And, remember to thank First State Bank and Wheeler Banking Center for printing all the pictures of the games.

My sympathy to the family of Ruby Beshears. I always enjoyed visiting with her at McIlhany's as I was making my rounds.

-cwe-Leroy and Rhonda gave us an opportunity to travel south. We stopped Thursday night in Sherman and played a game of 'Hand and Foot' with Juanita Stas and Jan - Ronal Wayne was also present.

We traveled on to Huntsville on Friday and met Cathi and Dorcie and took them on to the Woodlands with us.

-cwe-The Meriwethers returned to Hinton and we returned to the ranch with Cathi and Dorcie. We returned to Hinton on Sunday afternoon.

-cwe-Sunday evening we went to OKC and spent the night with Jennifer. -cwe-

We were home for cards Monday evening. Leroy, Dwight and I were working toward a 'skunk', but Rhonda, Mike and Larry managed to win the last game by a narrow margin.

I'm glad to be back home in the good ole US of A again. I did have a great trip and a wonderful time on the Senior Escape Bus Tours by Jen - Nell of Oklahoma City, Oklahoma. A General Conference Trip in Toronto Ontario Canada. Opal and Juanita traveled with Louise, leaving Sunday morning early in time to attend Sunday morning church service in Elk City, Oklahoma with Pastor Jimmy and wife Vivian Wallace, who pastors the church there. After church we ate and then headed on to Mustang, Oklahoma. When we arrived at Mustang, Curtis and Lillian Boydston met us there and took Opal and Juanita to their house in Oklahoma City to stay the night. Louise stayed with Henry and Dora Lea Dupont in Mustang to be close for departure early in the morning. Vance and Carol Boydston journeyed to Oklahoma City or Norman, Oklahoma to stay the night there. Vance and Carol, Opal and Juanita and Curtis and Lillian attended Sunday night services at the Southern Oaks United Pentecostal Church in Oklahoma City. They were pleased to see several that was going on the trip also.

After church several of us went out

and ate at the I-Hop and celebrated one of the guy's birthday that was

going on the trip. Monday, September 22nd, we all met at the United Pentecostal Campground in Mustang where two buses were waiting for us to load up. We departed around six thirty a.m. and headed for Tulsa, Oklahoma where we gained more passengers. We ate breakfast at McDonaids in Tulsa. First rest stop was in Joplin, Missouri, the next rest stop was in Sullivan, Missouri. Then on to Springfield, Illinois where we stayed the first night in the Baymount Inns. Feeling rested from a good nights rest we left out at seven a.m. and headed towards Chicago, Illinois. This is where we went up in the Sears Tower, the tallest building in the world. WOW.!! It didn't take long at all to get to the top in the fast elevator. At the top you could see four different states. It was beautiful up there. After an hour or so there we headed on to Kalamazoo, Michigan where we ate and took a break. Then on to Detroit, Michigan, where we ate at the Country Buffet and then on to Windsor, Ontario where we stopped at the border and exchanged our money. We checked into the Days Inn. After a good nights rest we left around seven a.m. heading to Toronto Ontario Canada. Arriving in Toronto we ate at the Sister's Restaurant before checking into the Best Western, where we stayed the five days while in Toronto. Our first night

there, we enjoyed a songfest at

the Air Canada Center where our conforence was being held. The

next day, a few people on our bus

wanted to attend a business meet-

ing at the conference. The rest of

us toured the Casa Loma Castle,

the only castle on the North Ameri-

can Continent. It was beautiful place to visit, flowers and water falls all around. Inside was rooms and rooms of Toronto history, of the people that once lived there and the history of the town and wars that were tought there. It was very informative. There was lots of stairs to climb from room to room. Then there were more stairs that were very spiraling going up to the very top of the castle. After touring the castle, we ate at the Mache'. This was quite an experience. They gave us a slip of paper as we entered and they told us not to lose them or we would have to wash dishes for two days. So we held

them tight. Anyway there was different food booths around in the building and you had to shop for your food. Each place you bought something they stamped your paper and when you checked out you received the surprise of how much your meal cost. I'm thankful to report that no one lost their papers. We went to church that night. Then there was two more great services, day and night that we enjoyed as well. We had a continental breakfast each morning at the Best Western, and almost everywhere else we stayed. All our church services at the conference was powerful and awesome. The next day after breakfast we attended conference services. After services we went shopping in the Eaton Mail. There was eating places all around so everyone was able to eat whereever they wanted to. Enjoyed another (Continued Page 5)

### Wheeler Church of Christ

I have been doing a lot of reading, studying, and thinking about worship and praise recently. It is amazing how much space in the Bible is used exclusively for the purpose of praising God. Someone might even find some of these exclamations of praise as repetitious and maybe even a bit monotonous. I will admit that at some weaker points in my life I also shared that negative view. But the more I immerse myself in these passages of praise, I begin to realize that even more time could/should be spent in praise. The last three Psalms (148-50) basically say similar things: that everyone and everything praises God. Isaiah 55:12 has the mountains and hills bursting into song and the trees of the field clapping their hands.

We could spend all of our time in worship legitimately engaged in praise and it would be a valuable day. Even if we walked out of the church building having learned nothing new, the Heavenly Father, then it would be the best time. We should rejoice as we sing songs ("Hallelujah, Praise Jehovah" from Psalm 148). We should bow down in reverence in prayers of adoration. We should "Amen" words spoken that give the Lord Its proper due.

At the Church of Christ in Wheeler for the past several

but having experienced an hour

(or more!) of simple praise to

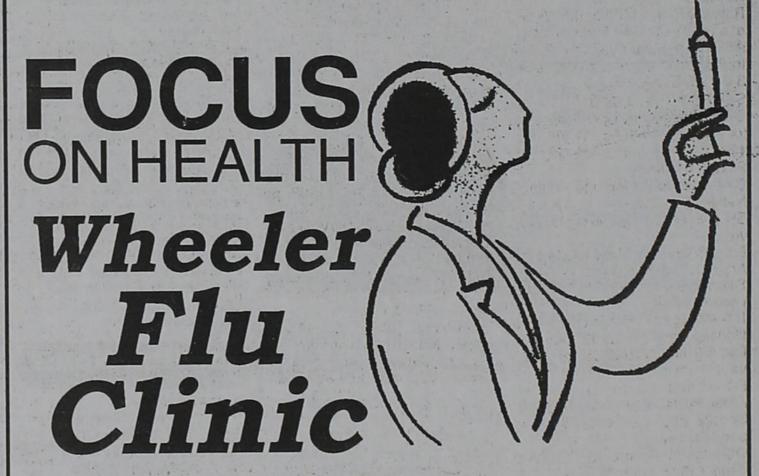

Wheeler for the past several weeks we have been talking about worship, examining things such as the public reading of scripture, our songs, our times of prayer, and fellowship. Praise is an aspect that can be, and should be present in all of these dimensions of worship. In the next few weeks we will also talk about contributing and the Lord's Supper (there will even be several lessons concerning the Lord's Supper).

As always, you are invited and encouraged to be a part of our worship opportunities. See you Sunday.

Marie Gudgel's family helped Guthrie's house at 1108 S. Main mostly Saturday. Jeff and Melie Kelley also helped a lot. Some others helping were Dale and Jeanie Binion from Midland who spent Saturday night with Marie and went home Sunday. Also Gerald Gudgel and son Jason and son-in-law, John Huff all from Oklahoma City. They worked hard and went back home Saturday night. Marie appreciates so much all their help. Daniel Keelin will move into the house where Marie lived at 705 Alan Bean.

Nice to visit with Terry Massey and his mom, Ruth Massey at Hasty's Friday evening. Terry planned to go to Wheeler to see the Mustangs play Stratford. He

Sincere sympathy to family and friends of Ruby Beshears, 77, in her death. Sweet lady. Getting together for supper and to listen to the music at Cowboy Oasis Saturday night were Edd Url

Luttrell, Tammy and Chuck Hutchinson and Timmy, Michelle Andris and friend Jeffrey Pshado, Delmer and Judy Schoenhals and Sallie and friend Rochelle. At the Adam Tipps Benefit, they all bought tickets for steak suppers from the Cowboy Oasis. Nice to see Kandi Stages and

several girls from Samnorwood at Maxeys Saturday. They had run cross country at Canadian and stopped back by Maxeys for lunch. Also saw John Stages and Sunni Jo with them. Rita Pearson went to Amarillo

Friday to a Farm Bureau Insurance meeting. She also visited her brother, Joe Lackey, and took him to Canyon to see Lindsey and Blain. They ate supper at Braums and Joe spent the weekend with David and Rita. They took him back to Amarillo Sunday.

Praise the Lord for Jim Kephart of Mobeetie who comes when you need him. I was washing clothes Tuesday when we had sewer problems. Water on the floor and in the bathtubs. Bless you, Jim! Glad I didn't have a house full of company or on a weekend. (I've been there and done that.)

Monday night for a delicious pot luck meal and visiting and games of 80. Martha Meek baked the birthday cake, but no one admitted to being older. Leonard and Bertha Hollis recently celebrated their 59th wedding anniversary on Sept. 24. Some others present were Joyce Perkins, Lou Dean Douthit, Willis and Verna Fillingim and Evelyn Meek. Several regulars were unable to be there. We did have a nice time.

Dallas, we found the missing blue Marc cap; it was at Wheeler Senior Citizens. Yea! Willis' favorite caps. The other one had been washed a few times, at least three, in the machine. Still looks pretty

Good crowd out to Cowboy Oasis Saturday night for supper and music with singing by J. W. Lane and his mom, Sheryl, and grandma, Nadine Lane, and J. W.'s brother, Jimmy. Very enjoyable. Always good food.

There was a big crowd of relatives and friends out to Glen and Nona Elmore's party for their 70 Wedding Anniversary. They were looking good and there was a beautiful 3 tiered cake and punch and

(from Page 1) disease. Increased knowledge and understanding of CF in schools, the workplace and social situations will greatly improve their quality of life. In addition, awareness brings about earlier diagnosis, which is imperative for optimal

treatment. Want to learn more about spreading awareness about CF? Visit the NCFAC web site. http://

www.cfawareness.org. Free materials are available for downloading and using in classrooms for eduction purposes.

Some symptons of CF are: saltytasting skin, persistent cough, wheezing or pneumonia, excessive appetite, poor weight gain. People may have some, all, or none of these symptoms. The most commom test for CF is a simple, painless one called a "sweat test".

CF causes the body to produce abnormally thick, sticky mucus which can interfere with digestion (causing mal-absorption) and clog the lungs (leading to life-threatening infections).
