"Wheeler, town of friendship and pride."

By Louis C. Stas

Congratulations, Penny Dollar and Travis Stevens, 1996 Homecoming Queen and King!

-cwe-

I was unable to attend the Friday afternoon pep rally, as I was at the Trauma Symposium in Amarillo.

Many Thanks to Mrs. Bentley for bringing in the pictures taken at the Pep Rally.

As you know the pep rally was moved from the courthouse lawn to the gym because of the weather. Rain measurements for this past week were 0.15" Friday, 0.83" Saturday and 0.02"

-cwe-A rain in the early hours of Wednesday brought 2.77 inches of rain to the area. The Wheeler Volunteer Fire Department was notified of the area being under tornado alert around 3 a.m. Wednesday.

-cwe-Fortunately for the farmers and some of our local gardeners, the Frost Flower was wrong in its prediction that the first frost would be around Sept. 16. The weather is a bit cooler, but not that cool.

Yes, I was in Amarillo Friday and Saturday and Barbara spent the week end in Oklahoma. And, they missed me—things were too quiet Sunday in

-cwe-Jennifer sent pictures of the 50th Anniversary cake she made for Brice's

grandparents. Fantastic Job, Jenni-

William was even at Hinton Sunday for dinner, but he didn't get to play

Birthday greetings are extended to the son. Ronal Wayne will be one year older on Wednesday, Sept. 25. Happy Birthday!

We received word Saturday evening of the death of Lee Ora Elmore in Hamilton. The funeral was Sunday. We will try to make it down to see Melvin be before too long.

-cwe-For the Dorcie Report: She and Cathiwere playing phone. When Cathi handed her the phone to talk to Grandma Bob, she gave it a big kiss and handed it back to her mother.

An Off-site Gallery Theater production by The Witte Museum of San Antonio, Texas, will be performed at 2:00 p.m. "Tasura: A Comanche Remembers," written by Richard Slocum will be performed by Uzziel Martinez, a San Antonio actor and school teacher. Special consultation was provided by Dr. Dan Gelo of University of Texas at San Antonio, who did his field work with the Comanches, together with national American Indian groups and scholars. Camilla Rithcey directed the production. The production was previously presented in conjunction with the "Thundering Hooves: Five Centuries of Horse Power in the American West: exhibition at The Witte Museum in 1994.

The setting for the story is Kenton in the Oklahoma Panhandle. Tasura, a Comanche, who was killed in the late 1800s, comes back to life to recount his live. Tasura appears before the audience to retell the story of his life. It is a story which closely parallels the demise of the Comanche people, who were a dominant power in what is now the Southwestern U.S. and northern Mexico, where they ruled as "Lord of the Plains".

There is no charge for the performance, the charge for the Chuck wagon dinner of stew, cornbread, cobbler and drink will be \$5.00 for adults and \$3.50 for school students through 12th grade and children. One time I had the privlidge uv finding out just how good slurey as they call it workd. Slurey if you will was the red colerd ingredient put in water to make that fire retardent fluid you see them airplanes drop on forest fires. Yep, it is called slurey er slureey, which ever way you spell it, but it weighs over 8 pounds per gallon and believe you me, there are a many gallon on each uv them drops them airplanes drop. Oh, by the way, there is also another thing you got to add to that weight. You see them airplanes and my two dollar plad shirt, my hand me down cowboy hat an my nine dollar J.C. Penney hicking boots were in awful shape, so wuz my tender little back side. When I got home Mama thought I really had Chickens CHICKEN POX.

back in the early day the Tribe would intentionally set fire so the underbrush would be burned off to let the grass grow and the new seeds from the conifer trees be able to sprout as these seeds of many of the trees will not sprout if they haven't been burned. Nature has a funny way of taking care

Bout 30 years uv my young life have been in the mountains of the west and Northwest and one time in Northeastern Calif. I was working with a feller named Tracy Mills. Tracy I think must have cut his teeth on a D8 tractor seat cause he wuz a Cat Skinner deluxe. One day the Dist. Ranger came by where we were working and told Trac and I to get ready to go to a big fire with them. All uv a sudden a lowboy trailer wuz there with the ramps down, we loaded both of our rigs, the are travelin purty fast as they fly over the fire area an you got to add the velosity uv that to the weight if you are a mathematition.

What I'm trying to get at is DONT get under one uv them Drops if you can help it, it smarts, it knocks yore feet from under you, the red dye in the mixture don't come out uv yore duds nor off yore body. By the way, another thing, it is slicker than, er ah, well its slicker than solid ice. How do I know. well pilgrim one day I was climbing a very steep clif trying to get to the top of it to see how we could get firefighting equipment closer to the fire. I was a few feet short of being at the top an all uv a sudden I looked up an there it were, that airplane with that bunch uv slury an it wuz already too late to do anything. Hundreds uv gallons uv that stuff wuz headin my way an I found out how reliable it wuz as a retardent. I wuz quite upset, don't mean upset upset, but I wuz thrown back down the clif, coverd with that slick slimey junk an my pur near new blue jeans

D8 uv Tracy's and the old antiquated Best that I drove and were waitin fer a ride. The driver said load up boys an we will be off. You know what, we had to climb up on at durn Lowboy and ride our tractors we had just loaded. I thought it wuz ileagle er imoral fer a feller to ride on a trailer like that, but that bird that wuz driving must have been kin to A.J. er Dale Earnhardt cause we went flying over them twisted mountain roads. Don't know how

many miles it wuz to the fire but this scaredy cat had both his eyes closed cause it wuz scarry an I mean scarrey.

When wuz it you say? Well neighbour, it wuz purt near 50 years ago but there wuz many more fires after that and none uv them wuz what you would call picknics either. I never could see how folks would be on a vacation an flip cigarettes out of the window er not completely put out their campfire er have a bunch uv fire-

Happy Friday the 13th to all of you. This down to 50+ in the afternoon is sort of chilling. Guess the crickets heard the forecast the way they've been coming in. Elsie sent us a recipe for telling the coming winter weather by persimmon seeds. Cut them open - Spoon shaped blotch means mild winter, Fork-worst weather, and knife, storms along. I don't think I've ever seen a persimmon seed so can't verify

We had a exciting Saturday. A deer leaped across the road before we even got to the mailbox. Were going to town and saw a parked vehicle. Some elderly folks waved us down. The drive shaft had fell out of their camper. Needed a wrecker. We took him to the 283 store and a telepohone. They lived east of OKC. Visited with Jean Wood, Mozelle Brammlett and her cousin. Mrs. Grayson. Cletus Killian helped us thru the door and a man from McLean told me he went to school with Chester Jones.

Hersel and Betty Anderson are home from a vacation in Oregon where they visited the Bobby Carnes and went ocean fishing. Caught a lot too.

Zuma Sutton and Ola Mae Coop shopped in Amarillo and visitied Zuma's brother and family. Zuma came out pretty well on her birthday. Frankie Lee and Kathy in Alaska sent her a sheaf of gift certificates at Cals.

took Amber and Lindsey Anderson on a fun trip to Six Flags. They spent the weekend at Mesquite with Eddie Williams. Came back by OKC and the site of the Murrah Building. Iona Miller had a call from Keith and

Pain may be eliminated for millions

(SPECIAL) -- A drug that is exciting researchers in the treatment of pain has been formulated into a new product known as "Arthur Itis," and is being called a "Medieal Miracle" by some, in the treatment of debilitating conditions such as arthritis, bursitis, rheumatism, painful muscle aches, joint aches, simple backache, bruises, and more. Although the mechanism of action is unclear, experiments indicate that Arthur Itis, relieves pain by first selectively attracting, and then destroying the messenger chemical which carries pain sensations to the brain, thus eliminating pain in the affected area. Arthur Itis, is an odorless, greaseless, non-staining cream and is available immediately without a prescription and is guaranteed to work. Use only as directed."

Cliff (Bulldog) Walker had surgery at St. Anthoneys Thursday to clean out a clogged carotid artery in his neck. They came home Sunday and he is doing pretty well. Grandson Chad (Jim's son) was grandpa sitting Monday while Dorothy went to the grocery store. Pray for Cliff and Dorothy.

Blake, 4 1/2, and Shayla, 2 1/2, Horton are spending a few days with grandparents Bill and Kyla Walker.

We enjoyed the good singing and preaching at Allison Methodist Church Tuesday night.

David and Rita Pearson went to Amarillo Wednesday to the Annual Germania Insurance Meeting. Rita got a pin for 20 years. Service to Germania and the community. Dallas and Lindsey Fillingim met them for supper. Then David and Chuck Hartline and Scott Luttrell attended a training meeting for firemen at Canyon. We appreciate our firemen for taking time to train and help keep us safe. David and Scott also went back to Canyon Thursday.

We enjoyed watching some of the Thursday night football games at Fort Elliott with Samnorwood Junior High and McLean H. S. J. V., even though we know little about the game. Big crowd there. Fort Elliott Junior High won 25-19. Fort Elliott H. S. also defeated McLean J. V. Sorry to hear George Reeves broke an arm before game started and Bryan Moran sprained an ankle.

Nice to have Homer Sanders and Edna May join us for lunch at Canadian Dairy Queen Thursday for the first time in several weeks. He is getting around good with only a cane since his back surgery. About the time we got there, other friends: Marvin and Irene Mason and Nova Powledge and Lois Meadows came also. Good visits.

Fort Elliott Varsity and J. V. Volleyball teams played Perryton and Palo Duro at Perryton Tuesday night. Fort Elliott J. V. defeated Perryton J. V. 15-12, 15-9, but lost to Palo Duro 6-15, 5-15. Fort Elliott Varsity lost to Palo Duro 15-11, 15-4 and Perryton 13-15, 15-2, 15-11 but got some good experience. Coach Johnson said "Amanda Shields and Susie Luttrell were outstanding players for the Lady Cougars. Amanda hit the ball well in every game. Neither Palo Duro or Perryton could shut her down. Susie served the ball well with 20 points and 4 or 5 aces in both matches." from the Pampa News. Congratulations!

All of Mrs. Lee (Genise) Young's sisters came Saturday to visit till Thursday and included Doris (Mrs. Kenneth) Wheeler from Branson, Missouri, Eris (Mrs. R. L.) Porter from Lubbock, Peggy from Oregon, Mrs. Dell (Elise) Kreibel from Canadian. They all like to do handwork and quilting and have a great time visiting, working and reminiscing togerther. Other Sunday guests at the Lee Youngs were Mollie Kriebel of Temple, Courtney Trollinger of Austin, John Sam Kriebel of WTAM Canyon, Keith and Tyna Horn and Larry Lee, Megan and Sarah, Jeff Young and Craig and Cindy Young and Matt, David and Tracy and Dell Kreibel.

Peggy has had a stroke and is weak, but has a good mind. She stays with a Care Giver, but especially wanted to fly down and get together with her family

Doris and Kenneth Wheeler and Kay and Gayle used to live just west of us in the little house on the hill, which is still standing. They also lived at the Scout Camp and South Dakota. Sweet people. Kenneth died.

Georgia Tipps and Tammy Maddox and Amber went to the Volleyball tournament at Perryton Saturday all day. Lots of fans there to watch.

Thursday Evelyn Meek took Jewell Holloman, Fannie Mae Bradstreet and Nellie Horton out to eat at Sparlins. Jocelyn Meek spent one night with

Evelyn. Cindy Young and children visited her siter-in-law Tyna Horn Thursday. Cindy brought her ironing and they both did their ironing (not a favorite job) and visited. They also went to the Fort Elliott Pep Rally that aftrernoon and to the football games at Fort Elliott. Larry Lee Horn got to play some in the Junior High game. Tyna's brothers Craig and Jeff Young also

came to watch. To those who like to try new recipies you might like to try the winning mutfins at the Gray County 4-H Bake Show. I usually don't like muffins; to sweet for brea, not sweet enough for cake. I really like these. Great with milk or coffee.

Walkway "LA RESPUESTA"

es un desobediente e incredulo porque no hace la voluntad de Maria, y eso me trajo a la Biblia para estudiar sobre lavida de Maria y encontre varias cosas que aun gente que dice que obedece y vencera a Maria le esta desobedeciendo, y no esta haciendo lo que ella dijo que hicieramos. Por ejemplo en Lucas 1:26-37 un Angel enviado por Dios se presenta a Maria y le da | instrucciones en cuanto al nacimiento y la mision de Jesus en este mundo y en el V. 38 vea la contestacion de Maria "Entonces Maria dijo: He aqui la esclava del Senor hagase conmigo conforme a tu palabra" Que gran | mujer, que Humildad que Gran Ejemplo nos dejo ella para nosotros seguirlos. Imaginese que todas las personas que dicen amar a Maria siguieran su ejemplo y se pusieran bajo las ordenes de Dios como lo Hizo | Maria, ya hace tiempo que este mundo hubiera cambiado | pero no hemos seguido el ejemplo de Maria. Tambien hay otra verdad acerca de Maria ELLA ADORABA A DIOS Lucas 1:46-49 "Entonces Maria dijo: Engrandece mi alma al Senor y mi espiritu se regocija en Dios mi Salvador (note que Maria reconoce a Dios como su Salvador). . . Porque ha mirado la bajesa de su sierva. . . . Nosotros al igual que Maria debemos Glorificar y Adorar al unico Dios Verdadero y a la vez reconocerlo y aceptarlo como Senor y Salvador al igual que Maria.

finalmente en Juan 2:5 vemos EL UNICO MADAMIENTO | * DE MARIA "Hablando de Jesus dijo a los que la oian "HAGAN TODO LO QUE EL OS DIGA", Que hermoso | mandamiento dejo Maria diciendo obedezcan a Jesus en e todo, no a mi, no a la Iglesia, no a la Tradicion pero a Jesus Porque? porque el es la unica persona que nos puede ayudar y Salvar si le obedecemos. Mi Consejo para usted querido amigo es: Siga el ejemplo de Maria y e Obedezca su unico Mandamiento. Escrito por Sergio Vaquera:Pastor de la Iglesia Cristiana Canaan en Wheeler Tx.

Congratulations to Wade Raines and Christina Burgett on their marriage on September 6th in Bristow, Oklahoma. It was a beautiful outdoor ceremony. The vows were read in a beautifully decorated gazebo and a

lovely reception followed.

Grandmother Betty Raines got to attend the festivities. (Wade can always depend on Grandma.) It was a fast trip. But a lovely, little wedding. We certainly wish Wade and Chris-

tina all the best the future has to offer. They'll get to share their anniversary day with Ariza and Anna Belle Corcoran. (Great role models!)

Ariza and Anna Belle seemed to have quite an anniversary this year. All good wishes started days early and carried on a couple entra days. They had a wonderful time visiting with family and friends.

Ariza and Anna Belle appreciate each of you that took time to come by for a visit or called, and each of you that sent beautiful cards and remberances. They cherish each of

Sorry to hear Mona Guinn isn't gaining any ground with the steroid shots in her back. The doctor in Amarillo is discussing micro-surgery on her back. Please keep Mona in your prayers.

Please keep Mack and Peggy Shelton and family in your prayers. Along with Mack's treatment their new little granddaughter was born with brittle bone disease. (Audrey's daughter). She is only two weeks old and recovering from a broken back.

Please keep Wade and Christina Raines in your prayers. Just as they are starting their hew life together the doctor has found some very suspicious cells while doing Christina's physical. Wade and Christina have been sent to a larger clinic for further testing and medical attention.

Congratulations to Vincent Mendiola and Stacy Turner on their upcoming November 2nd marriage. The wedding will be held in Ft. Worth at Saint Patrick's Cathedral. They'll make their home in Hurst, TX.

Vincent is a stock broker and Stacy is an advertising account executive for the "Fort Worth Star Telegram.

Congratulations also go out to Keri Simmons and Jason Beers in their upcoming marriage January 14, 1997. They'll be living at College Station after their marriage and continuing their educations.

Pam Thompson's mother, Mae Pigg, came through surgery quite well, but is having a very slow recovery period. They were to give her a pint of blood Sunday evening to see if that would help speed up her recovery.

Melba Corcoran had quite a scary experience Saturday. It was a good thing she was in town and going slow. Something sheared on the front axle of the car on the steering section. Thank goodness no one was hurt.

We're just thankful it happened when it did. Melba has made so many trips to Amarillo in it lately. I shudder to think what would have happened if she'd been keeping up with traffic to Amarillo. Or in Pampa or in Amarillo. Talk about guardian angels. I'd say she definitely has one.

Sunday September 8, Clifford and Euline Walser went to Dumas to eat dinner with their daughter and son-inlaw, Carolyn and Earl Corse. Then they went out to the Corse home to visit with Georgia before they came home. Gorgie just hasn't been quite up to par lately. But they had a nice

Our sympathy goes out to the family of Carl Laflin of Wheeler. Carl passed away very early Tuesday morning, Sept. 17, after a several years of poor health. He was recuperating from a stroke. His family and extended family have been with Carl and Fay the last 3 weeks. We sure have missed Carl's good music the last few years. He was quite the fiddler. He always made the Old Settlers Reunion when he was able. Fay Laflin had another heart attack

after Carl had his stroke. The doctors were able to do the balloon surgery on Fay in Amarillo. She came through her surgery quite well.

Kenny and Donyelle Brown were down recently to bring Aspen Elizabeth and Heath to visit Grandma Gloria Brown in Wheeler and Uncle Darren. They also visited Aspen and Heath's great-grandparents, Bill and Lena

Cody. Heath really enjoys getting to play with Joanah Hannah and Shelby Tabor.

Co. School Identification Subject of Co. His. Comm.

The Wheeler County Historical Committee met recently to discuss the School Identification project. The County Commissioners and employees have graciously been helping us out by erecting marker signs throughout the county during the summer. Since this project is nearing completion, the committee has decided to locate and identify all of the cemeteries and burial sites throughout the county for their next project. A map of the locations of the schools has been done and the cemetery sites will also be placed on a map.

The committee welcomes any information that will be helpful in locating the cemetery and burial sites that are no longer is use throughout the county. Please call Margaret Dorman at 826-5544; Louise Hogan at 826-3427; Minnie Pakan at 256—2987 or Mildred Gierhart at 256-2304 if you have any information that would be helpful.

The committee is also contemplating compiling all the data that is being gathered on the counties, towns, settlements, schools, cemeteries and post offices and having a county history book published.

Michael and Brianna got to help get cows and calves in the big lot at Thompson's Sunday. Wasn't real enthused until they were in the barn yard. But is looking forward to collecting eggs for Doyle and Beulah Grimes if the weather permits. He likes "living in the country".

Mary White has been released from the local hospital. Puny Griffin has been transferred from High Plains Baptist in Amarillo to the local hospital. His condition is slowly improving.

Sympathy must be expressed to Doodie Phillips upon the recent death of her great-niece, Gena May. The funeral was held last Saturday in Greenville,

From The Minister's Desk:

Abraham Lincoln, the sixteenth President of the United States, was assassinated at Ford's Theatre in Washington D. C. on April 14, 1865. After several stately ceremonies in a dozen cities, President Lincoln was buried in Oak Ridge Cemetery in Springfield, Illinois on May 4, 1885.

However, after his burial, the body of President Lincoln was moved sixteen times. Twice his coffin was opened--in April of 1887 and in September of 1901 -- and his body viewed by witnesses who had personally known the President. Finally the coffin was permanently buried in steel and concrete beneath the floor of the Lincoln Memorial in Springfield, Illinois.

Why was it necessary for the body of the assassinated President to be moved sixteen times? Why was his coffin opened twice and viewed by witnesses who had known him? The explanation is relatively simple! Persistent rumors had convinced many Americans that the President's body was not in his coffin. For this reason, the coffin was opened so these rumors--along with the President's body--permanently

ness that these rumors caused the family of President Lincoln. But this is always the result of rumors. Without any authoritative information, rumors are loosely disseminated by people who preface their remarks with "They say" or "I heard. "

One of the great principles of Rotary International and Christianity is contained in a question. This question is: "Is it true?" Ephesians 4:25 says:"--Laying aside falsehood, speak truth, each one of you, with his neighbor, for we are members of one another. "(Ephesians 4:25) Disciples of Jesus should always be truthful in the words that they speak

Satan never ceases in his efforts to ensnare people and one of his best weapons is to weaken their relationship with people through careless rumors. His diabolical purpose is served when people repeat without verification some "facts" about people.

If rumors can be responsible for disturbing the body of an assassinated President, they can also be responsible for destroying the reputation and character of other people.
