My sister, Shirley, said she is pulling weeds already, but then she lives in northern California and they get very little time out from gardening. My son, Patrick, said it is spring in southern California, but then, it was always spring there or at least we never got a rest from weeding and lawn mowing. Another son, Neal, called from Colorado and said it was snowing again. I made him feel real good by telling him that it is sunny and 72 degrees here. I really hated to hear the sobs on the phone. Nice to talk to nephew, Eddie Root, in Clovis, New Mexico. He has had lots of health problems, but has help from Home Health and is doing better. Remember Eddie in your prayers. No longer taking chemo. Love to you, Eddie, and your family. His wife, Nancy, enjoys having help. Eddie has to be on oxygen. They enjoyed having family visitors over Easter, including brother, Kay and Jan Root from Clarendon, Texas.

My goal: "To be kind in work, to be kind in deed; Helpful to a friend in need.

When it's needed, lend an ear; Hug my kids and hold them dear.

Pray for Christine Maret of Shamrock who has been in Wheeler Hospital and is a good friend of Glenda Hudson. Think she has breathing problems.

Aren't the budded out trees gorgeous in their pink or white dresses?! Hope they don't get frozen back.

Thanks, Bill Dyson, for always being helpful to all. "Pray about your problems and

One of the nicest things about shopping in Wheeler is seeing friendly faces. Nice to see Peggy Chandler and Betty Boydston at Thriftway; Misty Aderholt checking at Thriftway (Noveta's daughter), John Earl Simpson at the Post Office (I went to school at Briscoe with John's dad, Earl Simpson.) and Liz Benson and Ida carrying out groceries with a smile.

Greg Bryant works for Southwest Airlines, so can fly free. He and his mom, Beverly Bryant, flew out of Oklahoma City Wednesday to San Diego, California. They celebrated Greg's 31st birthday and saw lots of interesting sights, ate out and had a fun day seeing many things. Beverly used to live there. Beverly spent Tuesday night with Greg and Jennifer so they flew out early. She also spent Wednesday night and shopped some before heading home so she would have a gift for the coming baby in May. Best wishes!

Earl and Betty Hustead enjoyed a recent visit from granddaughter, Lacy Love, and little cutie, redhaired Alyssa from Amarillo, who spent a week in Wheeler with them and accompanied them to Care Center Church. Lacy's husband has been in Iraq, but is expected home right away. They will be moving to North Carolina...maybe this weekend. Pray for them that God will take care of them as they travel.

Lois Hudson's funeral was at Wheeler Methodist Church with about all her family there to pay last respects and to comfort each other.

Our condolences go out to Betty Thomason of Canadian in the loss of her daughter, Elizabeth Shore, 54, of Dumas. Elizabeth passed way March 26 and services were held on Saturday, March 29, 2008, with Dr. Mark Scott and Rev. Beth Harrington officiating. Elizabeth is survived by her husband, Ken Betty Thomason of Canadian, a sister, Angela Henning, of Altus, OK., and two sons, Ben Allison and Matt Allison, both of Dumas.

family and friends of Dr. Robert Higgins, 53, of Amarillo. He passed away on Thurs., March 27. Services were held on Saturday at St. Andrews Episcopal Church in Amarillo, with burial at the Higgins Family cemetery at Dove Creek Ranch in Fritch. The ranch was one of Dr. Higgins' favorite places to be with his family. He ound great peace and serenity here. Dr. Higgins cherished the time with his family and friends. He was very proud of each of his four children and all their accomplishments, as well as his beloved wife, Laurie. Dr. Higgins was a partner with Dr. William Barnhill at the anhandle Sports Clinic. Both rs. had served as team doctors with the United States ski team. After coming to Amarillo and establishing the sports clinic, he was also instrumental in opening the Panhandle Surgical Hospital at Quail Creek along with eleven other doctors. He was preceded in death by his father. Dr. Higgins is survived by his mother, Jean Higgins, of Dallas, a sister, his loving wife, Laurie, two daughters, Caitlin and Abbie, and two sons, Taylor and Hunter, all of the home, along with several neices and nephews and a host of friends. He will be greatly missed by all those on which he made such an indelible impresson and by all those whose lives he helped to change. Dr. Higgins was very involved in e youth groups of Amarillo and helped support alot of the sporting events. He was often seen on the sidelines of many games trying to make a difference for the youth of the communities. He will be greatly missed. So glad to hear that Grandma, eulah Stuart, is back at the heeler Care Center after almost 3 weeks in the hospital. They had a nice new comfy bed waiting for her. The food at home must be tasting much better. She is eating better and able to enjoy her friends more. Welcome home, Beulah. Tuesday, we were in Amarillo for dodtors appointments and other

business. We met Carol Orthman the top of her Forensics class for for lunch and a good visit. Of the third year. She had done a break at the gas pumps which classes. She and husband, ended up being at White Deer and Jeremiah, both go to college full Pampa. They were both time and are raising their darling cheaper than anything we saw in son, Zander, who will be one next Amarillo. When we got back to month. They have arranged their White Deer, we were pleasantly surprised to see that we had followed Geoffrey and Fredia Sometimes, when they are testing, Caldwell into the service station. They had also been in Amarillo for one of Geoffrey's checkups. Praise the Lord, he got a very good checkup and is ready to start on his master's for computer scidoing some of the things he wants Shore of Dumas, Her mother, to do, instead of what he has to do. It is so good to see him out this young couple. They can't wait and about and looking much better. They are such a sweet couple.

Fred Thrasher finally got to have Our deepest sympathy to the his shoulder surgery on Tuesday in Pampa. Fred had the other couple of eye appointments that shoulder done by Dr. Hampton about 5 years ago. He doesn't remember it hurting nearly as much as this one has and will be glad to get this next couple of weeks behind him. When they got home, they discovered their refrigerator wasn't staying cool, so they got that fixed Thursday before they had to go to Pampa for Jackie's lucky enough to find some really appointment. Their granddaughter, Krista Phillipi, has finished in cream were on sale. We felt like

On Wednesday, Leola Stuart and I went to Amarillo. She had a went very well and she got the news she had been waiting for. We got to sneak by Golden Corral for lunch and run an errand between eye appointments and then found our way over to the grocery salvage store. we made out like bandits.

So sorry to hear that Rev. Jim, Karen and Brittani Guest will be leaving the Hunt Memorial Methodist Church in Dumas. He is a wonderful preacher and has the congregation spoiled. The Guest family will be greatly missed. They have lived in Amarillo the whole time they have been affiliated with Hunt Memorial and the Middle Well churches. They shared their time between the parsonage and their home in Amarillo. Karen worked at a mortuary until just recently. She went to work at Martha's House and now has the chance to be the administrator there. Brittani is a senior in Amarillo and looking forward to majoring in business management at San Marcos this fall. They will be greatly missed in Dumas.

Please keep our firefighters and the ambulance crews in your prayers. They have been so busy with all the wind and dry grasses. They have prevented some real disasters. We are so thankful they are so well trained and so dedicated.

I was very glad to hear that Frankie Herman finally got to go home to Miami on Friday, March 21, after 5 weeks in the Pampa hospital. But then, she fell in the shower on Wednesday and had to be rushed back to the hospital in Pampa. They checked her out, did the x-rays and found no reason for any major concerns, so patched her up and sent her home. Frankie is more stiff and sore than usual and has a few new black and blue spots, but is so glad to be home. Hope you're soon stronger and feeling much better, Frankie. She really appreciates the girls from Home Health Care and the crew with the ambulance service. She and Bob plan on waiting for the Home Health Care girls now.

Sorry to hear that Peggy Dunn of Canadian had to be taken to the Canadian hospital about 2:00 A.M. on Saturday morning. They finally got her a room at BSA in Amarillo so they could transfer her about noon. Bo and Cathy were waiting for her to get to Amarillo. Helen and Wesley Steen were visiting with Bo and Cathy and taking care of business, so they helped with the grandchildren. Tanya came over from Lawton, OK., to be there on Sunday for Peggy's heart cath. The doctors had already talked to them about a possible bypass operation, but were pleasantly surprised to find out they could alleviate the problem with another stent. Everyone was very relieved. Peggy was already feeling quite a bit better on Sunday evening. Get well soon, Peg. Sunday, we met Carol Orthman in Pampa at the Jeff Mayfield home. Jeff, Sky and Harley had

They Richardson, Chuck Carl, Mary already have plans for Kourtney Whitener, Alvern Hutchison, Byron to ride next year. They have only Simpson, Jimmy Love, Joann two saddles, so will have to work Couch, Charlie Brown, John on that, too. He that dwelleth in the secret place of the most High shall abide under the shadow of the Almighty. I will say of the Lord, He is my refuge and my fortress: my God, in him will I trust. Surely he shall deliver thee from the snare of the fowler, and from the noisome pestilence. He shall cover thee with his feathers, and under his wings shalt thou trust: his truth shall be thy shield and buckler. Thou shalt not be afraid for the terror by night; not for the arrow that flieth by day; Nor for the pestilence that walketh in darkness; not for the destruction that wasteth at noonday. A thousand shall fall at thy side, and ten thousand at thy right hand; but it shall not come night thee. Only with thine eyes shalt thou behold and see the reward of the wicked. Because thou hast made the Lord, which is my refuge, even the most High, thy habitation; There shall no evil befall thee, neither shall any plague come nigh thy dwelling. For he shall give his angels charge over thee, to keep thee in all thy ways. They shall bear thee up in their hands, lest thou dash they foot against a stone. Thou shalt tread upon the lion and adder: the young lion and the dragon shaft thou trample under feet. Because he hath set his love upon me, therefore will I deliver him: I will set him on high, because he hath known my name. He shall call upon me, and I will answer him: I will be with him in trouble; I will deliver him, and honour him. With long life will I satisfy him, and shew him my salvation. Psalm 91:1-16

It is a good thing to give thanks unto the Lord, and to sing praises unto thy name, O most High: To shew forth thy lovingkindness in the morning, and thy faithfulness every night, Upon an instrument of ten strings, and upon the psaltery, upon the harp with a solemn sound. For thou, Lord, hast made the glad through thy work: I will triumph in the works of thy hands. O Lord, how great are they works! and thy thoughts are very deep. Psalms 92:1-5

quite windy and colder than usual. The last few days had us spoiled, cause it was just beautiful and in the seventies and eighties. But a cool front came in and its to be cooler now for the next week. Oh well such is life in the Texas Panhandle. The weather is always changing. What's new!

Glad to report that Pearl Harrison who is living in Elkwood Assisted Living is doing so much better now. She feels like walking the length of the living area there and is just feeling better. Praise God for that.

I heard that a tornado touched down in Oklahoma City, Oklahoma so I called and talked to Curtis and Lil to see if they were in it. But they said it was north of them. So thankful they were safe, but was praying for the ones that were in danger. Last I heard there was no one hurt, which we are thankful.

Monday, Roma and Billy June Brown and Opal and Juanita Boydston traveled to Pampa, Texas to try to get our taxes figured for free. But the two places we went in Pampa said that they used to, but didn't now. So finally we went on to Amarillo, Texas where the first place they said they were closed on Monday's and so we talked to Charline Brown who lives in Amarillo, Texas and she told us we could get it done on 24th street at the North Branch Library. So she called up there and sure enough they were doing it there that day. So we hurried up there after eating a tasty meal at Braum's. Sure enough they said sign in and take a number. So we did and many hours later we got our taxes figured and sent off. Thank goodness we were able to get it done while in Amarillo and didn't have to go back again. After getting the taxes done, Roma, Billy June, Opal and Juanita visited in the home of Warren and Charline Brown. Charline served apple pie and sugar free candy to her visitors and we enjoyed very much. Had lots of good ole visiting before heading home. Then they stopped in Pampa, Texas and enjoyed shopping there. Had a good day and good time altho it was a long day for sure.

Tuesday, Vance and Carol Boydston enjoyed sharing a home cooked meal in the home of Opal and Juanita Boydston. Juanita baked a cherry pie this time and cooked the rest of the meal as well. Giving her mother a much needed rest. Later a game of Mexican Train was played. Had a great time.

Wednesday, Opal and Juanita
