## CWE CHAT WITH EDITOR

By Louis C. Stas

Some people certainly are lucky. Congratulations Fran Allen, winner of the auto given away by Thriftway. I think the next one has my name on it.

This spring-like weather is certainly something; complete with severe weather alerts. The official measure for the rain was 0.7 inches. I am sure it all soaked into my freshly worked garden.

Speaking of the garden, I received three responses to the question about using castor beans for gopher and/or mole control. Frances Hefley, my neighbor, was the first to call. Ted and

Viola Cooper were the second and Mary Edwards sent me a note and some seed.

Frances Hefley said to plant the castor beans in the area of the garden and then scatter the green seed just below the ground along the edge of the garden for the little varmints to find and eat.

The Coopers did not think castor beans were a good idea and suggested gopher purge plants. They had only two of these plants on their property when they lived in California. The grandchildren eliminated the plants, thinking they were weeds and they still didn't have any of the little pests.

Mary Edwards reported planting castor beans around the perimeter of their garden a couple of years ago and the mole population was not diminished. They use traps for the gophers. She feels the negatives out-weigh the positives. Besides the seed being expensive, the plants grew 8 feet tall, measured 6-7" around and a tractor had to be used to pull them up, as they were too tough to cut.

Decision: I think I will pass on the castor beans, we have too many youngsters in and around the garden. I will give the gopher purge a chance.

What are the chances of 3-year old vehicles bearing consecutive license plates parking side beside and the correct order. This is the situation we had yesterday in front of the 'Times' office. The tags were 425 VVN and 426

VVN. And the drivers work in adjoining buildings. I have proof, but it was not sharp enough to print.

We stayed home over the weekend and took care of some spring cleaning.

## FIREMEN FIGHT GRASS FIRES

The area volunteer fire departments have been kept busy with fire calls the past few days. Two fires Saturday caused the fire pagers to be set off three times. Lightning struck Monday morning and set some grass on fire.

The Wheeler firemen were paged Saturday, January 13, at 1:46 p.m. to the Buster Reedy property, 2 miles south of Wheeler. This fire was quickly contained and the fire fighters went on to the next.

Six minutes after the first report, 1:52 p.m., a fire was reported 8 miles north of Wheeler. A welding torch ignited a fire that resulted in the

burning of an estimated 1,500 acres of grassland. Eleven fire departments reported for duty and worked until 5:05 in the evening. The firemen received assistance from tractors, maintainers, water trucks and fuel trucks. Others worked to get cattle out of the way of the fire.

The fire "broke out" again and the pagers were "set off" at 7:24 p.m.

The Wheeler and Mobeetie Fire Departments were called to the scene of a fire Tuesday morning 5 1/2 miles west of Wheeler. Lightning had struck in front of the Chuck Hogan home and set the grass on fire.

Saturday morning, Ted and Pauline came last night. And this mornig around 5, Colie started to bathroom he got half way across the kitchen and fell again. I rang my bell that N.F. fixed me to

wake then out in the other house, no luck could not wake Ted or Pauline. I finally got to the east door, beat on the door with my cane, aroused them. Ted and Pauline got him up in a chair, they finally got him on our bed. He is

skinned all over. He crawled clear across the kitchen and went to sleep. Looked to me like, he had died, he would not move or talk, guess he thought they are not going to come and get me, I will go to sleep, instead of him crawling this way he went north farther away.

Gaye Purcell said they were going to basketball games, they were all well.

Hoyle and J.O. Helton visited us Friday night, looked like J. O. had come of the fall and flu.

I never saw so manay people at these football games here lately. It looked like they were standing, not room to set down on T.V. A game I don't get and don't like, to many get hurt—oh those knees.

Doc shopped for us one day last week, grocery wise.

Monday, they took Colie to Amarillo

today, nurses did not like the way he was doing so called his doctor in Amarillo. Zetha took him, N.F., my brother and Doc Welhelm help her load him, he cannot walk again since his last fall.

## Ain't It The Truth

By Ab Gunter

Don't know if you ever watched someone make a hat but if you ain't you ought to watch the process. Accordin to our Nephew and his wife it takes many operations to get the finished product. Anyhow me and Mama got to watch dozens of folks go through the process of hat making. There in the three story building they had thousands of blanks I shall call them, that is the felt from the many parts of the world or fibers for straw hats that had been woven by hand into a sort of oversized sock shape and that darn sure didn't look like a hat but as they came out of the bale that they had been shipped in it would go from one person to the next and each one of them would improve its looks and then to the next person that would put it through another process and on and on till it came to the ones that would put the sweat band in it and the little trim on the outside.

It would be impossible for me to tell you how fascinating it was to see from scratch to the finished product what goes into the business and to see the problems they have getting the products from all over the world and gettin the customs officers to sort of hurry so they could get the hats out and to the customers all over the world. All of these things have to be carefully packed and shipped to Pocatello or to Chicago or San Pedro to the proper stores who had ordered so many of this color and sizes and so many that, but that's not all, each of these hats had to be shaped to suit the person that had ordered it to fit their punkin shaped head and each of them would be very critical of the texture and color which is a fellers priviledge but you would be surprised who buys them hats. Yep cowboys do but there are others such as the President and his friends and movie stars, singers, and the Texas Rangers and even Ole Ab and birds like that. Them birds on that Lonesome Dove pitcher show all had on hats that were made by my oldest sisters youngest son and his wife.

You ought to go by the American Hat Co. in Houston, that makes these beauties and say hello to Bill and Billie George and tell em Unkle Ab and Aunt Benita sent you.

Love to all, see you next week.  
Ab and Mama

## Wheeler Church of Christ

### Congregational Concerns:

A letter has recently been received from the Children's Home of Lubbock which listed some of its highlights from 1989. This letter is posted on the bulletin board in the lobby.

A Gospel Meeting is scheduled from Sunday, March 4th, through Wednesday, March 7th. John

McCurt, Associate Minister of the Southwest Church of Christ in Amarillo, will be the preacher for this meeting.

Sympathy must be expressed to Donetta Dollar and her family upon the death of her grandmother. The funeral was held last Thursday afternoon in Alva, Oklahoma.

### From The Minister's Desk:

When Jimmy Carter launched his Presidential campaign in 1972, he strongly believed that the confidence of the American people had to be restored in governmental officials. And with a motto of "Trust Me", he defeated President

by fear and uncertainty. For some they are hesitant to trust an infallible God who has never broken a promise. And He has made some tremendous promises. For example, God has promised:— "All things are possible to him who believes." (Mark 9:23)

Gerald Ford by 1.7 million votes out of the 80 million votes that were cast in the 1976 Presidential election.

"—Seek first His Kingdom and His righteousness; and all things shall be added to you." (Matthew 6:33)

Jesus Christ was never elected to a public office. But He emphasized the importance of trust when He recruited people to be His disciples. For example He and His disciples were once crossing the Sea of Galilee when "—there arose a great storm—" which threatened to capsize their boat. The disciples of Jesus became terribly afraid and they awoke Jesus who was asleep, saying: "Save us, Lord: we are perishing!" Then Jesus said: "Why are you afraid? You have so little faith." (Matthew 8:26)

"—I will be merciful to their iniquities, and I will remember their sins no more." (Hebrews 8:12)

"—I will never desert you, nor will I ever forsake you." (Hebrews 13:5)

"Truly, truly, I say to you if anyone keeps My word he shall never see death." (John 8:51)

If Jimmy Carter can persuade a nation to elect him President by saying, "Trust Me", what should be the response of people to these promises of God?

Bill Morrison, Minister  
Church of Christ  
Wheeler, Texas

We stopped on the way in and visited with Dan Cornett's Dad, Clifford, who has been making his home with them for a few weeks. He can't get around very well, but walks some with a walker. Hasn't recovered very well from his broken hip and loss of his beloved wife, Mary in mid September. Pretty hard.

Nice to have J.P. and Martha Meek back in church. They both have been sick, and Martha spent about a week in Amarillo helping with Don and Cindy Hartsfield and children.

Pray for Olaf Sivage. He's been real sick with the flu and probably won't go to the doctor.

Spending Friday night at the Butch Murrays were Heather Ratliff, Joshua Hector, T.J. Trimble. Josh also spent Thursday night and Friday there.

We went to Sayre Thursday afternoon and visited with Stephen and Tammy Francis and B.J., Chris, Michael, Tamitha and Justin. Tammy is doing real well now after her illness. She goes with Steve some on his job with the Rose Funeral Chapel. Steve has been working for them for some months and really likes it, mostly.

Briscoe Cafetorium was beautifully decorated by Tina Lehman and Lacy Walker and some others in a basketball theme for the dance after homecoming. Lots of kids there including ones from Allison, Wheeler, Mobeetie, Miami, Canadian, Samnorwood and other places. Lots of parents and teachers to supervise. Also several college kids home. Sounds like they had lots of fun.

enjoyed Jessie Ray for a few days. Took him back Wednesday.

Chad Morgan is going to Clarendon College this semester instead of Frank Phillips. Good Luck!

Looks like Olaf Sivage has plum chickened out on catching and cleaning that Armadillo for me to make stew out of. Just in case, any Armadillo recipes anyone?

Nice to meet Esther Brown and Joanie and Jessica for lunch in Pampa Wednesday. Celebrated her birthday a little early and saw the tax lady. Lee is still selling World Book Encyclopedia's and pastors Skellytown Assembly of God Church. They had attended a big area conference of pastors and wives and other Assembly of God people in Amarillo Tuesday.

Weekend visitors to the Bob Blackburn home were Gary Blackburn and Mark Blackburn and Karen from Guymon. Sunday night supper guests were Bessie and Will Scales and Vance Calloway from Kelton.

We've been missing Gladys Kysar at church. She's been pretty sick with flu. Pray for her and her mom.

Lots of people out nervously watching that big grass fire Saturday afternoon. Started at Jim Walker's and the high wind sped it along toward the northeast. Everyone so thankful to get it put out without injuries to firefighters or much damage to property except some grass, hay and trees. Really appreciate all the fire fighters and fire departments who came to help plus heavy equipment to plow fire guards. So thankful it went around Briscoe.

Darlene Leftwich and Jada Murray

went to Oklahoma City Friday for Jada's checkup on her neck injury she hurt in a fall October 1. It wasn't healing very well; had gotten some infection in it. Remember Jada in your prayers.

Pray for Harold Peterman. He called Saturday. Has been in St. Anthony's Hospital 7 times in 1989. Mostly heart problems, I think he said. Has to keep oxygen on hand. Margie has been visiting them to help out since December, I think.

Nice to meet Clifford and Pauline Hefley and Katie at Maxey's for lunch

## Care Center By Lois Comments

Due to the flu epidemic we at the Care Center are very busy. Surely there will be an end to this. I have had a taste of what it is like and one thing for sure you know when you come down with it.

The first week of the month wasn't so bad. It seems to have hit everyone about the 13th until now.

Most of my volunteers have called and asked for relief from their services until everyone gets back on their feet again. I agree, no sense in exposing yourself unless it's absolutely necessary. We hope everyone all over town takes it easy.

My volunteers will know what I'm saying when only 6 residents showed up to play bingo last Wednesday.

Fern Young and Rozena Zybach were here Thursday morning for "Inspirational". The group was so small, but thank you both for coming.

Jim and Laura Davis came Friday morning. Thank you also.

We are so sorry to report one of our long time residents has died. Ethel Tuttle had returned from the hospital a few days ago after undergoing

## Sweetwater News Mrs. Joe Flowers

The Kitchen Band missed three weeks of engagements due to flu in the nursing homes. It was like old home week when we got together at the Grand Place last Tuesday. Everyone was catching up on all the hugs they had missed. Band members were Basil and Billie Doss of Carnegie, Bessie Perkins of Elk, Donna Mercer, Jack Criswell, Betty Brothers, Joyce Matlock of Sayre, Alvin and Virgie Marshall, Roy Swagger, Richard Crawford, Rosa Faye Abla, Hazel Francis, and Iona Miller of Erick, Ole Five String, Joe, Lois and David from Sweetwater.

The flu has really been with some in the hospital with pneumonia. Among those ill are Edith Alexander, Shirley Anderson, Raymond and Imogene Pickering, Judy Tipton, the little Sites girl, Helen and Alex Ewing, Ollie Anderson, Iva Thompson, Ida Mae Rutherford. I've been on the puny side. Had the misfortune to bite too hard on a piece of candy. Nearly lost my tooth. Guess it had some benefits, I lost five pounds during the time I could only drink soup.

Had some excitement on Tuesday. The electricity simply died dead at twelve. Called Iva Thompson and she was off too. Worse yet she had the flu and a doctors appointment but with no juice she couldn't get her automatic garage door up. We offered to take her but she didn't think it would be safe for us. We got hold of the REA and they were out immediately.

Richard McEntire saw a fire, called, and our volunteer fire dept. was immediately on the job. In less than an hour the fire was out, the current on and we all went our merry ways.

This fire hazard deal is getting very serious. We can't be too careful and those folks who are setting fires for fun need to be severely punished. According to my first days of January forecast, there isn't a lot of rain in sight.

Linda and Erin Kahoa went to Springfield, MO. to see her parents, the Leroy Mills. Becky and Crystal came down from St. Louis. On Saturday they all attended a reception for Dennis in the home of Mr. and Mrs. Herbert Jackson, parents of Shannon Jackson, fiancée of Dennis.

Dennis graduated Magna Cum Laud in December from SWMSU at Springfield. He will go to Capetown, South Africa, this month to study on his Master's degree.

Our granddaughter Ginger De Marquis writes us she had a 4.0 grade for the past semester at Texas Tech, Lubbock.

Heard a program telling the top 40 country music tunes of the past ten years. I was rather surprised to learn that I had only heard about four of them. Their top artists were some that I hardly knew were country. Live and learn.

Our Junior kids have done real well so far in the Bi County tournament. Girls will play for third and boys are in the finals Saturday night.

Sue Keathley, president of the Sweetwater PTA, tells me that the January 23 meeting will be held at eight P.M. in the lunchroom due to the fact that this is school election day. Everyone is urged to attend. Mr. Williams, school superintendent will discuss some possible changes in the curriculum which he hopes will be beneficial and wants the parents opinions. Lisa Tucker, Beckham Co. 4-H president will speak on projects, and Misty Keathley will tell about Girls State.

Don't forget to come out and vote for our school. There are a lot of folks across the state who sure would like to get one school in each county. They aren't the ones who would have to put in a 100 miles or more riding a bus daily. Small school can educate just as well or better than large ones if the students realize the necessity to apply themselves. That's where parents and teachers come in. It's quite possible to take 5 or 6 subjects in order to get all college requires instead of the minimum four.

Norma Zellman has been to Albuquerque to be with her grandson Eddy Williams and family. Eddy was seriously injured in a car wreck while on a skiing trip. A friend was killed. He is improved and back at Stratford now.

I received word of the death of one of my readers, Julia Sandlin, 93, of Beaumont, CA. Some years ago she started writing me. Seems she was raised at Erick and knew all of Joe's folks. We had the privilege of meeting her sometime ago when a

grandchild brought her back for a visit. Funeral was in the Weaver Chapel, with burial in the Mt. View Cemetery by her husband and daughter.

Services were today for Clyde Roberts at the Sweetwater Baptist Church. Burial was in the Buffalo Cemetery. Clyde was raised on Sweetwater Creek. When I started on Saltflat School, Clyde was one of the big boys. I was greatly impressed to see that he had fried potatoes in his lunch each day. My grandmother made me a cupcake each morning when she baked biscuits. With his fried potatoes and my cupcake, we were among the elite.

While Linda Kahoa and Erin were in Mo. her parents hosted a family reunion with all the children and grandchildren present. They made it a happy birthday and farewell party for Dennis as he leaves for a year in Africa.

Have my two calendars all fixed. One with pockets to hold all the many things that Betty Beatty and the IRS require. The second with all the birthdays, anniversaries, and other dates that I need to remember during the year. And I got all my addresses into the new book.

Saw Debbie and Jamie Anderson, Juniece Sanders, Mrs. Joyce Theford, Les Broadbooks, Alex and Donna LeGrand in town. Alex is one of the four finalists in the state soil moisture program. He farms around 2,000 acres of grains and has a dairy

operation, and always brings me a watermelon in season. He lives near Reydton but was raised south of Sweetwater, son of Bess LeGrand.

Ed and Eileen Logan and Dovie Wilson had Sharon and Lanette and families of Edmond, Sherman and Wanda of OKC out to visit during the holidays.

Jamie also visited Deidre and Andrea Dukes. T.J. visited in the Butch Murray home. Kyleigh visited Sonya Holder. This week Shirley Tindol is staying at Allison with them.

II Chronicles 5:13 God is so good. His loving kindness lasts forever!

Boyce Crownover made all six of his free throws at Miami Friday night. Kelton boys won over Miami 52 to 46. Randy Singleton 18. Miami defeated Kelton girls 51 to 38.

Fallon Otis, had surgery on her feet to help her to walk. Her mom, Cathy Otis, and aunt, Debbie Hefley accompanied her to Rhode Island for the surgery. They were staying at a Ronald McDonald house. Was supposed to have a cast for 3 months. Pray for her and her family that it will be successful.

Nice to see Christy (Zybach) and Joe Don Willingham out to the Allison—Briscoe ballgame.

There will be a Briscoe girls game at Mobeetie Friday night but no boys game because of ineligible players there.
