The Wheeler Mustangs won the county championship over the Shamrock Irish last Friday night in convincing fashion 34-6. The Mustang defense held the Irish to a total of

121 yards on the night and held them out of the endzone. The lone Irish score came on a Mustang miscue as in fumble and the Irish pick it up and race 63 yards for a score. But that was about the only glory the Irish would get as the Mustangs dominated almost the entire game.

## New Business Is Opened, Healing Hand Massage

Healing Hands Massage Therapy is now open. Kay Robinson, a recent graduate of the Austin School of Massage Therapy, welcomes everyone to her new shop. Healing Hands is located at 509 South Main in Wheeler. Dr. Barbour states that massage not only relieves tension and stress, but gives one a feeling of well being. He highly recommends it and sees it as an asset to health care.

Massage Therapy works by reducing anxiety and lowering the body's production of stress hormones. This translates into health benefits for people with asthma, burns, depression, insomnia, eating disorders, rheumatoid arthritis, backaches, and headaches. It works by increasing blood circulation to soft tissues which brings oxygen and nutrients to promote healing. This in turn enables the body to release toxins that are stored in the muscles and lymphatic systems. Dr. Galutia says that a majority of patients have a musculoskeletal problem of one type or another. He believes massage therapy is a useful tool in the healing process, and that Wheeler will greatly benefit by having a professional therapist here.

The State of Texas requires a license from the Department of Health to practice massage therapy. This means that massage is now recognized as healthcare and is covered by many Insurance Companies with a physician's request. Medicare will also cover therapy with a Dr.'s order. Therapy will be on an appointment only basis. Phone 826-5722 for appointments or gift certificates for friends and loved ones. Ask your physician about massage and get on track to a healthier life.

By Louis C. Stas

The Mustangs brought the county title back to Wheeler. Way to go Mustangs! Two more wins and the district title is yours.

**Congratulations! Allison Cross Country** teams qualified for regional. Jaicee Herren qualified individually for regional.

**Don't forget to vote Tuesday!** And, don't forget that darn card.

Apparently the politicians do not consider the local vote very important to their campaigns, as we only have one political advertisement.

Grazing around the square is fair. The winds are causing the pecan trees to release this year's crop.

Workmen were painting at the new Parkway Clinic. A specific date has not been set for moving into the new facility. Looks great.

The wind gusts caused the street light at the southeast corner of the square to give way Tuesday afternoon. Unfortunately Bobby Jennings had her vehicle parked under the light when it fell.

I was invited to Wheeler Care Center Thursday at noon for hotdogs and all the trimmings. They were delicious; we even had homemade chili.

I did not recognize the individual sitting next to me. It was Wilber Beck, a resident of the Care Center and former correspondent for the times.

Speaking of hotdogs, don't forget the Tailgate Party at Ware Chevrolet Friday evening.

Wheeler was well represented Saturday evening at a Ft. Worth. Awards in Texas chuckwagon competition and cowboy music were handed out. Neither the Gillettes of Lovelady nor the Myers of Shamrock won. Guy and Pipp were in the music competition and the Myers were in the chuckwagon competition.

Cathi Stas Gillette and Rhonda Jennings Myers, both Wheeler graduates, were friends all through high school.

**Aint It The Truth**  
By Ab Gunter

As a little shaver when I needed a school tablet or pencil my mother would say look in the Cookie Jar and lo and behold the funds you needed would be in there. Mother always had sayings like "Put it up for a rainy day" or maybe we might be hunting some missing item an she would say "A ram hung in the bushes by its horns" Honest all these things are true even in this day. Not long ago I had the silly notion of making a pair of snow goggles out of a piece of wood. I had seen the Indians in Alaska that had made these to keep you from going snow blind in the winter. I found a piece of tulip wood that I had stuck back for something and sawed a piece about 8 inches long and about 3 inches wide and started whittling on it. I knew it had to be curved to fit your face and notched to fit your nose and I would whittle and whittle and shave it down and seems like to took me for ever to thin it down and eventually to make the very thin slits for the eyes but I kept working till I had the goggles made and smoothed down and so forth. I even got my wood burner pencil and decorated the face of it like I had remembered the Indians had done over a half century ago. Finally I was ready to put a lasting finish on the finished product and begin hunting a small bottle of Tongue Oil that we had. Hunt, hunt and hunt and

**LIBRARY NEWS**

A new series has been donated to the library by Anita Brown. This is a contemporary romance series with a christian romance theme. There is ten books in this series. Authors are Constance Colson, Robin Jones Gunn, Sharon Gillenwater, Lisa Tawn Bergen, Karen Ball, Marilyn Gunn and Peggy Gunn.

Sally Harris also donated several books this past week, thanks to Anita and Sally. We appreciate all donations and memorials.

Remember if you have any videos that your family has out grown or gotten tired of, we would appreciate you donating them to the library. If you get lonesome to view these old favorites, then you can come check them out. These videos may be checked out for three days. Our audios may be checked out for one week. These audio tapes make a great traveling companion and really help to pass the time. Most of the popular mysteries and current best sellers are included in our collection. Also some of the classics are on tape, too. If you know of someone with a vision problem, you might suggest audios books to them.

We do try very hard to have something that will appeal to every one. If you have a special request let the staff know. Of course, we have to make our money go as far as possible and due to our wonderful response to the memorial funds, our book dollars are going further than every. Thanks for the benevolent support.

If you have not been in the library in a while, you'll be surprised at the changes that have been made. Come see for yourself.

No, we still don't have our other phone line, so the internet computer is still in the office. Be patient, if you get a busy signal, especially in the late evenings, it's probably because of internet being used.

Amnesty has been declared from Oct. 31 to Nov. 15. All over due books maybe put in the drop and no fines will be rendered. If you have past due library books around your house, please take advantage of this grace period, we really need these books. So here is your chance to help us collect our much needed books. Getting these books back on the shelves will help us to serve the community better. A lot of our lost books are from our Dewey decimal section, these books are expensive and in many cases very hard to find replacements. These books are primarily used for report and in depth study on a certain subject.

Don't forget our "new" reference source when you are researching, that is the computer. We'll gladly help you get the program desired and get you started.

Come see us soon and check out a good book.

Ronnie Latham. Debby Barnes of Tulia flew in to join them. The ladies attended a Retreat over the weekend at Eulis. There were 3,000 there.

Esther Dickey, Gary, Christy Meares and children, Graham, TX, Lisa Stokes and Heather, Amarillo, Janet Metcalf, Ryan and Ashley, Elk City, had a get together with Elinor and Don Meares, Shamrock, over the weekend.

See where Marshall Gurley died. Long years ago, we finally got electricity, and had to sign for a refrigerator due to wartime shortages. We got it from the Gurleys. I remember his dad telling us that the doctor told him to soak his hands in hot water daily. So while doing that, he washed the dishes for Mrs. Gurley. Since I never had a sister or daughter to help, I thought that was really something.

Maxine Gaines and her sister of Pampa visited Bertha Coffey. They were returning from the Coast. Another visitor was Judy Tipton.

There was a benefit program at the Coyote Hills Tuesday night for Tom Jones who is very ill. Among the entertainers were Loretta Hall and her group, Jill Drake, Bill Beaty, and Joe Merrick and others. Jill is the daughter of E. L. and Wilma Fowler. They and Vikki, Hope Varnell and Taylor, Kathy Heinsohn and Cody Tell attended. Said there were folks from everywhere, even Alaska.

Berniece Harrington, OKC, spent the weekend with her sister and husband, Clara Lou and J. E. McGuire.

Leann and Lana Keathley, Dawn Lohberger, and Matt Carlson took part

in the Canadian Rodeo. This will probably be the last time until Spring since basketball is starting.

We went down Monday and did the patriotic thing - Got our flu shots. Sarah is a good hand at giving them. We sort of claim her since we went to school with her parents. Had a nice visit with Dale Carpenter. His mother was one of my first teachers at Saltflat.

Theresa and Wilbur Nabors are home from a 10 days stay at Beaver Bend Park where they met with a lot of old friends. Came back by Waxahachie and visited his brother and wife Donald and Norma.

Patricia Cates spent the weekend in Denver where she visited her son. Hope she doesn't get stranded in the snow up there.

Albert and Lorene Bryan had their kids home Sunday. Patricia, Arnel Lee and Shirley, Rickey, Ruth, and children, Leonard, Lois, and Tim.

Memorial services were Saturday at the Erick Baptist Church for Lula

Wright, 90, officiated by Elder Conrad Wood. She is survived by a son, Reynold, three daughters, Juanita Williams, Edgewood, NM, Jaquelyn Morrow, Erick, June Gordon, Sweetwater, OK. Graveside services were Sunday at the Barton-Mountain View Cemetery at Edgewood, New Mexico. Fatheree-Albert in charge.

Billy and Gail Sutton spent a couple of days at Kingfisher with Twila, Larry, and little Jami.

Talked to my brother Frank in Arkansas. He was having a birthday. Mama, daddy, and Frank all had the same day October 24 and there was mine, off in the spring. I felt bad about it.

Pauline Roberts visited Will Jay in the Sayre hospital. He is doing well, following surgery. She had talked to Gladys Lewis and she is much better. Anne and Lynn Wingfield came out and took Pauline to supper at the Cowboys.

# MOBEETIE NEWS

By: Sue Mayfield

Happy Birthday to: Melie Kelley and Calvin Kincannon on October 31st, to Bob Kinnamon, Jonathan Walker, Edith Cross and Kelley Cross on November 1st, to Diane Christianson and Joe Muller on November 2nd, to Dusty Walker, Maurita Stribling, Nadean Morris, Pam Jones and Joe Atwood on November 3rd, to Tracy Densberger and Patty Ann Shields on November 4th, to Brittany Daniels on November 5th, to Eric Zybach, Steven May, Steve Corse, Chuck Hogan, Lajo Crowover and Shannon (Swift) Cantwell on November 6th, to Darren Grimes on Nov. 7th, to Clara Ridgway, Juanita Fillingim, Rodney Hudson, Rick Jones, Dale Sides and Cuyler Stinnatt on November 8th, and to Deborah (Rector) Bunker and Seth Stribling on November 9th.

Happy Anniversary: to Mike and Lee Ann Lehman on November 1st, to Jud and Lorene Rector and Shawn and Daphne Zybach on November 2nd, to Ricky and Barkara Hodges on November 7th, to Cliff and Charlene Taylor on November 8th, and to Richard and Bonnie Meadows on November 9th.

Please keep Estelle and Glenn D. Hodges in your prayers. Estelle was to have had double bi-pass open heart surgery at High Plains Baptist Hospital in Amarillo on Wednesday October 30th. Hope you have a speedy recovery.

Their daughter Gail Moke is an R.N. at High Plains Baptist. So Estelle

will have extra good care.

Estelle is using Glenn Dr.'s heart specialist. Good luck and best wishes.

Our sympathy goes out to the family and friends of Vera Vivian Lester, 92, of Lubbock. She had formerly lived in Borger.

She moved to Lubbock, in 1990 to be closer to her daughter, Wilma Wyatt. Vera is also survived by four sons: Harold and Jerald Lester live in Borger, TX; Doyle Lester of Bakersfield, CA. and James of Amarillo. She has many grandchildren and great-grandchildren. Vera also has four great-great grandchildren.

Mrs. Lester passed away October 22, 1996 in Lubbock, TX. Her graveside services were held Friday, October 25th, at the Wheeler Cemetery.

After the service the families met at Ada Lou Lester's and the Lynn Sims' homes here in Mobeetie.

Our sympathy also goes out to Clifford and Euline Walsler of Mobeetie and Uncle Charlie Walsler, of Hereford, TX., and other family and friends of Martha M. Baker, 98, of Sudan, TX., on her death.

Aunt Martha passed away on October 23, 1996. Services and burial were held in Sudan Saturday October 26th.

Good to hear that Agnes Barnes' surgery went so well and she is recuperating at home. Agnes and family got a good report after the removal of part of one lung. Thankfully she will not have to do any chemotherapy or radiation treatments at this time.

With the help of "the patches" Agnes has been able to quit smoking. Congratulations!! Keep up the good work. They really work when your determined to make the best of a bad situation and take advantage of "a second chance".

It's great to be getting some good news. Jud and Lorene Rector are doing better. The leg brace has really helped Jud get around some on his own again. Now that Jud is gaining back some strength he is getting some independence again. Keep it up Jud. Great!!

Tuesday, October 22nd, Lorene and Melba Corcoran went to take care of eye appointments. Jud managed just fine on his own.

Lorene and Melba got fairly good news at the ophthalmologist's.

Sunday Lorene got to go to church services for the first time in a long time. She really enjoyed it and Jud did very well. About a year ago this time I wasn't sure I'd ever be able to write good news like Jud's improving health. It's wonderful. Prayers and determination do work. Keep up the good work Jud.

Dale Corcoran has really been having a rough time with his wrist and arm. Lots of pain. The doctor can't do anything to help it. He can't do surgery again. Dale will just have to slow down and give his wrist a rest.

Melba got her car in tip-top shape again. So now they can plan a trip to get some more geneology investigated and visit family.

Welcome to our friendly little community Jeffrey and Janice Vasby. They have four beautiful children, Adam, Joseph, Alicia and Theresa. They are living in the Stepp's house.

Sorry to hear Kelly May and Kellie Bailey along with Payton May and

Listen to . . .

WHEELER, TEXAS

Shelton May had a pretty scary accident last week. As they were trying to avoid hitting an indecisive driver, which they did, a 19 yr. old boy rear ended them at about 70 m.p.h. on the Canyon E-Way in Amarillo. How scary!

They were all very lucky. Thankfully Kelly had Payton and Shelton strapped into their carseats. Everyone was shaken up and bruised up but thought they were basically O.K.

But Kelly May ended up with a severe whiplash and blood clots in her neck. She'll have to wear a neck brace for 4-6 weeks and take regular Chiropractic treatments.

After Payton and Shelton had their adjustments at the Chiropractor they settled down, slept better and seemed to do better in general.

Kellie Bailey ended up having to go the hospital in the middle of the night or wee hours of the morning.

But all seemed to be doing fairly well Friday. Jackie Don had taken a few days off to be at the house with his family.

Please keep the Jackie Don May, Jr. family in your prayers.

Carrie Harris made the flight to California very well.

She always enjoys her visits with her son - Ron Harris, and family. They have a beautiful place in Maricopa, CA.

Jill Lee had to stay home to work and hold down the fort.

Last Wednesday Gary Larkin took Keith back to the orthopedist in Amarillo. Keith was sure glad to get good news of getting rid of the long, heavy cast. The doctor thought Keith was doing very well and put on a short cast, to just below his knee. He still can't put any weight on it. (But a lot less weight to carry around with the half cast).

Keith goes back to the Dr. in three weeks. He hopes the doctor will take him out of half cast totally. (A real optimist). He wants to get back on the football field this season. Don't take any chances Keith. (I know, patiences in a teenager is almost zero). Glad you keep getting good news Keith.

Last Thursday Jackie Thrasher and I went to Elk City on business. Michael and Brianna got to go to Wal-Mart. (We're looking for power ranger material and something with cats and/or kittens). Michael can spy Wal-Mart and McDonalds a mile down the road.

I had the pleasure of meeting Laura Brittain of rural Elk City, and her son, Kenneth, of Wheeler. Laura is Fred's aunt, Jackie and Aunt Laura took care of some family business. The Brittain's are super people. Thanks for meeting us. (I'd probably gotten last trying to get out to Aunt Laura's).

Jackie is back in the bunny business again. Aunt Laura gave Jackie a box of beautiful materials to use for jumpers and dresses for her bunnies. Jackie gave Aunt Laura a really cute girl bunny with a little print dress and burgundy pinafore.

Hope ya'll have a happy, safe Halloween.

Drivers, please be extra alert and careful through all the festivities.

Kiddos, please watch carefully as you make your rounds and cross streets. Watch and help the younger, smaller kids. Thanks! Let Mom or Dad help you check your candy before you start eating it.

We're very fortunate to live in this area. Knowing your neighbors. But kids don't always think about who they know, when they're out gathering treats. You can never be too careful with your kids.

The volunteers of the Old Mobeetie Association have been working hard on itemizing each donation.

After they are through they'll be able to pull up a ledger card with the name of the person your interested in, and tell you where to find any pictures, news items, some documentation of court house records, or donations. Quite a job!! They still have a lot of pictures to itemize and label. Thanks for all your hard work. Lots of hours tied up in sorting everything out.

After hearing of all the fires in California sure makes us count our blessings. Our dry pastures and the winds have our volunteer firefighters holding their breath everytime the pagers or scanners go off. We are fortunate the weather is cooperating some.

But the security of knowing we have so many dedicated volunteers on stand by at all times is indescribable.

And that we are fortunate enough to have our own first responder in Mobeetie is very comforting.

Thanks ya!!! We often take your time away from your family and your dedication to help and serve others for granted. Sorry! We really do appreciate you.

Please remember to get out and vote November 5. Your opinion is very important. We are fortunate enough to live in a democratic society, let's not ignore our responsibility. (If you don't vote, you can hardly gripe about how our government is doing. Your vote is your voice too.)

Get ready for a lot of fun. The Ft. Elliott Fall Festival is scheduled to start at 6:00 P.M. Saturday, November 2. Come join the fun!!

Wasn't the moon spectacular Friday and Saturday nights? Saturday when it first came up it looked like the great giant pumpkin that Charlie Brown's been looking for. But the rest of the night was bright and beautiful except for the occasional clouds.

Such a nice surprise to find a letter in my mail Saturday from our sweet friends, Kelley and Edith Cross.

They are doing quite well. Like most of us. They have their good days and bad. Kelley is working as a parttime crossing guard at the schools. Edith works three afternoons a week at a day care.

I'm sorry Betty. (Those typo's sure threw me.) But do hope your leg is much better.

Glad ya'll had a good visit at the Andrews family reunion. (Edith's mother's side of the family. It was great that Mr. St. John is doing so well and Bob and Betty were all able to make the trip.

**AN OPEN LETTER TO THE CITIZENS OF WHEELER COUNTY**

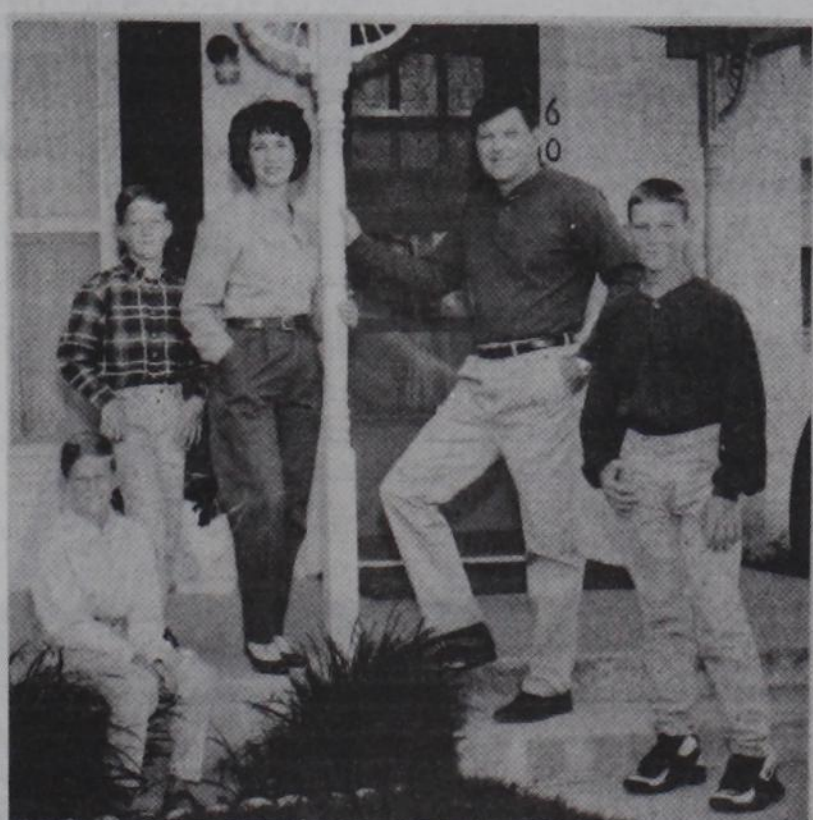

Dear Folks,

I imagine that most of you are sick and tired of the negative campaigning that has been going on in the District Attorney race. Cindy and I are pretty sick of it too.

We have run a clean campaign and have chosen to stick to the issues and have refrained from making personal attacks against my opponent. We have taken the high road and no matter what the outcome of this race, we will know that we ran a clean, honest race.

I know in my heart that I am the right man to be your District Attorney. I know I am honest, forthright, dependable and qualified. I want you to look to your hearts and ask for wisdom in making your decision on the issues of this race. Don't make your decision on something you may have seen in an ad or newspaper article which may only tell part of the story. This is about 4 more years of a part-time DA vs. a full-time District Attorney. I will do a good job for you and want the opportunity to make a difference. I believe that together we can make a difference for the future of the 31st District and that of our children and grandchildren. I would greatly appreciate your vote.

In closing, Cindy and I want to thank each of you for the courtesy and kindness you showed to us, our kids and our parents as we campaigned door-to-door in your town. God bless you, don't forget to vote, and **ELECT RICK ROACH TO BE YOUR FULL-TIME DISTRICT ATTORNEY.**

Congratulations Kelley and Edith. The Grahams are going to make them grandparents again. Caleb is really looking forward to being a big brother.

Good to see Fayette Seitz looking quite well. He has the cutest scissor holder, a pelican. And a really cute out house. Quite a toy. Fayette is supposed to be sticking to a real strict food diet and medication. He has good nurses and home health aides to help him.

Please keep our sweet Ruth Hathaway in your prayers. She is still having a rough time. She appreciates everything everyone at the hospital does for her each day. They are taking good care of her.

Ray and Velma have had a quiet week. Everyday seems extra quiet when they don't get to see their grandson, Ryan, or his big brothers. They all

**CARE CENTER COMMENTS**

By A Resident Reporter  
It's been awhile since the last article was written.

We have lots of news to tell everyone. I don't remember if I told you that we had some new residents join our family. We have Mary Lee Helbert from Dumas. Mary is a fun lady. She loves to help Cathy and Barbara out. We also have Joe Garcia from Pampa. Joe is a very sweet man. He is in our Medi-Care rooms right now. On a sad note, we lost Ora Cates and Mamie Spencer. We will miss these ladies alot. Our love and prayers go out to these families.

A few of us ladies have been learning to play Skip-Bo. If anyone has time to come and play with us around 2 o'clock in the afternoon. Please come.

We played Bingo Wednesday afternoon and Saturday Ruth Hoggard and Mae Welch were blackout winners.

Thursday Rozena Zybach and Ila Collins brought some more helpers out to do church. We look forward to them coming.

That afternoon Barbara and Cathy popped popcorn thats a good treat.

Friday was Quilt Day some brought out their quilts for all to see. There was some real pretty ones on display.

That afternoon Barbara played cards with several of us ladies.

Ann Cole who is over the kitchen left us on Friday. We were told Joyce Irving would take over.

I don't know if I wrote about Jasper Bailey coming into our home. We welcome him. Alice his wife has been here for a few months. We also have another new resident, Margie Bonnell from Pampa. She is a really nice lady. As everyone has probably heard through the grapevine Cathy Montgomery is leaving the facility. We wish her luck in her new job, but we will really miss her. She and Barbara are a good team.

have a lot going these day.

Last weekend (Oct. 17-18) Marvin Grimes and his family from Lubbock came to spend the weekend with his grandparents, Doyle and Bulah Grimes.

Brent Grimes and his family from Hydro, Okla., had wanted to come for a visit while his brother was here. But like most man-made plans there's always a monkey wrench thrown in Brent's wife is an R.N. and that was her weekend to take calls.

Little Dee, Marvin's son, stays busy as a bee. Loves the farm and wants to try and do everything. He loves to go with the guys to check cows and feed. But gathering eggs is a must too.

Doyle and Bulah's son and daughter-in-law, Gary and Marilyn, of Amarillo, were up to visit with Marvins too.

Brother Johnny Crawford and his son joined a group of Promise Keepers from Canadian for a meeting in Dallas on Saturday. They returned home very late Saturday night or early Sunday morning.

Sunday was a big day for the Baptist Church. They had record breaker day. They didn't quite make it over 70 but did have 65 for Sunday.

A great group for church and a delicious pot luck dinner. Really a good crowd, great fun and visiting.

Rob Hogan gave a good speech about his trip to Siberia. It was a fantastic mission trip and the Lord's protective love brought all of our mission crusaders home safely. Thank You!

Rob was one of three that were detained from their regularly scheduled flight because of mix-up or over booking. (It was a scary time for the whole family).

The Lord watched over the 3 faithful servants and protected them. After everything was said and done the 3 were finally permitted to leave on another flight. The plane was quite away from the airport they were at. They had to ride in a cattle truck to get to the plane.

Rob was very impressed with the hospitality of the everyday, common, Russian people. It's the government officials that are the ones giving out the propoganda, still. Americans seemed to be in no danger from the average Russian people.

Thank you Lord!!!

Monday the Wheeler Volunteer Firefighters and Volunteer Ambulance Service assisted our volunteers on a house fire at the Harry and Thelma Chamberlain home in old Mobeetie. Thank the Lord that nobody was hurt.

The fire had been smoldering in the insulation of the house.

Harry has been working on a house up here in new Mobeetie. So they'll be moving up here soon. They just don't trust that place.

Harry and Thelma presently live in the house that Sandra Randolph last lived in. The Bob Aycocks and Tom Swigarts are their neighbors.

They'll be moving to the house between Rocky Ricketts and John Barnes on Third Street.

Did ya'll notice the Prime Sports Schedule for the new women's basketball pro-teams?

Sheryl Estes and her Colorado Xplosion ladies will be playing in three of the remaining six games. At the present they are holding on to two wins and two losses. They won both home games but lost both games on the road. (That seems to be something contagious with all the new women's league teams.)

Prime Sports is a feature of both the cable system and satellite. The ABL listing appears for Sunday view-

ing. There is a schedule printed elsewhere in this issue.

Sheryl and her Xplosion ladies are working hard, along with the other ladies teams to make the ABL the best it can be.

If you get a chance, check out our own hometown star at work.

Sheryl and her family appreciate the interest and support offered by their friends. Thanks!

Saturday, Bob and I took Michael

**Congregational Concerns:**

The fellowship luncheon that was scheduled to be held on this coming Sunday, November 3rd, has been cancelled. The next fellowship luncheon will be held on Sunday, December 1st.

The winter quarter of the Bible School program will begin on Sunday, November 10th.

Sonya Tabor, the daughter-in-law of Earl and Mabel Tabor, was baptized into Christ last Thursday night.

Congratulations must be expressed to Clarence Walsler who celebrated his eighty-fifth birthday on Thursday, October 24th.

Congratulations must be expressed to Eunice Edwards who celebrated her ninety-second birthday on Monday, October 28th.

Tillie Snelgroves is scheduled to have back surgery this week in Amarillo. She will be hospitalized in High Plains/St. Anthony's Hospital.

Avalee Crockett remains hospitalized in St. Anthony's Hospital in Amarillo, recovering from a stroke that she recently suffered.

**From The Minister's Desk:**

During the ministry of Jesus, His disciples never ask Him to teach them how to preach. While Jesus must have been a great preacher, the New Testament reports that it was His prayers not His sermons that impressed His disciples.

For example, Luke 11:1 reports that Jesus "--was praying in a certain place--" and when He had finished praying, one of His disciples said to Him, "Lord, teach us to pray just as John also taught his disciples."

Then Jesus said: "When you pray, say: 'Father, hallowed be Thy name. Thy kingdom come. Give us each day our daily bread. And forgive us our sins, for we ourselves also forgive everyone who is indebted to us. And lead us not into temptation.'"

Notice that Jesus taught His disciples in this "model prayer" that they must pray: "--Forgive us our sins, for we ourselves also forgive everyone who is indebted to us." (verse 4) The lesson is clear! If disciples of Jesus want to be forgiven by God, they must forgive other people.

But how do disciples of Jesus learn to forgive those people who are "--indebted--" to them? Perhaps the best answer to this question is found in an article that was written by Max Lucado, the popular religious writer. This article was entitled, "Forgiveness", and it said: ---

"What do you do when people mistreat you or those you love? Does the fire of anger boil within

you, with leaping flames consuming your emotions? Or do you reach somewhere, to some source of cool water and pull out a bucket of mercy to free yourself? Is there any emotion that imprisons the soul more than the unwillingness to forgive?"

"Don't get on the roller coaster of resentment and danger. You be the one who says, 'Yes, he mistreated me, but I am going to be like Christ. I'll be the one who says, 'Forgive them, Father, they don't know what they're doing.'"

"The first step toward forgiveness is to see the other person as a human being, not as a source of hurt. That's how Jesus treated us with mercy--He became one of us, He felt as we feel, He understood our frustrations. As a result, when He hung on the cross, He could look at those crucifying Him and ask God to forgive them."

"When you forgive someone, you are as close to God as you will ever be, because in that forgiveness you are demonstrating the very heart of God, the merciful King. If you want to understand God, if you want to draw close to him, then forgive someone today."

"Father, sometimes forgiving others seems hard and impossible. Forgive us when we hesitate to extend grace to others. And remind us that revisiting the cross is the first step in knowing how to forgive."

Church of Christ  
Wheeler, Texas**

and Brianna to Hereford to meet their Mom, Michelle and Wayne. They will be late so we checked out a few things in Hereford. Michael got to see where his daddy and uncles used to live and where daddy went to kindergarten and first grade.

Michael wasn't ready to go back, but was willing to let Brianna go with mamma. Michael thought he should come back to Mobeetie because "we freegot to go back to Dr. Mendiola". He left his spider ring drying on the tub. He didn't leave the cat any food. After driving around Hereford a bit and Michelle still wasn't there he was ready to go home to Mobeetie. Grandpa promised him just 15 more min.

After Michelle and Wayne got there everything was reloaded, and Michael found out he'd get to go roller skating on the way home everything was okay. Then Brianna wanted Grandpa back. Kids!!!

Hope the winds didn't blow you away Tuesday. The sunshine was wonderful!

Sure hope this finds Mary White feeling better.

So good to hear Pierce Walker sounding stronger again. Nettie is doing fair. Tires real easy. But was glad to see Kenneth and Vera Walker from Dumas with Pierce Sunday.

Friday Vera and Kenneth came by and kidnapped Pierce for the weekend. They all went to a music festival over in Elk City. Kenneth played to his hearts content. Vera and Pierce enjoyed the music and visiting. Pierce even tried waitzing again after almost 40 years. They all had a very enjoyable weekend.

Monday Lester Leonard took Pierce to Shamrock for a haircut. They had a good visit.

Tanya Stuart and Todd from Lawton came the 17th and spent the 18th with Calvin and Leola Stuart. They had a great visit.

Todd wanted to pet and play with the kittens, but even with grandma's help they were just too wild for Todd's taste.

Tanya and Todd went to Canadian to Grandma Peggy Dunn's Friday night. Saturday they took part in some of the Fall Foliage festivities and the Arts and Crafts fair.

Todd is a first grader this year and is doing very well in school. But he was sure glad to get a couple of extra days off so he could come to Texas.

Dennis, Vanessa and Garrett Stuart of Lubbock spent the weekend with Calvin and Leola.

Garrett is such a joy. A real busy little man these days.

Saturday night Jerry and Cheryl Richardson, Katie and Tyler of Wheeler came over to visit and play dominoes.

Gladys went home with Jerrys and visited until Monday P.M.

Sure good to hear everyone is do-

ing some better. With this crazy wind and the dry air those pesky coughs will probably return.

Iva Richardson came by to visit everyone Friday after work. Her leg and knee seem to be doing some better. Lots of long hours with her job at Mitchell's. Business is good!

One day last week Calvin went by Dale Richardson's in Elk City. Barbara's back is some better. She has gone back to work. Is being careful and managing.

Dale accompanied Calvin to Foss Lake to pull the boat off the lake for the season. Dennis helped his dad get the boat in the shed for the winter and get it winterized. Dennis also trimmed some trees out back while he was home. Some real preventative maintenance.

Calvin and Leola really appreciate Dennis. Always helping them get these extra things done.

Dennis stopped by Randy and Julies on their way home. The weather was still good and cooperating so they got to go to lunch and have a good visit. Garrett really enjoyed Zach and Jeremy.

Monday night, October 28, Jeanne Roper of Pampa hosted a birthday supper honoring her brother, Bob Sherrod of McLean. Also present were Lois Sherrod of McLean, Joe Autry of Pampa and Clifford and Euline Walsler of Mobeetie. Jeanne really out did herself with the delicious supper. They all had a lot of fun and good visiting.

Everyone is planning on Thanksgiving at Clifford and Eulines. Their brother Joe Ed Sherrod of Dallas is planning on being here.

Sunday they were by to check on Clarence and visit with him. He is real antsy.

Brother Bill Morrison had been out to visit with him. But couldn't find Clarence. Clarence had been out to check on a few cattle.

Gaylord Thompson's sister, Melanie, had breast cancer surgery in Oklahoma City Friday, Oct. 25. She did very well. Got to go home after only a day. Will have to wait about a month to start radiation treatments. Please keep Melanie in your prayers.

So sorry to hear Ted McCurley had a heart attack Monday night. They transferred him to High Plains Baptist Hospital in Amarillo. Please keep Ted and his family in your prayers.

Happy Haunting!!  
Hope you have a great week.  
Please don't forget to VOTE Nov. 5.

Our prayers and concerns: Ruth

# Ft. Elliott Cougars Fall On Hard Times

The Cougars have fallen on hard times losing their last three games to LeFors 31-62, Follett 19-52 and Groom 31-68. The Cougars are playing hard, but are not getting the breaks they received early. Ft. Elliott has also had some injuries that are putting people in different positions, but mainly we are playing better teams. Groom, who will win district, has more speed, strength and start a senior team. The Tigers quickly got ahead of the Cougars, who had a hard time tackling Justin Ritter. The Cougars did play better against Groom's second team and was able to score 31 points.

Stats:

Rushing:	Carries	Yards	TD's
Donnie Barr	17	95	2
Clay Zybach	2	6	
Zac Smith	1	1	
Passing:			
Curt Smith	6-16	117	2
Donnie Barr	1-1	12	
Receiving:	Catches	Yard	TD's
Donnie Barr	3	105	2
Ken Bails	1	5	
Clay Zybach	2	9	

In the Follett game we had 5 turnovers that led to 30 Follett points all in the first half as they took a 31-0 lead. We played better the second half with out turnovers to close the gap.

Rushing:	Carries	Yards	T.D.'s
Donnie Barr	18	172	2
Chris Mick	8	58	

Ken Bails	2	2	
Passing:	Int.	Yards	T.D.'s
Curt Smith	11-26	2	1071
Chris Mick	0-2	1	0
Receiving:	Catches	Yards	T.D.'s
Donnie Barr	7	81	1
Clay Zybach	2	12	
Chris Mick	1	12	
Michael Hilburn	1	2	

Follett had a good team and played very well but with 5 turnovers, 4 for touchdowns, you can't make those kind of mistakes. Ft. Elliott will play the Miami Warriors on Thursday October 31, at Miami at 7:30.
