## Old Mobeetie Music Festival Begins Fri.

**CWE** CHAT  
WITH  
EDITOR  
By Louis C. Stas

From bright sunny skies Monday to heavy rains Monday evening. The amounts varied from the 1.84" I measured to the 1.3 at Briscoe and 0.9 at Mobeetie.

—cwe—  
This is going to add up to one wet July.

—cwe—  
It is a shame I did not have a garden ready to produce when the rains started. But, you never know and it can get dry mighty quick.

—cwe—  
The fun starts at Mobeetie tomorrow night, July 26, 2002. That is when the Old Mobeetie Music Festival gets underway.

—cwe—  
There are some of the bluegrassers already camped at the old jail and I am sure the jam sessions began as soon as they arrived.

—cwe—  
The Del City bluegrassers are to arrive at the Stas Bed and Breakfast on Wednesday afternoon to make sure they don't miss out on any of the fun.

—cwe—  
Remember, you do not have to drive any farther than Mobeetie for fine entertainment, great fellowship and homemade ice cream.

—cwe—  
We have the school calendars this week for Wheeler, Ft. Elliott

### Work On Courthouse Restoration Underway

What is going on at the courthouse? There are signs everywhere. Things sticking out of the windows. Strangers all around.

Not to work, the courthouse is in good hands. The sight supervisor is Denver Bruner of EcoSystems Environmental, Inc. Denver has twelve years experience in the field. Ice abatement has sent one of the best crews around. The abatement supervisor, Kelly Wright also has twelve years of experience in the field and is an absolute perfectionist. His right hand man, Roberto, has ten years experience and keeps everything under control. The rest of the crew is also experienced and all are hard workers. Everyone is working hard to make this first step in the restoration as smooth as possible.

Rob Schaffer, courthouse custodian, states, "I have worked close with Kelly and his crew and I cannot see how we could have found anyone better." The TDH (Texas Department of Health) man showed up unannounced Friday and found everything was in good order. If you see Kelly or any of his crew let them know how much we appreciate them.

Proverbs 24: 30, 34 I walked by the field of a certain lazy fellow and saw that it was overgrown with thorns, and covered with weeds; and its walls were broken down.

Sincere sympathy to family and friends of Clara Corcoran Ridgway, 78, in her death. A sweet lady. Very large crowd of relatives and friends out to her funeral.

Devin (Debil) McDaniel and Gabreil and Damien visited Devin's mom, Pam Jones, a few days. Good to see them. Pam goes to Amarillo some to baby sit the boys while Devin takes summer courses.

Nice to see Jerrie Moore and great-nephew, Toby Hubbard, eating at Maxeys Sunday for lunch. Toby is the grandson of Jerrie's late sister, Joreen, and Charles Hubbard. He has been staying with Jerrie and helping with maintenance work. Jerrie has enjoyed having him.

Ryan and Janae Brotherton spent last week with grandparents, C. B. and Maurine Brotherton. Doris Finsterwald and Brandon came in Tuesday and they all went to the park to swim and play. Later the Brothertons went out to Doris' home. The kids enjoy playing together and driving around to see things. Friday C. B. and Maurine took their grandkids to meet their mom, Kathy Brotherton and her mom, Sandy Denton, at Clinton, Oklahoma to go home to Yukon, Oklahoma. Keep praying for C. B. and Maurine.

Heath Parker, 13, grandson of Winnie Reid Dodge and great-grandson of the late Otis Reid was seriously injured about a week ago at Mt. Pleasant, Texas and is in a Tyler hospital. The other two boys in the car were killed. Remember Heath and his family in your prayers and the families of the other boys. Winnie grew up at Wheeler and is a cousin to Gena Zybach.

Striley and Andrew and a friend from Amarillo visited Willa. From Oleta Rogers. Thanks!

A Wish For You  
Happiness, deep down within.  
Serenity with each sunrise.  
Success in each facet of your life.

Close and caring friends.  
Love that never ends.

Ray and Glenda Hudson visited Brenda Graddy at BSA in Amarillo. Brenda has been there a month with fever and blood clots in her lungs with complete bed rest. She can be up a little now. Ray and Glenda Hudson also visited Max Satterwhite from Panhandle at

BSA. He had infection from an IV site. Pray for these.

Saturday night Ray and Glenda and Hack and Bobbye Coffee and Lacreata McLanahan and friend, Danny, all went to Lipscomb to a Frankie McWhorter Dance. There was a very large crowd at the dance platform. Delicious Barbeque turkey and goat plates were served. Lipscomb is a very tiny town in a sparsely settled county north of Canadian. But it refuses to die. They also have an art gallery. Robert Rogers, cartoonist, also had his drawings on display and some for sale. They had a fun time.

It rained awfully hard on us Monday night coming from Miami. Made it hard to see the road at times. When we got to Doyle and Bulah's we waited awhile for rain to stop so they could go in without getting drenched. When we met trucks or they passed us, we were really blinded by the water kicked up. Thankful for rain.

Shelby Dawson, 2, spent a few days with grandparents, Ed and Laurel Hershman, while her parents, Sarita and Brad Dawson and Micaela went on a river-rafting vacation with their church group.

From Mobeetie Baptist Church going to Wheeler Care Center Sunday to make beautiful music and sing were Marion Grimes, Doris Finsterwald, Bob Meller and Nadine Lane and also Martha Meek. They also visit with the residents.

I wonder if 2002 may be one of the wettest Julys on record.

**Miami Fun Bunch**  
Good to have Doyle and Bulah Grimes go with us to Miami Fun Bunch Monday night. Hostesses were Evelyn Huff and Jane Bright. There was a varied and very delicious meal. Next meeting August 12 will be pot luck with no hostesses. Roberts County Sheriff presented a program on the new system they are installing that will automatically call people to see if they are o.k. If no answer they will alert the dispatcher and someone

## Wheeler Church of Christ

When things go wrong we are often quick to assign blame. Lawsuits are filed for virtually any reason when it is hard to immediately assign blame. Perhaps sometimes things just happen according to God's ultimate mysterious ways. The frustrating thing about this is that we may never know why God chose for things to be the way they are. But if we trust God (and he has time and time again proven to us that he is worthy of trust) then we also trust that God knows what he is doing. Nonetheless, we frequently look for someone to blame.

In John 9 the disciples with Jesus are walking along and they come across a blind man. Immediately the disciples respond like humans and reason that someone must be to blame for this man being born blind. So they speak to Jesus: "Rabbi, who sinned, this man or his parents, that he was born blind?" It is interesting that they see sin as the reason for physical infirmity; however Jesus points out that sin and physical infirmity are not necessarily related to each other.

In fact, probably even surprisingly presented to the questioners Jesus says "neither this man nor his parents sinned, but this happened so that the work of God might be displayed in his life." You can look down a few verses after this and see that a miracle occurs and that the blind man sees, but even if Jesus did not perform a miracle for that man, the truth remains that the work of God can still be displayed in that man's life. Whatever things in our lives that seem to be wrong can still be a stage for the work of God being displayed.

This Sunday at the Church of Christ in Wheeler we will be studying how Jesus works fulltime in his efforts to save people's souls, even if that means working on the Sabbath day. On Sunday night we will finish our study of the book of Habakkuk. On Wednesday, July 31 we will have Boyd Williams from Miami be our guest speaker. Come join us.

sity. However, a majority of the recipients still are choosing to pursue a degree in agriculture or life sciences.

The scholarships presented to Texas FFA members are only one part of the Show's current annual commitment of more than \$8.5 million. The Show also awards direct scholarships through the Texas 4-H and the Texas Family, Career and Community Leaders of America, plus through the Show's Metropolitan, Opportunity

and School Art programs. In addition, the Show funds research at 10 Texas universities, enhances educational opportunities through grants, and supports the Rodeo Institute for Teacher Excellence.

The Houston Livestock Show and Rodeo is a 501(c)(3) educational charity and has committed more than \$85 million to scholarships and educational programs since 1957.

## TURN ON THE MUSIC

Lorena g. Males

"105 new Steinway pianos at Oklahoma City University—a gift from Wanda Bass. She made this generous gift to inspire young people to become the best they can," so said a news release recently.

In pioneer days it was the dream of many parents to offer their children piano lesson. Pianos were scarce as hen's teeth. Many learned to play on an old pump organ. Some taught themselves and "chorded" while someone else played the melody. Parents made every sacrifice to produce a piano player.

Today, with such a tight schedule and so many demands on the youth, piano lessons get crowded out. The piano is a jealous mistress and demands your time and devotion.

Parents and teachers should do all they can to furnish a good piano.

Can you imagine practicing on a piano with a broken pedal—or with some key that won't play? How about working in a sweltering little room, like a box, while the sweat pours down? These conditions drown into the music.

Then to read of 105 New Steinways—better than 76 Trombones—it sounds like heaven!

I don't know Wanda Bass but I think this is the greatest gift on earth!

Ephesians 6: 11-13: Put on the whole armour of God, that ye may be able to stand against the wiles of the devil. For we wrestle not against flesh and blood, but against principalities, against powers, against the rulers of the darkness of this world, against spiritual wickedness in high places. Wherefore take unto you the whole armour of God, that ye may be able to withstand in the evil day, and having done all, to stand.

Another nice sunny Monday morning here in Allison with little wind.

Clifton and Louise Boydston's last Sunday dinner guests were Pearl Harrison, Eddy and Wanda Walker and grandson, Tyler, and Mike and LaQuinta Hulse from Tucson, Ariz.

My son-in-law, Darrel Harrison of Amarillo picked me up last Thursday and I went back to Amarillo with him and spent the night with Johnnie and Darrel. Early Friday morning Johnnie and I left Amarillo, going to Clovis, N.M. and spent the day with my daughter, Peggy White. We had a good time shopping and eating out and just being together. We visited in Peggy's home in the afternoon and had birthday cake and ice cream. Then left on our way back to Amarillo, and got there about eight o'clock. Darrel brought me home early Saturday morning. Then he went on back to the farm to do what he does over there.

Jerry and Cathy Gilmer of Amarillo came Sunday morning and were in church with me. From there we went to Wheeler to Maxeys and had dinner, came back to Allison, and they did jobs around the place that I couldn't do. I can mow the yard but Jerry did that for me, and I appreciated everything he did for me so very much and we did get some visiting done.

There was a birthday celebration for Darendra Begert's grandmother last Sunday afternoon at the Erick Nursing Center. Clara Hill celebrated her 99th birthday. Those attending from Allison were Hiram and Darendra Begert, Bret and Hayley and McKimley Begert, Bill and Willa Jean Shelton and Rusty Shelton from Oklahoma City.

Opal Boydston was supper guest with Stephanie Walker, Tyler and Addison at Wheeler one day last week. Juanita Boydston and Wanda Walker attended the supper that was served at the Church of Christ for the ones that were doing the walk-a-thon across Texas.

On Wednesday Opal, Juanita and Curtis Boydston attended the yearly United Pentecostal church camp meeting at the camp grounds, through Friday night. They spent the nights with Warren and Charlene Brown. On Thursday Juanita had dental work done in Amarillo.

Roma and Billy Brown went to Amarillo last Monday to attend the United Pentecostal camp meeting through Monday and Tuesday night. They spent both nights with Warren and Charlene Brown. Sunday dinner guest was Thursa Poindexter of Cheyenne, Okla.

Peggy Chandler's house guests for a few days are Melvin and Betty Stinnett from Buena Vista, Colo. Red and Anna Dukes house guests from Friday to Sunday afternoon were Jim and Shirley

Pewitt from Paradise, Texas. On Saturday they all went to Shamrock and picked up Bessie Crenshaw and then on to the Windmill Restaurant east of Shamrock on the edge of Texola.

Rita Grayson left last Thursday morning with Debbie and Tim Jones. They went to Ruidosa, N.M. Rita stayed with Everett and Billy Dollar. Rita, Tim and Debbie came back home on Sunday. Rita said she enjoyed her visit very much with the Dollars.

Lee and Sharon Hall and grandchildren, Jordan and Elisha Jones, spent the weekend with Troy and Lona Jones and their grandson. On Sunday Nona Jones and Bill and Kay Donaldson were dinner guests with Troy and Lona and their other guests.

Recently Edna May's daughter, Linda and Dean Lieb and their granddaughters, Molly and Kate Lieb from Morse, Texas, visited with Edna to help her celebrate her birthday.

will go check on them. Ones who want to be included in this service will need to register. It will not replace 911 or lifeline. Some others at Fun Bunch included Sid and Betty Talley and grandson, Chase McKenney, Twila Taylor, Frank and Evelyn Heare, Georgia Dea Holland, Shy Bailey, JoAnn Morgenstern, Pearl Skeen, Sarah Gill, Vera Murphy, Vera Nolty, Esther Bowers, Willis and Verna Fillingim. Visitors always welcome.

The ladies of Miami Baptist Church had a luncheon recently to celebrate Pearl Skeen's 89th birthday. Frank and Evelyn and Doyle and Bulah had wedding anniversaries.

Sunday dinner guests of Martha Meek were Cindy and Don Hartsfield and Glory and Hayden and Chuck and Phoebe Hartline and Aaron and Tamera. Visiting in the afternoon were Mack and Linda Sides and Jimmy and Tivian Sides and Hannah and Taylor from Abilene.

Martha was expecting Shawn and Amy Everett and Dakota, Codi and Colton from San Antonio to come Monday for a visit.

Coming Friday night to Bevard and Diane Dukes home were John Paul and Deidre Harris and Logan and Carissa Dukes and Britt McCarter. Saturday they left early for Foss Lake and played in the water, tubing and boating. Logan loved the mud and the water. They had a picnic lunch under the trees, and had fun. Sunday Carissa and Britt went back to Canyon. Carissa had to work. The others went to Church of Christ at Allison and on to Hill Top Cafe for lunch. Monday Diane was still doing laundry.

Bob and Gena Zybach enjoyed visits from Diane Dukes, Carissa

Dukes and friend Britt McCarter and John Paul and Deidre Harris and Logan Saturday night. Visiting them Sunday night were Wayne and Kathy Zybach.

Ned Burrell and granddaughter Stacey Burrell spent ten days visiting Stacey's mom, Trudy and husband Lance Kendall at Santa Cruz, California. They had a great time and saw 4th of July fireworks at Monterey Bay, (very cold), Golden Gate Bridge, rode a train to see the Red Woods, saw an old fort from the 1800's, China Town and many other things. They got back to Wheeler July 9. Ned was still tired when she went July 13 to Macon, Missouri on the Mission trip. But enjoyed both trips very much. Ned helped with food preparation at Macon. Has been resting up since she got back, and probably doing laundry.

Nice to have Joe and Sherry Wagoner from Canadian join us for supper at Maxeys Tuesday night. They do lots of nice things for the older widows of Canadian First Baptist Church, such as mowing lawns for several.

Nice to see Hannh Fay Chapman and grandson Dirk Chapman eating at Maxeys one night. She is a very proud grandma and has a right to be. I've known Hannah since days at Briscoe School. She was a star athlete, too, and a little younger than me. Dirk's family were gone on the Mission trip.

Nice to have son Danny come by Thursday for a little visit. And Saturday. Always helpful.

Rosalie and Jimmy Keelin vis-

ited Gene and Norma Keelin and Daniel Sunday in Wheeler. Rosalie also visited a little while at the Wheeler Care Center.

Thanks Juanita Fillingim for driving us to Pampa Thursday. Willis saw Dr. Baker, the eye doctor, for a second opinion. No surgery planned. Had a nice meal at Furr's Cafeteria. Saw Marie Baker from Canadian with Lorene McCormick from Miami there. And many others. Dr. Baker's opinion was basically like Dr. Robin Smith.

Sincere sympathy to his wife, Clara and other family and friends of John Holcomb in his death. He and brother, Jake Holcomb were the main builders of our house in the country in 1964 with help from Raymond Burke's building cabinets and built-ins, Clint DeWolfe on the brick, Hub Hubbard, paneling, etc. Guynes on the plumbing

about 60 days. The commissioners should be able to take bids for the rest of the project in September.

The consideration of the burn ban was on the agenda, but there is no need for a ban at the present time.

John Sullivan, Wheeler EMS Director, informed the commissioners of a change in the contract for billing of the ambulance service. The company presently used for billing is going out of business, effective the end of the month. A new contract with a different company was presented and accepted with the addendum required on county contracts.

Scott Porter, Wheeler County Tax Assessor, presented the delinquent tax rolls. The commissioners accepted the tax roll as presented.

Item 8 on the agenda for the Commissioners to consider a resolution for Wheeler County to exempt organizations engaged primarily in charitable functions. This was tabled until the next meeting in August to allow for the commissioners to do research.

Precinct 2 recently had a motor "burn up" in a '85 Chevrolet Pickup. The Kelton Fire Department requested the pickup title be transferred to them. The commissioners voted to place the pickup in the county's surplus auction in September.

Commissioner Daryl Snelgrooves asked his fellow commissioners to consider allowing him to consider bids for a new maintainer. The county will advertise for bids for a new motor grader.

## Mary (from Page 1)

Mary and her husband Louie have cattle; they also host a 3rd Saturday Night Opry each month at their place called, "Mary's Music Barn". Mary has several tapes, and CD available. She also has compiled a "country cookbook" of over 700 recipes from her friends and fans, from every state, and several from overseas, if you like cookbooks I am sure you will want one. If you like the "real" sound of country, and bluegrass singing, I think you will like Mary.

Bobby Willard-Bobby has been playing bass guitar for Mary and "A Touch of Grass" since 1996 and a good job he does. He was born in Southeastern Oklahoma (Non). He grew up in a musical family, so music has always been a part of his life. He also plays guitar, mandolin. Bobby has played with several bands through the years while he was making a career in the United States Air Force, and has been the opening act for some of our country legends while stationed in Lubbock, Texas. If you ask Bobby what his hobby is, he will tell you first; music, then he will tell you he likes camping, and fishing, and he likes to work on small engines. Bobby is retired from the Air Force, and now makes his home near Stonewall, OK (Union Valley) with his wife, Kay. They have two sons and four grandchildren, with another one due soon.

Paul Carr-Paul plays "Lead Guitar" for Mary, and "A Touch of Grass". He was born in Sapulpa, Oklahoma, and began his interest in the guitar at the age of eight, by the time he turned twelve he started singing, and hasn't stopped. Paul plays harmonica, and is a songwriter. He started playing professionally in 1952, in Fresno, California. It was there he met up with several of our "country legends". In 1978 he entered a talent contest at the famous, "Cains Ballroom", in Tulsa. Thirty-seven entered the contest, and you guessed it, Paul won first place. The next year (1979) Ernest Tubb was booked at the same place and Paul was asked to open the show for him. Paul had his own band in the Tulsa area for about ten years. Paul is a retired truck driver, but he still drives a public transport bus for Purcell, Oklahoma. He has five children, three boys, and two girls. His hobby is Music. Paul and his wife Linda make their home in Lexington, Oklahoma.

Alton Scott-Alton plays the fiddle for Mary, and "A Touch of Grass", and sings lead, and harmony. He can sing all parts of harmony, and can even sing his friend, Agnes' part when she doesn't show up. Alton has been playing since he was eleven years old. Fiddle is his main instrument, but he can play several other instruments. He also wrote a fiddle tune called "Scotty's Fiddle". Alton is a "Traveling Sales Representative". He has two daughters, two son-in-laws and three granddaughters. His hobbies are Music and Softball. Alton makes his home in Oklahoma City, Oklahoma.

and others. Good job. May God comfort each of you.

Nice to have Doyle and Bulah Grimes eat lunch at Mobeetie Cafe with us Tuesday. We had a good visit. Nice to see Doug Corse and Patricia Eads there.

Nice to visit with Henry and Margaret Leach at Wheeler First State Bank Tuesday. They never did find their heifer that strayed.

Wednesday July 17 was Verneal and Juanita Prater's 54th wedding anniversary and their daughter Wanda's 53rd birthday. Verneal and Juanita left home about 3:30 a.m. Wednesday. They stopped for doughnuts in Chilreess and went through Guthrie (lots of road construction) and on to Stamford to get Wanda to visit for ten days or so. They got back to Maxeys about 12:00 noon for lunch. They filled up with gas (or diesel) in Shamrock. They drove about 439 miles. Happy Anniversary, Verneal and Juanita! Happy birthday, Wanda. Have fun!

### Macon Missouri Trip

About 30 men, women and teens from Wheeler Baptist Church left Saturday to go to Macon, Missouri to help sheet-rock the addition to the First Baptist Church there—a pretty large, tall building. Mike and Janie Blackburn and Tabitha from Kansas City joined them. Mike was a great help in the kitchen as he had been a navy cook, cooking for large groups. The Wheeler church group paid for their own rooms and prepared their own food. The Macon group did furnish snacks and desserts some. Several helped with VBS. Some who went were Von and Cindy Chapman, Weldon, Delores and Jotana Simmons, Toby Henson, Matt Hampton, Bob and Evangeline Wills, H. B. Krug, Ned Burrell, Claudia and Keri Marion, Wes and Cindy Bradstreet, Jim and Nicki Calderon, Samantha and James Chapman, Kyle Goldsmith and brother-in-law, Todd Hubbard, Betty Chapman, Bill Smith, Bob Rowley, Mike and Amber Keith, Amanda Bond, and Dwight Arganbright. They got their projects done good. The Macon people were very appreciative of their helpfulness. All worked hard and were blessed.

### Flood at Tuscola

Elva Wood and Zoah Britton enjoyed visits from their granddaughter Carlene Stewart and Garrett, Britney, Everett and Matt from Tuscola, Texas about 15 miles north of Abilene. Five homes there got flooded by over eight inches of rain. At Carlene's the carpets had to be removed. Sheetrock had got soaked to about three foot on the walls and had to be sawed off and replaced. Also baseboard and insulation were soaked and furniture. They swept out the garage as soon as they could and moved furniture out there. Sunday Carlene and children went to the United Methodist Church in Wheeler with Grandma Elva Wood and Uncle James Hubble. They had dinner at the church. Grandmother Zoah Britton from the Wheeler Care Center got to visit with Carlene's family at Zoah's son's house. Carlene and Richard Britton's house was badly flooded. So sorry.

### Hovey Funeral

There were many relatives and friends from Mobeetie, Reydon and many places out to Mobeetie Baptist Church Friday for the funeral of retired Pastor Bro. Ralph Hovey, beloved by many. Our sympathy to his wife Mary and other loved ones. Bro. Jeff Messer from Amarillo, a special friend, officiated. A son, David Hovey sang a special and led two congregational songs. Randy McCurley read the obituary. Jim Batton also sang a special. Doris Finsterwald played beautiful music. Pallbearers included Dewayne Hovey, Jeffrey Hovey, Robby Hovey, Bill Howard, Cal Leslie, Collin and Randy McCurley, Jeremy and Larry Tomlinson. Honorary Pallbearers included Joe Darnell, Bill and Bob Finsterwald, Chuck Hogan, Ted McCurley and Pete Seitz. Employees of Mobeetie Bank were there to show support. Mary has worked at the bank for many years. At the close of the service, Mary Hovey gave a brief talk of appreciation and thoughts that she thought Ralph would want said. May God comfort each of you. Dinner was served at the church.

Nice to have JoAnn Morgenstern visit us Saturday and eat supper at Maxeys. We celebrated her birthday. Maybe she won't mind that I tell she turned 73 on Wednesday. A very sweet lady, and a dear friend.

Good to see Marie Baker at Maxeys with Larry and Deanna Baker from Pampa. They had been to Cheyenne to the hospital to see Marie's sister, Allene Parman. Allene has been pretty ill with two weeks in Amarillo in the hospital and three weeks at Cheyenne Hospital. They were pleased to see her looking good, but still on dialysis. Remember Allene in your prayers. Much improved.

Also at Mayeys were Russell and Carol Bradstreet and boys, Tyler and Logan from Elk City with several family members. Good to see them. Russell's dad David Bradstreet was there and Kassy Martinez and Brenae.

"God be with you till we meet again."

## Walmart Awards Grant To Co. 4-H

Wal-Mart associates in Pampa, Texas presented the Wheeler County 4-H with a \$ 500.00 grant today. The donation was raised with the help of 182 members as part of the Wheeler County 4-H Community Matching Grant Program.

"Our Wal-Mart associates were thrilled to work with the Wheeler County 4-H to raise funds for a worthwhile cause," said Terry Randle, manager. "The money will be utilized for programs in the local community and we are glad to support this organization. This is just a small part of Wal-Mart's ongoing commitment to the communities in which we operate."

The Community Matching Grant Program is the largest program funded by the Wal-Mart Foundation. This program involves fundraising efforts by not-for-profit organizations with the participation of Wal-Mart associates. Wal-Mart matches up to \$1,000.00 of the funds raised. More than 50,000 matching grants, totaling nearly \$36 million, were awarded through the matching grant pro-

gram in 2000. Wal-Mart helped raise and contribute \$71 million for local communities through joint efforts with these organizations.

Wal-Mart Stores, Inc. empowers its associates to serve the needs of their communities through the Wal-Mart Good Works initiative. Last year, associates of the company's 3,000 Wal-Mart stores, SAM'S CLUBS and distribution centers raised and contributed more than \$190 million to charitable causes nationwide. Wal-Mart's unique grassroots approach to giving has enabled the company to ensure that 97 percent of all dollars contributed by our associates are used in local communities. More information about Wal-Mart can be located online at: [www.walmartstores.com](http://www.walmartstores.com).

Melissa Hampton, Wheeler 4-H Photography Volunteer Leader and Tammy George, Pampa Wal-Mart Associate are pictured receiving the donation.

and Allison. It is hard to believe it is time to start thinking about school already. That time will be here in three weeks.

We went to OKC Friday to spend the most of the weekend with Jennifer. On Saturday we went to see Mother Porter, Bill and Betty and returned home Sunday morning.

Had to make sure the grandpuppy doesn't forget me. She wakes me up around 6:30 for her morning walk.

Each time I mow the back yard, I am reminded of my missing 100' extension cord. Barbara and I both remember loaning it to someone. It is a flat tan cord. I certainly do need it.

Monday night was card night. Mike and I won the first two games and were in the lead at mid-point of the third game when Rhonda and Leroy arrived. Rhonda, Bob and Dwight came back to win the third game.

## Mustang Athletic Boosters Seek Information On Past Athletic Honors

The Mustang Athletic Booster Club would like to create a large sign listing team honors. This sign will be at the site of the old football concession stand. We have done a little research to get things going, but would like to ensure that we have not omitted any teams. If you have information to add or correct, please contact Kjm Goad at the Wheeler School, 826-5241.

The most popular Christmas carol, which has been translated into every language on earth, is "Silent Night."
