Fund Raiser For Ronald McDonald Houses

The Scott Paper Company is joining local grocers and consumers nationwide, for the fifth consecutive year, to raise at least \$1 million for Ronald McDonald House and Ronald McDonald Children's Charities (RMCC). To date, Scott has donated \$5.5 million. "Over the last four years, the outpouring of support by retailers, consumers and service groups has made this program a major event in communities across the country," said Scott Chairman and Chief Executive Officer Philip E. Lippincott. "With the help of our partners, this program has become a cornerstone of Scott's committment to enhancing the quality of life among the communities in which we do business." During March and April, more than 250 million Scott Paper products will carry a special package design which tells the Ronald McDonald House/RMCC story. A portion of each purchase will be contributed to the charities. Additionally, Scott will contribute five cents for each UPC symbol received from consumers by June 30, 1990. "Scott Paper Company and local retailers have made it possible for us to reach out to thousands of families all over the country," said Pat Cathcart, Executive Director, Ronald McDonald House of Amarillo. "To them we give our heartfelt thanks for being part of 'The House That Love Built'.' Locally, Scott will donate a portion of the funds raised to the Ronald McDonald House of Amarillo in the name of Affiliated Foods member store Thriftway of Wheeler and Wheeler Lions Club. Additionally, each year Scott has donated a supply of paper products to every Ronald McDonald House in the U.S. Ronald McDonald House, an international program with more than 125 Houses in the U.S. and five other countries, is a "home-away-fromhome" for the families of children receiving treatment for serious illnesses at nearby hospitals. Ronald McDonald House is the cornerstone program of Ronald McDonald Children's Charities (RMCC), which was established in 1984 in memory of Ray A. Kroc, McDonald's founder, to provide grants to organizations that directly benefit children. The Scott products included in the promotion are Scottowels; Viva towels, Scottissue, Family Scott, Cottonelle bathroom tissue; Scott Family Napkins and Viva Accents Napkins; Scotties facial tissue, Baby Fresh and Wash-a-bye baby wipes and Sofkins cleansing wipes.

Twelve weeks remaining in the school year. The students in Wheeler will enjoy their spring break from February 28 thru March 2.

-cwe-

Wheeler was fortunate and missed the storm predicted. We got the moisture and didn't have to put up with too much snow and sleet. The ground was covered, but that was about it. 0.86 in moisture was measured. The temperature Tuesday evening was 35 degrees and Wednesday morning when I first reported to work it was 39 degrees.

-cwe-

Absentee balloting began Wednesday. If you cannot be at your voting precinct on Tuesday, March 13, cast that ballot ahead of time. -cwe-

You will notice some of the stories in this issue of the "Times" are a little darker than normal. It seems 'Jr.' acted up a little Monday. The light indicating the machine was setting copy in 'bold face' was not lighted and a large amount of copy was set before the malfunction was discovered. We chose not to reset the material.

-cwe-

We made our way to Dallas, via Hinton, Oklahoma City and Sherman over the weekend. (If we put in the 'food stops', I would have to add El Reno and Pauls Valley going and Gainsville, Pauls Valley and Elk City on the return trip.) We picked up the granddaughter, Jessica, in Oklahoma City and returned her home.

-cwe

We stopped in Oklahoma City on the return trip and visited Mother Stas. She was quite perky at the time and has been having lots of company. She was released from the hospital Monday and has another doctor's appointment for Friday. She is now in Del City with the Arnolds. Maybe she will be returning 'home' this weekend.

Another pet peeve is stores that send their advertisements where they reach us on Friday afternoon or Saturday. If a person has business, he has to go on a weekday. Stores should make a special effort to see that their ads are in folks' mailboxes on Thursday.

And another aggravation is papers that don't have a proof reader. The Amarillo has had a lot of letters about that and they are doing a little better.

Our ball teams have done quite well this year. The states No. 1 team - the Hammon Warriors knocked them off to win District title. Most of the community went to Arapaho Thursday to watch the boys play Leedey in the Regional but sad to say the boys lost a hard fought game.

RAMBLINGS !!!

Redundancy..... Again??? Ever notice how many people say,

"Continue on"? If you continue, you DO go on! Try continuing without going on and see what happens! And yet this phrase is commonly used by people in the media every day. You don't hear them say, "Again, again", do you? [Unless they have a stuttering problem to the max!]. To say "Again, again" is the same as saying, "Continue on".

Or "Killed dead". How many people have you heard of that were killed and were somehow NOT dead... ... show me THAT miracle! This, also, is commonplace.

How about, "Shot and injured!"? I hope they're right about that one in that it is not redundant because if I'm ever shot I sure hope I'm not injured! But the only place I know of this being true is in a doctor's office [but sometimes even then I've felt like I've been shot AND injured!]

I just wish those who make a living spouting the English language would be more careful about how they use same.....AND, I'm just so proud I never make misteakes!

N. F. Young came Saturday. He came by the J. O. Heltons on way here. He had some wood unloaded here. He comes down and gets a little in his car.

Weldon and Diana came Saturday they left the girls at Perryton with their grandmother.

Real pretty this Sunday morning.

Doc told me this joke if you can call it a joke. "A fortune teller told a guy I will answer 2 questions for \$38.00". This guy said "Don't you think that's a little high?" Fortune teller said "Yes, that's one question. What's the second one?"

Doc visited us Tuesday morn. He had shopped some for us and brought it over.

He has to carry his hogs clear to Kansas to sell them. No market closer.

Wednesday at 9 a.m., sleet has the ground covered, has rained some.

At 5 p.m. it has not sleeted any more. The little rain sure made it slick.

Word came to me, Briscoe and Allison played in Wheeler for District. Now that was a game. I would liked to have watched. They said the auditorium was packed last night, Tuesday, 13th. Briscoe won. Gena Zybach said by 7 points, I think. Now that was nice. I am a Briscoe-Allisonian. School in Briscoe. We go to church at Allison. So we claim both districts. This is our first win in some time.

Winston came out, worked on our propane tank, stopped the leak, hope we are ready for this bad weather.

Leroy is sick here lately. Has flu now, sounds like. Hope he gets a speedy recovery. It's not funny to be sick and have to work.

Feb. 14-Happy Valentine to all. Drizzling rain at 10 P.M. Bobby Zybach stopped by said it was raining. Gena came this morning, visited a while this Wednesday morn.

Thursday morn, it sleeted last night

Rozena and all his relatives and friends. He will be missed.

Don and Lavern Patterson came to Essie's and boys Saturday morning. Don and Mona Reynolds came Saturday afternoon. Marie and Ann and to Avis and Bob. She lived in kids came Saturday afternoon. Ann Amarillo. Her parents were Elmer and and kids came on a plane. They all Alice Brewer. I was on the Briscoe went to church and ate out. They all went home but Ann and kids. BRISCOE P.T.O.

I wish you all could have been at Briscoe Thursday night to the P.T.O. Program. The crowd was not too big because of bad roads and weather, but the program was very good. They ought to do it again. Brenda Johnson's second grade: Jennifer Maddox, Andy Finsterwald, Clay Zybach, and Cody Walker sang "The Star Spangled Banner." Sounded good. Remember how hard that is to sing? Gaye Hale's third grade: Jimmy Bennett, Sam Wash, Ty Woods, Ja'Nae Goad, Reagan Meadows, Allie Johnson and Susie Luttrell gave a good action poem about Abraham Lincoln to celebrate President's birthdays. Mike Johnson's fourth grade gave a play to encourage reading books called "The Miraculous Tea Party". Most of them had two parts: Amanda Sheilds was the mother and Pippi Long Stocking; Tracy Harwell was a neighbor boy and Pinnochio; Shelly Murray was Sleeping Beauty and a girls; Amanda Johnson was a girl, Garfield and Mary Poppins; Tera Hefley was a little girl who wanted friends to play with. Great performance.

By Christine Gilmer Romans 8-5 & 6:

For they that are after the flesh do mind the things of the flesh; but they that are after the Spirit the things of the Spirit.

For to be carnally minded is death; peace.

ARNOLD T. "FAT" JONES

Arnold T. "Fat" Jones would appreciate your vote for Commissioner Pct. #2 on March 13, 1990.

Fat was born in Wheeler County and graduated from Wheeler High School. Shortly after high school he served in the U.S. Navy during WWII. After returning to Wheeler Fat was associated with the cotton ginning business for approximately 25 years. Around 1971 he got out of the ginning business and went to

It seems our winter weather may last a few more days. Hope we get some moisture if we have to give up the sunshine.

Last Monday afternoon was very exciting at the Care Center. We combined our January and February Birthday parties (due to the flu epidemic in Jan.) and we also threw in Valentines just for the fun of it. Our hostesses from the First United Methodist Church of Wheeler did a wonderful job. They were (hostesses) Vida Brown, Mae Nash, Birdie Hudson, Alice Bell Helton, Mary Margaret Dodd, Myrtle Verden, and Erma Kirk. Our entertainment was David Britt, Paula Britt, Steve Emmert, Dick DeArment; pianist, Martha Helton.

Several selections were sang for Valentine's Day and of course Happy Birthday. Everyone enjoyed this very much.

Delicious Angel food cake and punch was served to all in attendance as well as those who were unable to leave their rooms. Our birthday

From The Minister's Desk:

One of the most famous film clips from World War II was the one that showed Adolph Hitler "jig" when he learned that France had surrendered to Germany. In the clip, Hitler was show jumping up and down, expressing fiendish delight that another nation had fallen to the Third Reich.

The intended implication of this film clip was that Hitler was a diabolical, mad man. While this implication was probably true, it was deviously derived because the film was a phony. At the conclusion of the war, a film editor admitted that he "looped" the film clip. Hitler really made one slight jumping motion, but when the editor "looped" the film clip, this slight jumping motion re-ocurred several times, creating the famous, but fictitious "jig"

> truth. While it is often done with the best of intentions, the result is usually a slanted and less than honest perspective.

Perhaps the best examples of a truthful perspective are the descriptions that are recorded in the bible of certain people. These descriptions carefully reveal the entire truth about these people. For example, none of the failures of David, Moses, Abraham, Noah and Jacob are omitted. Yet these people are presented in the Bible as righteous people. And the blemishes in their lives only serve to emphasize the virtuous qualitites of their lives.

Disciples of Jesus are like these people. They are not perfect people. But they are truthful people who recognize and confess

I came across this intriging rhyme this week: Math was once known as Arithmetic and taught to the tune of a hickory stick. But now, of course, it must be quick and taught to the tune of a computer click.

BRISCOE—ALLISON PLAY-OFF

Looked like practically everyone of all ages from Briscoe and Allison were out to the play-off game at Wheeler Tuesday night. Quite a game! Briscoe defeated Allison 77 to 68, but both teams played really well. David Gilmer 25, Kevin Sheilds 18, Dallas Fillingim 17, Danny Nelson 13 and Ben Meadows, 4. There were many people present from Kelton, Mobeetie Wheeler and many other places. Both teams will be in the play-offs for Bi-District. We appreciate the Allison teams and fans. They play clean and are good sports and friends. Good luck to both teams. I like the way our boys all work together and all have chances to shoot and each one can make several points. Good luck all the way. We have some great kids at Briscoe. We are proud of you, whether you are winning or losing, boys and girls. Orchids to our fine coach who helps our kids to be their best. God bless you, Jerry Brown!
