CWE CHAT WITH EDITOR

By Louis C. Stas

The first snow of the season fell Tuesday afternoon and evening. The accumulation was near zero. Spots on the streets and sidewalks were slick.

Remember the performance of the First Baptist Youth Choir —. My apologies, I was to have taken a picture on Tuesday and worked right through the scheduled time.

The turnout for the Chamber of Commerce Open House was about the same as last year with some 150 youngsters coming to visit Santa.

Thanks to Wheeler Christian Academy for the use of their gym for the Crafts Mini-Mall and Santa's workshop.

Wheeler Care Center had a good turnout for their Open House to kick-off the Christmas season.

The tree at the Care Center was decorated with Christmas "Angels" with the names of residents on them. Individuals are to take an "angel" and purchase a present for the individual named. This will assure a present for each of the residents.

Say Thank You to Maggie Marshall and Jim and Beth Alvey for their hard work in making the Chamber's open house a success. This was a joint effort by a lot of individuals and your work is also appreciated.

If you haven't looked at your calendar, you might think the Christmas 'Cash' Drawings start this week. Checking the calendar, I discovered they do not start until Sat., December 8. This puts drawings on three Saturdays and Christmas Eve.

Tickets are being given by the merchants.

If you would like to participate in the 'Cash' drawing, please contact the Chamber office at 826-3408.

Congratulations, Aaron Dunnam and Ben Dollar! These two former Wheeler Mustangs are now playing football for Eastern New Mexico University. They were both named to the 2001 LSC South All-Academic Team in football and qualified for the LSC South Commissioner's Honor Roll.

Congratulations, Ronal Stas Jr! He has been accepted into Pharmacy (Continued Page 4)

VISITING SANTA: Santa Claus made two visits in Wheeler; he came both Sunday and Monday to the Wheeler Chamber of Commerce Open House. He is shown here with Tre McElveney (left) and Shai Dougherty. Both are 6 years old and are the grandchildren of Mr. and Mrs. Lavon Williams. Shai is the daughter of Brandi Dougherty.

Nathaniel Hillhouse Memorial Toys For Tots

The Fifth Annual Nathaniel Hillhouse Memorial Toys for Tots drive is underway in Wheeler. Sponsors are the Wheeler County Sheriff's Department, Wheeler Banking Center, First State Bank, Mobeetie & Wheeler, and United Methodist Church.

New or good serviceable used toys are needed. Items are being collected for youths from 0-15 years of age. If you wrap a gift, please include sex and age on the gift tag on each gift.

These gifts may be the only Christmas some children may receive. Your gifts will be greatly appreciated.

If someone is aware of needy families, please contact Wheeler Sheriff's Department or Lee Ann Hillhouse with families names, ages and sex.

Your help and contributions are appreciated.

Monetary donations may be left at the Sheriff's Office, Methodist Church of Wheeler, and Wheeler Vet Clinic. Money will be used for toys, clothing or food, as the donor wishes.

Santa Letters To Be Published In Times

Hey Kids! Christmas is just around the corner and Santa Claus is so busy at the North Pole in his toy shop that he has asked the "Times" to help him out with his Christmas mail.

All you little boys and girls through the third grade are asked to help Santa also by sending your letters to Santa Claus to "The Wheeler Times" to be published.

Teachers, if you would like to help the children with their letters as a class project, please see that the letters are clearly printed and that they reach the "Times" office on time.

Ole Santa will read all the letters in one issue, thus cutting down on the mail. Also you won't be taking a chance of your letter getting lost in the snow.

Kids, read these instructions carefully. Write your letter, using 30 words or less, mail it to *The Wheeler Times*, P.O. Box 1080, Wheeler, TX 79096, so that the "Times" will receive it by December 13.

RESIDENTS: Wheeler Care Center residents enjoyed all the company they had at the Open House Tuesday afternoon. Shown here around the "Angel" Christmas tree are (back, l. to r.) Pierce Walker, Katherine Holt, (front) Mary Finsterwald, Edith Levitt, Lou Killingsworth. This will be Edith Levitt's 100th Christmas; she recently celebrated her birthday.

I hope all of you had a wonderful Thanksgiving. We did. Tony came up and took me to Mangum to spend the day with Mr. and Mrs. Carl McDaniel. They are Carleene's parents. Milton and wife were there from College Station, Texas.

It was foggy as all get up when we started, but turned into a nice day. We had nearly an inch of rain in showers during the week. About the first we had since May.

Tony had a visit with Casey Paxton, who used to be at Cheyenne and remembered us.

See cousins (3) Earl and Donna Morgan had their 50th Anniversary August 1.

Mr. and Mrs. C. W. Atha will celebrate their 60th Anniversary on November 29. They were married at the Sweetwater Assembly of God Church.

Helen Smith visited Stella Jenkins Friday. Stella had quite a fright when a deer leaped in front of her car. Banged it up some.

Tony and I bought bird feed Tuesday. Visited Joe and had lunch at Lee's. Sure good.

Allison Lockard and her son, Gus Schmitendorf visited relatives in Springfield, Mo., recently. They went to National Fish and Wildlife Museum, where the cousin worked. Saw over 150 kinds of fish.

Sally Sites called to ask if I'd seen their lost dog—a black and white cocker spaniel.

Funeral services were at Allison,

Texas, for Barbara Loretta Holbrook, 64. She was the daughter of Yoland and Dorothy Fuchs and attended school at Sweetwater. Burial was in the Buffalo Cemetery.

Tony and Carleene have been here this week from Orlando, Fla. They are brave souls and flew to Dallas. Then they got a car. Joe Dale's son, Mike and family flew from St. Joseph, Mo. to San Antonio. So I guess the planes are going again.

Had 6 real blue birds and 5 cardinals last week.

Tony has been giving me computer lessons, but I'm afraid it is a lost cause!

CARD OF THANKS

Thank you to our friends who called, sent cards, flowers, visited, sent memorials and food.

Thank you Bro. Toby for the comforting service. To Jim and David Wright and Marla Ford for their courtesy and caring.

To the ladies who prepared and served lunch to our family at First Baptist Church.

For every act of kindness we are truly grateful.

THE GOOD NEIGHBOR

A Tribute to the United States By Canadian News Reporter, Gordon Sinclair

Widespread but only partial news coverage was given recently to a remarkable editorial broadcast which came from Toronto in the '70's by Gordon Sinclair, a Canadian television commentator. What follows is the full text of his trenchant remarks as printed in the Congressional Record:

"This Canadian thinks it is time to speak up for the Americans as the most generous and possibly the least appreciated people on all the earth.

Germany, Japan and, to a lesser extent, Britain and Italy were lifted out of the debris of war by the Americans who poured in billions of dollars and forgave other billions in debts. None of these countries is today paying even the interest on its remaining debts to the United States.

When France was in danger of collapsing in 1956, it was the Americans who propped it up, and America's reward was to be insulted and swindled on the streets of Paris. I was there, I saw it.

When earthquakes hit distant cities, it is the United States that hurries in to help. This spring, 59 American communities were flattened by tornadoes. Nobody helped.

The Marshall Plan and the Truman Policy pumped billions of dollars into discouraged countries. Now newspapers in those countries are writing about the decadent, warmongering Americans. I'd like to see just one of those countries that is gloating over the erosion of the United States Dollar build its own airplane.

Does any other country in the world have a plane to equal the Boeing Jumbo Jet, the Lockheed Tri-Star, or the Douglas 10? If so, why don't they fly them? Why do all the international lines except Russia fly American Planes?

Who does no other land on earth even consider putting a man or woman on the moon? You talk about Japanese technocracy, and you get radios. You talk about German technocracy, and you get automobiles. You talk about American technocracy, and you find men on the moon—not once, but several times—and safely home again.

You talk about scandals, and the Americans put theirs right in the store window for everybody to look at. Even their draft-dodgers are not pursued and hounded. They are here on our streets, and most of them, unless they are breaking Canadian laws, are getting American dollars from ma and pa at home to spend here.

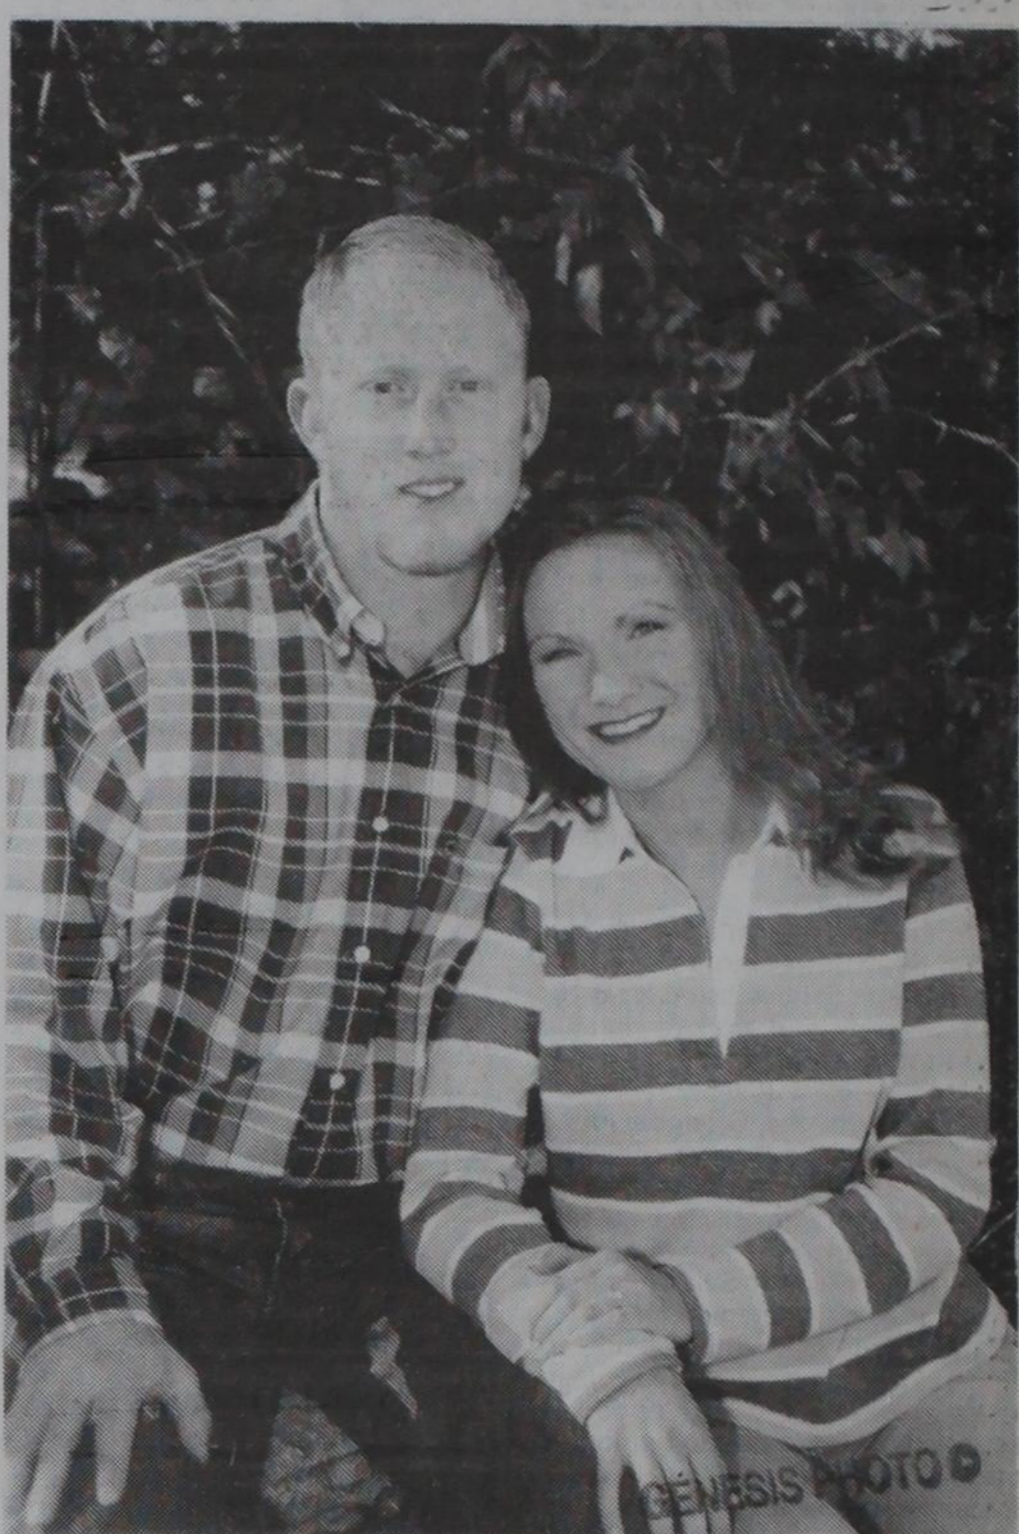

When the railways of France, Germany and India were breaking down through age, it was the American who rebuilt them. When the Pennsylvania Railroad and the New York Central went broke, nobody loaned them an old caboose. Both are still broke.

I can name you 5000 times when the Americans raced to help to other people in trouble. Can you name me even one time when someone else raced to the Americans in trouble? I don't think there was outside help even during the San Francisco earthquake.

Our neighbors have faced it alone, and I'm one Canadian who is tired of hearing them get kicked around.

They will come out of this thing with their flag high. And when they do, they are entitled to thumb their nose at the lands that are gloating over their present troubles. I hope Canada is not one of those!

Querido amigo(a) como te encuentras hoy. Todos en esta tierra somos viajeros y hemos emprendido algun camino en la vida. Todo viajero se propone llegar asu destino, pero hay influencias y circunstancias que desvian algunos del rumbo correcto. Lomismo puede desierce de la vida espiritual. Hay caminos que al hombre le parecen derechos; pero su fin es camino de muerte. Provencios(14:12). Quisas te has extraviado en el camino que llevas y no tengas conocimiento del camino al cielo. Dios nos a dado la Biblia como mapa para senalarnos el camino alcielo. Jesucristo nos dice "Yo soy el camino, y la verdad y la vida; nadie viene al Padre si no por mi". Sn.Juan(14:6). Hay que seguirlo a El de cerca, conocerlo bien, pues el guardara nuestros pasos y nos conducira al hogar celestial. Pastor. Edy Josue Sapon.

School at Southwestern.

—cwe— Congratulations, Brian Moser! He has been named an All-American Scholar. Brian is Wayne and Jean Mason's grandson, and is our great-nephew.

—cwe— Hopefully each of you had a Happy Thanksgiving with lots of good food.

—cwe— It was excellent weather and as you might know we took advantage of it.

—cwe— Thursday we were off to OKC for the evening meal with the Arnolds in Del City. The Sherman Stas family and the Fisher family joined us at the Arnolds.

—cwe— After a trip to the mall Friday morning to replace my broken glasses, we got a late start to Lovelady for a visit with the Gillettes.

—cwe— Wayne and Jean Mason, (Barbara's sister), our Wichita relatives, joined us for the weekend.

—cwe— The Gillette Brothers performed at the Camp Street Cafe and Store on Saturday evening. Gene and Melba Arnold, Carolyn Bench (Gene's sister) and Mary and Louie McDonald all came for the show.

—cwe— Cathi and Dorcie joined the Gillette Brothers in one song. Good job, girls.

—cwe— Needless to say, traffic was something else. We only had one traffic jam for some road repairs on I-35 near Ardmore, returning home Sunday evening.

—cwe— We also had to work in a visit to the hospital in OKC. Brother Leroy spent most of Thanksgiving day trying to get into the hospital. The Meriwethers were back in Wheeler Tuesday.

—cwe— We played cards Monday evening. The first two games did not go well at all for Bob, Barbara and I, but we made up for it the last game. Mike, Dwight and Jane were the winners for the evening.

eryone. We have so much to be thankful for. Also there were Lessie Austin and daughter, Charlotte Brown, and son, Eugene; Perry and Paula Helton with Amy and Freddie Hunt and boys; Beckey Zybach with Nelda Dukes and Minnie Bell Vinson; Celeste Wiley; Edith Levitt with several family members, who had come to help her celebrate her 100th birthday with all her kids and grandkids.

Oleta Levitt, Doretta Moore's sister and some of her family stayed with Doretta. Oleta was married to Lynn Levitt, now deceased.

Edith Levitt's family all ate at Maxeys together Thanksgiving. Wednesday night they all ate at Mel's and then went to the Care Center for cake. 3 kinds of cake and a party. Family was from McAllen, San Antonio, Dallas, and all over.

Sincere sympathy to Lillian Chesher and other family and friends in the death of Lillian's husband, John Chesher, 77, of Roberts County. John and Lillian were classmates and close friends of Leonard and Bertha Hollis. The guys played football together for Pampa High School. Fine people.

Lee (Leota's, ex Briscoe) Murray's family surprised him on his 70th birthday Nov. 3, 2001, when they walked into Hardee at Pampa at 8:00 a.m. The guys usually meet there each Saturday. Some coming to celebrate with him were his daughter, Penney, and Wes Vernatter and three children from West Virginia, sons, Harold and Julie Murray and three sons from Pampa and Dirk and Johnna, and two daughters from San Angelo and Joe and Sherri and family from Pampa. They all had a wonderful time together and got safely back home. Lee's wife, Patsy, was also there.

I went to Thriftway Monday morning to get a few things and saw several friends getting groceries for family Thanksgivings. Some there were Elva Wood, Nova Jones, Nadine Reynolds.

I felt a little lazy taking my family to Maxeys for Thanksgiving. Sure was good.

When I went to get in my car, someone had parked too close to me. I couldn't get my door open far enough to get my plump body behind the wheel. (Plump sounds better than fat, don't you think?) Maybe I had parked a little crooked. Thank you, Shonda Rose, for sliding in and driving my car up a little when she brought the groceries out. Yeal I could get in.

Nice to see Vaughn and Alice Lister eating lunch at Hasty's Monday. Enjoyed visiting with them, and also with Matt and Mechelle Moore. Vaughn was at W. T. when I was, but was drafted. After 3 years in the military, he was ready to get back to farming.

Ft. Elliott J. V. girls basketball team and varsity team played at Wheeler Tuesday night to a large group of Cougar fans. We enjoyed watching some of it, but got tired. Would like to have seen them all play. J. V. girls worked hard, but lost to Wheeler 32-39. A good score considering they have just finished volleyball. Ft. Elliott girls lost four starters from last year. Boys also lost several.

Ft. Elliott boys played Perryton at Wheeler. Wheeler boys just finished football Friday night and wanted more time to prepare. Good to see Addie Swift, there with Cathy Hunt and Amanda Childress and Nita Standlee there with Truman and Betty Zybach from Sayre to see grandson, Kade, play. Bulldog and Dorothy Walker there with granddaughter Jodie Walker to see Kenzie Watkins play. And many more!

Ft. Elliott varsity girls lost to Wheeler in a close game. Ft. Elliott boys defeated Perryton in a close game. We are proud of you all.

We went to Canadian Monday afternoon to watch Casey Tipps play basketball with Canadian seventh grade girls team against Sunray. Casey was a starter and played much of the game, rebounding and making several points. Final score was Canadian 7th, 29, to Sunray 23. A hard fought, pretty close game. Also there to watch were Dean and Georga Tipps and Jennifer and Ruth Irvine and Adam Tipps and many others.

We just got home from Canadian when Darville Atherton came about 7:00 p.m. His pickup lights were very dim and needed a ride home. Glad we were here and could take him. He had been over to feed Sammie. She can't do anything for herself. On the trip down and back we saw 3 doe deer crossing the road at different times. I very barely missed the last one. Really had to slam on my brakes and she manage to scitter away. I am thankful. They all looked so big. "God be with you till we meet again!"

Psalms 75: 1, 9 & 10: Unto thee, O God, do we give thanks, unto thee do we give thanks; for that thy name is near thy wondrous works declare. But I will declare forever; I will sing praises to the God of Jacob. All the horns of the wicked also will I cut off; but the horns of the righteous shall be exalted.
