## PIE & CAKE AUCTION IS FRIDAY

A pie and cake auction will be sponsored by the Wheeler Livestock Boosters in the Wheeler School Cafeteria following the Wheeler vs Briscoe basketball game on Friday, February 2.

The purpose of the Wheeler Livestock Boosters is to support Wheeler 4-H and FFA members who have livestock projects. Money raised from

this auction will be used to pay for animals purchased at the 1990 Wheeler County Junior Livestock Show and support other activities and projects during the year.

After the final basketball game's completion, complimentary coffee and iced tea will be served in the cafeteria and pies and cakes made by booster members will be auctioned.

"We appreciate the support the community and businesses have given our youth in the past and we look forward to cooperation on other activities in the future. We plan to

have a good time at the auction and hope that everyone who can will attend," said Danny Mitchell, Boosters President.

According to Mitchell, the Wheeler Livestock Boosters plan to sponsor a Charity Stampede this spring. The event will be similar to the one cancelled last fall but will be for high school age youth.

## CWE CHAT WITH EDITOR

By Louis C. Stas

Wheeler was saddened Wednesday, January 24, with the loss of Wesley Buice. Wesley retired from his '8-5 job', moved to Wheeler and went to work. Unless you were involved in the task itself, you might not know he was involved; he did not like the spot light.

Wesley joined Kiwanis in Wheeler and was given the job of treasurer; when the baseball field project was taken on by the organization, he was one of two or three that was there everytime anything was done.

Wesley's time was not given totally to Kiwanis; his family, church and community were generously given their share. Wesley was well deserving of the Chamber of Commerce Outstanding Man award in February of 1988. He could be described as "a friend to man". His loss will be felt by the community.

Have you mailed in your nominations for the Chamber of Commerce Outstanding Individual awards. If you know a deserving Man, Woman, Employee, Teenager and/or Farmer/Rancher, send the names, along with your reasons for their nomination to Chamber of Commerce, P.O. Box 221, Wheeler, Texas 79096. The deadline for receiving these nominations is Tuesday noon, February 6. A ballot is not necessary; your list of their achievements is.

I owe the students on the Kelton Honor Roll an apology. I overlooked the strip when I pasted up the front page and failed to get the list on page 1. I will try to do better next time.

I did not overlook the Wheeler Elementary and Junior High honor roll. The list was held up by the school to allow for make-up work by those who had been sick.

Lovely sunny weather. A little ice some nights. And enough wind to suit anyone. I can't work when it's hot, cold or the wind blowing. Just rested Monday and Wednesday and listened to it howl.

Sure had a busy Tuesday. To the postoffice to get my Love stamps, to the school, to vote. To the hospital to see how Royce Roberts was doing. Sue and Dale from Crescent were with him. Hadn't seen them for such a long time.

Out to Hensleys where the Kitchen Band entertained for an hour. Good to see the residents recovered from the flu. Then to Ben Franklin, Puckett's and United, and a half hour visiting Albert and Bonnie Anderson. He was home and very well after 15 days in the hospital. Bonnie was over the flu.

We hope the flu epidemic (that's official now) is letting up a little. Among those on the puny list this week were Bess LeGrand, Eva and Brad Atkinson, Stuart and Tyler Smith, Mandy Carlson, Elec Atchley, and Flossie Maddoux.

Some 150 patrons turned out for the school election. Eb Atkinson retained his place on the board. All the bond issues carried. It amazed me to see how many people in the various school districts over the area tried to vote down the money to run the schools even though nothing extra was on the docket. I guess they think they can lower their taxes but it is a fact of life that if you own property, you are going to be in a school district somewhere and have to pay taxes to educate our young folks.

There will be a vision and hearing screening of all the students on February 7. Pre school children may also be tested. Parents of the pre schoolers should call Micki Smith at the school to get their names on the list.

Funeral services were Saturday afternoon at the Erick Baptist Church for Ruby Miller Robison with burial in the Mulberry Cemetery. Ruby lived most of her life in the Meridian Community.

Services were Saturday morning at the Erick Cemetery. He was the nephew of Eunice Brookshire and the only brother of Pearl Butler.

Visited with Luella Trammell. Jack is doing well but her mother Ruby Baker has been in the hospital. Chatted with Flossie Weston and Reed Goodwin. Reed was celebrating his 75th birthday Tuesday. He and Joe compared notes on how it felt to be elderly. Joe had the honor of being 75

last Thursday. Saw Mrs. Cecil Miller of CA. They came last week to be with his sister Ruby.

The FFA kids have completed two hog sheds. They will host a local stock show on February 22.

Brendon and Brad Atkinson were among the 4-H members featured in the Sparke and Flashes this month. They are taking part in some electrical programs.

I am always pleased to hear from my readers. Last week, I had calls from Roy Downey of Glendale, CA, Bernie Bessire of Pharr, TX. Had nice notes from Coy Hickey of Bethany and Louise Fizzano. Louise lives in a suburb of Philadelphia, but spends

the winter in her Miami condo. I also heard from penpals Emily Byerly of Oak Island and Dorothy Best of Cornwall, England. Dorothy and I started writing over forty years ago.

Our teachers are encouraging the children to have penpals. Mrs. Carey's first graders all have written to pupils in St. John Lutheran School of Fairfax, MO., a rural community. And they all made a hundred on their spelling test.

The 8th graders wrote President Bush and five have received things. They also sent Christmas cards and letters to the Coast Guard in Turkey. Jada and Malissa received letters and pictures. I got a Turkish magazine

once from a soldier stationed over there.

Cindy Perry drove the bus to take our kids to our drug symposium at Elk City Wednesday. Another parent Lisa Alexander and teachers Joyce Wears and Brenda Quinn went too. Children were 6th grade, Justin Lesley and Jennifer Taylor, 7th grade, Brendon Atkinson, Megan Sites, Keith Smith, Justin Howell, Wesley Powers, Malissa Edwards, Jada Alexander, Sandy Hagerman, Robin Hagerman, Freddy Rios, James Loyd, Mandy Carlson and Jerry Robertson missed on account of illness. The symposium was attended by over 1,000 6th, 7th, and 8th graders from the area.

There was quite a program about guns in the home on CBS last week. It said eighty people die daily from guns. Many folks keep guns in the home to shoot burglars but the experts said for every intruder killed, forty family members, friends, neighbors are killed accidentally, usually by guns no one knew were loaded.

On the Superintendent Honor Roll

## Ain't It The Truth

Watchin the news makes a feller sort of shudder wonderin what is next. We have floods, hurricanes, earthquakes and fires in the forest burning out of control and then durn near ever where you look wars and rumors of wars. Now this ain't new, been going on since the creation of this earth but we just get the news quicker. Some of the news we get durn near fore it happens. We got analist that can perdict about everything but Panhandle weather.

The other nite me and Mama wuz watchin one of them news programs and some Profesor was tellin why a lefthanded Bolshevic would belch louder and longer than a righthanded Bolshevic. Seems like this Profesor had studied that one thing for over fourty years. This Profesor couldn't tie his shoes er cut up his fried egg but certainly knew all about them Bolshevs an their belchin. I don't understand the need of this, but this bird has been funded by the Federal Government for all them forty years.

I got one friend that studies Titmice and he can tell you why a Titmouse always scratches the left side of its belly with its left hind leg before it scratches its right side of its belly with its right hind leg. If I ain't mistaken this friend plans on writin a book on the subject, can hardly wait till it comes out, I've always wondered that myself.

Don't know if you have ever seen one of them Armenian girls er not but about 50 years ago I met several of them, no not in Armenia but there outside of Los Angeles. Boy them gals could dance and cook and all that stuff but they wouldn't go with us younguns in the Military, they had already been picked out by some Father for his son, course the son had to be full blood Armenian and could provide for the young lady and would give his oath that he would everyday try and find one of them Azerbaijanians. Now I ain't ever seen one of the Azerbaijanians but according to what I hear their scrap has been goin on longer than the Battle us Democrats have had against them durn Republicans. Course we just use gossip and a wee tiny bit of mud but them other birds take hide and hair.

I better shut this thing off, Mama said dinners ready and I guarantee you that Gal will whap me with the skillet if I am late.

Love you all and see you next week.

**Here & There**

By Laura Guthrie

We often hear: "It's a small world after all." Seems to me it's getting more so. Not long ago two women were chatting in a beauty salon in Dallas. One of them was "doing" the other's hair. In the conversation the Panhandle of Texas was mentioned. One mentioned that she had lived in the Panhandle. The other asked "Where"? Number one replied, "Oh, you probably wouldn't know where it is. I lived at Wheeler." The other, with animation answered: "I certainly do know where Wheeler is. My son-in-law, Curtis Forrester, lived there." The lady getting her hair done was the mother of Sherri Forrester and Ruth Ann Stiles was the operator.

So you see the world is just one big neighborhood.

**Parenting Seminar Planned By Methodist**

The First United Methodist Church, Wheeler, Texas is offering information and registration for an innovative video-based seminar for parents of pre-teen children. The seminar will be at the church each Tuesday evening from 7:30 to 9:30 p.m. starting February 20th and continuing through March 27th. Registration cost only \$15.00 per family unit.

Called Active Parenting, Dr. Michael Popkin of Atlanta, GA., is its founder and Director. Dr. Popkin has served as Child and Family specialist for Buckhead Mental Health Center in Atlanta, and Child, Adolescent and Family Coordinator for Northside Community Mental Health Center, also in Atlanta.

According to Dr. Popkin, "Disciplining a child or teen occurs within the context of relationship. If that relationship is good, the discipline works; if the relationship is not good, the discipline simply produces additional conflict." Active Parenting provides a step-by-step technique for achieving growth in the family relationship, for all members, regardless of the discord already there.

By utilizing the video format, Active Parenting can provide a visual scene which elicits an experimental reaction to past occurrences in the home. Then the peer group of participants discusses its methods for dealing with similar situations at home and review negative and positive methods for obtaining results with their children.

Under the direction of a "guide" who is familiar with the Active Parenting method, the group expands the possibilities available to them in their parenting roles and leaves each session equipped to make a change in their responses to their children. For additional information call or write The First United Methodist Church at P.O. Box 89, Wheeler, Texas 79096; 806-826-3114.

**CARD OF THANKS**

We would like to thank this opportunity to say "Thank You" to the Wheeler Volunteer Fire Department and others who helped extinguish the fire at our place south of Wheeler. The quick action prevented the fire from being much worse.

Thanks, again,  
The Buster Reedy Family

Today Melinda (my granddaughter) drove me over to Shamrock to an appointment with the optometrist. While we waited in the reception room I noticed a woman that looked familiar. I couldn't call her name, so finally asked: "Do I know you?" She, in a friendly way, didn't recognize me. She told me she was Opal Beatty. When she heard my name she remembered. Mrs. Beatty, was Opal McCray, who has lived at Gageby. She is the late Wiley McCray's sister. That took us back a good many years. I remember when Wiley McCray and wife and their son Freddy were good customers at the Rogue Movies, especially on Saturday nights, when neighbors and friends, and relatives, from Gageby, Briscoe, Allison, Sweetwater, OK., Kelton, Mobeetie and all in between, met on the streets of Wheeler. The town was full of happy people. The stores stayed open late on Sat. night sometimes until 10:30 or 11:00 at night. People visited, shopped, ate, and a lot of them dropped into the Rogue to enjoy Hop Along Cassidy, Gene Autry, Roy Rogers, Jessie James, Annie-Get-Your-Gun, Clark Gable, Will Rogers, Humphry Bogart, Shirley Temple, Lana Turner, Joan Crawford and a lot of others that could make us laugh or cry.

I really didn't intend to make such a long story of seeing Mrs. Beatty in Shamrock, but my Wheeler memories go back so far that I can't smother a story.

Patricia Forrester and her sister had "another day in Pampa" last Monday.

The Editor is also sneaking away this weekend to a convention or some such, down in Dallas.

Thursday—it's been snowing most all day. Everything covered. Nelson came in last night by a flash light from other side of Allison, holding a flashlight out the window to see the road.

Other night Zetha had to hold her head out the window to see the line. She could not see front of her car for fog from Mobeetie.

We were snowed all over. It rained this morning. Now we are ice on top of all that. We are melting.

Our nurse came this morning. How she got in and out I don't know.

Donna said they had over a foot; it still snowing at 10:00 a.m. Friday. It thundered and lightened in Amarillo last night. It shook Leroy's house and lit it up like day. Around 2 last night I woke; the lightning went across down south. It did lighten last night. Mattie Jackson said if it lightened in February, it would frost in May. Don't know about January.

Janice got off the bus night before last in Arkansas, spent the night in Arkansas. She got off in Oklahoma City; it rained on them all day. She could not take a bus reeling and rocking in dark. She talked to Zetha. She said if she ever got home she would never get on a bus again.

Collie can walk a little better; but with someone holding him. If he falls again; that will be it.

Correction—Iolene Wilhelm's daughter name is Betty Wood. I don't know why I got her name White—am sorry.

Snow melted most all day, Friday. Saturday the sun was out. The moon can be seen south though my windows. It's gone south. Mattie says if it goes south we get warm weather; if it goes north we get cold.

Sun shining on ice in the trees. sure pretty.

Saturday visitors at Eunice Edwards were Alice Bell Helton, her grandson, Tom and Ruth Ann Edwards, Darv Atherton comes by each morning feeding cows and checks on her. Sure helps out.

Clarence and Irene Zybach ate dinner Sunday with Elbert and Ruby. Jane Ann and Curtis and grandkids Kristi and Derek came in the afternoon.

Wayne and Cathy Zybach and children came, visited Sunday night. Nelda Dukes visited us Sunday afternoon, brought us some food goodies.

Essie Finsterwald had club at her home this past week. There were 8 members, 1 guest there.

Doris and Jack Finsterwald visited Essie and boys Sunday afternoon. Jack had just got over the flu. He said he could not remember when he was ever that sick.

Essie and boys went to church and ate out. Fat and Wanda Childress went to see Willene Waters Friday in Pampa extended care.

Lacey and Dean Hathaway have a new baby girl, 7 pound and nearly 8 pounds; 20 inches long. The name Wanda or I could not spell it—sounded like Aspen Lace.

Cathy Hunt, Kay Luttrell, Addie Swift, Jane Dukes and Wanda Childress went up to see mother and baby.

Roy and Swift came Friday. Jane got sick; they were at Addies. They got up went by Wandas—3 o'clock in the night. They could not get in. The house or something—I forgot what Wanda said. They went to her doctor at Abilene. Had her gall bladder out. Didn't anyone know where they were for a spell. Hope she is doing ok. This was the 8th. I think.

There was a storm over France and England Yesterday—winds so strong, people could not stand up. Buildings going down, things in the air—100 mile a hour. Our reporter said in this panhandle, we did not pay 100 miles a hour wind any mind. But I don't like it.

Birthdays for January are 2 January: Avis Parker; 8 January: Seth Daugherty and George Clark; 20 Jan.: Zetha Daughterty; 23: Leroy Parker; 24: Darrel Mathis; 29: Marianda Parker; 31: Donella Mathis on and on. Zetha went home around 5 P.M. She was expecting some relief down

tonight, Friday.

Correction—Some saw highline poles dangling in the air still burning as they viewed the fire damage that day, Saturday.

Word came to me a old fellow and his boy was caught with a lot of dope—lives northeast of here several miles. Had 55 thousand dollars worth of dope—a lot of money under his bed. They took it all; his TV radio—cleaned him out. Any body that was that stupid and ignorant; anyone that will deal with dope and alcohol is stupid and ignorant. Poor old fellow, think he is bed fast up in his 80 years. And his boys—what is it doing to the people.

Looks like a real pretty day this Saturday.

Weldon came last night to help us. (... from last week)

Marianda made top of the nation honor band—this Thursday, Feb. 1, she and three others go to Alamosa, Colo., from Liberal and play. They will

stay at the Holiday.

Marianda has a cold. Sure hope Colie don't get it.

Doc and Iolene Wilhelm went to Amarillo to the Jehovah Witness Assemble this weekend. There were 2047 there. 12 was baptized. He went to see his mother, Ola Barry at Bivins Nursing home. She told Doc she had been pulling cotton that he looked better when was pulling cotton than he does now. She had not ate her dinner and would not. Sure hate to hear that. You sure go yonder when you don't eat—or Colie does.

Weldon and family went home around 7 P.M. When we are by ourselves sure quiet.

Lou Dean and K. D. Douthit visited recently in south Texas with relatives. They went to Houston and down in the valley country of McAllen and Harlingen areas. Also visited daughter, Sherry and family at Azel, Tex. and Peg and Don North at Tolar, Tex.

Jessie Moore, Mable's sister, came to see her Wednesday. Mable and Jessie went out and ate dinner with Dorothy and Cliff Ogle.

Mable is working in her green house. She planted some carrots in styrofoam. Next week she plants her cabbage and cauliflower.

I have a friend that locked her car keys in her car—If you want help to get your doors open, call the Sheriff. Don't call the police. I thought the police and Sheriff were the same. She says not. The police would not help or

**From The minister's Desk:**

If the new Testament was strictly a book of doctrinal instruction, there is, at least, one book that should not be in it. This book is the book of Philemon. This book contains no doctrinal instruction, but it clearly describes the actions of Christianity in the lives of three people—Philemon, Onesimus and Paul.

Philemon was the wealthy member of the church of Colosse. And like most wealthy men of the first century, Philemon was a slave owner.

Onesimus was one of his slaves. He has apparently stolen from Philemon and fled to Rome, trying to lose himself in its crowded streets.

Paul was an apostle who was imprisoned in Rome. He met and converted Onesimus into a disciple of Jesus. Paul then wrote to Philemon, appealing to him to receive Onesimus back, not as a runaway slave, but as a Christian.

This appeal contained several impressive admonitions. For example, Paul wrote: "If then you regard me as a partner, accept him as you would me. But if he has wronged you in any way or owes you anything, charge that to my account."

This is a beautiful parallel of what Jesus Christ has done for each of us. All of us have an unpayable debt because we have sinned and fallen—short of the glory of God—(Romans 3:23) And since we are unable to pay the debt of our sins, Jesus assumed the debt.

To provide justification for our sins was not an easy or simple problem for God. He had to devise a scheme of justification that was consistent with His nature. God is a just God who will not tolerate sin. Yet He is a merciful God who does not wish for anyone to perish. (II Peter 3:9)

Here then is the problem. How can a merciful God save sinful people and still satisfy His justice? It is not unusual to hear people say: "I do not believe that a good God can condemn anyone." But the emphasis of the New Testament is: "How can a just God save anyone?"

**Bill Morrison, Minister**  
Church of Christ  
Wheeler, Texas

**An Invitation:**  
You are cordially invited to attend any of the weekly services of the Wheeler Church of Christ which meets at 1001 S. Alan Bean Blvd. in Wheeler, Texas.

is asked to sign this list.

Sympathy must be expressed to Christine Hendrick and her family. Her husband, Dink, passed away last Wednesday afternoon. The funeral was held last Friday afternoon in Wheeler.

Sympathy must be expressed to Brenda Mitchell and her family upon the death of her step-father, Wesley Buice. The funeral was held Saturday morning in Wheeler.

The solution to this problem is given in the third chapter of Romans. The Apostle Paul wrote: "But now apart from the Law the righteousness of God has been manifested, being witnessed by the Law and the prophets, even the righteousness of God through faith in Jesus Christ for all those who believe; for there is no distinction; for all have sinned and fallen short of the Glory of God, being justified as a gift by His grace through the redemption which is in Christ Jesus; whom God displayed publicly as a propitiation in His blood through faith. This was to demonstrate His righteousness, because in the forbearance of God He passed over sins previously committed; for the demonstration, I say, of His righteousness at the present time, that He might be just and the justifier of the one who has faith in Jesus." (Romans 3:21-26)

the solution to the problem of our justification is: "...through the redemption which is in Christ Jesus; whom God displayed publicly as a propitiation is His blood through faith."

Notice that the Apostle Paul described Jesus: "...as a propitiation..." This word comes from the Greek Word, **hilasterion**, which means "an objective provision for pity or mercy." Jesus Christ was God's "objective provision for pity or mercy." All of us have sinned. The penalty is death. But Jesus Christ took our sins upon himself, dying in our place. God then accepted the death of Jesus Christ as a payment for the penalty of our sins. And when we accept through an obedient faith this propitiation we "...become the righteousness of God in Him." (II Corinthians 5:20)

It is a common business practice to file paid bills and receipts on a nail. And this is precisely what Jesus Christ has done for each of us. He paid for us a debt that we could not pay. With the record of our deeds, none of us can stand before God. But on the record of Jesus deeds, all of us, who have an obedient faith in Him, can stand before God.
