EASTERN PANHANDLE ALL-STARS WIN AREA TOURN.

CWE CHAT WITH EDITOR
By Louis C. Stas

That 20% chance of rain has not done us any good all week. We traveled through several little 'cotton showers' on the return to Wheeler Sunday afternoon and found we had received only 0.02" in Wheeler. Larger amounts were reported in spots in the area.

-cwe-

We have a new band director as the last school board meeting. Buzz Dirickson has been hired to fill the vacancy. He has been visiting around and touring the town. Let's get those kids back in band and show him how much potential there is in Wheeler.

-cwe-

Did you notice that the brick layer on the Hill building was one of our own. Mike Gallagher was in charge of the project. Two of his assistants were Joe Dan Ledbetter and Brandon Chick. I noticed Tuesday they were starting the finish work. Looks great.

-cwe-

We have some other 'home grown' brick layers. Gwen Weatherly has been in the process of building a garage onto her house. Scott helped with some of the earlier work, but Kirk has been the 'chief' for the brick laying with help from Scott and Del Ford. He has used weekends and vacation for the project. The front and north end are finished. This is also a nice looking job.

-cwe-

I took advantage of the cool weather Saturday morning and worked in the garden. Yes, I know, it needed it. I had 'Professional Edge' sharpen the hoe and I know I intend to keep the toes out of the way when I swing the hoe—that thing is sharp. I also had the old scissors sharpened and they work like new. They will sharpen almost anything and the price is reasonable.

-cwe-

The 'Community Calendar' will be carried in next week's paper. If you have an event scheduled for August, let us know by Monday.

-cwe-

Patricia decided to spend another week with her parents, while her mother recovers from surgery. She is getting concerned that we might be doing too good without her.

-cwe-

It has been rather quiet around the house this week. The girls are in Sherman. Ronal Wayne and Jessica met us in Oklahoma City Sunday at noon for the transfer.

Pictures Needed For Publication

"The Wheeler Times" needs pictures for your child or grandchild to run in the McCasland-Smith Agency advertisement. Here is an opportunity to show everybody how cute those 'kids' are. There is no charge; all we need is a studio picture (individual billfold to 5x7). Please include child's name, age at the time the picture was taken, and parent's name and address. The child's grandparents can be named if the list is not too long.

What a surprise! My three children, Johnnie and Darrel Harrison, Jerry and Cathy Gilmer and Peggy White and my grandchildren, Marsue and Dean Roush and Matthew White honored me with a birthday party at the Fellowship Hall at the united Pentecostal Church last Saturday afternoon with a beautiful birthday cake, ice cream, party nuts and all the trimmings. Thanks to everyone for making it a time I will never forget, and "thanks" so much to my family, who went to so much work and effort just for me. However, with respect to the article, SPS can confirm holding preliminary discussions with Wheeler Peak Capital Corp., a recently formed New Mexico corporation, regarding a possible friendly acquisition by Wheeler Peak of Public Service Company of New Mexico.

SPS primarily provides electric service to a population of about one million in a 52,000-square-mile area of eastern and southeastern New Mexico, the South Plains and Panhandle of Texas, the Oklahoma Panhandle and Southwestern Kansas. Corporate headquarters is in Amarillo, Texas.

CARD OF THANKS
 Again I want to say thanks to Dr. Stafford and nurses and St. Anthony's Hospital for the good care during surgery. To my pastor, Elder Jack Hays, and wife, my friends, neighbors and relatives for the prayers, visits, phone calls and flowers, gifts, for the food brought in since I have been home, for all the help I have had "to out reach" care and Shepperd Crook. Don't know what I would have done without the caring people in Wheeler. God bless each and everyone.

Briscoe News

By Vetola Parker

Rosalee Keelin visited me and Marianda Monday afternoon. She took my news to Wheeler.

Correction: That was Jess Hageman and wife instead of Jeff.

The old moon has been going way south. Mattie says Tuesday it will come back north. We will get hot. I dread when it goes way north.

Doc and Lolene Wilhelm visited us Tuesday.

Weldon and one of his brother-in-laws, Linda Carroll's husband, came Friday. They had a family get together at Dyers in Pampa Friday night. Weldon and Diana, Marianda and Michelle, Florene Castleberry, Jimmy Don Jackson and friend, Linda Carroll, and Gene Baker, Kenneth Jackson and wife and daughter met at Dyer's Barbeque in Pampa.

Sunday at 2 P.M. raining

some.

Tish's mother, Lois Thompson, is back the hospital in Amarillo. Tish's mother got out of the hospital. Now she is back in there. She is to go to San Antonio again.

Hoyle made it to church this morning. Tammy Hayes preached on Charity or Love.

Wednesday, Mary Margarette visited Essie and boys. She said Grady was doing pretty good. They went to church then visited Jack and Doris. Jack was back home from being to the doctor. He feels better. That sounds good. Hope he continues to feel good.

Tish had all her kids for 6 weeks.

All gone sure quite around here.

Leroy and Janice got home from North Carolina. Zetha and Gene got home from Branson, Mo.

Sunday 6:30 getting cool.

Monday morn, nice and cool at 8 a.m. We got a nice shower Sunday morning. Little Sunday afternoon; enough to get you wet. It was really nice. Cloudy this morning. Sure be nice to hoe in the garden. Hear a rain crow forgot what Colie said that was a sign for. Hope rain for these weeds.

Tish's girl took dance class and won two trophies this summer; she lives in Nebraska. She took a vacation to Old Mexico and Porta Rico.

The baby has gained and got little fat on her. She did not look like the same baby and she did look at me and not cry.

Doc visited us Sunday afternoon.

15 of July was my sister Holye's birthday. 27 is Shane Parker's birthday.

N. F. Young came by on way home to Panhandle Saturday night from the Heltons.

A paper we are getting, Healthlines by Helmerick and Payne, writes the grilling process can produce chemicals suspected of causing cancer.

When fat from meat drops on to coals or other heating source, chemicals are created, called polyaromata, hydrocrobons or pahs—bond to the smoke, rise through the drill and attach to the food.

Fighting pesky insects—wear protective clothes, pull socks up over your pants, spray repellent on clothes, especially socks and pants. Limit repellent on skin. Don't wear perfumes or perfumed hair spray; insects are attracted to the scents. Avoid being out doors when insects are at their worst, usually at dawn and sunset and humid rainy weather. Eliminate water breeding grounds.

Re-apply bug repellent after swimming, sweating or when odor has faded.

Some take vitamin A and D to ward off insects. A good sun tan, I would say, discourages them. I use to be suntanned pretty good. Never had to worry about mosquitoes.

Essie called me Sunday, gave me her news. I forgot and called her Monday. That not a sign I am crazy.

Essie Finsterwald went to town this morning to take care of some business and shop.

Elbert and Ruby Zybach went to Canadian this morning to care for business.

Happy Anniversary to Elbert and Ruby's 62 anniversary the 21 of July. They and their kids and grand kids are going to do

something. Ruby said not a big one.

Ruby said they had a big bull snake at her back door. Now if a bull snake should bite me, I think I would die even though they are not poison—they say. When I see a snake of any kind, I stop breathing good. Those spreadatters look so much like a cobra, I can barely look at them for fear.

Jean Brown of Ft. Worth, came to Clarence and Irene Zybach's last Monday, went home Friday. She drove by herself. They visited R. L. and Rozena

and others while she was here. Clarence and Irene went to church yesterday, washed today. Irene talked to Emma Rogers this morning. They got 2 inches of rain. Some others Irene said got 2 inches. Between here and there, we just got the ground wet. It would have wet you if you was in it.

Doc Wilhelm is grinding grain today. Lolene said. They got 1/10 of rain.

Mary said they had a Hudson Reunion in Amarillo last week. 85 were there. Her sister-in-law, Atha Swarner, from San Angelo came home with her and stayed three days. They stayed at Oden and Lois at night and at Mary's in daytime.

Friday, LaJuana Puryear and LaVern McDaniel visited Mary Hudson. LaJuana lives in Pampa. LaVern in Colorado Springs. Mary was cutting a blouse out.

Wednesday Beulah Stuart and grandson, Otis, ate dinner with Addie Swift.

Saturday, Fat and Wanda Childress and Jackie Dukas, Wayne and Pat Childress and Amanda, Toby and Jeremy, Cathy and Melvin Hunt, Shawn and Shellie some from Wheeler, went to Foss Lake. She said it rained and rained. They drove in rain nearly to Wheeler coming home.

Mary Ann's friend, Dee Hohn, from California is going home tomorrow.

They are taking Mary Ann off chemotherapy. Margarette had two more months.

They are looking for Jimmy Joe and Sandy in August. Jimmy lives in Hawaii. They are looking for Mary Ann's daughter, Chrisly, and boys in Aug. They are in Canyon Country in California.

Dorothy and Cliff have a good garden, Mary Ann said.

Mattie Jackson ate dinner with E. O. and Alice Sunday. She visited her sister, Effie, today. They went to Pampa. She visited Glen and Lucille Lester.

Mattie visited then went to Pampa. She sounded pretty tired Monday night. She had heard of the earth quake in Philippines. Killed a lot. Sure sad. Always some bad news.

15th was Hoyle's birthday. I didn't get all that went to Har-die's to eat out and help her celebrate. I think she about 77. Born in 1913, near Blairstown, Okla. I am 21 months older than she is. We are not any spring chickens.

Tuesday morn, cool and quiet. Elbert Overall's wife, Vada, sent out picture, and a write up on Colie's death to the Overalls All Over paper in Tennessee. We get the paper. Overalls are mother's folks.

Another cold night last night.

A SHORTER DRIVE

...can mean a longer life!

Time is critical in treating heart attack victims. The sooner treatment can be administered, the better the chances of limiting damage to the heart muscle, or saving the victim's life.

People in communities like Wheeler often don't have access to the latest drugs and procedures for treating heart attacks. And these new treatments can actually stop a heart attack in progress! But to work, they must be administered while the heart attack is occurring. Too often, people in the Panhandle had to be rushed to Amarillo to get treatment, taking precious time.

Parkview Hospital, however, is a member of Saints' Emergency Heart Network. That means they have these new medicines on hand, have received training in their use, and have direct 24-hour contact with the cardiologists on the St. Anthony's Hospital staff. So people in Wheeler can get the newest life-saving treatment for heart attacks, without far to go.

If you feel symptoms of what you think may be a heart attack, DON'T WAIT. Have someone take you to the emergency room at Parkview Hospital IMMEDIATELY!

With Saints' Emergency Heart Network, the shorter drive can mean a longer life, for you.

From The Minister's Desk:

Leo Durocher was one of professional baseball's most colorful personalities. Known as "Leo the Lip", he was a fiery competitor, who became an outstanding shortstop, playing for several teams in the 1920's and 1930's. Following his retirement as a player in 1939, Durocher became a manager, showing the same fiery competitiveness that he demonstrated as a player. As a manager, he led three different National League teams to the National League pennant.

But while Durocher is remembered for his exploits as a player and a manager, he probably is best remembered for a statement that he made. This statement is: "Nice guys finish last."

Mr. Durocher needs to meet Mr. Cleveland Stroud, the head basketball coach in a small community in Georgia. In 1986 Coach Stroud lead his team to a record of 21 wins and 5 losses, winning the Georgia State Championship. But after winning the Championship, Coach Stroud discovered that an ineligible player had played for forty-five seconds during one of the playoff games. He reported the violation to the Georgia High School Association which disqualified his team, revoking their championship.

When Coach Stroud was asked

Ain't It The Truth

By Ab Gunter

By Ab Gunter

Been working on the little back porch trying to make it into a room and were progressin. A friend had one of them sliddin patio doors he wanted to get rid of and naturally Ole Ab took it. It's been in the shop for a couple of years and I shoved it to get to this and moved it to get to that and finally I figerd it would make a good window if I turned it sideways. Well, I'm lookin through it at this time and sure enough it makes a very good window. Another friend had an old door, that was over a hundred years old, and he gave it to us. We redone it and it looks beautiful as our backdoor. Then we got this and that, that friends no longer needed and by golly we purt near got a neat little room where the porch was. Our little sundeck is also made from throwaways. The top rail is handewn timbers from a century old barn that everyone just loves and we enjoy what we have recycled from the past. Foolish? We don't think so cause we have many things on the shelves that maybe you gave us that are memories of the past and sort of keeps us in touch with you and yours.

Mama seen some of them parakeets and just had to bring em home and they think they ought to get more attention. We haven't had one of them little fellers for some time but now we have. Didn't realize how much fun they are, hope they fit rite in with the little ducks we just got and the kitter Charley and the dog Boots and them turtles and the humming birds and the other wild birds we try to keep fed. Oh I guess Mama can tend to them the way she has all the rest of us over the years. Hope that Mama got enough time for her garden and her lawn and her flowerbeds and her cookin and her clothes washing and all them other HER's. Now Ab he's got his civic responsibilities at the Mall, them fellers wouldn't know what to do if I didn't come by at least once a day. Recon I better get my cap, they won't wait for my appearance very long. See you next week Ab and Her. . . .

The parents of Roland are Russell and Ruth Miles of Wheeler.

Care Center Comments

By Lois

I would like to introduce to the Wheeler community our new Director of Nurses, Mrs. Cathy Bailey. Cathy, her husband, Walt and 11 year old son Jonathan live in McLean. She received her R.N. in 1976 through Northwest Texas Hospital and in October of 1989 she gained a Bachelor of Science Degree in Nursing at West Texas State University. She has had experience in nursing homes, home health and skilled nursing facilities. We welcome her to the Care Center and are looking forward to working with her.

We were rather busy last week. Our July birthday party was held Tuesday afternoon. It was hosted by the Dorcas Sunday School class at the First Baptist Church. The hostesses were Mildred Porter, Ila Byers, Verna Abernethy, Marie Baker, Gladys Pannell, Fannie Bradstreet, Hestell Killingsworth, Kittie Taylor, Sylvia Brown. Rev. Robert Hensley and Louis Abernethy were in charge of supervision of activity.

Our wonderful entertainment was brought to us by Velda Miller. Thanks for bringing such a fine group of young ladies. They were Jotana Simmons, Keri Simmons, and Whitney Simmons. These three were great granddaughters of Mrs. Hestell Killingsworth and Mr. and Mrs. Louie Abernethy. Stacy Miller who also was in the group is the daughter of Dudley and Velda Miller. All four young ladies are cousins. I don't know if that had a thing to do with how well they sang, but we certainly enjoyed them very much.

Our birthday people for July were Jane Knoll, July 3, 1906; Vena Hopkins, July 4, 1902; Evelyn Young, July 12, 1921; Lorena Adams July 25, 1918; Doris Mizell July 26, 1923 and Margaret Goodwin July 31, 1921. Each was presented with a small bunch of balloons and had their picture made. Everyone enjoyed the delicious cake and punch. Our many thanks to each and everyone who helped make the afternoon so enjoyable.

Happy Birthday to each of our celebrities!

Wednesday morning Janice Sparlin and Peggy Hunt came for their Spartin Bible Study. We had quite a large group. We appreciate these ladies so much for spending time with us each Wednesday. Thank you!

I served juice a little early Wednesday so we could start bingo ON TIME. That's one thing we make sure we do. Thanks so much to Becky Case and Evelyn Elliott for helping with the game. I couldn't do it alone. We all have a good time. Callie Cobe brought visitors to play with us. Her daughter Mary Gibson, granddaughter-in-law Sue Ann Gibson and great granddaughters, Britney and Chelsea Gibson. Sue Ann was our big winner for the day. We're so glad all of you could come. Callie also told me this morning she was able to go out to Mary's house Sunday afternoon for a cook-out. She said she had such a good time.

Fern Young and Rozena Zybach made their visit Thursday morning. We always enjoy their lesson and song. We just move the piano from the lobby to the dining room, it's worth the trip. Thank you both for coming.

We enjoyed popcorn prepared by Mae Brazear and Ann Ellison. I wasn't able to be there but Becky said they knew exactly what they were doing and they did indeed. Thank you both so much.

Our domino tournament is scheduled for Tuesday, 24th at 2:00. We sure have had a lot of practicing going on. Everyday we have one or two heated games. The competition better beware! Hope we have a good turnout next Tuesday.

We would like to welcome two new residents to the Care Center, Mr. S.B. Hooker from Mobeetie and Russell (Shorty) Miles from Wheeler. Make yourselves at home gentlemen!

Friday afternoon Becky Case and I served juice to all the residents. Becky usually serves up a lot of Balony tool.

Thank you so much to the First United Methodist Church and all the members who came to the Care Center Sunday. First Jim and Melba Montgomery came for Sunday School class, then in the afternoon a large group of Methodist youth came to sing for all the residents. I understand it was wonderful. Thank you all again. Our residents enjoy young people so much.

See Ya Next Week!
Lois

Saturday David and Rita Pearson, Dallas Fillingim, and Jimmy Maddox helped coach and Paula move over into the house where the Cecil Reynolds family lived.

Danny Nelson and Dallas Fillingim are going to basketball camp at W.T. next week July 23 to 27.

Nice to have Charleen and Bob Carey and Alicia, Dustin, Masey and Jason meet us for supper Tuesday at Maxey's. Then we came out and played 88. Honest, we each won a game. Nice to see Cecil and Jean Meadows and Dean and Shannon Meadows and Megan and Michelle eating at Maxey's. Shannon and girls wore matching royal blue T-shirt dresses with plaid skirts. Dean had a matching T-shirt, but said they wouldn't make him a skirt. Also there were Oden and Lois Hudson and Margie Meadows. Red was in the hospital for tests. Also saw Harold and Mae Nash and Grace Pettit. Hope Red Meadows is better.

The Carey's, except Dustin, met Charleen's sister and husband at Tulsa and went on to Arkansas to a family reunion over the weekend and saw many relatives. Dustin stayed

with Shawn Davis as they had a baseball tournament over the weekend.

Psalm 84: 5, 6: Happy are those who are strong in the Lord, who want above all to follow your steps. When they walk through the Valley of Weeping, it will become a place of springs where pools of blessing and refreshment collect after rains.

Kelsey Hector, 3, had the misfortune to fall off the couch and stick a needle in her knee joint. No one realized the needle was in her knee as no puncture marks or blood. It got worse and got infected and doctor found a needle with X-ray. She had surgery at Amarillo and treatment for the serious infection. Her mom, Karla, stayed with her. She had to be there several days. Shauna and Josh visited the Crownovers. Shauna and Josh visited the Crownovers. Shauna and Josh visited the Crownovers. Shauna and Josh visited the Crownovers.

Willis and I went to see the Eastern Panhandle All-Stars Boys play at Borger Thursday night. But they didn't get started till about 9:00 p.m. We left after three innings and got home after 12:00. We decided we are too old for such stuff. Some we saw there to watch were Gaye Hale and Elizabeth and Sarah, Lindsey Fillingim, Olaf Savage, Larry and Vickey Nelson and Keri, Joey and Carolyn Sabbe, Bob and Linda Hink, Sallie Ledbetter, Mike Bell. Our boys lost to Borger but they worked hard. That was the 13 to 15 year old boys. They also played Saturday night, but lost.

Sweetwater News

Mrs. Joe Flowers

Still don't know whether to be hot or cold. Had to hunt a blanket last night. David wanted to light a burner but we couldn't do that in July!

The garden manages to stay ahead of the weather and bugs. I have put out a ton of Sevin, to no avail. Joe says they eat it for breakfast. Now the hoppers are climbing the trees and eating peaches.

We are having blackeyed peas and okra. One time a boy from India came home with Tony from college. I was dubious about what to feed him since they eat only certain meats. But he said "In India, no eat the bif but in America, eat any thing." He was all excited when I opened a can of snap blackeyed peas. He really wanted to see what snaps were. But like the pork in Pork and Beans, the snaps were non-existent. He was really sunk.

I'm still getting Homecoming news. The class of 1950 met at the Elk Holiday Inn for a get together and later attended the party at the School. When each told what they had been doing the past 40 years, Billy Cotts said he lived at Sayre and commuted regularly to New York and California. Attending were Billy and Shirley, Hazel and Domer Miller, Allison, TX., Lyle Brandt and granddaughters, Cedarridge, Colo., Wynona and Kenneth Swicker, Longview, WA., Ruth Motley, Hollis, Ronnie Coffey, Pryor, Doris Lenderman, Borger.

And Johnny and Wanda Haag, Midwest City, Billy Gene and Norman Hardin, Wichita, KA., Loretta and Don Killingsworth, OK., Faye and Joe Mong, Gerald and Judy Tipton, Sweetwater.

Billy Gene and Norman Hardin attended the Assembly of God Church where Norman brought the message. On Sunday, the Hardins and Mr. and Mrs. Jesse Ashley had lunch with Joe and Faye Mong.

The Strings and Things played an hour Saturday before the parade at the Erick Alumni celebration. Received a blue first place ribbon for their efforts. Our drummer Roy Swagger got a plaque for being the oldest Texola graduate. Billy and Basil Doss are Texola graduates. Joe, Richard Crawford, Hazel Francis were Erick students.

Our brother and wife, S.T. and Heidi Flowers from Tulsa came around plus Ira Burrell, Marshall Jordon, John Barnes, Wendell Powell and a host more. Saw our neighbors James and Sue Keathley in the

Joe and Hazel's mutual cousins, Myrtle Flowers, Callie Brawley, and Zulu Caywood of Lindsey, CA. were here for the Erick celebration. They and Vivadelle Ashmore joined the Kitchen Band at the Grand Place for the program. We were glad to have Bessie Baker of Elk back. Mark Farris, Home manager, joined in with his guitar. Much obliged, Mark. Had a little visit with Flossie McAdoo and the Harvey Bartzes. Callie and Zulu and Helen Allen joined us at church Sunday.

There were some 150 at the Homecoming with Texicans and Okies tying in attendance. The Californians came the farthest. Twelve states were there—OK., TX., N.M., KA., GA., CA., AR., IL., SD., NEV., WA., and COL.

Our aunt Mozelle Stanton is celebrating her 80th birthday this week. Visiting her Saturday were Billy Morgan of OKC, Paul and Rosa Flowers of Norman.

Basil Doss asked me what a raincrow looked like. Said he never has heard of anyone who'd seen one. I looked in every reference book we had and no mention of raincrows tho one dictionary said rain birds were so called because their cries foretold rain and they were cuckoo birds. Joe said the only one he ever saw was a dove. Today I had a letter from C.W. Vinson of Allison. Said his raincrow hollered so loud last week that he got out and tracked it down. It was a mourning dove. SO! If another ever calls in daylight, I will get out and look.

I had a nice letter last week from a reader Louise Fizzano in PA commending the Kitchen Band on their activities and the nice article in the Democrat about them.

The Sweetwater Baptist Church had the services Sunday at the Erick Nursing Home. Those attending were Ross and Ella Mae Anderson, J.E. and Clara Lou McGuire, Ida Mae Rutherford, Elma and O.K. Henson, Bertha Coffey, Juanita Coffey, Eileen Logan, Greg and Jan Henson, Christina and Jerry.

Our Roger Jemly County Sheriff Bob Trammell will receive the Oklahoma District Attorney's Appreciation Award in Tulsa, August 3. Congratulations.

The Kahoa reunion was held June 30 in the home of Mike and Linda Kahoa with five generations, and some 40 percent. Those there were Con and Virgie Kahoa, Jr. and Mary Ann Kahoa, Naomi and Charles Hagerman, Connie Jecoat, Kevin and Clara Howell, Jennifer, Nellidene, Kevin, Kristina, Bob and Jaunell Harris, Jackie, Leslie, Sandie and C.J.

Wheeler Cemetery Board of Trustees Meet

A meeting of the Cemetery Board of Trustees was held at 7 p.m. June 26, 1990. All members were present except Bill Hampton and Thomas Helton. Jim Wright, David Wright, and Jewell Reed were guests.

President Gary Miller called the meeting to order. Minutes of the last meeting were read by secretary Joe Ann Helton and approved.

Jim Wright had asked to meet with the board to discuss ways that the Wheeler Cemetery might be upgraded and the grass burr situation. His suggestions were:

1. Raise price of lots.
2. Memorials to cemetery. Have a

separate account for this and use interest from this account.

3. Good clean up. Redo roads. Ask county and city and Joe Weatherly for use of equipment to do this and also for donations of money for expense.

4. Jim to work with Cemetery Assoc. to plant trees around. Families to buy trees as memorials and the Funeral Home would get and plant trees.

After much discussion concerning the suggestions Sallie Harris motioned that Jim and David Wright take care of getting memorials for the Cemetery Association. Bobby Vanpool seconded. Motion carried unanimously.

Bobby Vanpool motioned to raise price for one (1) grave from \$50 to \$100. Sallie Harris seconded. Motion carried unanimously.

Johnny Reed made a motion to spray cemetery for grass burrs. Bobby Vanpool seconded. Motion carried unanimously. Gary Miller to check into getting the spray and finding someone to do it.

Bobby Vanpool motioned to raise yearly dues from \$3.50 for 2 spaces to \$5.00 per space. Sallie Harris seconded. Motion carried unanimously.

Bobby Vanpool motioned to not grant anymore perpetual care (but the ones that have already paid into it would still have it). Sallie Harris seconded the motion. Motion carried unanimously.

The board feels these actions are necessary in order to upgrade the cemetery and have the money available to keep the cemetery looking nice in the future.

Austin, Wheeler, TX.; and the host A.W. and Cledith "Ned" Burrell, Wheeler, TX.

This same group will meet again in two years at Duncan, OK. See you then.

Here & There

By Laura Guthrie

I want to add my congratulations to the Goad boys for their riding accomplishments. It's something to be proud of. It indicates dedication and hard work. My good wishes are to you.

I've known the Goads for five generations. (I think I can make that six but I'd need a bit more information to make that positive.) Their fore runners were a dedicated, always busy, people.

I saw something yesterday that took me back more than 80 years. A driver went down the street with a horse and buggy! That was my mode of transportation when I started to school in 1907. My two older brothers and I rode 3 or 4 miles to a one-teacher school. Our sanitary system was two separate buildings, a "Boys" and a "Girls". Our water system was a well with a jump, a zinc bucket and a tin dipper. Our cafeteria was a gallon syrup bucket, usually serving a sandwich (probably biscuit and sausage) and a fat sugar cookie. The athletic system offered Stealing Sticks, Ante-over and Ring Around the Rosie. Our inter-school activities were Spelling and Arithmetic matches. We had special programs at Christmas and the last day of school. But it was fun.

Any way, I'd like for somebody to inform me as to the owner of the horse and buggy.

Patricia Forrester is still away. Her mother is in a Ft. Worth hospital and is improving. Patricia will probably be home this week end.

Tootsie and W.L. Jolly have had some trips, and also company in their home. Week before last week they visited with an aunt in Stephenville. Their son Jim and Carolyn in Arlington and a son, Dean and Debby at Tyler. This week they will visit with W.L.'s sister in Oklahoma. Also last week Dean visited here in Wheeler. He went to Duncan to get his grandson to take home with him a few days. He also brought his 8 yr. old granddaughter for a visit.

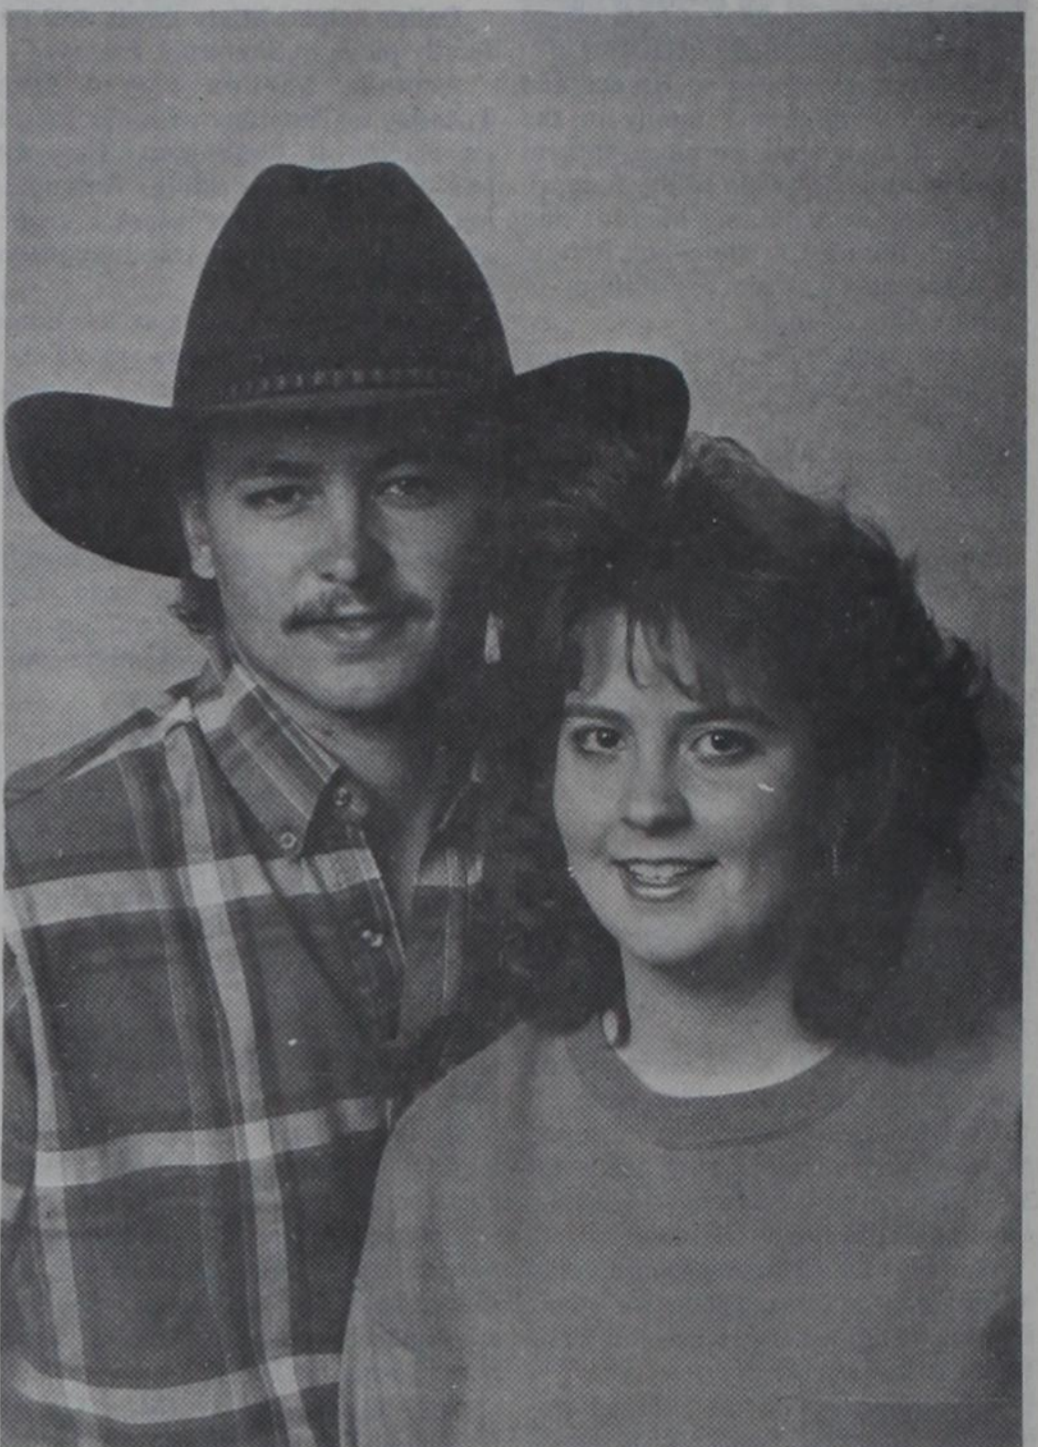

Such a report as this sure makes me know how long I've been in Wheeler. Dean and Jimmy, and scores of others, remind me of their teenage years. And here they are grandparents!

Tim's vacation is over. We've had some lovely cool days that have encouraged us to come out of our stupor caused by intense heat. We are pretty well into routine.

Melinda spent Sunday with a friend in Canadian.

Nine million tons of salt are applied to American highways each year for road de-icing.

LIBRARY NOTES

The Secret Code Is... Read! The Summer Reading Program now has 35 children enrolled. Our second program was last Thursday and Sheriff Jimmy Adams was our guest for both reading groups. He had hand-outs for everyone. Thank you Sheriff Adams.

Children who have completed grades 4-6 meet at the Library from 2:00 - 3:00 p.m. on Thursday. Children who have completed K-3 meet at the library from 3:00 - 4:00 p.m. on Thursday.

Today we have Rochelle Rives reading for us. She will read two of her UIL selections.

Always bring your reading log to the reading log to the programs or if you have questions concerning points. When your log is filled, you will be given a new one. We will keep the filled logs to complete our records at the close of the reading program. You may pick them up in August if you want them. They will be discarded if they are left at the library after August.

Local businesses who are furnishing prizes for our readers are: Velasquez Thriftway, popicles and paper bags; Dairy Queen, sundaes; Speedi-Mart, slushpuppies; Sparlin's, soft drinks. Maxey's Steakhouse is giving a cash donation. Mary Andis painted T-shirts for our special drawing. Our thanks to each of you for your continued support and donations. We encourage any business or individual to donate to this worthy program for our children. If interested call the librarian at 826-5977 any afternoon.

July 26, 1990 is the last day of our reading program. We will not meet in the afternoon. We will all, K-6 grades, meet at the library from 10:30 - 11:30 a.m. for popicles and the drawing. This meeting is for the children who are enrolled in the program. Sheriff Adams will do the drawing for the T-shirt and books. Bring your reading logs so we may count points and award prizes due. We cannot award prizes or give drawing tickets without the reading logs. We ask that children be on 'time' and that they are picked up promptly.

I guess it is a sign of our times that, instead of seeking new industries, towns now seek prisons. Hear Pampa is thrilled to death because they got a 1,000 bed one.

Mr. and Mrs. Jim Anderson and Norma Reed are just home from a vacation at Branson, MO.

Heard young Ronnie Reagan getting excited about route 66 on Good Morning America. Sunday when we came home from church a car flagged us down and asked how to get to Erick and Old 66. Am sure it was Ronnie.

Funeral services were Friday at Sayre for Bill Brown with burial at Dempsey. Bill lived many years in the Sunny Point community before moving to Sayre. He was an uncle of our fiddling girl Betty Brothers.

Services were Saturday for Will Amend, 97, of Erick. I was told the funeral was at Reydon with burial in the White Rose Cemetery. He was the father of our friend Maxine Wright.

We went to the Bookmobile Monday and filled our book bag. To be able to read and not read is as bad as not being able to read. Come visit them. They have all kinds of books and will get any you'd like to read if it isn't there. It will be back July 23 at the Assembly of God Church, 1:46.

Arnold and Bonnie Rice went to a Postal Conference at Tulsa over the weekend.
