Doris were out from Norman Monday. Also visited cousin Ann Mills and Curtis Austin at Erick and Nita Cotton at Sayre. L. G. and Anne Reed also dropped in for a nice visit.

We received sad news. Joe's brother Arlie died in a Bristow hospital Thursday. Services will be Monday at the Freewill Baptist Church in Bristow. He was preceded in death by his parents, two sisters, Edith and Lela, two brothers, Tink and Frank, a daughter, Donna. He was a member of the Primitive Baptist Church.

Arlie is survived by his wife Bonnie of the home, a daughter, Nita Cotton, Sayre, granddaughter Sherry White, two great grandchildren. Two sisters, Elsie Dugger of Quitman, Ark., Analou Clifton of Las Vegas; three brothers, Joe of Sweetwater, Paul of Norman, S.T. of Tulsa, and other relatives and friends. Burial was in the Bristow Cemetery.

Talked to niece Jean Foster of Lubbock. Bob and Thelma Abila had been out to visit her and other friends.

Eileen Logan tells me Edmond and his sister Leta Campbell were honored with a birthday supper and party Saturday night. Guests were Harvey and Jackie North; Charles, Lanette, and Stacy Bryan, Edmond; Chris Shoffner, Steve Hammond, Ray Stafford, Joan Pettijohn, Susie Turner, Eddy Plummer, and Dale Carpenter. Everyone had a fine time. Sherman came Tuesday from Texoma.

Elbert, Eva, and Brad Atkinson visited her mother Faye Moore at Taloga, Sunday. Brendon came over from Stillwater.

Ann and L.G. Reed visited Chuck and Barbara Cummins, and Winfred Odem at Carter last week. They'd had a shower and water was standing around. Chuck was just home from an OKC hospital.

Iva Thompson and Bertha Coffey

have been on the puny list. Robert Thompson, and Norma Tipton are home from the hospital. Jerald Martin is in the Rehab center.

Hansford and Almada Jenkins of Texoma have spent ten days with his mother Stella. They attended funeral services at Pampa for Clyde Schaub.

Lanell and Donniss Hayes of Enid spent the weekend with Mildred Allen. Donniss put her in a new hot water heater.

We visited in town with a boy with a sack of Rabbit Chow, J.B. Clothier, Anne Weaver, Rhonda Arrington, and Vera Nation.

The Oklahoman had an item in the February 23 issue saying the State Dept. announced the United States had agreed to pay Iran up to \$300,000 to families of each Iranian passenger of an Iran Air airliner shot down by a US warship in 1988. The Iran Airline Airbus carrying 290 passengers was shot down over the Persian Gulf, and all were killed. 248 people were Iranians. This plus some other banking disputes will amount to \$131.8 million dollars.

The family of Lulu Wright honored her last weekend on the occasion of her 90th birthday with a family and friends get together.

Another friend Jake McDowell had his 94th birthday a week or so ago with a family celebration. Lawrence and

Bonita made it up from Crosbyton, TX. The Wheeler Christian Academy basketball teams won 2nd place trophies at the State tourney in Galveston. Heather Dean, Sharisa Mong, Mary Hall, Juanita Rose, Bridget Chandler, Jason Brittain, Brian Mackey were selected to play in the All Star games at San Antonio. Mike and Lauranell Mong went with them.

My brother Frank Haag had eye surgery this week at North Little Rock. We sure hope it is successful.

Maybelle Worley of Sayre was out to visit her aunt Bonnie and Uncle Arnold Rice Thursday.

Bessie LeGrand has a new little great granddaughter, little Reagan LeGrand born on Valentine's Day at the Elk Hospital. Parents are Mr. and Mrs. James LeGrand.

Little Larry West is slated to have a bone marrow transplant at Duke University Medical Center in Durham, NC. He will be there several months. This

THE ELDERLY -- ARE THEY UNDERNOURISHED?

Poor health and other factors that result from aging may cause some older adults to become unable to shop for groceries, to cook or even feed themselves. With these physical barriers, it is no surprise that these elders may become undernourished and unable to maintain their normal weight.

Many fail to eat what is needed everyday to ensure that they are getting all the right nutrients. So, they find themselves taking a bag full of medicines and vitamin and nutrient supplements. Elders need to take a look at just how much vitamin preparations they take such as vitamin E supplements, antioxidant vitamins and multivitamin preparations.

The Surgeon General's Report on Nutrition and Health recommends that older adults consume sufficient nutrients to provide energy to achieve levels of physical activity that maintain desirable body weight and may prevent or delay the onset of chronic disease. Older adults need sound nutritional advice and a balanced diet supplying enough calories to meet reduced energy needs.

From the National Screening Initiative report, the most frequently reported inadequate nutrient intakes were vitamins B6, B12 and D, folacin, zinc, magnesium and calcium in the elderly. Vitamins B6 and B12 and calcium requirements may actually increase with age due to decreased absorption or utilization, whereas requirements for Vitamin A and folacin may decrease.

Getting enough foods that contain the nutrients can be a problem when foods may be higher in calories but lower in nutritional value. The elderly require fewer calories since they have a decreased activity level, which can be challenging. They need to select foods of higher nutrient density per calorie. Careful selection should include a variety of healthful food choices from USDA Food Guide Pyramid.

Due to reduced activity, it is difficult not to gain weight. Dietary fats and refined carbohydrates should be reduced. The elderly should increase their intake of lowfat milk and other calcium-containing foods plus breads and cereals and fruits and vegetables should be increased. Also, older adults need to drink enough liquids (six to eight cups) daily because they have less saline and digestive fluids as they age.

Older adults unable to consume adequate levels of nutrients from food sources may benefit from certain supplements prescribed by their physician. However, self-prescribed supplements in large doses may be harmful and should be discouraged. Often, those who would benefit from supplements are not the ones who take them.

Dear Editor:
The grass fire that swept through north Roberts County on Thursday, February 22, will be hard to forget. While those memories will be slow to fade, I won't ever forget the rapid response of the local fire departments and the helping hands provided by the more than 200 individuals and neighbors in fighting this fire.
It could have been worse, and it would have been without the commitment and dedicated teamwork of all involved. It's good to know that help is there when you need it.

So nice to have Dan and Caroline Cornett come Wednesday and visit and take me to lunch at Hoffbran Steakhouse. Also visiting were Brad and Sue Chandler, Joe Lackey and Carl and Audean Simpson.

Carl and Audean were celebrating their 44th wedding anniversary on Leap Year Day, Feb. 29. They planned to eat out at Luby's and see a movie, "Sense and Sensibilities" Carl visits now and then.

Gageby Church missed Aaron and Claudetta Laverty Sunday, Feb. 25. But enjoyed having Rev. Don and Floy Larkin there. Sunday dinner

Nice to have Sharon (Sumpter) Worley come visit Friday. Time off from classes at Amarillo College. She will graduate as R.N. in May.

Nice to have David and Rita Pearson, Dallas Fillingim and Dusty Walker visit us Sunday and bring mail. Also visiting were Gayle and Helen Singleton. The Singletons had been to a Special Olympic competition. Maralee works with them. Gayle and Helen were also going to a movie if they could find a funny one.

J.P. and Martha Meek went to XYZ Friday night at Mobeetie. They enjoyed seeing Bob and Betty St. John and Mr. Ronald St. John there, all from Las Cruces. Doyle Grimes hasn't been feeling well. Pray for him. He is a special guy. Pray for Edith Cross who is having some health problems. Sorry we missed XYZ and seeing the St. Johns. Sweet people.

Nice to visit with K.D. and Robert Ford Saturday at the hospital cafeteria. They were fixing to take Galena Scriber (Robert's sister) home. She had repair work on her shoulder blade that was broken when she had the bad wreck near Reydon. Pray for Galena and her family. She is paralyzed from the waist down. Robert works at the

 Edna May honored Homer Sanders with a pot-luck supper and 42 party Thursday night to celebrate Homers 76th birthday. Others there included Lou Dean Douthit, J.P. and Martha Meek, Zeland and Charleen Rainey, Willa Fillingim, Doris Finsterwald, and Evelyn Meek and Nova Powledge. Sorry we had to miss it. Many more, Homer. Hope to see you soon.

I met a lovely lady from Liberal, Kansas named Frankie Hardin. She had the 5th knee replacement, and was here in Rehab. For several years she has been the activity director for the Good Samaritan Nursing Home in Liberal from a motorized wheel chair. They all do exercises, bingo, crafts, wheel of fortune, take trips and many things. She can even pull a resident in a wheel chair to the activities. I know they can really relate to her.

Proverbs 12:18 "Thoughtless words can wound as deeply as any sword, but wisely spoken words can heal."
 Dick Irvine and Rich Irvine attended a church seminar at Ceta Canyon over the weekend.

So nice to have Elizabeth Hale from WTA&M Canyon come visit us Sunday morning before church at Coulter Street Baptist church. She also works at a nursing home in Canyon.

Nice to meet Jett Wilson, coach from Canadian, who is in Rehab. He is a brother to Paul Wilson, ex-Canadian coach. His wife Mary, who teaches music at Canadian and his son Trent, who is coach at Vega. Lovely people. Pray for Jett and his family. Jett has serious health problems and surgery.

Lee and Pat Murray spent some time at Mission, Texas, but had to cut their trip short because Pat got sick.

Raymond Moore was brought to High Plains Saturday with some problems. Was expecting him to go home Monday maybe. With him were Isabel, Garland Moore and Karen Meek. Nice to have Karen visit us awhile Sunday. Raymond was looking good. We went up to see him.

Recently Dick and Ruth Irvine and Grace Irvine attended Mobeetie Methodist church to hear good friend Gary Jahnel preach. Then went on to Pampa and met Rich and Connie Irvine and Marie and Justin and Becky Tipps and Adam and Casey in Pampa and ate lunch together. Terry Tipps and Zachary visited Dean and Georgia Tipps and practiced bow hunting.

Dick and Ruth are expecting to have a beef processing "party" next weekend. Rich and Connie Irvine and Justin and Marie and Terry and Becky Tipps and Zachary, Adam and Casey will help Dick and Ruth with cutting, grinding, tenderizing, wrapping 2 beefs. They have lots of fun and each

family has beef to take home.

So nice to see Jean Bailey from Miami up to visit our next door neighbors, her aunt and uncle, Howard and Lillie Mae Williams from McLean. Howard is recovering from a broken hip. Jean came to Amarillo with Sid and Betty Talley and Kay Talley and children from Miami that had dental appointments. Pray for Jean. It's been so lonely for her since her husband Charles died suddenly in November.

Carrie Harris is also here in Skilled Nursing Unit Rehab, looking pretty as always. She had hip replacement Feb. 20. Hopes to be home by March 1 when her aunt and daughter-in-law come to visit her. She gets around really well and has been walking for days. Pray for Carrie.

Nice to have Glenn and Mozelle Thomas and Carl Simpson visit awhile Monday afternoon. Also Kay Talley a beautiful lady.

So nice to have Jean Bailey, Betty Talley and grandson Reece Talley from Miami visit us Tuesday. They were going to the area play-off at Tascosa for Miami and Nazareth boys. Sorry Miami boys lost to Nazareth.

A student nurse here Friday was Leslie Fuson from Canadian. Nice to visit with her. She remembered a slumber party at Willa and E.G. Fillingim and all the animals. She graduated in 1988 from high school.

Thanks Rev. Billy Wilson, pastor of Wheeler and Allison Methodist churches for coming to visit and pray with us. Sorry Willis didn't reel like visiting.

Nice to have cousin Martha Crumbley visit us. She hasn't been feeling very well, and was having some surgery Tuesday at St. Anthonys. Pray for her. She has published a book of cowboy poetry and enjoys the monthly meetings of cowboy poets from all around. Real down to earth poetry. Martha had surgery to remove para thyroid glands that were pulling all the calcium from her bones and making her feel badly.

Nice to visit with Carrie Harris. Her niece, Belinda Jill Lee lives with her at Mobeetie and works at Wheeler Care Center. Carrie expected visitors are her aunt, Becky Rich from Albuquerque and daughter-in-law Shirley (Mrs. Ronald) Harris from Mariposo, California to come March 1 and stay a week. Jill visited Carrie Monday on her day off Carrie did not get to go home Friday. Keep praying for her!

So nice to have Olaf Sivage come and visit awhile Thursday at Rehab. He's been a friend of many years. Visiting later were Aaron and Claudetta Laverty on their way home from Denver to be with his sister, Mabel Harrell.

So nice to see Rossie Trout at the grocery store looking pretty with her new hair do. Wish we'd have had more time to get caught up on news. She is staying with an 82 year old woman that is recovering from kidney removal surgery. So Rossie is pretty tied up. But with Rossie's good care the lady is recuperating quite well.

Good to hear that Sherman Trout is doing better again. Take care Sherman.

What a nice surprise to run into Mindy Duncan and Hayden and Gatlin at the grocery store in Pampa last Thursday. They looked great. (Really do miss the Duncan family around here.) I think the boys have already grown an inch. Gatlin is catching up with Hayden fast.

Good to see Glenn Gaines and Bill Morrison at the grocery store having a pow-wow.

I need to apologize to Estelle Hodges. She is always good about getting me the Mountainview Quilting Club news. I'm sorry Estelle I missed a whole page, of which part of it had to be your news. I'll really try to do better and pay closer attention.

It was good to see Mary White out and about shopping. Her hand and wrist look so much better. She can already see a big difference and has some mobility in the wrist. That's great news.

Sorry to hear that Jud Rector has been having some bad days. (2-28) Melba Corcoran has been staying day and night with Jud and Lorene.

Maurita Stribling was the ever present "good neighbor" and brought them lunch Wed. They really enjoyed the tasty treats. Your thoughtfulness is greatly appreciated Maurita.

If you have lost a set of keys please call 845-2021 Anna Belle or Ariza Corcoran and describe to identify and claim. Anna Belle found them between the Baptist church and the parsonage one day last week on one of her daily walks.

Fred and Jackie Thrasher went to Amarillo Wed. for an appointment with a specialist for Fred's back. Good news so far. No surgery. Terrific. His doctor wants to try some IV therapy before they go any farther. It's going to be a long haul and slow going. But the doctor is very optimistic. Just lots of trips back and forth.

They ought to have auto pilot on the Darby and Thrasher pick-ups. The pick-ups can almost find their own way back and forth.

I finally made contact with the Flying Queens number one fan and promoter, Gordon Estes. I have to depend on him to keep me posted.

The Queens played Oklahoma Christian University on Tuesday (27th) in Oklahoma City and won 117 to 87.

Saturday March 2nd, they play Oklahoma Baptist at Plainview. I'm looking forward to hearing these results. Whoever wins that game will play on Monday night against the 2nd rated in the Southern Conference. The winner of Monday's game is guaranteed a place in the Nationals at Jackson, Tennessee. Suspense, suspense!!!

Go for it Queens! Good luck!!

Barbara Hodges was in the post office Wed. U. I. L. meet is Saturday March 2nd. Our elementary children have really been working hard. They are nervous and anxious. Good luck to each of them. We have so many talented children at Ft. Elliott. Good Luck!!! Just know you've done your best.

Good to hear that Carrie Harris is doing pretty good after her surgery and is at the rehab. center. Hope you'll soon be much better and can finish recuperating at home. Keep up the good work.

Word is that Melvin May is doing pretty good. About on schedule for what the Drs. expect. Keep up the good work Melvin. Know you have a long road ahead of you. Probably will seem much to slow to suit you.

So sorry to hear you still not feeling up to par Billie Hamilton. Sure hope the Drs. can soon get you on the road to recovery.

Good to see James and Millie Williams. Sorry they're fighting the respiratory crud.

What a nice surprise to see Lewis and Irene Rogers eating lunch here at Sallie's. They both looked great! Irene is getting around very well after her foot surgery and all. Lewis looks much better for a change. These home health nurses sure make a difference in peoples lives. Come see us more often.

Friday was full of surprises. Billy Hennig was down helping Bill Caswell. While they were eating lunch and visiting with Joe Shelton in came the rest of the family.

Katie Jo, Brittane and Brianna and Grandma Suzie Mabry. The twins are still such dolls. Those big beautiful brown eyes and long eye lashes. They

didn't know what to think of Derrick Hungate.

Derrick wasn't quite sure about the twins either. They're all so cute. Derrick is the best baby. Always smiling.

Kelly, Peyton, and Shelton May from Borger came in to find Nanny, Peyton ignored everyone and headed straight to the kitchen to see Nanny (Sallie May).

Peyton and Shelton are such sweet-hearts!

Shelton went straight to Grandpa Joe.

Brittane and Brianna were just trying to take all of this in.

Timothy Mayfield visited with Jarrod and Misty (Mumford) Tibbets and their son Sheldon Thursday. All are doing well. Jarrod is working for Dobson Cellular now.

Tim's week was shorter than he expected. Just not enough time to see everyone and do everything he wanted to. He was sure glad to be taking his car back to Irving. (I guess I should say the car took him to Irving.) He made it back safely. Thank You Lord!!!

Amazing how much shorter a vacation week seems from a work week.

Good to finally hear from Mona Guinn. When I was by 2 weeks ago they were getting around to go to Pampa to Dr. Little did I know that they would put Mrs. Luttrell in the hospital as soon as she saw the Dr.

They had to replace Grandmother Luttrell's pacemaker. No wonder she'd been so tired. The surgery went well

but had to get some strength back before they'd let her come home. So Mona and Grandmother Luttrell spent the week at Coronado Hospital in Pampa.

Sorry Mona's not feeling better yet. Hope this new Dr. Cook can get a handle on her problems and get her to feeling better. He is going to run some more tests next week.

Garnett Gunter hasn't been able to come home from Coronado Hospital in Pampa yet. She is feeling much better but still has some obstacles to overcome. Will be at least another

TAX DEFERRAL AVAILABLE FOR ELDERLY TAXPAYERS

Texans age 65 or older can postpone paying delinquent or current property taxes on their homestead residence by signing a deferral affidavit.

This special form of tax relief can also halt a lawsuit already filed to collect delinquent property taxes if the owner files the deferral affidavit with the court in which the suit is pending.

Once a homeowner files an over-65 tax deferral affidavit with the appraisal district, no taxing unit can initiate or pursue a suit for delinquent taxes as long as that person lives in that homestead.

While tax deferral postpones paying delinquent taxes on a homestead, it does not cancel the taxes nor keep delinquent interest from building up. When the elderly taxpayer no longer owns or lives in the home the accrued amounts become due. Taxing units can then sue to collect all tax and interest.

While a penalty may not be imposed during the deferral period, the filing of the deferral affidavit does not forgive penalties already due. Also, an additional penalty associated with referring the account to a delinquent tax attorney may be charged if taxes remain delinquent more than 90 days after the deferral ends.

Forms for filing a tax deferral affidavit are available in the Appraisal District office, courthouse square, Wheeler, phone 826-5900.

Romans, 8-35, 38 & 39.
Who shall separate us from the love of Christ? shall tribulation, or distress, or persecution, or famine, or nakedness, or peril, or sword? For I am persuaded, that neither death, nor life, nor angels, nor principalities, nor powers, nor things present, nor things to come, nor height, nor depth, nor any other creature, shall be able to separate us from the love of God, which is in Christ Jesus our Lord.

Mobeetie (from Page 5)
 week or two before her doctors will even discuss her coming home. Keep up the good work Garnett. I know it's hard to take some of those orders. But it's going to pay off. Just have a little more patience.
 Mona didn't have time to get bored, and she got her exercise. When her Mom could rest it gave Mona time to visit with Garnett and keep Garnett posted on Nettie's condition.
 Good news! Joyce Walker is finally getting some headway on those terrible headaches she was having. Sure glad she is getting some relief.
 If you have any mechanical problems with your car and need someone that's competent and reasonable call Mearl or James Guthrie in Pampa. They do a very good job. Are honest and very reasonable. They'll tell you if they can fix it or not. Or if it's worth fixing or using rebuilt or new parts. Tim's car runs better than when he bought it.
 Please keep Leesa Sims in your prayers. She entered the hospital Monday for some surgery on her neck. (Very tedious!!) But they have to try and do this new to remove pressure on her spinal cord and maybe avoid any paralysis on down the line. Good Luck Leesa.
 Serena's Nanna from Lubbock (Lynn's mother) will be her with Serena. Serena is going to enjoy that!
 Girl scout cookies are in!
 Nice to see Melvin and Fay Farrar at Wal-Mart in Pampa Saturday. Am afraid Melvin is facing two more surgeries on his neck. He'll get things set up Tuesday. Dr. Paulis wants to try and do both surgeries with in one week of each other. Good luck Melvin. Sure hope this helps solve some problems and gets you to feeling much better.
 Makes some of our problems seems very minuscule.
 Our Hearts in Motion kiddos are already geared up and working toward another summertime goal. They are always around all year doing small special things for their families and our community.
 They have spring fever and are starting to earn their money to go to Baptist Youth Days at 6 Flags in Dallas in July. They are eager to tackle just about anything.
 These young people will work one on one, as teams or as a group. They work for donations. Just make your check out to the 1st Baptist Church of Mobeetie with a notation "Youth Fund". (It's tax deductible).
 Your help will be greatly appreciated. Call as often as you like. No job is too small. These young people and their smiles and talents will put a sparkle in your day.
 They are also collecting aluminum cans. If you have any you'd like to donate please call Rob or Geniva Hogan at 826-3365. Rob or Geniva will help you set up a time and date to have the young folks come help you or pick up cans. The kiddos are anxious to get started on this project. They have set the goal of earning their own money for their Baptist Youth Day event with your help they'll do it.
 Isn't modern medicine wonderful? Fred Thrasher had 3 hours of nerve testing done in Amarillo on Friday. It was none invasive electric shock basically. But it mapped out his whole body from head to toe and right finger tips to left finger tips. Some of it's even obvious to the untrained eye. Fred has 2 more days of testing and maybe start some therapy this week.
REMEMBER, next Tuesday March 12, 1996 is the Presidential Primary Elections for Texas. Please exercise your American right to vote. That is one of the few privileges we have left. If you are not a registered voter in Wheeler County please go to the Wheeler County Courthouse and sign up. You won't be able to vote in the primaries. But you'll be ready for May election and the November Presidential Election.
 The Mobeetie Precinct I elections will be held as follows:
 The Democratic Election at the First State Bank at the corner of Main St. and Wheeler St. Please use the north door on Main St. 7:00 A.M.—7:00 P.M.
 The Republican Primary will be held in City Hall at the corner of Wheeler St. and 4th St. Please use the west doors (The main entry.) 7:00 A.M.—7:00 P.M.
 Every vote counts. Your vote is very important to our countries future. If you don't voice your opinion. Someone else will. We need to let our politicians in Washington, D.C. know we're still out here and they need to start listening better (or comprehending which every it takes.)
 Sorry to hear that Ernie Gordon had to be taken to Parkview Hospital one day last week. Sure hope this finds you feeling better Ernie.
 Jap and Alice Bailey had a pretty quiet week. They enjoyed visits from Hugh and Mae Bailey of Mobeetie and Bill Bailey of Pampa.
 Thursday Jap and Alice were in Wheeler to take care of business and make the grocery store tour.
 With no gas station left in Mobeetie we all have to remember and get a fill-up before we come home.
 The Bailey boys think they've got Jap's well problems fixed. The above ground tank is full once again. Thank goodness they got it fixed.
 Sorry I missed Beulah and Doyle Grimes again this week. They stay pretty busy. Hope they're out doing fun things.
 Pierce Walker has been having a time getting his strength back and really feeling well; since he had pneumonia. But today has been better. His apricot tree is in bloom. It's beautiful!! But we don't expect a chance to taste any of the fruit.
 So good to have Carrie Harris back home. Just spoke with her a few minutes. But she sounds good. I think we missed the party. It was at her house. ha! ha! Hope they had a real good visit. Carrie was visiting with her aunt, her daughter, and a niece.

Please keep Carrie in your prayers. She has alot of work ahead of her.
 Calvin and Leola Stuart were in Amarillo Tuesday (Feb. 27th) for one of Calvin's Drs. check-ups. He got a air check-up. Calvin's kind of in the same category as most of us. (Need more exercise.)
 Saturday they made the family rounds for the area.
 Gladys and Iva Richardson of Erick, OK came over Feb. 23 and spent the night with Calvin and Leola. Bulah Stuart and Gerald Stuart at Shamrock were doing quite well. They'd been enjoying the nice weather.
 Calvin and Leola went on to Erick, OK. to visit with Gladys Richardson and later Iva Richardson.
 Ruth Hathway had a very enjoyable week. Her son and daughter-in-law from Queens City, TX. Roy and Loita surprised her and spent a few days with her.
 Loita fixed a delicious family one night while they were here. But part of the family didn't get to enjoy the meal or the visit because they had the flu.
 Ruth really enjoyed their visit.
 Please pray for Ruth's sister, Dollie Haning of Vernon, TX. Dollie had to go to Dallas for eye surgery on Wed. March 7th. Dollie had a blood vessel burst in one of her eyes.
 Last Sunday Ruth had another very pleasant surprise. Orville Greenhouse, Doris Finsterwald, and Leta Mae Gatlin came by for a wonderful visit. Leta Mae brought some pictures to Ruth of Lester's brothers children. What a nice surprise!!! Ruth really appreciates them and has enjoyed them.
 Our condolences go out to Alesha Moffett and her family upon the death of her grandmother, Bessie Davis, 95, of Amarillo. She was buried in Childress.
 Bessie had lived at home alone, with the help of her home health care aids until just before Christmas of '95. Isn't that wonderful.
 John Moffett had come in for the funeral. Tim saw John stranded on the Pampa Highway by the gas plant. Tim recognized the "Moffett Mobile" but was surprised to see John. Tim took John on into Pampa to his sister's Shiela Touchstones.
 Boy! This engine in John's pickup must have some kind of compression. It blew out a spark plug. He got that fixed but it happened again to him on his way back to college. But he made the trip fine otherwise.
 Charlotte Coward has been having a rough time. She spent several days in the Coronado Hospital in Pampa. She took ill while up at granddaughter, Diana Jones' in Borger. After a couple of surgical procedures she was able to go back to Diana's to recuperate.
 We're sure glad to have her home.
 Helen May came down to Charlotte's room before they transferred Melvin to Amarillo. Charlotte certainly enjoyed her visit and hopes this finds Melvin and Helen doing much better. As we all do.
 Sorry to hear that Lisa Dockins Barton has been having blood pressure problems. Hope your soon feeling better Lisa. Lisa is expecting a new little one so has to take extra precautions. Take care Lisa.
 Monday afternoon Charlotte Coward and I made the trip to Pampa. Charlotte did quite well and we accomplished alot. Dr. Grabato gave her a 3 week break and Dr. Juan gave her some different medicine for her back. Sure hope it helps. Please keep Charlotte in your prayers.
 We were really enjoying the afternoon until the wind and dirt got to blowing so bad.
 It was so nice to see Claudia Quarles at Wal-Mart. She was on her way home from helping with the Meals on Wheels garage sale.
 Good to see Ella Trout at Wal-Mart. She'd already put her day in at the Elem. School Cafeteria and was getting a start on the week.
 Her newest great granddaughter is going to be one of the cutest dressed babies around.
 Good to see Joy Davis out and about. She has been unable to work because of arthritis. But sort of enjoys being at home again. Her family seems to be doing quite well at the present time.
 Sorry to hear that they had to rush Mr. Nash to an Amarillo hospital over the week-end. Hope this finds you out of intensive care and feeling much better.
