The 17th annual 4th of July Celebration is shaping up. The lawnmower races have been added this year. See the story for full details and rules. There will be only one division this year to see how much competition we have.

-cwe-The races will be located across the street west of the park.

-cwe-

It is not too late to put your name on the list to operate a booth at the park. Here is an excellent opportunity for an organization to raise some money and have a good time while you are at it.

-cwe-Once again we have Wheeler's second grade letters to dad in honor of Father's Day, Sunday.

This year on Father's Day, my one and only grandson will turn 21. Happy Birthday, Ronal! -cwe-

was entertained Monday by Jake Ware, a recent Kindergarten graduate. He is a violin student of Lee Hibler. Quite the entertainer. Keep up the good work, Jake!

The Elk City Daily News called Tuesday to tell us they had a press down. We will just have to see Wednesday what we are going to do about the printing of the paper. Hopefully the part will come in and the paper will get printed on time. just walk and enjoy the fellowship -cwe-

Rob Schaffer brought in a picture of a tomato plant last week with a nice size tomato almost ready to eat. He was not the first in the area to harvest a tomato this year. I believe that honor went to Ruby Craig as reported picking a tomato on May 15, 2002 in the Allison News.

We spent the weekend in OKC. (Continued Page 5)

NEW DRUMS: Wheeler Band members proudly display the new set of drums that were purchased this year with the \$5,000 grant the Wheeler Band Boosters received from the Payne Foundation earlier this year. Mr. Wade Hampton, band director, felt that we needed to start by replacing the entire drum section. Rhonda McWhorter, Vice President of the Band Boosters, stated that there is still a great need for additional instruments, but due to the cost of instruments, we were only able to purchase the drums at this time. "Also I would like to remind everyone that if they have instruments collecting dust in a closet to consider donating them to the band. Most of the instruments that are available have to be used by more than one person. The Band Boosters still have Wheeleropoly games for sale. The profit from these games will be used to help purchase additional insturments for the band. We appreciate all the support the community shows to our students throughout the whole school. Without the support of the community, none of this would be possible," McWhorter stated. Pictured with the drums are (l. to r.)
