Spend An Enjoyable Day At The City Park In Wheeler

The Nineteenth Annual 4th of July Celebration will be held this year under the sponsorship of the Wheeler Chamber of Commerce. The activities start early **Saturday, July 3**, with breakfast and end with the street dance in the 100 block of East Texas Street on the square or the city park.

Saturday morning will open with breakfast with the St. Mary's Catholic Church at 801 Canadian Street, beginning at 6:30 A.M. You do not have to get up that early. Serving will continue for some time. This breakfast is a must in your day of activities.

The Fun run will be under the supervision of Kenna Howard. Starting time will be at 7:30 A.M. Individuals who signed up for the fun run early were charged a \$10.00 entry fee; those participating without pre-registering will have a \$12.00 fee. Each individual participating will receive a t-shirt; those registering on the day of the race may have to wait for their t-shirt.

It is not necessary to run; many just walk and enjoy the fellowship of fellow participants. I like this poem from the Canadian Record.

"As I grow old, I hope I'll grow more mellow.

Less quick to criticize the other fellow.

More generous, too, I'll know the joy of giving.

Hand in my treasures, simplify my living.

I'll burn my souvenirs of old romances,

Tie up the loose ends of my frayed finances.

I'll write my will, I'll regulate my diet,

Cut out late hours and lead a life more quiet.

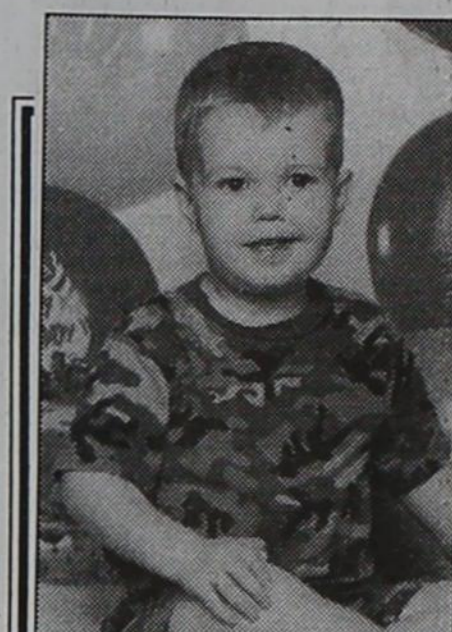

Hunt up a home where loné old ladies gather,
In lavender and lace, discussing woes and weather.
Sometime I'll have to face these questions weighty.

But not today, there is no rush, I'm only 80.

Wheeler Church of Christ

A big thanks to so many who helped in our Vacation Bible School last week. Some of our classrooms were decorated up so beautifully. With our theme of "Discovering Bible Treasures" a few rooms had been transformed into scenes where hidden treasure could be found. So many people helped provide food and we had a bunch of helpers in that area, too. Special thanks to all of our Bible class teachers, puppeteers, helpers, and all who made it a great day. I also want to say thank you to all of the children who showed up and their parents who realize how valuable a Vacation Bible School can be. Yes, things were learned, but I also think that ideas and messages were presented that years from now will come back to impact these children. July 4th falls on a Sunday this year. Other than altering the

specific time of our amazing fireworks spectacular, it means that on Independence Day we will be worshipping together. Both of our Sunday lessons will incorporate ideas that jump from our nation's history. Certainly you are invited to attend both our morning service at 11:00 and our evening service at 6:00. But I wanted to tell you a little about the evening service. We will have a patriotic devotional with several patriotic songs that also point to our God being such a pivotal part in our American culture. Hopefully we will all walk out waving our flags, but also praising God. The summer is virtually half over now. Many vacations have already occurred. Get that last bit of rest and recreation that you can. Through it all, stay faithful to the Lord. He is faithful to us at all times.

If you have been diagnosed with Rhabdomyolysis and have taken Zocor, Lipitor, Crestor, Baycol or any other cholesterol lowering drug or statin, then you may have the right to file a legal claim for monetary damages. These drugs work by partially blocking the synthesis of cholesterol in the liver which leads to increased removal of cholesterol from the blood. Recent studies have shown that these drugs may be the cause of Rhabdomyolysis in many patients.

If you have been diagnosed with Rhabdomyolysis, then call us today Toll Free at 1-800-883-9858 for a free consultation to evaluate your potential claim.

MOBEETIE NEWS

By: Sue Mayfield

The Lord has blessed our area with some good rains. Although the Amarillo and Pampa area got hammered with high winds and large hail.

Most everyone I've talked to that had loved ones in Amarillo or Pampa were lucky enough to have minor damage, or no damage.

Although they got as much as 3 1/2 inches of rain.

But some just north of town got 2 5/8 inch and here in town we got 1.1/2.

Certainly hope everybody had their wheat out. I know they've been trying hard.

Hope this finds ya'll happy with your moisture you received. Here it is Mon. again and we got another 1 1/4. Just hard enough to know it's raining but good and steady. Would be nice if we could depend on at least 1 1/4 every Monday.

Just so thankful for what we have gotten. It's so nice to see everything so pretty and greening back up.

By Tuesday afternoon last week Pampa had many small lakes standing.

The painters have been over at the Methodist Church pressure washing the outside and cutting the trim on the basement windows. They have the bottom half on the northside freshly painted. Looks so nice and clean.

Cindy Young and Jerrod went with Jennifer Mayfield to Sweetwater, Oklahoma to meet Cindy Medley and grandson, Ashton, along with Erica and Jayden on Thursday afternoon.

They had spent a few days at the lake at Ft. Cobb, Oklahoma.

Cindy and Jennifer are going to be partners now in the United States Team Penning Association. They and their husband both belong but both husbands are truck drivers and usually aren't home in time to run.

Cindy is sitting 46th in the nation in points in group.

Justin places 9th in his age group in team penning points.

Skyler is setting at 23rd presently but working hard to work on up.

Team penning along with redeoing is a great family activity. Brandon Young participates in this too.

Fri. night Erica Mayfield got 3rd place in the poles in the girls 8-12 at the rodeo at Rolling Hills in Amarillo.

Because of Thurs. and Fri. night rains the Fritch rodeo for Sat. was canceled.

So they all spent the day at Lake McClellan. Really had fun.

Terry Lee Hovey, Robbie and Daniel took Fri. off and went to Lake Meredith. They did some fishing up and down Cedar Canyon.

We now have a championship fisherman among us. It's hard to believe this was Robbie's first fishing excursion.

Robbie caught an 18" wide

mouth bass.

Now all the trudging up and down rocky banks and through the mesquite thickets was worth it.

Congratulations Robbie! Great Catch!

Maybe you'll get yours next time Dad and Daniel.

Wouldn't be surprised if the Hovey family doesn't have a new lifetime participant in the sport of fishing, every chance he gets. Going to be hard to beat that 18 inches for starters.

Terry Lee is going to have the bass mounted in honor of Robbie's 1st monumental catch. How cool!!

Bobbie Walker got her utility room door put in. Looks really nice. Will make such a difference.

Aaron and Arica Lancaster hosted a Rally Around the Flag family party for the community in their yard Sat. nite. They had a beautiful night for it but the wind got up a little. They had a fun evening planned for all. Sorry we had to miss it.

The Jr. high kids had been invited to an early get together at the fire department for the Summer Olympics. The 7th, 8th and 9th graders enjoyed games and contests with Mr. Tony and Mrs. Virginia Patterson.

The rest of the Vacation Bible School assistants and teachers were meeting over at the church Sat. evening in preparation for Sunday night when everything kicked off. No record breakers yet. But having a great time.

Mr. Tony and Mr. Daniel are from California. The kids are very excited about their presentations. (It's something that is a totally new approach for our church. Really accentuates and pursues the missions at a totally different level than our kids has been exposed to before.)

The kids are really excited. Pat Goodnature, Jordan and Joshua came from Amarillo Sat. to spend the weekend with PeePaw and Naw Naw (Fred and Jackie Thrasher.)

Pat and Jordan got out and helped Pee Paw mow the yard and the extra lots. So everything looks real good.

Michael and Brianna arrived back from OKC and fun weekend on Father's Day of camping at Lake Thunder Bird, east of OKC.

They camped Fri. and Sat. night with Mom & Stepdad, Michelle and Donnie Reichel and friends Rick and Penny, their 3 children, friend Earl and his daughter, Sarah.

Sat. Donnie, Michelle and Earl brought Michael and Brianna back to us. They enjoyed their week at home. But Michael had to go to the Dr. to get medicine for strep throat and allergies. They were excited to get back to Grandpa and Grandma.

They play movie stars in the camper.

They have been friends with Jordan Goodnature since Jordan lived in San Antonio. So they were very excited that Jordan was here while they were.

After Jordan and Joshua went with Mom and Naw Naw to Pampa to run errands. When they got back and Jordan helped finish the yards Jordan got to come over and play with Michael and Brianna.

Brianna and Jordan spent the night together. After pancakes and bacon under the trees at "the round table" it was time for Jordan to go back to Naw Naw and Pee Paws.

Of course then Michael and Brianna had nothing to do.

To the Wheeler & Shamrock communities:

Thanks to Wright Funeral Home, Mobette Cemetery, and all our friends, neighbors and loved ones who lessened our loss by your kind expressions of love. Thanks and may God bless you all.

The family of **Mary Lea Cole:**

Zinna Kaye Dickey of Shamrock
Frances Dickey of Mobeetie
Tommy Cole of Moscow, Kansas
Jimmy Cole of Elkhart, Kansas
Rustye Cole of Longmont, Colorado
...their spouses, children & grandchildren

Sun. afternoon Grandpa ran us to Wal-Mart to our surprise we ran into Bro. Harvey Patterson and Virginia. Bless her heart she was trying to navigate with a migraine. (I can empathize with her) and Kent and Debbie McLaughlin.

Everyone was hurrying to get back and get ready for "Neighborhood Bible Time" (Vacation Bible School).

There is a new sign up on the north side of the hospital at Pampa for a new motel.

The construction on the outside of the new Wal-Mart is coming right along. And it's going to be a "green" one. Yeah!!!

Tues. morning brought more early morning showers. We are so thankful to be getting all this wonderful moisture so early in the summer. Really appreciate the cooler days. Know they won't last forever and we'll pay for it somewhere down the line.

Sorry to hear Joel Finsterwald had a motorcycle accident. But thank God it wasn't as serious as it easily could have been. Hope your doing much better Joel.

Please add Joel Finsterwald, Jane Seitz, Orville Greenhouse, Pierce Walker, Sammie and Darv Artherton, Mae Pigg, The Carters, The Arringtons, The Battons, Estelle Hodges, The Tabors, The Edwards, Gladys Richardson and Jimmie and Dorothy Walker as well as Kenneth and Vera Walker to your pray list.

Have a great week.

The Allison Community is thankful for the good rain that we have been receiving. Rain without storms is wonderful. Its also been cooler weather so that has helped as well. Juanita has really been enjoying the cooler weather.

Louise Boydston and Pearl Harrison traveled to Amarillo, Texas where they attended the funeral of Jessie Smith, Pearl's sister. Pearl stayed two nights with Darrel and Johnnie Harrison.

Sunday dinner guests of Pearl Harrison were Henry, Cheryl, Sabrina and Cody Dupont and Matthew Farmer.

Sunday night after church Bro. and Sis. Corbitt of Pampa, Texas visited in the home of Pearl Harrison where she served them good ole apricot pie. Pearl had made a pie for them to take home with them. They love her apricot pies.

Peggy Chandler and Jennie Walker enjoyed a delicious meal at Mel's after church Sunday.

Glenn and Betty Boydston went to Wheeler, Texas on business and on to Elk City, Oklahoma on Monday for some shopping and they enjoyed a very tasty meal at El Charo's.

On Wednesday night, Vance and Carol Boydston brought homemade ice cream over for a surprise party for Betty's birthday. Also attending were Juanita, Opal, Curtis and Lillian Boydston. A good time was had by all and it was a complete surprise even for Glenn.

On Friday, Glenn and Betty were in Pampa for shopping and business and enjoyed a very delicious meal at Dyers.

Saturday, Glenn and Betty Boydston went fishing at Spring Creek.

The 2004 Richardson Reunion was held in Amarillo, Texas at the Amarillo Ranch R.V. Park Club house on June 12th. The evening before on June 11th most of us met at Roland and Mae Morse's home for supper and visiting. About 46 attended the reunion. We all had a wonderful time. Dean and Linda Lieb were in charge. The catered meal was exceptional. Everything tasted so good. Vivian Doan from Tulla brought a very good homemade cake.

Some there were from California, San Antonio, Utah, Borger, Texas, Stinnett, Texas, Allison, Texas, Odessa, Texas and several from Amarillo, Texas. Edna had a very good time, but she was very tired when she got home. I want to thank Bill and Kay Donaldson for taking me up to Amarillo and Dean and Linda Lieb for bringing me home.

Playing forty two at Edna May's house last Friday night were Virginia Puryear, Irene Keys and Harold Jones.

Recently, Bret, Hayley and McKinley Begert were in Weatherford, Texas at the Parker County Fairgrounds for the Texas Limousin Association Field Day and Heifer Show. Bret attended the TLA Board of Directors Meeting and he serves as Vice President of the Board.

Bret Begert has been in Jackson, Minnesota and Murfresboro, Tennessee organizing the North American Limousin Junior Association Heartland Regional and Eastern Regional Heifer, Bull and Steer Shows. Bret organizes and oversees the shows and activities for the North American Limousin Foundation.

Bret and Hayley Begert and Bennie and Debbie Boydston attended the wedding of Daria Donaldson and Jone Hays in Amarillo. McKinley stayed with Granddad and MeMe, Hiram and Darenda Begert.

Vance and Carol Boydston took Juanita and Opal Boydston to Shamrock on Monday where Opal was taken to ER for her bronchial congestion. After two shots she is doing much better. Busy working outside as usual.

Thursday night, Vance and Carol Boydston visited in the home of Opal and Juanita Boydston. Of course they played a couple of games of spinners and Juanita had made chocolate chip cookies for refreshments and also popped some popcorn.

Saturday, Opal and Juanita Boydston visited in the home of Roma and Billy June Brown.

Thursday, Curtis and Lillian Boydston journeyed to Oklahoma City, Oklahoma on business. They enjoyed a delicious meal at CiCi's Pizza with her daughter, Sharon Mikles.

Sunday after church Curtis and Lillian Boydston and Opal and Juanita Boydston accompanied Louise Boydston to Canadian, Texas where they enjoyed a tasty meal at the Dairy Queen and afterwards they shopped some at Alco's where they were having a sidewalk sale. WOW! After shopping some, they all attended the United Pentecostal Church where Bro. and Sis. Little, pastor of Perryton, Texas church and his two daughters, Marsha and her husband and Karen and granddaughter, Mistl and Dale and Debbie Sanford from their church and Hershel Sanford

from Higgins, Texas were gathered for service. We had a good service.

While Bro. McDaniel, the pastor of the United Pentecostal Church is attending a family reunion, the United Pentecostal Church enjoyed having Bro. and Sis. Corbitt of Pampa preaching for them on Sunday night.

May God Bless and Keep you till next time.

Monday is spent writing for the paper along with other things. Like Lila Ranson and Carol have a lovely visit about once every two weeks and Carol really likes some of her Stanley products.

Her Stanley Lady Catherine hair brush is great for the long hair many of us ladies wear. Carol ordered herself and extra one and one for her mother. They were only eleven dollars each. And some creme she had polished the old hutch good as new. Door to door salespersons are a welcome sight in a community like this where you drive for miles to a Super Walmart. Vance and Carol also enjoys the nice young man who has the Schwan's route. Ice cream and corn and mini pizzas are some of their favorites. Both Peggy Chandler and Sue Chandler and daughter Brittany blessed Vance and Carol with cherry pickins. Cherries are Vance's favorite! Thanks so much!

Mom Boydston, Juanita Boydston, Curtis and Lillian Boydston all come over to Vance and Carol's house and enjoyed cherry pie and ice cream. It was a little too late to try and drag Betty and Glenn out. But they were missed. On Wednesday, after the cherry pickin, Carol made a freezer of ice cream and Curtis and Lillian, Mom Boydston and Juanita and Vance and Carol made a parade out to Glenn and Betty's house. Yes! They were quite surprised. Usually, we go early or by invitation but fun was had by all as we helped Betty celebrate her birthday. About ten thirty Carol stood up to say it was about time to end all the fun. Everyone followed.

Fourth of July is fastly approaching. Guess you have lots of plans. Like picnics and fireworks to celebrate freedom in America Vance is celebrating too. Friday, July 2nd will be open house at the Allison Post Office from 10a.m. to 2p.m. The public is invited to come by and enjoy some cookies and coffee and tea and view the teddy bears (which are collectors from the postal service) that will sell for ten dollars each, as long as they last! There are also flag stamps. Come early as there is a limited supply on these in demand, bears!

The stepmother of Carol's children is in the last stages of lung cancer. Linda and her fiance, Bob Perkins, are visiting in Oklahoma City as is Marsha Pruitt of Chandler, Arizona and of course son, Michael and his family are right there in the area. Joyce's family has come and a brother-in-law and his wife from Ocala, Florida have come to be by Dale's side. Thats Bob and Joan Cazee. Please pray for Joyce and the family during this time. God can give peace in any situation and he still performs miracles. Let's all believe for a miracle for this family!

In the absence of Pastor McDaniel, Pastor and Sister Corbitt ministered here in Allison Sunday evening at the United Pentecostal Church. My how we enjoyed the message he brought and the presence of the Lord Jesus was definitely felt by all. Sunday evening service is at six p.m. Now this Tuesday, June 29th, 2004 service begins at seven p.m. with Bro. Corbitt of Pampa and his wife singing and ministering again. He will also have Lincoln Foster and some of his youth from the Pampa church with him.

Vance and Carol drove to Oklahoma City Saturday morning. They visited Joyce Cazee at the hospital (Southwest Medical Center) and prayed with her. It seemed to calm her and she drifted to a peaceful sleep. Next they visited some of her family in her and Dale's home. And also the rest of the family. This is not an easy time. As Marsha and Michael and Heather took the children to the zoo, Joyce's Mom brought in dinner for all who cared to eat. Carol and Vance had already made plans to take grandson, Alex, from Indianapolis, Indiana and his mother, Linda, and her friend, Bob to eat at Furr's in Oklahoma City. All were very well pleased with their selections. While Linda and Bob visited at the hospital the rest went garage sales. It was a little late in the day but one girl did bring out two nice cookbooks for Carol's collection. Later, Linda and Bob were taken to see Vance and Carol's home in Norman, Oklahoma and to meet their good friend, Ruth Burns and Oma. Then on to see Aunt Anna and Uncle Arch.

They were quite surprised! Couldn't let the day go by without a stop at the Fifties on Lindsey. Almost all flavors in slushes and a footlong coney dog for Linda and a hot dog for Bob. Yummy!, they loved the fifties! Back to Dale and Joyce's to say our goodbyes to everyone one more time and hit the road back to Allison. Sunday morning, Carol Boydston was sick and couldn't get to church. She loves to go to church. But she heard good reports that Vance did a super job as leader and teacher of Adult Sunday School class. Why am I not surprised, because he studied and prayed and asked for God's will! It was so wonderful of Sis. Lillian Boydston to fill in for Carol with the young teen class. The extra effort at the last minute was appreciated. There were several that went

to Canadian to help the Little's with the new work they have started there in Albert Christian's ole church. They have services at two p.m. on Sunday evenings.

Hats off to Alexis and her grandmother, Cletus Green. When Alexis went home and reported her Sunday School teacher was sick, Cletus called Vance and asked him to come out and pick up dinner for him and Carol. What a Christlike thing to do. She sent three big thick pork chops, two kinds of beans, fresh cucumbers and onions and three baked potatoes! What a feast. Thank you sincerely, Cletus and Alexis! That's why Allison is such a special place to Carol. How the blessings flow from the hearts of good people!

Let's all remember to pray for our leaders and our military and the innocent people involved overseas. And may God Bless Allison! The View of a . . .

Southern Woman

..... Southern California that is. My closest friend in San Clemente, Pat Hendry, wrote me that after two months of beautiful spring weather, they were into their June-gloom period. My how soon I had forgotten! It has only been nine months since I left there for the country of Texas and I forgot the time we went through each summer of total overcast, fog and drizzle sometimes lasting for weeks. Glenn, Forrest, Frosty noticed it when he was living out there last year and he liked to froze to death. We had high humidity because I lived a block from the ocean, so when June-gloom set in, it was cold. If you live there you get use to it. Now here I woke up last Sunday morning to the same situation. Overcast, fog and cold!! What happened. Did it follow me? Oh well, every time I turn around things change here.

I got my first experience with the storm cellar a week ago and I hope it never happens again. When we bought this house last summer, Nadine Reynolds took us to see the cellar and I took an immediate dislike to it and have not been down there since. I know it exists and has to be used in an emergency and when Glenn said we need to go into it on that Monday evening, I had a panic feeling. Since the "wall cloud" (whatever that is) looked bad, Glenn was insisting, I figured I could handle it ok so down we went. All was well until he closed the door. I ask if he could leave it open. Gently he said "no." There I was almost in a panic. Having the storm was bad enough, but the portable radio kept telling us how Amarillo was being destroyed with huge hail and tornadoes and I am wondering if it gets that bad here and we survive it, will anyone fine us and dig us out or is this our permanent place of abode?? After ten minutes I insisted that Glenn unlock the door and see if that black cloud was gone. That was when I shot up those stairs and decided to watch the storm. It was pretty much to the east of us. I do hope that is the last time in the cellar, but the weather here can change so fast that I doubt it. How on earth do they plan a garden wedding here? We had them almost year round in Southern California. Today is Monday and here it is -- another San Clemente June-gloom day.

Went fishing at Spring Creek last Saturday and it was not a good fishing day. I did catch the first fish. Glenn said it did not matter. Then I lost several and had a few bites and had to throw a small one back. After lunch, I hooked up with a big bass, but he got off the hook and Glenn said we had better move to a better spot. Well, I thought that was a great spot, but off we went. After all, he does control the trolling motor! Finally he caught a small perch and we went home. As we passed the cows in the pasture, he remarked that the cows were laying down and when they do that, the fish do not bite. I guess I just do not know the Texas rules as yet, but I am learning.

Love, Betty Boydston

. . . from last week!
Steve and Nancy Vaughn of Moore, Oklahoma visited in the home of Curtis and Lillian Boydston over the weekend. They attended the "Texas" show in Palo Duro Canyon and was awed by the beauty of the canyon.

Sunday, Juanita Boydston visited with her nephew and niece, Steve and Nancy Vaughn, in the home of Curtis and Lillian Boydston.

The United Pentecostal Church had a nice Father's Day Program. Meaningful poems were read and we were blessed with several beautiful songs. There was beautiful singing by Steve Vaughn who has a great singing voice and Kim Barbee of Moore, Oklahoma also blessed us with a beautiful song. She also has a beautiful singing

voice. We also had a song about the Silver Haired Daddy of Mine from Vance, Lillian and Louise. I felt that it was a good program.

Hello again, from Allison! Remember Michael's truck kept him and Vance praying from Norman, Oklahoma to Allison and back again! Would you believe? It was only dirty battery cables. Once cleaned and hooked back up the truck purrs like a kitten! Anyway those two are all prayed up where they need to stay. And after all, we were praying it would only be something simple or minor so it wouldn't cost much. Praise God!!

Thursday, Kim Barbee and Ruth Burns journeyed to Allison to enjoy a visit in the home of Vance and Carol Boydston. Kim is from Moore, Oklahoma and is a member of Southern Oaks United Pentecostal Church where Bro. Mark Parker is pastor. And Ruth attends the Apostolic Worship Center where Bro. Borders is pastor in Norman, Oklahoma. They all traveled to the United Pentecostal Church campgrounds north of Amarillo to share and encourage the youth of their churches. Many received the Holy Ghost at Camp. A snack on the way back to Allison was enjoyed by all. On Friday, they journeyed back to Amarillo to visit Brother Billy Williams who is a wonderful host. Everyone ate tuna salad and ham sandwiches and chips and dips. Topped off by soda pop and tea that Billy prepared. Of course we had a game of spinners and Billy was a definite winner!

On Saturday all went to El Chicos for a very delicious Mexican dinner. Later on to the Westgate Mall where the ladies enjoyed shopping in Dillard's. Kim didn't shop as much as usual as she is on a weight loss program and expecting to need smaller dress sizes soon. She has already dropped forty pounds and a dress size. Way to go Kim!! Don't think she has much time to eat these days with all that conversing on the phone! Seems she has a new friend. Getting to know you, getting to know all about you. H-m-m-m! Oh, yes, Garrett Jenkins learned to play spinners. He caught on real fast. But he had business in New Mexico on Saturday.

There were several who enjoyed a barbecue dinner including barbecue beans, potato salad, cole slaw, apricot sauce and cobbler and iced tea. At eight thirty the drama "Texas" started. Such talent they have. So very well done. The music was superb, especially the violins right on time, together all the way. And the dancers too, everyone in step and the fireworks were great! All this and all the natural beauty of the Palo Duro Canyon made for one great evening! The weather was on our side. It's a great place to go. It's just around twenty-five dollars for the drama and the barbecue. You might like to try it sometime.

Back to Allison, arriving about two thirty a.m. Once there, everyone zonked out. Was up at eight o'clock to eat and prepare for "Father's Day" service at the Allison United Pentecostal Church. Such a good service prepared by Juanita Boydston. Many read poems in honor of the fathers. And there was beautiful special music by Kim Barbee and Lillian's son and Juanita's nephew, Steve Vaughn.

There were nine in the group who enjoyed the drama at Palo Duro Canyon. Curtis and Lillian Boydston, Steven and Nancy Vaughn, Kim Barbee, Ruth Burns, and Vance and Carol Boydston and Billy Williams. Gary Bengel of Amarillo joined us for the barbecue meal.

Regrets to Pearl Harrison on the loss of her sister, Jessie Smith, of Alabama. Our prayers are with her, Louise Boydston and the rest of the family. We're still praying for the Glen Elmore family and the Avis Parker family too.

May God Bless you all!!

We didn't get to play cards Monday evening, work and another activity interfered. Dwight said he and I could count it as a "skunk" since we were the only ones available.

Bidders On Sheriff's Sale Must Not Owe Any Past Due Taxes

Every few months, bidders gather in the center of the first floor of the Wheeler County Courthouse looking for a good deal at property tax foreclosure sales.

Under a new law, bidders now must meet new certification requirements to be eligible to place their bids.

"It is an open bidding procedure, just an open sale like an auction. People come and bid on the property. We have a list of property that we have foreclosed on and we offer it for sale to the highest bidder," Wheeler County Tax Assessor/Collector Lewis Scott Porter said.

The law, House Bill 335, outlines new requirements that bidders must meet.

Porter said the new law is aimed at delinquent taxpayers.

"Basically the purpose is they didn't want people who are delinquent on their taxes going and buying more property in a county where they already had delinquent taxes," he said.

Interested bidders now must fill out an application about two weeks before the sale.

"They have to owe no school, city, or county ad valorem taxes in the county in which the sale is held. We will have them apply for a statement here at the tax office in Wheeler stating that there are no delinquent taxes," Porter said.

Bidders also must disclose any properties they own, have owned previously or partly owned. The tax office then will check to see if the person or corporation owes any taxes. If the bidder owes no taxes, the office then issues a statement attesting to that fact. The statement then will be presented to a sheriff's deputy who will conduct the sale.

After 90 days, the bidder will have to reapply. The initial fee for the application is \$10.

Old Time Gospel Music

... in Wheeler
Sundays 6 a.m. to 8 a.m.

"We're just going to have a one-time set up fee of \$10," he said. "We didn't feel like it was fair to charge them \$10 every time they came in."

Bidders cannot purchase sale properties in the name of another person or corporation without written authorization.

Violating the new law is a Class B misdemeanor punishable by up to six months in jail and a \$2,000 fine.

Bidders also cannot be a lienholder on property that is delinquent.
